

Big Shot 701

Chapter 701: Miss Qiao, Are You Alright?

She looked past him and pretended to be looking for someone. When she saw Nana in front of her, it was as if she saw her savior. She quickly strode towards her.

Perhaps it was because she was walking too quickly, she didn't see a stone under her feet and slipped...

Seeing that she was about to fall, Tu Yilei hurriedly went forward to support her.

Qiao Mianmian bumped into him again.

Tu Yilei held her waist out of habit.

Under normal circumstances, he should have let go after she stabilized herself.

But the moment he let go, he couldn't bear to.

The girl's soft and fragrant body was leaning against his chest, and the sweet scent kept entering his nose.

He didn't dare to use too much force when he hugged her, afraid that he would break her waist.

She was so petite.

It was only when she was in his arms that she could feel his chest.

He could hold her in his arms.

Tu Yilei's ideal girlfriend was such a petite girl.

It made him want to protect her.

Qiao Mianmian's looks weren't just his cup of tea, but even her height and figure suited his preferences.

Even her sweet scent was the type he liked.

His fingers touched the soft and slender waist of the girl in his arms, and his heart started to race uncontrollably.

How could there be such a girl?

She had become what he liked.

He never believed in love at first sight.

But now, he believed it.

It turned out that there really was a type of person in this world who could make you fall for her with just one look.

Then, he liked her more and more.

He liked her so much that he couldn't stop thinking about her.

He couldn't stop thinking about her.

But why did God arrange such a person for him and make her belong to someone else?

"Mr. Tu, let go of me..."

Qiao Mianmian fell into Tu Yilei's arms again, and her head hit his sturdy chest. She felt dizzy from the impact.

It took her a while to recover.

When she realized that Tu Yilei's hand was still on her waist, she felt a strange emotion and pushed him away.

Tu Yilei snapped back to his senses.

"I'm sorry, Miss Qiao. Are you alright?"

Tu Yilei immediately let go and took a step back. He tightened his grip around Qiao Mianmian's waist and took a deep breath to suppress his emotions.

He knew that he'd lost his composure.

He did something very ungentlemanly.

He actually took advantage of her.

Qiao Mianmian shook her head.

"That's good." Tu Yilei realized that he was losing control of his emotions. He panicked. It was a fear and panic that surpassed his control.

He wanted to escape.

"Since Miss Qiao is fine, I'll take my leave first." Tu Yilei hurriedly left after saying this.

"Sister Mianmian, are you alright?"

Nana turned around and saw that Tu Yilei had already left. She furrowed her brows as some speculations that she'd forgotten surfaced in her mind.

Chapter 702: I Want This Video. How Much Do You Want?

She really felt that Tu Yilei's attitude towards Qiao Mianmian was different from the others.

Although he had a good temper and was well-liked by the crew, Nana had noticed that Tu Yilei would never approach a female artiste.

The female lead, Huang Yilin, was just a friend of his.

But Tu Yilei had approached Qiao Mianmian more than once.

And just now...

At the thought of what happened just now, Nana was even more certain of her speculation.

At first, she thought she was overthinking.

But she wasn't too surprised.

Even a woman like her felt that Qiao Mianmian was so beautiful, let alone a man.

It was normal for men to like such a beautiful girl.

Even if Tu Yilei was a popular celebrity, he was still a man.

It was possible to fall for a beautiful woman.

But Qiao Mianmian already had a boyfriend, and they loved each other. If Tu Yilei really liked her, he would be disappointed.

Not far away.

After taking a picture of Tu Yilei holding Qiao Mianmian, he put his cell phone away and walked towards a huge van.

In the car.

The man took out his cell phone and said to Huang Yilin, "Sister Yilin, I saw something interesting on my way to the washroom. I think you'll be interested."

Huang Yilin put on her lipstick and glanced at him. "Oh? What is it? Are you so sure I'll be interested?"

"Sister Yilin will know when she sees it."

The man handed over the phone confidently. "I promise you'll be interested."

Huang Yilin stared at him for a few seconds, took the cell phone, and looked at it. When she saw the two people in the video, her expression changed.

She stared at the video seriously.

It only lasted for about a minute.

Soon, Huang Yilin finished watching it.

She looked up at him. "I want this video. How much do you want?"

The man smiled. "Sister Yilin is really direct."

** *

Qiao Mianmian wasn't aware of the news yet.

Neither did Nana.

The first person to know was Tu Yilei.

When the last scene was over, Tu Yilei was about to head to the changing room to change his clothes when Michael got out of the car in a huff.

“Little Tu Tu, look at what you’ve done!” Michael walked up to him and stuffed the cell phone into his hand. His face was pale as he said, “I’ve told you so many times to keep your distance from her, but you just wouldn’t listen.

“Now that this has happened, just wait for your fans to tear her apart.

“If this is how you like her, you’re ruining her!”

Tu Yilei looked up.

“Michael, what happened?”

“Take a look for yourself.” Michael was so angry he didn’t want to speak anymore. “Someone secretly recorded you with her today. And it was such an ambiguous video. I just went to your Weibo to take a look. Your fans are all saying they want to tear her apart.

“I guess her Weibo account has already exploded. Little Tu, I’m telling you, you’ve really hurt her this time.”

Tu Yilei’s expression changed slightly as he hurriedly looked down at his cell phone.

His expression darkened as he read the post.

Chapter 703: She Was Implicated by Me

The sky was a little dark, and his handsome face was covered in a layer of coldness. He clenched his fist and pressed a clear fingerprint on his cell phone screen.

“You’re done?” Michael looked at his expression and asked calmly.

Tu Yilei pursed his lips and looked up at him angrily.

“When did this happen?”

“Half an hour ago.”

“Have you found out who took the video?”

“Hmph, how could I find out so quickly.” Michael ignored him and said, “You can’t blame others for this. You’ve always ignored what I said to you. You can’t even control yourself. It’s normal for someone to take advantage.

“Previously, those actresses used your popularity to create something out of nothing. Your fans are smart as well. They knew that they were self-directing and didn’t really care about them. But this time, it’s different. Your fans seem to be very angry. They must have noticed something.

“Little Tu Tu, your fans love and protect you, so they won’t do anything to you. But Qiao Mianmian is going to be in big trouble,” Michael said calmly. “She doesn’t have a fan base at all. Even if she gets ripped apart by your fans, no fans will defend her or speak up for her.

“Initially, with this show, she’d be able to do well in her career. If she’s lucky, she might even be able to make a name for herself. But after this, do you think she’ll still have a chance?”

Tu Yilei’s expression darkened. “I know what you’re saying. Don’t say anymore.”

Michael said coldly, “That little girl probably doesn’t know about this yet. When she finds out later and sees how your fans scold her on Weibo, guess what she’ll think?”

Tu Yilei clenched his fists.

“Michael.” He was silent for a moment before he turned around and said coldly, “This is all because of me. She’s been implicated by me. Get someone to remove the hot searches immediately. I’ll post it on Weibo to clarify things.”

“Are you crazy?”

Michael widened his eyes in disbelief. “You’re going to post on Weibo to clarify things? Do you believe that once you post on Weibo, your fans will want to destroy her even more? Have you ever posted on Weibo to defend any female artiste? No way. What do you think she’ll do after she becomes the first female artiste you defend?”

“Then, what should we do?”

Tu Yilei punched the car door. “You know that she’s still a newbie. Her company might not help her settle this. If we don’t help her, who else will?”

“Michael, I have to help her.”

At this moment, Tu Yilei felt extremely guilty.

If it wasn’t for the fact that he couldn’t control himself and couldn’t help but approach her time and time again, if it wasn’t for the fact that he couldn’t resist the temptation today and wanted to spend more time with her, even if someone wanted to create scandals about him, they wouldn’t have had the chance.

This rumor started because of him.

If she was attacked and insulted by his fans because of him, or even affected her future career, he would feel guilty for the rest of his life.

Since it was all because of him, he should be the one to settle it.

“Of course, the company will clarify this scandal for you. I’ve already said that this does not affect you, but it definitely has an impact on her. Even if the company clarifies it, it’s normal that your female fans can’t accept it.”

Chapter 704: I Don’t Want to... Harm Her

“In your fans’ eyes, you definitely weren’t the one who took the initiative. Then, she could only have pretended to fall to seduce you.”

Tu Yilei’s expression got colder and colder. He wanted to say something but couldn’t.

Because he knew that what Michael said was the truth.

This wouldn't affect him much.

Everyone would think that Qiao Mianmian was trying to ride on his popularity.

Even her fall was seen as deliberate.

She would be seen as a scheming woman who wanted to make a name for herself through scandals.

"I'll take note in the future."

Tu Yilei kept quiet for a long while before looking at him pleadingly. "Michael, we have to help her this time. She's still young and her career has just started, she can't be ruined just because of me. I'm begging you, you have to help her, alright?"

"I won't take the initiative to look for her anymore. I'll keep a distance from her."

That was what Michael was waiting for.

Actually, how could he not be able to settle it?

If he couldn't even handle such a small matter, he would have been fired a long time ago.

He made it sound so serious because he wanted to force Tu Yilei to say those words.

To keep a distance from Qiao Mianmian.

It didn't matter how much he said.

Only by letting Tu Yilei know how Qiao Mianmian's scandal would affect him would his restless heart settle down.

"Will you really keep your distance from her and not look for her anymore?"

"Yes." Tu Yilei looked down, hiding the bitterness in his eyes. He smiled bitterly and said, "I won't dare to look for her again. I don't want to... harm her."

If his love only brought her trouble, what else could he do besides giving up?

He couldn't even bear to let others hurt her, how could he hurt her?

"Alright, I'll remember that." Michael looked him in the eye and said, "You said it yourself. I'll help you settle this. But if there's a next time, you don't have to look for me anymore."

** *

It was Linda who told Qiao Mianmian about the scandal between her and Tu Yilei.

When she received Linda's call and found out that the scandal between her and Tu Yilei had gone viral on Weibo, she was shocked.

"Sister Xie, are you saying that Tu Yilei and I are in a scandal?"

After getting Linda's affirmation, she was still a little confused. "But what kind of scandals can we have? We... don't have that kind of relationship?"

She tried her best to stay away from Tu Yilei.

When there was no chance, they didn't communicate at all.

Moreover, even if they did interact, it wasn't the time to be alone. There were other people around.

"Of course, I know that you and Tu Yilei don't have that kind of relationship. But this matter is getting out of hand. His fans are saying that you're trying to gain his popularity, but he hasn't responded yet.

"In any case, the current situation is very disadvantageous to you. The company will send a public relations team to clear things up for you, but we don't know how it will turn out. As you know, his female fans aren't easy to deal with. They think you're seducing Tu Yilei on purpose. Even if we clarify things, they won't believe us.

"Don't give any response for now. Wait and see how Tu Yilei reacts."

Chapter 705: So... Scary?

"Mianmian, stay away from this person in the future. You can't afford to offend his fans. You'd better communicate with him. His fans are very obedient.

"If he's willing to help you, this matter isn't too difficult to resolve. If he's unwilling to help you, it'll definitely affect you."

Qiao Mianmian was speechless.

She suddenly felt like crying.

She felt like a troublemaker.

From the day Linda signed her, she'd already caused two troubles.

The scandal with Su Ze.

And now a scandal with Tu Yilei.

Although Linda hadn't said anything to rebuke her, she was already at a loss for words.

If she signed with such a troublesome artiste, she would definitely regret it.

Linda probably regretted signing her.

She hadn't brought any benefits to the company but had caused quite a lot of trouble.

Which company would want such an artiste?

"I'm sorry, Sister Xie." Qiao Mianmian was still trying to figure out what had happened. "I've caused you trouble again. I know it's useless to apologize, but I'm really sorry."

"This isn't something you can control." Linda was still calm. "Tu Yilei is very popular now. Any female artiste who gets close to him would be seen as taking advantage of his popularity.

"Unless the other party is more popular than him.

"You're not the first female artiste to be said to have taken advantage of his popularity.

"When I found out that he was the male lead this time, I guessed that this day would come. I just didn't expect it to come so soon."

Qiao Mianmian was speechless.

She'd rather Linda flare up at her.

She would feel better that way.

"In any case, don't give any response for now. Let's see how Tu Yilei's public relations is going to handle this. I'll keep an eye on them too. I'll call you when the time comes.

"Also, are you still on set? Be careful when you go out, I'm afraid his fans will surround you."

Qiao Mianmian was shocked. "His fans... are coming to surround me?"

She thought that they would at most scold her online.

Linda said seriously, "Of course. In the past, there was a female artiste who tried to use him to gain popularity. She angered his fans and got herself surrounded by them. That female artiste was so shocked. She even got traumatized by the incident and left the industry."

Qiao Mianmian was stunned.

So... scary?

"Just be careful."

"I got it." Qiao Mianmian broke out in cold sweat.

She wiped the sweat off her forehead and was about to hang up when Linda asked, "One more thing. You and Bai Yusheng... what's going on? I heard that the crew said he likes you?"

"That's not true." Qiao Mianmian quickly explained. "He's a friend of my boyfriend's. Before I came over, he called Bai Yusheng, so he takes special care of me."

"That's good. Since you have a boyfriend, you have to be serious about it. You have to know your limits when interacting with the opposite sex. Otherwise, when your relationship is exposed in the future, all of this will become a stain on your reputation."

Chapter 706: Are You Going Crazy Trying to Get Popularity?

"I know, Sister Xie. I'll be careful."

Linda hung up.

Qiao Mianmian heard Nana's shocked voice the moment she hung up. "Sister Mianmian, I saw you on Weibo just now..."

"I already know."

Before she could finish, Qiao Mianmian frowned and said, "Sister Xie called me just now and told me everything."

"What should we do?" Nana glanced at her and said cautiously, "Tu Yilei's fans are attacking you like crazy. Sister Mianmian, they're so scary."

"Someone said that they wanted to team up to teach you a lesson."

Qiao Mianmian was speechless.

Team up to teach her a lesson?

Damn, Linda had just told her to watch out for Tu Yilei's fans. She felt that this was unrealistic.

Someone really wanted to surround her?

This was too scary.

What kind of terrifying existences were Tu Yilei's female fans?

"Sister Mianmian, these female fans don't seem too old, and their legal awareness is rather weak. They might really come over to cause trouble. We have to leave quickly." Nana was also a little afraid.

Young female fans were really scary.

They could do anything.

It was easy to go to the extreme.

Qiao Mianmian couldn't help but take out her cell phone and check Weibo. She saw that the post had over 10,000 comments.

And thousands of comments about her.

She knew that the comment section wouldn't have anything good to say, so she hesitated for a while before opening it.

The moment she did so, she saw various comments scolding her.

They were all disgusting words.

The people who scolded her were all using Tu Yilei's fan tag to occupy her comment section.

Little Wife of the Tu family: What the f*ck, you're so shameless. You want to ride on my brother's popularity, are you even worthy? You even pretended to fall and let him help you, how disgusting! How can you be so shameless?

Tu Yilei's Little Princess: Bitch! You're so disgusting! Are you trying to ride on his coattails? Why don't you take a look at who you're riding on! Do you believe that our Tu family's army will tear your face apart!

Qiao Slut: This scheming bitch is too disgusting. The thought of my brother hugging this scheming bitch makes me feel disgusted for him a thousand times. My brother was kind enough to help her up because he was afraid she'd fall, but she actually took the chance to take advantage of him. How can there be such a shameless slut. Die!

Bitch Qiao: Damn it, who are you to lean on my arms? If you fall on purpose, you'll die tonight!

Team Bitch Qiao: Ah, I'm so angry from watching that video. I'm so angry. Is anyone going to teach that bitch a lesson with me? I really want to tear her disgusting fake face apart.

The comment section was filled with angry comments.

Qiao Mianmian looked at it for less than a minute before leaving the comment section with a pale face. She couldn't believe it.

Those aggressive comments were from a group of underage girls.

She checked their Weibo accounts and saw that they were all 15 or 16 years old.

But their comments were enough to send shivers down her spine.

No wonder people said that Tu Yilei's female fans weren't easy to deal with.

They weren't to be trifled with.

If she knew from the start that his fans were so scary, she would have stayed away from him.

Chapter 707: For Your Safety, Don't Go Out for Now

Even if she offended him.

Offending him alone was better than offending his female fans.

"Sister Mianmian, did you read the comments just now?" Nana asked.

Those comments were really scary.

She was shocked.

"Mm." Qiao Mianmian exited Weibo and didn't want to read the comments anymore. "Are all male celebrities' fans so scary now?"

"Not really."

Nana thought for a while and said, "Female fans have always been scary, but Tu Yilei's female fans are so many times scarier than other male celebrities. Although he doesn't walk the path of an idol, his face is enough to make girls go crazy."

Qiao Mianmian still had a lingering fear at the thought of those terrible comments.

She now felt that Linda's "throwing rotten eggs" was already considered a light punishment.

When the fans went crazy, they weren't just throwing rotten eggs.

They could probably even commit murder and arson.

Qiao Mianmian was a little afraid when she heard Linda talk about how crazy they were.

When she saw the negative comments, she was even more frightened.

What trouble had she gotten herself into?

It was much worse than Su Ze's.

Qiao Anxin's fans weren't as scary as Tu Yilei's.

"Miss Qiao, Brother Tu asked me to come over and let you know. Please don't leave the set for now."
Hui Hui was walking towards them.

Qiao Mianmian was shocked by Tu Yilei's fans.

So much so that she was a little afraid of anyone related to him.

When she saw Hui Hui, she immediately looked behind him. When she didn't see anyone else, she heaved a sigh of relief.

She could roughly guess what was going on.

She pretended to be calm despite her fear and panic. "Why? Is someone waiting for me outside?"

Hui Hui nodded. "Yes. I'm sure Miss Qiao has already seen the scandal between you and Brother Tu. The people waiting for you outside are Brother Tu's fans, and they're very agitated. They might do something.

"For your safety, don't go out for now."

What she was afraid of came true.

Qiao Mianmian went pale. "A lot of people?"

Hui Hui nodded again. "About a dozen. The workers are blocking them now, so they can't enter. Moreover, Director Bai already got someone to call the police. They'll be here soon. But before that, don't leave."

"Alright, I got it."

Qiao Mianmian didn't dare to go out.

Nana was furious. "Your Brother Tu's fans are too scary. Sister Mianmian has nothing to do with him at all. He just helped Sister Mianmian a little, and they're saying that Sister Mianmian seduced him on purpose to gain his popularity.

"The fans are still looking for Sister Mianmian."

Hui Hui rubbed his nose and said innocently, "You can't blame Brother Tu for this. He's not behind the scandal. He blames himself for this. He feels that he caused Miss Qiao harm."

"Oh right, Miss Qiao." Hui Hui turned to Qiao Mianmian and said, "Brother Tu asked me to pass you a message. He said that this was caused by him, so he's very sorry."

Chapter 708: Someone Is Out to Teach You a Lesson, How Could You Be Prepared for It?

"He wants to apologize to you, but... after what happened today, he can't approach you anymore.

"He doesn't want to be photographed.

"He also told me to tell you that he'll settle this matter and that you don't have to worry."

Qiao Mianmian nodded in understanding. "Mm, I got it. Actually, he doesn't have to apologize to me. He's a victim too. Blame it on the person who took the picture."

"It's great that Miss Qiao thinks this way." Hui Hui smiled. "Brother Tu is blaming himself so much. I think he's in a bad mood. I'll relay Miss Qiao's message to him when we get back. I believe he'll be in a better mood.

"If there's nothing else, I'll head back first."

Not long after he left, another crew member came over.

Qiao Mianmian had also been on set for two days and recognized that the employee was Bai Yusheng's employee.

The employee stopped in front of her and politely said, "Miss Qiao, Director Bai said that the situation outside isn't very good, so he asked you to take his car and leave. Miss Nana can come with us."

Qiao Mianmian didn't think much about it and nodded. "Alright."

She wondered when the fans would leave.

Right now, taking Bai Yusheng's car was the best option.

She knew that once she got into his car, the crew would start discussing her relationship with him.

But she couldn't care less.

Anyway, many people still misunderstood them.

Since they had already misunderstood, it didn't matter whether she took Bai Yusheng's car or not.

"Miss Qiao, come with me then. Director Bai is waiting for you in the car."

** *

Bai Yusheng's car was a black Maybach.

Qiao Mianmian followed the crew member and saw Bai Yusheng sitting in the driver's seat, smoking.

“Director Bai, Miss Qiao is here.” The employee reminded him.

Only then did Bai Yusheng turn around and look at Qiao Mianmian. He reached out to press the button beside him and opened the car door.

He put out the remaining cigarette in the ashtray and said, “Come on up.”

Qiao Mianmian opened the door and sat in the passenger’s seat.

Bai Yusheng then said, “Put on the seatbelt.”

Qiao Mianmian put on her seatbelt obediently.

“Are you afraid?” Bai Yusheng asked.

“... Mm, a little.” Qiao Mianmian thought for a while and turned to him. “Director Bai, I’m sorry, I’ve caused trouble for the crew.”

Bai Yusheng smiled. “Why are you apologizing to me? You didn’t ask them to come.

“Moreover, the scandal between you and Tu Yilei wasn’t created by you, right?”

Qiao Mianmian pursed her lips and nodded.

“So, you don’t have to apologize to anyone.” Bai Yusheng didn’t seem to blame her at all. Instead, he seemed to be comforting her. “You’re just a nobody. If someone wants to teach you a lesson, can you be prepared?”

Qiao Mianmian turned around.

She seemed to have gleaned something from his words.

“Director Bai, are you saying that the scandal between Tu Yilei and I was mainly targeted at me?”

She thought that it was a secret shot taken by a reporter.

Just like the other scandals about Tu Yilei in the past, it was all for the sake of gaining attention and popularity.

Chapter 709: Why Are You Staring at Me Like That?

She never thought that it would be directed at her.

But what Bai Yusheng meant was... it seemed like this rumor was directed at her?

Bai Yusheng looked at her and smiled. “Otherwise, do you think this is just an ordinary scandal?”

Qiao Mianmian was speechless.

She really felt that way.

Wasn’t it?

“Director Bai, did you find something?” Qiao Mianmian asked softly.

"It's just a small matter," Bai Yusheng said calmly. "It's very easy to find out who took the video. Do you think I wouldn't know about this?"

"Then, Director Bai, can you tell me who did it?"

Qiao Mianmian could already guess who it was.

The only person in the crew who didn't get along with her was that person.

Even if others had something against her, it wasn't to the point of wanting her dead.

"You're so smart, I believe you've already guessed it." Bai Yusheng looked at the window beside her and reminded her. "Raise the window, don't let anyone see you."

Qiao Mianmian thought about the group of female fans outside and immediately rolled up the windows.

Not a single gap was left.

She even reached out to gently knock on it, then turned around and asked seriously, "Director Bai, your car is so good, the window should be very sturdy, right? If someone wants to smash it, it shouldn't break, right?"

She wasn't afraid of the female fans throwing rotten eggs at her.

She was afraid that they would throw a brick.

Bai Yusheng was speechless.

He couldn't help but laugh. "Little girl, you're already in my car, are you still worried that someone will bully you?"

"I, Bai Yusheng, am such a useless person that I can't even protect a little girl?"

He broke into a warm smile.

The cold and distant aura around her vanished completely.

When they were filming, he was very serious. No matter who the other party was, as long as they didn't meet his requirements, he would scold them harshly.

No matter how popular they were, he wouldn't give them face.

Qiao Mianmian was a little afraid of Bai Yusheng.

But at this moment, as she looked at this man's warm smile, she suddenly felt that the distance between them had lessened. She felt a sense of intimacy for no reason.

She didn't know where this intimacy came from.

She just felt that Bai Yusheng was a little different from the person she knew.

He actually looked like a big brother next door.

"What's wrong? Why are you staring at me like that?" Bai Yusheng's handsome face suddenly came close to her. He smiled and joked. "Are you suddenly attracted by my good looks?"

“Cough, cough, cough.”

Qiao Mianmian was shocked when he leaned over.

Although she knew that Bai Yusheng was joking, she was still shocked by his words.

She never expected someone like Bai Yusheng to joke about her like this.

He usually looked serious.

He didn't seem like a man who would joke around like this.

“Ahem! Director Bai, I have a boyfriend.”

Qiao Mianmian wasn't worried that he would fall for her. She felt that it was impossible.

Bai Yusheng didn't look at her in that way.

Chapter 710: It's Obviously Out of the Norm

A woman's intuition was very accurate.

She could feel that Bai Yusheng had no romantic feelings for her.

Hence, she mustered up her courage and said, “In my eyes, my boyfriend is the most handsome person. Other than him, all other men are the same to me. Moreover, I will only be attracted to my boyfriend.

“If Director Bai has any feelings for me, I think you'd better give up on it as soon as possible. My relationship with my boyfriend is very good. I won't break up with him for another man.”

Then, Qiao Mianmian immediately regretted it.

Ahhh, what did she just say?

She must have been bewitched by Bai Yusheng's smile and thought that he had a good temper and that she could joke around with him.

Then, she got the guts to joke around.

But just as she finished speaking, her mind cleared up.

She really regretted it now.

What if Bai Yusheng got angry?

What if he wanted to pick a third female role out of anger?

He could do that.

“Uh, Director Bai...”

Just as she was about to apologize and repent, she heard the man beside her chuckle.

It sounded... pleasant.

Huh?

Qiao Mianmian looked up in confusion and met Bai Yusheng's smiling eyes.

He didn't seem angry.

Not only was he not angry, but he also seemed to be in a good mood.

Qiao Mianmian asked cautiously, "Aren't you angry?"

Bai Yusheng raised an eyebrow. "Why should I be angry?"

"Oh, because I... said that. I'm sorry, I didn't do it on purpose. I was just joking with you. If you don't like it, I won't ever..."

Before she could finish, she was shocked by the huge hand above her head.

Bai Yusheng rubbed her head naturally. Before Qiao Mianmian could recover from her shock, he retracted his hand and said, "Since it's a joke, what's there to be angry about? I was just joking with you. A little girl like you isn't my cup of tea.

"In my eyes, you're no different from a little sister."

Qiao Mianmian slowly came back to her senses. She looked at the man beside her, who had regained his composure.

Bai Yusheng's actions were out of the norm.

She should be angry.

Even if she wasn't angry, she should have slapped his hand away to show her attitude.

Because that action... was too intimate.

Besides Mo Yesi and Su Ze, that jerk's ex, no other man had done that to her.

She should be very against it.

But her first reaction was shock, and after that, she didn't think of pushing him away.

There was no rejection.

Instead, she felt a sense of intimacy.

Gosh.

Qiao Mianmian's expression changed as she thought of a possibility.

Could it be that... she liked Bai Yusheng?

That was why she didn't reject his actions.

And it felt so intimate.

Besides liking someone this way, she couldn't think of any other reason.

At the thought of this possibility, Qiao Mianmian quickly looked away, not daring to look at Bai Yusheng anymore.
