

Big Shot 711

Chapter 711: She's Not Such a Scum

She was flustered and at a loss.

She also felt a sense of guilt for betraying Mo Yesi.

How could she fall for another man?

Mo Yesi was so nice to her, it would be too much if she fell for another man.

But she wasn't such a terrible woman.

She didn't think she liked Bai Yusheng.

She looked at him and didn't feel anything.

If she wasn't moved, how could she like him?

But if she didn't like him, how could she explain her feelings?

Qiao Mianmian was at a loss.

She felt that she might have some feelings for Bai Yusheng, but at the same time, she didn't.

One moment, she felt that she'd let Mo Yesi down, and the next moment, she felt that the only person she liked was Mo Yesi. She couldn't possibly betray him.

She was caught in a fix until the car drove out of the filming location. It was only when she saw the group of crazy fans that she snapped out of her daze.

Through the car window, she saw a dozen young girls standing by the roadside.

The oldest was about 17 or 18 years old.

The rest looked younger.

These girls were carrying bags that Qiao Mianmian couldn't see, but she guessed they were meant for her.

This group of people seemed agitated as if they were arguing with the security officers.

The security officers stopped them from entering.

There were more people than Qiao Mianmian had imagined.

She didn't even dare to imagine what would happen if she left without prior notice.

The black Maybach drove past the female fans.

They could see the people outside, but the people outside couldn't see what was inside.

The female fans had no idea that the person they were waiting for was in the car.

Qiao Mianmian only let go when she was sure that the Maybach was far away.

“How scary.”

Although she wouldn't be threatened, for the time being, she still felt a lingering fear. “I wonder what's in their bags. Do you think they have things like hammers and bricks?”

“These fans are so young, why are they so crazy?”

“What if they keep watching me?”

There was a red light at the intersection ahead.

Bai Yusheng stopped the car and took a look at his cell phone. “I don't think you should be worried about this right now. Little girl, have you thought about what your boyfriend will think when he sees the scandal between you and another man?”

“Shouldn't you be worried about that?”

Someone must be furious.

He could tell from the message.

He was a possessive person.

Now that he saw his woman in a scandal with another man, he was afraid...

Qiao Mianmian was stunned.

She turned to look at Bai Yusheng and slowly widened her eyes.

She actually... forgot about Mo Yesi.

She never thought that Mo Yesi would see those scandals.

She knew how possessive and jealous that man was.

He was even jealous of Jiang Luoli. If he saw that scandal...

Chapter 712: Won't Answer Her Call

Whether it was true or not, he would definitely mind it.

Bai Yusheng looked at her. “Has your boyfriend looked for you?”

Qiao Mianmian replied, “... No.”

She felt that Mo Yesi probably hadn't seen that rumor.

Otherwise, given his personality, he wouldn't be so patient as to not call or text her.

Bai Yusheng looked at her with some sympathy. “The scandal is so huge, it's impossible that he doesn't know about it. If he knows but hasn't contacted you, what do you think will happen?”

Qiao Mianmian was speechless.

If he found out but didn't contact her, then... it was pretty scary.

Perhaps he was too angry.

At the thought of this, Qiao Mianmian felt uneasy.

She immediately took out her cell phone and called Mo Yesi.

It got through very quickly.

In the past, whenever she called Mo Yesi, it would always be picked up after a while.

But this time, it rang for a long time, but Mo Yesi did not pick up.

This was the first time Qiao Mianmian called him, but he didn't answer.

This was the first time Qiao Mianmian was in such a situation.

She didn't know what to do.

Bai Yusheng glanced at her. "You called your boyfriend? Why, is he not picking up?"

Qiao Mianmian bit her lip. "Mm."

"When you called him in the past, did he ever reject you?"

Qiao Mianmian got even more flustered and shook her head. "No. If I call him, he'll pick up quickly."

"Could it be that something happened and he didn't bring his cell phone with him?" Bai Yusheng already knew that Mo Yesi didn't pick it up on purpose. He had just received a WeChat message from him.

Hence, he was not picking up on purpose.

It was probably because that guy got angry and ignored his woman.

But the angrier he was, the more he cared.

That guy probably wouldn't be arrogant for long.

"No, he always has his cell phone with him. When I called him in the past, he picked up very quickly. He said that he would keep his cell phone with him 24/7. As long as I look for him, I can find him anytime."

Qiao Mianmian hung up and dialed again.

This time, it was the same as before. It rang for a long time, but the call didn't go through.

When she heard the "user is busy, please try again later" sound coming from the cell phone, her face fell and her eyes went sore.

Mo Yesi refused to answer her call.

He must be angry.

He saw the scandal between her and Tu Yilei and got jealous.

Moreover, he must be really angry this time, that's why he didn't even pick up the phone.

Qiao Mianmian felt wronged.

Mo Yesi had always been obedient to her. He couldn't bear to say anything harsh to her, much less ignore her.

He treated her like a precious gem.

He picked it up instantly.

He replied instantly.

But now, she had already called him twice, but he still refused to answer.

She had never felt so aggrieved before.

She felt especially upset and aggrieved.

And she really wanted to cry.

Could this be her fault?

She'd never thought of having a scandal with Tu Yilei.

Moreover, in the video, Tu Yilei had only helped her out like a gentleman and they hadn't done anything overboard.

Chapter 713: He Likes This Girl

Even if he was angry or jealous, he should be reasonable.

"You still haven't picked it up?" Bai Yusheng looked at the girl beside him, whose eyes were red as if she was going to cry at any moment. He didn't know why, but his heart ached for her.

But it had nothing to do with love.

It had nothing to do with friendship.

He and Qiao Mianmian weren't friends.

But he could feel that he liked this girl.

When he was with her, he would feel relaxed and happy.

He couldn't help but want to be more intimate with her.

For example, now he wanted to pat her on the head and console her.

Bai Yusheng had always been a man of action. Just as he thought of this, he placed a hand on Qiao Mianmian's head and rubbed it gently. "What's there to be sad about? If your boyfriend didn't pick up your call because he's angry, it shows that he cares a lot about you.

"That's why he's jealous.

“This is just his normal reaction. If he weren’t angry and didn’t mind it at all, you’d be really sad. When he’s over it, he’ll come and look for you. You’re already so old, don’t cry so easily, okay?”

“If he doesn’t pick up your call, then don’t call him anymore. When he wants to look for you, he’ll look for you.”

Bai Yusheng was a little upset with Mo Yesi.

He was a grown man, and yet he was angry with his woman over such a trivial matter.

What kind of man was he?

When he was neglecting his woman, had he never thought that doing this would hurt her?

Bai Yusheng decided to teach Mo Yesi a lesson.

He wanted him to be even more arrogant.

He hated it when women shed tears.

Especially when this little girl’s eyes turned red. He suddenly felt uncomfortable.

Qiao Mianmian was about to call him again, but after hearing what Bai Yusheng said, she blinked her teary eyes and asked skeptically, “Is this alright? He must be angry with me now and is waiting for me to coax him. If I ignore him, won’t he be even angrier?”

“No.”

Bai Yusheng said firmly, “I’m a man. I know better than you what a man thinks. Listen to me, don’t bother about him from now on. Don’t call him or text him. If he comes to look for you, don’t bother about him.

“Let him off for a while. I promise he won’t do this to you again.”

“He’s looking for me, but I’m ignoring him? Isn’t this a little inappropriate?”

“There’s nothing bad about it.” Bai Yusheng looked very experienced. “Men are cheap. The more you don’t take him seriously, the more he’ll take you seriously. The more you show concern for him, the smugger he’ll be.

“Listen to me, at least keep him cold for a night. If he looks for you tomorrow, you can talk to him.

“If he cared enough about you, he wouldn’t have stopped looking for you just because you ignored him the whole night.

“Just treat it as a test for him.”

Qiao Mianmian was speechless.

She felt that what Bai Yusheng said made sense.

Moreover, he didn’t have to lie to her.

Men knew men better.

But was she really going to do this?

She was worried that Mo Yesi would be even angrier if she did that.

“Why, you don’t trust me?” Bai Yusheng raised an eyebrow.

“No.” Qiao Mianmian hurriedly shook her head. “I just feel that my boyfriend is different from other men. I’m afraid he’ll be even angrier if I do this.”

Chapter 714: Don’t Even Think of Sleeping With Me!

Mo Yesi was easy to coax.

But if he was angry, he wouldn’t be so easy to appease.

“Believe me this once.” Bai Yusheng’s cell phone vibrated again. He looked down at the WeChat message and smiled. He was even more determined to torture Mo Yesi. “Doing this will only improve your relationship with your boyfriend.

“If you think a night is too long, you should at least keep him cold for four to five hours. If you can’t even tolerate it for four to five hours, then when you really fight in the future, you’ll always be the one to bow down first.

“Do you want that?”

Qiao Mianmian thought about it seriously and shook her head.

Bai Yusheng stroked her head in satisfaction as if he had done it a thousand times.

“Then, listen to me.” He said, “From now on, don’t bother about your boyfriend.”

Qiao Mianmian hesitated for a while and decided to trust her director this time. She nodded and said, “He’s calling me now, but I don’t have to answer?”

“No. Just ignore him when he contacts you.”

“... Alright.”

“Mm, good girl.” Bai Yusheng couldn’t resist touching Qiao Mianmian again.

The girl’s hair was soft and smooth.

It was a little like the long-furred Persian cat he had at home.

She looked just like a kitten.

Qiao Mianmian didn’t notice his actions at first, but when she did, she couldn’t help but ask, “Director Bai, can I ask you a question?”

“Mm?”

“Is this how you treat actresses?”

If it was anyone else, Qiao Mianmian would definitely think that the other party was being frivolous and trying to take advantage of her.

But Bai Yusheng...

She had never thought about this.

She just wondered why he did it.

"Mm?" Bai Yusheng raised his brows again.

Qiao Mianmian hesitated for a few seconds before taking a deep breath. "That's right, you touched my head just now..."

It was only then that she realized that he'd touched her several times already.

Bai Yusheng was stunned by Qiao Mianmian's question.

He suddenly realized that he was being too intimate with her.

He hadn't thought about the few times he'd touched her head. Now that he thought about it, their current relationship was indeed a little inappropriate.

Moreover, Qiao Mianmian already had a boyfriend.

It wasn't appropriate for him to treat a girl with a boyfriend like this.

But he knew very well that he had no interest in Qiao Mianmian.

He just felt that she was rather cute, like a girl next door.

"Director Bai, I-I have a boyfriend now." Qiao Mianmian took another deep breath and turned around to face the man beside her seriously. "I love my boyfriend a lot, and I'm going to marry him in the future. Although my career is important to me, he's more important than my career.

"I won't sacrifice him for my career."

So, don't even think about trying to sleep with me!

Qiao Mianmian didn't finish her sentence.

But she felt that Bai Yusheng was smart enough to know what she meant.

Initially, she didn't think that he really had any feelings for her.

After all, she could tell if a man had feelings for her.

She didn't feel anything from Bai Yusheng.

Chapter 715: I've Always Wanted a Younger Sister

But the few times Bai Yusheng did that, she was a little unsure.

Generally speaking, men would only stroke the heads of the woman they liked.

If Bai Yusheng didn't like her, how was she to explain his actions?

If he liked her, then she had to make things clear.

She had a husband.

She wouldn't play around with other men, nor would she pretend to be single to give them a chance.

Although there was no lack of such people in the industry who would pretend to be single for the sake of their career, she wasn't one.

Moreover, if she dared to do this, Mo Yesi wouldn't know how to deal with her.

"Moreover, my husband is a petty person. If he knows about other men... he'll be very angry. Director Bai should know that my husband and Young Master Yan are very good friends. You're also very good friends with Young Master Yan. It's... not good for you to do this."

Bai Yusheng was puzzled at first.

After listening for a while, he slowly came to his senses.

When he realized that the little girl beside him actually thought that he wanted to sleep with her, he found it unbelievable at first, but then, he started laughing.

Qiao Mianmian was probably the first female artiste he was worried about.

Most of the other female artistes took the initiative to be seduced.

This was the first time he encountered such a situation. He found it rather amusing.

Mm, very good.

Finally, some of the female artistes were worried that he'd gone overboard.

It wasn't because he was worried that he'd be seduced by those female artistes.

"Qiao Mianmian." Bai Yusheng smiled. "You think I have ill intentions towards you and want to sleep with you?"

Qiao Mianmian bit her lip and mustered up her courage to nod. "Director Bai's actions just now weren't very normal. Other than this possibility, I-I couldn't think of anything else."

"Mm, it's normal for you to be suspicious."

Bai Yusheng wasn't angry at all. "I'm actually rather curious too. You asked me if I'd do the same to other actresses. I don't.

"As for why I... I think it's because of my desire to be a brother."

Qiao Mianmian was confused.

What did "desire to be a brother" mean?

Bai Yusheng seemed to have noticed her confusion and explained, "I've always wanted a sister since I was young, but my mom refused to have children. She said that I had a sister, but because of some special circumstances, she lost contact with us.

"My mom said that she already has a daughter, and she doesn't intend to have another one.

"So, not having a younger sister to grow up with me has always been my regret. Maybe it's because you made me feel like a brother, so I subconsciously did something like that.

"That's a sign of an older brother loving his younger sister.

"You don't have to worry about me... sleeping with you. I, Bai Yusheng, am not such a disgusting person. I wouldn't want to sleep with a woman who's already taken."

Qiao Mianmian trusted him immediately after hearing his explanation.

She could tell that he wasn't lying.

Because... she had a similar feeling.

She finally understood why she wasn't against Bai Yusheng's touch.

When he touched her head, she felt as if a brother was touching his sister's head.

Chapter 716: We've Been Looking for Her

She didn't feel repulsed or disgusted.

Instead, it felt warm.

Although she didn't have a brother, that was how she felt at that moment.

After hearing Bai Yusheng's explanation, she felt as if a huge burden had been lifted off her shoulders.

No matter what, Bai Yusheng was a director she admired.

She didn't want to alienate him because of some things.

"Director Bai..."

"If you don't mind, you can call me Big Brother Bai in private." Bai Yusheng looked at the girl beside him and said, "I'll be happier if you call me that."

Qiao Mianmian's heart warmed up again when she met his gaze. She hesitated for a while before asking softly, "Brother... Bai?"

Bai Yusheng smiled. "Hearing you call me that makes me feel like an older brother. If my sister hadn't been separated from us, she would be around your age now."

He looked a little regretful as he said, "I wonder how she's doing now. Does she have a good life? Does her family treat her well? Did she grow up happily? Sigh, if she's doing well, I'll feel much better. If she's not doing well..."

“Don’t worry, Brother Bai. I think she must be living a blissful life.” Qiao Mianmian felt that Bai Yusheng was a little down and comforted him. “You might be able to see her again someday.”

“I hope so.” Bai Yusheng sighed. “Actually, we’ve been looking for her all these years. It’s just that the family that adopted her seemed to have hidden their identities. They’re no longer living in the same place.

“We searched for her for so many years, but we still couldn’t find her.

“But no matter how long we have to search, we won’t give up. I have a feeling that my sister will come home one day. Our family will definitely be reunited someday.”

“Mm, of course.”

Qiao Mianmian was actually very curious about how her sister had broken up with them.

But thinking about it, if it wasn’t under special circumstances, how could the family be forced to separate?

Hence, it must be an unspeakable reason.

At least, he couldn’t tell an outsider like her.

No matter how curious she was, she couldn’t ask.

“I have a picture of my sister when she was younger.” Bai Yusheng narrowed his eyes as if he was recalling something. “My mom took it for her when she was just born. Speaking of which, you look a little like my sister.”

Qiao Mianmian was stunned. “I look like your sister?”

Bai Yusheng looked at her and nodded. “Mm, your eyes and nose are alike.

“My sister has been a beauty since she was a child. My mom said that she’s especially beautiful. You two are too different in age, so even if you look alike, there are many differences. But I feel that she’ll definitely look like you when she grows up.”

“Big Brother Bai, I believe your family can be reunited!”

“I hope so.”

Bai Yusheng turned to look out the window. “If we can’t meet again, I hope that she can live a happy life in this lifetime. It doesn’t matter if she’s rich or poor, as long as she’s happy.”

Bai Yusheng felt his cell phone vibrate again.

He looked down and finally replied.

The other party replied instantly: [How is she now? Did you send her back to the hotel safely?]

Bai Yusheng wanted to roll his eyes.

Chapter 717: Remember What I Said, Don’t Contact Him!

If he was worried about his woman, why didn't he ask her personally?

Why was he always sending him messages?

He was obviously concerned about her, but he still refused to answer her call.

How did this man find a girlfriend?

It was probably because of that face.

He replied coldly: [Why do you keep asking me about your woman? Don't you have her contact information? Stop messaging me. It's annoying!]

After this message was sent, the other party paused for a while. A few minutes later, he sent another message: [Don't forget our cooperation, take good care of her. If she's hurt anywhere, don't blame me for falling out with you.]

This message angered Bai Yusheng so much that he wanted to throw his cell phone away.

"This damn guy!" He couldn't help but curse.

Qiao Mianmian was shocked. "Brother Bai, what's wrong?"

Bai Yusheng sneered and turned to look at her. "Little girl, has your boyfriend contacted you?"

Qiao Mianmian was stunned. "... No."

"Remember what I said, don't contact him! You should keep him cold for two to three days, four to five hours is too much!"

** *

Under Bai Yusheng's escort, Qiao Mianmian safely returned to the hotel.

She received a WeChat message from Jiang Luoli asking about the scandal between her and Tu Yilei.

Qiao Mianmian replied and looked at Mo Yesi's profile picture. She tried her best to suppress the urge to send him a message.

Bai Yusheng had said that if she couldn't even tolerate this little bit of time, she would have to bow down to any conflicts in the future.

Hence, she had to bear with it.

She also felt that Mo Yesi was too petty.

This was too unreasonable.

Was there anyone like him?

He knew that she wouldn't do anything to let him down. He knew that it was just the media exaggerating things, but he was still angry at her.

He refused to talk to her.

How could such a petty man exist?

Bai Yusheng was right.

After what happened, she was now being slandered all over the internet. Did he not see it?

Shouldn't he call her first to console her?

He was throwing a tantrum when she needed his concern and comfort the most.

Bai Yusheng was right.

She had to be cold to him.

Since he was ignoring her, she should ignore him too.

If he was capable, he wouldn't have bothered about her.

The more Qiao Mianmian thought about it, the angrier she got. She was about to turn off her cell phone, but when she thought about how Linda might call her again, she gave up on that thought.

She threw her cell phone on the bed angrily and went to the bathroom to shower.

She didn't expect that in the ten minutes she took a shower, another shocking incident happened on Weibo, and it was about her.

As a result, she was put into the limelight once again, and her scandal with Tu Yilei was once again trending.

Qiao Mianmian came out of the shower and walked towards the bed while drying her hair. She saw that the cell phone on the bed was blinking non-stop and quickly walked over to pick it up.

The moment she opened it, she saw Jiang Luoli send her more than 10 messages.

The caller ID showed that Linda had called her twice.

Qiao Mianmian quickly saw Jiang Luoli's WeChat message and was shocked. She immediately logged in.

Chapter 718: The Sense of Protection Is Very Clear

She was paying attention to Tu Yilei.

Hence, the moment she logged in, she saw Tu Yilei's latest post.

Tu Yilei actually posted a Weibo criticizing his fans.

He scolded his fans very rudely and seriously.

To be precise, he scolded his female fans who came to the set to block her.

Tu Yilei always gave people the impression that he was a big brother who pampered his fans.

In fact, he really doted on his fans and treated them well.

This was one of the reasons why he had so many loyal fans.

But in his Weibo post, he was very rude to the fans who went to the set to wait for him. He scolded them directly and said that they did something illegal. He even told them not to do such illegal things in the name of liking him.

Tu Yilei's fans were all gentle and kind little fairies.

Those girls who said they liked him but ruined his reputation were all his haters.

He didn't want such a fan.

In any case, this was the first time Tu Yilei lost his temper on Weibo.

His fans were probably shocked.

Many fans in the comment section asked if he was speaking up for Qiao Mianmian.

After all, female celebrities tried to get together with him before, and they were often surrounded by his female fans.

Back then, he hadn't lost his temper.

He couldn't possibly post a long Weibo to criticize his fans.

But this time—

This newbie, Qiao Mianmian, was obviously trying to gain his popularity. Not only was he not angry, but he was also even speaking up for her.

His post didn't just criticize a portion of his fans.

Moreover, he even clarified that he was in the same crew as Qiao Mianmian. He was very clear about Qiao Mianmian's personality, and the rumors about her were all nonsense.

In short, it was obvious that he was trying to protect her.

Everyone could tell.

But his fans weren't willing to admit it. They insisted that their brother was just being kind. If it was any other woman, their brother would step forward to defend her.

This was just a gentleman's behavior.

At this point, the fans seemed to have forgotten about the female artistes trying to ride on Tu Yilei's popularity.

Back then, their brother wasn't so "kind-hearted" to protect anyone.

A passerby said that Tu Yilei was worried that the woman he liked would be hurt by fans, so he posted this on Weibo.

This comment was a hit.

Tu Yilei's fans couldn't take it anymore and replied to this post, telling the public not to spread rumors.

They said that their Brother Yilei was still young and only wanted to develop his career. He wasn't interested in dating.

These fans were all girlfriend fans and wife fans. They all treated Tu Yilei as their own boyfriend and husband. How could they tolerate such comments?

This passerby had received more than 10,000 replies from his fans.

A few minutes later, Qiao Mianmian saw that the comment was gone.

She probably couldn't bear the pressure and deleted it herself.

Tu Yilei's fans were mostly loyal fans who listened to him.

Both the studio and the fan club reposted his post at the same time. They urged him to be rational and not do anything he shouldn't.

In the comment section, a lot of fans also criticized the crew.

Chapter 719: Don't Touch This Man

She wanted the other fans to stop doing things that would affect Tu Yilei's reputation.

In any case, Tu Yilei's post had its pros and cons.

The advantage was that some of the fans would listen to him and stop more fans from doing crazy things.

The downside was that once he posted it on Weibo, their scandal was confirmed.

Many people were wondering if he liked her.

After all, there were so many female artistes trying to ride on his coattails, why was he only speaking up for her?

Qiao Mianmian looked at Weibo for a while and frowned. If Mo Yesi saw this, he'd be even more jealous.

Tu Yilei finally cleared things up.

It was now Qiao Mianmian's turn to speak.

Just as she was thinking about what to post on Weibo, Linda called again.

Qiao Mianmian immediately picked it up.

"Why didn't you pick up my call just now, where did you go? Tu Yilei responded, did you see it? You talked to him?"

Linda asked a few questions.

Qiao Mianmian threw the wet towel on the bedside table and got up to look for the hairdryer. As she walked, she said, "Sister Xie, I went to shower just now. I saw Tu Yilei's response, and I was wondering how I should reply to it."

Linda asked again, "Did he help you because you talked to him?"

"... No."

"You didn't talk to him?" Linda was a little shocked. "He helped you out of his own accord?"

Qiao Mianmian went silent for a while before replying.

Linda was also silent for a few seconds before saying, "In the past, other female artistes had scandals with him, but he never said anything. Could he... really have fallen for you?"

"Sister Xie, I..."

"Whether he really likes you or not, don't touch this man. Stay away from him." Linda's tone turned serious. "You can't afford to offend his fans. This is just a small scandal, and they want to kill you. If they find out that Tu Yilei likes you, you won't have to be in the entertainment industry anymore."

After this incident, Qiao Mianmian knew how scary Tu Yilei's female fans were.

She already had a husband.

Even if she was still single, she wouldn't dare to have anything with Tu Yilei.

She really... couldn't afford to offend his female fans.

"Sister Xie, don't worry. I don't have any feelings for him. I'll try my best to stay away from him."

Her life was more important.

She'd wanted to be friends with Tu Yilei.

But now, it seemed like they couldn't even be friends anymore.

"Since he has already responded, you can just send him a thank-you message. Make it casual and simple. Once you post it on Weibo, don't bother about it anymore. It's just a matter of a day or two, it'll be fine."

"Mm."

"Come to think of it, although you didn't intend to ride on his popularity, you did. Have you seen your Weibo fans?"

Qiao Mianmian was stunned. "No."

"You can take a look now. I finally understand why so many female artistes are willing to risk being torn apart by his female fans to gain his popularity."

"... Alright, I'll go take a look later."

Qiao Mianmian hung up and logged onto Weibo again.

When she entered her account, she was a little stunned when she saw the increasing number of followers.

Chapter 720: This Increase Was Too Shocking

Previously, because of her scandal with Su Ze, she had gained a lot of followers.

About 300,000.

But now, she saw that her Weibo followers had risen to a million!

It hadn't even been three hours since her scandal with Tu Yilei broke out.

She actually gained more than 700,000 followers.

She finally understood why those female artistes liked to ride on Tu Yilei's popularity.

Making use of his popularity to gain more fans was much faster than relying on their own works.

But this wave of popularity wasn't what Qiao Mianmian wanted.

How could she accept it?

She saw that her fanbase was still increasing at an alarming rate.

It was probably because of Tu Yilei's post that her popularity rose again.

Just as Qiao Mianmian was in a daze, her follower count increased by 10,000.

She was speechless.

She felt a mix of emotions as she looked at the rising number.

Most of these fans were probably haters.

It was better not to increase it.

She didn't want the comment section to be filled with people scolding her every time she posted something.

She couldn't take it.

She didn't want to become a popular artiste at all.

After standing by the window for a few minutes, she thought of the content she was going to post. She carefully edited each word and sent it.

Qiao Mianmian V: [Regarding that rumor, since Senior Tu has already explained the whole situation, I won't repeat it. I only have one thing to say: It's all made up of nothing. In my eyes, Senior Tu is just a senior worthy of my respect and learning. Also, thank you for your kindness, Senior Tu. You're really a very good senior. I'm ungrateful as a junior.]

Qiao Mianmian logged out of Weibo immediately after posting it.

** *

On the other side.

Tu Yilei scrolled through Qiao Mianmian's Weibo post and read it word by word. He looked down and was in a daze for a while. After some thought, he picked up his cell phone and replied to her comment section.

Tu Yilei V: [You're welcome.]

His reply was immediately drowned out in the comments section.

But very quickly, the netizens caught him again.

When someone realized that the account that replied was the original and not an imitation account, they went wild. "Damn, it's actually Tu Yilei himself. I believe he's really interested in Qiao Mianmian now."

Just as Tu Yilei's reply was trending, Michael pushed open the door and stormed towards him.

"What's wrong with you?" Michael was so angry that he didn't even bother calling him Little Tu anymore. He directly said, "Tu Yilei, is there something wrong with your brain? What did I tell you? I said that the company would settle this for you. Why did you post on Weibo on your own accord?"

"Where did you learn this from?"

"Are you crazy? Ah! Tell me, what are you trying to do!"

"You want the whole world to know that you're interested in Qiao Mianmian?!"

Tu Yilei knew that he would react this way. When he looked at him, his eyes were calm. "If I didn't say anything, the fans would continue looking for her. Michael, she's the person I like. I can't let her be hurt."

"If my fans hurt her, then I'm the culprit."
