

## Big Shot 721

### Chapter 721: It's Impossible to Watch the Woman You Like Get Bullied

"But have you ever thought..."

"I've thought about it. If I do this, I'll put her in the limelight, and many people will speculate about our relationship. But it's nothing much. No matter how popular the news is, it'll die down in a few days.

"At least, if I do this, no fans will hurt her.

"That's enough for me."

"But..."

"Don't worry, I'll do what I promised you. I'll keep my distance from her from now on. Michael, I want to protect her and let her stay in this industry. I can't be too close to her, right?"

Tu Yilei smiled bitterly. "I know. You don't have to remind me anymore."

Michael frowned and looked at him deeply for a while before sighing. "Alright. As long as you don't post again, it's fine. I'll get some people to comment on it, but don't respond to anything else."

Tu Yilei said, "She just posted on Weibo."

Michael glared at him. "So?"

"I commented."

"..."

"Don't worry too much about unimportant comments."

"..."

"Oh right, how's the investigation going? Have you found out who took the video?"

"Mm." Michael nodded. "Yes."

"Who was it?"

"A crew member. But this crew member has a good relationship with Huang Yilin. Someone witnessed him get into Huang Yilin's car."

Tu Yilei furrowed his brows. "So, the video was directed at Qiao Mianmian?"

"I think so. Huang Yilin likes Bai Yusheng, and Bai Yusheng likes Qiao Mianmian. Tsk tsk, women are so jealous."

Tu Yilei clenched his fists.

“Little Tu Tu, what are you trying to do?” Michael looked at him cautiously and immediately warned him. “Don’t do anything rash. This was originally targeted at that girl. Anyway, it won’t affect you much. Now that it’s almost over, just pretend you don’t know anything.”

“I heard that the sugar daddy behind Huang Yilin isn’t simple. We don’t have to offend her.”

Tu Yilei sneered. “The sugar daddy behind her isn’t simple. How could we be afraid of her?”

“Of course we don’t have to be afraid of her. But why would we offend someone we don’t have to?” Michael frowned. “It’s not good to have another enemy.”

“What do you mean there’s no need to offend her? She’s already done this to the woman I like, and I’m still tolerating her? You’re asking me to act as if I don’t know anything.” Tu Yilei stood up abruptly and glared at him. “No man can stand by and do nothing when the woman he loves is being bullied. Unless he’s trash.”

“Hey, Tu Yilei, what are you doing!”

“Huang Yilin has so much dirt on her, how dare she touch the woman I like.” Tu Yilei smiled, but his eyes were cold. “Go and sort out all the dirt on her and send it to her.”

“Little Tu, you...”

“Tell her that if she dares to have any designs on Qiao Mianmian again, her scandals will be trending every now and then.”

“...”

“I’d like to see if she thinks her future is more important, or if it’s more important to destroy her love rival.”

## **Chapter 722: He Must Divorce That Woman!**

Mo Residence.

Madam Mo’s expression darkened as she looked at the news on her cell phone. The bird’s nest porridge that the housemaid handed her was spilled.

The ceramic bowl fell onto the carpet. The bowl was fine, but the porridge spilled out.

“I’m sorry, Madam.”

The housemaid immediately apologized and knelt on the floor. She quickly cleaned up the dirty carpet and changed into another one.

“Aunt Mo, don’t hurt yourself.” Shen Rou sat beside Madam Mo and placed a hand on her chest. “It’s not worth it to hurt your body because of this.”

“I’ll get you another bowl of porridge.”

“What porridge?” Madam Mo’s face was pale. “I’m so angry now. It’s only been such a short time, and she’s already having a scandal with another man. One moment, it’s your ex-fiancé, and the next moment, it’s a male actor.

“Who is Qiao Mianmian? She’s already married into the Mo family, why is she still so restless?

“She’s actually involved with so many men.

“How could a woman like her deserve to enter the Mo family?”

Shen Rou smiled and said, “Aunt Mo, is there a misunderstanding? I don’t think Mianmian is such a person.

“Ah Si dotes on her so much, and you and Grandma Mo treat her so well too. What else is she dissatisfied with? If it was me, I’d be so happy to be able to marry into such a family. I’d definitely be wholeheartedly dedicated to this family for the rest of my life, how could I still be involved with men outside?

“I think there must be some misunderstanding. Mianmian isn’t such a loose woman.”

“She’s not a loose woman?” Madam Mo sneered. “What’s so good about a woman in the entertainment industry? If she was a good woman, would she have been able to coax Ah Si to secretly get married to her? I knew she wasn’t a good person, but I didn’t expect her to be so insecure.

“This woman can’t stay in the Mo family anymore.

“Otherwise, our Mo family will be humiliated sooner or later.”

Shen Rou’s eyes flickered as she tried to hide her excitement.

“But no matter what, Ah Si still likes her a lot,” she said softly. “Otherwise, he wouldn’t have gotten married to her so quickly. Even if... Aunt Mo doesn’t agree to them being together, it’s useless.

“Ah Si is a very opinionated person. He... won’t listen to others.”

“So, Rourou, Aunt Mo needs your help.” Madam Mo turned around and grabbed Shen Rou’s hand. “I can’t tolerate this woman staying in the Mo family. Rourou, can you be Aunt Mo’s daughter-in-law?”

Shen Rou furrowed her brows and looked troubled. “But Aunt Mo, Ah Si can’t possibly divorce her. No matter how much I like Ah Si, I can’t ruin his family. Aren’t I a third party?”

“Of course, Aunt Mo won’t let you suffer like this.” Madam Mo was silent for a while before she clenched her teeth. “Whether Ah Si is willing or not, he has to divorce that woman!”

“Aunt Mo, what do you want me to do?” Shen Rou kept quiet for a while and pretended to be in a difficult position. “Although I like Brother Ah Si a lot, I don’t think it’s right to force myself on him. Brother Ah Si doesn’t like me. If I continue to pester him, he’ll only hate me more.”

**Chapter 723: You Really... Don’t Want to Fight for It?**

“Aunt Mo, I think we should forget it. Brother Ah Si is already married, and he really likes Mianmian. If I continue to pester him... it won't be good.”

Madam Mo's expression changed, and she asked nervously, “Rourou, are you giving up? You don't want to be with Ah Si anymore?”

Madam Mo got even more nervous when she thought of Gong Zeli.

Shen Rou was her favorite daughter-in-law.

Only Shen Rou was worthy of her son.

If she fell in love with another man, where would she find such a suitable daughter-in-law?

Shen Rou sighed and said sadly, “Aunt Mo, it's not that I want to give up. But Brother Ah Si is already married, what can I do? I... I can't possibly be the third party to destroy his family.

“I'm the daughter of the Shen family. I have my pride and dignity too. If I do this, not only will I embarrass myself, but the Shen family as well. Aunt Mo, I admit that Brother Ah Si and I are not fated.

“Actually, Mianmian is a nice person too. Although I've only met her a few times, I don't think she's a bad person. She looks like a very innocent girl. As for the rumors, I think there might really be some misunderstanding.

“Didn't the male lead of their production team come forward to clarify things?

“Aunt Mo, if you try to get to know her and accept her, you might...”

“Impossible. Never.”

Before Shen Rou could finish, Madam Mo interrupted her agitatedly. “I will never accept her as my daughter-in-law.”

“But she's already your daughter-in-law.”

“She isn't.” Madam Mo's eyes were filled with disgust. “I'll get Ah Si to divorce her. The Second Young Madam of the Mo family can't be an actress, much less a woman who's so improper and good at provoking men.”

Shen Rou sighed. “I'm afraid Brother Ah Si won't agree to divorce her.”

“He has to divorce her no matter what.”

Madam Mo was afraid that Shen Rou would really give up just like that. She held Shen Rou's hand tightly and said in a gentler tone, “Rourou, you're the most suitable for Ah Si. He's being insensible now and has been bewitched by that shameless woman.

“When he comes back to his senses, he'll know who's really suitable for him. He's being silly now, but I can't just watch him continue this way. Can you give him a chance?

“You've liked Ah Si for so many years, are you really willing to give him up?

“You really... don't want to fight for him?”

“Of course, Aunt Mo doesn’t mean to force you. I just feel that it’s not easy to meet someone you like in this lifetime. It’s a pity to give up just like that.”

Shen Rou kept quiet.

Madam Mo was happy to see her like this. “Rourou, give Ah Si and yourself a second chance.”

After a long silence, Shen Rou looked up and said, “But Aunt Mo, even if I give him another chance, he won’t accept me. The person he likes is...”

“That’s why Aunt Mo asked if you’re willing to fight for it.” Madam Mo reached out and stroked Shen Rou’s hair tenderly. She lowered her voice and said, “Rourou, Aunt Mo has thought of a way to get you and Ah Si together.”

#### **Chapter 724: I’m Willing... to Give It a Try**

“But it might make you feel aggrieved. If you’re unwilling, Aunt Mo won’t force you.

“But if you’re willing, this is your chance to be with Ah Si.”

Shen Rou’s eyes lit up. “Aunt Mo, the solution is...”

Madam Mo looked at the housemaids in the living room and gestured for them to leave before whispering into Shen Rou’s ear, “I’ll call Ah Si later and get him to come back. You can...”

Shen Rou widened her eyes as she listened.

When Madam Mo was done, she covered her face and said shyly, “Aunt Mo, this isn’t good...”

“When Brother Ah Si wakes up, he’ll be angry.”

“If he’s angry, then let him be angry.” Madam Mo knew that she’d most likely agree to it. She held Shen Rou’s hand and continued to persuade her gently. “You know his temper too. He’ll definitely be angry if we scheme against him. But even if he’s angry, he’ll have to bear the responsibility.

“As long as you two are together, do you still have to worry about not having a chance to appease him?”

“Rourou, this is the only way. If you want to be with Ah Si, this is the fastest and most effective way. I know that it must be hard for you to do something like this. But when you marry into the Mo family, Aunt Mo will make it up to you.

“Just... put up with it for a while, okay?”

Shen Rou bit her lip and kept quiet.

Madam Mo waited patiently.

After a while, Shen Rou whispered, “Aunt Mo, what if... we fail?”

“It won’t fail.” Madam Mo could tell that she agreed to it. She quickly assured her. “Aunt Mo promises you that she won’t fail. Rourou, have you considered it? Have you agreed to Aunt Mo’s request?”

“I... I really like Ah Si.” Shen Rou took a deep breath and seemed to have made up her mind. “So, I’m willing to... try it once.”

“Good girl.”

Madam Mo hugged her and said happily, “Aunt Mo promises you that you won’t regret it. I’ll call Ah Si now and tell him to come home.”

\*\* \*

Mo Corporation.

Wei Zheng opened the door and saw Chairman Mo sitting at his desk in a daze.

There was a pile of unfinished documents on the table.

He glanced at the pile of documents.

This... wasn’t like Chairman Mo’s usual efficiency.

If it was any other time, there wouldn’t be so many documents on the table.

But this time, Wei Zheng could understand.

How could he be in the mood to work after finding out that his wife was in a relationship with another man?

It seemed like Chairman Mo hadn’t touched the documents on his desk since he saw the scandal between Young Madam and that male celebrity.

He’d been in and out of the office several times already.

Chairman Mo was still in the same position, looking at his cell phone.

Most likely, they were looking at Young Madam’s scandal.

Actually, he’d seen that rumor too.

There was nothing too ambiguous in the video.

It was only because Young Madam almost fell that the male celebrity helped her up.

Wasn’t this... normal?

If it was him, he would have helped her up too.

### **Chapter 725: The Man Above Her**

Was he supposed to watch the beauty fall to the ground and not do anything?

That was inhuman.

But that male celebrity had placed his hand on Young Madam’s waist for too long.

Chairman Mo was probably angry about this.

“Ahem, Chairman Mo.”

Wei Zheng knew that Mo Yesi was in a bad mood, so he spoke cautiously. "I've already investigated the matter you asked me to investigate. This incident was probably caused by an actress in the same crew as Young Madam. That actress is called Huang Yilin, and she's the female lead. I heard she likes Bai Yusheng.

"She misunderstood that Bai Yusheng likes Young Madam and saw her as a love rival. Hence, she wanted to use this scandal to get Tu Yilei's fans to attack Young Madam. Oh right, there's news about the matter that Chairman Mo asked me to investigate."

Mo Yesi slowly looked up.

Wei Zheng only met his gaze for a second before looking away in fear.

Gosh, Chairman Mo's gaze was too terrifying.

It was so cold.

He almost froze.

But he could understand Chairman Mo's feelings.

"Ahem! Chairman Mo, we found out who the culprit behind Young Madam's scandal with Su... Su Ze was." Wei Zheng kept quiet for a while before glancing at Mo Yesi's expression. "We found out that it might have something to do with Miss Shen."

"Shen Rou?"

Mo Yesi finally reacted.

"Yes." Wei Zheng told him everything that he'd found out. "Although we can't be completely sure, it's definitely related to Miss Shen. We caught a few key managers of that company. They said that a female customer hired them and contacted them with a set of virtual numbers. After we deciphered the number, we found that the number was called from the Shen family.

"The rest of the Shen family don't know Young Madam, only Miss Shen..."

Mo Yesi's eyes turned cold. "Investigate that female artist named Huang Yilin and dig out all the dirt about her past. Then, get the public relations department to do something about it and increase her popularity."

"Yes, Chairman Mo."

"But..." Wei Zheng suddenly thought of something. "She's Bai Yusheng's current female lead. If we expose her, wouldn't Bai Yusheng be in trouble?"

Once the news got out, it would definitely have a huge impact on the artistes.

Especially when Mo Yesi was prepared to let the Mo Corporation's public relations department handle the dirt.

He was ready to destroy Huang Yilin.

Huang Yilin was really unlucky.

If it was any other newbie, she would just bully them.

It wasn't uncommon in the entertainment industry.

As a newcomer, if they didn't have a strong background and backing, who could develop smoothly?

Huang Yilin probably thought that Young Madam was just a newbie with no background and easy to bully.

She felt that Young Madam had stolen her man and wanted to teach her a lesson.

But who knew...

She was wrong this time.

Not only was she bullying a newcomer with a powerful background, but she was also bullying a newcomer with a background that she would never have imagined.

Then, she got herself burned.

It seemed like Chairman Mo wasn't going to let Huang Yilin off.

#### **Chapter 726: He Seemed to Have Fewer and Fewer Advantages**

It didn't matter who she was. As long as she was with Chairman Mo, she could kill anyone she wanted.

"Bai Yusheng?" Mo Yesi raised an eyebrow. "He should thank me for helping him replace an unsuitable female lead. Moreover, even if I didn't do that, he would have replaced her."

Having been friends for so many years, they naturally knew each other well.

With this happening, Bai Yusheng couldn't possibly just sit back and do nothing.

He was the sort of person that his brother couldn't tolerate.

In terms of willfulness, Bai Yusheng had been willful before.

Wei Zheng was speechless.

Alright, he was overthinking it.

"Then, Chairman Mo, about Miss Shen..."

"I'll settle this on my own." Mo Yesi narrowed his eyes. "Get a few people to keep an eye on her. Report to me if there's anything unusual."

"Yes, Chairman Mo. I'll get to it."

Wei Zheng turned around and left the office.

Mo Yesi looked down at his cell phone and couldn't help but click on WeChat.

He set up a chat for Qiao Mianmian.

Then, he clicked on it and found Qiao Mianmian's profile picture at the top. He hesitated for a while before sending a message: [?]

Qiao Mianmian had called him twice previously.

He was too angry to pick it up.

He'd thought that if she called him again, he'd definitely pick up on the third call.

But no matter how long he waited, she didn't call him again.

She hadn't sent him any messages.

He waited for more than an hour, but nothing happened.

He was a little angry.

He knew that the scandal was deliberately created by the reporters.

He knew that she wouldn't do anything to let him down.

But...

He still hoped that she could coax him.

Even if he knew everything, even if he hadn't suspected her, he still felt uncomfortable when he saw the scandal between her and another man.

He believed that she didn't have any feelings for Tu Yilei.

But Tu Yilei.

As a man, he could tell from the short video that the man surnamed Tu was interested in Qiao Mianmian.

When a man liked a woman, his gaze was different.

This was what bothered him the most.

It was funny how he felt insecure after seeing the scandal.

She was going to be there for three months.

In these three months, she would spend every day with Tu Yilei. They were of similar age and had the same profession. The men were handsome and the women were beautiful. Moreover, he had read the script, and they would have some romance scenes together.

He couldn't even imagine it.

What would happen in three months?

Would they... have sparks of love during filming?

This wasn't uncommon in the entertainment industry.

It was the most common thing in the entertainment industry to fall in love because of acting.

And he... was going to be apart from her for three whole months.

It wasn't easy for the two of them to develop feelings for each other, but after this breakup, it might fade away.

His advantage seemed to be dwindling.

The increasing worry and sense of insecurity made it impossible for him to maintain his composure. An hour of patience was his limit.

### **Chapter 727: What Kind of Wife Did You Find?**

He couldn't hold it in anymore.

He thought that Qiao Mianmian would reply to him soon.

But even after a few minutes, the dialog box didn't change.

The latest WeChat message was still the "?" he sent.

He couldn't keep his cool anymore. After some thought, he sent another message: [??]

He waited for a few more minutes, but there was still no response.

Mo Yesi couldn't remain calm anymore.

His brows were furrowed as he stared at his cell phone screen.

Did she not see it?

Or did she not bring her cell phone with her?

Or was it because the reception wasn't good, so she didn't see his message?

Otherwise, he'd already sent her two WeChat messages, why didn't she respond at all?

Mo Yesi waited for a while more, and his heart was in a mess.

At this point, he couldn't care less about his pride.

He was about to call Qiao Mianmian when his cell phone lit up. It was Madam Mo.

After hesitating for a few seconds, he picked up the call.

"Mom."

"Come back immediately." Madam Mo sounded a little unhappy.

Mo Yesi frowned. "Mom, what's the matter?"

He was still thinking about Qiao Mianmian not replying to him.

“Of course there’s something. Do you know that your wife is involved in another scandal? Ah Si, how long has it been? She was involved in a scandal with her ex-fiancé, and now she’s involved with a male actor. What kind of wife did you find?”

Sensing the anger in Madam Mo’s voice, Mo Yesi quickly explained, “Mom, this isn’t what you think. It’s a misunderstanding.”

“I don’t care if it’s a misunderstanding or not. Come home immediately. Your grandma is already so angry. If you have anything to say, come home and tell her yourself.”

Madam Mo hung up.

Mo Yesi tried to reject it.

He frowned.

After hesitating for a few seconds, he closed his laptop and left the office.

Before entering the elevator, he called Qiao Mianmian’s cell phone, but she didn’t pick up even after a long time.

Mo Yesi had a bad premonition and started to feel afraid.

This was his first time not being able to reach her.

It wasn’t late at night, she couldn’t have gone to bed so early.

He had just dialed the number, and it didn’t seem like it was out of battery.

So, why didn’t she answer his call?

Was it because something bad happened to her, and she couldn’t accept it?

As this thought came to mind, many scary thoughts emerged in his mind.

He recalled the news about her being watched by Tu Yilei’s fans on Weibo.

Although Bai Yusheng said that he’d already escorted her out of the set, who knew if the crazy fans were still waiting for her?

He knew how crazy fans could get.

Some fans would even commit suicide for their idols.

The more Mo Yesi thought about it, the more shocked he got. He immediately pressed the button for the basement when the elevator arrived.

His fingers trembled as he called Bai Yusheng. When the call went through, he immediately asked, “Did you send her back to the hotel?”

### **Chapter 728: I’m Worried, I’ll Go Look at Her**

Bai Yusheng said lazily, “Didn’t I tell you that she was safely delivered?”

“But I can’t get in touch with her.” Mo Yesi took a deep breath. “I sent her a WeChat message, but she didn’t reply. I called her just now, but she didn’t pick up. I’m worried that something happened to her.

“You left after sending her to the hotel? You didn’t send her up?”

“You didn’t ask me to send her up,” Bai Yusheng said casually. “What’s there to worry about? I saw her enter the elevator, and the hotel’s security is pretty good. Don’t worry.”

“Don’t worry?” Mo Yesi was already worried, to begin with, and he almost exploded when he heard this. “I can’t even contact her now, and you’re telling me not to worry? Do you know how worried I am?”

“I don’t know...”

“Bai Yusheng.” Mo Yesi clenched his teeth.

Bai Yusheng said innocently, “I really don’t know. I’ve never been in a relationship, how would I know what you guys think? Since you’re worried about her, why don’t you come over and see for yourself if she’s safe?”

“I’m going over.”

Mo Yesi looked at the falling numbers and wondered why the elevator was going so slowly today.

Why wasn’t it negative!

He tried his best to remain calm and composed. “I’ll head to the airport right away and take the earliest flight. But it’ll take me three hours to get to City F.”

At this point, he felt a deep sense of helplessness.

No matter how powerful he was, he couldn’t be by her side immediately.

So what if he was anxious?

It wouldn’t change anything.

“I can’t contact her now, and I don’t know how she’s doing. I’m... a little afraid. Bai Yusheng, help me take a look. I have to make sure she’s safe.”

There was silence.

Mo Yesi was getting impatient. “Bai Yusheng, did you hear me? I want you to...”

“Alright, alright. I heard it all.” Bai Yusheng yawned lazily. “I’ll let you see it right away, alright. If you ask me, she might be taking a shower, or she might be too tired after going back and fell asleep. How long has it been since you last contacted her, and you’re already in such a hurry? When she called you at first, you were so arrogant and refused to pick up. Now that she’s ignoring you, you’re so anxious. Mo Yesi, what do you think?”

“Don’t be so awkward.”

Mo Yesi said coldly, “This is between me and her, it has nothing to do with you. Alright, cut the crap and look for her immediately.”

Ding! He finally reached the car park.

Mo Yesi hung up and walked straight to his car after exiting the elevator.

He drove the car out of the garage and headed straight for the airport.

\*\* \*

An hour later, on the plane to F City.

Madam Mo called again.

Mo Yesi picked it up and said before she could say anything, "Mom, I can't go back today. I'm on the plane right now."

"What, you're on the plane?" Madam Mo was shocked. "Where are you going? Didn't I tell you to come home?"

Mo Yesi kept quiet for a while before turning to look out of the window. "F City. Mianmian is in some trouble. I'm worried. I'll go over to see her."

### **Chapter 729: Are You Really Possessed?**

"You're going to F City to look for Qiao Mianmian?" This sentence seemed to have angered Madam Mo. She raised her voice and said angrily, "Why are you still looking for her? She's already in a scandal with another man, why are you still worried about her?"

"Ah Si, are you possessed? She's so restless, and you're still thinking about her. Come back immediately, I won't allow you to look for her!"

Mo Yesi's expression darkened. "Mom, what nonsense are you talking about? She's not a restless woman. I already said that it was just a misunderstanding. I'll explain it to you when I'm back. I know my wife best."

Madam Mo looked as if she was about to die from anger. "Misunderstanding? There's no smoke without fire. Why does everyone else have so few misunderstandings, but she has so many? It's all because of her own restlessness that she provoked so many men.

"As her husband, aren't you angry when you see these types of news? Also, since she's married into the Mo family, she should have left the entertainment industry on her own accord. How can the daughter-in-law of the Mo family be a lowly actress?"

"But look at you, you're actually supporting her? Mo Yesi, are you really possessed by a third-rate actress? Do you not know what you're doing?"

Upon hearing the word "actress," Mo Yesi's anger rose. "I'm going to say it one last time. Mom, you gave birth to me after 10 months of hard work. Not only did you give birth to me, but you also raised me. So I love you, respect you, and treat you as a very important family member.

“But this doesn’t mean that you can insult my wife.” Mo Yesi’s expression darkened as he clenched his fists. “Because you’re my mother, I’ll tolerate you for the last time. If you’re going to be like this in the future, then don’t blame me for doing something unfilial.”

Madam Mo was practically yelling. “Y-You’re threatening me? Mo Yesi, how dare you threaten your mom! I’m doing all of this for your own good. You don’t even know what you’re doing now.”

“Mom, if you insist on saying this, we might not be able to communicate anymore. The plane is about to take off. That’s it, don’t call me again.”

With that, Mo Yesi hung up the phone under Madam Mo’s angry yelling.

Madam Mo called again.

Mo Yesi looked down and hung up.

In less than three seconds, Madam Mo called again.

This time, not only did Mo Yesi hang up, he even blacklisted her number.

“Hello, passengers. Welcome...”

The sweet voice of the flight attendant rang out. One of the flight attendants walked over to Mo Yesi and looked down at him. “Mister, the plane is about to take off. Please turn off the electronics.”

Mo Yesi looked down at the WeChat message Bai Yusheng sent him 40 minutes ago. After reading it word by word, he closed his cell phone.

Bai Yusheng said that Qiao Mianmian was safe and sound in her room.

Nothing happened.

As for why she didn’t reply to his messages or pick up his calls, he could ask her himself.

The moment he knew that Qiao Mianmian was safe, Mo Yesi finally relaxed.

All his anxiety and fear vanished.

### **Chapter 730: Of Course... I Have to Coax Her Personally**

He hadn’t reached the airport when he received Bai Yusheng’s message.

He could return halfway.

But he still boarded the plane.

Since his wife was safe and sound, there was only one reason for her to ignore him.

She didn’t want to talk to him.

Mo Yesi suddenly realized that his wife was angry.

She was angry at him for not picking up her calls.

Hence, she ignored him.

What if his wife got angry and ignored him?

Of course... he had to coax her personally.

\*\* \*

At the Mo Residence.

When Madam Mo called again and realized that she had been blocked, she was so angry that she almost smashed her cell phone on the ground.

“He must be possessed. He actually blacklisted my number. He’s such an unfilial son! He actually did this to his own mother for that actress. Is he mad?”

“What exactly did that vixen feed him?”

“How did he become like this!”

This was the first time in her life that she had been blacklisted by her own son. The veins on Madam Mo’s forehead bulged.

She wasn’t elegant or dignified at all.

Shen Rou’s expression turned awful when she found out that Mo Yesi had blacklisted Madam Mo. But she still had to put on a gentle and understanding front. “Aunt Mo, Ah Si... blacklisted you? What exactly happened?”

“Unfilial son.” Madam Mo was so angry that her chest was heaving up and down. “I only said a few words about that vixen, and he’s already angry at me. He even said that if I ever talk about his wife again, don’t blame him for being unfilial.

“Rourou, do you think a son should say these things? He actually threatened his mother.

“In the past, Ah Si always listened to me and would never go against me like this. But now...” Madam Mo clenched her fists, her heart filled with anger and sadness. “I feel like he’s a different person. I can’t control him anymore.

“In his heart, that vixen is the most important. If I were to have a direct conflict with that vixen one day, he’d definitely help her. Tell me, why would I want such a son?”

“I finally know why there’s such a saying. My unfilial son is the best example.”

Madam Mo got more upset as she spoke, and she couldn’t help but tear up.

She felt especially aggrieved and upset.

She was the closest person to her son.

But now, the most important woman in her son’s heart had become someone else.

As a mother, she had to be in the back.

As she thought about all the hardships she went through when she was pregnant and how she almost had a miscarriage on the day of her childbirth, she started crying even more sadly.

“Aunt Mo, don’t cry.”

Shen Rou was extremely frustrated. She thought that she would be able to settle everything tonight and quickly marry Mo Yesi, becoming the woman who would accompany him for the rest of his life.

Who knew...

Mo Yesi actually flew to City F.

He was worried about that b\*tch. She was worried that he would fly over to look for her the moment he got off work.

She’d thought that he was a man who didn’t know how to love.
