

## **Big Shot 741**

### **Chapter 741: Wary of Everything, Including Brothers**

Qiao Mianmian was too lazy to respond to him.

She didn't have the strength.

Mo Yesi was a beast in human skin!

An absolute beast!

He wasn't human!

He was supposed to shower her, but he touched her instead.

Qiao Mianmian had been pressed against the bathroom wall twice. Although it hadn't been a long time, men were full of tricks. She didn't know where he had learned them from, but she cried from the torment.

But the more she cried, the more excited the beast got.

He used even more shameful tricks on her.

Sob, if she wanted a divorce now, it was too late.

She ignored him, but Mo Yesi didn't say anything else. He kissed her on the forehead again and caressed her cheek. "I'll ask for leave for you. You don't have to go to the set so early tomorrow.

"Have a good sleep. Come over when you're done."

Qiao Mianmian, who had been ignoring him, suddenly opened her eyes. Seeing that he had already taken out his cell phone, she hurriedly reached out to stop him. "No, don't do that."

Mo Yesi was about to send a WeChat message to Bai Yusheng when he raised his brows. "Mm? You don't want to have a good sleep?"

Qiao Mianmian bit her lip. "I've only been on set for a few days, it's not good to ask for a leave. This isn't good. I can get up tomorrow morning. Anyway, don't do it. I don't want to leave a bad impression on Brother Bai."

"What's wrong with that." Mo Yesi was nonchalant. "He wouldn't dare to say anything if I asked for it."

"No." Qiao Mianmian rejected firmly. "Although Yan Shaoqing and Brother Bai have a good relationship and he has already asked Brother Bai to take care of me, I can't really be special just because of this relationship.

"I have to leave a good impression on Brother Bai."

As Mo Yesi listened to her, the man's smile stiffened.

When Qiao Mianmian was done, he smiled insincerely. "Brother Bai?"

Since when was his wife so close to that Bai guy?

Calling him Big Brother Bai?

The problem with that little brat Tu hadn't been solved, and now there was another Bai Yusheng?

Tu Yilei was a 50% threat to him.

Bai Yusheng was 70%.

Qiao Mianmian had personally said that she admired Bai Yusheng.

And women tended to like men they admired the most.

His expression darkened.

Qiao Mianmian hadn't realized that the man beside her was getting jealous again and told him seriously, "That's right. Brother Bai. I always thought that he was cold and unapproachable. I didn't expect it to be completely different."

She smiled sweetly at the mention of Bai Yusheng. "He was rather serious when he was working, just like my former form teacher. But in private, he's very gentle, like a big brother next door."

She didn't realize that the man's expression was getting darker.

Mo Yesi pursed his lips and narrowed his eyes.

Bai Yusheng was gentle?

Like the big brother next door?

Was she sure she was referring to Bai Yusheng?

He had been friends with Bai Yusheng for so many years, how could he not see through his gentleness?

He was probably only gentle to her.

Mo Yesi never expected that his buddy would be among those who coveted his wife.

## **Chapter 742: I Bet He's up to No Good**

At this moment, he wanted to kill Bai Yusheng.

"Do you know, Brother Bai actually told me today..." Qiao Mianmian spoke for a while and then suddenly felt that something was wrong.

From the start to the end, the man beside her did not respond at all.

Moreover, she suddenly felt a gust of cold air blowing towards her. The temperature of the air-conditioner in the room was suitable. She was still wrapped in a towel, but the cold air still made her shiver.

She turned around in confusion and saw a face as dark as the bottom of a pot.

The man's eyes were cold, and his thin lips were pursed into a cold smile.

Qiao Mianmian was stunned for a few seconds before she figured out why he was angry again.

She didn't know whether to laugh or cry.

She felt a little tired.

If she said that Mo Yesi was the most jealous man in the world, no one would refute her.

He was angry again not long after she coaxed him.

He was really... more jealous than women.

But if she married a jealous husband, what else could she do besides coaxing him?

She didn't even dare to say that she wanted to return the goods. If she did, she'd probably be in a lot of trouble.

"Mo Yesi, do you know that Brother Bai has a younger sister? He said that his younger sister was separated from them since she was young. He always wanted a younger sister, but his mother was unwilling to have another child.

"So, it has always been his regret that he wasn't able to have a sister by his side."

Mo Yesi knew about this.

This wasn't a secret among the big families.

Everyone knew that the Bai family still had a daughter left behind. Back then, they had no choice but to break up with her because of some special reasons.

When the Bai family resolved the crisis and wanted to get their daughter back, they lost contact with the family that took her in.

They lost contact.

But the Bai family hadn't given up yet.

He didn't know why Qiao Mianmian suddenly brought this up.

But he was even more upset now.

Bai Yusheng actually told Qiao Mianmian about this.

Although this wasn't a secret to them, it was because of their friendship.

What relationship did Qiao Mianmian have with him?

How many days had they known each other?

They weren't that close.

He even told her about what happened at home. What was he trying to do?

Poach her?

Mo Yesi couldn't sit still anymore.

He wanted to find Bai Yusheng immediately.

He wanted to know what this guy was up to.

As the saying went, a friend's wife couldn't be bullied. Was this man, who was even eyeing his brother's woman, still human?

"So..." He listened to her for a while and couldn't help but say, "Did he tell you that he couldn't help but want to get closer to you whenever he sees you, just like how he sees his sister? Did he ask you to call him Brother Bai?"

"Uh..."

Qiao Mianmian widened her eyes in shock.

Mo Yesi looked down at her. "How would I know? We're all men, how could I not know what men think? You're the only one who foolishly believed him. I think he's up to no good."

### **Chapter 743: This Man Was Too Much**

"... Mo Yesi, can you not get jealous."

Qiao Mianmian rubbed her forehead and felt a headache coming on. "The woman that Brother Bai likes isn't like me. He doesn't have any romantic feelings for me. He really treats me like a sister. I feel like he's a big brother too. Our relationship is very pure.

"Don't keep thinking about other men having ill intentions towards me."

Qiao Mianmian trusted her instincts.

She could feel that Bai Yusheng really didn't have any romantic feelings for her.

Only this jealous lover of hers would think that she was charming and loved by everyone.

But she wasn't rich, how could everyone like her?

"Sister, brother?" Mo Yesi sneered. "You don't have feelings for him, but he has feelings for you? Baby, I've said before that I'm a man. Only a man can understand a man's thoughts.

"What a good Bai Yusheng, how dare he covet my woman."

Mo Yesi was furious. He picked up his cell phone and called Bai Yusheng.

After a few rings, the call was picked up. A lazy and nonchalant voice was heard. "Chairman Mo, what's wrong again? You're calling me so late at night. Could it be that Mianmian doesn't want you to come in, and you can't find a place to stay tonight, so you want me to take you in for a night?"

Mo Yesi couldn't suppress his anger when he heard him call her "Mianmian".

He narrowed his eyes, his eyes burning with fury. He bit his lip and said, "Bai Yusheng, do you want to die?"

When Qiao Mianmian found out that he was calling Bai Yusheng, she immediately got out of bed.

She grabbed his cell phone angrily. "Mo Yesi, what are you doing, are you crazy?"

Mo Yesi's expression turned even uglier now. He evaded her and said to Bai Yusheng, "I f\*\*king handed her over to you because I wanted you to protect her.

"I gave my woman to you because I trusted you.

"But in the end, you actually had such dirty thoughts towards her? Do you believe that I won't let you stay in the entertainment industry?"

Qiao Mianmian almost fainted from anger.

She knew that Mo Yesi was a jealous lover.

She knew that he was petty in his relationship, so much so that he would get jealous all the time.

But he had never done anything so irrational before.

She didn't expect that just because she addressed Bai Yusheng as "Brother Bai," he would be so sure that Bai Yusheng was up to no good and even called him for a scolding.

Did he consider her side?

When he got angry, he didn't care about anything else. He only cared about whether he felt comfortable venting.

He wasn't going to bother about the consequences of his actions.

She suddenly felt aggrieved and wanted to cry.

His possessiveness towards her had reached a ridiculous level.

She couldn't build a good relationship with any man. Once she did, she'd be seen as a bad person in his eyes.

He was probably trying to make all the opposite sex in the industry afraid of her and stay away from her.

#### **Chapter 744: I Apologize, I Made a Mistake**

He didn't allow any other man to get close to her, but what about himself?

Didn't he have friends of the opposite sex too?

They were childhood sweethearts who'd known each other for over 20 years.

Did he mean that he would only allow the state to set the fire and not allow the common people to light the lamps?

The more Qiao Mianmian thought about it, the more aggrieved she felt.

Bai Yusheng was an arrogant person.

After being scolded by him for no reason, and because of her, she probably wouldn't have to go to the set tomorrow.

She retracted her hand that was about to snatch his cell phone away and touched the tears at the corner of her eyes. She turned around and ignored him.

He could do whatever he wanted.

She couldn't stop him, anyway.

But when she thought about how the role she'd gone through so much trouble to get was gone just like that, and it was because of his inexplicable jealousy, she felt so aggrieved.

At this moment, she really... hated Mo Yesi to death.

Mo Yesi was threatening Bai Yusheng when he suddenly heard a sob behind him. He turned around and saw Qiao Mianmian sitting by the bed, wiping her tears. She was crying so hard that her eyes were swollen. He was stunned and panicked.

He couldn't be bothered to say anything more. He tossed her cell phone aside and walked over.

"Baby..."

He had just opened his mouth when he heard Qiao Mianmian's choked voice. "Mo Yesi, do you hope that none of the men around me will appear? Do you still trust me? Do you just want me to stay at home and not go anywhere? Are you satisfied with that?"

"I..."

The girl's voice wasn't as soft and sweet as before, nor was it as intimate.

Mo Yesi could hear the coldness and alienation in her voice.

He clenched his fists and got even more flustered. "That's not what I meant."

Why was she crying?

When did she cry?

When he wanted her in the bathroom previously, she had cried when she couldn't take it anymore.

But at that time, when he saw her tears, he only felt excitement and wanted to bully her even more.

But now her tears were making him panic.

Tears rolled down her cheeks.

Mo Yesi reached out to wipe her tears, but she avoided his hand and looked down at him.

The alienation was obvious.

“Baby...” Mo Yesi’s hand froze in mid-air. After a while, he slowly retracted it and said with some difficulty, “I apologize, I did something wrong. Don’t cry anymore. I’ll call him and tell him that what happened just now was all a misunderstanding, alright?”

“Actually, you don’t have to worry. Bai Yusheng and I have known each other for many years. He won’t really get angry at me because of... what I said just now. He won’t take his anger out on you because of it. If you like this show, I promise you’ll get it done smoothly, alright?”

“I was blinded by jealousy. I admit that I wasn’t rational and was a little impulsive just now. But it’s precisely because I know what kind of person Bai Yusheng is that I feel that he...” He stopped.

She was fuming.

He was afraid that she would get even angrier if he continued.

“In any case, it’s my fault for making you cry.” Mo Yesi turned around and picked up the cell phone on the table before walking back to her.

“What do I have to do to make you stop being angry? I’ll give him another call and apologize to him, alright?”

#### **Chapter 745: Jealous**

As long as she stopped crying, he could do anything.

Her tears were like glass shards that pierced his heart.

Qiao Mianmian looked up at him with eyes still cold and distant. “Mo Yesi, do you think I’m angry about this?”

Mo Yesi was stunned. “... Isn’t it because of this? Then what?”

Qiao Mianmian took a deep breath and wiped her tears. She looked at him and thought for a while before saying, “It has something to do with this, but it’s not entirely because of this. Mo Yesi, do you know how tiring it is to be with someone like you?”

Mo Yesi pursed his lips.

“So, you feel tired being with me?” he asked hoarsely after a moment of silence.

Qiao Mianmian shook her head. “No. Actually, I’m very happy with you.”

The man looked at her in surprise. “But you said you’re tired.”

“Mm, that’s what I said.” Qiao Mianmian nodded. “I mean, I’ll get tired if I spend too much time with you. You... are too controlling and possessive. It’s impossible to not have other men around me.

“Moreover, in my circle and career, I’m destined to be in contact with men in the future. Mo Yesi, I can’t possibly abandon all my friends because of you.

“This isn’t realistic.”

“If it was you, would you be able to do it?”

“Of course I...” Mo Yesi stopped mid-sentence.

Actually, he really wanted to say that he could.

He would do anything for her.

With her around, he didn't need any friends of the opposite sex.

She was enough in his world.

But he knew that she didn't want to hear such an answer.

This would only make her feel that he was even more abnormal.

What would a woman think when facing an abnormal man?

She wanted to escape.

“You can't do it too, right?” Qiao Mianmian misunderstood him. “If you can't do it yourself, why do you want me to?”

Mo Yesi couldn't help but ask, “What if... I can do it?”

Qiao Mianmian was stunned for a moment before shaking her head. “I can't do that. As long as they're normal people, they'll have a normal social circle. I can only promise that I won't have any thoughts of being friends with them. But I can't do it without any friendship with the opposite sex.”

Every profession had the existence of both sexes.

How was it possible to not have anything to do with each other?

Seeing that she seemed to have calmed down, Mo Yesi hesitantly reached out again. When he felt that she wasn't avoiding him, he gently and carefully wiped away her tears.

“I didn't mean to stop you from interacting with men.” He wiped her tears and walked towards her. “I never thought of asking you to do this. Qiao Mianmian, in your heart, am I such an unreasonable person?”

Qiao Mianmian looked at him silently.

He had never made such a request.

In the end, he was so jealous.

He was jealous of the male lead and the director...

#### **Chapter 746: I Will Change Whatever You Don't Like**

What was the difference?

Mo Yesi probably thought about these two things as well, and his expression turned unnatural. He coughed lightly and said, “That guy with the surname Tu really has bad intentions. You should stay away from him.

“Alright, I think I understand what you mean. I’ll slowly change it in the future, alright? Qiao Mianmian, I know that many things about me aren’t so likable. If you don’t like it, I’ll change it. But, give me some time.

“I’ll change it. I’ll change whatever you don’t like.”

Mo Yesi was a possessive and controlling man.

He was already very restrained in front of Qiao Mianmian.

If he revealed his true self to her, she might be scared off.

Just what he was showing now was enough to make her feel pressured and tired.

How could he dare to let her know that he had already restrained himself a lot?

The man was practically begging her.

Qiao Mianmian looked up and was touched by his cautious and nervous expression.

This was Mo Yesi.

He’d grown up with a silver spoon in his mouth, and only others begged him. He couldn’t possibly beg anyone, and he didn’t have to beg anyone.

But now...

But he was being so humble and begging her.

When had he begged anyone like this?

She didn’t like him to be too domineering and possessive.

But if he didn’t care so much about her, he wouldn’t even look at her when he was cold and aloof.

Was it wrong to care about someone?

Could she control herself if she liked someone?

Qiao Mianmian’s heart softened.

Yes, she knew what kind of person he was when she first met him.

His personality was developed from a young age.

He’d been like this for over 20 years, how could he change so quickly?

She had to give him time.

He had to give himself time.

“Alright, I promise.”

She looked at him, and the coldness in her eyes faded a little. She reached out and gestured for him to lower his head.

Mo Yesi did as he was told.

Qiao Mianmian reached out again and placed her soft hands on his handsome face. She stroked his well-defined brows and high nose bridge and finally landed on his warm and soft lips.

She looked up and met his eyes. After a few seconds of silence, she said softly, "Mo Yesi, can you promise me something too?"

The man looked at her deeply and nodded. "Alright, go ahead."

No matter what she requested, he'd agree to it.

Did he ever reject her whenever she asked something?

Even if she wanted the stars in the sky, he would find a way to get them for her.

"You're not allowed to be so impulsive in the future." Qiao Mianmian frowned slightly as she recalled his actions just now. She couldn't help but sigh. "Mo Yesi, since I'm already married to you, I'm your wife. From now on, the only person I like is you.

"I can't promise what others think, but I can promise this."

The man's eyes lit up when he heard her say "like."

"So, don't always worry about me being taken away by someone else. Don't you have confidence in yourself? Do you think that any man can beat you in terms of charm?"

#### **Chapter 747: You're Starting to Like Me Now?**

"No." Mo Yesi smiled.

Of course not.

She didn't know that he didn't lack confidence.

In fact, it was only when it came to matters related to her that he felt lost and insecure.

He felt that she was too good.

She was full of good points.

She was so good, of course, everyone liked her.

He would feel threatened if too many people liked her.

"In my eyes, my husband is the best, the best in the world. No one can be better than him." Qiao Mianmian decided to say something nice to calm him down.

This was to prevent him from suspecting her.

Her eyes darted around as she tried to think of all the sweet nothings she could think of. "Other men... can't even compare to a strand of your hair, how could I possibly like them."

As she spoke, she felt the gaze on her face burn. She looked up and saw a pair of dark eyes.

This gaze was too familiar to her.

She subconsciously tightened the towel around her, and the ache in her thigh made her feel afraid. "Mo Yesi, I have to wake up early tomorrow. I'm very tired now..."

"I know."

The man's Adam's apple bobbed. "Baby, I've never thought of doing anything. Don't worry, I won't touch you again today."

Qiao Mianmian looked at him skeptically.

He always said that, but in the end...

Mo Yesi sat down beside her and pulled her into his embrace. He stroked her hair and whispered, "What you said just now, was it true?"

The man's body was warm too.

But the hand around her waist didn't move.

Qiao Mianmian was a little more at ease now. She leaned into his arms and rested her head on his chest. She listened to his heartbeat and replied, "Mm, it's the truth."

"You said that you'll only like me in the future?"

"Mm."

"So..." Mo Yesi took a deep breath and shifted his hand from her hair to her chin. He held her chin and looked into her eyes. "Can I understand that you're starting to like me now?"

Qiao Mianmian looked straight into his eyes and nodded. "Mm, you can understand it that way."

She actually liked him a long time ago.

When did it start?

She couldn't remember it clearly. It was probably the moment when he promised to take good care of her and Qiao Chen and become their support.

That warmed her heart.

And then...

His actions made him occupy more and more of a place in her heart.

She was just an ordinary girl.

How could she not be moved by such an outstanding man who treated her so well? Unless her heart was made of stone.

The moment she nodded, the man's handsome face enlarged in front of her eyes. His warm and moist lips landed gently on hers.

This kiss wasn't intense or lasting.

He simply sucked on her lips and backed off.

#### **Chapter 748: The Whole World Is You**

“How much do you like me?” He pressed his forehead against hers and rubbed his face against hers affectionately. “Mm? Tell me, how much do you like me?”

Even if she only liked half of him, it was enough.

He could use the rest of his life to exchange for her other half.

Qiao Mianmian couldn't help but laugh. “I like it a lot, alright?”

“Mm, alright.” Mo Yesi smiled. “But I'm very greedy. I want more. Baby, can you try to like me more?”

“More?”

“Mm, just take it that I'm greedy.”

Before she expressed her feelings for him, he felt that even a little bit of her affection was enough.

But now, he felt that it wasn't enough.

He wanted more...

He wanted her to only have eyes for him.

He wanted to be the person she chose.

“But, I might take longer to warm up. I won't like someone too soon.”

“It's alright.” Mo Yesi smiled. “I can wait.”

“Anytime?”

“Mm, I can wait however long it takes. But I hope I don't have to wait too long.” The man's eyes were filled with affection. He couldn't help but kiss the corner of her lips again and murmured, “Baby, I'll work hard. I'll work hard to make you like me more.”

Qiao Mianmian couldn't help but ask, “What about you?”

“Mm?”

“If I like you more, then you...”

Before she could finish, Mo Yesi held her hand and pressed it against his heart. “Baby, this seat has been occupied by you for a long time. It's all you inside.”

Qiao Mianmian's heart raced.

His words kept replaying in her mind.

He said that this seat was already full.

He said that it was all her inside...

“Mo Yesi...”

“Qiao Mianmian, I like you.” The man’s low voice was full of affection, and his dark eyes were only filled with her silhouette. He said word by word, “I like you so much.”

Her heart was full.

His mind was full of her too.

The whole world was hers.

She liked him so much.

Qiao Mianmian wrapped her arms around his neck and closed her eyes.

The surrounding temperature rose quickly, and the two of them got a little aroused.

Mo Yesi was the first to regain his rationality.

He took a deep breath and quickly got off the bed. He pulled the thin blanket over her and got up to walk towards the bathroom. He said hoarsely, “Baby, I’ll go take a shower. You can eat first when the food arrives.”

Soon, Qiao Mianmian heard the sound of running water coming from the bathroom.

They had just come out of the shower.

It wasn’t hard for Qiao Mianmian to guess why he took a shower so quickly.

He probably took a cold shower this time.

She hadn’t expected him to hold it in.

He really didn’t touch her.

Not long after Mo Yesi went to the bathroom, his cell phone rang.

Qiao Mianmian walked over and saw that it was Shen Rou.

She frowned and hesitated for a while before picking up the call.

#### **Chapter 749: Why Is Ah Si’s Phone With You**

“Ah Si, did I disturb your rest?” Shen Rou’s voice was gentle, especially when she called him “Ah Si”.

Qiao Mianmian kept quiet.

Shen Rou didn’t know that it was her who picked up the phone. Qiao Mianmian kept quiet and didn’t say anything, but she didn’t seem to mind. She smiled gently and said, “You’re in F City now, right? I heard from Aunt Mo that something happened to Mianmian, and you were worried about her, so you

went to look for her. How is it now, is her mood stable? What's with the rumors, did she explain them to you?

"Actually, I've seen that video too. I think it must have been a malicious publicity stunt by the unscrupulous media. There aren't any ambiguous actions in the video. Moreover, Mianmian is already married to you, why would she need to ride on the popularity of that actor? Ah Si, you pamper her so much. As long as she asks you, it's up to you to decide which female lead you want. But Ah Si, do you know that Aunt Mo doesn't approve of Mianmian's acting? She mentioned this to me today. She feels that with the Mo family's current power and status, it wouldn't be good to let others know that Second Madam is an actress.

"I also know that this is your family matter, and as an outsider, I shouldn't say too much. It's just that I feel that being an actress isn't a good job, and it's hard to avoid gossip. Have you... thought of making Mianmian leave the entertainment industry?"

Qiao Mianmian listened quietly. She just wanted to know what Shen Rou wanted to say.

She had more or less understood what she meant.

Was she trying to help Madam Mo persuade her to quit the entertainment industry?

"Ah Si, are you... listening to me? I know you dote on Mianmian a lot, so you let her do whatever she wants. But do you really think it's good for her to be like this? The entertainment industry is a huge dye tank, are you sure you can let her stay there forever?"

Qiao Mianmian couldn't help but sneer. "I didn't know Miss Shen liked to worry about other people's matters. I heard what you said just now very clearly. First of all, thank you for worrying about me, Miss Shen. But I want to say that since Miss Shen knows that this is our family's business, an outsider like you shouldn't be a busybody. Whether the entertainment industry is good or not, whether it's suitable for me or not, it has nothing to do with you. As an actress, I didn't even say anything about my husband. Miss Shen, as an outsider, kept saying bad things about me. You're even more worried about me than my husband."

"Qiao Mianmian?!" Shen Rou was shocked to hear her voice. "Why is Ah Si's cell phone with you? Where is he?"

"My husband?"

Qiao Mianmian glanced in the direction of the bathroom and smiled. She walked towards the bathroom and knocked on the door.

The man's low and sexy voice came from inside. "Baby, what's wrong?"

Qiao Mianmian looked down at her phone and said in a coy voice, "Hubby, how much longer do you need to shower? I'm so tired after exercising so much. Come out and sleep with me, I can't sleep alone."

Qiao Mianmian deliberately played coy, hoping to piss Shen Rou off.

**Chapter 750: Do You Dare to Tell Him About This?**

After saying that, she couldn't help but get goosebumps all over.

It was so mushy.

The bathroom was silent for a while.

It was so quiet that Qiao Mianmian wondered if Mo Yesi had heard the mushy sentence.

Or maybe he heard it and was too mushy for words.

Just as she was about to knock on the door and ask him again, the sound of water stopped. The man's low and hoarse voice rang again. "Alright, Hubby will come out immediately to sleep with you."

Qiao Mianmian was shocked.

Sleep!

Mo Yesi actually told her to sleep.

This was the first time she heard such childish words from him.

She even forgot that she was still on the phone with Shen Rou.

She stood at the bathroom door in a daze for a while before she recalled this.

She thought that Shen Rou would hang up in anger.

But when she picked up the phone, she realized that the call was still on.

She couldn't help but admire Shen Rou's inner strength.

She must have heard their conversation.

Especially hers. She had deliberately let Shen Rou hear it, so she raised her voice.

If it was anyone else, they would have hung up long ago.

But Shen Rou was no ordinary person.

Young Lady Shen was different from ordinary people.

Qiao Mianmian thought for a while and then put the cell phone to her ear. "Miss Shen, you heard it just now, right? My husband and I are going to sleep. If there's nothing else, I'll hang up now."

"Qiao Mianmian, you picked up his call without Ah Si's permission. Does he know you're doing this? Do you think your words just now can agitate me? Ha, what a joke. Don't you think your little tricks are too childish and funny?"

"You don't have to show off your true love. The more you lack, the more you want to show off."

"Let me tell you, I'm not envious at all. Your tricks are useless against me."

Qiao Mianmian couldn't help but laugh when she heard Shen Rou gritting her teeth. "Oh, is that so? Since Miss Shen isn't moved, why are you so agitated? Also, I picked up your call without my husband's permission, but I don't think he minded it."

“Ah Si hates it when people touch his things without his permission.” Shen Rou clenched her teeth. “Do you dare to tell him about this?”

“Are you sure?” Qiao Mianmian was amused. “Miss Shen, let me remind you that I’m his wife, not anyone else. He’d be angry if someone touched his things, but not if it’s me.”

“I’ve known Ah Si for more than 20 years. You don’t have to remind me of his personality.” Shen Rou seemed to have been angered by Qiao Mianmian’s words. “Qiao Mianmian, even if you’re his wife, you don’t have the right to touch his things.”

“So, Miss Shen wants me to prove it to you?”

Qiao Mianmian really found it funny.

How could a woman tell her what her husband was like...

Her words were full of provocation.

It was obvious that she didn’t respect her at all.

Qiao Mianmian didn’t like to compete with others.

Hence, she didn’t think much of it when she realized that Shen Rou liked Mo Yesi.
