Chapter 761: Too Scared to Come to the Set

Hence, this jealous lover had acted strangely.

Did he... do it on purpose just now?

Qiao Mianmian found his declaration amusing.

Could he be any more childish?

Qiao Mianmian quietened down after finding out why he was acting so oddly.

After realizing that Tu Yilei had feelings for her, she felt that this was a good opportunity.

This was too childish.

But... if Tu Yilei really had some feelings for her, it was about time he gave up.

When Qiao Mianmian saw Tu Yilei behind her, Tu Yilei's gaze landed on her too.

Their eyes met for a few seconds. Tu Yilei's usually gentle and approachable face darkened as he pursed his lips.

He stood rooted to the ground. His brown eyes seemed to be filled with emotions, but after a while, they calmed down.

He turned around and returned to the car.

A minute later.

The black Bentley slowly drove past them and disappeared around the corner.

Mo Yesi slowly let go.

He looked up at the black Bentley and narrowed his eyes. A few seconds later, he looked away.

The man looked down at the girl whose lips were swollen from his kiss. His slender and fair fingers slowly caressed her red and tender lips, and his eyes revealed a strong desire to possess her.

This woman was his.

This life belonged to him.

No one else could lay a finger on her.

"Baby, I'm leaving. Remember my words, stay away from that man surnamed Tu."

** *

Qiao Mianmian saw Nana running towards her excitedly the moment she entered.

Nana grabbed her hand and asked excitedly, "Sister Mianmian, do you already know?"

Qiao Mianmian blinked in confusion. “Know what?”

“About Huang Yilin.”

“Huang Yilin?” Qiao Mianmian was stunned. “What about her?”

“You still don’t know?” Nana looked at her in shock. After a few seconds of silence, she looked even more excited. She lowered her voice and whispered, “Someone exposed Huang Yilin. They said that she was a receptionist at a high-class clubhouse before her debut.

“And there are photos of her working there.

“Not only that, they even revealed that she used underhanded means to get to where she is and slept with the producers and investors. Moreover, some pictures and facts also revealed their names.

“Do you know that most of the producers and investors she slept with are married? A few investors even still have that sort of relationship with her. I heard that their wives went to look for her when this news was released. They said they wanted to teach her a lesson.

“Huang Yilin was so scared that she didn’t even dare to come to the set today.

“Weibo is in chaos right now, but Huang Yilin’s management company has already made their move.”

Chapter 762: I Think That Person Is Impressive

“She said that it was slander and that she would file a lawsuit on Weibo. But the account of the slanderer was especially strong. After Huang Yilin’s agency sent a lawyer’s letter a second ago, they immediately exposed a few more of her scandals.

“It feels like he won’t stop until Huang Yilin is dead.

“Moreover, Huang Yilin just spent some money to remove the trending topics, and her popularity has risen again. Even the netizens hired by the comment section have been completely covered by another group of netizens. Now, it seems like her management company is at their wits’ end and can only watch as her scandals trend.

“Sister Mianmian, who do you think exposed her? I think that person is really impressive.”

Qiao Mianmian was stunned for a while before she figured out what was going on.

Huang Yilin had been exposed?

As long as someone wanted to dig up the dirt, they would be able to do it.

Which artiste didn’t have such scandals?

But at Huang Yilin’s level, ordinary reporters could only dig up some unimportant dirt.

It was hard to find any dirt on her.

Moreover, there wasn’t enough evidence for the scandals from many years ago.

Even if someone revealed it, it would be treated as a rumor.

But according to what Nana said, the account that exposed Huang Yilin not only collected a lot of evidence about her but also had concrete evidence.

This was really impressive.

This incident involved so many investors and producers.

If it was anyone else, they wouldn't have dared to expose it even if they had the evidence.

Otherwise, if they were to be found out in the future, they'd be in big trouble.

The person who leaked the news probably knew about this too.

But he still exposed Huang Yilin's scandals, which showed that he wasn't afraid at all.

There were two types of situations like this.

The first was that the person who revealed the news had a deep grudge against Huang Yilin, so they wanted to die together.

The other possibility was that the person who revealed the news was extremely powerful and didn't fear the investors or producers.

Qiao Mianmian thought about it seriously and felt that the latter was more likely.

Moreover, she could already guess who the mastermind was.

"What do we do today?" Qiao Mianmian tapped on her cell phone and found Mo Yesi's profile picture. She opened the chat and sent him a message.

Mianmian: [You got someone to search for Huang Yilin's scandals and expose them?]

Mo Yesi didn't reply immediately.

She wasn't in a rush. After sending it, she logged out of WeChat and logged onto Weibo to watch the show.

Just as Nala said, the moment she entered Weibo, she saw the comments about Huang Yilin everywhere.

The official Weibo accounts of the various entertainment companies also reposted it.

The trending topics were discussed by everyone.

This was way more popular than the rumor between her and Tu Yilei.

After all, the scandal between her and Tu Yilei wasn't even real.

It was just a normal video.

It was only because Tu Yilei's female fans were more domineering and didn't want him to have any physical contact with other female artistes. That was why it was so popular.

But without actual scandals, it was just temporary popularity.

And it was because Tu Yilei was the one who was rumored to be with her.

Chapter 763: It's Huang Yilin's Turn Today

But Huang Yilin was different.

She was one of the most popular female artistes in the entertainment industry, and her character was usually one of the most positive ones.

But such a female artiste was rumored to have been involved with big shots in the entertainment industry before, and many even married.

The image that she'd painstakingly built instantly collapsed.

Some of Huang Yilin's loyal fans were still struggling and insisting that the photos and videos were all photoshopped.

They said they trusted Linlin's character.

Some fans even said that the woman in the video wasn't Huang Yilin, but a woman who looked like her.

In any case, anyone could tell that it was Huang Yilin.

Only the fans were feigning ignorance.

Huang Yilin's own Weibo was still silent.

Only the studio sent a lawyer's letter.

The netizens and fans went to the studio to comment. Seeing more and more comments and reposts, the studio closed the comment section.

Meanwhile.

The account that exposed Huang Yilin's scandals was openly provoking her studio, telling them to come at them as they wished. If they wanted a lawsuit, they could take them on. They even claimed to have other scandals about Huang Yilin.

Netizens left comments under the account, asking if they had any new melons to eat today.

The account name was: Mysterious Person.

Mysterious Person replied to the netizens: [I can't eat too many melons at once, it's too stuffy. Wait for me to post more.]

A netizen asked him again: [Do you have a feud with Huang Yilin?]

Mysterious Person replied: [I don't have a feud with her. My Lady Boss has a feud with her.]

His reply caused a heated discussion among the netizens.

They were all discussing who the lady boss was.

All the women related to Huang Yilin were analyzed by the netizens.

Qiao Mianmian quietly watched the netizens' imaginations run wild. After a while, she felt someone's gaze on her. She looked up and saw Nana looking at her with a burning gaze.

Qiao Mianmian was speechless.

She felt uncomfortable being stared at by her and touched her cheek. "What's wrong? What are you looking at?"

"Sister Mianmian, do you think your boyfriend got someone to do this?"

Qiao Mianmian was shocked.

Just as she was about to ask her why she asked that, Nana whispered, "Your boyfriend must have seen your scandal yesterday and used his real power to find out that it was Huang Yilin who did it. Then, the domineering CEO got someone to collect all the negative news about her to take revenge for you. Wow, he's so handsome and manly. He's definitely capable of protecting his wife."

Qiao Mianmian was speechless.

It seemed like she overestimated Nana.

She thought she'd guessed something.

But it turned out to be a problem from reading too many novels with domineering CEOs.

It was just a delusional disorder.

"Sister Mianmian, have you really never thought that your boyfriend has another identity? The more I think about it, the more I feel that his identity isn't simple. He definitely isn't just the boss of a small company. Otherwise, how could this be such a coincidence? You were exposed yesterday, and now it's Huang Yilin's turn.

"It's not like no one has dug up Huang Yilin's scandals before. But how could they be compared to the ones today?"

Chapter 764: Mm... Honey, Are You Happy?

"This negative news is too much. It can kill her directly. And the person who posted it seems to have a strong backing. He doesn't seem afraid at all.

"I think your boyfriend's real identity must be really impressive.

"I heard that the sugar daddy behind Huang Yilin is rather powerful. He's the Young Master of the Yan family, one of the four most powerful families in Yuncheng City. I wonder how Young Master Yan treats her and whether he'll help her. If Young Master Yan is willing to help her, I think he can settle this matter."

"Cough, cough, cough..."

Qiao Mianmian started coughing.

The sugar daddy behind Huang Yilin was Yan Shaoqing?

Was this true?

“Sister Mianmian, what’s wrong? Are you alright?” Seeing her coughing so badly, Nana patted her back a few times.

“I’m fine.” Qiao Mianmian took a deep breath and waved at her. She then looked up with teary eyes.

“You said that her sugar daddy is Young Master Yan? Is it Yan Shaoqing?”

“Yes.”

Nana nodded. “The Young Master of the Yan family. The Yan family is very powerful. If he wants to help Huang Yilin, he can definitely settle this matter. But I heard that this Young Master Yan is rather fickle, and he has more than one lover. So, it’s hard to say if he will help her. Unless Huang Yilin is especially favored by him.”

Qiao Mianmian was speechless.

If it was Mo Yesi who got someone to do it.

Yan Shaoqing wouldn’t interfere.

Just as she thought this, her cell phone vibrated. She looked down and saw that Mo Yesi had replied to her on WeChat.

He replied: [Mm... Honey, are you happy?]

Qiao Mianmian was speechless.

It really was him.

Of course... she was happy.

When Huang Yilin got someone to hype up her scandal with Tu Yilei, she wanted to kill her.

If she was just a newbie without any backing and had such a scandal with Tu Yilei, and Tu Yilei didn’t speak up for her, what would her ending be?

She’d have been forced out of the industry by Tu Yilei’s fans.

Now that someone was taking revenge for her, how could she not be happy?

After reading Mo Yesi’s reply, she smiled and replied: [Mm... Happy.]

Mo Yesi instantly replied: [Call me Hubby, then.]

Qiao Mianmian was speechless.

Mo Yesi: [Honey, I want to hear it.]

She’d already said it in person, so there was nothing to be embarrassed about.

Qiao Mianmian didn't mind rewarding him since he performed so well.

She sent him a message: [Hubby.]

Mo Yesi quickly replied: [Baby, I want a voice message. Can you send me a voice message: If you want to hear my baby's voice, call me Hubby.]

Qiao Mianmian was speechless.

This man was going overboard.

She looked at Nana still standing by the side and pursed her lips. Her cheeks burned as she replied: [I'm on set, there's someone beside me.]

Mo Yesi: [Then, when you get back, we'll video call each other, alright? Baby, when I'm not by your side, you have to take good care of yourself. Remember, no matter what happens, Hubby will always have your back. If anyone dares to bully you, I'll pay them back a hundred times over.]

Qiao Mianmian felt warm inside as she read the message.

Yes, she wasn't alone anymore.

She had a family, a husband, and someone she could rely on.

Chapter 765: I'm Really Sorry About Last Night

She didn't have to shoulder everything on her own anymore.

In the past, she had to be strong because she could only rely on herself.

But it was different now.

Now that she had someone she could rely on, she was able to be weak occasionally. She didn't have to pretend to be strong all the time.

It was tiring to play the same role for a long time.

She looked at the message for a while and smiled. She then typed: [Alright.]

Just then, she saw Bai Yusheng's assistant walking over. The assistant greeted her politely. "Good morning, Miss Qiao."

The assistant's name was Lin Feng.

Although Lin Feng was Bai Yusheng's assistant, everyone in the crew was very polite to him. Even Huang Yilin and the rest had to lower their pride when they saw him.

Qiao Mianmian also greeted him politely. "Good morning, Mr. Lin."

Lin Feng nodded and said, "Miss Qiao, Director Bai is looking for you."

* * *

This morning, Qiao Mianmian could feel that everyone in the crew treated her differently.

They seemed to be a lot more polite.

Although no one had put on airs in front of her before, they weren't very polite to her.

In any case, it was an indifferent attitude.

When she followed Lin Feng to look for Bai Yusheng, she bumped into a few crew members and actors along the way. When they saw her, they actually took the initiative to greet her, and their attitudes were much warmer than before.

And they were all polite.

There was a hint of fear in their tones.

Qiao Mianmian was puzzled, but she didn't think too much about it. When he followed Lin Feng to look for Bai Yusheng, Bai Yusheng was fiddling with his camera. He pointed to a chair beside him and said, "Sit down first, I'll adjust the camera."

"Oh."

Qiao Mianmian sat down obediently.

Bai Yusheng continued to adjust his camera.

Qiao Mianmian waited for about 10 minutes before he stopped what he was doing and stood up slowly. He then turned around and looked at her.

"Director Bai..." Qiao Mianmian wanted to stand up too.

There was no reason for her to sit while the director was standing.

"Continue sitting, don't stand on ceremony. Also, don't feel restrained. I've said before that when no one is around, you can call me Big Brother Bai." Bai Yusheng walked to the side, pulled out a chair, and sat opposite her.

Qiao Mianmian looked at him nervously.

She felt that she should apologize to Bai Yusheng.

Mo Yesi had gone overboard last night.

She didn't know if Bai Yusheng was looking for her because of that.

In any case, she had to apologize first and show her attitude.

"Brother Bai, I'm really sorry about what happened last night." Seeing no one else around, Qiao Mianmian changed her tone and said apologetically, "My boyfriend... he misunderstood something, so he called you and said some bad things.

"I apologize to you on his behalf for the trouble and impact he caused you. I know it's just an apology and it can't appease you. If you're still angry, I can..."

"I'm not angry."

Bai Yusheng raised his hand to stop her. He smiled and didn't look angry at all.

Chapter 766: Mianmian, Do You Want to Be the Female Lead?

"I'm very clear about that guy's character. I'll just treat it as if he was farting last night. Also, it's fun to see him so angry. After all, he didn't even have a change in expression for the past year. It's really boring.

"He's a little more human now.

"I never expected him to end up like this. Ha..."

Qiao Mianmian was stunned. She suddenly recalled what Mo Yesi told her last night.

Back then, she was still angry and didn't take it to heart.

After a few more rounds, she fell asleep on the bed.

So much so that she forgot all about it.

Now that Bai Yusheng mentioned it, she recalled everything.

"Brother Bai, have you known my boyfriend for a long time? Actually, you two are friends."

"Mm, I guess so." Bai Yusheng narrowed his eyes and thought for a while. "I've known him for five to six years."

"..."

Qiao Mianmian frowned slightly. "Then, your relationship should be pretty good?"

"It's alright." Bai Yusheng turned to look at her and smiled. "He told you everything?"

"Mm."

Qiao Mianmian nodded. "He said it last night. But he said you didn't know each other..."

"Mm, he didn't want you to think that you got this role because of him."

"If I got this role..."

"It has something to do with him, but the outcome has nothing to do with him." Bai Yusheng thought for a while and said, "Before you came for the audition, he told me about it. I owe him a favor. I thought that as long as you weren't too bad, I could arrange a role for you.

"But the moment I saw you, I knew I'd taken advantage of him."

Qiao Mianmian was speechless.

Bai Yusheng looked at her and said, "You're the third female lead that I want. So, even if he didn't inform me beforehand, this role would still be yours."

Alright.

Qiao Mianmian felt better hearing that.

If Mo Yesi was the one who got her this role, she might start to doubt herself.

“So, the person who asked you to take care of me was actually him, not Yan Shaoqing?”

“Mm... I’m not very familiar with Young Master Yan.”

“Then, why did you call me, Brother Bai?”

After finding out about Bai Yusheng and Mo Yesi’s relationship, Qiao Mianmian wasn’t so worried anymore.

Since they’d known each other for years, Bai Yusheng shouldn’t mind what happened last night.

“Mm, there’s something.” Bai Yusheng took out a pack of cigarettes from his pocket and lit one up. “Do you mind if I smoke?”

Qiao Mianmian shook her head.

“Mianmian, do you want to be the female lead?” Bai Yusheng turned around and exhaled the smoke.

He asked casually.

Qiao Mianmian was shocked. “Female lead?”

“Mm.” The cigarette between his fingers lit up, and he looked up at her. “If there’s a chance for you to be the female lead, do you want to? Tell me what you think.”

“I...”

Qiao Mianmian was a little stunned by his sudden question.

She felt that Bai Yusheng wouldn’t ask such a question for no reason.

Especially since the female lead was Huang Yilin.

Chapter 767: Once He Takes Action, He Won’t Let Her Live

But now...

Although Bai Yusheng asked casually, Qiao Mianmian thought seriously for a while before replying, “I feel that the female lead role isn’t suitable for me. I’m more suitable for the third female role.”

Everyone wanted to be the female lead.

Qiao Mianmian was the same.

But because she’d read the original novel, she knew that the female lead role wasn’t suitable for her.

She didn’t look like the female lead.

In the original novel, the female lead was described as a charming and beautiful woman.

Huang Yilin's appearance was very fitting.

And her looks had nothing to do with beauty.

This was secondary.

It was mainly because she felt that her acting skills still needed to improve. It might not be a problem for her to be the third female lead, but as for the female lead...

She wasn't confident.

The female lead in the original novel was particularly challenging to act.

As a newbie who hadn't properly acted in a drama before, it was rather difficult for her to get the female lead role.

Qiao Mianmian knew herself.

Hence, even though she knew that she might miss a good opportunity, she still followed her heart.

If she wasn't suitable, she wasn't.

Bai Yusheng raised his brows and looked a little surprised.

It was as if he hadn't expected such an answer.

Did she know what her answer meant?

"You really think so?"

"Mm." Qiao Mianmian nodded. "Everyone wants the female lead role, but not everyone is suitable for it. I feel that my acting skills are still improving, it's better to train a little more."

"What if I told you to be the female lead?" This was Bai Yusheng's first time meeting an actress like Qiao Mianmian.

If it was any other actor, they would definitely fight for it.

Very few people could resist such temptation.

"Brother Bai, did Mo Yesi say something to you?"

Huang Yilin was covered in dirt now, and Mo Yesi probably wouldn't let her get up again.

Bai Yusheng probably knew about this too.

Hence, the female lead had to be replaced.

Qiao Mianmian felt that Bai Yusheng must have said something to her.

For example, asking him to give her the female lead role.

But Bai Yusheng shook his head and said, "He didn't say anything to me. I'm the one who wants to know. You know about Huang Yilin. Mo Yesi either doesn't do anything, or he won't let her off.

"I lost my female lead, so I have to find another one.

"Mianmian, you really don't want to take the female lead role?"

Qiao Mianmian hesitated for a while before blinking. "Brother Bai, can I tell you the truth?"

Bai Yusheng nodded. "Mm, go ahead."

"Uh, I actually want to be the female lead." She touched her nose in embarrassment and blushed. "But I'm worried that I won't be able to act well. Moreover, I don't think I look like the female lead."

Hence, she didn't really want to reject him!

Her heart ached when she rejected him.

"So, you still want the female lead role?" Bai Yusheng asked directly.

Qiao Mianmian hesitated for a while before nodding.

She didn't want to lie to him.

Chapter 768: I Can Teach You

Moreover, she had an inexplicable sense of confidence that even if she told the truth, Bai Yusheng wouldn't feel negative about her.

She was rather relaxed in front of him.

Perhaps it was because of their interaction in the car yesterday that her impression of Bai Yusheng changed so much.

She used to be a little restrained and respectful in front of him.

It wasn't that easy.

Now, she felt like Bai Yusheng was a big brother next door.

Hence, she could say anything in front of him.

"Everyone wants the female lead role." Qiao Mianmian bit her lip and thought for a while before saying honestly, "For newbies like us, who doesn't have a female lead dream? But I know my place."

Hence, even though she really wanted it, she resisted the temptation and rejected it.

Bai Yusheng put out his cigarette and looked up at her. He suddenly chuckled. "If I say that you're suitable for the female lead role and I'd like to give it to you, do you dare to accept it?"

"Huh?" Qiao Mianmian was stunned.

"Mianmian, it's up to me whether you're suitable or not." Bai Yusheng charmingly smiled. "My judgment has never been wrong. I believe my choice this time won't be wrong. Do you want to challenge me?"

"Brother Bai, you..."

"I'll give you the female lead role. You just have to answer me, do you want to take it or not?"

"I-I..." Qiao Mianmian was stunned by the sudden surprise. Of course, she wanted to accept it.

She wanted to be the female lead even in her dreams.

"But Brother Bai, do you really think I'm suitable?"

She rejected it because she felt that she wasn't suitable and was worried that she wouldn't be able to act well.

She didn't have enough confidence to reject him.

But if the director felt that she was suitable, what reason did she have to reject him?

"Of course." Bai Yusheng smiled. "I've seen your performance for the past two days. Your acting isn't a problem. Although you're still a little unfamiliar with some professional performances, I can teach you.

"As long as you work hard, there isn't a student I can't teach.

"As for the appearance, I believe the makeup artist will be able to handle it.

"Now that your worries have been resolved, do you have any more questions?"

Qiao Mianmian looked at him blankly and shook her head. "... No. "

"So, what's your decision?"

"I'll do it!" Qiao Mianmian nodded vigorously as if she was afraid that he would regret it the next moment. "I'll do it! Brother Bai, I'll do my best to not let you down."

"Mm."

She looked at him with sparkling eyes, and when she smiled, her eyes were like two crescent moons. She was like sweet candy.

Bai Yusheng looked at her smile and couldn't help but reach out to pat her on the head. "Mm, I believe you won't disappoint me. Alright, a lot of the roles have not been decided yet, and we can't start filming. You can go back first.

"Go back and study the script."

"Big Brother Bai, are we not filming today?" Qiao Mianmian naturally accepted his offer.

"I can't do it today." Bai Yusheng's heart softened when he saw how obedient she was. He couldn't help but pat her on the head again.

Chapter 769: Your Jealous Lover Can Even Eat You

“The female lead role has been given to you, and now the third female role has been vacated. I haven’t thought of anyone suitable for the third female role yet. Moreover, you aren’t familiar with the female lead role yet. You should familiarize yourself with the script first.”

“Mm.”

Qiao Mianmian felt like she was dreaming.

No.

Even in her dreams, she had never dreamed of such a good thing.

Not far away.

When the crew and actors saw Bai Yusheng petting Qiao Mianmian’s head, they exchanged glances.

Director Bai and that newbie... were already together?

They were already so intimate.

It seemed like Director Bai really liked this newbie.

He didn’t even bother to look at the other actresses who tried to seduce him.

But now, he seemed to dote on this newbie.

In the future, they had to be more polite to her.

If she had that kind of luck, she might even become the Director’s wife.

Everyone was speculating that they were already dating.

But the two of them had no idea.

“Big Brother Bai, it’s all because of me that Mo Yesi got someone to expose Huang Yilin’s scandals. Now that the female lead is going to be replaced, the filming for the past few days is going to be dropped. The financial losses must be huge.”

Qiao Mianmian said apologetically, “I know it’s just an apology, but...”

“You don’t have to apologize to me.” Bai Yusheng raised his brows and looked at her. “Do you think I’ll let myself be at a disadvantage? Huang Yilin caused such a mess and affected the entire production crew. She has to compensate me for the breach of contract. The compensation is enough to offset the other fees.”

Compensation fees?

Qiao Mianmian widened her eyes in shock. “She has to pay the compensation fee?”

She thought Bai Yusheng would compensate Huang Yilin instead.

After all, he had changed Huang Yilin’s female lead role.

In the end, it was Huang Yilin who had to pay the compensation?

"Of course, that's what happened in the contract. If the artistes have a negative image during the shoot and the entire show is affected, I have the right to terminate the contract and ask for compensation."

Qiao Mianmian widened her eyes even more.

She hadn't noticed this when she was looking at the contract.

It turned out that the scandals during the shoot were actually paid for the breach of contract?

Then, her scandal with Tu Yilei...

She suddenly felt unwell.

Was she going to pay the compensation too?

She panicked. "Brother Bai, then I..."

"Scared?" Bai Yusheng knew what she was thinking and couldn't help but laugh. "Of course, you don't have to pay the compensation fee. Your scandal with Tu Yilei is different from Huang Yilin's."

"Her image has dropped drastically after the scandals were exposed. I can't use her as the female lead anymore. Although I'm not in need of money, I'm not a charitable person. I don't want to lose money because of her."

Qiao Mianmian heaved a sigh of relief.

She patted her chest. "Thank goodness, thank goodness. You scared me."

Bai Yusheng was amused. "What are you worried about? You're worried that I'll make you pay the compensation fee?"

"Uh, yes."

"If you really have a scandal as big as Huang Yilin's, you won't have to worry about compensation anymore. That jealous lover of yours will eat you up."

Chapter 770: His Past Is Cleaner Than Any Man's

Qiao Mianmian was speechless.

That was true.

That jealous Mo Yesi...

It was hard for her to explain.

"But to be honest, I've known Mo Yesi for so many years, but this is the first time I know that he's actually jealous and flustered because of a woman. I was shocked when he called me last night.

"I wonder if his cell phone was taken away."

"..."

"Really." Bai Yusheng smiled. "You've never seen him like that before, right? He's just like a monk. He looks so cold and heartless. He wouldn't react even if a woman stripped naked in front of him, much less get jealous."

"Back then, we even suspected that he liked men."

Qiao Mianmian burst out laughing.

"We all thought that he'd be alone for life. After all, it's not that he doesn't want to get married, he's just not interested in women. You should know that he has another problem. He's allergic to women?"

"Mm." Qiao Mianmian nodded.

She'd heard about this from Uncle Li.

She was shocked too.

She never expected someone to have such an illness.

Until now, she still found it rather strange.

She asked Bai Yusheng curiously, "Brother Bai, did he really have an allergic reaction when he touched other women?"

"Mm, he really does have an allergic reaction." Bai Yusheng narrowed his eyes and seemed to be recalling something. His smile deepened. "We didn't believe it before too. We thought that it was just an excuse for him to reject those women. But one time, we saw it with our own eyes and believed it."

"Then, what is his allergy like?"

Qiao Mianmian had never seen Mo Yesi being allergic to women.

Anyway, she only knew that he wasn't allergic to her.

She could touch any part of him.

And he... really liked to touch her.

"He vomited and had rashes all over his body. I heard that he even fainted when it was more serious. The one we saw was when he had rashes."

"He touched another woman?" Qiao Mianmian frowned slightly.

She knew that it was all in the past, whether it was other women who touched him or the other way around.

She shouldn't mind it.

But the thought of him touching another woman still made her uncomfortable.

She finally understood why Mo Yesi minded Su Ze so much.

If Mo Yesi also had an ex, and they'd known each other for 10 years, they'd almost be married.

She'd be bothered by it too.

No, she would definitely mind it.

“That was a special situation. We passed by a place and someone fell into the water. Ah Si went down to save that person. He’s usually so cold and doesn’t seem to care about others’ lives, but he’s actually a kind person.”

It was actually like this.

Qiao Mianmian was a little surprised.

She also felt that Mo Yesi was the sort of person who didn’t care about anyone else other than himself.

She didn’t expect him to have saved someone before.

She felt like she understood him a little better now.

She liked it a little more.

“You don’t have to be jealous. Mo Yesi’s past can be said to be cleaner than any other man’s. Because of his weird habit, he never had a woman by his side. You’re definitely his first.”
