Chapter 771: Some Things She Didn't Dare to Think About

"Come to think of it, you and he are really fated. He has that weird habit, but he doesn't have an allergic reaction to you. Do you think you two are meant to be together?"

"But..."

Qiao Mianmian should have been happy to hear this, but something made her unhappy.

"What?"

Bai Yusheng valued time more than anything else.

He would never use his time to chat with others.

But he made an exception for Qiao Mianmian.

It was rare to see them chatting.

Most importantly, he felt relaxed with her.

Even a casual conversation was rather interesting.

He wasn't bored.

He had always wanted a younger sister, and it wasn't as if he didn't have one at home. He hadn't found a biological sister, but he had several cousins.

But he didn't like them.

The daughter of a rich family was pampered and spoiled since she was a child.

What he liked was an obedient and cute girl.

She'd better look more delicate.

This would make him want to protect her.

And Qiao Mianmian was his ideal sister. Even her personality was the sort he liked.

Most importantly, he would want to get close to her whenever he was with her.

This desire for intimacy wasn't because of hormones.

He even thought about how nice it would be if Qiao Mianmian was his sister.

He would definitely make her the happiest princess in the world.

He would do his best to treat her well and pamper her, making up for the regret of not being by her side all these years.

But he knew it was impossible.

How could there be such a good thing?

How could it be as he wished?

“Brother Bai, if the person he met first wasn’t me, but another woman like me who wouldn’t make him have an allergic reaction, would he like that woman too?”

Qiao Mianmian had kept this question to herself for a long time.

Although she knew that there was no need to worry about these things that had never happened before, she couldn’t help but think about it.

She’d kept it to herself and never told anyone about it.

But now she had the desire to talk to Bai Yusheng.

She felt that with his talent and knowledge, he would be able to see through a lot of things and be more mature than her.

She wanted to know his opinion and get his advice.

“You think so?” Bai Yusheng looked at her in surprise.

“Mm, isn’t it?” Qiao Mianmian bit her lip as she met his gaze. “When he was with me, he said that I was the only person who wouldn’t make him have an allergic reaction.

“So, he wants me to stay by his side for a long time so that he can find out the reason.”

In the future, when that reason was found.

Her uniqueness to him probably wouldn’t exist anymore.

Just as Shen Rou said.

If she wasn’t special and she wasn’t the only one in his heart, would he still like her?

Would he still treat her like this?

Some things she dared not think about.

Initially, she didn’t care and didn’t want to be with him for long.

But now...

Chapter 772: You Have to Believe in Love at First Sight

When she realized that she was slowly falling for him and that he had unknowingly taken a place in her heart, she started to feel afraid.

She was afraid that her feelings would turn into a joke.

To her, losing wasn’t the most painful thing.

But getting the best of everything before losing it completely.

It was like falling from heaven to hell.

Bai Yusheng thought for a while and said, "You don't think he really likes you?"

"No. I can feel that he likes me. It's just that I don't know how much of this love comes from his heart, and how much is because..."

"Because of your uniqueness?" Bai Yusheng looked at the girl in front of him, who seemed to be trapped by her feelings. He thought about it seriously for a while before saying, "You're worried that if other women were like you and treated him differently, he might fall for someone else?"

"Are you afraid that things will turn out the way you think?"

"Mm.

"Brother Bai, do you think I'm overthinking?" Her voice was soft and gentle. "Actually, he treats me very well now. No one has ever treated me so well before. I know that he doesn't have any other women around him, but I still can't help but think about it. Do you think I don't know how fortunate I am?"

Bai Yusheng shook his head. "It's normal for you to think that way. But if you're asking for my opinion, I don't think so. Mo Yesi isn't as casual as you think, especially when it concerns the other half of his life. I don't think he chose you only because you're special to him.

"If he didn't like you, to begin with, he wouldn't have married you even if you treated him differently.

"There are many ways for him to study his illness. Getting married is definitely not the only way. Only when he likes you and wants to be with you can he make you his wife."

Qiao Mianmian's eyes lit up.

It was as if her discomfort was gone.

Her breathing became smooth again.

She felt as if a huge burden had been lifted off her shoulders.

She looked at Bai Yusheng with eyes full of trust. "Is that really the case? But I've only met him once, and he already proposed marriage..."

"Mianmian, you have to believe that love at first sight exists."

Qiao Mianmian was speechless.

So, did Mo Yesi fall in love with her at first sight?

"Alright, don't let your thoughts run wild." Bai Yusheng stroked her head and said gently, "Actually, it doesn't matter what his original intention was. You just have to be sure that he likes you now, right?"

"Don't think too much about it. There's no other use besides making yourself unhappy."

"Mm, I got it. Brother Bai, thank you for chatting so much with me."

Qiao Mianmian's eyes were full of gratitude. "You helped me solve a problem that has been bothering me for a long time. I know what to do now. I won't bother about this anymore."

** *

On the other side.

Huang Yilin was furious and anxious as she saw that the trending topics were getting out of hand. She slammed her phone on the table.

Chapter 773: Can't This Be Settled With Money?

She turned around and asked her manager angrily, "Why can't we take it down? Why are those topics still on the hot searches?"

"Why are there more and more people reposting it? Didn't you say you'd find a way to get rid of it?"

"But why isn't the search ranking down? Why is it getting higher and higher? Is the person you found so unreliable? Or is the money not enough? I don't care how much you spend, you have to settle this."

"I can't be destroyed because of this."

"It wasn't easy for me to get to where I am today. I can't be ruined by those scandals. I can't!"

Towards the end of her sentence, her expression had already turned ferocious.

The manager was fuming as well. "Why are you being so fierce to me? Do you think I'm not anxious? You're my artiste, what good will it do me if you get infamous? It's not that I don't want to drop this hot search, it's that I can't!"

"Why not?" Huang Yilin's face was pale. "In the past, all the scandals could be settled with money. Did they ask for a lot of money this time?"

The manager's expression wasn't any better. He said coldly, "If it can be settled with money, that's great. We can spend as much money as we want."

"What do you mean?" Huang Yilin was stunned for a moment and frowned. "Could it be that this matter can't be settled with money?"

"Of course."

The manager said with a serious expression, "I spent money to get Weibo to remove the trending searches, but soon, your negative news was uploaded again. Also, I just called to ask about the situation there. The other party said that the person who exposed you has a huge background. They can't afford to offend them."

"So, money isn't the only solution."

"Yilin, I'm afraid you'll have to ask Young Master Yan for help. Only he can help."

Huang Yilin widened her eyes in disbelief. "We can't even use our relationship? Who exactly is he?"

The manager shook his head. "They didn't say it explicitly, as if they were afraid. Yilin, who exactly did you offend?"

"I-I don't know, either."

Huang Yilin's face was a little pale. She furrowed her brows and thought for a while. Then, she clenched her teeth and said, "There's only one person I can think of. But she couldn't have gotten someone to do it. She doesn't have the ability."

"Who?"

"Qiao Mianmian." At the mention of this name, Huang Yilin's eyes turned even colder. "But how could she have such a powerful backer to help her? If she did, she wouldn't have only gotten the third female role."

"That might not be the case." The manager narrowed his eyes. "She didn't have it before, but she does now, right?"

"You're saying..." Huang Yilin's expression turned awful when she thought of that person. "Bai Yusheng did this?"

"Besides him, who else has the capability to do that? He must have found out that the scandal between Tu Yilei and Qiao Mianmian was caused by you. That's why he wants to stand up for her. He's the Young Master of the Bai family, it's easy to find out about your past scandals.

"Other than him, I can't think of anyone else who's so capable. He's so interested in Qiao Mianmian now, it's not surprising that he would help her do something like this. Anyway, it's not a big deal to him."

Chapter 774: This Vixen Is Really Good at Seducing Men

"I already told you not to act rashly, but you didn't listen. Now that this happened, how am I supposed to clean up this mess for you? If it's really Bai Yusheng, unless he's willing to let you off, you can only bear with it."

Huang Yilin was angry at first, but when she heard what he said, she looked afraid.

She knew that too.

The power of the Bai family wasn't something they could resist.

If Bai Yusheng really wanted her dead, there was nothing she could do.

Could this really be Bai Yusheng's doing?

Just because she got someone to expose Qiao Mianmian and Tu Yilei's scandal, Bai Yusheng wanted to stand up for Qiao Mianmian?

Was he that loyal to that vixen?

He actually wanted her dead.

How could he be so cruel!

At this point, Huang Yilin was filled with hatred.

“That vixen really knows how to seduce men! Can’t Bai Yusheng tell that she’s a slut? I’m going to call him and ask him why he did this. Why is he so heartless towards me!”

Huang Yilin’s eyes were filled with hatred as she picked up her cell phone with reddened eyes. She unlocked the screen and was about to call Bai Yusheng.

“Are you crazy?” The manager was shocked by her reaction and quickly stopped her. “Are you trying to make things worse? Is Bai Yusheng someone you can question?”

“What’s your relationship with him? What right do you have to ask him that? Do you think you are not dying fast enough?”

Huang Yilin clenched her teeth. “Then, what can I do? Didn’t you say that he was behind this? Can’t I call him?”

“Are you going to plead? If he really did help Qiao Mianmian, you’d only make things worse.”

“Then what do you want me to do? Wait for my career to end?!”

“Of course not.” The manager took a deep breath and suppressed his anger. He thought for a while before saying, “Give Young Master Yan a call. The major families in Yuncheng City have good personal relationships with each other. Bai Yusheng and Young Master Yan must be friends.

“If he speaks up, Bai Yusheng will have to give him some face. Although his new lover is important, he can’t possibly offend Young Master Yan because of her.”

“Call Young Master Yan?” Huang Yilin frowned and hesitated.

Everyone in the industry knew that she had a powerful backing in Young Master Yan Shaoqing.

In fact, she did manage to get him.

But he wasn’t that reliable.

She wasn’t the only woman around him.

“This is the only way.”

“Alright. Then, I’ll... call him.”

Huang Yilin hesitated for a while before finally agreeing.

It wasn’t easy for her to get to where she was today. She didn’t want to lose it just like that.

She knew very well how terrible it would be for an artiste to fall.

Having been in the limelight for so long, it felt like a living hell.

She didn’t want to experience it at all.

Hence, she had to get Yan Shaoqing to help her no matter what.

Yan Shaoqing... would probably help her too.

Although she wasn’t the most pampered one, Yan Shaoqing still treated her very well.

No matter what, he still had some feelings for her.

Chapter 775: Other Than the Bai Family, There's Only the Mo Family

With that in mind, Huang Yilin gave Yan Shaoqing a call.

It rang for a while before it was picked up.

The man's lazy voice could be heard. "Baby, you miss me?"

Huang Yilin was about to speak when she heard a woman's laughter.

She couldn't help but ask, "Young Master Yan, where are you now?"

"Why?" Yan Shaoqing didn't answer her. His voice was still lazy and casual. "You miss me and want to look for me?"

Huang Yilin was speechless.

She pursed her lips, and her expression darkened.

She didn't believe that Yan Shaoqing wouldn't know about it.

But he didn't say a word.

Even when she was with Yan Shaoqing, it was only because he was rich and powerful. She didn't have much sincerity towards him.

But she couldn't bear to be ignored by him like this.

"Young Master Yan, I need your help with something."

The woman's laughter came from the other end of the line. Huang Yilin took a deep breath and said, "I've encountered some trouble. I hope you can help me."

"Oh?" Yan Shaoqing smiled. "What is it?"

"Someone posted my scandals on Weibo, and we can't delete them now. This might be Bai Yusheng's doing. I know you have some friendship with him, can you..."

"Help you? Get him to let you off?"

Before she could finish, Yan Shaoqing chuckled. "How did you offend him?"

Huang Yilin said angrily, "It wasn't me who offended him. It was a newbie in our production team who didn't get along with me. Bai Yusheng took a liking to her and wanted to stand up for her."

"Who's the newbie you're talking about?"

"Her name is Qiao Mianmian." Huang Yilin gritted her teeth at the mention of Qiao Mianmian. "She caught Bai Yusheng's eye the moment she arrived."

Yan Shaoqing kept quiet for a while.

When he spoke again, his tone seemed a little colder. "Bai Yusheng will never fall for this newbie."

"Why? Everyone in the crew knows..."

"Huang Yilin, you still haven't figured out who you've offended. Do you think you've offended Bai Yusheng?" Yan Shaoqing suddenly sneered. "Seeing that you've been with me for a while, I might as well let you know."

Huang Yilin suddenly had a bad premonition, and her face turned pale. "Know... what?"

Yan Shaoqing said coldly, "You did suffer this because of Qiao Mianmian. But the person behind her isn't Bai Yusheng. That person is much more powerful than Bai Yusheng. I can't help you even if I wanted to."

Huang Yilin's expression immediately changed.

"Young Master Yan, who... is this person you're talking about?"

Even Yan Shaoqing couldn't do anything about it?

Who else in Yuncheng City had more power than the Yan family?

Besides the Bai family, there was only the Mo family left.

Mo family?!!

Huang Yilin widened her eyes in disbelief.

Impossible.

She quickly rejected this thought.

Impossible.

Qiao Mianmian's backing definitely wasn't from the Mo family.

The Mo family was one of the most powerful families in Yuncheng City.

Chapter 776: More Powerful Than Bai Yusheng

They were also the most powerful family in Yuncheng City.

If Qiao Mianmian's backing was the Mo family, Yan Shaoqing wouldn't be able to help her.

Although the Yan family was one of the top four families, they were still inferior to the Mo family.

But this wasn't the main issue.

More importantly, how could Qiao Mianmian know someone from the Mo family?

Everyone knew that the Young Master of the Mo family was still single. Moreover, he was a very self-disciplined person who didn't even have a woman by his side.

The Second Young Master of the Mo family was known for having anorexia.

In any case, the two Young Masters of the Mo family weren't interested in women.

Hence, Qiao Mianmian would never have the chance to interact with them. Even if she did, she wouldn't have any interactions with them.

But if he wasn't from the Mo family, Yan Shaoqing wouldn't have said that he was better than Bai Yusheng.

In a short period, Huang Yilin's expression changed again and again. The fear and apprehension in her heart grew.

But what if... it was the person she was thinking of.

She didn't dare to think about the consequences.

She didn't dare to imagine what would happen if she offended the Mo family.

That was because it was a result that would make her hair stand on end.

"Huang Yilin, you've offended someone you shouldn't have. I can't help you this time. Oh right, let's end our relationship here. I'll get someone to take a picture of the villa you mentioned previously. Consider it a break-up gift."

Yan Shaoqing hung up.

Huang Yilin's grip on the cell phone loosened when she heard the disconnected tone.

The phone hit the ground, and a crack appeared on the screen.

"What's going on?" The manager frowned and asked anxiously. "What did Young Master Yan say? Is he willing to plead for you?"

Huang Yilin didn't respond.

The manager got even more anxious and grabbed her hand. "Say something. Is Young Master Yan willing to help?"

She was the one who raised Huang Yilin.

In order to make her popular, she spent a lot of effort on her.

Naturally, she spent a lot of money too.

Huang Yilin was now the company's cash cow. If she really fell, it would have a huge impact on the company.

The impact on her as a manager would be even greater.

Hence, he couldn't let Huang Yilin fall.

Huang Yilin finally snapped out of her daze.

Her face was pale.

It was the sort of paleness that couldn't be hidden even with makeup.

She looked at her manager with a look of despair. Her lips quivered as she said, "He said... he can't help me. We were all wrong. Qiao Mianmian's backing isn't Bai Yusheng, but someone even more powerful than him.

"Lisa, who do you think that person is?"

"Who is better than Bai Yusheng?"

"How could Qiao Mianmian know such a powerful person? If she really knows him, how could she only grab a third female role? Did Yan Shaoqing lie to me because he didn't want to help?"

Her manager was called Lisa.

Hearing that, Lisa's face turned pale.

She was shocked. "Yan Shaoqing told you that the man behind Qiao Mianmian is even more powerful than Bai Yusheng?"

Chapter 777: Madam Mo's Call

Huang Yilin nodded.

"Someone more powerful than Bai Yusheng?" Lisa's mouth was slightly agape as she kept quiet for a few seconds. Suddenly, her expression turned awful. Her lips trembled as she said with difficulty, "Could it be... the Mo family?"

"Qiao Mianmian's true backing is the Mo family?!"

"Impossible." Huang Yilin denied it with fear. "It can't be someone from the Mo family, it can't be. How could she know someone from the Mo family? It's impossible."

"If it wasn't someone from the Mo family, who else could it be?" Lisa didn't want this speculation to be true.

Offending the Mo family was worse than offending Bai Yusheng.

If it was Bai Yusheng, they could still plead for mercy.

But if it was the Mo family...

"I don't know, either." Huang Yilin scratched her head in frustration. "But no matter who that person is, he shouldn't be from the Mo family."

She still didn't want to admit that Qiao Mianmian had connections with the Mo family.

That was the most powerful family in Yuncheng City, symbolizing supreme power and wealth.

Second Young Master Mo was very low-profile and was always overseas, so nobody knew what he looked like.

But it wasn't hard to imagine.

Mo Shixiu often appeared in public.

He was an outstanding man.

As a member of the Mo family, Second Young Master's looks were definitely not too bad.

He was born with a silver spoon in his mouth, and he even had such good looks. Such a man was the best of the best.

This life was hard to come by.

How could Qiao Mianmian know such a man?

"You can only beg Qiao Mianmian." Lisa kept quiet for a while before saying, "No matter who the man behind her is, he's someone we can't afford to offend. The reason you exposed this is that that person wants to stand up for Qiao Mianmian.

"If you can get her forgiveness, you can still go on. Otherwise..." Lisa's voice deepened. "No one can save you."

Huang Yilin was in disbelief. "You want me to apologize to Qiao Mianmian?"

"Otherwise? Do you want to die? Is your dignity more important, or is your future more important? Think about it yourself." Lisa looked at her deeply. "If you don't have your current halo, you'll return to the time when you have nothing. Can you... bear it?"

** *

After Qiao Mianmian left the set, she took a cab back to the hotel.

Halfway through, she received a call.

It was Madam Mo's voice.

Her cold and emotionless voice could be heard clearly from the other end of the phone. "Qiao Mianmian, I'll be waiting for you at the cafe of the hotel you're staying at. Let's meet."

Qiao Mianmian was in a daze after hanging up.

"Sister Mianmian, are you alright?" Nana asked her with concern.

Qiao Mianmian locked her cell phone and shook her head. "Nothing."

"Are you really alright?" Nana was still worried.

She could tell that Qiao Mianmian's mood had changed after receiving the call.

She wondered who the caller was.

"Mm, it's fine." Qiao Mianmian placed her cell phone in her bag and turned to look out of the window.

Madam Mo actually came to F City.

This surprised her.

Although she didn't know what Madam Mo wanted to talk to her about, she could guess that it wasn't anything good.

Chapter 778: Meeting Madam Mo

It was probably because of her scandal.

When Mo Yesi sent her to the set this morning, Old Madam had called to ask about the scandal.

If Old Madam knew about it, how could Madam Mo not know?

Judging from Madam Mo's attitude towards her previously, she was probably here to condemn her.

** *

At the hotel.

Qiao Mianmian and Nana got out of the car and entered the elevator. She pressed the floor of the cafe.

"Eh, Sister Mianmian, this isn't our..."

"Oh, I'm going to meet a friend," Qiao Mianmian said casually. "You can go back first. It's the day off today, you can do whatever you want. Don't bother about me."

"Alright, then. I'm going out to meet a friend too. I'll be back later tonight. Sister Mianmian, call me if you need anything. I'll be back soon."

"Mm."

Qiao Mianmian walked out of the elevator first.

The cafe was on the tenth floor.

After exiting the elevator, she saw Madam Mo waiting for her by the window.

Madam Mo was indeed a prestigious madam.

The elegance and classiness that she had nurtured since young was clearly different from ordinary people.

Qiao Mianmian saw her right away.

Her sitting posture was very elegant, and the way she held the coffee cup was also very classy. Her face was well-maintained, and it was impossible to tell her actual age. At first glance, she was a very attractive young woman.

Many men in the cafe were secretly sizing her up.

But no one dared to approach her.

Madam Mo had a cold temperament and looked like a cold beauty. Most men would be interested in her, but they wouldn't dare to pursue her easily. Moreover, she didn't seem like an ordinary rich girl. This alone was enough to make many men flinch.

“Hello, Miss. May I ask...”

“I have an appointment.”

Qiao Mianmian looked at the waiter and quickly walked towards Madam Mo.

As she approached, Madam Mo, who was looking out the window at first, turned around and looked at her.

Her eyes were cold and sharp.

Qiao Mianmian couldn't help but stop in her tracks.

She hesitated for a few seconds before saying, “Mom...”

Disgust flashed in Madam Mo's eyes when she heard the way she addressed her. She smiled coldly and pointed to the seat opposite her. “You're here. Have a seat first.”

Qiao Mianmian didn't ignore the disgust in Madam Mo's eyes.

She knew that Madam Mo didn't like her.

But Qiao Mianmian felt as if her heart had been stabbed by something.

But she still appeared nonchalant.

She sat down opposite Madam Mo and asked for a cup of coffee from the waiter. She turned to look at Madam Mo and hesitated for a while before deciding to ask, “Mom, why are you looking for me?”

Madam Mo took a sip of her coffee and frowned in disgust.

The coffee here probably wasn't to her liking.

She took a sip and put it down.

Although this was a five-star hotel, it was considered pretty good for ordinary people.

But in the eyes of a rich madam like Madam Mo, the things here weren't worthy of her attention.

Chapter 779: What Must I Do for You to Leave My Son?

She still despised it.

It was obvious how much she despised her daughter-in-law.

If she hadn't collected the marriage certificate with Mo Yesi before he brought her home, Madam Mo definitely wouldn't have agreed to Mo Yesi marrying her.

Madam Mo's favorite daughter-in-law was Shen Rou.

The Shen and Mo families were indeed compatible.

Shen Rou and Mo Yesi were very compatible.

And they grew up together.

This was very rare.

Everyone around them probably thought that they would end up together.

Madam Mo thought so too.

But who would've thought that Mo Yesi would suddenly marry without telling them? He even found her a daughter-in-law that she was extremely dissatisfied with.

Naturally, Madam Mo didn't like her at all.

She might even think that she was the one who instigated Mo Yesi to get married first and that she was a scheming woman.

"Qiao Mianmian, I'm not a person who likes to beat around the bush, so I'll be frank with you." Madam Mo's eyes were cold and impatient as if saying anything more to her would make her uncomfortable.

Her voice was cold. "Tell me, what must I do for you to leave my son?"

"How much do you want? Give me a number. As long as you don't ask for too much, I can satisfy you."

Her tone was full of sympathy.

Qiao Mianmian's heart sank.

Initially, she thought that Madam Mo came because of her scandal.

Unexpectedly, she was here to persuade her to leave Mo Yesi.

In the end, it was she who ended up breaking up the couple.

Qiao Mianmian was shocked for a moment, but she quickly calmed down.

She kept quiet for a while, looked at Madam Mo, and said calmly, "Mom, are you kidding me? Mo Yesi and I are already married, and we don't have any relationship problems. How could I leave him?"

Madam Mo's expression darkened.

She glared at Qiao Mianmian for a few seconds before saying coldly, "Don't play dumb with me. Don't pretend that you don't understand what I'm saying. Your marriage with Ah Si didn't even get the approval of us elders. Do you think that by coaxing him to get the certificate, we can only accept this?"

"Let me tell you clearly, I won't accept you. Ah Si's other half can't possibly be a woman like you. If you still have some self-awareness, you can get a huge sum of money, enough for you to live a luxurious life.

"If you still want to cling onto Ah Si and fantasize about something that doesn't belong to you, then the final outcome might be nothing.

"I advise you to be smart."

Qiao Mianmian pursed her lips at Madam Mo's arrogance. "Mom, I didn't coax Mo Yesi to marry me. He was the one who suggested it.

“I’ve never thought of harassing him. I’m with him because I like him and want to be with him.”

Even if her initial intention wasn’t like this, she wanted to be with him now because she liked him.

It was only then that they expressed their feelings for each other.

Chapter 780: The Fox’s Tail Is Revealed

Only then did she realize that they both had each other in their hearts.

Their relationship had just risen to a new level.

She just wanted to be with him.

“So, you’re saying that you don’t want to divorce him?” Madam Mo’s tone and expression suddenly turned colder.

The hostility in her eyes was overwhelming.

Qiao Mianmian wasn’t afraid at all. “Mom, I’m sorry. I won’t divorce him. Unless he betrays me and doesn’t want me anymore, I won’t leave him. Otherwise, I’ll always be by his side.”

“Qiao Mianmian!” Madam Mo slammed her hand on the table. “Do you think I’m here to discuss this with you? There’s no room for negotiation. You have to divorce him no matter what.”

Madam Mo was very assertive.

Qiao Mianmian didn’t back down. She looked at her and repeated what she’d just said. “Mom, I’m still the same as before. I can’t divorce him. Mo Yesi and I don’t have any relationship problems, nor are there any other problems. We get along very well and care for each other.

“I like being with him, and I want to stay by his side for a long time. I really can’t agree to your request.”

“You like him?” Madam Mo’s eyes were filled with anger as she sneered. “Do you like my son or his status? Don’t think I don’t know what women like you think. Aren’t you just trying to use marriage to change your social status? Do you want a sparrow to become a phoenix? If he didn’t have money and power, would you still like him? You used your looks to charm my son and coax him to marry you.

“Don’t you think that you’re being shameless by doing this?” Madam Mo got angrier as she spoke. The disgust and disdain in her eyes were evident. She was no longer as elegant and refined as before.

She didn’t look like the elegant and dignified Madam Mo at all.

Qiao Mianmian tightened her grip on the table.

She took a deep breath and kept quiet for a few seconds. She then looked up at Madam Mo, who was about to fly into a rage, and said softly, “Mom, I’ve said it before, I didn’t lie to him to get the marriage certificate.

“Mo Yesi is an adult, not a child who doesn’t know anything. I’m sure you know your son’s personality better than anyone else. Do you think I could have tricked him into marrying me if he didn’t do it willingly?”

“That’s right. The reason we got married so quickly wasn’t because of our relationship.”

Madam Mo couldn’t help but sneer. “Ha, you’re revealing your true colors? You’re admitting it just like that?”

Qiao Mianmian ignored her sarcasm and continued, “You should know that he has a problem. He can’t get in touch with any woman. This is also the reason why he has been single for so many years.”

Madam Mo frowned. “What are you trying to say?”

Qiao Mianmian looked up at her and said calmly, “When he realized that he wouldn’t have an allergic reaction to me, he was the one who proposed to marry me. Initially, I wasn’t willing. That’s right, he’s very outstanding and has very good qualities. If I rejected him, I probably wouldn’t be able to meet a man with better qualities than him in this lifetime.”
