

Big Shot 781

Chapter 781: Forcing Me to Do It?

“But I didn’t have feelings for him. Even though he’s very outstanding, I was not willing to marry a stranger.

“He was the one who exchanged the condition for my brother’s surgery. That’s why I agreed to register our marriage.”

Qiao Mianmian didn’t want to talk about it.

But she didn’t want Madam Mo to think that she was the one who got Mo Yesi to register their marriage.

Mo Yesi was the one who suggested the marriage certificate.

Back then, she wasn’t willing.

Why did she have to bear the responsibility of “lying”?

She wanted Madam Mo to know about this.

She didn’t coax Mo Yesi into marriage. It was he who forced her to marry him in exchange for the surgery.

“W-What did you say?” Madam Mo furrowed her brows and looked shocked.

In her heart, her son was the best in the world.

Only women would harass her son and seduce him.

How could her son pester a woman?

She’d long believed that Qiao Mianmian had tricked her son into registering for the marriage.

Hence, Qiao Mianmian’s words really shocked her.

“Mom, I just wanted to tell you that Mo Yesi was the one who initiated the marriage. I didn’t lie to him, nor did I force him to do it. I didn’t play tricks just because I was afraid you wouldn’t agree to it.

“If it wasn’t for the fact that I needed him to perform the surgery for my brother, I wouldn’t have had any contact with him, much less marry him.

“I know that no matter what I say, it won’t change my impression of you. But I still want to clarify things. Whether you believe me or not isn’t something I can control.”

Madam Mo looked at her in shock and kept quiet for a while before sneering. “So, Ah Si was the one clinging onto you and insisting on marrying you?”

Qiao Mianmian hesitated for a while before nodding honestly. “Mm, it was like that back then.”

If it wasn’t for Qiao Chen’s surgery.

She would never marry Mo Yesi.

No matter how outstanding and attractive he was, he was just a stranger to her.

No woman would want to marry a stranger.

After all, marriage was a huge matter.

“You...” Madam Mo didn’t expect such an answer.

How could there be such a shameless woman?

She actually nodded!

Why was she so thick-skinned?

What sort of person was her son to cling to a little girl like her?

“Mom, when I married him back then, we both had our own needs. I needed him to perform the surgery for Qiao Chen, but he saw how special I was to him, so we hit it off. If you wanted me to divorce him at that time, I would’ve agreed without hesitation.

“But I like him a lot now.” Qiao Mianmian smiled as if she didn’t see Madam Mo’s expression getting darker. “So, I can’t agree to leave him.”

“You...”

Madam Mo felt that she had never seen such a shameless woman.

She was so angry that her fingers were shaking as she reached for the coffee cup on the table. “I’m trying to talk you out of it, but you won’t listen. Do you really want me to hit you? Qiao Mianmian, let me ask you one last time, are you going to divorce Ah Si?”

Chapter 782: Why Would She Do That!

“If you agree to the divorce, I won’t mistreat you. Don’t you like acting? How about I make you an A-list actress? I can make you popular in the entertainment industry. I can give you whatever resources you want.

“Not only that, but I’ll also give you money, a house, a car, and jewelry. I can guarantee that you won’t have to worry about food and clothing for the rest of your life. As for your younger brother’s surgery, I can get the best specialist in the world to do it for him.

“Or if you still want to get married, I can help you pick a young talent in the upper-class society. Even if that man isn’t as outstanding as Ah Si, he’s definitely a dragon among men.”

At this point, Madam Mo felt that her conditions were good enough.

If Qiao Mianmian still didn’t agree, then she really didn’t know how to appreciate favors.

She wouldn’t mind teaching her a lesson.

“These conditions are already generous enough. I’m giving you preferential treatment only because you’ve been with my son for a while. Qiao Mianmian, you have to be sensible. If you reject me again, you’ll really anger me.”

Madam Mo sounded threatening. “Do you think it’s difficult to deal with a little girl like you? Even Ah Si can’t stop me if I want to deal with you.”

For some reason, Qiao Mianmian felt like laughing.

She was furious at first.

But now, she just found it funny.

She smiled and said, “Mom, these conditions are not enough to move me. Mo Yesi will give me everything you promised, and even more.

“I really can’t think of any reason to divorce him.”

Madam Mo was stunned and asked with a darkened expression, “Then, what exactly do you want to do to leave Ah Si? Qiao Mianmian, are you trying to make things difficult for me?”

Qiao Mianmian smiled again. “If you can satisfy one condition of mine, I can consider divorcing him?”

“What?”

“Give me 10 billion yuan. I believe this amount of money is nothing to the Mo family. So, if Mom can give me 10 billion yuan, I will consider the divorce.”

“What did you say?” Madam Mo widened her eyes in disbelief.

Qiao Mianmian smiled and repeated her words.

This time, Madam Mo heard it clearly.

Her expression was awful. “10 billion? You’re too greedy. What makes you think you’re worth 10 billion?”

The Mo family could afford 10 billion yuan.

But this was the first time Madam Mo met a girl like Qiao Mianmian.

She actually dared to ask for 10 billion yuan.

Her original plan was to give Qiao Mianmian a few hundred million yuan.

This amount of money was enough for her to live a good life.

But she didn’t expect her appetite to be so huge.

Moreover, although she never lacked money, she couldn’t just casually fork out 10 billion yuan.

“Mom, it’s not that I think I’m worth 10 billion yuan, but your son is worth 10 billion yuan. Didn’t you want me to divorce him? I’ve already stated my condition. As long as you can do it, I’ll divorce him.

“Isn’t your son’s freedom worth 10 billion?”

Chapter 783: Madam Mo's Face Turned Green With Anger

Madam Mo was speechless.

She was too angry to speak.

How could there be such a shameless woman!!

What kind of woman did her son marry!

Qiao Mianmian saw that Madam Mo was so angry that her chest was shaking. She didn't feel guilty at all. Instead, she felt a little better.

She wasn't a good person, to begin with.

If others treated her well, she would treat them well too.

But if others didn't treat her well, she didn't have to be so nice to them.

No matter what she did, Madam Mo wouldn't like her.

She even threatened her to divorce Mo Yesi. She didn't want to respect such a mother-in-law anymore.

Didn't he want her to divorce Mo Yesi?

In that case, she'd just ask for too much.

She knew that Madam Mo wouldn't agree to it. She was just trying to spite her.

As expected, Madam Mo turned green with anger when she heard her condition.

Didn't she say she was doing it for Mo Yesi's money?

Then, she'd just be a woman who only cared about money.

"Mom, think about it." Qiao Mianmian pressed the service bell on the table, and a waiter soon came over.

After asking for the bill, she took out the black card that Mo Yesi had given her and handed it to the waiter under Madam Mo's angry gaze. She then smiled and said to Madam Mo, "You've come all the way here, I'll treat you to the coffee. I still have some matters to attend to, so I won't stay with you any longer. Please consider my conditions carefully. I hope you can give me an answer as soon as possible because I might change my mind after today."

With that, she didn't care about Madam Mo's reaction and left with her bag.

** *

They left the cafe.

Qiao Mianmian looked at the time and was about to return to the hotel room to read the script.

She had just pressed the button when her cell phone rang.

She looked down and saw that Mo Yesi had sent her a WeChat message.

When he got off the plane, he sent her a WeChat message to inform her that he was safe and asked her what she was doing.

Qiao Mianmian opened her WeChat and was about to reply to him.

Just as she typed two words, a thought popped up in her mind and she deleted them.

When the elevator reached her floor, she didn't walk out but pressed the first floor again.

An hour later.

City F.

Qiao Mianmian boarded the plane. After finding her seat, she sat down and took out her cell phone to reply to Mo Yesi's message.

Mianmian: [Are you going straight to the office or home?]

Mo Yesi replied instantly: [I'm going to the office first. I've wasted some time yesterday and today, so I have to go take a look.]

Qiao Mianmian: [Oh.]

Mo Yesi quickly replied: [I still owe you a plate of sweet and sour spare ribs. I'll make it for you the next time I visit.]

Qiao Mianmian smiled when she saw his reply.

He was still thinking about the sweet and sour spare ribs.

She almost forgot.

Actually, she was just saying that she wanted to eat it.

And to make things difficult for him.

She didn't expect him to remember it.

She thought for a while and replied: [It's better not to wait for the next time. I really want to eat tonight.]

Mo Yesi: [Baby, I'm afraid I can't tonight.]

Qiao Mianmian wanted to give him a surprise.

Hence, she didn't intend to tell him that she was on a flight to Yuncheng City.

She thought for a while and finally replied: [Alright, then let's wait for the next time. I'm entering the elevator now, we'll talk later.]

Chapter 784: Do You Think He's a True Man?

After replying, the sweet voice of the air stewardess could be heard on the radio, reminding the passengers that the plane was about to take off and that all their electronic devices were turned off.

Qiao Mianmian turned off her cell phone and prepared to take a nap.

Just as she closed her eyes, she heard a surprised voice. "Qiao Mianmian?"

Qiao Mianmian was speechless.

She opened her eyes and saw Gong Zeli looking at her in shock.

She was shocked too.

She never expected to meet Gong Zeli here.

She'd decided to fly back to Yuncheng City today.

"It's really you." Gong Zeli's heart skipped a beat when he saw her eyes.

He looked away unnaturally and walked past her.

Qiao Mianmian was speechless.

No way.

Gong Zeli was sitting beside her?

This was too much of a coincidence.

Then, she saw Gong Zeli really walk over to sit beside her.

Qiao Mianmian was speechless.

After he sat down, he turned to look at her. He hesitated for a while before saying, "Aren't you filming? Why are you on this flight? You're not filming anymore?"

Qiao Mianmian was speechless.

Although her impression of Gong Zeli wasn't that bad now, and she felt that he wasn't that detestable anymore.

But Gong Zeli still felt like a stranger to her.

She couldn't forget all the unhappiness from their first meeting.

And the few times he targeted her...

She didn't like this man at all.

Hence, when Gong Zeli spoke to her, she didn't really want to talk to him.

But thinking about how he helped her clear her name on Weibo previously, she hesitated for a while before replying, "I don't have a shot today, so I'm on vacation."

"I see." Gong Zeli nodded and turned around.

Qiao Mianmian heaved a sigh of relief when she realized that he wasn't going to continue chatting with her.

She really didn't want to continue chatting with him.

It seemed like they weren't close enough to chat.

She turned around and took out the eye mask from her bag. Just as she was about to put it on, the man beside her said, "Your ex-fiancé... is still harassing you? The one I saw on the streets."

Qiao Mianmian was speechless.

She didn't want to bother about it.

But Gong Zeli continued, "A good man doesn't like to be turned back. That man doesn't look reliable at all. Don't be fooled by his sweet words. I even saw him having a meal with a woman yesterday. They looked really intimate.

"He's dating another woman while trying to get back together with you. Do you think he's a true man?"

Qiao Mianmian was speechless.

Su Ze was on a date with another woman?

Alright, even though she already knew that Su Ze wasn't a good person, she didn't feel anything but disgust towards him.

But at this moment, she was even more disgusted by the jerk.

He even begged her to get back together with him on the streets that day.

And he went on a date with another woman so soon?

Every time she realized how much of a jerk Su Ze was, she would seriously doubt her judgment.

After all, she used to think that Su Ze was a reliable and honest man.

Chapter 785: Meeting Gong Zeli on the Plane

He was different from other playboys.

He was a rich second-generation heir.

But reality gave her a tight slap.

Gong Zeli didn't hear any response from Qiao Mianmian and turned to look at her.

The girl had a beautiful face.

Her side profile was naturally beautiful.

Gong Zeli was so close to her that he could see the arc of her eyelashes.

Her long and curly eyelashes were so beautiful that it looked as if they had been peeled off from a doll's eyes.

He'd never seen a woman with skin as good as Qiao Mianmian's.

Her skin was so fair that it was practically glowing.

With Gong Zeli's status, there was no lack of beauties around him.

He grew up with them.

But he had to admit that he'd been stunned by this girl before.

He finally understood why a blockhead like Mo Yesi would fall for her.

A sweet scent wafted to his nose from time to time.

The familiar scent reminded him of that night 10 years ago.

"Can I ask you a question?" He couldn't help but ask.

Recently, he felt an inexplicable sense of anxiety.

He didn't know why he was so anxious.

He was anxious to know if he'd made a mistake on that night 10 years ago.

But the more he wanted to confirm and find out the truth, the more he couldn't.

Qiao Mianmian didn't want to bother about him.

Even though he'd helped her once, he was still on Shen Rou's side and had a good relationship with her.

Qiao Mianmian didn't want to interact too much with such people.

But it didn't seem right for her to ignore him when he kept talking to her.

She still replied, "What?"

"Did you attend any banquets when you were young?"

Qiao Mianmian was stunned.

Was this what he wanted to ask?

Of course, she had attended a banquet.

Although the Qiao family wasn't rich, they were still much better than the ordinary people in their decline.

She attended all sorts of banquets.

As the First Miss of the Qiao family, Father Qiao would always bring her along.

Although she felt that Gong Zeli's question was a little strange, she still replied, "Mm, of course."

Gong Zeli kept quiet for a while before asking, "... Have you attended the Gong family's banquet?"

"Gong family?"

Qiao Mianmian turned to look at him strangely.

Gong Zeli looked at her and nodded. "Yes. Have you attended the Gong family's banquet? About 10 years ago.

"Do you remember?"

He felt that Qiao Mianmian should remember it.

Ten years ago, she was almost 10 years old.

She wasn't too young.

Qiao Mianmian couldn't help but ask, "Mr. Gong, what exactly do you want to ask?"

He first asked if she attended the banquet, and then asked if she attended the Gong family's banquet.

What was he trying to do?

"Answer me first." Gong Zeli clenched his fists. This was the first time he felt so nervous.

He looked at Qiao Mianmian steadily. "Think about it carefully. Ten years ago, you were about 10 years old. Did you attend the Gong family's banquet? It was in the summer."

Chapter 786: He Asked Some Strange Questions

Qiao Mianmian was speechless.

Her memory wasn't very good.

She couldn't remember many things from 10 years ago.

She really wanted to say that she didn't remember.

But she could feel that this was very important to Gong Zeli.

Hence, she thought for a while before replying, "I might not be able to answer you. 10 years ago, I was in a car accident, and I've forgotten some things from back then. I don't remember attending the banquet you mentioned."

Gong Zeli waited anxiously for her reply.

But when he heard her reply, the anticipation in his eyes turned into disappointment.

She... didn't remember?

How could it be such a coincidence?

That year, she got into a car accident and forgot about that year.

Just as he was feeling disappointed and down, a glimmer of hope lit up in his eyes.

“What about your parents? You definitely didn’t attend the banquet alone. You don’t remember what happened back then, but they should remember, right?”

Qiao Mianmian was stunned for a few seconds before nodding slowly. “They should remember.”

“Could you ask them if they brought you to the Gong family’s banquet?”

He didn’t know what was wrong with him.

It was Shen Rou that night.

Shen Rou didn’t have to lie to him.

But he suddenly felt that the person that night was someone else.

Just because of Qiao Mianmian’s familiar scent, he actually wondered if she was the girl who saved him that night.

He was starting to suspect Shen Rou.

And the person he trusted the most in the past was Shen Rou.

When did he stop trusting her?

Perhaps it was from the moment he realized that Shen Rou had changed.

At that moment, she felt so foreign to him.

Qiao Mianmian kept quiet and didn’t answer him immediately.

Previously, she fought with Father Qiao because Qiao Anxin wanted to move into Mother Qiao’s bedroom.

The father and daughter had never contacted each other after that.

Seeing that she was silent, Gong Zeli immediately asked, “What is it?”

“It’s not impossible...” Qiao Mianmian hesitated for a while before saying with a frown, “Mr. Gong, why don’t you ask my dad directly about this? I haven’t contacted him in a while.

“You can ask him directly.”

Gong Zeli was a smart person.

He immediately understood what she meant.

“Alright, I got it.” He didn’t ask further, but his gaze was still on Qiao Mianmian. He kept quiet for a while before asking hesitantly, “Then, can you tell me if you can swim?”

Qiao Mianmian replied, “... Yes.”

“Mm.” Gong Zeli nodded again.

Qiao Mianmian couldn't take it anymore.

"Mr. Gong, can I know what you're trying to ask? Did I attend the Gong family's banquet 10 years ago? Does my ability to swim have anything to do with it?"

Otherwise, why would he suddenly ask about this?

Qiao Mianmian felt like he was investigating something.

But what exactly did it have to do with her about a matter from 10 years ago?

She was really curious.

"Mm, it has something to do with it. It's very important to me, so I want to know the truth. But before I find out the truth, I'm sorry, but I can't tell you about it."

Chapter 787: I'll Give You One

"Alright."

Qiao Mianmian knew better than to ask.

"Mr. Gong, are you done?" Qiao Mianmian picked up the blindfold again. "If there's nothing else, I'd like to sleep for a while."

She was holding a pink cartoon eye mask.

It looked so cute.

Gong Zeli thought that he must have gone crazy because he asked, "Where did you get that eye mask? It's pretty cute, I want one too."

He wanted to slap himself.

Damn, retard!

Why did he ask such a stupid question?

What was he thinking?

Qiao Mianmian's hand trembled as well.

Why did she feel like Gong Zeli was acting weird today?

He was completely different from the person she knew.

She felt that she was more used to his cold self.

At least, she would think that he was normal.

But now...

It was scary.

“This eye mask... I bought it on Taobao. I can buy three for 10 yuan.” Qiao Mianmian thought for a while and reached into her bag.

After a while, Gong Zeli saw her take out a new eye mask from her bag.

It was also pink, but it was a bunny’s cartoon eye mask.

She handed the bunny eye mask to him and said shyly, “If Mr. Gong likes it, I’ll give you one. Just take it as...”

Qiao Mianmian stopped mid-sentence.

She wanted to say it as repayment for helping her.

But after thinking about it, she felt that it was a little insulting for her to use a 10 yuan eye mask for Gong Zeli’s help.

People like them couldn’t even be bothered to look at others even if they begged for help.

After all, they were all rich and powerful.

He was willing to help because of their friendship.

Her ten yuan eye mask... was too shabby.

Just as she was starting to regret it and was about to take the blindfold back, Gong Zeli suddenly reached out and took it away before she could react.

Qiao Mianmian was speechless.

Wasn’t this too fast?

“Mr. Gong, you...” Before she could retract her hand, the eye mask was gone.

“Ahem.” Gong Zeli also felt that his actions didn’t match his identity. He covered his mouth and coughed twice before turning around to put the little bunny eye mask on.

“I happen to need an eye mask. Although it’s a little feminine, it can still be used. Erm... thank you.”

Qiao Mianmian was speechless.

She sounded as if she was forcing him to use it.

He was the one who snatched it just now.

Forget it, she couldn’t be bothered to argue with him.

It was only 10 yuan, so she didn’t feel bad giving it away.

Qiao Mianmian was a little sleepy too.

She stayed up late with Mo Yesi last night and woke up early in the morning. She didn’t have enough sleep.

She closed her eyes and put on the blindfold before turning around and falling asleep with her back facing Gong Zeli.

She was really sleepy.

Soon, she fell asleep.

Chapter 788: Dreamscape

Meanwhile, Gong Zeli wasn't sleepy at all.

The rabbit's eye mask was stained with the girl's sweet scent, and it would enter his nose from time to time.

It was as if a kitten was scratching his heart.

It tickled his heart.

He finally understood why everyone said girls were fragrant.

He had many women around him, but he didn't like their perfume.

It felt a little pungent.

But the sweet scent on Qiao Mianmian didn't make him feel uncomfortable or sick of it. He liked it.

It was faint.

He remembered this sweet scent for 10 years.

Even though it had been so many years, he could immediately remember it once he smelled it.

He suddenly recalled that he'd asked Shen Rou before.

Why didn't she use this perfume anymore?

Shen Rou's answer was that she didn't like that smell anymore.

Then, the perfume stopped production.

He'd asked Shen Rou what brand of perfume it was and thought that he could get a bottle.

He really liked that sweet scent.

How did Shen Rou answer him?

She seemed to be referring to the perfume she picked when she was overseas. She had forgotten the brand.

After that, he never asked her again.

Although it was a pity that he couldn't find that perfume, he felt that it wasn't important.

The person with the perfume was right by his side. Nothing else mattered.

Until he smelled it again.

Until he realized that Shen Rou might have lied to him.

If that perfume had stopped production long ago.

How could he smell it on Qiao Mianmian?

If it hadn't stopped production yet, why would Shen Rou lie to him?

There were too many questions in his heart, and he desperately wanted an answer.

He felt like he was getting closer to the truth ...

...

Gong Zeli had a very short dream.

He dreamt about that night 10 years ago.

In his dream, he fell into the pool. He choked on the water because he couldn't swim, and his body sank bit by bit uncontrollably.

The water seeped into his nose.

He found it hard to breathe.

He struggled in the water and called for help.

But there was only silence.

Besides his cry for help, he couldn't hear anything else.

No one heard his repeated calls for help.

The air in his chest was getting thinner and thinner. The darkness was approaching him, and he was gradually unable to make a sound.

Even though he knew that he was dreaming, Gong Zeli was still afraid.

The fear of death made him uncontrollably afraid.

He wanted to call for help, but he couldn't make a sound.

Help, who could save him?

He really didn't want to die.

Tears rolled down his face. He could feel death approaching.

Just as he was about to die from despair, a white light lit up in the darkness.

He opened his eyes and saw someone swimming towards him.

He couldn't see what that person looked like.

She was wearing a white dress, and her hair was very long. When it swayed in the water, it looked like seaweed.

Chapter 789: Found It on Qiao Mianmian

Gong Zeli couldn't help but reach out to her.

Soon, a soft hand grabbed him and brought him to her side.

Instinctively, he wrapped his arms around her tightly.

He could smell a sweet scent on her.

It smelled like flowers and fruit.

As she lifted him out of the water and swam towards the shore, he vaguely heard the girl say something to him.

She said, "Don't worry, I'll save you. You'll be fine."

Perhaps it was because of this sentence that he felt at ease.

Then, he allowed himself to fall unconscious.

When he opened his eyes again, he saw Shen Rou squatting beside him.

Seeing that he was awake, Shen Rou's tears fell. She grabbed his hand tightly and cried out.

She said: Ze Li, you're finally awake.

She even said: I'm so afraid, so afraid that I'll lose you.

He was a little confused and stared at her for a while. That white figure flashed across his mind and he asked hoarsely, "Rourou, did you save me?"

Shen Rou didn't answer him immediately.

It was the people around him who answered him first.

At that moment, he felt that Shen Rou was an angel.

She was the girl he should take good care of for the rest of his life.

This dream was very short.

Soon, Gong Zeli woke up.

He took off his eye mask and looked at the time. It had only been half an hour since he fell asleep.

The plane was still flying through the clouds.

The surroundings were very quiet. Occasionally, the sound of a passenger flipping through a magazine would sound.

Gong Zeli was in a daze as he recalled the dream. He was stunned for a while before coming back to his senses.

Everything in the dream felt real.

It was so real that he felt like he was experiencing the fear of drowning again.

In his dream, he could still feel the fear and despair.

But the girl swimming towards him from the white light gave him hope and courage.

He couldn't describe what it felt like.

Perhaps in other people's eyes, just because someone saved his life, he developed feelings for them. This couldn't be called true love.

He was grateful.

But he knew it best.

It wasn't a lie.

Everyone had their own way of loving. To him, the moment he was moved was love.

But one thing puzzled him.

That night, he felt that he was attracted to Shen Rou.

But it was only that night.

After that, he fulfilled his promise and treated her well. He doted on her and treated her as the most important woman.

His buddies all felt that he loved Shen Rou too much.

Even he felt the same way.

But after that night, when he saw Shen Rou again, he no longer felt that way.

He was puzzled.

How could he not be attracted to her anymore?

He'd once doubted his feelings for Shen Rou. Did he really like her?

Gong Zeli turned around and saw that Qiao Mianmian was still sleeping soundly. He narrowed his eyes and had a complicated look.

He couldn't find anything from Shen Rou, but he found something from Qiao Mianmian.

Chapter 790: Hello, Are You... Qiao Mianmian?

He didn't believe in such coincidences.

In his opinion, there were very few coincidences. If one found too many coincidences, perhaps everything was never a coincidence, to begin with.

That incident 10 years ago.

He had to find out...

...

Three hours later.

The plane landed at Yuncheng City Airport on time.

Qiao Mianmian woke up on time.

She took off her eye mask and rubbed her eyes. She felt much better after a nap.

She received a few WeChat messages from Mo Yesi and two missed calls.

Qiao Mianmian opened WeChat and saw that Mo Yesi had sent her three messages.

Mo Yesi: [Honey, I'm at the office.]

Mo Yesi: [Honey, I have a meeting.]

Mo Yesi: [Honey, I just finished my meeting. Why aren't you replying to me, what are you doing?]

The two missed calls were from Jiang Luoli.

Qiao Mianmian thought for a while and sent Jiang Luoli a message: [Luo Luo, what's the matter? I just landed.]

She waited for a while, but Jiang Luoli didn't reply.

Just as she was about to reply to Mo Yesi on WeChat, she felt a cold gaze on her.

She looked up and saw Gong Zeli standing beside her with a dark expression. He seemed to have shifted his gaze away from her cell phone.

Qiao Mianmian thought that he was unhappy because she was in his way.

She immediately stepped aside and gave up her spot.

Unexpectedly, her actions made Gong Zeli's expression turn even uglier. It was as if she'd done something to anger him, and his previously gloomy expression instantly turned into a five-fold one.

Qiao Mianmian was speechless.

She didn't know what she'd done wrong.

Didn't she already give up her seat?

Why did this man look even worse?

But she didn't think too much about it.

In her opinion, Gong Zeli was a volatile person, to begin with. He was so nice and easy-going previously.

It was as if his personality had changed.

In the blink of an eye, he returned to his familiar self.

But she hadn't intended to befriend him, so she didn't feel much about his sudden change in attitude.

Qiao Mianmian didn't bother about him anymore. She picked up her bag and got off the plane with the other passengers.

Gong Zeli stood rooted to the ground.

Seeing her petite figure being squeezed into the crowd and quickly disappearing from his sight, his expression darkened.

Recalling the message he saw on her cell phone, he felt uncomfortable.

Even though it was a normal message.

...

Qiao Mianmian got off the plane and followed the crowd to the ferry.

After taking a few steps, she heard a cautious and uncertain voice behind her. "Hello, are you... Qiao Mianmian?"

It was a young girl's voice.

Qiao Mianmian turned around in surprise and saw a youthful face.

Behind her stood a little girl of about 16 or 17 years old. She had two ponytails, and her face was a little chubby. When she smiled, her face was full of collagen, and she looked especially cute.

Qiao Mianmian stared at the girl for a few seconds and confirmed that she didn't know her.

She was puzzled. "You are?"

"Are you Qiao Mianmian?" The girl ignored her question and asked again. Her round eyes scanned her from head to toe.
