

Big Shot 791

Chapter 791: Can I Take a Picture With You?

And she was sizing her up very carefully.

"I am." Qiao Mianmian felt a little uncomfortable being stared at by the girl. She coughed and asked, "May I know who you are? Do we know each other?"

"Wow, you're really Qiao Mianmian."

The girl grabbed her hand and said happily, "I'm your fan, I really like you. Wow, I didn't expect to meet you in person. I'm so happy!"

"Sister Mianmian, I really like you a lot. Can I take a picture with you? I have a lot of classmates who like you too. I'll send a picture of us to make them envious."

The joy on her face was evident.

She looked really happy.

Qiao Mianmian was stunned.

She looked at the young girl in front of her.

Was this her fan?

She already had millions of followers on Weibo, so it wasn't strange to have fans.

But this was the first time she met real fans in real life.

This was the first time she felt that she had fans.

"Can't I?" Seeing that she hadn't said anything, the girl's happy face fell, and a trace of disappointment appeared in her eyes.

But she still sensibly let go of her hand. She bit her lip and said softly, "Alright, then. I'm disturbing you. If we can't take a picture together, can you give me your autograph?"

Qiao Mianmian finally snapped out of her daze.

Seeing how disappointed the girl looked, she immediately grabbed her hand and smiled sweetly at her. "You want a picture? Of course."

"Really?" The girl widened her eyes in surprise.

"Mm." Qiao Mianmian took the cell phone from her and flipped to the camera. She turned it on and aimed it at the two of them. "I'll take the cell phone. Stand behind me. This way, your face will look smaller when you take the picture."

This was the first time Qiao Mianmian met a real-life fan.

And she was a really cute little girl.

She did everything she could for this fan. Not only did she take a lot of selfies, she even gave the girl a big hug.

After separating from the girl, Qiao Mianmian couldn't help but post on Weibo.

Qiao Mianmian: [I suddenly feel that I have fans too. Happy (V)]

She attached a photo of the airport.

Initially, she wanted to send a selfie of her and that fan, but she didn't know if the girl would mind exposing it, so she gave up.

After two scandals, Qiao Mianmian's fan base had skyrocketed. She now had over 1.2 million followers.

And these 1.2 million fans were all true fans.

A minute after she posted it, there were over a hundred comments.

She clicked on it.

Then, she realized that almost all of her fans were commenting on how she didn't do a bad selfie.

Many of Qiao Mianmian's fans were true fans, and they were always asking for her selfies.

She didn't like to take selfies. Besides needing her to send photos at work, she rarely took them herself.

She scrolled through Weibo for a while and suddenly saw a picture posted by a fan.

It was the selfie the fan took with her.

Meimei: [(Picture) Sister Mianmian, tell me quickly, is the person in this photo you? Someone said she bumped into you at Yuncheng City Airport, is that true?]

Chapter 792: Personally Tearing the Anti-Fans Apart

Soon, the comment section was pushed to the top by the fans.

Qiao Mianmian was stunned for a few seconds when her cell phone rang. It was Linda.

She immediately picked it up.

"You bumped into a fan at the airport today and even took a picture with her?" Linda asked directly.

Qiao Mianmian was stunned again.

She thought that Linda was calling to talk about work.

She didn't expect her to ask about this.

"Yes. Sister Xie, is there a problem?" Having been in two scandals in a row, she wasn't confident enough and asked cautiously.

Although she felt that taking a picture with her fans wasn't a problem.

And it was a female fan.

But she was afraid that she'd do something inappropriate again after the previous two scandals.

She waited anxiously.

"It's just a picture with a fan, how could there be a problem? I wanted to ask if you saw your fan's Weibo post? If so, you can repost it. This can help you gain favor. Although the previous scandal has been resolved, many people are still defaming you online. You're still not very popular.

"This will help increase your popularity."

"Alright, I got it. I'll repost it right away." Qiao Mianmian heaved a sigh of relief.

Thankfully, she didn't cause trouble again.

If anything happened to her, she would have to terminate the contract with Linda out of guilt.

After hanging up, Qiao Mianmian scrolled through Weibo and saw the Weibo post from the fan.

The little fan called her cute.

Give Me a Much Cuter: [OMG, I bumped into my idol Sister Qiao Mianmian at the airport today! Sister is so approachable, she doesn't put on any airs at all. Not only did she ask me to hide behind and take photos to show that my face is small, but she even took the initiative to take a few more. Oh right, Sister also hugged me. Sister is fragrant and soft, I can't bear to let go of her. Love Sister, I want to be Sister's fan for life!]

Four photos of the two of them were posted.

Qiao Mianmian looked at the time. The time between the photos being taken and the post was about five minutes.

There were almost a thousand reposts from the fans, and many in the comment section were praising Qiao Mianmian and Yan Wudi.

This was because this fan had told everyone in the comment section that Qiao Mianmian was bare-faced.

The fan even replied to the netizens that Qiao Mianmian's skin was especially good. She was so envious that she couldn't even see a single pore.

Of course, some praised her, while others criticized her.

Some netizens said that she was faking it, and even that the incident was arranged beforehand.

They even said that it wasn't necessarily true that she was bare-faced. Normal people wouldn't be able to tell that she was wearing good nude makeup.

The fans were furious and immediately went to insult them.

But she was a teenage girl, after all. How could she win against so many haters?

These haters' mouths were so dirty that the fans dared not reply.

Qiao Mianmian was just browsing through the comments. Seeing that the haters were attacking her fans, she didn't think too much about it and went to the battlefield to tear them apart.

She used her original account to reply to one of the hooligans: [Why do you feel so indignant despite acting like a hooligan? Do you think everyone is like you?]

Chapter 793: You Did Well Today

At first, most people thought that it was an imitation account.

Even that anti-fan thought so as well.

But when someone clicked into the account and saw that it was the original account, Qiao Mianmian's reply quickly became popular.

When the little fan found out that her idol actually helped her, she happily replied to Qiao Mianmian with a few tearful expressions, saying that she was so touched that she cried.

The other fans also replied to Qiao Mianmian, praising her for doing well.

Some of the bystanders saw Qiao Mianmian's reply and expressed that they didn't like or dislike Qiao Mianmian previously. They just felt that she was a passerby. But after seeing Qiao Mianmian tear apart the anti-fans personally, they suddenly wanted to turn into her fans.

Qiao Mianmian was the first idol to tear someone apart for her fans.

It didn't matter if she was faking it or not. It was indeed easy to get others to like her.

Because of that, she realized that her fans had risen again.

Although the rate wasn't fast, it was still increasing.

Moreover, the comments section was increasing rapidly.

Many fans who knew about her defamatory act felt proud of her.

At the same time, Linda called again.

Qiao Mianmian picked it up nervously.

She guessed that Linda must have known that she used her official account to scold the anti-fans and called her because of this.

Actually, Qiao Mianmian felt a little regretful for being too impulsive.

She'd only had two scandals previously, and her relationship with Tu Yilei had just calmed down.

She should have kept a low profile.

But she couldn't help it.

That fan was scolded by the haters because she wanted to defend her. She couldn't pretend that she didn't see anything even though she saw it.

This wasn't her style.

Hence, even though she was a little regretful and afraid, she would still do it if she had to choose again.

She couldn't watch her fans get bullied.

"I'm sorry, Sister Xie. I know I did something wrong again. I'm really not a qualified artiste. If you regret it now, we can..."

Before she could say the word "terminate", Linda chuckled. "I'm not here to blame you. I just want to praise you. Why are you apologizing to me?"

Qiao Mianmian was stunned. "Praise me?"

"Exactly." Linda smiled again. "You did well today. You did two things right in a row. In a while, I'll get someone to spread the news that you helped the fans tear someone apart.

"But you might be able to get onto the hot searches without my help. It's only been less than 10 minutes, and you're already at the last place on the trending list."

Qiao Mianmian, who was already prepared to be scolded, was suddenly praised.

"Sister Xie, don't you blame me?"

"Blame you for what?"

"Don't you think that I shouldn't use my own account to tear someone apart? Isn't that bad?"

Anyway, she knew that the company wouldn't allow other artistes to do this.

The more popular an artiste was, the more cautious they had to be.

Because 10,000 pairs of eyes were watching you every day. If you made even the slightest mistake or did anything wrong, it would be magnified 10,000 times and pointed out.

Chapter 794: Did She Offend the Director?

Many artistes had their own teams to manage their Weibo accounts.

Qiao Mianmian's current status wasn't high enough, so she didn't have a professional team to help her manage it. Hence, she managed her own Weibo account.

"It's not very good, but it depends on the specific situation. What you did today not only has no negative impact on you, but it can also help you gain a good impression. Because it warmed the hearts of fans and made it easy for passersby to have a good impression of you."

"Is that so?" Qiao Mianmian patted her chest and heaved a sigh of relief.

She didn't know the consequences before doing that.

She was rather impulsive.

But now that Linda mentioned it, it seemed like she was right?

“Mm, at least the comments and Weibo posts I see now are all praising you. They’re saying that you’re true to yourself and that protecting your fans is very heartwarming. But even though you did the right thing this time, you have to be careful in the future.”

After Linda was done with her praises, it was time for her to criticize and educate her. “Ask me what you want to post next time. Don’t make your own decisions. You were lucky this time. If you’re unlucky next time, just a casual sentence might kill you.”

Qiao Mianmian knew that she was impulsive this time.

Although it didn’t lead to any consequences and seemed like a good reaction, it didn’t mean that she was right. She couldn’t continue doing it in the future.

Hence, she accepted the criticism and said obediently, “Mm, I got it. I’ll ask you about it in the future.”

Linda was about to hang up.

Qiao Mianmian suddenly recalled something and called out to her. “Sister Xie.”

“Anything else?”

“Mm, there’s something. Uh... my third female role is gone.”

“What did you say?” Linda raised her voice. “What happened? How did you lose your role? Did you offend the director?”

“Uh, no. Director Bai said that I’m rather suitable for the female lead, so he asked me if I wanted to do it. Then, I agreed.”

Mm, Linda was her manager.

She had to tell her manager about this.

After Qiao Mianmian said that, there was no response.

She waited for a while, but there was still no reaction.

“Sister Xie?” She called out softly. “Are you still there? Did you hear what I said?”

Linda gasped before speaking again. “You’re saying that Bai Yusheng wants you to be the female lead?”

“Mm. I’m sorry, Sister Xie. I agreed to it without discussing it with you.” Qiao Mianmian felt that she was being disrespectful to her manager. Under normal circumstances, she would have to discuss it with her manager before deciding whether to take a role.

But she didn’t think too much about it.

She was so happy.

“Sister Xie, are you angry?” Qiao Mianmian asked anxiously when she realized that Linda was silent again.

“No.”

After a few seconds, Linda spoke again. "I'm not unhappy. I'm more than happy that you took the female lead role. Why would I be angry with you? But are you sure Bai Yusheng wants you to be the female lead? Has this matter been decided?"

Everyone in the industry knew that Huang Yilin had created a huge scandal.

It wasn't surprising that Bai Yusheng would change the female lead role.

After what happened, the female lead definitely couldn't be played by a female artiste with negative scandals.

Chapter 795: Promising to Give It to Her

But what shocked Linda was that Bai Yusheng actually chose Qiao Mianmian as the female lead.

In fact, given Qiao Mianmian's popularity, it was already very good that she could play the third female role in Bai Yusheng's show.

Linda never thought that she could get the female lead role.

Moreover, it was Bai Yusheng who gave it to her.

This was too surprising.

She suddenly recalled the rumor she'd heard. Although Qiao Mianmian had denied it, Bai Yusheng's actions seemed rather believable.

"Mm, it's confirmed. Director Bai said to start filming again after he has confirmed all the actors. Sister Xie, do you think I should take the female lead role?" Qiao Mianmian was still lacking in confidence. "I'm afraid I won't be able to act well.

"But I don't want to miss such a good opportunity."

"Since Bai Yusheng took the initiative to give this role to you, it means that he thinks highly of you. His judgment can't be wrong." Linda thought for a while and continued, "He has a sharp eye. He can groom anyone he likes. Mianmian, you're really lucky this time. As long as Bai Yusheng is willing to groom you, you don't have to worry about not having a chance to become popular."

Linda sounded relieved. "You're really lucky. This is a good opportunity, you have to make good use of it. I trust my judgment, you won't disappoint me.

"Good luck, I believe in you."

After chatting with Linda, Qiao Mianmian hung up.

She felt more at ease now.

She decided not to think too much about it. Since such a good opportunity was right in front of her, she just had to do her best.

She couldn't control the outcome.

...

After exiting the VIP lane, Qiao Mianmian arrived at the taxi area and was about to call for a cab when a black Maybach slowly stopped beside her.

The person in the car honked and rolled down the window.

Qiao Mianmian saw Gong Zeli sitting inside.

He raised a brow at her. "Get in. Where are you going? I'll drive you."

Qiao Mianmian widened her eyes in shock.

Gong Zeli was angered by her reaction. "What do you mean?"

It was as if he was a human trafficker trying to cheat her.

Did she know how glorious it was to get into his car?

He'd hesitated for a long time before deciding to look for her.

"Ahem. Thank you, Mr. Gong. But I've already called the car." Qiao Mianmian waved her cell phone at him and politely declined. "The chauffeur has already accepted the order and will be here soon. You can leave first, don't bother about me."

Actually, she was lying.

She didn't want Gong Zeli to drive her.

It was so strange.

The person who had never been nice to her before actually offered to help her.

Ever since Gong Zeli's attitude towards her changed and became less nasty, Qiao Mianmian didn't feel happy at all. Instead, she felt uneasy.

No, it was more accurate to say that it was shocking.

She felt like Gong Zeli was up to something.

In any case, he definitely had a motive.

This was the first time Gong Zeli took the initiative to drive someone but was rejected.

He felt embarrassed.

His expression darkened again, and he felt embarrassed. He casually found an excuse and said, "I'm just trying to repay you for the eye mask."

Chapter 796: What Happened

"That's why I'm willing to send you. Since you've already called for a car, pretend I didn't say anything. I'll get going first."

With that, he wound up the car window and quickly drove away.

Qiao Mianmian was speechless.

She felt like Gong Zeli was angry.

Was it because she rejected him?

She couldn't understand this man anymore.

But so be it.

In any case, she didn't want to gain any affection from him.

...

Ten minutes later.

Qiao Mianmian got into the car and saw that Jiang Luoli still hadn't replied to her WeChat. She furrowed her brows and dialed a number.

The call went through after a few rings.

After the call, she immediately asked, "Luo Luo, where are you? What are you doing now?"

"Oh, Baby..." Jiang Luoli's sobbing voice could be heard.

Qiao Mianmian's expression changed and her heart skipped a beat. "Luo Luo, what's wrong?"

Jiang Luoli was a very headstrong girl.

Qiao Mianmian had never seen her cry.

Hence, she was shocked and worried when she heard Jiang Luoli's cries.

"Uh, Baby, I-I..." Jiang Luoli stammered. "I-I don't know how to tell you. I-I'm just, um..."

"What's wrong?" Qiao Mianmian was getting anxious.

Jiang Luoli was such a straightforward person.

This was the first time she saw her stammer.

"I don't know what to say to you." Jiang Luoli kept quiet for a while before sighing. "I never thought that this would happen to me. Sigh, I'll just tell you directly. I... I slept with a man."

Qiao Mianmian was shocked.

"What did you say? Luo Luo, are you kidding me?"

"How could I joke about something like this? I... hope it's just a joke," Jiang Luoli said sadly. "It happened last night. I was bored and went to a banquet."

"And?" Qiao Mianmian was shocked.

"Then, I got drunk." Jiang Luoli sighed again. "Someone seemed to have tampered with that glass of wine. I was so dizzy and scared and wanted to leave. But I didn't know how I ended up in a dark place."

Qiao Mianmian asked, "... And then?"

“Then, I met a man there.”

“... Mm, and then?”

“Then, he took me away. I don’t have much of an impression of what happened next. Anyway, when I woke up, I was lying in a strange place, on a huge, unfamiliar bed.

“Then, someone called Assistant Xu gave me a check. He even said that his master was very sorry for sleeping with me, but because of some special reasons, he couldn’t take responsibility for me, so he could only compensate me with money.”

Jiang Luoli suddenly laughed.

“That man is rather generous. Do you know how much he gave me?”

Without waiting for Qiao Mianmian to ask her, she answered herself. “50 million. Is this sum really not too little? I can get 50 million just by sleeping for a night. It seems pretty good.

“I never thought that my first time would be so valuable.”

Chapter 797: Did I Meet An Ugly Person?

“Also, although I was dizzy and couldn’t see what that man looked like, my intuition told me that he should be rather handsome and his figure seems pretty good. I remember feeling his muscles.”

“Luo Luo...”

Qiao Mianmian didn’t know how to console her anymore.

Any girl would feel terrible about this.

Although Jiang Luoli sounded nonchalant, how could she not care?

Even if they didn’t see their first time as more important than their lives, they still wanted to give it to the person they liked.

Not to a stranger.

Qiao Mianmian suddenly felt that she and Jiang Luoli shared the same fate.

Because they had the same experience.

The first time was given to a stranger.

She couldn’t remember what the man looked like that night.

And the funny thing was that she was taken away after drinking too.

She never expected that her best friend would end up in the same situation.

“Actually, if my first time was with a handsome man with a good figure and money, I wouldn’t mind too.” Jiang Luoli kept quiet for a while before saying jokingly, “You know that I’m a good-looking person. As long as the other party is handsome, I won’t feel disadvantaged.

“But that man’s skills were terrible.”

Qiao Mianmian was speechless.

Jiang Luoli clenched her teeth and said, "It's really hopeless. Besides using brute force, I don't know anything else. Damn it, I'm still in so much pain. Didn't you say that doing that with a man is a very happy thing? Why don't I feel it at all?"

"Besides the pain, it still hurts. So, it can only be that his technique is too lousy?"

"I'm even wondering if it was his first time too. If it was, it seems like I really didn't lose out."

"Luo Luo, don't be like this. Where are you now? I'll go look for you."

"Look for me?" Jiang Luoli smiled. "Aren't you filming? Why are you looking for me? Forget it, it's actually nothing. I just feel a little aggrieved. After all, I don't even know what that person looks like.

"If I slept with an ugly guy, I'd be at a disadvantage."

Qiao Mianmian turned to look out the window and decided to look for Jiang Luoli first.

"Luo Luo, I'm in Yuncheng City now. Tell me, where are you? I'll come and find you immediately."

"You're in Yuncheng City?" Jiang Luoli was shocked. "Aren't you filming in F City?"

"Mm, but I couldn't do it today, so I took a day off."

Jiang Luoli kept quiet for a while and then sighed. "Although I do want to see you now, I guess you're coming back to look for Prince Charming. I'm fine. Really. I can eat and sleep, it doesn't affect me at all.

"Don't bother about me, go look for Prince Charming. Absence makes the heart grow fonder. You two can have a good date to cultivate your relationship."

"Don't mention it. He just left F City this morning, I'm not in a rush to see him. Moreover, he's in the office now and has a lot of things to attend to. I didn't intend to look for him at this time. Alright, tell me where you are. I haven't seen you for a few days, I missed you so much."

Chapter 798: Miss Shen, This Is a New Rule

"Alright, you're the one who insisted on coming over. I didn't break you up on purpose." Jiang Luoli seemed to be in a better mood now that she was about to meet her best friend.

After hanging up, Qiao Mianmian told the chauffeur the address and replied to Mo Yesi on WeChat.

...

Mo Corporation Building.

After being informed by the front desk that she couldn't look for Mo Yesi without an appointment, Shen Rou's expression darkened. "Do you know who I am? Do I still need an appointment to see Ah Si?"

She was about to look for Mo Yesi when someone stopped her.

This was the first time Shen Rou came to the Mo Corporation to look for Mo Yesi but was stopped.

She saw that the receptionists were all new faces and assumed that they didn't know her, nor did they know her relationship with Mo Yesi.

Hence, she suppressed her anger.

"I'm sorry. No matter who it is, they can't go up to look for Chairman Mo without an appointment."

The receptionist looked at Shen Rou's outfit and guessed that she wasn't a simple person. She said politely, "Miss, if you're friends with Chairman Mo, why don't you give Chairman Mo a call first?"

These receptionists really didn't know Shen Rou.

But she could tell that she had an extraordinary background, so she didn't want to offend her.

Although the receptionist sounded polite enough, Shen Rou's expression darkened.

The receptionist didn't want to offend her, but she had to be civil. "I'm sorry, Miss. This is the company's rule. If we let you up just like this, Chairman Mo will fire us if he finds out. Miss, I hope you can understand."

Although Shen Rou felt uncomfortable, she couldn't lose her temper at the front desk.

This affected her image.

She took a deep breath and held back her anger. "Alright, I'll call him."

She took out her cell phone and was about to call Mo Yesi when she saw Wei Zheng walk in.

A few other people were around him; probably his clients.

Shen Rou was elated to see Wei Zheng. "Personal Assistant Wei."

"Eh, Miss Shen."

Wei Zheng stopped in his tracks when he saw her. "Miss Shen, what are you doing here?"

Shen Rou was still a little angry at the receptionist for stopping her, and her tone wasn't too good. "I came to look for Ah Si, but I was stopped. Personal Assistant Wei, is it so difficult to see Ah Si now? Even I have to make an appointment.

"I've never had to make an appointment before."

"Oh, I see. Miss Shen, this is a new rule. Chairman Mo did say that apart from Young Madam and his family, anyone who wants to see him in the company has to make an appointment with him first.

"So, don't blame the receptionist. They're doing things according to Chairman Mo's rules."

Wei Zheng was smiling, but he was sneering inside.

He thought to himself, *Chairman Mo already got someone to keep an eye on you. Do you think your relationship is still the same as before?*

Shen Rou didn't look too good, to begin with.

After hearing Wei Zheng's words, her expression stiffened.

A few seconds later, she said through gritted teeth, "Is, is that so? There's such a rule now? Even if we want to see him, we have to make an appointment first?"

Chapter 799: He Couldn't Not See Her

"In principle, it's like this." Wei Zheng smiled politely. "Miss Shen, you can give Chairman Mo a call before you come. Chairman Mo will inform me, and I'll go to the front desk to say hi. Miss Shen can go up to Chairman Mo directly."

Shen Rou took a deep breath and smiled. "Do I have to make an appointment with him now?"

"How about this, I'll call Chairman Mo?" Wei Zheng looked at her angry expression and felt that she was pitiful.

Actually, if Chairman Mo wasn't with Young Madam, he felt that Shen Rou was a good choice.

The Shen and Mo families were well-matched, and Shen Rou had known Chairman Mo for so many years.

Moreover, she was the only girl by Chairman Mo's side ever.

If Young Madam hadn't appeared, Chairman Mo's final marriage partner would probably be Shen Rou.

She'd been single for over 20 years, but in the end, she'd watched the man she liked marry another woman.

How pitiful.

But the smarter ones should have kept their distance after that.

She shouldn't have any unrealistic thoughts.

Shen Rou was supposed to be a smart woman.

But for some reason, she became irrational when it came to relationships.

What she was doing now was slowly diminishing the friendship between Chairman Mo and her.

Especially when she targeted Young Madam.

Chairman Mo doted on Young Madam so much, he probably couldn't tolerate her.

If she stopped now, it wouldn't be too late.

If this continued, she might end up as a stranger with Chairman Mo.

Wei Zheng took out his cell phone and called Mo Yesi.

When the call got through, he said respectfully, "Chairman Mo, I met Miss Shen in the lobby. She said she has something to discuss with you. Do you want to meet her?"

Wei Zheng thought that Mo Yesi would reject it.

The last time, Chairman Mo told him not to let anyone go up.

Wasn't he referring to Shen Rou?

Unexpectedly, he heard Mo Yesi said to let Shen Rou go up.

Wei Zheng was shocked and asked again, "Let Miss Shen go up?"

After receiving another affirmation, he was a little confused.

But he knew that Chairman Mo's decision couldn't be wrong.

He must have his reasons for letting Shen Rou go up.

Wei Zheng kept his cell phone and walked towards Shen Rou. He smiled and said, "Miss Shen, come up with me. Chairman Mo is almost done with his meeting. You can see him then."

Shen Rou smiled when she heard that.

She knew that she had a different place in Mo Yesi.

He couldn't possibly not see her.

She tightened her grip on the thermos and smiled at him. "Alright, we can wait for him to come out. We can have some soup that I brewed for him."

"Uh..." Wei Zheng looked down and saw Shen Rou holding a thermos.

He kept quiet for a few seconds before asking, "Miss Shen made soup for Chairman Mo?"

"Mm." Shen Rou smiled and said, "I made this myself. I've been cooking for hours. The pheasant stewed with ginseng is the best. Ah Si must be tired after such a long meeting. It's the best soup for him."

Chapter 800: Too Ugly

Wei Zheng was speechless.

Was this a suitable question?

He really wanted to say: Miss Shen, Chairman Mo is already married. If you want soup, Young Madam can make it for him. It's not good for a friend like you to do this.

He could guarantee that Chairman Mo would never drink it.

Chairman Mo hadn't even taken a look at the food that Shen Rou sent over previously.

"Haha, Miss Shen is so thoughtful."

"It's my duty." Shen Rou smiled as if she didn't hear the sarcasm in Wei Zheng's words. "As long as Ah Si likes it, I can cook every day. I'm very happy to be able to do something for him."

Wei Zheng was speechless.

You're alright.

But Chairman Mo and Young Madam are very close!

Why do you cook for a married man every day?

Isn't it inappropriate?!

...

Outside the President's office.

Wei Zheng knocked on the door and opened it.

He walked in first and looked at Shen Rou behind him. He coughed and said, "Chairman Mo, Miss Shen is here."

Mo Yesi was sitting at his black desk.

He tapped his fingers on the keyboard quickly and replied without looking up. "Mm."

"Miss Shen, take a seat yourself."

Wei Zheng pointed at the sofa and was about to leave when he heard Mo Yesi stop him. "Book a restaurant suitable for a date tonight. Oh right, help me order a bouquet of pink roses. There's no need to get too many, just 99 roses will do."

Shen Rou had just sat down.

She stiffened.

If she hadn't heard wrongly.

She heard Mo Yesi asking Wei Zheng to book a suitable restaurant for a date.

It was impossible to date a male client.

Hence, the person he was going to meet was definitely a woman.

He even got Wei Zheng to order flowers...

Which woman could make him take her so seriously?

Her expression darkened.

Wei Zheng glanced at her from the corner of his eye and smiled. "Is Chairman Mo going on a date with Young Madam?"

"What do you think?" Mo Yesi said calmly. "You're asking the obvious. Besides your Young Madam, who else can I date?"

"That's right, that's right. I asked the obvious. I'm just curious about when Young Madam will be back. I'll immediately go book the restaurant and get the flowers. Chairman Mo, don't worry, I'll settle everything properly and let you and Young Madam have a romantic date."

Wei Zheng then glanced at Shen Rou.

Shen Rou's expression was as dark as the bottom of a pot.

She was obviously furious.

Wei Zheng felt satisfied. He had said those words to agitate her.

She knew that Chairman Mo was married.

But she was still clinging onto him.

It was too ugly.

Even his assistant couldn't take it anymore.

Initially, he had a good impression of Shen Rou. He felt that she was a beauty with a good background, good looks, and good manners.

But no matter how good this beauty was, once she had ill intentions, she wouldn't be so good looking anymore.

Especially when Shen Rou wanted to ruin Chairman Mo and Young Madam's relationship.

This was even more intolerable.

Chairman Mo and Young Madam loved each other so much, it wasn't something she could easily ruin.

Chairman Mo probably didn't ask her to come up because he wanted to catch up with her.

He must have sensed her thoughts too.
