

Big Shot 841

Chapter 841: Qiao Mianmian, Why Are You Here?!

Qiao Anxin was getting increasingly agitated. "But Su Ze, do you think that Qiao Mianmian will forgive you and return to you just because you broke up with me?"

"What nonsense are you talking about?" Su Ze was a prideful person, so he got angry when she exposed his thoughts. "Qiao Anxin, I didn't pursue the fact that you lied to me because of our past relationship, so I wanted to break up with you peacefully. If you know what's good for you, let's talk about the breakup calmly. I'll give you some benefits due to our past relationship."

"But if you don't have any self-awareness and are unwilling to share, then don't blame me for being heartless."

"Su Ze, are you threatening me?" Qiao Anxin asked.

Su Ze's eyes were so cold that Qiao Mianmian felt like he was a stranger.

He didn't look like the Su Ze she'd known for the past 10 years.

His voice was cold too. "If you think it's a threat, then it's a threat. You lied to me for so long and forced me to break up with Mianmian. I haven't even settled all these debts with you."

"Qiao Anxin, you'd better be smart."

At this point, Su Ze's gaze turned even colder. "I'm not discussing with you now, I'm just informing you of my decision. You should know what will happen to you if you anger me."

"If you want to continue in the entertainment industry, listen to me. Otherwise..."

Qiao Mianmian was shocked when he said "Otherwise".

Su Ze looked a little menacing now.

His face was still the same.

But it was as if a different soul was inside him.

It was terrifying.

Qiao Anxin was probably shocked too and didn't make a sound.

Su Ze was afraid that someone would see him and Qiao Anxin, so he looked around and saw Qiao Mianmian.

He was stunned for a moment before shock filled his eyes.

"Mianmian..."

He couldn't believe it and thought that he was hallucinating. He rubbed his eyes and looked at her again.

"It's really you." Seeing that Qiao Mianmian was still standing there, it wasn't his illusion. He was shocked and pleasantly surprised. "Mianmian, w-why are you here? When did you arrive?"

When he guessed that Qiao Mianmian had been standing there for a while, his expression changed slightly. He quickly calmed down and tried to explain to her. "Mianmian, what did you hear? Just now, Anxin and I..."

"Qiao Mianmian, what are you doing here?!"

Su Ze's voice was drowned out by an even sharper voice. Qiao Anxin turned around and was even more shocked and surprised to see Qiao Mianmian standing behind her.

Qiao Mianmian had never thought of eavesdropping.

But the place where they were talking was in her way.

She'd planned to leave after this adulterous couple left.

Chapter 842: Hand Over the Recording

But now that they'd found out, she had nothing to hide.

She had never been the one to hide things.

She smiled and walked out of the washroom.

She glanced at the two of them and said, "This place is a restaurant. Anyone in Yuncheng City can come here. Mr. Su and Miss Qiao, don't you think your question is a little funny?"

Su Ze was stunned. His lips moved as if he wanted to say something.

But before he could, Qiao Anxin spoke. "Qiao Mianmian, you're too low class. You actually eavesdropped on us."

Qiao Mianmian couldn't help but laugh. "I eavesdropped on you? Come on, can you not block others' way? You're blocking the door of the washroom, and you're blaming me for eavesdropping?"

"Do you think I really want to hear it? It's all nonsense, why would I need to eavesdrop? Since you know that you're in my way now, please make way."

Qiao Mianmian looked at the two of them with undisguised disgust. "When I'm gone, you can continue whatever you want to say. Let me clarify again, I'm really not interested in the topic you're talking about."

What Qiao Anxin hated the most was the way she acted.

The thought of her conversation with Su Ze being overheard by Qiao Mianmian made her even more embarrassed.

Su Ze wanted to break up with her.

And Qiao Mianmian was actually involved in this.

Qiao Anxin had always been a competitive person. She didn't want to fall behind Qiao Mianmian in any aspect and wanted to compete with Qiao Mianmian in every aspect.

The reason she'd taken Su Ze away from Qiao Mianmian was partly that she felt that Su Ze was a good catch, and partly because Su Ze was Qiao Mianmian's boyfriend.

She felt a sense of achievement when she snatched him.

But now, Qiao Mianmian was with a more powerful man.

She naturally didn't like Su Ze.

Qiao Anxin's sense of superiority vanished.

She'd seen the scandal between Qiao Mianmian and Gong Zeli, and it made her even more certain that Qiao Mianmian was most likely involved with Gong Zeli.

The only Young Master of the Gong family was handsome and rich.

So many women in Yuncheng City wanted to be with him.

He actually managed to hook up with Qiao Mianmian.

No wonder she was so arrogant.

She felt that it was amazing that she had powerful backing.

She must have felt even smugger after witnessing Su Ze dump her.

The more Qiao Anxin thought about it, the angrier she got. "Qiao Mianmian, did you secretly record it? Are you trying to expose me and embarrass me?!"

"You have to leave the recording before you leave!"

Qiao Mianmian was stunned for a while before realizing that Qiao Anxin was probably sick.

Wasn't her imagination a little too rich?

If she hadn't taken the initiative to provoke her, she wouldn't have been interested at all.

"I didn't record it." Qiao Mianmian resisted the urge to roll her eyes. "Not everyone is as despicable as you. Can you move aside now?"

"Impossible." Qiao Anxin stood still and glared at her. "If you didn't record it secretly, would you have stood behind and eavesdropped for so long? Qiao Mianmian, I won't let you leave until you hand it over."

Chapter 843: Gong Zeli's Contact

Qiao Mianmian was speechless.

"Qiao Anxin, I'll say it again. I didn't do it. Are you going to let me go or not?" Qiao Mianmian was a little angry too.

Qiao Anxin reached out with no intention of stepping aside. "You can leave if you want to. As long as I see you delete the recording with my own eyes, you can leave."

"Are you crazy?" Qiao Mianmian couldn't take it anymore. "I said I didn't record it. Are you deaf?"

“Then hand over the cell phone for me to check. Since you said that you didn’t record it secretly, I guess you’re not afraid of me checking it.”

Qiao Anxin really thought that Qiao Mianmian had secretly recorded it.

But she knew Qiao Mianmian well.

Since she denied it, there was probably no recording.

She insisted on checking Qiao Mianmian’s cell phone because she suddenly realized that Qiao Mianmian definitely had Gong Zeli’s contact details.

As long as she got Gong Zeli’s contact details, she would definitely be able to make this man hers.

She got excited at the thought of this plan.

She liked everything that could cause Qiao Mianmian pain.

She liked the man who snatched her away the most.

Just like how she seduced Su Ze into her bed and dated him for two years behind Qiao Mianmian’s back. When the truth was revealed...

She felt good just thinking about Qiao Mianmian’s expression.

But this time.

If she could successfully hook up with Gong Zeli, she would immediately reach the peak of her life.

When Qiao Anxin guessed that Qiao Mianmian had an unusual relationship with Gong Zeli, she had already lost interest in Su Ze.

She wasn’t with him because she liked him.

Back then, she was trying to take revenge on Qiao Mianmian.

Another reason was that Su Ze was her best choice.

Hence, she didn’t feel sad when Su Ze wanted to break up with her.

She just didn’t want to break up with Su Ze so soon.

After all, she had Su Ze in her hands now. It was her way out.

She thought that if her new plan failed, she would at least be able to marry into the Su family and become the Young Madam.

But she didn’t expect Su Ze to be so determined to break up.

She panicked.

Hence, she wanted to complete her new plan as soon as possible.

Getting Gong Zeli’s contact details was the first step of her plan.

As long as she had Gong Zeli's contact details, she would definitely be able to ask him out.

Qiao Mianmian burst out laughing when she heard her unreasonable request. She crossed her arms and said, "What if I don't give it to you? Qiao Anxin, what makes you think you can check my cell phone with just a word? Who do you think you are?"

"Then, you can't leave!"

Qiao Anxin was anxious to get Gong Zeli's contact details, so she naturally wouldn't let Qiao Mianmian leave just like that.

She was probably too anxious and lost her rationality. She actually went forward to snatch Qiao Mianmian's cell phone.

"Qiao Mianmian, give me your cell phone! You must have recorded it, I can't let you go just like that!"

Qiao Mianmian was shocked when Qiao Anxin rushed towards her. She instinctively took a step back.

Qiao Anxin was about to snatch her cell phone away, but when she reached out, she actually grabbed Qiao Mianmian's face.

This damn slut.

She used this face to bewitch men.

Chapter 844: Like a Crazy Woman

Even an unattainable man like Gong Zeli was successfully seduced by her.

Without this face...

Or was she going to be able to seduce a man if she lost her looks?

As this thought came to Qiao Anxin's mind, she reached out to grab Qiao Mianmian's face.

She wanted to tear her face apart.

What right did Qiao Mianmian have to seduce so many men?

It was all because of her face.

Thankfully, Qiao Mianmian took a step back in time.

Otherwise, her face would be ruined.

Qiao Anxin then went even crazier.

"Qiao Mianmian, hand over the recording!" She tried to snatch Qiao Mianmian's cell phone away again and pounced on her. She looked like she wanted to fight it out with her.

Qiao Mianmian was a little shocked and took a few steps back. "Qiao Anxin, are you crazy! I told you, I didn't record it. Don't come over. Otherwise, don't blame me for being nasty."

But Qiao Anxin wouldn't listen to her.

She stared at Qiao Mianmian's cell phone and tried to snatch it away.

Qiao Mianmian took a few more steps back and only stopped when she had nowhere to go.

The moment she stopped, Qiao Anxin pounced on her. "Give me the cell phone, there must be a recording!"

Qiao Mianmian couldn't take it anymore. Just as she was about to make a move, Su Ze quickly walked over and pulled Qiao Anxin away.

He glared at her, his eyes full of disgust. "Are you crazy? Didn't Mianmian already say that she didn't record it? Do you know what you look like right now? Like a crazy woman. Aren't you afraid of being seen and posted online?"

"Qiao Anxin, you're still a signed artiste under Star Splendor. Watch your image!"

Qiao Anxin had always been gentle and obedient in front of him.

This was what Su Ze wanted too. He felt that he needed an obedient woman so that she wouldn't cause trouble for him.

Qiao Anxin wasn't as pretty as Qiao Mianmian.

But he felt good about a gentle and obedient woman.

He didn't like women with too much personality.

That would make it difficult for him to master her.

Back then, he didn't think that Qiao Anxin's gentleness was all an act.

Hence, he was shocked by her actions now.

This was completely different from the Qiao Anxin he knew.

But he quickly realized that this might be Qiao Anxin's true side.

A person's personality couldn't change so drastically all of a sudden.

It wouldn't be strange if that was her personality.

Su Ze was furious at the thought of being deceived by her for so many years.

He actually broke up with Qiao Mianmian because of this woman. Was he blind back then?

Why couldn't he tell that she was faking it?

Not only was she pretending, but even her pregnancy was fake.

Especially the latter, which made Su Ze feel like a fool.

He used to be so satisfied with Qiao Anxin, but now he hated this woman.

"What did you say?!" Qiao Anxin tried to snatch Qiao Mianmian's cell phone away from Su Ze, but her arm was held tightly by him.

Chapter 845: You'll Be Cheated on by Her One Day!

She was so angry that her face turned pale. "Su Ze, who are you calling a crazy woman? You scumbag, you used to say that I had a good personality and that you liked it, and now you're calling me crazy? Ha, are you trying to show off in front of Qiao Mianmian?"

"I advise you not to waste your time. The man she's with now is a hundred times, a thousand times better than you. Do you think she still likes you?"

"Shut up!" Su Ze growled.

He knew who Qiao Anxin was referring to.

That man...

No matter how unwilling he was, he had to admit that he couldn't compare to Gong Zeli.

Just his status as the Young Master of the Gong family was enough to suppress him.

But he didn't believe that Qiao Mianmian was really with Gong Zeli.

He'd known her for many years.

She wasn't a materialistic woman.

There must be... some misunderstanding between her and Gong Zeli.

That's right, there must be a misunderstanding.

"Why, are you anxious?" Qiao Anxin used to pretend in front of Su Ze because she wanted to marry into the Su family.

Now that she had a new goal and Su Ze insisted on breaking up with her, she knew that she couldn't hold him back anymore and didn't want to continue acting.

She glared at him. "You're just an ordinary person. How can you compare to the Young Master of the Gong family? So what if you help her now? Will she even look at you?"

Even if Qiao Anxin never liked Su Ze.

But seeing how protective he was of Qiao Mianmian, she went crazy with jealousy.

She snatched this man from Qiao Mianmian.

But now, he actually wanted to get back together with Qiao Mianmian and defend her. Wasn't this a slap to her face?

Who knew how smug that slut was now.

"Qiao Anxin, I told you to shut up!" Su Ze's face was red with anger, and the veins on his forehead were almost popping out.

Qiao Anxin looked at him and sneered. "Why, you don't like it? But this is the truth. Su Ze, you think I lied to you and made you lose your true love, but do you think Qiao Mianmian is anything good? Even without me, you'll be cheated by her one day!"

"I f*cking told you to shut up!" Su Ze roared and hit her in the face.

With a loud slap, Qiao Anxin's face was thrown to the side.

Qiao Anxin's mouth was bleeding.

Su Ze was still fuming. "I won't allow you to insult Mianmian. If you say anything bad about her, I'll hit you again!"

Qiao Anxin almost fainted from the slap.

It took her a while to recover.

Qiao Mianmian was a little tongue-tied.

She realized that she knew too little about Su Ze.

She never knew that he would hit women.

She felt that Su Ze was always a gentle and good-tempered man.

At least in the years they were together, he never lost his temper with her.

Not to mention touching her.

In front of her, he was always a gentle and nice man.

And this man actually knew how to hit women.

This was unimaginable to Qiao Mianmian.

Moreover, the slap he gave Qiao Anxin was very heavy.

Chapter 846: Don't Pester Me in the Future!

That fierce look was really scary.

Qiao Anxin was a vicious woman, but no matter what, Su Ze had been with her for so many years, he should have some feelings for her.

But when he attacked just now, he didn't seem to care about their past relationship at all.

Qiao Mianmian didn't like Qiao Anxin.

But looking at how badly she was beaten up by Su Ze, she didn't feel too happy.

She felt that Su Ze was rather scary.

She had zero tolerance for men who hit women.

Even though Su Ze was defending her, she felt nothing but fear.

Qiao Anxin took a while to recover.

She turned around slowly and covered the swollen side of her face. She looked at Su Ze in disbelief. "Su Ze, you hit me! You hit me because of that slut Qiao Mianmian!"

Su Ze's expression darkened when he heard her scolding Qiao Mianmian. He raised his hand and was about to hit her again.

Qiao Anxin was stunned for a moment when she saw what he was doing. She then leaned over and cried. "Alright, hit me then, just kill me. Anyway, you've already killed our baby, just kill me too."

"Go on, what are you waiting for?"

"Aren't you going to defend that slut Qiao Mianmian? Do it!"

Su Ze's expression changed, and he quickly retracted his hand.

He was afraid that Qiao Anxin's cries would attract others.

If someone caught him hitting her, it would only bring him trouble.

He pushed her away and looked at her in disgust. "Qiao Anxin, shut up. Do you have to make a scene? I have nothing to say to a woman like you anymore. In any case, we've officially broken up."

"Don't pester me anymore!"

"Also, that child didn't die because of me. If we're talking about the culprit, it's also because of you. If you hadn't lied to me from the start, all those things wouldn't have happened. You deserve it."

Su Ze was still furious when he talked about Qiao Anxin lying to him about her pregnancy.

With that, he turned around and looked at Qiao Mianmian.

The look of disgust and anger on his face turned gentle and affectionate.

"Mianmian, are you alright?" He asked gently. "Did I scare you just now? Are you here for dinner? Are you alone or... why don't we..."

The more Su Ze detested Qiao Anxin, the more he liked Qiao Mianmian.

As he thought about Qiao Anxin's viciousness and craziness, and how ugly she looked like a shrew, and then looking at the beautiful girl in the white dress in front of him, Su Ze felt even more regretful.

He actually broke up with his fairy for a crazy woman.

He must have been possessed.

Otherwise, why would he break up with Qiao Mianmian for someone like Qiao Anxin?

She wasn't even fit to carry Mianmian's shoes.

The more he regretted it, the more he wanted to redeem himself.

Chapter 847: Did You Get My Permission to Date My Girlfriend?

Even though Qiao Mianmian had rejected him before.

But that sort of rejection would only make him braver and want her even more.

Before Su Ze could finish his sentence, a cold voice came from behind. "Mr. Su, don't you think you're being too shameless by harassing someone else's girlfriend?"

"You asked for my girlfriend's permission?"

Su Ze stiffened.

Qiao Mianmian looked up and saw Mo Yesi walking towards her. She was stunned for a moment before pushing Su Ze away and walking towards him quickly.

Before she reached Mo Yesi, the man reached out and pulled her over, wrapping his arm around her waist possessively.

Qiao Mianmian was obedient too. She tugged at the corner of his shirt and asked softly, "Why are you here?"

She wondered if this jealous lover would be jealous again.

She knew how much he minded Su Ze.

Thankfully, she wasn't alone with Su Ze and Qiao Anxin.

Otherwise, he would really be jealous.

Mo Yesi looked down at her, and his gaze softened. "You've been in the washroom for so long, I got worried."

Alright.

Afraid that he'd be jealous again, Qiao Mianmian tugged at his sleeve and whispered, "I didn't know he was eating here. I just came out of the washroom and bumped into him."

"Mm." Mo Yesi was rather calm and didn't seem jealous. "I know."

Qiao Mianmian glanced at him again. "You're really not angry?"

"No." Mo Yesi patted her head and looked up at Su Ze.

Su Ze looked at their intimate actions and heard Mo Yesi call Qiao Mianmian his girlfriend. He was so jealous that he couldn't even recognize her.

He glared at Mo Yesi.

A moment later, Mo Yesi smiled. "Su Ze, didn't I warn you previously not to harass my woman anymore? It seems like you didn't take those words to heart and didn't take them seriously."

He was smiling.

But for some reason, Su Ze felt a sense of fear when he heard this.

But he didn't want to appear weak in front of Qiao Mianmian and lose face. Hence, even though he was afraid, he still forced himself to say, "I've known Mianmian for 10 years. Even though we broke up, we're still friends. I was just talking to my friend, how did it become entanglement?"

As soon as he said that, Qiao Mianmian couldn't help but retort. "Su Ze, I've said it before. From the moment we broke up, we became strangers. I'm not your friend, don't try to get close to me."

Su Ze didn't expect her to rebut him in public.

His expression changed, and he quickly said, "Mianmian, no matter what you think, I've always treated you as a friend. I don't believe that you can really let go of our 10-year relationship just like that."

"I know you're still angry with me and unwilling to forgive me. That's why you did something to agitate me. Mianmian, you can choose not to forgive me or ignore me, but you can't get angry at me by ruining yourself."

Su Ze didn't believe that Qiao Mianmian really fell in love with someone else.

Even if the man in front of him was really eligible.

Chapter 848: Let's Go, I Don't Want to See Him Again

But his relationship with Qiao Mianmian was still different.

He won because of those 10 years.

This was something this man could never compare to.

And he knew Qiao Mianmian too.

She valued relationships.

Ten years of feelings would never be gone just like that.

She was proud and arrogant, but she was still angry about his betrayal, so she quickly found another man to take revenge on him.

If this was her revenge, then she had succeeded.

He was so jealous.

He should be the one being so intimate with her.

He had her, but because of his jerk, he lost her.

He regretted it now and wanted to redeem himself...

Would he... still have a chance?

Qiao Mianmian was at a loss for words.

She didn't know where Su Ze got his confidence from.

He still thought that she liked him.

If Mo Yesi was inferior to him in every aspect, she could understand why he was so confident.

But the truth was that he was inferior to Mo Yesi in every aspect.

What made him think that she was with Mo Yesi to spite him?

Based on those 10 years of relationship?

That's right, she was a sentimental person.

But for a man who betrayed her, she would be a masochist if she still cared about her feelings.

"Su Ze, are you delusional?" Qiao Mianmian knew very well that she had to show her attitude in front of Mo Yesi.

Su Ze was stunned. "Mianmian, you..."

"Firstly, I've already said that we're strangers now. Please don't address me so intimately. Secondly, I don't know who gave you the confidence to think that I'm angry with you because I'm dating a new boyfriend. May I ask Mr. Su, how is my boyfriend inferior to you? He's more handsome, gentler, more loving, and more doting than you in all aspects. Where did you get the confidence that I don't really like him?"

When she said this, Mo Yesi looked down at her and his eyes flickered.

His arm around her waist tightened.

Qiao Mianmian looked up at him and smiled sweetly. "He's a thousand times better than you. You actually think that I'm with him to spite you. What a joke.

"Mr. Su, haven't you heard of this saying before?"

Ignoring Su Ze's awful expression, Qiao Mianmian's smile deepened. "People go for the high and the low. My boyfriend is better than you in every aspect. I'm with him because he has so many things that attract me.

"He's so outstanding and he's so good to me. It's not like I have a problem with my brain. If I don't like him, do I have to like a jerk who betrayed me? Ha, 10 years of feelings? I'll just treat those 10 years of feelings as feeding a dog. To me, these aren't important at all.

"I only know one thing: cherish the person in front of you."

With that, Qiao Mianmian held Mo Yesi's arm and said softly, "Let's go, I don't want to see him again."

Mo Yesi was silent for a few seconds before nodding. "Alright."

He would let Su Ze go for now.

He would teach him a lesson when he got back.

Chapter 849: I Will Never Let You Down Again

Seeing that they were about to leave, Su Ze took a step forward and tried to stop her. "Mianmian, I know my mistake. I really know my mistake. Please give me a chance, alright?"

“As long as you’re willing to forgive me, I’m willing to do anything.”

There was only one thought in Su Ze’s mind.

To get Qiao Mianmian back.

He didn’t want her to leave just like that.

But just as he took a step, Mo Yesi turned around and looked at him coldly.

His eyes were cold and warning.

Su Ze was shocked and didn’t dare to go any further.

He looked at Qiao Mianmian and pleaded. “Mianmian, I swear, I won’t do anything to let you down again. Please. Can you give me a chance?”

Qiao Mianmian frowned and said coldly, “I’ve already made it very clear to you. Please don’t pester me anymore. Su Ze, you have to be less shameless in life. You already made your choice back then, don’t regret it.”

“But, I regret it...” Su Ze looked at her blankly and then said sadly, “I regret it, Mianmian. I know I was wrong. Can you give me a chance?”

“I will never let you down in this life.”

“Impossible,” Qiao Mianmian said firmly.

“Mianmian...” Su Ze refused to give up. He looked at Qiao Mianmian’s cold but beautiful face and felt even more reluctant to part with her. Then, he impulsively went forward to grab her hand.

Before he could even touch Qiao Mianmian, he was punched in the face.

This punch knocked him to the ground.

He fell to the ground and cried out in pain.

Mo Yesi still felt that this wasn’t enough to appease his anger. He bent down, picked him up from the ground, and punched him on the other side of his face.

Children of rich families like them had to learn some self-defense skills since young.

Su Ze, who had no foundation, almost fainted after being punched twice.

His face and one of his eyes were swollen. His nose was bleeding and his eyes were bloodshot.

Mo Yesi’s eyes were as cold as ice. Just as he was about to punch him again, Qiao Mianmian stopped him.

“Mo Yesi, don’t...”

She shook her head at him. “Let’s go.”

She was afraid that something would happen if Mo Yesi continued.

Qiao Anxin was so shocked that her face went pale. She looked at Su Ze lying on the ground like a pile of mud.

The joy at seeing Mo Yesi was replaced by fear.

Mo Yesi still hadn't calmed down.

He looked up at Qiao Mianmian coldly.

Even though she knew that this man wouldn't hurt her.

Qiao Mianmian was still a little afraid of his gaze.

She didn't know that Mo Yesi had already restrained himself.

"Mo Yesi, let's go." Qiao Mianmian tugged at his sleeve again. "I want to go back. Let's go home, alright?"

Chapter 850: Secretly Photographed

The man's cold eyes warmed up. After a few seconds of silence, he nodded. "Alright."

Qiao Mianmian heaved a sigh of relief.

She let go of his arm and held his hand instead. "Let's go, then."

Su Ze lay motionless on the ground as if he had fainted.

But the moment Qiao Mianmian held Mo Yesi's hand and turned to leave, his body suddenly moved and his lips opened. He said weakly, "Mianmian, don't go..."

Mo Yesi's suppressed temper flared up again. He grabbed Qiao Mianmian's hand and turned around with a cold smile. "Su Ze, if you want to die, I can fulfill your wish right now."

"Mo Yesi, let's go."

Qiao Mianmian was afraid that he would get angry again.

Su Ze's eyes were unfocused.

He glanced at Mo Yesi and then at Qiao Mianmian. "I-I'll always be waiting for you. Mianmian, I... I won't give up just like that."

"Up to you."

Qiao Mianmian quickly dragged Mo Yesi and dragged him away.

The moment they turned around, a few people holding cell phones quickly turned around and left.

Qiao Mianmian turned around and saw the few of them leaving hurriedly. She frowned and had a bad feeling. "Mo Yesi, did someone secretly take photos of us?"

It was normal for someone to take photos secretly.

They weren't in a secret place.

This place was always crowded.

She hadn't noticed it before, but now she was worried.

If someone really took a picture of her, wouldn't that mean that a photo of Mo Yesi was also taken?

The more she thought about it, the more worried she got. "What if someone really took a picture? You just..."

Mo Yesi saw them leave too.

He guessed that someone must have captured it.

Compared to Qiao Mianmian's worry and panic, he was very calm and composed. "So what?"

Since he dared to do it, he knew that he would be photographed.

This was a restaurant, not a private clubhouse.

"But, you just..."

"Don't worry." Mo Yesi patted the back of her hand and comforted her gently. "If there's news, I'll get the company's public relations to suppress it immediately. Moreover, I'm the one who did it. Even if there's any negative impact, it won't affect you.

"When the time comes, I'll take all the responsibility."

"Won't this affect you negatively?" Qiao Mianmian was still worried.

"I'm not in the entertainment industry," Mo Yesi said nonchalantly. "I don't care what others think of me. Alright, don't worry about this anymore. I'll be fine as long as I say so."

"Alright."

Qiao Mianmian felt like she was worrying too much.

He was the Chairman of the Mo Corporation. He was rich and powerful. There was nothing he couldn't settle.

He'd quickly suppressed the rumors she'd created.

She wasn't so worried anymore.

...

The two of them left the restaurant.

Qiao Mianmian had to fly back to F City early the next morning, so she had to rest early.

After washing up, she went to bed to rest.

Mo Yesi also knew that she was going to wake up early, so he didn't disturb her that night. They spent the night as a Buddhist couple, hugging each other and resting early.

The next day, Qiao Mianmian woke up at 5 am.
