

Big Shot 851

Chapter 851: The Treatment Was Really Too Good

Mo Yesi accompanied her to the airport.

...

Three hours later, she arrived at F City.

Nana came to pick her up at the airport. The two of them got a cab and went straight to the set.

Bai Yusheng was very efficient. In just a day, he had already decided on the third female role.

She was a pretty female artiste and wasn't considered a newbie. She was rather famous, and Qiao Mianmian knew her.

Everyone in the crew was waiting for Bai Yusheng's new female lead role.

Everyone knew that Huang Yilin wouldn't be the female lead of this show anymore.

But no one knew who the new artiste was.

Hence, when Bai Yusheng brought Qiao Mianmian to the front of the crowd and told them that she would be the female lead, everyone's expressions changed.

Everyone was shocked.

No one expected the new female lead to be Qiao Mianmian.

Bai Yusheng liked using newbies.

But this was the first time a newbie like Qiao Mianmian who didn't even have a basic representation was going to be the female lead.

A few days ago, the crew had already been spreading rumors.

Everyone was wondering if Bai Yusheng had taken a liking to this newbie.

Now that the news was out, it undoubtedly confirmed the rumors.

If it wasn't for this newbie, would Bai Yusheng give her the female lead role?

It wasn't as if there weren't any good-looking and capable female artistes.

Why would he give such an important role to a newbie?

This was a risk.

It was obvious that Bai Yusheng really liked this newbie and was prepared to groom her.

Everyone had a different opinion of Qiao Mianmian.

After Bai Yusheng's introduction, the crowd dispersed and went about their own business.

Tu Yilei hesitated for a while before saying to her, "Mianmian, congratulations."

Qiao Mianmian nodded politely and replied, "Thank you, Mr. Tu."

She sounded more polite and distant than before.

Tu Yilei had a high EQ, how could he not sense it.

He knew very well why Qiao Mianmian would alienate him.

She already had a boyfriend. She probably didn't want to have any scandals with him and make him unhappy.

He'd seen that man before. He was a possessive man.

He definitely wouldn't like to see his woman having a scandal with another man.

And Qiao Mianmian cared about him too.

Although Tu Yilei could understand it, he felt terrible.

She couldn't even be a normal friend...

He had to control his urge to get closer to her.

He didn't want to cause her any more trouble.

But this was really difficult.

Qiao Mianmian nodded at him and left.

Tu Yilei clenched his fists as he watched her leave.

...

Qiao Mianmian followed the other artistes to the dressing room to change.

This time, her treatment was much better than the first time.

As the female lead, she no longer had to share a makeup artist with others. Moreover, she had a separate dressing room. The treatment was simply too good.

Everyone was polite to her.

A few female artistes even addressed her as "Sister Mianmian." She saw that the female artiste was obviously older than her.

When she was doing her makeup, the makeup artist kept praising her good skin. She said that she had a good foundation and that she would look good even with little makeup.

Chapter 852: This Is the True Beauty Queen

Qiao Mianmian felt a little embarrassed.

The makeup artist was still praising her. "Miss Qiao, your skin is so smooth and delicate. You don't even have to apply any makeup to see your pores. How do you usually take care of yourself? What skincare products do you use?"

“Can you tell me more? Your skin is really enviable. I’ve put on makeup for so many female artistes, but your skin is the best.”

Although the makeup artist was trying to curry favor, she meant it.

Qiao Mianmian’s skin was indeed the best among all the female artistes she’d worked with.

She was also the most outstanding one.

Her skin was much better than the so-called “bare-faced queen” in the industry.

This was the true beauty queen.

She was stunning even without makeup.

If she hadn’t seen Qiao Mianmian up close and confirmed that she wasn’t wearing any makeup, she wouldn’t believe that anyone could be so beautiful.

The other female artistes’ nude photos were more or less photoshopped.

It was either bare faces or a blush.

But Qiao Mianmian was really bare-faced. She had taken the makeup remover once and confirmed it with her own eyes.

No wonder Bai Yusheng liked her.

This newbie was really a rare beauty.

“Uh...” Qiao Mianmian was a little embarrassed. “I don’t usually use skincare, it’s just that I use a little more facial mask.”

Mo Yesi bought her a lot of skincare products.

But she rarely used them.

She had always been lazy when it came to them. She would just apply a facial mask whenever she thought of it.

The makeup artist was even more envious.

“Your skin is so good even without much skincare? Miss Qiao is really a natural beauty.”

As Qiao Mianmian had a good foundation, the makeup artist was very easygoing.

The makeup was supposed to last for two hours, but it only took half the time.

After the makeup was done, the makeup artist couldn’t help but praise her. “You’re so perfect, you can’t even pick out a single flaw. Miss Qiao, do you know that it’s so easy to do your makeup? I can just do a little touch.

“Your facial features are very well-defined. You look especially good in makeup.

“Director Bai’s taste is really good. With this makeup, you look like the female lead. Miss Qiao, are you satisfied with it? If there’s anything you’re dissatisfied with, I’ll fix it for you.”

Qiao Mianmian looked like a pure and innocent fairy.

But the female lead she was playing was rather charming and feminine.

She looked a little young, and her aura didn't match the female lead's.

But the makeup artist had a pair of hands.

Once the makeup was done, her style and aura changed drastically.

Qiao Mianmian looked at herself in the mirror and sighed at how good makeup was.

She was worried that her appearance wasn't suitable for the female lead.

But now, she had completely dispelled such concerns.

She turned around and smiled at the makeup artist. "I'm delighted. Thank you."

The makeup artist quickly said, "You're welcome. As long as Miss Qiao is satisfied."

This makeup artist had some status and fame in the industry.

She didn't have to be so polite to a newbie like Qiao Mianmian.

Chapter 853: Acting on the Spur of the Moment

But everyone in the crew knew that this newbie had Bai Yusheng by her side. Moreover, he doted on her a lot.

Any female artiste that Bai Yusheng wanted to groom, how could he not be able to?

Moreover, this newbie's looks were really outstanding. There was a high chance that she would become popular in the future.

Hence, whether it was because of Bai Yusheng or for other reasons, it wasn't wrong to be polite to her now.

...

Qiao Mianmian changed and left the dressing room.

The female artistes previously with Huang Yilin now walked towards her and greeted her. "Hi, Mianmian. Are you done with your makeup? Wow, you're so beautiful."

"Yes, it suits you very well."

"Director Bai has good taste. Mianmian, you're very suitable for the female lead role."

"Actually, I felt that Mianmian was more suitable for the female lead role than Huang Yilin. It's just that Huang Yilin is more popular. Thankfully, Director Bai likes to use newbies. Otherwise, it'd be a pity if Mianmian missed this role."

The few of them went on and on praising her.

They didn't look embarrassed at all.

But Qiao Mianmian was embarrassed.

Although these female artistes didn't do anything to harm her, they did ostracize her with Huang Yilin previously.

And now they were acting as if nothing had happened and chatting with her as if they were close.

She was really embarrassed.

She felt that these people were too realistic.

"Wow, you guys are so shameless. Weren't you ignoring Sister Mianmian just now? You were so close to Huang Yilin back then, why are you criticizing her now?"

"Your decisiveness is really impressive."

Nana handed Qiao Mianmian a glass of water and mocked them.

Nana saw how they treated Qiao Mianmian previously.

Now that they were bootlicking her, she was annoyed.

The few female artistes' expressions changed when they heard her insult.

They looked like they wanted to flare up, but they had to hold it in.

"Alright, Nana. That's enough." Qiao Mianmian didn't want to bother with these female artistes, but she didn't want to offend them.

Nana said a few words and felt a little regretful when she saw the female artistes' expressions darken.

She was irrational again.

It was a good thing that these female artistes didn't have much of a reputation. They were just small characters in the production crew and weren't as threatening as Huang Yilin.

The few female artistes were here to flatter Qiao Mianmian.

Seeing how Qiao Mianmian ignored them and was scolded by Nana, they felt bored and left.

Nana watched them leave and couldn't help but sneer. "Hmph, bootlickers. I hate people who act according to the situation the most. Previously, they were still following Huang Yilin, but now that she's in trouble, they immediately ran to you."

"Sister Mianmian, don't bother about them."

Qiao Mianmian nodded. "I didn't intend to bother about them."

"Sister Mianmian, you look especially good with this makeup," said Nana, looking away from them.

Chapter 854: I Look Like Director Bai?

She looked at Qiao Mianmian and said, "She looks so different from you. It's as if she's a different person."

Qiao Mianmian touched her face. "I feel like a different person too. Director Bai, what do you think?"

Just as she finished speaking, she heard Bai Yusheng's voice behind her. "Not bad, I think it's pretty good too."

Qiao Mianmian turned around.

Bai Yusheng stood behind her and sized her up. He then smiled and said, "The feeling of putting on makeup is the same as I imagined. How is it? Have you familiarized yourself with the script? Do you have confidence in the plot today?"

Qiao Mianmian wasn't too sure.

But Bai Yusheng valued her so much, she definitely couldn't answer him this way.

She thought for a while and said, "Mm, I'm confident. I'll definitely do my best."

Bai Yusheng nodded. "Don't be too stressed, it'll be better if you relax. Get ready, I'll get someone to call you when the shoot starts."

Bai Yusheng had other matters to attend to, so he left quickly.

Nana sighed. "Sister Mianmian, I think Director Bai treats you really well. He takes good care of you."

"Really? How can you tell?"

"Don't you realize that, although he doesn't seem like a difficult person to talk to, most people are afraid of him? Moreover, he rarely interacts with other actors on set. But in front of you, he seems much more approachable.

"When he talks to you, his tone is especially gentle.

"Also..."

Nana looked up at Qiao Mianmian and said, "I think you and Director Bai look alike."

Bai Yusheng was also extremely handsome.

He had the looks of a young hunk, but he was a capable one.

Nana hadn't noticed it before.

Now that she realized this, she felt that their features were rather similar.

But she didn't think too much about it. She thought that there were many similarities between good-looking people.

"I look like Director Bai?" Qiao Mianmian hadn't realized this, and she couldn't help but be stunned.

“That’s right. You and Director Bai both have very beautiful eyes, your noses are very similar, and your mouths are also like...” Nana paused for a while before continuing, “If someone says that you’re siblings, I definitely won’t doubt it.”

Qiao Mianmian had a strange feeling because of what she said.

She was stunned for a few seconds before asking, “You think Director Bai and I look like siblings?”

“Yes.” Nana bit her lip and thought for a while before saying, “The way you communicate with each other feels like siblings. And I feel like Director Bai looks at you like you’re his sister.”

Hence, the rumors about Bai Yusheng liking Qiao Mianmian were all nonsense.

Not to mention that Bai Yusheng was helping to take care of her, even if Qiao Mianmian didn’t have a boyfriend, Nana felt that he didn’t take care of her the way men liked women.

The love between a man and a woman was different from that between siblings.

It was easy to tell.

Qiao Mianmian kept quiet for a while, and that strange feeling emerged again.

But she didn’t know why.

Chapter 855: Do You Have Yogurt?

When she was with Bai Yusheng, they felt like siblings.

She even thought that it would be great if he was her brother.

...

The shoot went smoothly.

Qiao Mianmian was doing better than she thought.

Many scenes were shot at once.

Tu Yilei’s acting was very good, so he was especially good at leading the actors.

When Qiao Mianmian was acting with him, it was easy for him to quickly immerse her in the plot. One of them had good acting skills, while the other had a high level of understanding. They worked well together.

The person most satisfied was Bai Yusheng.

Back when he picked Qiao Mianmian as the female lead, he wasn’t sure if she was really suitable.

He was a little selfish.

He felt that this girl was very likable. Hence, he thought of her first when the slot for the female lead opened.

There was someone more suitable than Qiao Mianmian.

But after much consideration, he decided to give her the chance.

Qiao Mianmian's performance didn't disappoint him at all.

It even made him feel pleasantly surprised.

She was exactly the type of female lead he wanted.

Huang Yilin's performance back then was already good enough.

But as a newcomer, Qiao Mianmian was actually slightly better than her.

As both the male and female leads performed well, the filming process went unexpectedly smoothly. Hence, the original scene that was supposed to be completed at 8 pm was completed three hours earlier.

Bai Yusheng was in a good mood. With a wave of his hand, he invited the crew to have dinner together.

As the male and female lead of the crew, Qiao Mianmian and Tu Yilei both agreed to the gathering.

...

The gathering was at a five-star hotel.

Bai Yusheng was rich and generous. Despite each table costing tens of thousands, he invited several tables worth of people.

After dinner, he booked the best entertainment venue in City F.

As the female lead, Qiao Mianmian naturally couldn't be absent. After the meal, she took Bai Yusheng's car and followed along.

Bai Yusheng booked a few private rooms.

Qiao Mianmian, Tu Yilei, and some of the main crew members had a private room.

Other groups of people were in the remaining private rooms.

Men always had to drink at parties.

Some female artistes had to drink with them.

Qiao Mianmian was the only special one among them.

Bai Yusheng said in front of everyone that no one was allowed to toast her, and she couldn't drink it.

He then asked her what she wanted to drink.

Qiao Mianmian blushed and kept quiet for a while before asking softly, "Do you have yogurt?"

She felt like she'd asked something she shouldn't have.

This was an entertainment venue.

How could there be yogurt?

Then, she immediately corrected herself. "Milk is fine too. If there isn't any, I can drink plain water."

Bai Yusheng nodded and called for a waiter. "Do you have yogurt here?"

The waiter was stunned for a while before replying respectfully, "Mr. Bai, we don't have yogurt here."

"But this girl wants to drink yogurt. What do you think we should do?"

Bai Yusheng was sitting on the black sofa with his legs crossed. He looked very lazy and relaxed when he wasn't working. The way he reached out to unbutton his shirt made him look like a playboy.

Chapter 856: What Are You Thinking About, This Is My Cousin

It was completely different from how serious he was at work.

The waiter knew Bai Yusheng's identity.

Hence, she knew that she couldn't offend him.

The Young Master of the Bai family wanted yogurt. Even if the clubhouse didn't have it, they had to get it for him.

Not to mention a box of yogurt.

Even if he wanted to eat skewers, they had to buy them.

"Mr. Bai, although there's no yogurt in the clubhouse, it's available for sale outside. I'll get it right away, but I'll have to ask you to wait for a while."

Qiao Mianmian immediately said that she didn't want yogurt anymore.

Bai Yusheng glanced at her and smiled. "Drink it if you want. Let them buy it. It's their honor to run your errands. Tell me, what do you like?"

Qiao Mianmian said, "... Then, let's have strawberry-flavored ones."

The waiter quickly went to get her strawberry yogurt.

The group of people in the private room looked at each other. They stole a glance at Bai Yusheng, and then at Qiao Mianmian. Their impression of her changed again.

It seemed like Bai Yusheng really doted on this newbie.

The affection in his eyes and his words clearly showed that he liked this newbie.

She didn't mean to come to such a place to drink yogurt.

But Bai Yusheng actually let her do as she wished and didn't show any dissatisfaction at all.

Everyone knew that Bai Yusheng hated girls who put on an act.

All the female artistes in the room were drinking, but he didn't allow her to drink.

He was defending her like she was his girlfriend.

This newbie was really lucky.

Bai Yusheng actually took a liking to her.

With Bai Yusheng's love, she would definitely be able to do well in the entertainment industry.

This was something many female artistes couldn't hope for.

The other actresses in the room looked envious and a little jealous.

But they knew that some things couldn't be envied.

Although they were a little jealous, they had to admit that Qiao Mianmian was prettier than them.

And younger than them.

She was young, beautiful, and the kind of obedient girl men liked. It was normal that Bai Yusheng liked her.

No matter how arrogant Bai Yusheng was, he was still a normal man.

It was normal to be attracted to beautiful women.

"Director Bai is very caring towards Miss Qiao. I've been out with you so many times, but this is the first time I've seen you so protective. I've never seen you let any female artiste drink yogurt before."

One of the producers chuckled as he looked at Bai Yusheng and Qiao Mianmian.

Bai Yusheng was already familiar with him. He glared at him lazily and said in a soft voice, "What nonsense are you talking about? This is my sister. Take good care of her in the future."

Bai Yusheng said this very casually.

But everyone was shocked.

Sister?

Was he trying to say that he loved her, or...

Bai Yusheng seemed to have guessed what they were thinking. He ruffled Qiao Mianmian's hair and said calmly, "What are you thinking about, this is my cousin."

Chapter 857: Became Popular

"Don't think I don't know what rumors you've been spreading. I've been ignoring you all this while, and you're all taking it for real?"

"If anyone dares to spout nonsense again, I'll rip his mouth off."

When Bai Yusheng said that Qiao Mianmian was his cousin, everyone was shocked.

Qiao Mianmian was shocked too.

When did she... become Bai Yusheng's cousin?

But she didn't ask on the spot.

The producer was stunned for a few seconds before turning to size her up. "Miss Qiao is Director Bai's cousin?"

Qiao Mianmian hesitated for a while before nodding. "Mm, Brother Bai is my cousin."

"So, it's a cousin."

The producer was stunned for a few more seconds.

"No wonder Director Bai took such good care of her. We have to take good care of her as a family. Since Miss Qiao is Director Bai's cousin, she'll be our cousin from now on. Director Bai, don't worry, we'll definitely take good care of her."

Those who guessed that Bai Yusheng liked Qiao Mianmian were also shocked.

This answer was obviously out of their expectations.

But soon, they believed him.

Bai Yusheng had been in the entertainment industry for so many years, but he had never touched a woman.

Why did he suddenly fall in love with a newbie?

This didn't seem like his usual style.

So, she was his little cousin.

That would explain his actions.

How could he not take special care of his relatives?

Previously, he pretended not to know her because he didn't want others to know about his relationship with Qiao Mianmian.

The reason why he chose to say it today was probably that the rumors about the production crew were getting out of hand. If he didn't deny it now, it would definitely harm her in the future.

After believing that Qiao Mianmian was Bai Yusheng's cousin, the female artistes who were jealous of her immediately wanted to get close to her.

In their hearts, Qiao Mianmian was no longer that hateful woman who snatched Director Bai away.

It was a piece of cake that they wanted to get to know.

This was Director Bai's sister.

If they could build a good relationship with her, they would definitely benefit in the future.

A female artiste immediately brought a glass of wine to Qiao Mianmian and politely offered her a toast.

Some of the other female artistes saw it and brought their glasses over as well.

After the female artiste was done with the toast, the other crew members also tried to respect her as their “cousin.”

To them, Qiao Mianmian’s identity as their “cousin” was much more reliable than their little lover’s. It was a status that was worth befriending.

Although newbies were pampered for a while, they might not be pampered in the future.

But relatives would always be relatives.

It was definitely more important than a little lover.

Qiao Mianmian was instantly in high demand, while Bai Yusheng, who was supposed to be the main character, was left out.

Because of Bai Yusheng’s greeting, Qiao Mianmian drank lemonade when she toasted others.

After a round of toasts, Tu Yilei, who had been sitting on the other side of the sofa, slowly stood up and walked towards her with a glass of wine.

“Miss Qiao.” The lights in the private room were a little dim, and Tu Yilei’s figure was stretched out on the ground. When he was a few steps away from Qiao Mianmian, he stopped and looked down. “I’ll give you a toast too. Today’s cooperation was very pleasant. I hope our future cooperation will continue smoothly.”

Chapter 858: She Finally Smiled at Him

The private room was full of crew members.

Qiao Mianmian wasn’t worried that someone would secretly take photos of her.

Hence, she raised her cup and smiled at him. “I also hope that our future cooperation will continue smoothly. Senior Tu, thank you for bringing me along so well today. I find it rather enjoyable to act with you.”

Tu Yilei looked at the smile on her face and was stunned for two seconds. He felt as if all the unhappiness he had felt the entire day had vanished.

She looked so good when she smiled.

She wasn’t as cold and distant as before.

He really hated that feeling.

She could keep a distance from him.

Even if they were just friends.

This way, they could at least interact in private.

But she wasn’t even willing to be an ordinary friend. That sort of alienation and coldness really made him feel terrible.

He never knew that liking someone felt like this.

It wasn't sweetness, nor happiness...

It was heartache.

All his emotions were led by this person.

No matter how cold and distant she was towards him...

But when she smiled, he felt that the world was beautiful again.

In the world of love.

Those who weren't loved were all so humble.

After the toast, Tu Yilei turned around and left.

The moment he went back, a few actresses immediately walked towards him with wine glasses.

He was the male lead.

And he was the most popular male artiste now, so naturally many people wanted to build a good relationship with him.

A while later, the waiter entered with a few boxes of strawberry yogurt.

Qiao Mianmian held the yogurt and took small sips from a corner.

Just as she was about to pick up the second yogurt, Bai Yusheng handed her a microphone. "Do you want to sing a song? What do you want to sing, I'll get someone to order it for you."

He was asking her, but before Qiao Mianmian could reply, he raised his brows and smiled. "You know how to sing 'Three-inch Sorrow'?"

Qiao Mianmian nodded. "A little..."

This was a very popular song recently. Qiao Mianmian liked it after hearing it once, so she learned it before.

She basically knew how to sing it.

"Then, sing this song."

Bai Yusheng didn't ask for her opinion. He got someone to order the song and handed the microphone to her. "Feel free to come out, don't be too restrained. What's so fun about being alone?"

Qiao Mianmian took the microphone and realized that everyone was staring at her.

She pursed her lips and said a little embarrassedly, "I don't sing very well. If it's not nice, don't mind it."

Someone immediately said, "Miss Qiao, you're too humble. Your voice must be amazing."

"Yes, Miss Qiao's voice must be really nice."

“We’re waiting for Miss Qiao to cleanse our ears with her voice.”

They were full-on flattering Qiao Mianmian, their “cousin.”

Qiao Mianmian was embarrassed.

But she could feel how well Bai Yusheng’s “cousin” was treated.

Everyone was supporting her.

It seemed like these people really believed that she and Bai Yusheng were relatives.

Qiao Mianmian thought about it and felt that this was good too.

Chapter 859: Come With Me Immediately

It was better to make them feel like they were relatives than to think that she was his mistress.

In the future, no one would speculate about their relationship anymore.

Avoiding many rumors.

Moreover, with Bai Yusheng as her “cousin,” she could prevent many people from having designs on her.

She wondered if Bai Yusheng had considered this as well. That was why he told them that she was his cousin.

Soon, Qiao Mianmian’s song started playing.

The group of people flattering her was just being nice on Bai Yusheng’s account.

How would they know if Qiao Mianmian’s singing was good or not?

Hence, they went back to doing their own things.

Even Bai Yusheng continued drinking.

He’d ordered a song for Qiao Mianmian because he was afraid she’d be bored.

But the moment Qiao Mianmian started singing, the noisy room fell silent.

Her voice was pure and clear, and it echoed in the room.

“Three-inch Love” was an ancient song.

The original singer’s voice was already amazing, but the moment Qiao Mianmian opened her mouth, everyone seemed to have forgotten what the original singer’s voice was like.

All they could hear was her voice.

Her voice was very unique and memorable.

Qiao Mianmian’s voice when she sang was different from her usual voice.

Her usual voice sounded soft and cute, and a little childish.

But her singing voice... was flawless.

It was unbelievably perfect.

Even those flattering her were shocked.

They didn't expect her to sing so well.

What a beautiful voice.

Qiao Mianmian was so engrossed in her singing that she didn't notice that everyone was looking at her in shock.

It was only after she finished singing that she realized that the room was a little too quiet.

She turned around and saw Bai Yusheng looking at her strangely.

The others in the room were also looking at her.

She felt a little uncomfortable being stared at. She put down the microphone and asked Bai Yusheng softly, "Brother Bai, what's wrong? Did... I sing too badly and affect you guys?"

Bai Yusheng seemed to snap out of his daze when he heard her voice. He looked at her deeply for a few seconds before asking in shock, "Why didn't you tell me that you can sing?"

"Huh?"

"You sang very well."

Bai Yusheng's eyes were filled with excitement. He immediately got someone to pick another song for her.

Qiao Mianmian couldn't reject his request.

Hence, she sang another song.

After she finished singing, she realized that the excitement in his eyes seemed even stronger.

When he stared at Qiao Mianmian, it was as if he was looking at a treasure that had just been unearthed. His eyes were filled with excitement and joy, and he didn't hide it at all.

"Mianmian, come with me immediately."

...

Before the gathering ended, Bai Yusheng offered to leave first.

Qiao Mianmian left with him.

She didn't know what he was going to do, but since Bai Yusheng wanted her to tag along, she could only listen to him.

They left the private room.

Chapter 860: I Promise You'll Be Satisfied

Qiao Mianmian wanted to ask where they were going.

But Bai Yusheng took out his cell phone and made a call the moment he left the private room.

Qiao Mianmian followed behind him and heard him say to the person on the phone, "I think I've found the soul singer you've been looking for.

"Mm, I'll bring her to see you now.

"I promise you'll be satisfied."

Bai Yusheng hung up.

Qiao Mianmian was speechless.

Was she the person he was talking about?

Was he taking her to meet his friends?

Curious, she couldn't help but ask, "Brother Bai, where are we going now?"

Bai Yusheng only realized that she was following him after he picked up the call. He stopped in his tracks and only walked forward slowly when she caught up with him.

"We're meeting a friend of mine. He's a very famous musician. In the past, his works were always very popular. He has also made a lot of the so-called Heavenly Kings and Queens popular. Most of them have left the industry, and it's very difficult for him to find newbies that suit his tastes.

"So, he's probably in the middle of a retreat. He's been looking for a suitable newbie to create a new album. He put a lot of effort into it.

"The new album is almost done, but the voice he wants hasn't been found yet."

Qiao Mianmian listened for a while and slowly understood.

She pointed at herself. "Brother Bai, do you think I'm the newbie that suits him?"

"Mm, I heard your voice just now. I believe he'll be satisfied."

"Brother Bai, thank you for giving me so many opportunities. But can I ask, who is your friend?" Qiao Mianmian was curious about this.

He made so many Heavenly Kings and Queens popular in the early stages?

He must be an impressive musician.

She could already guess a name, but she wasn't sure.

Because the person she guessed was too awesome.

She couldn't believe it was him.

Bai Yusheng said calmly, "Mo Nan."

"Cough, cough, cough."

Qiao Mianmian choked and started coughing.

She coughed until her face was red and her eyes widened in disbelief.

It was really Mo Nan.

How could it be him?

Mo Nan was known as the “Godfather of Music” in the music industry. He was the one who single-handedly groomed several Heavenly Kings and Queens.

Those were the real kings and queens.

But in front of Mo Nan, they had to address him as a teacher.

It could be said that Mo Nan was the one who composed those classic songs in the early days.

He must be a legend in the music industry.

And Bai Yusheng actually wanted to bring her to meet such an impressive figure. Qiao Mianmian felt like she was dreaming.

It didn't feel real at all.

“Are you alright?” Bai Yusheng patted her back and smiled. “You're that agitated?”

Qiao Mianmian stopped coughing, but she still looked incredulous. “You're really bringing me to see Mo Nan? The Mo Nan who made Sun Fei and Zhou Yun popular?”

Bai Yusheng nodded. “Who else could it be besides him?”
