

Big Shot 861

Chapter 861: If Qiao Mianmian Was Really His Sister, How Good Would That Be

“It’s really him?”

Qiao Mianmian looked incredulous. After confirming that the person she was going to meet was really the “Music Godfather” Mo Nan, she suddenly got nervous.

She stopped in her tracks and tugged at Bai Yusheng’s sleeve. “Brother Bai, I don’t think we should go.”

Bai Yusheng stopped in his tracks and looked down at her. “Why? You don’t want to see him?”

This was a dream come true for many.

Even if Qiao Mianmian wasn’t from the music industry.

But no one would reject meeting such a big shot.

“No.” Qiao Mianmian told him the truth. “I’m just a little afraid.”

“Afraid?” Bai Yusheng raised his brows and found it amusing. “What are you afraid of?”

“I think Senior Mo Nan is a very serious person. He doesn’t seem easy to talk to.” Qiao Mianmian always said whatever she wanted in front of Bai Yusheng. She thought about Mo Nan’s serious look and felt a little afraid.

She’d never interacted with him before.

But she had some understanding of Mo Nan.

She heard that he had a strange temper. Sun Fei, who had worked with him for many years, said that she was afraid of him sometimes.

Especially when he was at work.

If her performance wasn’t satisfactory, he wouldn’t give face to anyone, no matter who they were.

Even a queen like Sun Fei had been scolded by him before.

Qiao Mianmian was a newbie, how could she not be afraid when she was suddenly told that she would meet him?

Bai Yusheng couldn’t help but chuckle when he heard that she was actually afraid of Mo Nan because of this. He patted her on the head and said in a tone that even he didn’t notice, “What are you afraid of? With me around, can he eat you up?”

“That guy isn’t as scary as you think. If he dares to scold you, I’ll back you up and help you get back at him, alright?”

“Mianmian, this is a very good opportunity. Since you’re talented in singing, you shouldn’t waste it.” Bai Yusheng suddenly said seriously, “I know you want to develop in the entertainment industry, but there’s no need to reject other opportunities.”

“Isn’t it better to develop in so many ways and accumulate popularity in the film and television industry and the music industry? I happen to have the resources in this area, and I can help you introduce people, so you can take fewer detours. If you really don’t want to see Mo Nan because you’re afraid of him, then you can rest assured.”

He smiled again. “You’re the one I brought along. He has to give me face no matter what. He won’t be too serious in front of you.”

Qiao Mianmian knew that Bai Yusheng was doing this for her own good.

He really treated her like a sister.

Not only did he give her a chance to play the female lead role, he even brought her to meet Mo Nan.

He’d given her some serious advice.

If she rejected him again, she would really be insensible.

“Alright, Brother Bai. I’ll go with you.” She looked at him with trust and said softly, “I believe you.”

Bai Yusheng couldn’t help but stroke her head.

This girl was so obedient.

Especially when that pair of bright eyes looked at him with trust, Bai Yusheng’s heart softened.

He thought that it would be great if Qiao Mianmian was really his sister.

Chapter 862: I’ll Test Her

He would definitely dote on such an obedient sister.

...

Half an hour later.

They arrived at a high-end condominium.

The condominium was in the city center, a place where every inch of land was worth its weight in gold. It was a well-known neighborhood for the rich.

As Qiao Mianmian and Bai Yusheng waited for Mo Nan to open the door, she couldn’t help but tense up.

The door opened, and Mo Nan stuck his head out.

He first looked at Bai Yusheng, and when his gaze landed on Qiao Mianmian, his brows furrowed slightly, but quickly returned to normal.

But because of that, Qiao Mianmian got even more nervous.

Her heart was racing uncontrollably.

When she saw Mo Yesi, her heart would beat faster because of his charm.

But in front of Mo Nan, she was just afraid.

Mo Nan was almost 50 years old.

He was wearing loose pajamas, and his hair was a little messy. He hadn't even shaved.

He looked rather unkempt.

When he looked at people, his gaze was a little sharp. Moreover, he wasn't the kind of person who looked approachable. Qiao Mianmian couldn't help but lean towards Bai Yusheng.

Bai Yusheng seemed to sense her nervousness too. He patted her head in front of Mo Nan and smiled as he introduced her to him. "This is the girl I told you about. Don't show that picky look of yours. She's young and timid, you'll scare her if you're too serious."

Mo Nan's expression softened a little when he heard that.

Although he still didn't look like he was easy to approach, he didn't look as scary as before.

"Come in." He turned around and looked at Qiao Mianmian's exquisite and beautiful face. He couldn't help but frown and doubt Bai Yusheng's words.

Could this little girl be the person he was looking for?

Although Mo Nan was already halfway out of the industry, he hadn't completely left it.

He had always been in contact with Bai Yusheng and some of his friends in the industry.

Hence, she'd heard some rumors about Bai Yusheng and Qiao Mianmian.

Now that he saw that Bai Yusheng actually brought such a beautiful girl over, he was a little suspicious.

Did this guy want him to support this little girl?

If that was the case, he'd be wrong.

Although they had a good relationship, if this little girl didn't satisfy him, it didn't matter how good their relationship was.

...

Mo Nan was a slovenly person.

The place he lived in wasn't any better.

It wasn't very dirty, but it was messy.

Qiao Mianmian smelled smoke the moment she entered.

It wasn't pungent, but it wasn't pleasant either.

Thankfully, besides the smell of cigarettes, there was no other unbearable smell.

The apartment was rather large, and the living room was rather empty because there wasn't much furniture.

Mo Nan closed the door and walked into the living room. He then said to Bai Yusheng, "I'll test her. Do you have any objections?"

He was a very active person.

He didn't want to waste time.

Bai Yusheng knew his personality too. He looked down at Qiao Mianmian and said gently, "Mianmian, are you alright? Are you ready?"

Chapter 863: Surprise After the Shock

Qiao Mianmian wasn't prepared.

She was so nervous.

She actually didn't have much hope for this audition, even though Bai Yusheng said she was talented and that she was the person Mo Nan had been looking for.

But she could feel that Mo Nan didn't seem to like her very much.

Moreover, a musician of Mo Nan's level had very high expectations.

She didn't think that he would be satisfied with an amateur like her who hadn't studied the relevant fields.

But Bai Yusheng was doing this out of goodwill, and he wanted to help her. No matter what, she felt that she should try her best.

After a few seconds of silence, she took a deep breath and tried to calm herself down. "Mm, I'm... ready."

"Come with me, then."

Mo Nan turned around and walked towards a room, pushing the door open.

Qiao Mianmian followed.

This was a room similar to a recording studio. There were all kinds of recording facilities.

Mo Nan turned on the recording device and looked up at her. "Sing a random song first, I'll listen to the sound quality."

"Alright."

Qiao Mianmian walked to the microphone and picked a song she liked.

She was so nervous before the audition.

But when the audition officially started, she relaxed.

She felt that she wouldn't be chosen anyway, what was there to be nervous about.

She just had to act as casually as possible.

With this thought in mind, she relaxed and was no longer nervous or afraid.

As for Mo Nan.

He thought that Bai Yusheng wanted him to support his little lover, so he didn't take Qiao Mianmian too seriously.

Getting her to audition was just a formality for Bai Yusheng.

But the moment Qiao Mianmian started singing, his nonchalant expression changed.

He didn't even look Qiao Mianmian in the eye at first, but now he looked up at her in shock.

Qiao Mianmian sang acapella.

Hence, he could tell what her original voice was like.

When she sang the first line, Mo Nan's heart surged with excitement. After the shock, it was a pleasant surprise.

He suppressed his joy and stood up when she finished singing the whole song.

Bai Yusheng turned around and glanced at him. He smiled as if he had expected it.

He and Mo Nan had been friends for many years.

How could he not know what kind of voice he wanted?

He brought Qiao Mianmian here partly to help this little girl, but more importantly, Qiao Mianmian's voice moved him.

Otherwise, he wouldn't have brought her here just because he liked her.

When Qiao Mianmian finished singing, she looked up and met Mo Nan's bright eyes. She was stunned and felt a little uncomfortable from being stared at. She smiled politely and said, "Teacher Mo, I'm done singing. If there's anything wrong, please guide me."

"Can you sing another song?" Mo Nan took a deep breath and tried not to get too agitated. He didn't want to embarrass himself in front of such a junior. He looked straight at Qiao Mianmian and asked, "Do you know how to sing 'You Are the Four Moons of the World'?"

This song was written by him to Sun Fei.

He wrote the lyrics and melody.

As this song had a higher pitch and a lot of variations, it was difficult to sing it.

Chapter 864: So, It's a Deal?

People not capable couldn't control it well.

Mo Nan was already very satisfied and pleasantly surprised by Qiao Mianmian's voice.

But he hoped that she could give him more surprises.

He felt that the song just now wasn't difficult enough. If Qiao Mianmian could sing this song well, he would be able to confirm her talent.

Qiao Mianmian didn't expect him to let her sing a second song.

She thought that after the song was over, Mo Nan might say something polite and then get her to wait for the news.

Anyway, she never expected him to like her.

She met Mo Nan's eyes once again, which were filled with suppressed excitement and enthusiasm. She vaguely guessed some possibilities and couldn't help but feel a little excited.

"I know how to sing it." Qiao Mianmian clenched her fists and tried her best to suppress her excitement. She reached out to hold the microphone and adjusted her voice before singing again.

Compared to the song just now, this song was more suitable for Acappella.

To most people, this song had a certain difficulty.

But to Qiao Mianmian, she could control it easily.

She was only halfway through when Mo Nan told her to stop.

Qiao Mianmian didn't know what he meant. She looked at Bai Yusheng helplessly.

"Old Mo, just say it directly." Bai Yusheng said directly, "Whether it works or not, just say it."

Mo Nan was also very direct. He nodded and said, "That's right, it's her."

"Are you sure?"

"Mm, when can she start recording?"

"This girl just took on one of my shows. I don't think she has much time for now. How about this, when she has fewer shows, I'll get her to come over and record. What do you think?"

"Mm, that's fine too. Good things are worth waiting for, I can wait for her."

"Alright. Then, it's a deal?"

"Alright, it's a deal."

Qiao Mianmian was speechless.

She hadn't expressed her opinion yet.

How did they manage to settle this as if it had nothing to do with her?

Although she definitely wouldn't reject it, shouldn't they at least ask her?

"Mianmian, what do you think?" The two of them seemed to have just recalled that she was still around. They turned to look at her and asked for her opinion.

Qiao Mianmian said, "... I'm fine."

“Alright. It’s settled, then.”

Bai Yusheng walked toward and patted her on the head. “I knew you could do it. Make this album with Mo Nan, it’ll definitely sell well.”

“Hmph, which one of my albums don’t sell well?” Mo Nan said proudly. “With my years of experience in grooming people, if I still can’t make this little girl popular, then all my years of work would have been for nothing. I can wash my hands and leave the industry.

“I’ve been preparing for this album for three whole years. It can be said that every song in this album is top-notch.

“I’m confident that once the album comes out, it’ll definitely be my most stunning work.”

Bai Yusheng smiled and didn’t comment on his confidence. “Of course, I’ve never doubted your ability. Every song you’ve produced is top-notch. It’s Mianmian’s honor to be able to sing your work.”

Chapter 865: There’s No One Mo Nan Can’t Fame

Qiao Mianmian also tried to curry favor. “Senior Mo, I’m really very, very honored to be able to work with a music master like you. I can’t believe that I have such good luck. I’ll definitely do my best to perform well and not let you and Brother Bai down.”

Mo Nan turned to look at her. His expression was calm, but his heart was still a little agitated. “I’ll also try my best to show your best standards so that every song of yours will remain in the best state. Mianmian, let’s make this album together. I believe our future cooperation will definitely be pleasant.

“But there are some things I have to say first. In private, work is work. I might not be an easy person to talk to at work. If you make me unhappy, I might say something unpleasant.

“If you find it unacceptable...”

“I can accept it!”

Before Mo Nan could finish, Qiao Mianmian said, “If I perform badly and make you unhappy, please criticize me.”

In any case, even a diva like Sun Fei had been scolded by him.

She was... fearless.

There probably wasn’t anyone who hadn’t been scolded when they sang Mo Nan’s songs.

“Alright. When you have time, we’ll start recording the CD.”

...

Qiao Mianmian still felt like she was dreaming when she left the Mo family home.

Just like before she came, it still felt unreal.

She still couldn’t believe that she could sing Mo Nan’s song.

The name Mo Nan was associated with a bunch of superstars.

She was just a newbie...

How could she work with Mo Nan?

At the red light, Bai Yusheng turned to look at her. Seeing her dazed and confused expression, he couldn't help but smile. "What are you thinking about? Your scenes are mainly focused on the first half of the month. The next half a month will be much easier.

"When the time comes, you can take the time to record the album.

"Mo Nan is the most professional musician. You don't have to worry, he'll teach you everything you don't know."

When Qiao Mianmian heard his voice, she blinked and slowly turned to look at him. Her voice was a little dazed too. "Brother Bai, can I really sing Mo Nan's song? Tell me, am I dreaming?"

"Of course not." Bai Yusheng could understand how she was feeling. Seeing how she was looking at him blankly, he found it adorable and couldn't help but pat her on the head. "You're very lucky to be the last partner in Mo Nan's retreat.

"I've known him for almost five years, and this is indeed the most time-consuming and hardworking album he has ever produced. I have a feeling that you can make it big with this album.

"There's no one Mo Nan can't groom."

"Retreat?" Qiao Mianmian was stunned.

"That's right. After this album, he'll announce his withdrawal from the industry. He's old now, it's time to give himself a break."

"I feel so pressured all of a sudden." Qiao Mianmian bit her lip and frowned slightly. "Then, this is his last show. If I don't perform well..."

"No." Bai Yusheng said gently, "You have to trust yourself and him. Mo Nan told me just now that he was very satisfied with your voice. He even said that I brought him a huge surprise."

Chapter 866: I Can't Help But Want to Treat You Better

"Anyway, don't think too much about it. Since he chose you, he's naturally very satisfied with you. It's getting late, I'll send you back?"

Qiao Mianmian felt a warmth in her heart when she heard his gentle voice and his patient comforting. "Brother Bai, thank you. Thank you for pulling the strings for me and for giving me such a good opportunity. Thank you for being so patient with me."

At this moment, she couldn't help but think how nice it would be if Bai Yusheng was really her brother.

She really wanted such a good brother to pamper her.

Everyone was happy to have a brother.

Having a brother like Bai Yusheng was even more blissful.

She wondered if he could find his lost sister.

If he did, Bai Yusheng would definitely pamper her.

He treated her so well even though they weren't related by blood.

It would be even better for his sister who had been separated from him for so many years.

She was suddenly envious of his sister.

"What's there to thank me for." Bai Yusheng looked into her eyes and kept quiet for a while. He then smiled and said, "I have my own selfish motives for helping you."

If it was anyone else, he wouldn't have bothered.

Qiao Mianmian's heart skipped a beat. "Selfishness? What selfishness?"

"Didn't I say that I feel relaxed and comfortable with you?" Bai Yusheng smiled and thought for a while before continuing, "You give me the feeling of a sister."

"So, I can't help but want to treat you better."

"This is my selfishness."

Qiao Mianmian was touched by his words. She pursed her lips and hesitated for a while before saying, "Brother Bai, there's something I'm not sure if I should say."

She was afraid that he would think that she was trying to get close to him.

Bai Yusheng raised his brows. "You don't have to worry in front of me. Just say what you want to say."

Qiao Mianmian kept quiet for a while more before looking at his handsome face and saying softly, "I feel that Brother Bai is like my brother too. Don't misunderstand, I'm not trying to get close to you or anything. It's just that Brother Bai is too good to me. I feel like I have another brother."

Bai Yusheng was stunned for a moment before smiling. "Mo Yesi and I have been friends for many years, and I'm a few years older than him. Now that you're with him, it's alright to treat me as an older brother."

"Moreover, I think it'd be nice if you were my sister."

He really liked Qiao Mianmian.

Although she wasn't his biological sister, it wasn't a big deal to acknowledge a girl he liked as his sister.

Qiao Mianmian was a little stunned. "Can we do that?"

"Of course you can. I've already told others that you're my cousin. This news will spread very quickly. If anyone asks about it in the future, just admit it directly. This way, there won't be any rumors in the production crew. Also, if you become my cousin, no one in the industry will dare to have any designs on you."

Actually, as long as she announced that she was Chairman Mo's girlfriend, no one would dare to lay their hands on her.

But judging from the current situation, she wasn't prepared to publicize it.

He understood that Mo Yesi was very possessive. It was probably not his decision to hide their relationship.

That was Qiao Mianmian's decision.

It was understandable.

Chapter 867: Don't Be So Indecent

Her career wasn't improving at all, it wouldn't be good if she revealed her relationship now.

He wasn't surprised that Qiao Mianmian chose to hide her relationship. He was just surprised that Mo Yesi would agree to it.

It was obvious that he really liked Qiao Mianmian.

That was why he was willing to compromise.

Qiao Mianmian had more or less guessed Bai Yusheng's intention when he said she was his cousin. Now that he said it, it was exactly as she'd guessed.

She was even more touched.

She couldn't help but think about how nice it would be if Bai Yusheng was her brother.

Being his sister was definitely a blissful thing.

...

Bai Yusheng sent Qiao Mianmian back to the hotel.

They bid each other goodnight and then parted ways.

When she reached her floor, Qiao Mianmian took out her room card. Just as she opened the door and was about to enter, a black figure appeared in front of her.

She was about to scream when she heard a familiar voice. "It's me."

Qiao Mianmian widened her eyes in shock and looked up at the man hugging her.

Mo Yesi...

Why did he come to City F?

A familiar scent entered her nose and confirmed his identity.

The card wasn't inserted, and the lights in the room weren't turned on. It was dark all around.

Her racing heart slowly calmed down.

“Mo Yesi, why are you here?”

He didn't even inform her that he was coming.

Not only did he not tell her, he even waited for her in the room without turning on the lights...

She was scared to death.

The man took a whiff of her hair and whispered, “Are you unhappy that I'm here?”

“... No.”

“Isn't it good to give you a surprise?”

“... Pretty good.”

It was just that she wasn't surprised, but shocked.

His way of surprising her... was a little too special.

The timid ones might really faint.

Of course, Qiao Mianmian was only complaining in her heart.

If she said it, it would definitely affect someone's enthusiasm.

“I'm hungry.”

A slightly aggrieved voice rang out above Qiao Mianmian's head again. The man's voice was low, sexy, and magnetic. This voice sounded a little aggrieved as if he was being coquettish. It softened her heart.

“You didn't have dinner?”

Qiao Mianmian knew that he definitely didn't have anything to eat.

He must have rushed to the airport after work.

The plane's meal was organic, but someone as picky as him definitely wouldn't eat it.

Qiao Mianmian's heart softened even more at the thought of him coming to her hungry.

She reached out to touch his face and couldn't help but soften her tone. “Then, I'll accompany you to eat now, alright?”

Mo Yesi buried his head in her neck. “I don't want to eat.”

Qiao Mianmian pushed him away. “Didn't you say you were hungry? Let's go eat first.”

“I don't want to eat.” Mo Yesi leaned over again and took a deep breath. “Baby, can I eat you first? Then, I'll eat.”

Qiao Mianmian was speechless.

She blushed and punched his chest in embarrassment. “Don't be so indecent. I'll ignore you if you continue like this.”

“Alright.”

Mo Yesi then let go of her and said, “I’m going to eat. But Baby, can I really not eat you first?”

Chapter 868: She Was Really Afraid

“Mo, Ye, Si!”

“Alright, alright, let’s eat first.” Mo Yesi knew that he would really anger the kitten if he continued teasing her. “But I don’t want to go out to eat. I’ll just stay in the room and order takeaway.”

“Then, can you let me turn on the lights first...”

“Let’s go to my room.” Mo Yesi wrapped his arm around her waist and led her out. “I’ve booked a room, yours is too small.”

Qiao Mianmian didn’t say anything and followed him out.

Actually, her room wasn’t small at all.

But to Mo Yesi, it was too small.

This man only lived in the presidential suite when he was out.

...

Upstairs.

Mo Yesi opened the door and walked into the room before Qiao Mianmian did.

When she reached the living room, she saw him walking towards her with a bouquet of pink roses.

He handed her the flowers. “I passed by a florist and bought a bouquet.”

Qiao Mianmian took the flowers from him and felt amused.

Mo Yesi was really a typical straight man.

He’d given her flowers previously, and she’d expressed her liking for them. Then, he’d given her this every time.

Moreover, it was always the same pink roses.

Actually, besides pink roses, she liked many flowers.

“Thank you, Hubby. I really like it.” Although he was a typical straight man, Qiao Mianmian still tiptoed and kissed him on the cheek.

He even thought of buying her flowers when he passed by the florist.

It meant that she was always in his heart.

It felt great to be remembered by others at all times.

Just as she was about to back off, Mo Yesi wrapped his arm around her waist and pulled her towards him. He lowered his head and breathed on her cheek. "What did you call me just now? I didn't hear you clearly. Call me again."

He liked it when she called him Hubby.

Qiao Mianmian glared at him. "You heard me clearly, you definitely did."

"No." Mo Yesi lied through his teeth. "I really didn't hear you clearly. Baby, repeat it, alright?"

"No!"

The man hugged her too tightly, and Qiao Mianmian pushed him away. "Mo Yesi, let go of me. I'll put the flowers down.

"I told you to let go of me."

Mo Yesi refused to let go of her. His handsome face inched closer to her, and his breath became hot. "You called me just now, why are you embarrassed now?"

Qiao Mianmian glared at him. "Didn't you say you didn't hear me clearly?"

"Mm, I'm not sure. I just heard you call me Hubby? Baby, tell me, did I hear wrongly?"

The man was getting closer.

That handsome and deep face enlarged before her eyes.

Qiao Mianmian's heart skipped a beat when she felt his breath getting warmer. She looked up and saw his dark eyes. She panicked and placed her hand on his chest. "Hubby!"

She could feel that he had been suppressing his desires since last night.

He wanted to touch her, but he held it in.

It wouldn't be nice to hold it in.

Qiao Mianmian felt her legs go weak.

She felt like... she hadn't recovered yet.

Chapter 869: No One Can Touch Her

"What's there to be afraid of." Mo Yesi chuckled when he saw how flustered she looked. He then bit her chin and said hoarsely, "Do you think I'll eat you up? I just asked you to call me Hubby, and you're already so afraid."

"Mo Yesi..." Qiao Mianmian looked at him pitifully. "I'm so tired, I want to rest early tonight."

So, don't torment me!

Her small body couldn't withstand his torment for the time being.

The man chuckled again, amused by her pitiful expression. "I didn't say what I wanted to do. Or are you hinting at me to do something? Actually, I'm very tired and want to rest early too. But if you really want it, I can..."

"No, I don't want to."

Qiao Mianmian immediately covered his mouth. "Since I'm tired and you're tired too, let's rest early. Get someone to send something up, I'll shower first."

"Shower?" Mo Yesi raised an eyebrow as his warm lips touched her palm. "Do you want to join me, I'll help you scrub your back..."

"... I'll do it myself!"

"Mm? Are you sure?"

"I'm sure!"

"Alright." The man sighed. "If you change your mind, you can call me anytime."

...

Qiao Mianmian came out of the shower and saw Mo Yesi answering a call.

His figure was tall and slender, and he was wearing a black sleeping robe. The figure standing by the window was very attractive.

Qiao Mianmian walked over lightly.

As she walked behind him, she heard him say a name coldly. "Shen Rou? You should ask her what she did. I don't know what happened between her and Fourth Bro. You asked the wrong person.

"Relationship? I didn't pursue it on account of our many years of friendship. Otherwise, do you think this matter would be over just like that?"

"No matter who it is, you can't touch her. I'll put this aside for now. Even if it's you, if you dare to lay your hands on her, I'll turn against you. Third Yan, if you're pleading on her behalf, then you don't have to speak anymore. I won't forgive her.

"Because she made an unforgivable mistake. Chance? I gave her a chance, but she didn't take it seriously."

"Alright, I don't want to hear it anymore. If you plead on her behalf again, don't call me."

Mo Yesi hung up.

He turned around with a dark expression and saw Qiao Mianmian standing behind him. The ice on his face seemed to melt instantly, and his eyes were filled with warmth.

"You're done showering?"

He reached out and gently pulled her to the side. Looking at her still wet hair, he held her hand and walked to the bed. "Wait, I'll get the hairdryer."

After a while, he brought the hairdryer over and adjusted it before standing by the bed to dry her hair.

Qiao Mianmian sat by the bed and let him do it.

She realized that ever since she married Mo Yesi, he was always the one blowing her hair.

She wasn't used to it at first.

Now, waiting for him to blow dry her hair had become a habit.

Her hair was soft and silky.

Mo Yesi pinched a strand of her hair between his fingers. When it was almost dry, he couldn't bear to throw it away.

"Mo Yesi, can I ask you a question?" Qiao Mianmian hesitated for a while and decided to ask him directly.

Chapter 870: I'll Listen to You

She didn't want to speculate.

"Mm? Baby, what do you want to ask?"

"I heard you on the phone with Yan Shaoqing?"

"Mm, Third Yan called me and I chatted with him for a while."

"Erm, I didn't mean to eavesdrop. I just happened to hear you guys talking about Shen Rou. Can I know what happened to her?"

Mo Yesi was stunned.

Qiao Mianmian saw his reaction and said, "If it's not convenient to say, pretend I didn't ask."

"It's not inconvenient." Mo Yesi turned off the hairdryer and placed it on the bedside table. He then stroked her soft hair and sat down beside her. "I'll tell you whatever you want to know. I was talking about Shen Rou with him just now. He called me to plead on her behalf.

"He hopes that I can forgive her."

"But you rejected him." Qiao Mianmian thought for a while and asked, "Did Shen Rou do something that made you angry?"

"Mm."

"What is it?"

"She did something bad to you."

"To me?" Qiao Mianmian was shocked. "So, you're angry because of me?"

"Mm." Mo Yesi nodded.

“What did she do to me?” Qiao Mianmian was confused. “Why didn’t I know about it?”

“In your scandal with Su Ze, many netizens scolded you and defamed you on Weibo. Do you still remember this?” Mo Yesi combed her hair, enjoying the feeling of her soft hair brushing past his fingers.

Qiao Mianmian was stunned for a moment before her expression changed. “This has something to do with Shen Rou?”

Back then, there were a lot of haters.

Moreover, it was obvious that they were hired to defame her.

But she thought that Qiao Anxin was behind all that.

After all, Qiao Anxin and Su Ze hadn’t broken up.

If Qiao Anxin saw the scandal between her and Su Ze, she wouldn’t sit back and do nothing.

Mo Yesi nodded and said, “She hired those people.”

Qiao Mianmian had already guessed it, but she was still shocked when she heard the truth.

It was actually Shen Rou’s fake reviewers who defamed her.

She kept quiet for a while and guessed what was going on between Mo Yesi and Shen Rou.

Mo Yesi must have found out about this and laid his cards on the table with Shen Rou. The two of them... must have had a terrible argument.

“So, you’re unhappy with Shen Rou because of this?” Qiao Mianmian hesitated for a few seconds before asking, “Then, what do you plan to do?”

Shen Rou was his friend for over 20 years.

Even if it was a moment of unhappiness, it wouldn’t last long.

He would eventually... forgive Shen Rou.

After all, it wasn’t too serious to hire the Internet Water Army to defame her.
