

Big Shot 871

Chapter 871: I Don't Want Such a Friend

"Really?"

"Mm."

"Then, if I say..." Qiao Mianmian bit her lip and hesitated for a while before saying, "I hope you'd better not interact with her anymore. What do you think?"

Would he think that her request was too much?

Qiao Mianmian also knew that Mo Yesi liked her.

She held a certain place in his heart.

But she still wasn't confident that he would agree to her request.

Shen Rou and he had been friends for over 20 years.

Was it too much to ask them to stop contacting each other?

She didn't expect Mo Yesi to agree.

Hence, when he kept quiet for a while and didn't answer her immediately, Qiao Mianmian was about to tell him to forget it when he gave a surprising answer. "Alright, I won't interact with her anymore."

Qiao Mianmian was speechless.

"You agreed?"

Mo Yesi looked at her. "Isn't this what you wanted?"

"But, haven't you known each other for a long time? Are you really willing to..."

Before she could finish speaking, Mo Yesi reached out and pulled her into his arms. "She and I have been friends for a long time, but you're my wife, the person who will accompany me for the rest of my life. I know very well what's important between friends and family. Moreover, she did something to hurt you. I won't tolerate it even if she's a good friend.

"My friend should know how to love the person and everything and everyone around them. She shouldn't have hurt you when she knows how much I care about you. When she did this, she didn't consider our so-called friendship.

"I don't want such a friend."

Mo Yesi didn't have many feelings for Shen Rou.

Although they had known each other for over 20 years.

Shen Rou was also his only friend.

But he was a cold person by nature. Even though he had known her for many years, if her temper wasn't to his liking, he wouldn't develop feelings for her just because she stayed by his side for a long time.

If he didn't like it, he didn't like it.

All these years, he didn't really like Shen Rou, nor did he hate her.

As they'd known each other for a long time, he was more tolerant of her in some matters.

This made Shen Rou his only female friend.

But this one and only meant nothing.

In other words, Shen Rou and Qiao Mianmian were incomparable.

It was a perfect answer.

Qiao Mianmian couldn't help but smile. "You agreed to it yourself, I didn't force you. If you regret it in the future..."

"I won't regret it. I've already made things clear to her. From now on, we're no longer friends." Mo Yesi looked like he was asking for praise. "Honey, do you think my performance is alright?"

Qiao Mianmian held back her laughter and pretended to consider it for a while before nodding. "Mm, it's... alright."

"Then, shouldn't you reward me if I perform well?"

"How do you want the reward?"

Mo Yesi looked down at her cherry blossom lips. "I want a kiss, is that alright?"

Qiao Mianmian asked, "... Are you sure it's just a kiss?"

"Mm." Mo Yesi nodded, his handsome face magnified in front of her eyes. "Just a kiss. Baby, is it alright?"

Chapter 872: I'm Just Kissing You, Nothing Else

Qiao Mianmian didn't trust him very much. Seeing that the man was getting closer and closer, she pushed him gently. "Mo Yesi, I have to wake up early tomorrow."

"Mm, I know."

"You should sleep early too."

"Mm, I know."

"So, you can't..."

"Mm, I know."

When she said the last word, the man's hot lips landed on hers, and he said slowly, "Baby, I'm just kissing you, nothing else."

...

This kiss lasted for a long time.

It was getting out of hand.

Thankfully, Mo Yesi kept his word this time. Although he almost lost control, he managed to hold it in at the crucial moment.

Qiao Mianmian was lying on the bed reading her script with her face flushed. She could hear the sound of running water from the bathroom and guessed that Mo Yesi must have gone to take a cold shower again.

It was rare for him to tolerate it tonight.

She'd been so distracted by him just now. If he insisted, she definitely wouldn't reject him.

When had she not been seduced by this man...

...

Early the next morning.

Mo Yesi woke up at five in the morning.

He had flown over to see Qiao Mianmian during work hours. In order not to delay his work progress, he had to fly back before dawn.

Qiao Mianmian opened her eyes groggily when he woke up.

She was stunned for a while when she saw the slender figure beside her.

She rubbed her eyes and was about to get up when the man said gently, "You don't have to get up. Go back to sleep. I'll leave after I'm done."

Qiao Mianmian was indeed very tired.

But when she thought about how he was working so hard for her, how could she continue sleeping peacefully?

She had just woken up, and her voice was still hoarse. "Wait for me, I'll send you to the airport."

"No need."

Mo Yesi pressed her back down and covered her with the blanket. He then bent down and kissed her on the forehead. "Baby, continue sleeping. You don't have to send me off. I have to leave soon, I might not have time to wait for you.

"Be good and continue sleeping. I'll call you when I get there."

Just as he said that his cell phone rang.

He hung up after a minute.

"Baby, I have to go." Mo Yesi's eyes were filled with reluctance as he kissed Qiao Mianmian on the lips again. "I've called for breakfast for you. You have to eat it before going to the set."

“... Alright.”

Seeing that he was really busy, Qiao Mianmian gave up on the idea.

“I’ll get going, then.” Mo Yesi patted her head. “I’ll come and see you when I’m free.”

“Mo Yesi...”

Qiao Mianmian suddenly felt bad for him.

He definitely didn’t sleep well last night.

She was already sleeping late and had to get up so early.

She could see the dark shadows under his eyes.

“Mm?” Mo Yesi sat by the bed and looked at her tenderly. “Baby, do you have anything else to say to me?”

“Actually, you don’t have to run every day like this.” Although she was happy to see him every day, Qiao Mianmian couldn’t bear to see him work so hard.

Chapter 873: I’m Willing

“Why, are you unhappy that I’m here to see you?”

“I’m happy. But you’re so tired, my heart aches.” Qiao Mianmian got up from the bed and reached out to touch his eyes. “You can’t even rest well like this. Let’s just meet on the weekends in the future.”

Back in Yuncheng City, they didn’t meet so often.

She didn’t know why this man would fly over to look for her every day when she was in F City.

Was he worried about her being here alone?

“It’s tiring and troublesome for you to run around every day, and it’ll affect your work. I think it’s good that we meet once a week.”

Mo Yesi furrowed his brows. “But I don’t feel tired, and I don’t find it troublesome. Did I affect you by coming over so often?”

Qiao Mianmian really felt bad for him, but Mo Yesi felt that she despised him.

She replied, “... No.”

“Then, you don’t have to worry about me.” Mo Yesi stroked her head and said gently, “I really don’t feel tired. Even if I do, it’s a blissful burden to me. In any case, I’m willing to do everything, so you don’t have to care about what I do.”

“Alright, go back to sleep. It’s still early, you can sleep for another two hours.”

Qiao Mianmian had no choice but to give up.

Forget it. Since this man was willing to run and torment her, she’d let him be.

She could tell that if she continued trying to persuade him, he might have other ideas.

He felt that there must be another reason for her to stop him.

After all, he was a jealous lover.

...

After Mo Yesi left, Qiao Mianmian quickly fell asleep again.

She only woke up when the alarm rang.

After washing up, she heard the doorbell ring.

When she opened the door, she saw that it was the hotel waiter bringing breakfast.

She took it and returned to her room. She opened the bag and saw that Mo Yesi had ordered all sorts of food for her.

There were porridge and side dishes, bread and milk, fruits and desserts.

Qiao Mianmian felt like Mo Yesi was treating her like a pig.

He ordered so many dishes.

But it felt good to have so much good food waiting for her the moment she opened her eyes.

...

After breakfast, Qiao Mianmian reported to the set on time.

When she arrived at the set, she realized that the crew's attitude towards her had changed.

If they weren't already polite before, they were now.

She wasn't surprised.

Perhaps Bai Yusheng's words from last night had spread.

Hence, everyone in the crew knew that she was Bai Yusheng's cousin.

Their attitude towards her as the director's relative would definitely be better.

When Qiao Mianmian arrived at the set to report, she bumped into Tu Yilei, who had just arrived. Even if Qiao Mianmian wanted to keep a distance from him, she couldn't ignore him.

She hesitated for a while before taking the initiative to greet him. "Good morning, Senior Tu."

Tu Yilei frowned slightly when he heard the way she addressed him. He pursed his lips and nodded. "Good morning."

Qiao Mianmian was about to leave.

"Miss Qiao." Tu Yilei called her as they walked past.

Qiao Mianmian had no choice but to stop. She asked politely and distantly, "What's the matter, Senior Tu?"

Chapter 874: Don't Worry, It's Just a Match

Tu Yilei hesitated for a while before smiling and saying, "I just wanted to ask if you have the time. I have a scene to rehearse with you."

Qiao Mianmian was stunned. "Scene?"

"Mm." Tu Yilei's eyes flickered, and he looked a little unnatural. "Of course, it's fine if you don't have the time."

Qiao Mianmian hesitated.

Ever since she decided to keep a distance from Tu Yilei, she didn't interact much with him in private.

In fact, if it wasn't for the crazy actions of his fans, and if she didn't feel that he might have feelings for her, Qiao Mianmian wouldn't have wanted to keep a distance from him.

Based on his character alone, Tu Yilei had a good character.

Qiao Mianmian found it rather pleasant to work with him.

She was willing to be friends with such a person.

But...

The thought of Tu Yilei's crazy girlfriend fans and wife fans scared her.

Now that Tu Yilei said that he wanted to rehearse with her, this was considered a work matter.

If she rejected him, wouldn't it be too obvious?

No matter what, Tu Yilei didn't offend her.

It didn't seem right for her to distance herself from him.

After a moment of hesitation, Qiao Mianmian nodded. "Alright, then."

Tu Yilei looked up at her and seemed a little surprised. "You're willing?"

Qiao Mianmian had been alienating him.

Besides some interaction when they were filming, they were worse than strangers in private.

He'd only made this request out of impulse.

He never expected her to agree.

He was prepared to be rejected by her.

“Senior Tu, it’s just a scene, right?” Qiao Mianmian hesitated for a while before saying, “Can we do it outside? I’m afraid that someone will secretly take photos of us.”

“Alright.”

Tu Yilei was in a much better mood. When he smiled, it was as if stars were falling into his eyes. “Don’t worry, it’s just a scene. Since you’re worried that someone will secretly take photos, we’ll do it outside.”

“Alright, then. May I know which scene Senior Tu wants to rehearse with me?”

It was common for actors to act against each other before filming.

Hence, Qiao Mianmian wasn’t too worried about someone taking photos of them.

Anyway, they were rehearsing outside, and it was a work matter. Even if someone took photos of them, there was nothing to be afraid of.

No matter how crazy his female fans were, they couldn’t possibly deny his normal job.

Qiao Mianmian had only considered Tu Yilei’s fans and had completely forgotten that she had a jealous lover at home.

As a result, when she and Tu Yilei had a scandal, Tu Yilei’s fans didn’t explode. Instead, a certain jealous lover exploded.

Qiao Mianmian took a long time to coax him.

Tu Yilei and Qiao Mianmian were filming a scene today. Qiao Mianmian had already seen it a few times last night and was familiar with the plot and lines.

The two of them took a look at the script and started to rehearse.

Tu Yilei looked like an idol. He looked like a male artiste who depended on his looks.

But in fact, not only was he good-looking, but he was also very powerful.

Qiao Mianmian had acted with him before and had a certain understanding of his capability.

It was actually a form of enjoyment to act with someone as capable as Tu Yilei. Moreover, she could learn a lot from him.

Chapter 875: She Didn’t Have Good Intentions

Qiao Mianmian was very good at acting and had a high level of understanding. But she was still a newcomer, and her acting skills were still lacking.

Tu Yilei would point out her flaws and teach her how to perform better.

After a few scenes, Qiao Mianmian felt that the previous night wasn’t too smooth, but now she could perform smoothly and naturally.

Moreover, Tu Yilei’s suggestions were very useful.

She had learned a lot from these scenes.

When it was over, she thanked him sincerely. "Senior Tu, thank you. I thought that there were two places where the scenes were stopped last night, but I didn't know how to perform them. Your suggestions were very useful to me."

Tu Yilei looked at her with his bright and clear eyes and smiled gently. "That's because you're originally smart and have a high level of understanding. Otherwise, it's useless no matter what I say. Speaking of which, I should thank you too. After watching the show with you, I have a lot more confidence in today's shoot."

"Can I still look for you for scenes in the future?" Tu Yilei clenched his fists as he said this. There was a hint of nervousness and anticipation in his eyes.

Qiao Mianmian thought for a while and nodded. "Mm, sure."

Tu Yilei smiled. "Alright, you can look for me if you have any scenes in the future. Miss Qiao, can I ask you a question?"

"What?"

"Are you really Director Bai's cousin?" Tu Yilei was rather curious about this. He didn't believe it completely as others did. He still had some doubts.

Qiao Mianmian had already discussed it with Bai Yusheng last night, so she hesitated for a few seconds before nodding. "Mm, he's my cousin. Why?"

Tu Yilei's eyes were filled with curiosity. After a moment of silence, he smiled and said, "Nothing much, I'm just surprised. But you and Director Bai do look alike."

Qiao Mianmian was stunned.

Previously, Nana said that she looked like Bai Yusheng, and now Tu Yilei said the same...

Qiao Mianmian hadn't noticed it herself.

Was she really like Bai Yusheng?

She couldn't help but ask, "Do you think I look like Brother Bai?"

Tu Yilei glanced at her again, his heart racing. He quickly looked away and said, "Mm, your eyes and nose are quite similar."

"Brother Tu, Miss Qiao."

At this moment, Tu Yilei's assistant walked over. He first glanced at Qiao Mianmian before whispering into Tu Yilei's ear.

Tu Yilei frowned.

He said to his assistant, "I got it, I'll be right there."

After the assistant left, Tu Yilei looked at Qiao Mianmian worriedly. "You... can stay here for a while. Don't go over for now."

Qiao Mianmian was stunned. "Why?"

Tu Yilei frowned again. "Huang Yilin is here. She said she's looking for you. She's up to no good. If you go and see her now, I'm afraid she'll do something bad to you."

Tu Yilei had a lot of dirt on Huang Yilin.

Back then, he'd threatened her that if she caused trouble for Qiao Mianmian again, he'd release the dirt.

But not long after he threatened her, he realized that someone had already released all sorts of scandals about her.

Chapter 876: Everyone Kicks a Man Who's Down

Those scandals were more complete and explosive than the ones he found. They could even kill Huang Yilin.

He got someone to investigate who released them.

But even after his men investigated for a long time, they still couldn't find out who the culprit was.

The only thing he was clear about was that the person behind all this must be helping Qiao Mianmian.

Huang Yilin must have known that the person behind this was helping Qiao Mianmian.

Hence, she was definitely up to no good today.

She was definitely here to cause trouble for Qiao Mianmian.

Tu Yilei was worried that it wouldn't be safe for her to go over now.

Qiao Mianmian thought about it too.

She knew very well why Huang Yilin was exposed.

After those scandals were exposed, the hot searches hadn't been taken down yet.

Moreover, the account that exposed the news today had some new scandals. It could be said that Huang Yilin's persona was completely destroyed.

There was no way to clean it up.

No matter how many fans she had, it was useless.

As the evidence was sufficient, the videos were also very clear. Moreover, not only were there videos and audio as evidence, but some so-called peers also opened their accounts to expose a lot of Huang Yilin's scandals.

For example, she used her status as the top female artiste in the company to bully newbies.

Also, she'd slept with many young hunks in the industry, and even an underage one.

Many people in the industry didn't like Huang Yilin.

But before she got into trouble, no one could touch her easily.

Hence, no one dared to provoke her, afraid that she would retaliate.

But it was different now.

Anyone could tell that the person who messed with Huang Yilin must have a powerful background.

Otherwise, Huang Yilin would have gotten someone to suppress the negative news a long time ago. She wouldn't have been at the top of Weibo's trending list until now.

She'd obviously offended someone she shouldn't have.

This time, no one could help her. She would probably crumble.

Everyone kicks a man who is down.

Previously, no one dared to offend her because of the power behind her. Now that she was about to die, who would be afraid of her?

In an instant, many of the so-called small accounts in the industry appeared on Weibo.

In any case, Huang Yilin's scandals came one after another. The hot topics were endless 24 hours a day. Although it wasn't completely cold yet, it wouldn't be long before it was completely so.

Now that she was in this state, the advertisement contracts she signed were probably going to be terminated.

And because of her, she had to pay for it.

Huang Yilin signed all sorts of big-name endorsement deals, and each termination fee was at least tens of millions. If she compensated them one by one, she could lose everything she had.

She must be living a terrible life now.

If the dirt was related to Qiao Mianmian.

She must be here to find trouble with her.

Qiao Mianmian knew the seriousness of the matter and nodded. "Mm, I got it."

"Then, stay here for now. I'll go over and take a look." Tu Yilei turned around and was about to leave. But after taking two steps, he turned back and reminded her again, "Remember, don't go over first. I'll go and see what's going on."

After reminding her again, Tu Yilei turned and left.

...

Qiao Mianmian stood there for more than 10 minutes. Just as she was wondering if Huang Yilin had left, she suddenly heard footsteps approaching.

Chapter 877: Soon, You'll End up Like Me

"Huang Yilin, stop right there. Did you hear me?"

"If you continue like this, I'll get the security officers to come over."

Qiao Mianmian looked up and saw Huang Yilin and her manager walking towards her.

Huang Yilin sneered as she walked. "Tu Yilei, even you have to lie to me. Before I came, I already asked around. Qiao Mianmian is here today. Why, are you so afraid that I'll do something bad to her?"

"You've seen it for yourself. I'm already in such a terrible state, what else can I do to her?"

"Don't worry, I wouldn't dare to offend her now. It's because of her that I became so pitiful. Do you think she's really a newbie with no background and can be bullied by others?"

Tu Yilei caught up with her and frowned. "What do you mean?"

Huang Yilin turned to look at him with hatred in her eyes. "Do you know who's responsible for my current state? Ha, I really underestimated her. I thought she got together with Bai Yusheng, but who knew that she has someone even more powerful than him.

"Tu Yilei, let me give you a piece of advice. Don't have those thoughts you shouldn't have. This woman isn't someone you can covet. You've seen how pitiful I am now. If the sugar daddy behind her finds out about your thoughts, you'll end up like me very soon.

"Oh, that's not right. It might even be worse. If you dare to covet that person's woman, banning you is already a light punishment."

Tu Yilei knew that Qiao Mianmian was nearby.

Hence, when he heard what Huang Yilin said, he frowned and said, "Huang Yilin, what nonsense are you talking about? We're just friends, don't talk nonsense."

"Friends?" Huang Yilin scoffed. "Your words can fool your underage fans. Do you think I'll believe you? I'm reminding you out of goodwill because we know each other.

"If you still want to continue in the entertainment industry, don't get too close to her. Isn't my ending enough to wake you up?"

At this point, Huang Yilin smiled self-deprecatingly. "Who would've thought that she'd only get the third female lead when she had such a powerful backing? I was wrong this time. I brought this upon myself."

If she managed to hook up with someone from the Mo family, she could easily get a female lead role.

At the very least, she could be the second female lead.

How could she have expected that a woman who managed to hook up with the Mo family would only be the third female lead?

If she'd known from the start that Qiao Mianmian's backing was the Mo family.

Even if she had ten guts, she wouldn't dare to touch her.

"The person you're talking about is..." Tu Yilei recalled the man he'd seen twice, and his expression changed slightly.

The moment he saw that man, he knew that he was someone extraordinary.

But to be able to destroy Huang Yilin so easily and make her so afraid and fearful, it was obvious that that man's identity was much more powerful than he imagined.

It wasn't as if he hadn't investigated it before.

But for the first time, his information network couldn't find out that man's identity.

From what Huang Yilin said, she knew that man's identity?

Huang Yilin pursed her lips and kept quiet for a few seconds. A hint of fear flashed in her eyes as if just mentioning that person's name would make her afraid.

Chapter 878: I Just Want Her to Let Me Go

Her lips quivered. "You don't have to know who he is. In any case, you just have to know that he's someone who can easily destroy us."

Tu Yilei frowned slightly. Seeing that she wasn't willing to tell him, he didn't continue asking.

"Why are you looking for Qiao Mianmian?"

"I've said it before, I'm not here to find trouble with her." Huang Yilin's expression darkened, and she said unhappily, "Now, I just want to beg her to let me live. Tu Yilei, you're just like me, you've gone from a nobody newbie to where you are today. So, you can definitely understand how I feel, right? I can't lose everything I have now. If my career is gone, my whole life will be gone too."

Tu Yilei looked at her with a frown. "Yes, I can understand how you feel. But when you did those things, did you consider her feelings? If she's just a newbie with no background, if no one is willing to help her, do you know that her career might be ruined?"

Huang Yilin was stunned for a while, and her expression turned a little awful. "You're speaking up for her? Yes, I admit that what I did previously wasn't very good, but that's because she provoked me. If she was just acting in her role obediently, would I dare to hit her?"

Tu Yilei actually pitied her current situation.

Hearing that, the little bit of sympathy in his heart vanished.

He shook his head and sighed. "By provoking you, you mean that Bai Yusheng has taken a liking to her? Not to mention that her relationship with Bai Yusheng isn't what you think it is, even if it is, it's his freedom to like anyone. How did it become Qiao Mianmian's fault?"

"Did she force Bai Yusheng to like her?"

"Why don't you think that it's Bai Yusheng's fault? To put it bluntly, you just think that Qiao Mianmian is a newbie and easy to bully. So, you can only vent your anger on her."

Huang Yilin flew into a rage. "Tu Yilei, how dare you say that you're not interested in her? You're always defending her and speaking up for her. When have you ever helped another female artiste like this?"

"Do you think she'll be grateful and like you just because you helped her?"

“That’s right, your qualifications are really good for many women. But can you compare to the sugar daddy behind her? Tu Yilei, I advise you to give up. She’s with a man like that, she can’t possibly consider you anymore.”

“So, Miss Huang felt that I wasn’t obedient enough, that’s why she taught me a lesson. But I really want to ask you in person, what exactly did Miss Huang think I did wrong to offend you?”

Huang Yilin’s and Tu Yilei’s expressions changed when they heard Qiao Mianmian’s voice.

Seeing her walk over, Tu Yilei frowned and immediately walked towards her.

Walking in front of her, he lowered his head and whispered disapprovingly, “Didn’t I tell you... why did you...”

Qiao Mianmian looked up at him. “Senior Tu, I thought about it just now and felt that I should settle my own matters. I can’t hide from her forever. Moreover, I didn’t do anything wrong, why should I be afraid of her?”

With that, she turned and walked towards Huang Yilin.

Seeing her, Huang Yilin’s expression changed again, and hatred flashed in her eyes.

Chapter 879: I Won’t Accept Your Apology

But thinking of her motive for coming here today, she held back her hatred and greeted Qiao Mianmian.

“Miss Qiao, can I talk to you?”

Qiao Mianmian looked at her expressionlessly. “I don’t think we have anything to talk about.”

When had Huang Yilin ever been bullied by a newbie?

She wanted to flare up on the spot, but she wasn’t blinded by anger and knew why she was here today.

She took a deep breath and clenched her fists. “Miss Qiao, I’m here to apologize to you. I was in the wrong previously, please forgive me, alright? I was too impulsive and did something bad to you.

Actually, I regretted it and wanted to apologize to you.

“In any case, I hope you can forgive me this time. I know you’re magnanimous and kind-hearted, and you won’t hold it against me. I...” Huang Yilin held back her shame and hatred and recited the script that her manager had prepared for her.

She said she knew she was wrong.

But there was no remorse in her eyes.

The hatred in her eyes was deep.

She hated Qiao Mianmian as much as she did.

If it wasn’t for her career, how could she apologize to this slut?

She had never hated anyone in her life.

But now, she hated Qiao Mianmian.

She wanted this slut to die immediately.

Because of her, she was now a joke in the eyes of many.

She was like a rat on the street, hated by everyone.

The producers' wives would surround her every day, scaring her so much that she didn't even dare to return home. She'd been changing hotels for the past few days.

When had she ever been so pathetic?

It was all because of Qiao Mianmian.

She had just exposed a scandal, and this slut wanted her dead.

"Miss Huang, I think you've made a mistake."

Looking at Huang Yilin's unrepentant eyes, Qiao Mianmian smiled and said coldly, "I'm not magnanimous at all, and my heart isn't kind at all. So, I'm afraid I'll have to disappoint Miss Huang.

"I think there's a good saying. If an apology is useful, why do we need the police? I'm afraid I can't forgive Miss Huang."

Qiao Mianmian knew very well what would happen if someone like Huang Yilin forgave her.

She couldn't possibly admit her mistake, nor would she be grateful for her forgiveness.

She would only hate her even more.

Qiao Mianmian saw the hatred in her eyes when she apologized.

Someone who hated her had to lower his head and apologize to her. Huang Yilin probably hated her even more now.

Since she couldn't change her hatred, why should she be a saint?

Moreover, if she forgave Huang Yilin, everything Mo Yesi did for her would be in vain.

Huang Yilin widened her eyes in disbelief. "What did you say?"

Qiao Mianmian looked straight into her eyes and said word by word, "I don't accept your apology. Just as Senior Tu said, if no one helped me, I might have been done for because of that scandal. Just a casual apology from you, and I have to forgive you and pretend nothing happened?"

"Also, Miss Huang is someone who has won the Best Actress Award before. Even if you're unwilling to apologize, you should at least show some sincerity when doing so. Why force yourself when you're so unwilling?"

Chapter 880: If You Want to Die, Let's All Die Together

"You make it sound awful, but I feel awful too."

Huang Yilin looked at her in shock. A few seconds later, her expression darkened. "Qiao Mianmian, does that mean you won't let me off?"

Qiao Mianmian said coldly, "I want to let you off too, but I don't want to let myself down."

"Do you have to be so heartless?" Huang Yilin seemed to have been angered and lost control of her emotions. "You ruined my career and my life, and you're satisfied with that? Qiao Mianmian, how could you be so cruel!"

"I'm cruel?" Qiao Mianmian found it funny. "Miss Huang, you should know that I won't attack unless I'm attacked. Miss Huang and I originally had no enmity with each other, and it was all because of Miss Huang that we ended up like this today. If Miss Huang thinks I'm ruthless, then when you tried to destroy me, didn't you think you were also ruthless?"

"It's just an eye for an eye."

Huang Yilin clenched her teeth. "So, you won't let me off no matter what, right?"

Qiao Mianmian smiled. "Miss Huang, you must be joking. It's not that I don't want to let you off, it's just that you didn't leave a way out for yourself. If you hadn't done those things, no one would be able to dig them up. So, instead of saying that I won't let you off, it's better to say that you've harmed yourself.

"I have work to do later. Miss Huang, if there's nothing else, I'll excuse myself."

With that, Qiao Mianmian turned to leave.

Huang Yilin looked at her back view and saw that she was about to leave. The last bit of hope in her heart was extinguished. Despair, anger, and hatred surged in her heart at the same time.

If Qiao Mianmian wasn't willing to let her off, she wouldn't even have a chance to make a comeback.

She would be thrown into the abyss of despair.

From now on, there was no turning back.

All her glory was gone.

She would become a joke to everyone, a pitiful creature in everyone's eyes.

She would become a complete tragedy.

From now on, she would never see a ray of light in her life. She would be trapped in endless darkness forever.

She could imagine how terrible and hopeless this life was.

She couldn't bear it even for a second.

Since Qiao Mianmian wanted to ruin her life and make her suffer for the rest of her life, she couldn't let this slut live her life as she wished.

Her life was destined to be ruined.

Since she couldn't escape death, she might as well drag someone down with her.

If she was going to die, they should all die together with her.

“Qiao Mianmian, you forced me to do this. If I can’t live a good life in the future, don’t even think about it. Didn’t you want to destroy me? Alright, then let’s destroy it together!” Huang Yilin clenched her teeth and took out a small blue bottle from her bag. She opened the cap and rushed towards Qiao Mianmian.

Her eyes were filled with hatred. “You want to destroy me, right? I begged you so much, but you wouldn’t let me go. You forced me to do this!”

By the time Qiao Mianmian reacted, Huang Yilin was already in front of her.

She splashed the liquid in the blue bottle at her face.

At that moment, Qiao Mianmian’s mind went blank, and she instinctively reached out to cover her face.

Someone was faster than her.

Just as Huang Yilin raised her hand to throw the liquid at her face, she was pushed away forcefully. The pain she imagined didn’t come, and she was pushed two steps back. Just as she moved her hand away, she heard a sharp scream.
