

Big Shot 911

Chapter 911: This Man... Is Really Mo Shixiu

She seemed to be rooted to the ground as her eyes widened in shock. She stared at Mo Shixiu for a while before rubbing her eyes and shaking her head.

When she opened her eyes again and saw that the man was still standing in front of her, looking at her with gentle eyes and a slight smile, she was finally sure that she wasn't dreaming, nor was she hallucinating.

This man was real.

He was really... Mo Shixiu.

She really... saw Mo Shixiu.

But she still couldn't recover from this shock. She still felt that this was unbelievable and didn't feel real at all.

The man Assistant Xu was referring to was Mo Shixiu?!

The man she had a moment with that night was Mo Shixiu?!!

How was that possible?

Even in her dreams, she couldn't possibly dream of something so absurd and ridiculous.

"Miss Jiang, nice to meet you. I'm sorry for asking you to come over. Let me introduce myself first. I'm Mo Shixiu, 29 years old this year. I'm still single and don't have any bad habits. I don't have any illnesses."

Jiang Luoli looked at him blankly.

Her mind was still blank.

This man... was really Mo Shixiu.

Mo Shixiu, the man she had once idolized and fantasized about for several nights.

The man she felt was as distant and sacred as a god.

He was the Prince Charming in the dreams of all the women in Country A. He used to be the man most wanted to sleep with.

Back then, Jiang Luoli's dream in life was to sleep with him once.

She never thought that her dream would come true.

She really slept with Mo Shixiu.

She wanted someone to tell her that she wasn't dreaming.

She really slept with Mo Shixiu.

Mo Shixiu looked at her stunned expression and couldn't help but laugh. "Miss Jiang, do you have anything to say to me? If you feel it's inconvenient, I'll get them to leave first. We can have a private chat."

With that, Mo Shixiu shot Assistant Xu a look, signaling him to disappear.

Assistant Xu looked worried and angry.

He knew that Jiang Luoli would react this way when she saw the Minister.

What should he do now?

This woman must be thinking about how to seduce the minister. She might even be dreaming of marrying the minister and becoming his wife.

The minister was just a blank piece of paper when it came to relationships, and this woman surnamed Jiang was obviously a familiar face.

He was worried that the minister would fall into her trap.

"Minister, you..." Assistant Xu wanted to remind him.

Mo Shixiu glanced at him coldly. "Have you finished what I asked you to do today?"

Assistant Xu replied, "... No."

"Then, why are you still standing here? Do you need me to remind you what to do?"

The man's voice was still gentle, but Assistant Xu shuddered and dared not say another word.

"Yes, Minister. I'll get it done right away."

...

After Assistant Xu left, Mo Shixiu got the housemaids to leave too.

Sister Lin served the coffee and left.

Only Mo Shixiu and Jiang Luoli were left in the huge living room.

Chapter 912: She Accidentally Slept With Her Prince Charming

Jiang Luoli's nervousness increased to seven.

She clenched her fists even tighter.

Her heart raced as she gripped the cushion on the sofa tightly. She dared not look at the man in front of her.

Before coming, she was aggressive.

But when she saw Mo Shixiu, she was terrified.

Mo Shixiu looked down at her for a few seconds and saw that she was nervous. He then slowly sat down opposite her and said gently, "Miss Jiang, you don't have to be afraid. It's just a normal meeting between friends. Relax."

As he spoke, his lips curled up. In order to make her relax, he joked. "I think I'm not that scary-looking. Why doesn't Miss Jiang dare to look up at me? Could it be that I'm not good enough for Miss Jiang?"

"Who says I don't dare!"

Jiang Luoli couldn't tolerate being provoked. She immediately looked up and glared at Mo Shixiu.

When her gaze landed on the man's handsome face, her heart suddenly slowed down, and her mind went blank for a second. Then, her heart started pounding even faster.

It was beating so fast... she felt as if a drum was pounding in her chest.

His entire chest was shaking.

Gosh, she couldn't take it anymore.

How could Mo Shixiu be more attractive than on television?

She had always felt that his looks on television were shocking enough.

As a pervert, she felt like her life had been turned upside down.

This was the first time she'd given a man so handsome, with such a good figure, and such an outstanding one at that. She'd made a killing.

God knew how many times she had fantasized about Mo Shixiu.

She even dreamed of him...

Although the experience that night wasn't very good, as long as it was Mo Shixiu, nothing else mattered.

She suddenly felt that the experience was especially good.

All her unhappiness towards this man vanished.

Who was Mo Shixiu?

He was the man that all the women in Country A wanted.

She actually managed to sleep with such a man.

What kind of luck did she have?

She now believed that Mo Shixiu had indeed been drugged that night.

Otherwise, given his status, she should never have been able to touch him in her life.

Not to mention sleeping with him.

So, she really earned it that night.

This surprise was as good as winning the lottery. No, it was even more surprising than winning the lottery.

Jiang Luoli was usually bold, but in front of Mo Shixiu, she was as timid as a lamb. She only looked up at him for a few seconds before lowering her head again.

She dared not look at him again.

If they continued to look at each other, she was afraid that she would die of a heart attack.

She took a sip of the coffee on the table to hide her nervousness and agitation.

“Miss Jiang, about that night...” Mo Shixiu had no experience with women. He didn’t have anorexia like his younger brother, but because of his personal relationship, he rarely interacted with women.

Their relationship history was the same.

The only difference was that Mo Yesi had Qiao Mianmian now.

Mo Shixiu was still single.

Chapter 913: Was She Out of Her Mind?

Although he looked calm on the surface, he was actually a little nervous.

It was just that he never showed his true emotions.

At the mention of that night, he hesitated for a while. He first looked at Jiang Luoli’s reaction and didn’t feel that she was against this topic. Then, he continued gently, “I’m very sorry. The situation was special back then, and I did something irrational.

“Although I know it’s meaningless to say this now, I still want to apologize to you in person.”

That night was her first time.

The first time was very important to girls.

But he still wanted her under such circumstances. Even if he made it up to her afterward, he still felt like he owed her.

She definitely wanted to do that with the person she liked.

And to her, he was just a stranger.

This was why he decided to see her in the end.

He couldn’t take her and not even let her know what the person she did it with looked like.

This was too much.

Jiang Luoli looked up in surprise.

Mo Shixiu’s eyes were gentle. “Miss Jiang, I still have to apologize to you for the way I compensated you previously. That was the worst decision I made. It was also the first time I encountered such a thing. I was a little confused at that time and didn’t think about it rationally, so I got Assistant Xu to look for you.

“I regretted it when I calmed down.”

“You’re a good girl. That’s an insult to you. I hope you can accept my apology and let me make it up to you again, alright?”

Jiang Luoli looked into his warm and sincere eyes and said without thinking, “I don’t think that’s an insult. You don’t have to feel sorry for me. And speaking of which, I should actually make it up to you. After all, I’ve always wanted to sleep with you. I...”

Mo Shixiu had just picked up the coffee on the table when his hand trembled, and the coffee almost spilled out.

He looked at Jiang Luoli in shock. “Miss Jiang, you...”

Jiang Luoli suddenly realized something.

When she realized what she’d said, she was stunned.

“No, Mr. Mo, I...” She hurriedly explained, her face burning up. “I didn’t mean that. I meant that you don’t have to feel sorry for me. That night... that night, you didn’t force me. I-I did it willingly.”

Damn it.

What did she say?

She actually said what she was thinking.

Ahhh, she wanted to dig a hole and hide.

How embarrassing.

Mo Shixiu must have heard everything.

He must have heard it. Otherwise, why would he have such an expression?

Jiang Luoli’s face was getting warmer and warmer. She felt like she was trying to cover it up.

She felt like her brain couldn’t function properly the moment she saw Mo Shixiu.

She had no idea what she was talking about.

She was in a daze.

Mo Shixiu looked at her in shock for a while and saw her lower and lower her head...

It was as if she wanted to bury herself.

Chapter 914: He Didn’t Want to Be Affected Anymore

He couldn’t help but find it funny that girls were so shy.

He suddenly recalled that night.

She was also very shy. When he wanted her, she was covered in a layer of pink from head to toe, her body trembling.

It was like a flower blooming beneath him.

She looked so alluring.

Mo Shixiu didn't know much about women. He just felt that they were weaker than men.

He knew nothing about relationships.

As she had never experienced pleasure before, she could control her desires very well.

She was used to living a life without desires.

But it was fine if he didn't try it. Once he tried it, he would get addicted.

This was what it meant to have a taste for food.

He had always been indifferent towards such matters, but he actually had a wet dream these few nights.

He woke up in the middle of the night, and the strange feeling in his body made him feel confused and ashamed.

At the same time, he felt that he was a beast.

That was because he'd dreamt of the woman he'd spent the night with.

In his dream, he relived that night.

If that night was an accident because he was drugged, why did he have such a dream?

He was confused. He didn't know why he would still dream of her and do such things with her in the dream.

This confusion had affected him for days, making him unable to focus on his work.

Sometimes, when he closed his eyes, all he saw was that night.

Hence, he wanted to get to the bottom of this. He didn't want to be affected anymore.

This was another reason why he suddenly wanted to see her.

He thought that since the dream started because of her, meeting her might solve the doubts in his heart.

At the thought of that dream, he felt a little ashamed. At the same time, he felt that he was a little dirty.

He actually thought about things he shouldn't have in front of her.

This was gangster behavior.

Mo Shixiu felt a little ashamed and said apologetically, "I'm sorry, Miss Jiang."

“Mr. Mo, why are you apologizing to me again? Didn’t I say that I was willing that night? You didn’t force me.” Jiang Luoli already had a good impression of Mo Shixiu. His apology made her feel even better about him.

He was indeed her Prince Charming.

His character was impeccable.

He hadn’t forced her that night. They were both willing parties, and he didn’t even have to compensate her.

But not only did he give it to her, but he was also very generous.

And now he was apologizing to her again and again.

He didn’t act superior in front of her just because of his status, even though he could have done it himself.

He didn’t have to apologize to her.

He hadn’t done anything to let her down.

“It’s not because of what happened that night.” Mo Shixiu looked at the girl’s youthful and flamboyant face. For the first time in his life, he felt embarrassed and uncomfortable. “I thought of offending Miss Jiang just now. This is very inappropriate and ungentlemanly behavior. I want to apologize for my actions just now.”

Jiang Luoli was stunned. “Mr. Mo, what were you thinking about?”

Mo Shixiu was stunned. His expression changed slightly, and he coughed lightly. “Miss Jiang, it’s better if you don’t know.”

Chapter 915: He Was Her Dream Lover

Jiang Luoli was speechless.

But she really wanted to know.

She wanted to know what Mo Shixiu was thinking about her.

Moreover, she didn’t mind at all.

He was Mo Shixiu.

Her dream lover.

She wouldn’t mind even if he wanted to do something ungentlemanly to her!

Of course, she couldn’t say it out loud.

He was shocked by what she said.

If she said anything else, would he regret meeting her this time?

She didn’t want to scare him.

“Mr. Mo, may I ask why you want to see me?” Jiang Luoli was in a much better mood than before, but she hadn’t completely calmed down. She couldn’t remain calm in front of Mo Shixiu.

This man was a legend in her heart.

She finally saw him today. How could she calm down?

But she was really curious why Mo Shixiu decided to meet her.

Didn’t he get Assistant Xu to compensate her because he didn’t want to see her?

Since he’d already decided not to see her, why did he change his mind now?

Was it because he suddenly felt guilty?

But what was there to feel bad about?

Mo Shixiu’s expression returned to normal when he heard her question. He thought for a while before looking at her gently and saying, “Miss Jiang, I’ve said it before. It was the wrong decision to get Assistant Xu to give you the compensation that day. Now, I want to correct my mistake. I still want to make it up to you, but I hope you can tell me how to do it.”

In Mo Shixiu’s opinion, girls were always at a disadvantage in such matters.

Hence, he wanted him to make it up to her.

“What do you mean?” Jiang Luoli blinked and couldn’t help but tighten her grip on her bag. “Mr. Mo, are you taking back that check?”

Although sleeping with Mo Shixiu was a win-win situation, she didn’t want to return the compensation that she had already received.

It was as if she was about to spit out the delicious duck meat in her mouth.

How could she bear to?

Although she was a good-looking person, she had her own principles.

She had slept with him.

She had taken the money that was rightfully hers.

She couldn’t return the 50 million just because she slept with her Prince Charming!

She... couldn’t do it!

Jiang Luoli suddenly wondered if Mo Shixiu regretted giving her 50 million yuan.

Did he want to take it back?

He even said that giving her money was an insult...

At this thought, her expression changed, and she was no longer in the mood to be smitten.

Although Prince Charming was good, compared to 50 million yuan...

She'd better choose the 50 million.

Mo Shixiu looked at her nervous and alert expression and was stunned for a while. Then, he couldn't help but chuckle. "Miss Jiang, don't worry. That's not what I meant. Since I've already given you the money, it's yours. I can't take it back."

He wasn't trying to take the money back?

Jiang Luoli heaved a sigh of relief.

As long as it wasn't about taking the check back, everything was fine.

Chapter 916: Please Don't Reject Me

"Then, Mr. Mo is..."

Mo Shixiu's eyes were as dark as ink. When he looked at her, Jiang Luoli's heart couldn't help but race, and her face started to burn.

There was a kind of person who, when looking into his eyes, would feel that his gaze was especially focused as if he only had eyes for you.

Mo Shixiu was such a person.

Jiang Luoli knew that it was an illusion, but her heart skipped a beat when she met his eyes.

At that moment, she couldn't help but be tempted.

"Miss Jiang, I want to make it up to you again. Tell me what you need me to do for you. As long as it's something I can do, I'll agree to it."

Mo Shixiu thought about it for a while and finally attributed his unusual behavior to his guilt towards her.

Because he still felt like he owed her, he thought of her from time to time.

Hence, if she was the one who suggested the compensation, as long as he did it, there wouldn't be any more abnormalities.

As long as he didn't continue to owe her, he wouldn't think about her anymore.

His life could return to normal.

Mo Shixiu desperately wanted his life to return to normal.

"You want to make it up to me again?" Jiang Luoli looked at him in surprise.

"Mm. Miss Jiang, have you thought of any compensation?" Mo Shixiu smiled and asked gently.

"But, didn't you already give me 50 million yuan?" Jiang Luoli wasn't a greedy person. "I think this compensation is enough. Mr. Mo, you don't have to compensate me anymore."

He didn't owe her anything.

In fact, she felt that he was the one at a disadvantage.

“Miss Jiang, I’ve already said that using that sum of money as compensation is the wrong decision. I hope you can make some other request. Do you have anything you want to do, perhaps something you want?”

Jiang Luoli said, “Mr. Mo, that night... I did it willingly. You really have nothing to be sorry about. You don’t have to make it up to me.”

“But, I hope you can make a request.” Mo Shixiu looked at her steadily and seemed a little insistent on this matter. “Miss Jiang, I really hope to make it up to you again. If you don’t think you need any compensation at the moment, you can consider it before replying to me.

“But please, don’t reject me.”

Jiang Luoli was speechless.

This was the first time she met such a man.

He had to make it up to her.

And it seemed especially urgent and persistent as if she would hurt him if she didn’t agree.

“Mr. Mo, I...”

“Miss Jiang, if you can’t think of it now, you can think about it when you get back.” Mo Shixiu was rarely rude and interrupted her. “There’s no rush. I’ll do it for you no matter what you ask.”

Jiang Luoli was speechless.

“I didn’t deliberately snub you that morning. I left early because I had something urgent to attend to.” Mo Shixiu didn’t know why he was telling her this, but he wanted to clear things up.

He didn’t want her to misunderstand him.

“After that, I thought about some things and felt that it wasn’t convenient for us to meet, so I got Assistant Xu to contact you. I didn’t do it properly and made Miss Jiang feel aggrieved. I have to apologize to Miss Jiang again.”

Jiang Luoli didn’t know what to do with his attitude.

Chapter 917: Does He Have Time to Date?

“Mr. Mo, you don’t have to apologize to me.” Jiang Luoli felt that she had to make things clear to him. “I’ve said it before, I was willing to do it that night. You didn’t force me. Since it’s a matter of mutual consent, you have nothing to be sorry about.

“I’ve already seen Mr. Mo’s sincerity. If you really feel like you owe me and can make it up to me to make you feel better, I’ll consider the compensation seriously when I get back.

“But now, I really haven’t thought of what I need.”

Jiang Luoli now knew why Mo Shixiu wanted to see her.

This man had a strong sense of responsibility and some traditions.

He felt that he had taken away her first time and suffered a loss, so he wanted to make it up to her.

In his mind, even if she was willing to do it, she was still a woman and would be at a disadvantage in such matters.

After knowing his thoughts, she didn't reject his so-called compensation.

Since he wanted to make it up to her so much, she'd let him.

She nodded.

As expected, Mo Shixiu smiled when he saw that she agreed. "Alright, Miss Jiang, you can think about it when you get back. You can contact me anytime if you're ready."

He picked up his cell phone.

After a while, Jiang Luoli heard her cell phone ring.

She took it out and saw that it was an unknown number.

The ringtone went off after two rings.

Mo Shixiu looked at her and said, "Miss Jiang, this is my private cell phone number. I might be a little busy in a few days. If you call me, I won't pick it up immediately. I hope you don't mind. I'll call you when I'm free."

Jiang Luoli's heart skipped a beat when she heard that it was his private number.

She looked into the man's deep and cold eyes and tried her best to ignore the strong and fast heartbeat. She said calmly, "Alright, I got it."

She knew how busy Mo Shixiu was.

The entire country knew that he was a busy man.

Jiang Luoli couldn't imagine how a man like Mo Shixiu would look like when he had a girlfriend.

Did he have the time to date?

"In any case, even if I didn't pick up your call back then, I'll definitely reply to you when I see your call."

"Mm."

"Miss Jiang, I apologize again for what happened that night."

Jiang Luoli was a little helpless. "Mr. Mo, didn't I say that you didn't do anything to let me down? I hope you won't apologize to me again, alright?"

"Alright." Mo Shixiu smiled. "I won't say anymore. We won't talk about this anymore."

With that, he looked at the time on his watch and hesitated for a while before looking at Jiang Luoli hesitantly. "Miss Jiang, how about staying for dinner?"

At this moment, Sister Lin walked over and smiled at Jiang Luoli. She walked towards Mo Shixiu and said respectfully, "Mister, dinner is ready. Do you want to eat now?"

Mo Shixiu asked for Jiang Luoli's opinion. "Miss Jiang, do you want to join us?"

"Miss Jiang, just have your dinner first." Sister Lin didn't wait for Jiang Luo to leave before walking over. She held her hand affectionately and said, "Mister doesn't usually have any visitors. We've waited for so long and finally managed to get Miss Jiang here. You can't just leave like this."

Chapter 918: The Cold and Lonely Place Was Much More Popular

"I made a table full of dishes, there must be something you like."

"This..."

"Miss Jiang, is there anything urgent?"

"... No."

"Then, don't be in a hurry to leave." Sister Lin pulled her up. "It's not too late to leave after dinner. I made so many dishes because I thought Miss Jiang would definitely stay for dinner. If you leave, Mister won't be able to finish all the dishes on the table alone."

Sister Lin's enthusiasm was overwhelming.

Behind her, Mo Shixiu looked at her with a smile and stood up slowly. "Miss Jiang, let's have dinner before you leave. Sister Lin's culinary skills are very good. She cooked a few of her best dishes. You must try them."

"Yes, Miss Jiang. Stay for dinner."

Jiang Luoli said, "... Alright, then."

She couldn't reject their invitation.

Moreover... she didn't want to reject him.

It was her dream to have dinner with her Prince Charming.

But she probably wasn't in the mood for this meal.

She was already staring at him while eating with her Prince Charming, how could she have the mood to eat?

Seeing that she had agreed, Sister Lin happily dragged her to the dining room.

Mo Shixiu usually didn't have many visitors.

Not to mention female ones.

Only Madam Mo had been here a few times.

Hence, Sister Lin was especially happy to see Jiang Luoli and wanted her to stay longer.

As for Mo Shixiu.

He followed behind them. He was a little dazed as he watched the two of them being so intimate.

His place was usually empty.

Although the house was huge, there were many people.

Because of his personality and work, everyone treated him with respect. He could tell that they were nervous and even a little afraid of him.

Hence, laughter was practically non-existent.

But now...

As if because of someone's arrival, the originally quiet place became a lot livelier.

He used to dislike noise.

Hence, he had to keep it quiet for 24 hours.

But now...

He didn't find it noisy at all when he heard the girl's laughter. In fact, he found it pleasant.

It somehow made him feel more relaxed.

...

Qiao Mianmian lay in bed and chatted with Jiang Luoli for a while before sending Qiao Chen a WeChat message to ask about how he was.

The siblings chatted for a while, and when they were done with their daily questions, Qiao Chen said that he was about to go for self-study and sent her a voice message.

Qiao Mianmian clicked on it and heard that Qiao Chen said he would visit her in F City this weekend.

Just as she was about to finish listening to the voice recording, Qiao Mianmian heard a girl's voice calling Qiao Chen's name.

Qiao Mianmian's expression changed slightly.

If she didn't hear wrongly, that girl should be Shen Xin.

Were Qiao Chen and Shen Xin still in contact?

Qiao Mianmian wanted to call him to ask, but she held back when she recalled that he was about to start self-study.

Forget it.

Qiao Chen had been sensible since he was a child. He wouldn't do anything to make her worry.

He should be able to settle things with Shen Xin.

She didn't have to worry too much.

Mo Yesi had been in the kitchen for more than half an hour.

Chapter 919: Unidentified Object

Qiao Mianmian was still worried. She thought for a while, threw her cell phone aside, jumped off the bed, and ran out of the kitchen.

As she got closer, she could smell the pungent smoke.

She immediately pushed the door open, and a puff of white smoke hit her face, causing her to cough uncontrollably.

“Cough, cough, cough. Mo Yesi, what are you doing.” Qiao Mianmian coughed so hard that she was tearing up. She held her nose and blew the white smoke away as she walked in. When she saw the two black and unclear objects in the nonstick pot, she was stunned and asked with a twitch of her lips, “What’s in the pot?”

“Cough.” Mo Yesi choked too. He covered his mouth and coughed. He looked down at the two pieces of black stuff in the pot and kept quiet for a while before saying, “Steak.”

Qiao Mianmian asked, “... Steak?”

She couldn’t help but ask, “Are you sure?”

The two balls were so black that it was hard to tell what they were.

“Mm.” Mo Yesi also felt that his steak was a failure and looked a little unnatural. “This steak... I don’t know how it became like this. I made it according to the recipe, it shouldn’t be like this.”

Qiao Mianmian was speechless.

She wanted to laugh but held it in.

She recalled how Mo Yesi had confidently said that it wasn’t difficult to follow the recipe.

He could definitely do it.

But now... it was done. He just couldn’t eat it.

It seemed like a smart man like Mo Yesi didn’t know everything.

He could manage a company with tens of thousands of people well.

But in terms of culinary skills, he was obviously not talented.

Qiao Mianmian wasn’t surprised at all. In her opinion, it was already good enough that Mo Yesi didn’t set the kitchen on fire.

“There are still two pieces of steak left.” Mo Yesi kept quiet for a while before picking up two pieces of steak from the nonstick pan and throwing them into the trash can. “I’ll do it again. I’ve got experience this time, I’ll definitely be able to do it well.”

“Let me do it.” Qiao Mianmian sighed. “Go out and wait. Dinner will be ready in 40 minutes at most.”

“I’ve already said that I’ll be the one cooking today.” Mo Yesi furrowed his brows. “Believe me, I’m really experienced now. Wait for a while more, I’ll be done with the steak soon.

“It was just a mistake.”

He found an excuse for himself and refused to admit that his culinary skills were terrible.

What could possibly stump Mo Yesi?

As long as he wanted to do it, there was nothing he couldn’t do.

He didn’t believe it.

He had to make this meal today.

He wanted her to know that he would definitely do what he promised her.

“Baby, go out and wait a while more.” Mo Yesi took the pot and washed it in the sink. He looked as if he wouldn’t leave the kitchen until the steak was done. “In half an hour, no, at most 20 minutes, I’ll be done with the steak.

“Eat some snacks first. I’ll prepare it as soon as possible.”

Qiao Mianmian was speechless.

She didn’t want to dampen his enthusiasm.

But she was really worried that he would burn the kitchen down. She thought for a while and said tactfully, “Mo Yesi, why don’t we cook together?”

Chapter 920: When Have You Ever Made Me Worry?

“The two of us should cook faster. You cook one dish, and I’ll cook another. We can have a taste of each other’s dishes later.

“Don’t you find this interesting?”

“Also, I don’t think you’ve eaten my food before. Although I only know how to make home-cooked dishes, the taste isn’t too bad. If you don’t mind...”

“How could I?” Mo Yesi said. “Honey, your food must be the best in the world. I’m the happiest man in the world to be able to eat your food.”

The man’s words were sweet to Qiao Mianmian.

She glared at him. “You’re exaggerating.”

Mo Yesi said seriously, “I’m not exaggerating at all. I’m speaking from the bottom of my heart. My wife’s food is the most delicious food in the world.”

Qiao Mianmian couldn’t help but laugh and hit his chest lightly. “Mo Yesi, why do I feel like you’re getting better at sweet-talking now? Did someone teach you?”

“No one taught me.”

Mo Yesi smiled and wiped his big, wet hands on his apron. He then reached out and pulled her into his arms, looked down at her lovingly, and said, "Baby, seeing you, I've learned without a teacher. If I have to say who taught me, then my teacher is you."

Qiao Mianmian couldn't take it anymore.

She couldn't help but smile as she leaned against his chest and took a deep breath. "Hmph, another sweet talker. I didn't teach you to be so glib. I wonder which woman taught you that."

"Mrs. Mo, are you doubting me?" Mo Yesi chuckled. He pinched her chin and kissed her gently. "Besides you, who else is there for me? Your husband is already under your control. I've given you my whole heart, what else do you have to worry about?"

"But you always make me worry. I'm worried about you." The man furrowed his brows as if he was complaining to her.

Qiao Mianmian looked up at him. "How did I make you worry?"

The man looked at her deeply. "How is it that I'm not worried? Su Ze alone is enough to give me a headache, and now there's Tu Yilei. And that Bai Yusheng guy, he's obviously up to no good. Tell me, when have you ever not made me worry?"

Qiao Mianmian was speechless.

This jealous lover was going back on his words.

Moreover, why did he mention Bai Yusheng again?

Qiao Mianmian said helplessly, "I only treat Bai Yusheng as an older brother. Moreover, he only treats me as a younger sister. Mo Yesi, can you not be jealous? There's really nothing between Brother Bai and me."

Mo Yesi scoffed. "I believe you just think he's your brother, but that guy..."

Qiao Mianmian was speechless.

"Baby, how long have you known him for? I've known him for six to seven years. I know him better than you do. He has never casually acknowledged any brother or sister, nor has he taken special care of any actress. Even if that guy doesn't like you, he must have other intentions.

"I regret entrusting you to him now. If I'd known that he had such evil intentions, I wouldn't have let you join his show."

Qiao Mianmian was speechless.

"But I really believe that he only sees me as a sister." Qiao Mianmian kept quiet for a while before saying, "I can feel that he doesn't have any other feelings for me."
