

Big Shot 941

Chapter 941: Mo Yesi, That Hooligan!

He was her husband.

He was the closest person to her.

But if he wanted to know about her, he had to get it from someone else.

He was the last to know about the things that even the people around her didn't know about.

Mo Yesi was still a little angry at the thought of this.

Qiao Mianmian knew that she'd made a mistake in this matter, so her attitude was very good. She nodded obediently and said, "Mm, I promise you. In the future, no matter what happens, I'll tell you immediately."

Mo Yesi raised an eyebrow. "Can you keep your word?"

"Yes!"

"What if you can't do it?"

"Then... then, you'll punish me?"

"Punish you?" The man's gaze landed on the red marks on her neck. He paused for a few seconds and smiled meaningfully. "Alright. If I find out that you didn't do it, I'll punish you. By then, it won't matter how you cry or beg me."

Qiao Mianmian immediately understood what he meant.

She also knew what his so-called punishment was.

She blushed.

Mo Yesi was such a hooligan!

...

After Mo Yesi and Qiao Mianmian left, Michael returned to the ward with a relaxed expression.

He pushed the door open and saw Tu Yilei standing by the window and looking out quietly.

He didn't even turn around when he heard the door open.

He seemed to be in a daze.

Michael stood at the door for a while, but he still didn't respond.

Michael frowned slightly and walked into the room.

He stopped behind Tu Yilei and kept quiet for a while before saying softly, "Little Tu, are you still angry with me? You know that everything I do is for your own good. It's been so many years, don't you know how I treat you?"

“Alright, I just said it out of anger. If I didn’t want to bother with you, I would’ve quit a long time ago. Why would I come here to be angered to death by you?”

Tu Yilei still didn’t react.

He didn’t even move.

He didn’t seem to hear him or see him.

He stood by the window and looked out.

“Little Tu.” Michael thought that he was still angry, so he deliberately ignored him. He frowned and patted him on the shoulder. “You’re not really angry with me, right? Who doesn’t say mean words when they’re angry? You’re so petty.

“Don’t be unhappy, let me tell you something.

“I’ve talked to that man with the surname Mo, and he’s pretty sincere. He said that he’ll compensate us with double the economic losses on our side. Moreover, he promised to give you four top-notch male lead roles, and also sign a few big advertisements for the Mo Corporation for us.

“With these resources, we don’t have to worry anymore. I didn’t expect that man surnamed Mo to have so much power in the Mo Corporation. He actually decided to sign a few big advertising contracts for the Mo Corporation next year.

“I don’t know if he can do what he says, but he didn’t seem to be bragging. What position does he hold in the Mo Corporation? His tone is as if he’s the Chairman of the Mo Corporation. Can a relative of his really have that much power?”

Chapter 942: Do You Think It’s Possible...

Michael didn’t notice that Tu Yilei, who hadn’t had much of a reaction, suddenly turned to look at him.

He was still nagging. “But speaking of which, I heard that the Chairman of the Mo Corporation who just returned isn’t that old. He’s only about 25 or 26 years old, about the same age as him. And I heard that he has an outstanding appearance. Do you think it’s possible...”

Michael’s eyes widened in shock.

He suddenly thought of a possibility.

Both of them had the same surname and were about the same age. Their looks and aura were one in a million...

And he could easily decide who to sign the Mo Corporation’s advertisement contract with.

He could also easily promise the male lead of four top-notch films and double the compensation.

This... wasn’t something a relative of the Mo family could do so easily.

Also, when he was talking to the man with the surname Mo just now, he clearly felt that the man's aura and mannerisms weren't like that of a relative from the side family.

Even the Mo family's relatives were considered top-notch.

But compared to the two young masters of the Mo family, there was still a difference.

The more Michael thought about it, the more he felt that his speculation was probably true.

Thinking back to the first time he met that man, he felt that his identity must be extraordinary.

He was afraid of him then.

He never knew where this fear came from.

Now he understood.

If the man surnamed Mo was the other Mo family member who kept a low profile and nobody knew what he looked like, it was normal for him to be afraid.

It wasn't embarrassing to be afraid of Second Young Master Mo.

Michael looked up in shock and saw that Tu Yilei finally had a reaction. He hesitated for a while before saying, "Little Tu, do you think that Mo Yesi is the new Chairman of the Mo Corporation?"

Tu Yilei had also thought about that.

But he didn't want to believe it.

He pursed his lips and kept quiet for a while. "I don't think so. The new Chairman of the Mo Corporation just returned to the country and just took over the company. He must have endless things to do every day. How could he have so much free time to come to F City every day?"

"That's true." Michael thought for a while and felt that the possibility was low. "I heard that the Mo Corporation's Chairman has a strange problem. He doesn't like to interact with women since he was young. So, even though he's eligible, he doesn't have a woman by his side.

"If he was the Chairman of the Mo Corporation, he wouldn't be so intimate with that Qiao girl."

Tu Yilei clenched his fists.

Images of Qiao Mianmian and Mo Yesi leaning against each other and the love bites on her neck appeared in his mind...

He felt a sharp pain in his heart.

"I almost forgot, a friend of mine works at the Mo Corporation. I can ask her." Michael suddenly slapped his thigh and took out his cell phone to type a WeChat message to his so-called friend.

After about a minute, the other party replied.

When Michael saw the photo sent by his friend, he was so shocked that he couldn't say a word.

Chapter 943: You've Finally Figured It Out?

He turned around and looked at Tu Yilei in shock, handing him the cell phone.

Tu Yilei took it and looked down. In an instant, his grip on the cell phone stiffened.

Even his body stiffened.

It was really him.

How could it be him?

Michael was shocked for a while before recovering.

But his eyes were still filled with disbelief. He looked at Tu Yilei in shock. "Little Tu Tu, that Mo guy is really the Chairman of the Mo Corporation. Didn't they say that the Second Young Master of the Mo family doesn't get close to women? But he was clearly..."

Michael wanted to say that they were obviously intimate, but halfway through, he saw Tu Yilei's awful expression and swallowed his words.

But he still had doubts.

Could the rumors be false?

The Second Young Master of the Mo family didn't have misogyny?

Otherwise, what was going on between him and that girl?

He already felt that his Little Tu had no hope.

But now, Qiao Mianmian's boyfriend was actually the Chairman of the Mo Corporation.

The Second Young Master Mo of the Mo family.

At such a young age, he was already in charge of the economy of Country A.

It was no wonder that he could promise so many so-called compensations. To him, those were just words.

So, Second Young Master Mo was the mastermind behind Huang Yilin's downfall?

It wasn't unjustified at all.

She fell in the hands of the Mo Corporation's Chairman, what else could she be wronged for?

This was a clear death sentence.

Moreover, it was her honor to be taught a lesson by Second Young Master Mo.

"Yilei." Michael kept quiet for a while. Although he knew that Tu Yilei didn't like what he was about to say, he still tried his best to persuade him. "You... just give up. You'll never win against him.

"Moreover, he's someone we can't afford to offend.

"You... you can forget about that girl."

Following such an outstanding man.

No woman could tolerate another man.

Although he felt that his Little Tu was especially outstanding, he had to admit that compared to Mo Yesi, his Little Tu was still inferior.

In fact, 98% of the men in Country A couldn't compare to Mo Yesi.

This sort of man, who was blessed in all aspects, was God's favorite.

How could others compare?

Tu Yilei pursed his lips and kept quiet for a long time.

It was so long that Michael couldn't take it anymore. Just as he was about to continue persuading him, Tu Yilei finally spoke. His voice was cold and emotionless. "Michael, inform my Weibo operations team to post a Weibo later."

Michael asked, "What do you want to post?"

Tu Yilei turned around and looked into the distance again with determination in his eyes. "Just say that I've decided to go overseas for a year. A year later, I'll return to the entertainment industry."

Michael was stunned for a few seconds before his face lit up. "Little Tu Tu, you've finally thought it through?"

Tu Yilei leaned against the window and smiled bitterly. "Otherwise, how am I going to compete with others?"

Chapter 944: Suicide-like Terror

"I'm not worried about Qiao Mianmian being with him. He can protect her. There are many things he can do that I can't."

Michael was overjoyed to see that he'd finally figured it out and decided to give up.

He immediately said, "Yes, he's the Chairman of the Mo Corporation. How many people can match up to the Mo family's power and influence? With him protecting her, Qiao Mianmian won't suffer any losses. If you really decide to go overseas for a year, I'll arrange it for you when you're better and can be discharged.

"You haven't had much rest in the past few years. Actually, it's good to take this opportunity to rest and recuperate. I was worried that the Mo guy would give me a blank cheque, but since he's the Chairman of the Mo Corporation, I have nothing to worry about now.

"With him around to help you, you can rest well this year."

Tu Yilei pursed his lips as if he wanted to say something.

But after some thought, he dismissed the idea.

He looked into Michael's warm and caring eyes and nodded. "Mm."

He couldn't let Michael worry about him anymore.

All these years, Michael had put in so much effort to make him popular.

At this point, he could no longer do as he wished.

He could reject Mo Yesi's compensation and help without any psychological burden if he was alone.

But he wasn't.

Even if he didn't want to, he couldn't reject anyone who cared about him.

Most of the time, pride was nothing in front of reality.

...

Tu Yilei's Weibo post caused a huge sensation.

His fans didn't believe that he would choose to study overseas for a year when he was the most popular.

Not only his fans but many people in the industry were also puzzled and shocked by his actions.

Few artistes had such guts.

He dared to retire for a year when he was most popular.

This required a lot of confidence and courage.

No matter how popular an artiste was, once they left the public eye for a year, they might be forgotten.

The entertainment industry was full of newbies. If they were still popular today, they might be replaced by newbies tomorrow.

Hence, not many artistes dared to choose to temporarily retire at their peak like Tu Yilei.

This was practically suicide.

When Tu Yilei's Weibo post was posted, his studio and fans quickly reposted it, saying that no matter what decision he made, they would support him and follow him.

The topic of him temporarily retiring from the entertainment industry for a year quickly became trending.

As this news was too sudden and the content was too shocking, the sudden increase in popularity caused the entire Weibo platform to be paralyzed for more than 10 minutes. Even Weibo's CEO posted a Weibo complaining that Tu Yilei had increased the workload of their employees.

In any case, the topic of Tu Yilei going overseas to study for a year was firmly at the top of Weibo's trending topics.

Almost everyone on Weibo was discussing this.

His fans were going crazy.

Xiaoxiao: Ah, why did Brother suddenly decide to study abroad? Didn't he just take on a television drama? If he goes to study abroad, what about the television drama? Will he stop filming?

Chapter 945: The Female Lead

Tu Yilei's Little Wife: Although I don't know why my husband suddenly made such a decision, I love him and will love him for life. So, no matter what decision he makes, I will support him. In a year's time, I will wait for my husband to come back and create glory!

Forever Supporting Tu Yilei: Actually, I think the decision to study abroad is pretty good. My brother has been so busy these few years that he hasn't stopped at all. Don't you feel bad for him? I've long felt that he should give himself a break. Although it's rather risky to temporarily retire when he's the most popular, my brother is a capable person. I believe that even if he comes back after resting for a year, he'll still be able to stabilize his current position. Maybe after a year, my brother will be able to perform better.

I Only Drink ADD calcium: Although I support him too, don't you think that this happened too suddenly? There wasn't even a sign before, and he suddenly said he was going on a field trip. Don't you find it strange? Moreover, he just confirmed that he was going to act in a television drama, and he's going on a field trip now?

Hottest Ethnic Trend: It's really strange. I feel like something happened, that's why I made such a decision. I suddenly recalled what a friend of mine told me. I thought it was just gossip, but now that I think about it, it might be true.

When this comment was posted, many fans replied to this person called "Hottest Ethnic Trend" and asked him what the gossip was about.

They wondered if this person was deliberately making such comments.

When he received more than 10,000 replies, he finally replied: I heard that something happened on set yesterday morning, and it's related to Tu Yilei. Hence, the fact that he's studying abroad is most likely related to what happened yesterday morning.

Such a reply was equivalent to not saying anything.

Many of the netizens waiting for her reply said that he was deliberately trying to attract attention to get a reply.

Some fans even scolded him.

This netizen seemed to have been angered by the fans' insults and quickly replied to one of them: I'm not lying, my friend is in the crew. He said that the incident was originally targeted at the female lead of the crew, and somehow got involved with Tu Yilei. Oh right, that female lead is the actress who had a scandal with Tu Yilei previously. Her name is Qiao something.

Not many fans believed this reply.

Some even felt that Qiao Mianmian was the one who arranged for this netizen to gain popularity from Tu Yilei.

After all, Tu Yilei was going overseas to study soon.

It would be hard to ride on his popularity in the future.

After the group of fans scolded this netizen, they still felt that it wasn't enough to appease their anger and continued to scold Qiao Mianmian in the comment section.

...

At a bar.

A group of rich young ladies was gathered together, and there were all sorts of drinks on the table. One of them held the dice and shook it. After opening it, one of them looked at the numbers and smiled at Shen Rou, who was sitting opposite her. "Rourou, my points are bigger than yours. It's your turn to drink."

Shen Rou glanced at the table, picked up a blue cocktail expressionlessly, and downed it in one gulp.

Clap clap clap.

The others at the table laughed and applauded. "Miss Shen has such a high tolerance for alcohol. She's so generous."

Chapter 946: Is It That Actress Qiao Mianmian?

"Sister Shen, why don't we stop playing after this?" A young lady who was on good terms with Shen Rou looked at her worriedly. "You've already drunk a lot. You'll get drunk if you continue drinking."

Shen Rou wiped her lips and said expressionlessly, "I'm not drunk, continue playing."

"Sister Shen, you..."

"Ah, Tu Yilei is actually quitting the entertainment industry temporarily and going overseas to study for a year." The young lady playing dice with Shen Rou suddenly exclaimed. She then held her cell phone and complained. "Why is he suddenly going overseas to study?"

"He didn't even tell me about this."

The other girl smiled and said mockingly, "Maybe he decided to go overseas just to avoid you. What if you stop him from leaving?"

"Bullsh*t." The elegant young lady burst out in anger. "What has it got to do with me? Someone said that something happened to him, that's why he suddenly decided to go overseas."

"And it's actually related to the vixen he was rumored to be with."

"Damn it, what exactly did that vixen do? I heard that she has a backing, so she became the female lead instead of the third female lead. Could it be that she bullied Tu Yilei with her backing and forced him to seek refuge overseas?"

“No, I have to call Tu Yilei and ask him what’s going on. If it’s really that vixen who’s up to no good, I don’t care about her backing. I’ll teach her a lesson.”

Shen Rou looked up at the woman sitting opposite her. “What did you say? Tu Yilei is going overseas to study?”

Even though Shen Rou wasn’t very concerned about the entertainment industry, she knew Tu Yilei.

The most popular young hunk had only signed Bai Yusheng’s show and was in the same crew as Qiao Mianmian.

The young lady replied indignantly, “Yes, he’s really popular now. If it wasn’t for some reason, he wouldn’t have gone overseas for a year.”

“You just said that his trip has something to do with the female lead? Is it that Qiao Mianmian?”

“Ah, Rourou, you know this vixen too?” The young lady on the other end said angrily. “It’s this vixen. I don’t know where she came from. She was only the third female lead, but now she’s the female lead.”

“Maybe she was the one behind Huang Yilin’s incident. Otherwise, why would she become the female lead?”

Shen Rou’s eyes flickered. “What has this got to do with her? How do you know it’s because of her?”

“How would I know if it has anything to do with her? I only heard about it online. But there’s no smoke without fire. If it wasn’t really related to her, why would there be such rumors?”

Shen Rou kept quiet for a few seconds before logging into Weibo.

On Weibo, it was filled with topics related to Tu Yilei’s year-long overseas study.

Shen Rou clicked into Weibo and saw Tu Yilei’s post.

She checked the comment section again.

The reply from the netizen called “Hottest Ethnic Trend” was pushed to the top of the trending comment section. After Shen Rou read her reply, she pursed her lips and thought for a while before clicking on his homepage and sending him a private message.

Chapter 947: Name a Price, How Much Do You Want?

A minute later, Hottest Ethnic Trend replied: [Hello, you are?]

Shen Rou saw that this person had replied to her and immediately replied: [You said that Tu Yilei’s withdrawal from the industry for a year has something to do with the female lead. What exactly is going on?]

Another minute later, Hottest Ethnic Trend replied: [I’m sorry, I can’t tell you what exactly happened. You don’t have to reply to me anymore. If you still want to ask about this, you won’t be able to get anything out of me.]

Shen Rou’s expression darkened as she read his reply.

“Rourou, do you still want to play?” Shen Rou was the one who invited the other daughters of rich families to play with her. Seeing that she was holding her cell phone and not saying anything, one of them couldn’t help but ask.

Shen Rou’s thoughts were all on the comment.

She wanted to know what Tu Yilei’s retirement had to do with Qiao Mianmian.

She had a feeling that the truth was disadvantageous to her.

The person she hated the most now was Qiao Mianmian.

She’d never hated anyone so much.

Anything that could make Qiao Mianmian suffer would make her feel better.

The more unfortunate Qiao Mianmian was, the happier she was.

That slut had better die suddenly.

This would make her even happier.

She hated that slut.

“I’m not playing anymore.” Shen Rou took out a card from her bag and called the waiter to pay for the bill. Then, she stood up with her bag under the other ladies’ unhappy gazes. “I have something on, I have to go first. I’ll come out to play another day.”

With that, she turned around and left, not caring what the others thought.

“Pfft, what’s going on. She called us out to play, but she left in less than an hour.”

“It’s not like it’s the first time you’ve met her. She’s always been so casual.”

“Who asked her to be Young Lady Shen? With her status, would you dare to say it in front of her?”

“Do you guys feel that Shen Rou has been in a bad mood recently? Who offended her?”

“Who else could it be? She must have gotten herself into trouble with Second Young Master Mo again. What do you think she’s thinking? She’s had a crush on him for over 20 years, and he hasn’t accepted her yet, but she’s still able to persevere. She’s the daughter of a rich family, she’s so good in all aspects, there’s no need to be so humble. Could it be that Second Young Master Mo is like a god, that’s why she’s so obsessed? Have any of you seen Second Young Master Mo?”

“I’ve seen him once...”

“You’ve seen him before? How is he? Does he really look like a god?”

“Mm, he’s really good-looking. He’s like a god. Anyway, you’ll know when you see him. I promise you’ll never forget this man.”

“Is he that good?”

“Let’s put it this way, all the men I’ve seen since I was a child can’t even compare to half of his looks. If I were Shen Rou, with such an outstanding man by my side since I was a child, I wouldn’t be attracted to other men too.”

...

Shen Rou walked out of the bar. The valet drove her car over and handed her the car keys respectfully.

She took it from him and opened the private chat with Hottest Ethnic Trend.

She looked at their conversation and thought for a while before replying: [Name me a price, how much do you want?]

Chapter 948: The Truth Is That He Was Injured

Was a million yuan enough? As long as it was useful information, the price could be increased.

Hottest Ethnic Trend immediately replied: [Who are you? What are you trying to do?]

Shen Rou replied instantly: [You don’t have to know who I am. If you’re interested in this business, let’s have a good talk. A million yuan for a piece of news isn’t a loss for you, right?]

Hottest Ethnic Trend: [You sure talk big, offering a million yuan. How do I know if you’re serious or just messing with me?]

Shen Rou: [I can pay half as a deposit first. But you have to promise that you’re telling the truth, and not making it up. If you lie to me, you have to bear the consequences.]

Perhaps the other party finally believed that she was serious. When he replied, his tone was much more serious. [I can’t guarantee if it’s true or not. But it was indeed someone from the same crew who told me about this. Moreover, that friend of mine told me that the director had ordered the news to be kept under wraps and not let them say anything about it. He took the risk to tell me because he has a very good relationship with me. If you want to know, I’ll tell you everything I know, but I can’t guarantee that the information is true. Think about it yourself.]

Shen Rou looked at the reply and frowned. She hesitated for a while before replying: [Then, answer me a question first. Tu Yilei going overseas to study, is it related to Qiao Mianmian?]

Hottest Ethnic Trend replied quickly: [It’s related to her, and it’s basically because of her.]

This reply made Shen Rou more confident.

She asked for his account number and transferred 500,000 yuan to him.

On the other hand, the person who received half the deposit quickly told her everything he heard.

Shen Rou’s lips curled up as she read Hottest Ethnic Trend’s reply.

She knew that the truth was disadvantageous to Qiao Mianmian.

It was just as she thought.

Tu Yilei suddenly decided to study overseas for a year. He had to leave the entertainment industry for a year because he was injured.

Moreover, he was injured because of Qiao Mianmian.

If this got out, his fans would definitely tear Qiao Mianmian apart.

When his idol was at his peak, he had to leave the industry for a year because of a small actress. Moreover, she was in a scandal with him before. Even if Tu Yilei was willing to step forward to save the damsel in distress, his fans would still blame Qiao Mianmian.

Tu Yilei was the top celebrity in the industry.

He had over 50 million followers on Weibo.

And most of them were female.

Women were powerful, to begin with, and female fans were even more powerful.

Tens of millions of female fans could tear Qiao Mianmian apart from the entertainment industry.

Shen Rou deleted her private chat with the netizen and made a call after she exited Weibo.

...

An hour later.

When Tu Yilei was still at the top of the trending list after saying that he'd take a year off for studying overseas, another trending post appeared.

The new trending topic shot up to third place within an hour.

A Weibo account named "People in the industry" revealed that Tu Yilei had decided to take a year off because he was injured and couldn't attend work for a year.

Chapter 949: The Comment Section Was About to Explode

He wasn't trying to rest.

It was just an excuse.

Once this trending topic was released, Tu Yilei's fans and the public quickly followed it.

They all asked him where he was injured.

Especially Tu Yilei's fans. When they heard that their idol was injured, they were all anxious and left comments in the comment section.

The "insider" didn't reply to anyone. Instead, he posted another very popular post.

People in the industry: A lot of people are asking me where Tu Yilei got hurt and how he got injured, so I won't reply to you one by one. I'll just tell you the truth. It's like this. I'm sure everyone knows that Huang Yilin fell because of the negative news. I heard that the sugar daddy behind the newbie was the one who exposed the negative news. Huang Yilin knows about this too, so she went to look for the

newbie on set. She probably felt that she was already done and didn't want the newbie to have a good time, so she brought a bottle of sulfuric acid with her. The sulfuric acid was meant to be splashed on the newbie, but when Tu Yilei was with the newbie, he saved the damsel in distress. But you don't have to worry too much. I heard that the sulfuric acid was splashed on his hand and isn't so serious. He's fine. I guess he can recover in about a year.

This post caused a huge sensation.

The fans went crazy.

Brother Tu's Little Fairy: Our brother has to leave the industry for a year because he blocked the acid meant for Qiao Mianmian? Gosh, did Brother's hand get hurt by the acid? Isn't it serious? Brother's beautiful hand was destroyed just like that?! Blogger, are you serious? Don't scare us.

Passerby: If this blogger isn't making things up, Tu Yilei's behavior is quite manly. It's always been a passerby. If this is true, I might become a passerby.

Love Me: Sulfuric acid on the hand? Sulfuric acid is so corrosive, I really can't imagine how serious the injury on my brother's hand is. Gosh, blogger, you're not scaring us, right? Is what you said true? My brother is really injured? Is my brother in the hospital now? Which hospital is he in? I want to go and see him, my heart aches so much.

Natural Dumbness: I knew it. Why did Brother suddenly go overseas to study? Even if he wanted to go overseas to study, he shouldn't have chosen this time. I didn't expect the truth to be like this. Huang Yilin is too scary. She actually brought sulfuric acid to the set. Is Brother a fool? He actually helped to block the sulfuric acid. What if it had splashed on his face? His life would have been ruined.

Love Brother Tu for Life: That woman Qiao Mianmian is really detestable. Brother got injured because of her. She's simply a jinx. She should be the one getting hurt, why is Brother the one getting hurt? Previously, she deliberately posted a video to ride on Brother's popularity, and this time, she implicated Brother and caused him so much harm. I hate this woman.

Bitch Qiao suddenly died: This slut caused my brother to be splashed with sulfuric acid. I really want to splash her with sulfuric acid too. If it wasn't for this slut, my brother wouldn't have been injured, and he wouldn't have to leave the industry for a year. My brother's career is developing so well now, if he suddenly leaves the industry, it'll affect him so much.

Chapter 950: Qiao Mianmian, Get Out of the Entertainment Industry

But that slut didn't affect her at all. She was even the female lead now.

Boycott Bitch Qiao. Get out of the entertainment industry: My brother sacrificed so much for this woman, but she didn't even thank him on Weibo. This woman is too disgusting. Why is my brother's career and future so affected by her, but she can pretend that nothing happened? This slut wants to continue in the entertainment industry? Everyone, boycott her and get this slut out of the entertainment industry.

Initially, Tu Yilei's fans were still scolding Qiao Mianmian under the post of "insider". After scolding her for a while, they changed their target and searched for Qiao Mianmian's Weibo account. Then, they scolded her crazily under her latest post.

At the same time, as if to prove the authenticity of the “insider”’s words, a so-called insider revealed that Huang Yilin was indeed at the police station and was detained on the charge of deliberately hurting others.

It was usually more serious when it came to criminal detainment.

Some people also revealed that Tu Yilei had indeed terminated his commercial contract with his company for some reason. They said that he couldn’t shoot any commercials for now.

These so-called posts proved that the “insider” post was very real.

Instantly, more and more fans went to Qiao Mianmian’s Weibo post and started commenting.

The comment section was a mess.

Many people were asking Qiao Mianmian to die and get out of the entertainment industry.

In fact, the topic of “Qiao Mianmian get out of the entertainment industry” was trending.

The situation was getting out of control. All sorts of topics about Qiao Mianmian even surpassed Tu Yilei’s trending topics.

Someone started to dig out who Qiao Mianmian’s sugar daddy was.

Someone even started to dig up Qiao Mianmian’s past.

Even the rumors about her and Bai Yusheng were treated like dirt. They said that the moment she entered the production team, she seduced the director and wanted to be the female lead. But Huang Yilin’s status was much higher than hers, and she couldn’t seduce her, so she came up with this despicable method.

Once Huang Yilin’s scandals came out, she was the female lead the next day.

Huang Yilin went to look for her with sulfuric acid in her anger.

The acid should have been on her.

But because Tu Yilei stepped forward, all the damage was taken by him.

Another so-called hospital employee revealed that Tu Yilei was still recuperating in the hospital. His manager was the only one with him, and Qiao Mianmian wasn’t around.

Once this post was released, Tu Yilei’s fans were even more enraged.

On Weibo, many comments denounced Qiao Mianmian.

Some even suggested teaming up to beat Qiao Mianmian up.

...

Huan Yu Media.

Linda sat at her desk and looked at the Weibo page on her computer.

Someone knocked on the door.

She told the person outside to come in, and the person greeted her politely.

Linda looked at him. "What is it?"

"Sister Linda, Chairman Zhao wants you to go to his office. He said he has something to discuss with you."

Linda frowned and nodded. "I got it. I'll be right there."
