

## Big Shot 951

### Chapter 951: We Don't Want This Artist Anymore

Ten minutes later, Linda knocked on the door.

"Come in."

Linda pushed the door open and saw the man sitting at the desk. She went straight to the point.

"Chairman Zhao, why are you looking for me?"

She had already guessed it.

She'd known Zhao Kai for many years. They weren't just boss and subordinate, but also friends.

They knew each other well.

"You don't have to address me as 'you'. It sounds awkward. There are no outsiders here." Zhao Kai pointed to the sofa. "Sit down first. What do you want to drink?"

Linda sat down at the side and shook her head. "There's no need for that. Chairman Zhao, just tell me what you're looking for me for. You know my personality, I don't like to beat around the bush."

"Alright, then." Zhao Kai was a person who liked to be straightforward. After she sat down, he said, "The artiste you just signed, what's her name again? Her surname is Qiao, right?"

Linda's heart skipped a beat, but she maintained her composure and nodded. "Yes. Qiao Mianmian."

It was indeed related to Qiao Mianmian.

"Mm, it's her." Zhao Kai leaned back in his black leather chair and frowned. "Have you seen what happened on her Weibo?"

"Yes."

"This artiste has only been signed for a few days, right? Why is she causing trouble every other day? This time, the matter is so big, and everyone on Weibo is criticizing her. Even Tu Yilei's fans are scolding people on our company's official Weibo.

"Although an artiste needs popularity, it's not good for her to cause so much trouble, right? Moreover, this time, such a huge matter has happened. I'm afraid the company won't be able to settle it for her. If she wants to use public relations, she'll have to spend a lot of money.

"She hasn't brought many benefits to the company yet. It's not a good deal to let the company spend so much money to settle things for her."

Linda didn't say a word. She waited for Zhao Kai to finish before asking calmly, "Chairman Zhao, are you saying that you don't care about her?"

Zhao Kai twirled the ring on his finger and said calmly, "How am I going to manage it? Based on the current trend, do you think it's a matter that can be settled by spending money to remove the trending searches and getting the Water Army to control ratings?"

Linda frowned. "Chairman Zhao, you mean..."

Zhao Kai looked up and glanced at her. "She offended someone and someone wants to mess with her. Otherwise, why do you think the hot searches went up so quickly?"

"But we can't just ignore her. No matter what, she's our artiste. Moreover, this isn't her fault at all. Tu Yilei did it willingly, she didn't force him to take the acid.

"It's understandable that the fans attacked her because they are angry. But Chairman Zhao, you can't be so biased, right?"

Zhao Kai snorted. "Of course I know it's not her fault. But given the situation now, even if it's not her fault, it has something to do with her. There's no need for the company to keep such a troublemaker."

Linda was shocked. "Chairman Zhao, what do you mean?"

Zhao Kai looked straight at her. "Terminate the contract with her. We don't want this artiste anymore."

### **Chapter 952: Someone Told You to fire Qiao Mianmian?**

"How can that do!" Linda stood up immediately.

"Chairman Zhao, Qiao Mianmian is a rare talent. As long as the company is willing to groom her well, she'll definitely make it big. I've been a manager for 10 years, you should trust my judgment. Although she hasn't brought any benefits to the company yet, she'll definitely be able to earn a lot of money for it in the future."

"I've seen her profile. Her looks are really good." Zhao Kai's eyes didn't waver. "I trust your judgment too. I believe you can definitely make her popular. But, signing this artiste will indeed bring a lot of trouble to the company."

"Trouble?" Linda couldn't understand. "Chairman Zhao is referring to her scandals and this? But isn't this normal? Which artiste doesn't have scandals? Moreover, if someone has their eyes on her and wants to mess with her, she can't avoid it.

"She wasn't the one who caused the scandal. If the company terminates her contract because of this, isn't it too much?"

"Moreover, I think highly of her. I don't want to lose such a good seedling."

Zhao Kai frowned and kept quiet for a while before sighing. "Linda, we've known each other for so many years, so I'll be honest with you. I don't want her to stay in the company anymore. Besides the trouble she caused, the main reason is that someone doesn't want her to stay.

"I can't afford to offend that person. I can't possibly do anything to upset her over a newbie.

"So, you have to terminate the contract with her. If you find this difficult, I'll get someone to inform her."

Linda was stunned. "Chairman Zhao, you mean someone wants you to fire Qiao Mianmian?"

"Mm."

“Who?”

“Young Lady Shen.”

“Young Lady Shen?” Linda was shocked. “How did she...”

“So, you know why I have to terminate the contract with her, right? It’s settled, then. Either you contact her to discuss the contract termination, or I’ll get someone else to do it. It’s up to you.”

...

Qiao Mianmian knew that she’d left the hospital a few hours ago when she was being attacked by countless fans on Weibo.

After leaving the hospital with Mo Yesi, they went shopping.

She bought some daily necessities.

Mo Yesi left after sending her back to the apartment.

He received a call and had to make a trip back to Yuncheng City. He promised Qiao Mianmian that he would settle everything in half a day at most, and then fly to F City to have dinner with her.

Because of Tu Yilei’s injury, the male lead had to be changed.

The male lead that Bai Yusheng picked was still filming an advertisement overseas and would only be back tomorrow.

Hence, Qiao Mianmian had a day off.

When she returned to the apartment, she flipped through the script for two hours and fell asleep.

When she woke up and picked up her cell phone, she saw a few missed calls and a few messages.

Some were from Jiang Luoli, some from Qiao Chen and Nana, and a few from Linda.

Everyone sent the same message.

Qiao Mianmian logged into Weibo after reading everyone’s messages.

But the moment she did so, she saw hundreds of thousands of comments. She clicked on them and saw that they were all scolding her.

The hot searches on Weibo were mostly about her.

### **Chapter 953: No More Cooperation**

The topic of Qiao Mianmian getting out of the entertainment industry, Qiao Mianmian being a kept woman, Qiao Mianmian seducing the director of the production crew, and so on were all trending topics that day.

All the official Weibo accounts of the entertainment industry had also been reposted by the “insider”. When she refreshed her Weibo, it was almost all news related to her.

Almost all of the trending topics were filled with Tu Yilei’s fans.

The fans seemed to hate her to the core and were all clamoring for her to get out of the entertainment industry. They wanted to boycott her and make her unable to survive in the entertainment industry.

Countless fans even privately messaged her, threatening and cursing her. They said that if Tu Yilei really had to leave the entertainment industry for a year because he was seriously injured after saving her, they would pay back the losses he suffered.

Qiao Mianmian logged out of Weibo after a few minutes.

Although she wasn't a fragile person, she couldn't remain calm in the face of so many insults and threats.

Most of the fans were young, and it was easy for them to lose control of their emotions.

Qiao Mianmian was a little afraid when she saw the comments that claimed that they wanted to beat her up.

She'd seen a lot of things that happened because of online violence.

In her opinion, online violence was really scary.

It was even scarier for her.

Just as she logged out of Weibo, her cell phone rang.

It was Linda.

Qiao Mianmian hesitated for a while before picking it up. "Sister Xie."

There was no response from the other end for a while. Qiao Mianmian waited for a while, wondering if Linda had disconnected. Then, Linda finally said, "Mianmian, have you seen the news?"

Qiao Mianmian kept quiet for a few seconds before replying softly.

"Have you thought about how this got out?" Linda sounded a little serious.

"I don't know." Qiao Mianmian kept quiet for a while before saying softly, "Sister Xie, I'm sorry. I seem to be causing trouble all the time. I'm really sorry, even though I know it's useless to apologize."

She felt a little ashamed.

She'd caused so much trouble ever since she signed the contract.

Although it wasn't her intention, it was all because of her.

She had an undeniable responsibility.

"It's not your fault." Linda sighed. "You weren't the one who got Tu Yilei to help you. You weren't the one who pushed him to help you. He did it willingly. You didn't do anything wrong. It's just that his fans are too protective of their idol, that's why they attacked you on Weibo.

"No one is at fault in this matter. The only one at fault is Huang Yilin. She's already been arrested."

“But... I caused you trouble again,” Qiao Mianmian said guiltily. “Sister Xie, am I the most troublesome artiste you’ve ever signed?”

“Mianmian.” Linda sighed again. “I’m sorry, the company has other ideas about the contract. I’m afraid we can’t continue working together.

“I’m really sorry and regretful. I have high hopes for you, but the company... I’m just a manager, I can’t decide everything.”

#### **Chapter 954: Who Could It Be?**

“I’m sorry.” Linda apologized a few times. “If I was the one who started the company, I’d keep you no matter what. But I’m also a worker. The boss will listen to my opinions, but I can’t make the final decision.”

Qiao Mianmian was surprisingly calm after hearing what Linda said.

She wasn’t surprised or angry at all.

She even felt relieved.

She could understand why Huan Yu wanted to terminate the contract with her.

They’d just signed a newbie, and she hadn’t even made much money for the company, but she was already causing trouble every other day. If she was the boss of the company, he wouldn’t want such an artiste either.

In fact, even if Linda hadn’t told her about the termination of the contract, she would have thought the same.

She didn’t know why she was so unlucky.

Previously, when she was just a minor actress, nothing happened.

But ever since she signed the contract and had an official company, scandals started to spread.

She couldn’t seem to stop them.

She didn’t know if this would happen again.

Hence, terminating the contract would make her feel more relaxed.

Although it was impossible for her not to feel bad about terminating her contract with such a good media company like Huan Yu, her current state was unsuitable for her to sign with another agency.

“Alright, I got it. Can we terminate the contract today?” Qiao Mianmian thought for a while and said, “I have time today, I can book a flight back to Yuncheng City immediately. Let’s meet at a specific time.”

Linda was silent for about a minute before saying, “Then, can we have dinner together?”

“Alright.” Qiao Mianmian agreed immediately.

“Mianmian, I’m really sorry.” Linda apologized again. “I didn’t expect things to turn out this way. I really have high hopes for you. With your capability and qualifications, you’ll definitely be popular in the future. But the company...”

“Sister Linda, I understand.” Qiao Mianmian could hear the guilt in Linda’s voice. She softened her voice and comforted her. “Just like you said, you don’t own the company. In the end, you can’t control it.

“So, you don’t have to keep apologizing to me. Moreover, I can understand the company’s actions. I won’t be unhappy with the company because of this.”

Linda smiled bitterly. “Speaking of which, after you signed with Huan Yu, I didn’t get any resources for you. You were the one who found the resources for the television series, and you were the one who got the female lead role. If you can get the female lead role in your first production, your future will be limitless.

“It’s their loss to make such a decision. They’ll regret it in the future.

“Mianmian, even if you terminate your contract with the company, I’m no longer your financier. In private, we’ll still be friends.”

“Mm, I know.”

“There’s one more thing...” Just as she was about to hang up, Linda suddenly said, “The person who exposed this seems to have come prepared. I’ve checked, the hot searches about you were all uploaded by someone.

“And just like before, every comment section has a large number of comments about the military. The fake reviewers are all against you.

“So, I think someone is out to mess with you. Have you... thought about who it might be?”

### **Chapter 955: Someone Said to Teach Her a Lesson?**

After hanging up, Qiao Mianmian immediately booked a flight to Yuncheng City.

Along the way, she kept thinking about what Linda said to her.

She could tell that someone was out to mess with her.

Every single one of the “insider’s” posts was directed at her.

It seemed like he was revealing the truth.

But once the truth was revealed, everyone knew that the fans wouldn’t let her off.

The first person Qiao Mianmian thought of was Huang Yilin.

Huang Yilin went to look for her with the intention of dying with her.

It was obvious how much she hated her.

Even if she didn’t succeed that day, she couldn’t rule out the possibility that she hadn’t given up and found someone else to expose this.

Based on Huang Yilin's hatred towards her, this was highly possible.

But she felt like Linda knew who was behind this.

But because of that person's identity, she couldn't say it.

If it was Huang Yilin, Linda wouldn't have to be so apprehensive.

But if it wasn't Huang Yilin, who could it be?

Qiao Anxin?

Thinking back to what happened at the restaurant, it seemed possible.

Qiao Anxin hated her as much as Huang Yilin did.

...

On the other side.

Mo Corporation Building.

Mo Yesi came out of the meeting and saw Wei Zheng walking towards him anxiously.

"Chairman Mo, something's wrong." Wei Zheng looked anxious as he walked towards him. "Young Madam is in trouble."

Mo Yesi stopped in his tracks.

"What happened to her?" His face went pale instantly. He sounded calm, but his hand was clenched into a fist.

"Chairman Mo, don't be anxious. Don't misunderstand. Young Madam is fine. There's nothing wrong with her. It's just that someone on Weibo revealed the truth of Tu Yilei's injury. Now that Young Madam is being attacked by the entire internet, a large group of people is asking her to get out of the entertainment industry."

Seeing Mo Yesi's reaction, Wei Zheng was afraid that he would misunderstand and immediately told him about Qiao Mianmian being targeted by the entire internet.

"Everyone is criticizing Young Madam online now. Some even said that they want to teach her a lesson."

Wei Zheng could feel the temperature around him drop by at least 10 degrees.

It was summer, but he felt cold all over.

It was so cold that he had goosebumps.

"Someone said he wants to teach her a lesson?" Mo Yesi sounded calm, but every word he said was laced with a chill.

Wei Zheng had been with him for so long, he knew that this was a sign of anger.

Because these people had crossed Chairman Mo's bottom line.

How dare they scold the Young Madam?

How could Chairman Mo not be angry?

That female artiste named Huang Yilin did something unfavorable to Young Madam, and it was settled in the end, but Chairman Mo still didn't let her off.

She was sentenced to death in the industry.

Those who said they wanted to teach the Young Madam a lesson were courting death.

"Chairman Mo, these people are mostly just shooting their mouths off. There are a lot of haters online now, and all of them like to exaggerate things. In real life, these people are basically lowlives. There's no need to take their words seriously."

### **Chapter 956: I Want to See All the Negative News Disappear**

Wei Zheng used Weibo more often and had a better understanding of the users.

Tu Yilei's fans were mostly younger.

These fans were impulsive and often said things without thinking.

Talking about beating someone and whatnot, it was most likely just a joke.

Wei Zheng felt that there was no need to take it seriously.

But Mo Yesi took it for real. "Immediately find out who these people are. I want to know everything about them."

"Yes, Chairman Mo. What about after we find the information?" Wei Zheng silently mourned for that group of people. Once Chairman Mo decided to take action, they... would be in trouble.

Hence, most of the time, it was true that it felt good for a while, but it was also possible to pay a terrible price for it.

They couldn't just get high.

For example, someone like Young Madam, who had such a powerful husband, wouldn't even know how to spell death.

"I found some information." Mo Yesi narrowed his eyes. "Let them have a taste of their own medicine. I don't think I need to teach you what to do."

Wei Zheng quickly understood.

He replied respectfully, "Yes, Chairman Mo. I'll get it done right away."

"What about Young Madam?"

"Take it off immediately."

“Yes. But I’m afraid that if we change the topic, there will be a new one soon.” Wei Zheng thought for a while and said, “I’ve already checked. The news this time was premeditated. It was targeted at Young Madam.

“The hot searches went up very quickly, and many so-called insiders came out to expose the news at the same time. The content was very unfavorable for Young Madam. Now, Tu Yilei’s fans think that Young Madam didn’t care about Tu Yilei after he was injured, and said that she was heartless.

“This is because someone who claimed to be a nurse at the hospital said that Young Madam didn’t visit Tu Yilei.

“This incident caused his fans to be very unhappy.

“Now, all of his fans have left comments on Huan Yu’s official Weibo account, asking Huan Yu to fire Young Madam. Otherwise, they will boycott all of Young Madam’s movies, dramas, and commercials.”

Mo Yesi’s handsome face seemed to be covered with a layer of frost, and his voice seemed to be covered with a layer of ice. “What did Huan Yu say?”

“Huan Yu hasn’t responded yet.”

“Investigate.” Mo Yesi pursed his lips and said coldly, “Find out who the mastermind is. I don’t care what method you use, I want to see all the negative news disappear within an hour.”

“Yes, Chairman Mo!”

“Also, if anyone dares to spread negative news about Young Madam, send a lawyer’s letter to them.”

“Yes, Chairman Mo! But...”

“Do you have any questions?”

Wei Zheng hesitated for a while before asking, “Chairman Mo, are we sending the lawyer’s letter in the name of the Mo Corporation? If so, what would people say if they speculate about Young Madam’s relationship with the Mo Corporation?”

Wei Zheng hesitated for a few seconds before continuing, “Someone on Weibo is saying that Young Madam has a sugar daddy. If we send a lawyer’s letter in the name of the Mo Corporation...”

Some netizens would surely say that Qiao Mianmian’s sugar daddy was a high-level employee of the Mo Corporation.

### **Chapter 957: Mianmian Is My Woman**

Mo Yesi quickly understood what he meant.

The man was silent for a while before frowning.

At a time like this, he naturally hoped to help Qiao Mianmian settle things in the name of the Mo Corporation.

That way, the people behind the scenes would be afraid of her.

No one would dare to touch her again.

He hoped that he could stand by her side as her husband and protect her.

But he'd promised her.

Before she graduated, their relationship couldn't be exposed for the next two years.

No matter how unwilling he was, he had to fulfill his promise.

"Then, don't use the corporation's name. Contact Huan Yu and get them to send a lawyer's letter. If they ask about Mianmian's relationship with the Mo Corporation, tell them that Mianmian is my woman."

He just agreed not to disclose his relationship with Qiao Mianmian.

It didn't mean that he had to hide their relationship in private.

If necessary, it would only benefit her if her management agency knew who she was relying on.

It'd make her management company value her more.

The reason why Huan Yu hadn't responded up till now was probably that they were considering whether they should spend energy and money on a newbie.

...

Wei Zheng quickly went to settle Mo Yesi's instructions.

In less than an hour, Mo Corporation's public relations department had removed all of Qiao Mianmian's trending topics.

The related topics were also deleted.

The fake reviewers commenting on the comment section were quickly replaced by a new group of fake reviewers.

At the same time, the official Weibo accounts and verified accounts deleted the reposts.

Even the "insider" Weibo account was deleted.

A while later, some netizens realized that not only had the "insider" Weibo account been deleted, but this person had also been banned.

As for the other netizens, they quickly realized that they couldn't find anything when they searched for "Qiao Mianmian" and "Tu Yilei".

These two names became sensitive words.

In less than an hour.

All negative topics about Qiao Mianmian vanished completely.

It was as if the news about her was just an illusion.

The netizens were shocked.

They all said: What the f\*ck, what's going on? The sugar daddy is finally making a move? Which big shot is this? He's too awesome.

Tu Yilei's fans were even more enraged when they saw that the related topics had been removed and even Qiao Mianmian's name was banned.

But this time, no matter how many topics the fans talked about, they couldn't get on the trending list.

The enraged fans saw that the Weibo post wasn't successful. Someone had organized a team and said that they wanted an explanation from Huan Yu. They couldn't let Qiao Mianmian off so easily.

As one of the main characters, Tu Yilei was silent for a few hours before posting on Weibo.

On Weibo, it confirmed that the "insider" was speaking the truth.

He was injured and couldn't continue working, so he decided to study abroad for a year while recuperating.

But he denied that Qiao Mianmian didn't care about him after the incident.

### **Chapter 958: These Commoners Are Also Considered Top-Notch?**

The long Weibo post said that Qiao Mianmian accompanied him to the hospital and took care of him for the whole day.

He even told his fans to remain calm and not hurt the innocent.

Huang Yilin was the one who should be criticized. Qiao Mianmian hadn't done anything wrong.

And because of this injury, he could finally have a good rest for a year. He felt that this wasn't a bad thing.

He had been working non-stop for years and was tired. He needed a good rest.

In this one year, he wanted to settle down and improve himself.

In the end, he told his fans not to worry about his injury. He said that his injury wasn't as serious as the news had made it out to be and that he would recover after some time.

As soon as he posted this, not only did the fans not let go of their hatred for Qiao Mianmian, their hatred for her intensified.

Because their idol, whom they treated as a treasure, wasn't only injured because of Qiao Mianmian, he was even defending her.

Didn't this confirm the rumors?

The fans couldn't accept that their idol would fall for a newbie.

And she was a newbie with a sugar daddy.

How could such a woman be worthy of their perfect idol?

The fans left comments on Tu Yilei's Weibo, telling him not to be charmed by Qiao Mianmian's face. He shouldn't like such a dirty woman.

Some fans even left comments saying that if Tu Yilei really liked Qiao Mianmian and got together with her in the future, they would commit suicide.

...

At the same time.

Gong Zeli was invited out for a vacation by Yan Shaoqing. Yan Shaoqing got a group of young models and artistes to come out. All of them had fair skin, long legs, full chests, and slim waists.

Yan Shaoqing was a love expert.

He was also an expert in picking women.

The women he picked out were all top-notch beauties.

Gong Zeli was a player too.

Although he used to only care about Shen Rou, he would still come out to play when he needed to.

He didn't keep his virginity to Shen Rou.

Hence, Yan Shaoqing would always ask him out to play whenever there was such a situation.

But this time, Yan Shaoqing could feel that his buddy was distracted.

He walked over with a bottle of red wine and touched Gong Zeli's shoulder. He raised an eyebrow and asked, "Fourth Bro, what's wrong? Is something on your mind? Or are you not interested in the beauties I called over today?"

"Aren't these the types you like? These newbies are all top-notch. I've tasted them for you first. They're good."

Gong Zeli turned around and looked at him calmly. "Second Bro, you're not ordinary."

Yan Shaoqing was confused.

He was confused. "Fourth Bro, what do you mean? Who are you calling vulgar?"

Gong Zeli rolled his eyes at him. "You call them beauties? Your tastes are getting worse. If you're not picky, use them all. I'm not interested."

Yan Shaoqing was confused.

He widened his eyes as if he'd seen a ghost. "Fourth Bro, are you serious? Did you get upset? You can't go against your conscience just because you have a conflict with Shen Rou.

"The women I found this time are definitely of the best quality. Whether it's their looks or figures, they're all real value. But you actually said they're vulgar?"

"Didn't you used to like them?"

## Chapter 959: Don't Mention Her in Front of Me Anymore

Yan Shaoqing had always been confident in his standards.

How could he tolerate it when others said that the women he found were vulgar?

And it was Gong Zeli who said that. Wasn't that strange?

The models he found were all based on Fourth Gong's preferences. They were all slim, with big chests, long legs, and perky buttocks. They were definitely one in a hundred. How did they become so common?

Fourth Gong didn't have such high standards in the past.

Gong Zeli's expression darkened at the mention of Shen Rou.

Yan Shaoqing sensed it and looked at him thoughtfully. He frowned slightly and said, "Fourth Bro, you and Rourou... What's going on between you two? You were doing fine, why are you fighting? Aren't you the one who dotes on that girl the most, how could you bear to fight with her?"

"This is the first time. What happened?"

Yan Shaoqing was very curious about this.

It wasn't surprising that Gong Zeli had a conflict with someone.

But it wasn't just strange to mess with Shen Rou. It was especially strange.

They all knew how much he liked Shen Rou.

Although Gong Zeli was just like him in his private life and liked to play around, and didn't give up the whole forest just because he liked a woman, they were still different.

He had nothing to worry about, so he could do whatever he wanted.

There was no psychological burden.

But Gong Zeli's love was unrequited.

He liked Shen Rou, but Shen Rou didn't like him.

His feelings weren't reciprocated, and that was why he was with him.

If Shen Rou liked him and was willing to be with him, his relationship wouldn't be like this.

Gong Zeli was a loose man, but Shen Rou was always first in his heart.

Hence, it was strange that he and Shen Rou had a conflict under such circumstances.

"Nothing." Gong Zeli didn't want to say more.

Yan Shaoqing said, "... I asked that girl, but she kept crying and refused to say anything. Even with me asking you, you won't say anything. What's wrong with you guys? Why are you so secretive that even I can't know?"

“Speaking of which, what exactly do you think of her? Now that Ah Si is married, she should slowly give up. Have you thought of fighting for it? I think you have a huge chance this time.”

Besides Mo Yesi, Gong Zeli was undoubtedly Shen Rou’s best choice.

No one would be more compatible with her, be it in terms of their personal qualities or background.

Most importantly, Shen Rou would never find another man who liked her as much as Gong Zeli did.

“Don’t mention her in front of me anymore. It’s impossible between us.” Gong Zeli’s expression was cold.

“What?” Yan Shaoqing was shocked. “Fourth Bro, are you serious? What’s going on? Tell me, why don’t you want me to mention her again? You’re making it seem as if you don’t want to talk to her anymore.

“Could it be that you’ve already confessed to her and she rejected you again, so you’ve completely given up on her?”

Seeing how depressed Gong Zeli looked, Yan Shaoqing felt that this was very likely.

#### **Chapter 960: Get Lost, Stay Away From Me**

He was probably right.

No matter how much a man liked a woman, the day would come when he wanted to let her go.

No matter how much he liked her, it was a hopeless situation.

Gong Zeli had persevered for so many years.

He was probably tired now.

Gong Zeli pursed his lips and turned to look at the sea. “In any case, we’re practically strangers from now on. Don’t mention her if there’s nothing. I don’t want to hear anything about her.”

“... Alright.”

Yan Shaoqing nodded. “I know, I know. In the future... I’ll try my best not to mention her in front of you. But are you really going to be strangers? With so many feelings, it’d be a pity if you were to be strangers.”

“I don’t know.”

Gong Zeli narrowed his eyes. “At least, for now, I don’t want to see her again.”

Whenever he saw Shen Rou, he would be reminded of how she’d lied to him.

He couldn’t possibly not mind.

But they had been friends for so many years, and the Shen and Gong families were long-time friends. He couldn’t do anything to Shen Rou.

He couldn’t punish her or forgive her...

Then, he’d never see her again.

At least, when he didn't see her, he wouldn't think that she'd lied to him.

"Since you're in a bad mood, you should come out and relax." Yan Shaoqing waved to a young model standing not too far behind him, gesturing for her to come over. When she came over, he used his eyes to signal the young model to accompany Gong Zeli.

The model looked at Gong Zeli's handsome and feminine face and immediately blushed. She walked towards him and said coquettishly, "Young Master Gong, what's the point of drinking alone? Let Shasha drink with you."

Accompanying these rich second-generation heirs was a huge gain for these young models.

Especially for rich second-generation heirs like Gong Zeli and Yan Shaoqing, their looks were comparable to celebrities.

He was so much better than the rich and powerful men they used to spend time with.

Although they couldn't be their official girlfriends, it was still a blessing to have a long-term lover.

After all, both of them were famous for being generous.

Unexpectedly, before the model even reached Gong Zeli, she was frightened by his cold gaze and dared not move forward.

She called out fearfully, "Young Master Gong..."

Gong Zeli looked at her with disgust. "Get lost, stay away from me."

The model wanted to seduce him, but before she could do it, her face turned pale and she started trembling uncontrollably.

She was afraid that Gong Zeli would lose his temper.

Everyone knew that the Young Master of the Gong family was rich, powerful, and good-looking. He could be said to be the perfect lover for many women.

Unfortunately, no one was perfect.

Just his bad temper alone was enough to scare many people.

She couldn't even control her emotions. He sounded so scary.

Yan Shaoqing looked at the trembling model and waved her away.

The model turned around and left quickly.

After she left, Yan Shaoqing looked at Gong Zeli with a frown. "Fourth Bro, you scared her just now."
