

Big Shot 971

Chapter 971: She's Mo Yesi's Girlfriend

"If it isn't Young Master Gong? Then, who is it? Don't keep me in suspense." Linda really couldn't think of anyone else.

Zhao Kai ignored her question and asked seriously, "Linda, let me ask you, does Qiao Mianmian have a boyfriend?"

Linda was stunned for a moment before nodding. "Yes. She told me about this before the contract was signed. I don't think it's a big problem as long as it's not made public. So, I didn't tell you about it."

"Have you seen her boyfriend?"

"I've seen him before." Linda had a deep impression of him and couldn't help but praise him. "He has a good appearance and charisma. If Mianmian hadn't said that he wasn't interested in the entertainment industry, I would've signed them together.

"I'm not bragging, but that boyfriend of hers is more outstanding than any male artiste in the industry."

Zhao Kai's mouth twitched. "Do you know who her boyfriend is? And you want to sign him? If you can sign him, I'll chop my head off for you."

Linda was speechless.

"She said that her boyfriend does a small business."

"Cough, cough, cough." Zhao Kai couldn't hold it in any longer. "Small business? If the Mo Corporation is a small business, no one would dare to say that their business is big."

"W-What?" Linda was shocked. "Chairman Mo? Chairman Zhao, are you saying that Mianmian's boyfriend is Chairman Mo?!"

Zhao Kai nodded and took a deep breath as he looked at her shocked expression. "The newbie you signed with is Chairman Mo's girlfriend. Chairman Mo values her very much and especially got someone to call me to reveal his identity.

"He said that because of his girlfriend's profession, they decided not to publicize it for the time being. Hence, they need us to make a statement and sue the relevant Weibo accounts. The newbie you signed with sure hid it well. Her boyfriend is such a powerful person, but she actually held back and didn't tell you.

"I was wondering why the public relations on our side would disappear so quickly every time she created a scandal. It turned out that her boyfriend helped her settle it.

"Tsk tsk, no wonder Huang Yilin fell so tragically. After offending Chairman Mo's girlfriend, who else can survive?"

Linda was still in shock.

She found it unbelievable.

Qiao Mianmian's boyfriend was actually the Chairman of the Mo Corporation?!

A small business?!

The entire economy of Country A was under his control, and this was a small business?!

She knew it. When she first saw that man, she felt that he was extraordinary.

Otherwise, why would Qiao Anxin want to seduce that man?

He was a very powerful man.

"She's Chairman Mo's girlfriend, we can't terminate the contract with her." Zhao Kai was counting his chickens before they hatched. "Even if we don't have the chance to work with the Mo Corporation in the future, it's a good thing to be able to get to know her boyfriend.

"Moreover, his girlfriend signed with my company. Aren't you afraid that he'll ruin the investment?"

The more Zhao Kai spoke, the happier he felt. He couldn't even suppress the smile on his face. "With such a powerful boyfriend, we don't have to spend too many resources to groom her. She'll definitely become popular. That's so worrying."

Chapter 972: As Much as You Can

Linda was speechless.

"Linda, I don't care what you do, but you have to keep her in the office!" Zhao Kai grabbed Linda's hand tightly as if he'd forgotten what he'd said. He smiled shamelessly and said, "Such a talent cannot be taken advantage of by our opponent."

Linda was speechless.

Was this shameless man really her boss?

This was too much.

What happened to not daring to offend Young Lady Shen?

Now that he knew that Qiao Mianmian had a stronger backing, he immediately changed his mind.

He wasn't afraid of offending anyone anymore.

He even said something like that.

And he wasn't even blushing.

Linda looked at him disdainfully and didn't take him seriously at all. She said sarcastically, "Chairman Zhao, are you sure you don't want to terminate the contract with her? Don't tell me you've changed your mind after I've talked to her.

"What if Young Lady Shen gets angry and wants to settle things with you?"

Zhao Kai could tell that she was mocking him. He smiled and said cheekily, "The Mo Corporation has already made its stance clear. What's there to be afraid of? Moreover, if Young Lady Shen and Chairman Mo have to offend each other, who are you going to choose? I'm being sensible, understand?"

"Offending Young Lady Shen would at most offend her. But if I offend the Chairman of the Mo Corporation..." As Zhao Kai spoke, he couldn't help but shudder. "It's just a mere Huan Yu, isn't it as easy as killing us?"

"But it's strange. Since that newbie is his girlfriend and he values her so much, why didn't he sign her in his own company?"

Linda looked at him as if he was an idiot. "Chairman Zhao, have you forgotten that the Mo Corporation isn't involved in the entertainment industry? The Mo Corporation doesn't have an artiste management company under them, how could he sign Qiao Mianmian?"

Zhao Kai was speechless.

He really forgot.

Now that he thought about it, the Mo Corporation did have a management company.

Strangely enough, the Mo Corporation was involved in almost every profitable industry.

For example, the finance industry, the property industry, the large-scale chain malls, the jewelry industry, the electric commercial...

They were even involved in eSports.

But they weren't involved in the entertainment industry.

It was said that Old Master Mo didn't like the entertainment industry and wasn't interested in it. Hence, despite investing in so many industries, he didn't invest in the entertainment industry.

At the thought of Qiao Mianmian's identity, Zhao Kai couldn't help but sigh. "Although that newbie is really capable to have such a huge backing like the Chairman of the Mo Corporation, I wonder how long this Chairman Mo's freshness will last.

"I hope he won't get sick of it in a few months. When you meet her at night, talk to her properly, and let her be smart. Make sure to grab the opportunity. While he still likes her and is willing to invest in her, ask for resources when it's time to do so. Try your best to ask for as much as you can. Don't wait until it's too late."

Just the fact that the Mo Corporation was unwilling to invest in the entertainment industry alone was enough to prove that the newbie would never marry into the Mo family.

The Mo family didn't invest in it because they didn't like the entertainment industry.

Even if they didn't care about their background, they couldn't accept someone from the entertainment industry.

Chapter 973: Gong Zeli Is the Sugar Daddy Behind Qiao Mianmian

Most rich and powerful families didn't care about the entertainment industry.

Moreover, the Mo family was one of the richest families.

The Mo family was prestigious. Anyone who could marry into the family had to be of equal social status.

Hence, even if the newbie was really liked by Chairman Mo, the outcome was already decided.

They might as well take advantage of the fact that he still loved and pampered her.

It was to pave the way for the future.

Linda frowned slightly. Although Zhao Kai's words weren't nice, they were realistic.

It was a great thing to be liked by the Chairman of the Mo Corporation.

This was something every woman dreamed of.

But who knew how long it would last for the children of rich families?

With their status, they never lacked beautiful women around them.

The freshness of an ordinary person was only a few months.

Not to mention that they were the cream of the crop.

It was common to change women in three to five days.

He was considered a very nice person to be able to last for a month or two.

If it could last for a year or two, it would probably be true love.

Qiao Mianmian was very beautiful, and even women would like her. It wasn't strange that a rich heir would like her.

But no matter how pretty she was, it was hard to keep the hearts of these elites.

It was better to gain more benefits before their hearts shifted to other women.

"Mm, I'll have a good talk with her." Linda felt worried for Qiao Mianmian as she recalled Mo Yesi's handsome face.

With such a prestigious status and a face that could make women go crazy, no woman would be able to keep their heart in a relationship with such a man.

She hoped that Qiao Mianmian wouldn't fall for it.

But then again, even Young Lady Shen couldn't resist that man's charm. They'd been in love for so many years.

Qiao Mianmian... was probably already in it.

She just hoped that she wasn't too deeply involved.

She shouldn't be so silly as to think too highly of her feelings. She should be fighting for what she should get instead.

...

On the other side.

After Mo Yesi told Zhao Kai about his relationship with Qiao Mianmian, Zhao Kai immediately got Huan Yu's official Weibo account to post a statement.

In the statement, more than 20 Weibo accounts were sued.

There were both verified accounts and ordinary netizens.

It worked.

The accounts were quickly dealt with.

Some netizens who were still gossiping were shocked and quickly deleted the previous discussions.

Some of them were even daring enough to dig up Qiao Mianmian's background.

The netizens had witnessed the entire process. Anyone could tell that Qiao Mianmian had powerful backing.

Moreover, there were rumors that she had a sugar daddy, so the netizens guessed that it was him.

Because she'd had two scandals with Gong Zeli.

Even though the two scandals were just groundless rumors without any concrete evidence, as the woman that Gong Zeli defended on Weibo for the first time, the netizens had all sorts of wild imaginations about their relationship. They all agreed that Gong Zeli was Qiao Mianmian's sugar daddy.

Otherwise, who would have the ability to delete all the trending and related topics?

Chapter 974: Uncle, Do You Know Who I Am?

It was as if Weibo was his own business.

It wouldn't be surprising if it was the Young Master of the Gong family.

Because he did have that ability.

Qiao Mianmian's and Tu Yilei's trending topics were removed.

But she and Gong Zeli quickly made it to the hot searches again.

#The Young Master of the Gong family is the mysterious sugar daddy behind the scenes?

#Qiao Mianmian, Gong Zeli

#The Young Master of the Gong family is angry for a beauty

#Qiao Mianmian, Gong Zeli is secretly dating

Similar topics were trending.

Qiao Mianmian was completely unaware of the latest scandal between her and Gong Zeli.

The plane landed in Yuncheng City.

She was wearing a cap and a black mask that covered half of her face and her hair was let down as she got off the plane.

Fortunately, there were a lot of people wearing masks because of influenza.

Hence, no one noticed her outfit.

Qiao Mianmian walked out of the airport with her head lowered. She only took off her mask when she got into a cab.

She looked at the driver. "Mo Corporation Building, thank you."

The driver looked at her in the rearview mirror and asked hesitantly, "Miss, we've never met before, right?"

Qiao Mianmian was confused.

She looked up at the driver who was old enough to be her father and frowned.

No way.

This taxi driver was already so old, and he still wanted to hit on girls?

And in such an old-fashioned way?

Although she was speechless, she still replied politely, "Mm, I've never seen you before. This should be our first time meeting."

"Is that so?" The driver was still confused. He looked at the rearview mirror and mumbled to himself, "Then, why do I find you familiar? I think I've seen you somewhere before."

Qiao Mianmian was speechless.

She really wanted to say: Uncle, such an old-fashioned way of striking up a conversation is outdated. Moreover, I really am not interested in men who are old enough to be my elder.

The driver mumbled to himself and didn't say anything else when he saw that Qiao Mianmian didn't respond.

Along the way, Qiao Mianmian would occasionally hear him mutter, "She really looks familiar."

Forty minutes later, downstairs of the Mo Corporation building.

Qiao Mianmian paid and was about to get out of the car when the driver suddenly slapped his thigh and pointed at her. "I remember now. Aren't you that actress called... Qiao Mianmian?"

Qiao Mianmian was about to get out of the car.

She turned around and widened her eyes.

The driver widened his eyes. "Y-You're that actress called Qiao Mianmian, right? I don't think I'm wrong. I just recalled it. No wonder I found you familiar."

Qiao Mianmian was stunned for a few seconds before she said in disbelief, "Uncle, you know who I am?"

She felt that it was normal to be recognized by a young man.

After all, most of the young people used Weibo. She had been on the hot searches recently, and many people might recognize her.

But to be recognized by a 50-year-old uncle, she felt like it was science fiction.

Could it be that this taxi driver liked to play on Weibo too?

So, he recognized her?

Chapter 975: We're Just Friends

The driver looked at her and nodded. "My daughter likes you. She said she's your fan. Miss Qiao, you're really pretty. I didn't expect you to look even better in person. No wonder my daughter likes you so much."

Qiao Mianmian was speechless.

She blushed. "Ahem! Thank you, Uncle."

"Miss Qiao, can you give me an autograph?" The driver scratched his head and said a little embarrassedly, "I want an autograph for my daughter. It's her birthday tomorrow. If she can get your autograph, I'm sure she'll be very happy."

Qiao Mianmian looked at his shy expression and felt bad for thinking that he was trying to hit on her.

"Of course." She nodded immediately. "You want an autograph, right? No problem. I have a pen here, where do you want me to sign?"

The driver didn't expect her to agree so quickly. He immediately took out a small notebook and handed it to her excitedly. "Just sign on this. Miss Qiao, can you write the words 'Happy 18th Birthday'? If I asked for too much, you can just sign it as you like."

"No problem."

This was nothing to Qiao Mianmian.

She quickly wrote: Happy 18th birthday to Little Fairy.

From: Your friend Qiao Mianmian.

After she was done, she handed the notebook back to him.

The driver took it and looked at it gratefully. "Thank you, Miss Qiao. Your handwriting is so beautiful. My daughter will be especially happy to see your blessings. The rumors online are really unbelievable. Miss Qiao, you're so nice, how could it be like what they say?"

Qiao Mianmian was stunned. "Rumors online?"

"That's right." The driver looked up at her and said, "I saw the news with my daughter, and the internet made Miss Qiao... look terrible. But Miss Qiao is such an easygoing and gentle person, how could it be like what the internet said?"

"But Miss Qiao, can I ask you a question? Of course, if I offend you verbally and you don't want to answer, you don't have to bother about me."

Qiao Mianmian hesitated for a while before nodding. "Alright, ask away."

The driver thought for a while before saying, "I saw someone say that Miss Qiao has an unusual relationship with your director. Are these also untrue scandals?"

Qiao Mianmian was stunned.

She looked at the honest-looking taxi driver in front of her and a trace of suspicion flashed past her eyes.

But even though she found the question a little strange, she still replied, "Are you talking about Director Bai? We're just friends. He's my director, and I'm just an actress under him. That's all."

"I see." The driver smiled and said, "It seems like the rumors online are really unbelievable. Miss Qiao, thank you so much for signing this for me. This is definitely the best birthday gift for my daughter."

"Uncle, you're too kind. I should be thanking your daughter for liking me and supporting me."

...

Qiao Mianmian alighted from the taxi and put on her mask again.

She didn't tell Mo Yesi beforehand that she was coming.

She walked straight to the front desk.

Chapter 976: Would Chairman Mo Mind?

"Hello, Miss. May I ask..." The receptionist asked politely out of habit.

Before she could finish, Qiao Mianmian took off her mask and smiled. "I'm looking for Mo Yesi. Is he in the office?"

The few receptionists were stunned when they saw her. They immediately said politely, "Miss Qiao, Chairman Mo is here. Do you need us to take you up?"

These receptionists had seen Qiao Mianmian before and still remembered her.

They were especially polite to Chairman Mo's girlfriend.

Chairman Mo had personally given the order.

As long as Miss Qiao was looking for him, she didn't have to make an appointment or notify him. She could just go up directly.

"No need, I can go up myself." Qiao Mianmian put on her mask and walked towards the elevator.

The few receptionists waited for her to leave before they gathered and whispered, "Don't you think that Miss Qiao looks like someone?"

"Yeah, I think so too. She and that actress who had a scandal with Tu Yilei... are the same person."

"They look exactly the same and have the same surname. They should be the same person."

"But, I just saw the latest hot searches on Weibo. Didn't they say she was Young Master Gong's lover? Why is she with Chairman Mo..."

"Wow, this is so exciting. Chairman Mo and the Young Master of the Gong family are good friends, right? Is this a love triangle? This woman is too amazing. The two most powerful men in Yuncheng City have an ambiguous relationship with her. How did she do it?"

"It's actually very simple. If you have a face as good as hers, you can do it too."

"... She's really pretty. Her facial features are especially exquisite, and her skin is especially fair and tender. She looks like a dummy. Do you think she had plastic surgery? If not, it would be too heaven-defying."

"She probably did plastic surgery. If she didn't, her facial features wouldn't be so perfect. But even if she did, not everyone can do it that way. Her foundation should be good, that's why she looks so good."

"Do you think Chairman Mo saw the scandal between her and the young master of the Gong family? If he did, would Chairman Mo mind? Our Chairman is so possessive, he should mind."

...

In the Chairman's office upstairs.

Mo Yesi, who was being discussed by his female employees, exited Weibo with a dark expression after seeing the scandal between Qiao Mianmian and Gong Zeli.

Just as he exited Weibo, his cell phone rang.

He looked down and saw that it was Gong Zeli. His expression darkened even more.

When the call went through, Gong Zeli immediately explained the scandal to him. "Ah Si, I don't know if you've seen the scandals on Weibo. I don't know how I got onto the hot searches and even got those scandals spread. If you mind it, I can make a statement to clarify things."

Mo Yesi's expression darkened. "No need. I know your relationship with her better than anyone else. What's there to mind?"

"You really don't mind?" Gong Zeli didn't seem to believe him. "Why do I feel like you do? I think it's necessary to make a statement. Otherwise, people will misunderstand my relationship with Mianmian."

Mo Yesi's expression changed.

Chapter 977: Since She Married Me, She's Your Sister-In-Law

There was a hint of coldness in his eyes, and his tone was even colder. A strange feeling came from the bottom of his heart. "What did you call her just now?"

Gong Zeli suddenly fell silent.

After a while, he said, "I misunderstood her previously, so my attitude towards her was very unfriendly. Now, I..."

"Now that you know you've misunderstood her, you're calling her so intimately? Gong Zeli, is this why you're calling her so intimately?" Mo Yesi said coldly.

Gong Zeli was speechless.

His silence made Mo Yesi's expression get even worse.

He finally knew what that strange feeling was.

He knew very well how Gong Zeli treated Qiao Mianmian in the past.

But he actually used such an intimate form of address just now.

He wouldn't think too much about it.

But this was Gong Zeli...

Even if he didn't know Gong Zeli so well, he'd be able to tell that something was wrong.

Mo Yesi's expression darkened. "Fourth Bro, are you really..."

"No! No!" Gong Zeli quickly denied it before he could finish his sentence. "Ah Si, don't overthink it. I know my basic principles. She's your woman, I can't have other thoughts.

"If you mind it, I won't call her that way anymore."

Mo Yesi still looked awful. He pursed his lips and kept quiet.

How could he not?

It was precisely because he knew Gong Zeli that he had to overthink things.

"Ah Si, are you angry?" Gong Zeli was silent for a while before saying hesitantly, "Don't tell me you really misunderstood."

"Fourth Bro, it's good that you know your basic principles." Mo Yesi kept quiet for a while before saying coldly, "It's best if it's a misunderstanding. If it's not... I can't guarantee what I'll do.

"She's my bottom line, no one can touch her."

Gong Zeli kept quiet for a while before saying, "Ah Si, don't be too nervous. I just feel that since it was all a misunderstanding in the past, there's no need to treat her like an enemy in the future.

"I didn't pay much attention to the way I addressed her. I didn't expect you to mind it so much."

"Yes, I mind." Mo Yesi suppressed his anger that nearly erupted and said coldly, "From now on, address her the same way as Second Yan. Although she's younger than you, since she's married to me, she's your sister-in-law."

This time, Gong Zeli kept quiet.

Mo Yesi pursed his lips and didn't say anything, but the coldness in his eyes intensified.

The smell of smoke filled the air.

Knock, knock, knock.

Just then, someone knocked on the door.

"Ah Si, go on with your work, I won't disturb you anymore." After a long silence, Gong Zeli finally spoke. He then hung up.

Mo Yesi slammed his cell phone on the desk.

He said to the person outside, "Come in."

The door was slowly pushed open.

A sweet voice sounded. "Chairman Mo, I made coffee for you. I don't know what you like, so I made a cup according to my own taste. Do you want to try it?"

Chapter 978: Am I Disturbing Chairman Mo?

Mo Yesi looked up in shock.

Seeing Qiao Mianmian walk in with a cup of coffee, he was stunned for a few seconds. "Mianmian, why is it you..."

"Why, am I not welcome?" Qiao Mianmian walked to the desk and placed the coffee on it. She then smiled and said, "Am I disturbing Chairman Mo?"

Mo Yesi was speechless.

The man narrowed his eyes and stared at her for a while more before confirming that she wasn't an illusion.

He immediately got up and pulled her into his arms. He placed his hand on her head and said in a low and magnetic voice, "Why didn't you tell me in advance? When did you arrive?"

Qiao Mianmian leaned against his chest and played with a button on his shirt. She smiled sweetly and said, "I wanted to give you a surprise. I came straight after getting off the plane. How is it, are you happy?"

"I'm happy." Mo Yesi tightened his arms around her and kissed her on the forehead. "You're not leaving today?"

"Mm. I'll return to F City tomorrow."

"Alright, I'll go back with you tomorrow. What do you want to eat tonight, have you thought of where you want to go? I'll leave work early today to accompany you."

She smelled sweet.

There was also a pleasant fragrance in her hair.

She was like a peach that exuded sweetness, making people want to eat her up.

As Mo Yesi looked down at the girl in his arms who was as beautiful as a fairy, his eyes darkened as he recalled the call he just hung up.

He should have known.

It was only a matter of time before his precious was targeted.

If he liked and was so obsessed with this woman, how could others not be interested?

But it was normal for others to have such thoughts.

He wasn't too angry or bothered by it.

But if the person interested in her was his good buddy, it would be completely different.

Moreover, he knew Gong Zeli well.

They were equally possessive in many ways.

They were equally paranoid.

It was very likely that he would fall in love with someone for the rest of his life.

But what he couldn't understand was that the person in Gong Zeli's heart wasn't Shen Rou.

But now...

Based on his understanding of Gong Zeli, he shouldn't be such a sentimental person.

But Gong Zeli's previous actions showed that there was something wrong with him.

Mo Yesi hoped that he was overthinking things.

But he knew very well whether he was overthinking it.

His judgment had never been wrong.

It was the same this time.

"Ah, tonight?"

Qiao Mianmian looked up at him apologetically. "Erm, I already have an appointment tonight. I might not be able to have dinner with you."

Mo Yesi frowned. "You already have an appointment?"

Qiao Mianmian blinked guiltily. "Y-Yes."

"Who do you have an appointment with? Jiang Luoli?" The man looked even more upset when he heard her name.

In his wife's heart, he couldn't be compared to her best friend.

Chapter 979: Call Me That From Now On

Every time she came back, she would look for Jiang Luoli immediately.

As her husband, he was thrown aside by her.

Not only was he not as good as Qiao Chen in her heart, but he was also worse than her best friend.

“No.” Qiao Mianmian could see the unhappiness in the man’s eyes, so she immediately put her arm around his neck and said coquettishly, “It’s about some work matters. I’ve arranged to have dinner with Sister Xie tonight. Don’t be angry, I’ll spend the rest of the time with you after dinner, alright?”

Mo Yesi kept a straight face. “What’s so important about work that you have to talk about it today?”

He thought that she flew back to Yuncheng City to give him a surprise.

But now, he realized that he was overthinking.

Mo Yesi felt extremely stifled.

It felt like he was overthinking things.

“Uh.” Qiao Mianmian thought for a while and decided not to tell him about the contract termination.

She’d only signed the contract for a few days, and it’d been terminated so quickly.

She didn’t even have the face to say this in front of Mo Yesi.

It was too embarrassing.

She was probably the quickest artiste to have her contract terminated.

Initially, she wanted to prove her abilities to Mo Yesi.

If he found out that the contract was terminated so quickly, she would lose face.

Qiao Mianmian hesitated for a while before lying. “It’s just some late-stage development. I can’t explain it clearly over the phone, so I need to talk about it in person.”

“Like this.”

Mo Yesi felt a little better after hearing her explanation, but he still didn’t look too good. “Can’t we change the time? Must you talk today?”

He had already thought about how to arrange their date tonight.

He was a little disappointed when she suddenly told him that she had an appointment.

“Uh, I don’t think so.” Qiao Mianmian looked up at the man’s handsome face. She bit her lip and hesitated for a while. She felt that she wasn’t being coquettish enough, so she tiptoed and kissed him.

“Hubby, I know you’re the most understanding.” She knew what Mo Yesi liked to hear her address him this way the most. The moment she said “Hubby”, the man’s expression softened.

Seeing that this tactic worked, she smiled and continued, “Hubby, I’ll try to eat as little as possible when the time comes and empty my stomach. Let’s have dinner together after I’m done with her, alright?”

“But if you’re not willing to wait for me, then forget it...”

The girl in his arms had a sweet voice.

The way she called him “Hubby” when she acted coquettishly, coupled with her shy expression, made Mo Yesi feel as if his bones were melting.

He felt like he was falling head over heels for her.

His breathing quickened and his arms around her waist tightened. “Baby, I like hearing you call me Hubby. Can you call me that in the future?”

Qiao Mianmian knew that he liked it.

He always got agitated when she called him that.

But she rarely called him that.

Although they were husband and wife, and it wasn’t a problem for her to call him that, she still felt a little embarrassed.

Chapter 980: Let Hubby Kiss You

She blushed every time she called him Hubby.

Even though he was her husband.

“Then, are you not angry anymore?” Qiao Mianmian tilted her head and looked at him. Her dark eyes seemed to be covered with a layer of mist, and her expression was delicate and pleasant.

Mo Yesi couldn’t help but smile.

He wasn’t angry anymore.

She had him under her thumb.

She was a smart girl and knew what was best for him.

But even though he knew that she was scheming, he was still willing to fall for it.

She was the bait he liked.

God knew that once she called him Hubby, he wouldn’t be able to resist any request she made.

“Mm. Baby, call me that again and I won’t be angry anymore.” He pushed his luck.

Qiao Mianmian was coaxing him now, so she immediately agreed to his requests. “Hubby, Hubby...”

She just wanted to coax him.

The moment she called him Hubby, the man's expression changed and he smiled.

The gloominess in his eyes vanished.

Qiao Mianmian was shocked by how quickly he changed his attitude...

"Alright. Then, go earlier tonight. Don't eat too much when the time comes. When you're done, I'll bring you to eat something good." Not only did the man's expression turn better, but his words also became easier.

He was still very unhappy about this, but now he could agree to it with a smile.

Qiao Mianmian was speechless.

Indeed, it was best to be coquettish.

She realized that acting cute was especially useful.

Whether it was when she was begging Mo Yesi or coaxing him, it was all very useful.

Moreover, it worked every time.

It seemed like she had to act coquettishly towards Mo Yesi in the future.

"Wow, Hubby, you're so nice." Qiao Mianmian realized that acting coquettishly was very effective. Mo Yesi really liked it, so she wanted to continue acting this way. She hugged the man's neck and lowered his head slightly. She then tiptoed and kissed his handsome face again.

She sounded even more coquettish than before.

She kissed him lightly and wanted to pull away.

Just as she was about to leave, the man grabbed her chin...

...

An hour later.

Qiao Mianmian let Mo Yesi carry her to the bathroom.

Half an hour later.

Mo Yesi carried her out of the bathroom and placed her on the small bed in the lounge. He sat on the side of the bed and patted her head. "Baby, you can sleep for a while. I'll wake you up after work."

Qiao Mianmian glared at him and said angrily, "Mo Yesi, you're shameless!"

The man who was satiated just now looked satisfied. He didn't rebut her and even smiled affectionately. "Mm, I'm shameless."

"You're too much! You're not human!"

"Mm, I'm too much, I'm not human!"

Qiao Mianmian wanted to scold him again, but he admitted it so quickly that she couldn't.

“Baby, don’t be angry.” Mo Yesi looked down at the clothes on the floor and hugged her. “I got Wei Zheng to get you some clothes. It was my fault. I was too anxious and tore your clothes.

“I’ll compensate you, alright? I’ll compensate you however many clothes you want.”
