Chapter 981: Don't Talk to Me From Now On

Qiao Mianmian glared at him. "Is this a question of how many times I have to pay? Do you know how rough you were just now? You... you hurt me."

Mo Yesi was too much!

He looked like an impatient pervert.

He hadn't touched her for two days, but he acted as if he hadn't touched her for 20 years.

Clothed, he looked cold and elegant.

But after taking them off...

Qiao Mianmian couldn't help but blush at the thought of their intense interaction.

Mo Yesi was a beast in human clothing!

He bullied her in his office in broad daylight...

Beast!

And a beast that only knew how to bully her.

It wasn't too long this time, just an hour...

But in this one hour, he used all his shameless ways to torment her.

Qiao Mianmian's legs were weak and trembling uncontrollably even now.

She was speechless as she looked at the man who seemed even more energetic after the incident.

Was this man a fox spirit!

Otherwise, why was he always so energetic when she was so tired after doing it?

It was as if he sucked her essence.

The more she thought about it, the more she felt that it was possible.

Mo Yesi's face matched that of a fox spirit.

The legendary fox spirits were all handsome men.

Moreover, although this man looked very cold in front of others, in front of her...

He really looked like a seductive fox spirit.

Mo Yesi apologized sincerely. "I'm sorry, Baby. I'll try to be gentler next time."

Qiao Mianmian was speechless.

She couldn't possibly do it again. Hmph!

"I couldn't control myself because I haven't touched you for too long." The man seriously reflected on his mistake. "I'll take note next time and won't hurt you anymore."

Qiao Mianmian was speechless.

A man's mouth was a liar.

Mo Yesi wasn't trustworthy at all.

Especially when it came to such matters. He'd never done anything he'd promised her.

For example, he'd only touched her once, but in the end...

She would never trust him again.

"Baby, where does it hurt? I'll rub it for you."

Mo Yesi saw that she still had a straight face and was obviously not forgiving him. He immediately coaxed her gently. "I'll rub it for you, it won't hurt so much then."

Qiao Mianmian didn't dare to let him do it.

That position...

She was afraid that the beast would get her again...

"Alright, alright, you don't have to bother about me anymore. Go on with your work." Qiao Mianmian wrapped the blanket around herself and turned her back to him. "I'm tired, I want to sleep for a while. From now on, don't talk to me anymore."

Mo Yesi was speechless.

This little thing was always against him.

He was already used to it.

And he knew that he was indeed a beast after what happened.

He wanted to control himself every time, but the moment he touched her, he couldn't.

At that time, all rationality was gone.

He just wanted to... bully her.

Especially when she cried, the thought of bullying her intensified.

He felt that he was rather perverted.

Of course, he wouldn't tell Qiao Mianmian about this.

Chapter 982: Aunt Mo, Are You Talking About Ah Si?

In a high-end cafe.

A lady dressed elegantly entered the cafe. The waiter immediately went forward and said respectfully, "Madam Mo, Miss Shen is here."

Madam Mo.

She and Shen Rou had agreed to meet at this cafe.

This time, it was Shen Rou who called her.

Madam Mo was a regular customer of this cafe. The employees here all knew her and greeted her when they saw her.

The waiter led Madam Mo to the private room Shen Rou booked.

Outside the private room, the waiter knocked on the door and said respectfully, "Miss Shen, Madam Mo is here."

The sound of high heels on the ground could be heard.

Soon, the door opened.

Shen Rou saw Madam Mo standing outside and immediately greeted her affectionately. "Aunt Mo."

Madam Mo smiled affectionately at her. "Rourou, when did you arrive? Have you been waiting for a long time?"

"No, I just arrived a while ago. Moreover, if it's for Aunt Mo, I'm willing to wait as long as possible. Aunt Mo, I've already ordered the coffee you like. Come in."

Shen Rou held Madam Mo's arm and walked into the private room.

They sat down next to each other like they were mother and daughter.

Shen Rou held Madam Mo's arm and said tenderly, "Aunt Mo, I wanted to accompany you at the Mo Residence, but I heard that you haven't been out for a few days, so I wanted to ask you out for a chat.

"Aunt Mo, I heard from Aunt Zhang that you've been in a bad mood these few days. Who offended you? Tell me, I'll help you settle it with that person."

Madam Mo's smile instantly vanished.

Shen Rou knew what was going on.

She had eyes in the Mo family.

Hence, she had already found out why Madam Mo was unhappy.

But she couldn't let Madam Mo know about this.

She pretended to be flustered and immediately apologized to her. "I'm sorry, Aunt Mo. Did I say something wrong, making you unhappy?"

"It has nothing to do with you." Madam Mo treated Shen Rou like a daughter. She held her hand and patted it gently. "Rourou, you're so obedient, how could you make me angry? It's that unfilial son I gave birth to. He doesn't even respect me as a mother anymore."

"Aunt Mo, are you talking about Ah Si?" Shen Rou pretended to be shocked. "Ah Si is the most filial and obedient person to you. Why would he make you angry?"

Madam Mo smiled coldly. "He used to be filial and listened to me. He doesn't take me seriously now."

"Aunt Mo, what exactly happened?" Shen Rou looked anxious. "Tell me, maybe I can help you analyze it."

Chapter 983: Sowing Discord Between Me, Old Madam, and Ah Si

"Don't be angry, you know best what kind of person Ah Si is. If he makes you angry, I think there must be a reason."

Madam Mo kept quiet for a while before letting out a long sigh and gritting her teeth. "It's all because of that woman. I was just getting him to ask Qiao Mianmian to leave the entertainment industry, and he got angry with me."

"Did I do something wrong?"

"What kind of place is the entertainment industry? As the Young Madam of the Mo family, how could she be a lowly actress? It's a good thing that no one knows about their relationship. If anyone finds out that the Second Young Madam of the Mo family is actually an actress in the future, wouldn't we lose face?"

"But in order to protect that woman, he didn't even take me seriously. Do you think I've raised a son like this for nothing? I raised him up painstakingly, and now, I can't even compare to an outsider."

"No wonder they say men forget their mothers when they marry."

"Not only that, even Old Madam is on that woman's side. I don't know why Old Madam likes her so much. She obviously hates those from the entertainment industry the most. But now that her granddaughter-in-law is in this industry, she actually said that our Mo family is protecting her. Since that woman wants to act, let her act."

Madam Mo was so angry that her chest was heaving.

It was bad enough that her son was bewitched by that vixen.

Even someone as rational as her mother-in-law was on that vixen's side.

Everyone was on the same side as that vixen.

She felt that she was alone and helpless. No one was on her side.

In the entire Mo family, she seemed like an outsider.

Madam Mo had been feeling upset for the past few days and had been suppressing her anger. Now that she saw Shen Rou, she couldn't hold it in any longer.

Now, only the daughter of the Shen family would be on her side.

“Old Madam is on her side, and Ah Si is on her side too. Shixiu also said that it’s their own business and told me not to bother about it. Rourou, do you think I still have a place in this family? She’s only been married for so long, and so many people are already on her side.

“If she stays in the Mo family for too long, won’t I lose my status in the family?”

Madam Mo got angrier as she spoke.

Shen Rou pretended to listen patiently. She waited for Madam Mo to finish complaining before advising her kindly. “Aunt Mo, calm down first. After hearing what you said, I roughly know what happened.

“If what Aunt Mo said is true, I don’t think Ah Si is to blame. I don’t blame Old Madam, either.

“I can only say that Qiao Mianmian is a very smart girl and has extraordinary means. That’s why Old Madam and Ah Si like her so much.”

“Smart?” Madam Mo sneered. “That’s called scheming. Her methods are indeed great. I underestimated her, after all. I thought that she was just from a small family and wouldn’t amount to much.

“But who knew that she was so scheming. You’re right, Ah Si and Old Madam were just bewitched by her, that’s why they are on her side. She’s the one who used tricks to sow discord between me, Old Madam, and Ah Si.”

Chapter 984: What a Hateful Move

“Both Ah Si and Old Madam are unhappy with me. She thinks that I’m not magnanimous enough to accept my own daughter-in-law. But if my daughter-in-law was you, there wouldn’t be so many problems.

“I can’t accept such a scheming and impure woman as my daughter-in-law!”

At this point, Madam Mo looked at Shen Rou regretfully and unwillingly. “Rourou, if only you were my daughter-in-law. Then, all the conflicts wouldn’t exist anymore. What do you think Ah Si is doing? He doesn’t like this good girl, but he likes that...”

“What else does that woman have other than her good looks? Rourou, you’re so outstanding, you surpass her in all aspects. Ah Si must be blind.

“I watched the two of you grow up together. I thought that if the Mo and Shen families were to get together through marriage, we would be even closer in the future. Who knew that Ah Si would lose his mind to a woman from a small family and get married to her without a word?

“This move is too hateful. I couldn’t stop it even if I wanted to.”

As Madam Mo spoke, her chest heaved again.

Shen Rou’s eyes flickered, and she quickly reached out to caress her heart a few times. She looked worried and anxious. “Aunt Mo, calm down. Don’t anger yourself because of someone who doesn’t deserve it. Now that things have already been decided, it’s useless to be angry. It’s better to...”

“No.”

Madam Mo grabbed her hand and said excitedly, “Rourou, as long as you haven’t given up on Ah Si, it’s not too late. Aunt Mo said she’d help you, you can’t back off now.”

Shen Rou frowned and looked troubled. “But Aunt Mo, it’s not that I want to give up, but it’s really impossible between Ah Si and me.

“I also thought that as long as I persevered, as long as I didn’t give up, we might still have a chance. But...” Shen Rou suddenly choked on her words as her eyes reddened.

She said sadly, “Aunt Mo, there’s something I’m hiding from you. I don’t dare to say it. I’m afraid that if I do, Aunt Mo won’t like me anymore. You’ll think I’m a bad girl.

“Aunt Mo is like my mother to me. If you stop liking me one day, I’ll be sad.”

Madam Mo saw that her eyes were red and quickly took out a handkerchief from her bag to wipe her tears. “Rourou, what’s wrong with you? Don’t cry, tell Aunt Mo what happened first. No matter what happened, Aunt Mo won’t dislike you.”

Madam Mo really liked Shen Rou.

She really wanted another daughter.

But because of her health, her wish never came true.

Shen Rou had always been close to her since she was a child. She was respectful and obedient in front of her, and she was loved by everyone. Although she didn’t treat her as her own daughter, Madam Mo’s love for her was real.

She really wanted Shen Rou to be her daughter-in-law.

In her opinion, no one was more suitable than Shen Rou to be the Second Young Madam of the Mo family.

She’d always thought that the two families could get married.

Until Mo Yesi suddenly brought Qiao Mianmian home and told them about their marriage...

Chapter 985: Do You... Not Like Me Anymore?

Madam Mo had been looking forward to this for so long, but it all came to nothing in an instant. Moreover, she felt that the most outstanding son in the world was marrying a woman from a small family, and it was a flash marriage. How could she accept this?

She hated Qiao Mianmian as much as she wanted Shen Rou to marry Mo Yesi.

If this scheming woman hadn’t tricked her son into registering with her, she would never have let such a woman marry into the Mo family!

“Aunt Mo, I did something wrong. If I told you, you definitely wouldn’t like me anymore.” Shen Rou’s tears fell as she said sadly, “Aunt Mo, you know that I’ve liked Ah Si since I was young. My dream since I was young was to marry him and be his wife.

"I always thought that his wife would be me.

"Then, he suddenly got married. When I found out about his marriage, I was so upset. I couldn't sleep for a few days, and I couldn't eat anything. I even felt like there was no point in living anymore.

Madam Mo held her hand tightly. "Rourou..."

Shen Rou looked at Madam Mo with tears in her eyes. "Aunt Mo, I'm so jealous of Mianmian. I can't accept it, either. I liked Ah Si and accompanied him for over 20 years, but he ended up marrying another woman.

"At that time, I was blinded by jealousy, so I did some irrational things. Aunt Mo... actually, the scandals you saw about Qiao Mianmian some time ago were all... I got someone to expose them.

"I'm so jealous of her. I can't accept her being with Ah Si. I saw that she was doing well, and Ah Si doted on and pampered her, so I didn't want her to have an easy time. I thought that if Ah Si saw that she was involved with another man, he would definitely be angry and mindful.

"Could Ah Si have divorced her?"

"Even if they don't get a divorce, they might still fight over it. Maybe Ah Si would get sick of it and divorce her."

As Shen Rou spoke, she covered her face and cried. "Aunt Mo, isn't it too despicable and vicious of me to think this way? I feel so despicable myself. I don't know how I became the person I detest the most.

"But I can't control myself. I can't accept them wholeheartedly and give them my blessings."

Madam Mo was stunned.

After a while, she said in shock, "Rourou, you said that the scandals that Qiao Mianmian created were all caused by you?"

Shen Rou nodded while crying.

"About her and her ex-boyfriend..."

"Aunt Mo, I did get someone to expose that. But I didn't spread rumors to frame her. I was there too. I saw her and her ex-boyfriend pulling each other. I didn't get someone to take those videos. Many people saw it too."

"Then, her scandal with that actor..."

"That incident has nothing to do with me. I wasn't the one who got someone to release the news." Shen Rou sobbed for a while before wiping the tears from the corner of her eyes. Her eyes were filled with uneasiness.

She was afraid. "Aunt Mo, do you think I'm a bad girl now? Do you... not like me anymore?"

Chapter 986: Come to the Office With Me to Look for Him

Madam Mo looked at her for a while and sighed.

She patted her head. "How could Aunt Mo not like you? It's because you care too much about Ah Si. Aunt Mo understands."

Shen Rou's eyes were misty as her tears fell again.

"Really?" She whimpered and threw herself into Madam Mo's arms. "Aunt Mo, I was so worried that you wouldn't like me anymore. Do you think I've become a bad girl?"

Seeing how teary she looked, Madam Mo hugged her tenderly and patted her back. "You haven't turned bad, you just care too much about Ah Si. It's his blessing to have you like him so wholeheartedly.

"I do hope that Ah Si can divorce her. If they divorce because of that, Aunt Mo will have to thank you."

Shen Rou looked up from Madam Mo's arms and said, "Aunt Mo..."

"Be good, don't cry." Madam Mo reached out to wipe her tears. "You've put in so much effort for Ah Si, how could Aunt Mo blame you?"

"Aunt Mo, you're so good to me. Sob..." Shen Rou buried herself in Madam Mo's arms and cried again.

"Good girl, don't cry." Madam Mo comforted her patiently, not minding that her tears had drenched her expensive shirt.

After knowing what Shen Rou had done, Madam Mo didn't detest her. Instead, she was even more satisfied with her.

How much did this girl like her son to be forced to this extent?

"Aunt Mo, you're too good to me. Rourou really wants to stay by your side and be filial to you, but..." Shen Rou looked up, her eyes red and swollen from crying. "Although you don't blame me, Ah Si has a very strong opinion of me because of those things. He won't forgive me no matter what.

"He said that I hurt Qiao Mianmian, and he won't forgive me. He and I... have already... broken off our friendship." With that, Shen Rou buried herself in Madam Mo's arms and sobbed again.

"He even said that we'd be strangers the next time we meet.

"Aunt Mo, I'm so sad. I don't want to be strangers with Ah Si.

"I know I was wrong. I won't do anything to hurt Qiao Mianmian anymore. Help me plead with him and let him give me another chance, alright? I really won't dare to touch Qiao Mianmian again.

"As long as he can forgive me, I'll do anything."

Madam Mo was shocked. "What did you say? You've already cut ties with Ah Si?"

"Mm." Shen Rou couldn't stop sobbing. "He's the one who wants to cut ties with me. Aunt Mo, I'm so sad. Can you help me? I really don't want to be strangers with Ah Si."

"Ah Si is too much!"

Madam Mo's expression darkened. "He actually wants to cut ties with you because of that woman. He must have lost his mind because of her! Rourou, don't worry, Aunt Mo won't let him do anything rash!

“Come to the office with me now.

“I want to see if he can really disregard our mother and son relationship for that woman!”

Shen Rou was stunned for a while before saying, “Aunt Mo, I...”

Chapter 987: Did You Buy This for Her?

“Don’t be afraid.” Madam Mo held her hand tightly and pursed her lips. “Aunt Mo will support you. You don’t have to be afraid.”

...

Half an hour later.

Shen Rou and Madam Mo arrived at the Mo Corporation building.

Shen Rou held Madam Mo’s arm and walked into the lobby confidently.

The moment Madam Mo appeared, the employees turned to look at her. The employees around her stopped in their tracks and greeted her respectfully. “Hello, Madam.”

Madam Mo didn’t come to the Mo Corporation often.

She’d only been here four or five times in all these years.

But everyone in the Mo Corporation knew her.

Mo Yesi looked like Madam Mo.

Hence, Madam Mo was also very good-looking.

The employees who saw her once or twice had a deep impression of her.

Those who hadn’t seen her before could guess that she had a close relationship with Mo Yesi.

Most of them knew Madam Mo.

But few knew Shen Rou.

These employees all knew that Chairman Mo already had a girlfriend, but now that they saw Madam Mo bring a young and beautiful girl over, they all guessed Shen Rou’s identity.

Those who knew Shen Rou’s identity couldn’t help but gossip when they saw this scene.

Chairman Mo’s girlfriend was still with him.

But Madam Mo brought Young Lady Shen along. It seemed like a good show was about to happen.

Did Young Lady Shen bring Madam Mo here to show off?

And judging from how intimate they were, their relationship seemed pretty good.

One was Chairman Mo’s girlfriend, and the other was the girl Chairman Mo’s mother liked.

Who would Chairman Mo choose in the end?

Just as Madam Mo and Shen Rou entered the living room, Wei Zheng returned with some clothes.

He walked into the living room with the bags of clothes and felt that the atmosphere wasn't right. When he looked forward and saw that Madam Mo was actually here, his expression changed, and he immediately went forward to greet her respectfully. "Madam."

Madam Mo turned around and saw that it was Wei Zheng. "Is Chairman Mo in the office?"

Wei Zheng tightened his grip on the bag, not daring to even breathe. "Madam, Chairman Mo is here."

Madam Mo nodded again and continued walking.

But Shen Rou didn't take a step forward. Her gaze landed on the bag of clothes in Wei Zheng's hand. When she saw that it was a female clothing brand, her expression darkened. She clenched her teeth and asked, "Assistant Wei, who did you get this for?"

Madam Mo hadn't noticed this at first.

She looked over and saw Wei Zheng carrying two bags of clothes. "Assistant Wei, did you just get some clothes?"

Wei Zheng didn't even dare to breathe when he was being stared at by both of them. He held his breath and nodded. "Madam and Miss Shen, this... Chairman Mo asked me to buy it."

Shen Rou quickly thought of a possibility.

Her expression darkened even more. "Is Qiao Mianmian here too? Did you buy this for her?"

This wasn't the first time Mo Yesi ordered Wei Zheng to do something like this.

Hence, he knew very well what Chairman Mo and Young Madam did in the office.

Chapter 988: Do You Know What Happened to You?

Chairman Mo and Young Madam were legally married, and they were in Chairman Mo's office.

Whatever he wanted to do with his wife was legal and normal.

But Wei Zheng knew that it wouldn't be good if Madam Mo found out.

It was broad daylight in the office...

Chairman Mo was Madam Mo's biological son, she definitely wouldn't have much of an opinion about him.

It was mainly Young Madam.

Madam Mo might even think that Young Madam was shameless to seduce her son in broad daylight.

Madam Mo was already unhappy with Young Madam.

If she found out...

As expected, Madam Mo's expression changed when she heard that Qiao Mianmian was there too.

She looked at the bag of clothes in Wei Zheng's hand and her expression darkened.

She quickly thought of the same thing as Shen Rou.

"Your Young Madam is here too?" Madam Mo glared at the bag of clothes in Wei Zheng's hand and tried to suppress her anger. "This is for her? What did she do, why do you have to buy clothes for her?"

Shen Rou saw that Madam Mo was angry and added fuel to the fire. "Personal Assistant Wei, if I'm not wrong, you bought a set of undergarments too. What exactly did Mianmian and Ah Si do, you're still buying her undergarments?"

Madam Mo understood what she meant.

Her expression turned awful.

Wei Zheng cursed Shen Rou in his heart. "Madam, the secretary accidentally spilled the coffee on Young Madam. As you know, summer clothes are thin, so the entire set has to be changed."

"Coffee?" Madam Mo looked a little better than before.

Wei Zheng nodded. "Yes. Young Madam was wearing white today, so Chairman Mo got me to get a new set."

"Hmph."

Madam Mo snorted. "Then, this secretary is too clumsy. She can't even do such a simple thing. Wei Zheng, are you telling the truth? You're not lying to me, are you?"

Wei Zheng broke out in cold sweat and didn't dare to wipe it off. "Madam, how would I dare to lie to you? It's true."

Shen Rou glared at him when she saw that Madam Mo seemed to believe him. "Assistant Wei, don't lie to Madam. If Madam finds out that you lied to her, do you know what will happen to you?"

Wei Zheng was speechless.

Damn.

Why hadn't he realized that Young Lady Shen was so annoying?

He used to think that she was a good person.

Indeed, one couldn't judge a book by its cover.

"Miss Shen, I don't have the guts to lie to Madam. Moreover, I don't have to lie to Madam." Wei Zheng took a deep breath and tried to suppress his anger. "Miss Shen, you're overthinking."

"Is that so?" Shen Rou sneered. "It's good that you didn't lie to Madam. If you did..."

She didn't finish her sentence, but the threat was obvious.

Wei Zheng was speechless.

...

Wei Zheng followed Madam Mo and Shen Rou to the office building.

When he left the elevator, he glanced in the direction of the President's office and prayed that Chairman Mo wasn't still with Young Madam...

Chapter 989: I Don't Want to Fight With You

He was a little worried.

After all, Chairman Mo was rather energetic.

If Madam Mo found out that he was lying, he would be in deep trouble.

Although he believed that Chairman Mo could protect him, he was still afraid of angering Madam.

He wasn't mentally strong enough to pretend that nothing had happened.

Wei Zheng knocked on the door nervously. "Chairman Mo, Young Madam's clothes are back. Should we bring them in now, or..."

In other words, if it wasn't convenient, he would come over later.

"Come in." Thankfully, Mo Yesi spoke quickly, and from the sound of it, it didn't seem like he was in the middle of it.

Wei Zheng heaved a sigh of relief.

He pushed the door open.

When he entered the office and saw Mo Yesi sitting at his black desk, reading some documents, he let out a long sigh.

Even his footsteps became lighter.

He quickly walked towards Mo Yesi and whispered, "Chairman Mo, Madam and Miss Shen are here."

Mo Yesi looked up and saw Madam Mo and Shen Rou walking in.

Shen Rou searched for Qiao Mianmian the moment she entered the office and frowned when she saw no one around.

Didn't Wei Zheng say that Qiao Mianmian was there too?

Why was there no one now?

Was she hiding because Wei Zheng informed her beforehand?

If she was just staying in Mo Yesi's office normally, why would she need to hide?

Unless...

Shen Rou clenched her fists and her expression darkened.

Qiao Mianmian was really shameless.

It was broad daylight, and she couldn't hold it in. She was in the office, and...

She must have used these tricks to bewitch Mo Yesi.

Shameless.

"Ah Si, what's with your expression? Why, you don't want to see me anymore? Are you still thinking of severing ties with me after some time?" Madam Mo hadn't been in contact with her son ever since she was blacklisted by him the last time. Now that she saw Mo Yesi's darkened face, the anger she'd been suppressing exploded.

Her son, who had always been filial to her and listened to her, was now so cold and disrespectful to her.

How could she accept this?

Mo Yesi glanced at Shen Rou standing beside Madam Mo and took a deep breath. "Mom, why are you here? Why didn't you tell me beforehand?"

Madam Mo scoffed. "Why, what military base is this that I can't come to? Why do I have to tell you in advance, are you guarding against me?"

"You know that's not what I mean." Mo Yesi rubbed his temple. "Mom, can we talk nicely? I don't want to fight with you."

"So, you think I'm here to fight with you?" Madam Mo was furious at the thought of being blacklisted.

Mo Yesi was speechless.

His head hurt even more.

He looked at Madam Mo helplessly. "I didn't say that. Don't misunderstand me. Wei Zheng, bring Madam a cup of tea."

"Yes, Chairman Mo."

Wei Zheng placed the bag on the desk and left.

Madam Mo also looked around the office and couldn't help but ask, "Isn't there another person? Why don't I see her?"

Chapter 990: Other Than Her, There Won't Be Anyone Else

Madam Mo wasn't willing to admit Qiao Mianmian's identity.

Hence, she didn't even want to mention her name.

Mo Yesi also noticed this and his expression darkened. "Mom, are you talking about your daughter-in-law? She's tired, so I let her sleep in the lounge first."

Madam Mo's expression stiffened when she heard the word "daughter-in-law".

This was undoubtedly a mockery to her.

She had always felt that her two sons were the most outstanding in the world and that the other half they would find in the future would definitely be compatible and equally outstanding.

Especially when compared to her eldest son, Mo Shixiu, she'd always doted on her youngest son more.

She didn't expect her beloved son to do something so disappointing.

Ever since he was a child, Mo Yesi had always been sensible and had his own opinions. He could do things well and never let them worry about him. He never disappointed them in anything he did.

Hence, she trusted her youngest son.

He never made her worry about anything.

But he disappointed her in the most important thing in her life.

He married a woman that she despised.

And now, for that woman, he didn't even care about her.

This made Madam Mo angry and upset. She felt that she had raised this son for nothing!

"Daughter-in-law?" Madam Mo couldn't help but sneer as she recalled all that had happened. "I've never acknowledged that woman as my daughter-in-law. You took the initiative to marry a woman that I won't acknowledge.

"I only have one daughter-in-law in mind, and that's Rourou."

Mo Yesi had always been considerate of Madam Mo's status and thought that she was still his elder. Even though he felt uncomfortable, he didn't say anything too extreme.

He was afraid that their relationship would worsen.

He knew how Madam Mo treated him since he was young.

He didn't want to fall out with Madam Mo over this.

No matter what, Madam Mo was his mother, his closest kin.

Mo Yesi really wanted to settle this conflict.

But no matter how capable he was, he couldn't possibly handle everything perfectly.

Especially someone like Madam Mo, whose prejudice and dislike towards Qiao Mianmian had been carved into her bones. It was even harder for him to change her mind.

Previously, even though Madam Mo was unhappy with Qiao Mianmian, she didn't make it too obvious because of Old Madam.

On the surface, it seemed alright.

But now, she was revealing her unhappiness.

She said it in front of him.

Mo Yesi's expression changed.

He didn't expect Madam Mo to like Qiao Mianmian as much as he did.

But as his elder and closest kin, if she couldn't even love her, he would feel sad and disappointed.

Madam Mo knew how much he liked and cared about Qiao Mianmian.

But she said that in front of him.

Not only did she not respect Qiao Mianmian, but she also didn't care about her son.

At this point, Mo Yesi didn't care about the relationship between mother and son anymore. "Mom, I'll tell you directly. In this lifetime, your daughter-in-law will only be one person. That's my wife, Qiao Mianmian.

"Besides her, there won't be anyone else."
