Chapter 58: Wimp

After Qin Shu put away the scarf, she turned around and walked into the bathroom to wash up.

When Fu Tingyu walked in, he saw that the girl was brushing her teeth, but he didn't see the scarf with his name embroidered on it. He thought that the girl was angry with him, so she didn't want to give it to him.

"Babe, don't be angry anymore. Give me that scarf."

He stood beside the girl. His tall and slender figure was like a large loyal dog as he stared at her.

Qin Shu glanced at the man and then turned her head away, her back facing him as she continued to brush her teeth.

Fu Tingyu took a small step forward and hugged her from behind. He leaned his smooth chin against the girl's smooth hair. "Babe, I'm sorry. It's my fault. Don't be angry, okay?"

Qin Shu stopped brushing her teeth. This was the first time she had heard a man say the words 'sorry'.

He was the head of the Fu family, and he could do anything as he pleased.

He was such a proud person, and yet he said that he was sorry to her.

Qin Shu's grievance was reduced by more than half. She decided to brush her teeth and wash her face first.

Fu Tingyu saw that the girl was still ignoring him, so he asked softly, "Where did you hide that scarf?"

Qin Shu glanced at him, then turned around, picked up her cup, and began to rinse her mouth.

Fu Tingyu also let go of her and stood to the side to wait for her.

Qin Shu stretched out her hand to squeeze some cleanser onto her hand and began to wash her face.

Fu Tingyu continued watching from the side, waiting for the girl to give him the scarf.

After washing her face, Qin Shu took out a piece of tissue to dry her face before walking out of the bathroom.

Fu Tingyu immediately followed her out.

Qin Shu sat down in front of the dressing table and applied moisturizing lotion on her face. She glanced at Fu Tingyu who followed her out. She felt that at that moment, he was like a child, eagerly waiting for a gift that belonged to him.

Qin Shu applied skincare products, stood up, and looked up at the man who was half a head taller than her. He probably looked like this only in front of her.

"That scarf was supposed to be a surprise for you, but you found it before I could finish it, so there's no surprise anymore."

“I was surprised. I like it very much. ”

He had already been very surprised when he saw the word ‘Yu’ on it.

“Where did you hide the scarf? ”

“I’ll give it to you when I’m done. ”

“How long will it take? ” Fu Tingyu couldn’t wait any longer. That was the first gift that Babe had given him and it was a treasure to him...

Looking at the man’s impatient look, Qin Shu held back her laughter. “It’ll be done soon. ”

Fu Tingyu looked at the girl and suddenly reached out to pull her into his embrace. He tightened his arms and said in a pleasant voice, “Babe, I’m looking forward to it. ”

Qin Shu just realized that having something that she had prepared with all her heart being anticipated by someone was a very happy and joyful thing.

She had been stupid in her previous life to have carefully prepared gifts for scum Shen. Her gifts were not enjoyed by him and were even despised.

At breakfast.

Fu Tingyan finally lost his cool and came to Bright Garden early in the morning to have breakfast.

He sat at the dining room table and looked up at the two people on the stairs who were running late. Fu Tingyan felt that he had not come on a good day.

Fu Tingyu and Qin Shu walked to the dining table and sat down one after another.

“Elder Brother.” Fu Tingyan’s gaze shifted from Fu Tingyu to Qin Shu. He really couldn’t call her sister-in-law.

Fu Tingyu’s cold gaze swept over, and Fu Tingyan immediately cowered. “Sister-in-law. ”

“You’re so well-behaved, Yan. ”

Qin Shu arched her eyebrows at Fu Tingyan, looking exactly like a gentle sister-in-law.

Fu Tingyan was shocked by the words ‘You’re so well-behaved, Yan’, that goosebumps appeared on his arms.
