

Bigoted 621

Chapter 621: An unbearable result, the tables have turned

The three men lying on the ground looked at Qin Shu with fear on their faces. They had been beaten too harshly. The obvious wounds were on their faces, but there were many areas of pain.

No one had expected that a weak girl would not only know martial arts, but her martial strength would be many times higher than theirs.

They were weaklings in front of Qin Shu. They did not even have the strength to fight back.

The three men who were afraid of being beaten did not care about anything else. Their priority now was to save their lives.

"It's Yan Jing. Yan Jing asked us to destroy you. Yan Jing said to call her after we're done. She brought her people over. We're just taking money to do things," the leader of the men said while enduring the pain.

Yan Jing?

Qin Shu frowned and glanced at the three men on the ground. "You guys invite her over."

"I, I'll call her right now."

The man in the lead endured the pain and took out his phone from his pocket while trembling. He dialed Yan Jing's number.

After the call was connected, he tried his best to use his usual voice to say, "The matter has been settled. You can come over now."

Yan Jing was delighted when she heard that. Qin Shu was completely done for this time. After hanging up the phone, she found a few classmates who usually played well and walked all the way to the laboratory building.

When she passed by the male dormitory, someone asked where they were going. Yan Jing didn't say that she was going to find Qin Shu. Instead, she said that someone was abusing her classmates in the laboratory.

Along the way, many male and female classmates followed her.

The experimental building was quiet. When a group of people walked in, their footsteps were a little chaotic.

"Everyone, hurry up, or it will be too late," Yan Jing urged. She couldn't wait to let everyone see Qin Shu's miserable appearance.

"Yan Jing is right. If we don't hurry up, our classmates will be in trouble," Yan Jing's best friend echoed.

"I don't know who they are, but they only know how to bully the weak. When you see them later, beat them up first. Let them know what it feels like to be abused," one of the girls said indignantly.

"No problem. When we see them later, we'll beat up this scum together."

The male student who came with them laughed, and a few other male students followed suit.

When they reached the agreed laboratory, Yan Jing rushed in impatiently, wanting to see Qin Shu's current appearance.

In order to not let others suspect her, she endured the urge to be the first to rush in.

The first to rush in was the male student who laughed earlier. After he kicked open the laboratory door, a few other male students rushed in with him.

The male student who rushed in first saw the scene inside and was momentarily stunned. Inside, three big men were beaten black and blue. They were tied up inside the laboratory and looked at them.

They stood there, not knowing how to react. Yan Jing walked behind and looked at the students in front of her standing still. She seemed to be stunned. It must be because she saw Qin Shu's dishevelled appearance after being played with.

She hid her smug smile and walked in, wanting to see the results.

When she walked in, she looked at the laboratory. She did not see the Pathetic Qin Shu. She only saw three men tied up inside. They were beaten black and blue, and their original appearances could not be seen.

The male student who kicked the door reacted and asked, "Who are you?"

The leader of the men saw a group of students barging in. He was stunned at first, then he followed Qin Shu's instructions and said, "We were hired by Yan Jing. She was jealous of a female student, so she asked us to destroy her. In the end, we were beaten up by that female student."

The other man looked at Yan Jing and roared in dissatisfaction, "Yan Jing, why didn't you investigate clearly that her martial strength is very strong? She made us miserable."

"Look, how badly did she beat us up? If only I had known earlier..."

Hearing this, Yan Jing's face turned pale. Her mind went blank for a moment as she stared at the three men with wide eyes.

The rest of the people present turned their heads and looked at Yan Jing in shock. They did not react for a moment.

"Is what they said true or false? Are these three men hired by Yan Jing?"

The girl at the back whispered.

Another girl added.

"The main point is that they are hired to destroy the reputation of other girls. Doesn't it feel scary?"

"It's not just scary. I wonder which female student offended Yan Jing. Why did they do this to her?"

"Did you guys realize that when we first came here, it was Yan Jing who dragged us here. She was also the one who said that someone was bullying the weak students in the experimental building?" The slightly more rational students also guessed.

“You’re right. It was Yan Jing who dragged us here. Then they weren’t lying.”

Yan Jing heard every word of the students’ discussion. Her body froze on the spot. This was something she did not expect, so she did not know how to respond.

The male student who kicked the door was a sports student. He was tall and strong. Listening to the students’ discussion, he could not believe that Yan Jing was that kind of person. He shouted at the three men, “Did Yan Jing really pay you to come?”

The three men were scared by Qin Shu’s beating. Looking at such a rude man, his fist could hit them at any time. They were so scared that their bodies trembled.

“It’s true. We took half of the money, and the other half was given after the job was done.”

The man in the lead seemed to have remembered something and hurriedly said, “I, I have the receipt record in my phone.”

The male student who kicked the door was about to go through the man’s pocket.

Yan Jing suddenly reacted and grabbed the male student who kicked the door, tears instantly flowed down from her eyes. “They are lying. They threatened me and extorted money from me. They must be playing tricks again this time. They want to threaten me and give money to them.”

Yan Jing was crying like a pear blossom in the rain. She had a pure face to begin with. Any man would be moved by it.

The boy who kicked the door hated such hooligans the most. He started to lean towards Yan Jing again. Without saying anything, he started to punch the three hooligans.

The three men who had already been beaten up by Qin Shu were beaten up again. Before their fists landed, they started to shout.

Seeing the actions of the male student who kicked the door, Yan Jing heaved a sigh of relief. However, her face was still pale. She only hoped that she could deceive everyone present.

Otherwise, she would have paid them to destroy Qin Shu’s reputation. Once it was confirmed, she would face more than just dropping out of school.

The consequences were unimaginable and unacceptable to her.

The situation suddenly reversed. The people present started to lean towards Yan Jing again because there had indeed been cases of extortion of students in the past.

“I hate gangsters who extort money from students the most. They still use such despicable methods. It’s too disgusting.”

“It’s best to send these three gangsters to the police station. Let’s see how they will extort money from their classmates in the future.”

“That’s right, that’s right. They even made a false accusation and framed Yan Jing. People like that should be locked up. Don’t let them come out to harm others.”

Chapter 622: Qin Shu felt sick to her stomach

Hearing the discussions of the students and seeing the three men being beaten up by the male students, Yan Jing heaved a sigh of relief in her heart.

As long as she beat up the three men and sent them out, she would be safe and sound.

The man who was beaten up wailed as he watched the male students being beaten up until their eyes turned red.

The Man in the lead hurriedly shouted, "Stop it, stop it. I, I have a recording. I have a recording."

One of the male classmates who had been beating them up heard this and hurriedly stopped them. "Stop it for now. He said he has a recording."

The other male classmates also stopped when they heard this.

At this moment, the three men who had been tied up did not have the strength to fight back at all. They had already been beaten until their heads were bleeding, and they could only gasp for breath.

This was probably the most tragic and unlucky thing they had ever encountered in their lives.

The male student who kicked the door did not ask any more questions. He directly searched the pocket of the man who had spoken just now.

He did not even touch it twice before he took out his phone and began to search.

He found the location of the recording. There were a few recordings inside. He clicked on the latest recording.

[Yan Jing: I will give you two hundred thousand dollars to help me destroy a person.]

"The man in the lead: that's not a problem. Send the photo over and pay half of the employment fee."

"Yan Jing: Sure, you have to do it cleanly."

After the recording was played, everyone was stunned again. The voice in the recording was very familiar, and they knew it was Yan Jing's.

The tables had turned again, and they could not react in time.

"What's going on? Did Yan Jing really hire them?"

"That's what the recording said. It's probably true."

Everyone looked at Yan Jing with suspicion.

"Did you really hire Yan Jing and the others?"

"I really didn't know that you had such a vicious heart. Even if someone offended you, you can't hire someone to ruin her reputation. You're too disgusting."

"On the surface, she looks innocent, but I didn't expect her to be a scheming B * TCH."

Yan Jing was completely stunned and her face turned pale. She didn't expect the other party to record her phone call. Now, she would never change her mind.

Outside the window, Qin Shu had been standing there the whole time. She had witnessed everything that had just happened. After everything was exposed and everyone knew Yan Jing's true colors, she withdrew her gaze and turned around to leave.

As for Yan Jing, the consequences would be relatively severe.

It was already ten o'clock when she returned to the student apartment.

Qin Shu walked into the apartment. Fu Tingyan was sitting on the sofa. When he saw that she had returned, he asked, "Why are you back so late?"

"I ran into something on the way." Qin Shu took off her coat and placed it on the clothes rack. She walked to the sofa and sat down. She picked up the kettle and poured herself a glass of water to quench her thirst.

Fu Tingyan asked, "What happened?"

Qin Shu drank a few mouthfuls of water and said casually, "It's just a small matter."

Fu Tingyan didn't think much of it and only said, "Don't work too late at night. Otherwise, my brother will feel sorry for you again."

Qin Shu turned to look at Fu Tingyan and smiled. "The planning department has finished their work. There's nothing else to do."

At this moment, Bo Ye came down from the second floor.

Fu Tingyan saw him and shouted at him, "Did you take my clothes?"

Bo Ye walked over. "Yes."

Fu Tingyan nodded in satisfaction. He turned to look at Qin Shu and said, "It's a holiday. Do you want to go back to Su City with us? I bought a few tickets."

Qin Shu nodded readily. "Sure."

Fu Tingyan turned to look at Bo Ye. "Do you want to return to Jiang City with me? Then, we can go learn martial arts together?"

Bo Ye nodded. "Yes."

With the two matters settled, Fu Tingyan felt light all over. He was just looking forward to learning martial arts.

Qin Shu shot a glance at Fu Tingyan and Bo Ye. She smiled and got up to go to the second floor.

The next day

The matter of Yan Jing hiring someone to destroy her innocence had spread like wildfire in the school the next day.

Everyone was talking about it. At the same time, they were scolding Yan Jing for being vicious and scheming.

Yan Jing did not go to class that day. At ten in the morning, two police officers came from the police station and brought Yan Jing back to take her statement and interrogate her.

Yan Jing was so scared that her face turned pale and her legs were weak.

When Yan Jing was taken away, many of her classmates came over to watch and applauded.

“It’s best to lock up such a vicious person and not let her out again. Otherwise, she might bring harm to others in the future.”

“That’s right, that’s right. Why didn’t I see that she was such a person in the past? She’s too scheming. She didn’t even know that she stabbed you in the back.”

The school’s first response was to expel Yan Jing.

Then, they also gave interviews to the reporters.

After being expelled from Imperial College and having exposed this matter, no university would want Yan Jing anymore.

As for whether Yan Jing could get out or not, it was a problem. No one could think of hurting Qin Shu and still be safe and sound.

After Yan Jing was expelled, there would still be people talking about this matter in the university. However, no one knew that the person that Yan Jing wanted to set up was Qin Shu.

Two days before the holiday, the exams ended one after another.

Qin Shu woke up later and later in the morning.

She slept until eleven o’clock in the afternoon today, and it was a call from Fu Tingyu that woke her up.

When she picked up the phone, her voice was a little hoarse because she had just woken up.

When the man heard it, he asked, “You just woke up?”

Qin Shu’s eyes were drowsy. “Yes, what time is it now?”

“Eleven o’clock. Are you hungry?”The man asked.

When the man mentioned that, Qin Shu suddenly felt that her stomach was already protesting. “I didn’t feel hungry when I was asleep. Now that I’m awake, I feel hungry.”

“Then get up and go eat. Don’t be hungry.”If it were not for the fact that they were separated, the man would have wanted to personally deliver the food to the girl.

“Yes.”Qin Shu said, “ By the way, I have a holiday the day after tomorrow. The day after tomorrow, I’ll take a bus back with Yan and the others.”

Knowing that the girl would be back soon, the man said, “I’ll pick you up.”

Qin Shu shook her head, as she didn't want the man to have to run both ways when he was the busiest.

"No need. I'll take the bus back with Yan and the others. It's very fast by bus. You can pick me up at the station."

The man thought for a while and nodded in agreement.

"Okay."

After the phone call with the man, she got up and went to eat.

The next day, Qin Shu slept until noon. She only got up when Ye Xue came up to wake her up for lunch.

After lunch, she thought that she would have to take the bus back to Jiang City tomorrow, and it would still be the few of them together, so there was no difference.

Jiang Yu took out a large durian from the refrigerator. As soon as he took it to the living room, everyone could smell the scent of durian.

Fu Tingyan looked at the durian in Jiang Yu's arms with disdain. "When are you going to eat durian too?"

"I heard that although durian doesn't smell good, it's very delicious, so I bought one. Have a taste."

As Jiang Yu spoke, he started to break the durian with his bare hands. When he broke it open, the smell of durian became stronger.

Qin Shu had just picked up Boss when she smelled the strong smell of durian. She retched a few times and wanted to throw up.

Chapter 623: Tell her about Han Xiao

President Ba raised his head and stared at Qin Shu with his dark green eyes, as if he was puzzled.

Ye Xue, who was sitting not far from Qin Shu, also heard Qin Shu retching. She turned her head and looked worried. "Qin Shu, what happened to you?"

Fu Tingyan also turned her head to look at her with a questioning look.

Qin Shu covered her mouth with one hand. After suppressing the feeling of nausea, she shook her head at them. "I'm fine. I just can't stand the smell of durian. You guys eat. I'll carry President Ba out for a walk."

After saying that, she carried President Ba out.

Jiang Yu saw Qin Shu get up and asked Fu Tingyan, "What's wrong with Qin Shu? I've already opened the durian. Is she not eating?"

"She can't stand the smell. I'll go upstairs first."

After Fu Tingyan finished speaking, he stood up and went upstairs.

Jiang Yu stopped peeling the durian and shouted at Fu Tingyan's retreating figure, "Tingyan, don't go. Are you not going to eat the durian?"

“Keep it for yourself,” Fu Tingyan said without turning his head.

“I’ll go up too.” Bo Ye followed him upstairs.

Seeing Bo Ye leave, Jiang Yu shouted again, “Bo Ye, you’re not eating anymore?”

“I’m not eating anymore,” Bo Ye replied and continued upstairs.

Jiang Yu looked down at the huge durian on the coffee table and then looked at the sofa. Only Ye Xue was left.

Ye Xue looked at Jiang Yu innocently and tried not to leave. “Jiang Yu, the durian smell is really bad.”

Jiang Yu looked at Ye Xue and thought to himself, it’s pretty good for him and Xiao Xue to eat alone.

“It doesn’t smell very good. You’ll know if it’s good after you try it.”

Ye Xue’s voice was filled with doubt. “Have you tried it?”

Jiang Yu shook his head, but his voice was filled with anticipation. “No, I heard from a few classmates two days ago that durian is delicious, so I bought it.”

Jiang Yu peeled a piece and placed it on the plate. There was also a fruit fork inside, and he handed it to Ye Xue. “Try it first.”

Uh!

Alright.

Ye Xue looked at the durian flesh in front of her and took it. She picked up a fruit fork and picked up a piece. She hesitated before putting it into her mouth. She did not even chew it and swallowed it. She did not know what the taste was, but she knew that the durian meat was a little soft.

Jiang Yu saw her eat it. “Is it good?”

Ye Xue thought for a while and said, “It’s, it’s okay.”

“Then what they said is true. The durian taste isn’t that good. It tastes okay.”

Jiang Yu actually didn’t like the taste, but Ye Xue said it was okay. He also peeled a piece for himself and put it into the plate. He picked up the fruit fork, picked up a piece, put it into his mouth, and chewed..

After Ye Xue ate one piece, she stared at Jiang Yu. After he ate it, she asked, “Is it good?”

Jiang Yu directly swallowed the durian and shook his head at her. “I don’t think it’s good.”

After hearing what Jiang Yu said, Ye Xue told him what she really thought. “I don’t think it’s good either. The meat is a little soft. I like to eat crunchy fruits.”

“Then don’t eat it.”

Jiang Yu directly used a convenience bag to pack the durian and threw it into the trash can outside.

When he came back, he could still smell the durian.

“Turn off the heater. The smell is too strong. I’ll open the window.”

“OH.” Ye Xue hurriedly turned off the heater in the living room.

Jiang Yu also opened the windows one by one.

All the work just now had been in vain.

Jiang Yu turned around and hugged Ye Xue, rubbing his chin against her slightly yellow hair. Her hair was very soft and smooth. “Xiao Xue.”

Ye Xue raised her head and asked with a slightly red face, “What’s wrong?”

“Let me see if you’ve lost weight,” Jiang Yu whispered into Ye Xue’s ear.

Ye Xue’s face turned a little red again. “I haven’t lost weight. I’ve gained weight. I’ve gained a few pounds.”

On the second floor

Fu Tingyan was packing his luggage. He glanced at Bo Ye, who was sitting in front of the desk. “Aren’t you going to pack?”

Bo Ye said, “I’ve already packed.”

Fu Tingyan didn’t say anything and continued packing.

Bo Ye sat in front of the desk and watched Fu Tingyan pack his luggage. After thinking for a while, she said, “I want to tell my brother.”

Fu Tingyan stopped folding his clothes. He stood up straight and looked at Bo Ye. “Will your brother agree to let you go to Jiang City with me and then learn martial arts together?”

Although he didn’t get along with Bo Yin, he had gotten to know him a little better after their last encounter.

Bo Yin had a strong and overbearing personality. He would never agree to let Bo Ye go back to Jiang City with him.

Bo Ye paused when he heard that. “I will convince him.”

Fu Tingyan smiled. “I think you might be able to convince your brother. He almost forced you to go back that day. Now, you have to follow me back to Jiang City.”

Bo Ye did not deny his statement, because she understood Bo Yin and would not easily agree to let her go with someone else.

“Then, I have to tell him that even if he doesn’t agree, I won’t change my decision.”

Fu Tingyan asked, “Aren’t you afraid of him? Taking you back by force?”

Bo Ye emphasized his tone and repeated, “I will convince him.”

Fu Tingyan stared at Bo Ye for a long while and only said three words, “Up to you.”

Then, he turned around and continued to pack his luggage.

Bo Ye pursed his lips and remained silent for a while before saying, "I'll call my brother."

After saying that, he stood up and walked out.

Fu Tingyan wanted to stand up straight. He turned his head to look at the door and watched Bo Ye walk out. He felt that it would be very difficult for Bo Ye to get her brother's approval.

...

After Qin Shu came out of the apartment with President Ba in her arms, she took a walk around the neighborhood.

It was already school break. Students can be seen carrying their suitcases to the bus station on campus. There were also family members who came to pick them up.

Qin Shu walked along the cement road with President Ba in her arms. When she reached the intersection of the student's apartment, she stopped and looked in the direction of the male student's dormitory.

She suddenly remembered that Han Xiao had the habit of running in the morning every day. She would also pass by this place.

That time when she went into the mountains, she met Han Xiao here.

When he learned that she was going into the mountains, he immediately followed her into the mountains, saying that he would teach her wilderness survival experience for free.

Suddenly, a familiar male voice came from behind her, "When are you going home?"

Qin Shu turned around when she heard the voice and saw Qiao Ran walking towards her, "I'm going home tomorrow. What about you, Senior?"

"Me too." Qiao Ran stopped in front of Qin Shu and looked at the cat in her arms. "Is that your pet?"

Qin Shu looked down at President Ba in her arms and raised her hand to rub its head. "Yes, it's called President Ba."

Qiao Ran smiled. "Its name is very domineering."

Qin Shu also smiled. She thought that President Ba's name was very domineering, that was why she chose this name.

However, President Ba did not disappoint her. He was not soft-hearted when it was time to stretch his claws, and he was also very domineering when it was time to be strong.

Qiao Ran retracted his gaze. "I still have some loose ends to tie up, so I'll be leaving first. You have to be careful too, it's quite windy outside."

Qin Shu nodded with a smile. "Okay, goodbye, Senior."

"Okay, goodbye."

Qiao Ran walked towards the student union.

Qin Shu watched as Qiao Ran left. She thought that since they had been out for so long, Jiang Yu and the others should have finished eating the durian and were ready to go back.

Her phone rang. She took out her phone and picked up the call. She heard a familiar voice. "Qin Shu, I want to talk to you about Han Xiao."

Chapter 624: Never thought that such a day would come

When she picked up the phone just now, she didn't look at the caller ID, but when she heard the voice, she knew it was Hua Wuyan.

It was about Han Xiao?

"What's wrong with Han Xiao?" She asked hurriedly.

The person who called was indeed Hua Wuyan.

He had also hesitated for a long time over this phone call. He had also considered many things before dialing it.

Hearing Qin Shu's voice, Hua Wuyan pursed his lips. He was still a little hesitant. Should he tell her?

After waiting for a while, he did not hear Hua Wuyan's reply. Qin Shu asked, "Hua Wuyan, why aren't you saying anything?"

Hua Wuyan thought about how Brother Han had received a lot of criticism over the past few days because of his crippled leg and the cancellation of the engagement.

Thinking about Qin Shu's past relationship with Brother Han, he asked, "In your heart, what kind of person do you think Brother Han is?"

Qin Shu said, "I've always treated him as a friend. He's also my teacher, and he's also a very responsible person. He's also very righteous and loyal."

Hua Wuyan listened to Qin Shu's evaluation of Han Xiao. It was very objective, but Han Xiao was such a person.

That was why he didn't want Qin Shu to be wronged, feel guilty, and let her suffer the slightest bit of harm.

However, this pain shouldn't be borne by Brother Han alone.

Qin Shu pressed, "Did something happen to Han Xiao?"

Hua Wuyan could not help but ask, "Do you really like Fu Tingyu?"

Qin Shu's answer was very serious and affirmative. "Of course I'm sincere."

Hua Wuyan suddenly mentioned Han Xiao's grievance. "Then what about Brother Han? What does Brother Han mean to you?"

“He’s my friend.” Qin Shu suddenly realized that something was wrong with Hua Wuyan. She kept feeling like he was hiding something from her.

“What do you mean by that? Didn’t Han Xiao already “found the little one?” Qin Shu couldn’t help but ask.

“Yeah, he already found her. Then do you know why Brother Han suddenly left the hospital?” Hua Wuyan said.

Qin Shu was stunned for a while when she heard that. “Why did he suddenly leave the hospital?”

Her instincts told her that Han Xiao’s sudden departure had something to do with her.

Hua Wuyan gripped his phone tightly and pursed his lips tightly. He was still a little hesitant.

But if he didn’t say it, no one would tell Qin Shu that Brother Han might be in a wheelchair for the rest of his life.

After a long silence, Hua Wuyan seemed to have made up his mind. “If you want to know, come out. I’ll tell you why Brother Han suddenly left while he was in the hospital.”

Qin Shu agreed without thinking. “Where shall we meet?”

Hua Wuyan said, “The park next to Century Square’s atrium, under the camphor tree.”

“I’ll be there right away.”

Qin Shu hung up the phone and went back to the apartment to send President Ba back. It was inconvenient to bring President Ba with her.

After putting President Ba down, she directly left the school and hailed a taxi to go to the park next to Century Square.

When she arrived, she paid the fare and got out of the car, heading straight for the park.

Although it was winter, there were still people walking in the park.

Qin Shu searched the park for a while and saw a slender figure standing under a camphor tree. His long flaxen hair was tied into a ponytail at the back of his head.

His hair fluttered in the wind.

With just a glance, she recognized this person as Hua Wuyan.

She walked over and stood behind Hua Wuyan. “What happened to Han Xiao?”

When Qin Shu walked over, Hua Wuyan knew. When he decided to come to the capital, he had been hesitating. Even now, he was still a little hesitant.

Because he was considering the consequences of telling her.

Hua Wuyan slowly turned around and saw Qin Shu. She was wearing a beige cashmere overcoat. Her hair was messy like seaweed, casually scattered on her shoulders.

Her skin was very fair, and it wasn't an exaggeration to say that her skin was as white as snow.

"You rushed over in such a hurry, you should also be worried about Brother Han, right?"

"He's my friend, of course I'm worried. What happened to him? Didn't he leave because he found the little one, and that's why he dropped out of school?" Qin Shu asked.

Hua Wuyan smiled, "He left because of the little one, and it's also because of the little one. That's why he has to suffer. He has to bear everything by himself."

"What do you mean by that?" She felt that Hua Wuyan had a hidden meaning behind his words.

He and Han Xiao had both left school. Now that they suddenly came to the capital from home, the reason is definitely not simple.

Her instincts told her that it had something to do with her and Han Xiao.

Hua Wuyan stared at Qin Shu for a long time before he slowly said, "There are some things that are far more real than what you see with your own eyes."

Hua Wuyan always beat about the bush, which made her a little anxious. "What do you want to say? Why don't you just say it? What happened to Han Xiao?"

Before she could finish her sentence, Qin Shu only felt her vision go black. She fainted and her body swayed.

Hua Wuyan reached out in time to catch her. He lowered his eyes and looked at the unconscious person. His voice was a little helpless. "No matter what I say, unless you are able to see it with your own eyes, you'll never fully understand Brother Han's current situation."

He paused at this point. "During the time I brought Brother Han back to my home, I didn't know what to say or do. I didn't want you to regret it in the future. I didn't want Brother Han to bear everything on his own."

"Even now, I'm still doubting what I've done."

He sighed and stared at the person in his arms for a while. He didn't say anything more. He bent down and carried her horizontally. After walking for more than ten meters, the car stopped there.

He opened the back seat door, put Qin Shu into the car, and closed the door. He then got into the car and drove away.

Hua Wuyan had chosen to take Qin Shu away in this way because he was afraid of complications.

It was already winter school break. He thought that Qin Shu would definitely return to Jiang city with Fu Tingyu. If she took the initiative to follow him to see Brother Han, it would definitely be difficult.

Even if Qin Shu was willing to go, Fu Tingyu would definitely stop her.

So he used this method.

However, he didn't know that Fu Tingyu was going to leave the capital twenty days ago.

At this moment, Qin Shu, who was in the backseat of the car, had already fallen into a coma.

Because the other party was Hua Wuyan, she didn't have any vigilance or defenses. In addition, Hua Wuyan's martial prowess was above Qin Shu's. Regardless of whether it was his movement speed or reaction speed, Hua Wuyan was faster and more agile than Qin Shu.

Hua Wuyan took advantage of Qin Shu's momentary lack of vigilance to succeed.

Hua Wuyan raised his head and looked at the rearview mirror. Qin Shu was lying on the seat. He tried his best to drive steadily.

He did not expect that he would one day do such a thing.

At this moment, at the student apartment

Bo Ye held his phone and went straight to the balcony. On the balcony, the wind was quite strong.

The hair on his forehead was blown away by the wind, swaying left and right in front of his eyes.

After dialing Bo Yin's phone number, Bo Ye was still a little nervous because after his confession last time, he did not know how to face him.

After the call was connected, a familiar male voice came from the other end. "Ye, is it a school break?"

Bo Ye nodded. "Yes, it just ended today."

"Then I'll go pick you up now. I've already gotten someone to clean up your room."

Chapter 625: A girl is discovered? Qin Shu is missing

Bo Yin was a little excited. There was always a room reserved for Bo Ye, and there were people cleaning it every day.

He had roughly guessed the time when capital university was on winter break, so in the past two days, he had gotten the maid to clean the room again.

Bo Ye hesitated and said, "Brother, I don't plan to go back."

Bo Yin had thought that Bo Ye would come back after his confession, so when he heard that she wouldn't come back, he was first stunned before asking, "If you're not coming back during the winter break, where do you want to go?"

Bo Ye said, "I've agreed with Fu Tingyan that we'll go to martial arts together during the summer break."

Bo Yin suddenly tightened his grip on his phone. "That's your roommate?"

Bo Ye nodded. "Yes."

Bo Yin said, "I don't agree to let you learn martial arts with him."

Bo Ye pursed his lips. "Brother, I want to learn martial arts."

Bo Yin did not back down. "If you want to learn martial arts, I can find the best teacher for you. Why must you follow him?"

"No matter how good a teacher is, his level is only gold-rank. I want to reach a higher level." Bo Ye also emphasized her tone to show her determination to go.

Bo Yin said, "So what if you can only reach gold-rank? I can protect you, and I can also protect you for the rest of your life."

Bo Ye was stunned when he heard that.

Bo Yin noticed her silence and continued, "Ye, listen to me, okay? Don't leave with others. Come back to me. I can protect you. I won't let anyone bully you."

Bo Ye pursed his lips tightly. He thought of the faces of those people. They would sacrifice her for the sake of benefits. He also thought of how Bo Yin had always protected her and offended many people.

She still said, "I only want to depend on myself, so I've decided to learn martial arts. Brother, I want to learn how to be independent."

Bo Yin stood up tensely. "You're determined to go with someone else, aren't you? You're a girl, why do you have to hang out with a boy?"

Bo Ye explained, "In his eyes, I'm a boy, so I'll be safe."

"Safe? How old are you? Do you know how dangerous the outside world is?"

"Because I don't understand the outside world, I have to experience it all the more to learn how to be independent."

Bo Yin gripped his phone tightly and walked past the chair in front of his desk. He walked out quickly and rushed to the capital.

He couldn't let Bo Ye stay with a boy. Who knew what kind of person Fu Tingyan was? Would he lie to Bo Ye?

"No matter what, I won't allow you to learn martial arts with your roommate. If you still treat me as your brother, then be obedient and come back with me."

"It's because I treat you as my brother that I called you. I've already decided, Brother. Don't worry about me. I'll take care of myself. I'll call you when we get there."

Bo Ye was afraid that he would be soft-hearted, so she hung up the phone. She had to become stronger.

When she turned around, she saw Fu Tingyan standing behind her, looking at her. She didn't know how long he had been here and how much he had heard? Fu Tingyan looked at Bo Ye without saying a word.

Bo Ye felt a little uncomfortable being stared at, but he didn't dare to take the initiative to speak because he didn't know if he had heard what she had just said.

After looking at him for a while, Fu Tingyan asked, "Are you really going to ignore your family's objections and follow me to learn martial arts? Aren't you afraid that I'll lie to you?"

Bo Ye nodded. "Yes, because I believe in you."

After this period of time together, although they hadn't spent much time together, she knew that the people in the apartment were all people worth getting to know.

Hearing this, Fu Tingyan's mood was a little happy, and the corners of his mouth couldn't help but curl up. "You have a good eye, and I won't let you down."

After saying that, he turned around and left.

Bo Ye stood where he was and watched Fu Tingyan's back as he left. He watched for a while. She must have been complimenting him in disguise just now.

In the evening, President Ba was hungry. He had been waiting for Qin Shu to feed it. However, after waiting for a long time, he didn't see Qin Shu coming to feed it.

Therefore, he started to cry out in dissatisfaction. "Meow, Meow..."

Ye Xue started to cook by herself today. After she finished cooking, she called everyone out to eat.

After calling everyone out, she saw that President Ba kept calling out. After being together for so long, she could roughly guess that it was hungry, so she brought the prepared fish out from the kitchen and placed it in front of President Ba.

She wanted to reach out and rub President Ba's head, but she knew that it wouldn't easily get close to anyone other than Qin Shu, so she withdrew her hand.

"President Ba, you eat first. Qin Shu isn't back yet."

"Meow." Seeing the fish, President Ba's eyes lit up. He lowered his head and began to eat slowly.

"You eat slowly."

Ye Xue stood up to wash her hands.

Fu Tingyan, Jiang Yu, and Bo Ye came down from the second floor and sat down in the restaurant one after another. They each took a bowl of their own rice.

After Ye Xue washed her hands and walked out, Jiang Yu had already prepared a bowl of rice for her.

After they sat down, Fu Tingyan realized that Qin Shu wasn't around, so he asked, "Ye Xue, did you ask Qin Shu to come down for dinner?"

Ye Xue replied, "I went to her room. She's not here, so she might not be back yet."

Fu Tingyan frowned. "She's going home tomorrow. Where did she go today? She didn't even come back for dinner?"

Jiang Yu raised his head and looked at Fu Tingyan. "She might have something on, so she'll be back soon."

Ye Xue held her chopsticks and said, "I also guessed that it might be something. If Qin Shu is fine, there's no way she won't come back for dinner."

Fu Tingyan was a little confused. He thought that she really might have something to do, so he didn't say anything more and continued eating the food in front of him.

After dinner, he wasn't in a hurry to go back to his room to shower and sleep. Because he was going to take a bus back to Jiang City Tomorrow, they all sat in the living room and chatted.

After President Ba had his fill, he curled up on the sofa at the side and stared at the few people in front of him for a while. Then, he closed his eyes and went to sleep.

Jiang Yu suddenly asked them, "Have you packed your luggage? We're going back to Jiang City tomorrow. It feels like half a year has passed so quickly."

Fu Tingyan replied, "Yes."

"I've packed too." Bo Ye glanced at Fu Tingyan because he had to follow him back to Jiang City first.

Jiang Yu thought that Fu Tingyan was going to learn martial arts, so he asked, "Tingyan, are you really going to learn martial arts during the summer vacation? Can't you go after the New Year?"

Fu Tingyan nodded. "Yes, I can train myself."

"Okay." Jiang Yu didn't say anything else.

The four of them sat together and chatted for a while. Until 10 o'clock at night, they still didn't see Qin Shu.

Fu Tingyan felt that something was wrong. He quickly took out his phone and dialed Qin Shu's number.

After a while, he said, "Hello, the number you have dialed is turned off. Please dial again later..."

He frowned and dialed again a few times, but it was all turned off.

Jiang Yu saw Fu Tingyan's frown and had a bad feeling. "How is it?"

Fu Tingyan raised his head and frowned even more. "Her phone is turned off."

Jiang Yu said, "Can't be something bad happen?"

Fu Tingyan thought for a while and said, "Let's go out and look for her first. If we really can't find her, we can only tell my brother."

"Okay." Jiang Yu nodded.

The four of them put on their coats and walked out of the apartment, splitting up to look for Qin Shu.

Chapter 626: The man who rushed over overnight

Fu Tingyan looked around the school but couldn't find Qin Shu.

He went to find the president of the Student Union, Qiao Ran. He hoped that he could help look for Qin Shu's disappearance.

Before he confirmed that Qin Shu was missing, he couldn't tell his brother and make his brother worry.

When Qiao Ran heard that Qin Shu was missing, he didn't bother to pack his luggage. "You continue to look for her. I'll call Professor Jun. ."

After Qiao Ran said that, he took out his phone and started to make a call.

Fu Tingyan did not think about anything else. The most important thing right now was to find Qin Shu.

After the call was connected, Qiao Ran said, "Professor Jun, Qin Shu is missing. Fu Tingyan just came over and said that Qin Shu has not returned to the apartment since the afternoon. The phone could not get through either."

Jun Li stood up from his seat abruptly and asked as he walked out, "Is there any other information?"

Qiao Ran said, "That's all for now. We all suspect that Qin Shu is missing."

"You guys look around the school first."

Jun Li hung up the phone.

Juying followed closely behind. "Young Master, could it be that someone kidnapped her? Wasn't it Yan Jing who hired someone last time?"

When Jun Li heard that, he thought for a moment and ordered, "Notify that side first. Block all the main roads, stations, and airports. Also, send people to keep an eye on them, just in case."

"Got it, Young Master. I'll do it now."

Juying turned around and left quickly.

Jun Li followed him out.

They were busy until three o'clock in the morning, but they still couldn't find Qin Shu. Everyone couldn't be described as anxious anymore.

Fu Tingyan was really anxious. Qin Shu was missing. How was he going to explain it to his brother?

On the surface, Jun Li looked calm, but in his heart, he was also very anxious. Qin Shu was not weak. It was not easy for ordinary people to kidnap her.

At this time, Juying called. After he answered, he asked, "Have you found her?"

Juying replied, "No, Young Master, the train station, the airport, there is no sign of Miss Qin."

Jun Li frowned slightly. "Continue to keep an eye on her."

After hanging up the phone, Jun Li fell into deep thought. Who could possibly kidnap Qin Shu?

Fu Tingyan saw that Jun Li had hung up the phone and asked, "No news?"

Jun Li shook his head. "No."

Fu Tingyan glanced at the time. It was already three o'clock in the morning, which meant that Qin Shu had been missing for more than five hours.

The time was so long that it made people panic.

“No, I have to call my brother and tell him about Qin Shu’s disappearance.”

He took out his phone and dialed his brother’s number.

Jun Li glanced at Fu Tingyan and did not say anything.

Qiao Ran was stunned at first, but then he realized that the man who appeared on the day of the award ceremony was very similar to Fu Tingyan. So, Qin Shu’s boyfriend was Fu Tingyan’s brother?

After the call was connected, Fu Tingyan hurriedly said, “Brother, sister-in-law is missing.”

“Be more specific.”

At three in the morning, Fu Tingyu saw that the caller ID was his brother, which gave him a bad premonition.

Hearing that Qin Shu had gone missing, the man’s heart skipped a beat.

“This afternoon, sister-in-law went out and hasn’t come back yet,” Fu Tingyan said.

The man got off the bed and walked to the closet with his phone in one hand. “She went out alone? Did you bring President Ba?”

“President Ba is still in the apartment,” Fu Tingyan said.

“I’ll be there right away.”

Fu Tingyu hung up the phone and immediately dialed Shi Yan’s phone. After the call was connected, he said, “Prepare a private plane to go to the capital.”

“Got it, Fourth Master.”

Shi Yan was only stunned for a second before he reacted. He put on his clothes as quickly as possible and then looked for Ye Luo to prepare a private plane together.

Fu Tingyu also quickly put on his clothes and walked out of the room without wasting a second.

The private jet was on the lawn behind Sheng Yuan Garden.

Shi Yan and Ye Luo were already prepared. When they saw their master coming over, they went up to welcome him.

“Master.”

“Let’s go.” Fu Tingyu directly boarded the private jet.

Shi Yan and Ye Luo didn’t say another word and followed closely behind.

After Fu Tingyu sat down, he looked out of the window. Looking at the pitch-black night sky, he couldn’t help but feel nervous and afraid when he thought about how the girl had gone missing for a few hours.

On the surface, he appeared calm and collected, but his hands on his legs were tightly clenched into fists. Because he had used too much force, his knuckles turned white, revealing his nervousness and fear at the moment.

On the private plane

Hua Wuyan had specially prepared a private plane in order to save time and avoid other unnecessary questioning.

He turned his head and looked at Qin Shu. She was lying on the bed with her eyes closed, still unconscious.

He did not hit her too hard just now. She should be waking up soon.

He looked out of the window. The sky was already turning white. He would be there in an hour.

He heard a soft snort. "HMM..."

He looked back at Qin Shu. Seeing her eyelashes flutter, he knew that she was about to wake up.

He reached out and stopped in mid-air. After a pause, he retracted his hand.

Qin Shu's first reaction when she woke up was a pain in the back of her neck. When she opened her eyes, she saw Hua Wuyan's devilish face.

She sat up abruptly and looked around. She realized that she was on a private plane.

She retracted her gaze and looked at Hua Wuyan. She asked doubtfully, "Where are you taking me?"

Hua Wuyan replied, "I'm taking you back to Qihua."

"Qihua?" Qin Shu only thought for a moment and already knew that Qihua was preparing to take her overseas?

Hua Wuyan comforted her, "You don't have to worry. I don't have any ill intentions towards you. After all, we know each other and can be considered friends."

Qin Shu stared at Hua Wuyan for a while. Combining what he had said earlier, she asked, "Are you taking me to see Han Xiao?"

Hua Wuyan replied, "Yes."

Qin Shu asked again, "Did something happen to him?"

Hua Wuyan still nodded. "Yes."

Hua Wuyan's series of reactions told her that Han Xiao's sudden departure and sudden suspension had something to do with her.

"If you want to take me to see him, there's no need to do this. Just say the word and I'll go too, because I want to know the truth, the reason."

"I know." Hua Wuyan knew Qin Shu well. Even though it had been seven years, her personality had not changed.

Qin Shu was stunned for a moment. Why did she use this method when she knew?

She did not pursue the matter further. Instead, she said, "When we get off the plane, I have to call Tingyan and Tingyu to inform them. Otherwise, they will definitely be anxious."

Just now, she looked out of the window. The sky was a little bright, which meant that it was already the next morning.

She had been missing for so long. If Tingyan could not find her, he would definitely call Tingyu. She did not know how anxious he would be.

Perhaps he had already rushed to the capital overnight. She knew the man too well.

Hua Wuyan immediately rejected, "No, if Fu Tingyu knew, he would definitely chase after us."

Qin Shu's voice was a little anxious, "But we can't let them think that I have gone missing and go looking for me everywhere. They will get anxious and angry because of me."

Therefore, she had to call Tingyu and ask him not to get angry.

"Anxious and angry?" Hua Wuyan smiled. What about Brother Han, who had been looking for seven years?

Chapter 627: Desperately looking for her

Hua Wuyan raised his head and looked at Qin Shu. He said word by word, "I can't let you make this call. It'll be troublesome if Fu Tingyu comes looking for me."

He still understood Fu Tingyu a little. He had taken Qin Shu away, so Fu Tingyu would definitely chase after him without caring about anything else.

Being rejected by Hua Wuyan again, Qin Shu was a little annoyed. "Hua Wuyan, I said that I would go with you. I only called to make him feel at ease. Can't I make this request as well?"

Hua Wuyan stared at Qin Shu for a while before shifting his gaze away. "We'll talk about it when you see Brother Han."

Qin Shu couldn't help but ask, "What's wrong with Han Xiao?"

Hua Wuyan said, "You'll know when you see him."

Qin Shu was stunned. While she was worried about Han Xiao, she was also worried about her man. Would he go crazy when he found out that she was missing?

She couldn't imagine that scene.

At six o'clock in the morning, Fu Tingyu rushed to the Imperial College overnight.

Jun Li, Fu Tingyan, Jiang Yu, and the others also didn't sleep the whole night.

They also searched the whole night, but they still couldn't find Qin Shu.

Fu Tingyu rushed to the capital and went straight to the student's apartment.

He walked in and saw a few people sitting in the living room of the apartment. Jun Li was also there.

Fu Tingyan was the first to see his brother. He stood up to welcome him. "Brother, you're here."

Fu Tingyu walked in with a travel-worn face and asked, "How is it?"

Fu Tingyan said, "I haven't found her yet. The phone is still unreachable."

Jun Li also stood up. His nervousness was no less than Fu Tingyu's. "I've sent people to watch the train station and the airport. I've also sent people to watch the main roads of the capital. As long as we walk through these places, we'll find Qin Shu."

At this moment, Fu Tingyu couldn't be bothered to be jealous. Instead, he asked, "What's the result?"

Jun Li shook his head. "There's no result. There are only two possibilities now. One is that Qin Shu is still in the campus. Another possibility is that she's already not in Imperial College. When we found out that Qin Shu was missing, she could have already been taken away from here."

Fu Tingyan frowned. He didn't quite understand. "But, who could have taken her away?"

Fu Tingyu furrowed his brows. Who could have taken her?

Suddenly, Crimson Sand Organization flashed through his mind.

Could it be that they had taken her?

The possibility was very high.

Ye Luo followed them in and stood to the side.

President Ba saw an acquaintance and dashed out from the corner of the sofa. He ran all the way to Ye Luo's feet with his short limbs. He raised his head to look at him and even meowed at him. "Meow"

The meow was not loud and no one in the living room heard it.

Ye Luo was really too familiar with this meow. Even if he did not lower his head to look, he knew who it was.

He could even guess what it meant by this meow.

He lowered his eyes and saw President Ba staring at him with a pair of dark green eyes filled with anticipation.

He looked at it for a while, bent down to pick up President Ba, and turned to walk out of the apartment.

Outside, the sun slowly rose.

Ye Luo carried President Ba and walked to the eaves. He took out a mini bag of dried fish from his pocket, and his action of tearing open the bag was a little rough.

After tearing it open, a strong fishy smell was diffused.

President Ba stared at Ye Luo's hand. To be more precise, he stared at the dried fish in his hand, and almost drooled.

He poured the dried fish out and placed it in his palm. Then, he passed it to President Ba's mouth and let it eat.

"Meow!" President Ba was a little excited. He lowered his head and ate the dried fish in Ye Luo's palm.

Ye Luo lowered his head and looked at him. He did not say anything and just stared at him.

The apartment fell into silence for a moment

Fu Tingyan stared at his brother. His face was calm and his brows were furrowed. He knew that Qin Shu had gone missing and his brother was worried to death.

Fu Tingyu thought for a while and suddenly turned around to leave.

Fu Tingyan called out, "Brother, where are you going?"

"To find her."

Fu Tingyu did not even turn his head as he strode out.

At this moment, the sky was already bright outside.

The tall and straight figure of a man got into the car.

Ye Luo lowered his head and glanced at President Ba. He simply carried him and got into the car.

Shi Yan stepped on the accelerator and drove away.

Fu Tingyu asked, "Have they arrived?"

Ye Luo replied, "They've already reached the borders of the Imperial City."

Fu Tingyu stared out of the car window. "Leave half of them in the Imperial City and search the entire city. We have to find her as well. As for the remaining half, leave the imperial city and search for her."

"Got it, Fourth Master." Ye Luo replied and took out his phone to give them a call.

President Ba was on Ye Luo's leg, and his dark green eyes glanced at Fu Tingyu.

Fu Tingyu saw President Ba on Ye Luo from the corner of his eye. He turned his head and saw that dark green eyes were looking at him.

President Ba was her pet.

He would definitely find her, and he would find her safe and sound.

In the apartment

The school had already looked for her, but there was no sign of Qin Shu.

Fu Tingyan was actually very worried, but he had no idea what was going on.

Ye Xue sat on the sofa, her hands and feet cold. She muttered, "Qin Shu will be fine. She's so powerful, she'll definitely be fine."

Jiang Yu put his arm around Ye Xue's shoulder and comforted her, "Yeah, she'll be fine."

When Fu Tingyu turned around to leave, Jun Li also walked out of the apartment.

Juying followed closely behind.

After walking out of the apartment, Jun Li asked Juying who was behind him, "Is there still no news from that side?"

Having not slept the entire night, his face had turned a few shades paler, and there was an obvious shadow under his eyes.

When Juying saw this, his heart ached. "Young Master, there's still no news from that side."

He paused at this point. "Young Master, you didn't sleep the entire night last night, so your body won't be able to take it. Why don't you go and sleep first? I'll inform you as soon as there's any news."

Jun Li waved his hand. "There's no need. Keep looking. Even if we have to turn the Imperial College upside down, we have to find her."

"But, Young Master, your body..."

Before Juying could finish speaking, Jun Li interrupted him. "When did you start talking so much nonsense? Why aren't you going to look for her?"

Juying lowered his eyebrows and narrowed his eyes. "I know, Young Master."

Jun Li did not speak anymore and went straight into the car.

Juying didn't dare to delay any longer. He quickly got into the car, started the engine, and drove away.

Qihua city

After Qin Shu got off the plane, she looked at the foreign capital and the foreign city.

She didn't panic. The only thing that worried her was Fu Tingyu.

She had talked to Hua Wuyan for quite a while just now, but he didn't want her to call the man.

At this moment, a brand new Bentley stopped in front of them. Someone got out of the car and opened the door.

Hua Wuyan stood beside Qin Shu and turned to look at her. "Get in the car. I'll bring you to see Brother Han first."

Qin Shu looked at Hua Wuyan and felt a little helpless. Han Xiao definitely wanted to see him. She hoped that Han Xiao would be fine and be with the person he was looking for.

She collected her thoughts and got into the car.

Hua Wuyan also got into the car.

The driver asked, "Young Master, are you going back to your home?"

Hua Wuyan said, "To the Han's home."

“Got it, Young Master.” The driver stepped on the accelerator, and the car sped off.

Chapter 628: Guilt, Remorse, and Felt Sorry

Qin Shu looked out of the car window. As Han Xiao said, it was not snowing here, and the weather was warm.

The down jacket she was wearing had been taken off when she boarded the plane. She was only wearing a light blue sweater and did not feel the cold at all.

Qihua was a place suitable for a winter vacation.

No wonder it was the best choice for a winter vacation spot.

The journey was silent.

When the car stopped in front of a manor, Qin Shu turned her head to look out the window. It was a manor that was no less imposing than Sheng Yuan. Even if she didn't enter, she could tell that its structure was magnificent.

Hua Wuyan pushed the car door open and walked over. He opened the car door. “Qin Shu, we're here.”

Qin Shu took a look at Hua Wuyan and got out of the car. She looked at the Han Manor. This time, she could see it even more clearly. Its appearance was slightly different from Sheng Yuan. This manor had some modern designs, while Sheng Yuan was in ancient design. It made people as if they had travelled back in time by just looking at it.

Just by looking at this manor alone, one could tell that Han Xiao's Han family, was not comparable to ordinary wealthy families in terms of their power or wealth.

Just as Qin Shu was sizing up this manor, a man wearing a black and blue tang suit walked out of the manor. He was about forty years old and was the butler of the Han Manor.

The butler glanced at the woman beside Hua Wuyan and a hint of doubt flashed across his eyes. He retracted his gaze and nodded. “Young Master Hua is here. I'll send someone to inform young master.”

Hua Wuyan had grown up with Han Xiao since young. The Hua and Han families were family friends, so their relationship was very good.

The Butler had watched them grow up together too.

Hua Wuyan rejected him directly. “There's no need. I'll go find him myself.”

He turned his head to look at Qin Shu. “Let's go.”

“Okay.” Qin Shu acknowledged and followed Hua Wuyan in.

The Butler did not think too much about it. After walking in, he busied himself with his matters.

Hua Wuyan had come countless times to Han Manor. Even with his eyes closed, he could find Han Xiao's residence accurately.

Qin Shu sized up the Han manor along the way. From the outside, it looked imposing. From the inside, the decoration was luxurious, exuding an air of grandeur.

Occasionally, a few maids would pass by on the way. They would raise their heads to look at her and Hua Wuyan a few times before leaving with a smile on their lips.

Needless to say, it was because of Hua Wuyan's good looks.

Very few men would grow long hair that would not affect their appearance. On the contrary, they showed a different kind of handsomeness from others.

Hua Wuyan was more like a person who had walked out of a painting. He had a classical sense of beauty, especially his waist-length hair and his beautiful figure.

Hua Wuyan was used to it. He brought Qin Shu directly to Han Xiao's residence.

After passing through the long corridor and a few moon cave doors, Hua Wuyan suddenly slowed down his pace. In the end, he stopped and looked at Han Xiao in the pavilion in the back garden.

As usual, he pushed his wheelchair and stayed in the pavilion. He looked at the garden full of flowers, and no one knew what he was thinking.

Qin Shu also stopped and followed Hua Wuyan's line of sight. She saw a person sitting in a wheelchair in the pavilion. Just by looking at the side profile, she knew that this person was Han Xiao. She widened her eyes and stared at the person in the wheelchair in disbelief for a long time.

Normal people would not sit in a wheelchair.

So, Han Xiao...

She looked at Han Xiao's leg and did not react for a moment.

Perhaps subconsciously, she did not wish for what she saw to be true, not to mention that Han Xiao was sitting in a wheelchair.

But no matter how much she did not want to believe it, the truth was the truth.

Han Xiao left suddenly because of his leg?

His leg was injured because of the accident in Mianxia?

Hua Wuyan turned his head to look at Qin Shu. When he saw the expression on her face, he could roughly guess what she was feeling at that moment.

Guilt was unavoidable.

This was within his expectations.

If he had no other choice, he would not be willing to do this.

Qin Shu stared at Han Xiao's profile. During this period of time, Han Xiao had lost some weight. He was cold and didn't speak much. At this moment, he was like an ice sculpture. He was expressionless, and his entire body exuded a coldness that kept others at a thousand miles away.

She looked at him for a long time and realized that there was no one around Han Xiao. He didn't move at all, as if he was completely immersed in his world.

At this moment, Han Xiao, who was in a wheelchair, moved. He reached out to the round table at the side to get the phone on it. However, he bumped into a tissue on the side and it fell from the round table.

He gave up on getting the phone and bent down to pick up the tissue on the ground. Because he was a little far away, he did not get it for the first time. He sat up straight and turned the wheelchair. After pulling the distance between them, he bent down again.

He did not even have a maid by his side to serve him.

Seeing this, Qin Shu was about to walk over to help him when her arm was grabbed by someone. She looked at Hua Wuyan in confusion, not understanding why he wanted to stop her. Didn't he bring her here to let her know about Han Xiao's leg injury?

Hua Wuyan grabbed her arm and did not say anything. Instead, he pulled her out of the courtyard.

Qin Shu was forced to follow Hua Wuyan out.

Hua Wuyan didn't say a word.

After they walked out of the Han manor, he said, "Didn't you notice that there wasn't even a maid in brother Han's Courtyard?"

Qin Shu looked at Hua Wuyan.

Hua Wuyan continued, "The last thing brother Han needs is for others to help him. That would make him feel like a cripple."

Qin Shu was stunned. No wonder she did not see a maid just now. So, Han Xiao relied on herself for everything he did?

She could not imagine that a person who sat in a wheelchair relied on himself to take care of his life.

For someone like Han Xiao who had a strong personality and was arrogant, the last thing he wanted was for others to help him no matter what, no matter when.

This was very similar to men. Although their personalities were somewhat different, they were all arrogant.

Her heart was suddenly pulled hard. There were other emotions other than guilt.

She felt sorry for Han Xiao.

If it weren't for her, Han Xiao wouldn't have taken the risk to enter the Elway Business Building and wouldn't have helped her go up to the 13th floor to look for Fu Tingyu.

Then he wouldn't have been hurt so badly.

After getting into the car, Hua Wuyan's brows were tightly knitted together. He pursed his lips as if he was deep in thought.

Qin Shu's emotions were very complicated at this moment. She had yet to recover from Han Xiao's leg injury.

As the car sped along, she had no time to care about where the car would go and where Hua Wuyan would take her.

Hua Wuyan suddenly said, "I don't need to tell you, you've guessed that Han Xiao's leg was injured in MianXia."

"It's all because of me. If it wasn't for me, his leg wouldn't have been injured." Qin Shu couldn't describe her regret. She was afraid at that time, so she couldn't care about anything else.

If she hadn't suddenly run away in front of them, they wouldn't have followed her to Mianxia.

Not only did she cause Jun Li to suffer such serious injuries, but she also caused Han Xiao's leg to be injured.

Hanxiao's Leg?

She suddenly looked up at Hua Wuyan. "What did the doctor say? Can his leg be cured?"

Chapter 629: Oh My God, Brother Brought a Girlfriend Home for the New Year

The moment Qin Shu raised her head, Hua Wuyan saw her eyes redden, and the corners of her eyes were faintly discernible.

He was stunned for a moment.

If he said he regretted it, he should have regretted it when he went to the capital.

But from this moment on, not only did he regret it, he blamed himself too.

Brother Han didn't want her to know about this because he didn't want her to feel guilty.

However, at this moment, he was doing something that made her feel guilty.

The more Hua Wuyan was silent, the worse Qin Shu's premonition became. "Why aren't you saying anything? Can his leg be cured?"

Hua Wuyan looked at Qin Shu. The word "Can't" seemed to be stuck in his throat and he could not say it no matter how hard he tried. Looking at Qin Shu's face that was getting paler and paler, his tightly pursed lips opened. "Yes, I need Brother Han's cooperation to cure it."

Qin Shu seemed to see the hope and asked anxiously, "You mean that his leg can be cured, right?"

"Yes." Hua Wuyan thought for a while and said, "It's just that Brother Han doesn't want to see a doctor, nor does he want to receive treatment."

Qin Shu hurriedly asked, "Why is he not willing to receive treatment?"

Hua Wuyan said, "Brother Han is so arrogant. As he suddenly became like this, he would become depressed and unwilling to see people."

Qin Shu lowered her eyes when she heard that. She thought of Han Xiao who was sitting in a wheelchair. No matter who it was, they could not accept that they could not walk like normal people.

They were both arrogant people. Their statuses were noble, so their self-esteem was very high.

Han Xiao was calm and composed. On the surface, nothing could be seen, but in his heart, he would be depressed.

An outstanding person like him should be in high spirits and not sitting in a wheelchair, daydreaming all day.

They waited for the car to stop at the entrance of a manor.

The driver slowed down before stopping the car. After he steadied himself, he opened the car door.

Hua Wuyan got out of the car.

Qin Shu pushed the car door open. After she got out, she saw another manor appear in front of her. She now knew that wealthy and powerful families, big families, all preferred manors over villas.

Especially large families with ancestral roots, they preferred antique gardens.

Hua Wuyan walked to Qin Shu's side and turned his head to look at her. "This is my house. You will stay at my house for the time being."

"Okay." Qin Shu responded and followed Hua Wuyan into the house.

Just as they reached the door, a young man ran out. He was about sixteen years old and had a slender figure. His appearance was very delicate and pretty, but he was slightly immature.

"Brother, where did you go?"

Just as the young man finished speaking, he saw the girl beside Hua Wuyan. A hint of curiosity flashed in his eyes as if he had remembered something.

He suddenly turned around and ran into the manor like a gust of wind.

As he ran, he shouted, "Mom, brother has brought a girlfriend back for the New Year..."

Qin Shu: "..."

"..." Hua Wuyan didn't have time to explain before he ran away.

He looked at Qin Shu awkwardly. "He's my younger brother. He's always been so crazy when he talks. Don't mind him."

Qin Shu shook her head at him. "It's fine. He's quite cute."

Cute?

He was someone who wouldn't mind a big fuss just to watch a show.

Hua Wuyan tried to hide his awkwardness. "Let's go in."

Qin Shu nodded and followed Hua Wuyan into the living room.

Before they reached the living room, a noblewoman walked towards them. Her face was exquisite and well-groomed, making her look like she was only in her thirties.

She was dressed luxuriously and her hair was tied up, making her look even more dignified and elegant.

The young man followed beside the noblewoman, his height was half a head taller than the noblewoman.

The young man pointed at the girl beside Hua Wuyan and whispered in the noblewoman's ear, "Mom, that's brother's girlfriend. He's been out for so long and he's kidnapped a girl back."

When the lady saw Qin Shu for the first time, her eyes flashed with surprise. Whether it was her appearance or her temperament, she liked this girl.

Her son had good taste.

She tilted her head slightly, her demeanour was dignified, and her voice was like an oriole. She didn't seem to be at her age at all.

"How can you say that she's kidnapped? It's his capability to bring his girlfriend back."

The noblewoman said in her heart. What she was afraid of was that he would not bring his girlfriend back.

The youth chuckled. "I feel like he tricked her to come here."

The noblewoman glared at the youth without batting an eyelid. "If you don't know how to speak, then shut up."

The youth curled his lips and did not dare to make a sound.

When he retracted his gaze and looked at Hua Wuyan and the girl beside him, he smiled kindly. "Wuyan, aren't you going to introduce her?"

Hua Wuyan glanced at his younger brother before turning to his mother. "Mother, she's my friend. Her name is Qin Shu."

Following that, he introduced her to Qin Shu. "She's my mother."

Hua Wuyan's mother was born into a wealthy family. Her surname was Chen and her name was Rui.

Chen Rui took two steps forward, held Qin Shu's hand, and walked towards the living room, completely ignoring Hua Wuyan's existence.

Chen Rui looked at Qin Shu with a smile. He said that they were friends because she felt embarrassed.

"Your name is very nice. How old are you this year?"

Qin Shu glanced at Hua Wuyan. What was going on?

Hua Wuyan shrugged helplessly.

She did not forget to reply, "Auntie, I'm 20 this year."

Chen Rui smiled and asked, "When did you and Wuyan meet in university?"

Facing such a warm and kind aunt, Qin Shu answered her questions naturally. "Auntie, we've known each other since high school."

Hearing this, the smile on Chen Rui's face deepened. They had known each other for so long, so their relationship must be very good.

The youth walked to Hua Wuyan's side and looked at Qin Shu. He asked him curiously, "Brother, where did you get such a beautiful girlfriend?"

Hua Wuyan paused and raised his hand to knock his brother's head. "Don't talk nonsense. She's not my girlfriend."

The young man snorted. "You just keep pretending. If she's not your girlfriend, why do you bring her home?"

"I'm too lazy to talk nonsense with you."

Hua Wuyan ignored his brother and chased after the two women in front of him. "Mom, she's getting off the plane today. I'll bring her to her room to rest."

"You're right." Chen Rui nodded in agreement. She held Qin Shu's hand and patted the back of Qin Shu's hand with her other hand. "Treat this place as your home. Don't be shy. Just tell me what you like to eat. I'll get the chef to prepare it."

Chen Rui's voice was pleasant and gentle. Qin Shu, who was nervous initially, was not nervous anymore. She vaguely sensed that something was wrong.

"Thank you, Auntie," she thanked her politely.

"Mom, I'll take her to rest first."

Hua Wuyan pulled Qin Shu's arm. After saying that, he led her to his courtyard.

He wanted to settle Qin Shu down first before turning around to explain to his mother.

In order not to feel awkward, Qin Shu followed Hua Wuyan's footsteps.

The Han's manor was very big. After a few rounds, they finally reached a courtyard.

Hua Wuyan explained as he walked, "This is my courtyard. Usually, no one comes here."

Qin Shu did not care much about where she lived. She turned her head to look at Hua Wuyan. "Wait, I want to ask you something."

Chapter 630: Threats, Forced to Make A Move

Hua Wuyan stopped in his tracks and looked down at her. "What's the matter?"

Qin Shu asked, "Han Xiao said that he dropped out of school because he found the Little Munchkin. Is that true?"

Hua Wuyan was stunned for a few seconds, then smiled bitterly. "You've guessed it, right? Brother Han just gets an excuse to leave. The Little Munchkin is you, so why would there suddenly be another one?"

When she saw Han Xiao sitting in the wheelchair, Qin Shu vaguely guessed something.

Now that she heard Hua Wuyan's words, she knew why Han Xiao said this.

However, she wasn't the Little Munchkin.

She lowered her eyes, her mood was depressed. "I got it."

"I'll take you to your room."

Hua Wuyan took the lead and walked to the room next to his. He pushed the door open, and the maid had cleaned the room. Whether it was the style or the furnishings, they were all arranged according to her preferences.

He turned around and looked at Qin Shu. "You will stay in this room."

Qin Shu walked into the room. What she saw and heard today made her unable to bear it for a moment.

She would rather have her leg injured than let Han Xiao's leg be injured.

When he saw Qin Shu's guilty look, Hua Wuyan felt distressed and irritated. He was annoyed because what he was doing now was not something a human could do.

In the past, had they ever let the Little Munchkin cry on the mountain? Had they ever let her suffer injustice?

Even when their master punished her, it was they who bore the risk of being punished and helped her copy the rules of the sect, doing this and that for her.

He went to the imperial capital impulsively and forcefully brought her here.

"You rest for a while first. I'll get someone to prepare food for you."

Hua Wuyan was irritated and walked out.

Qin Shu was sitting on a mahogany chair in the room. She was holding her whole heart now.

All she could think about was how to persuade Han Xiao to cooperate with the treatment and cure his leg.

She owed Han Xiao too much. So much that she didn't know how to repay him.

She thought that by being reborn, she could avoid many things.

However, many things were unexpected.

Not long after Hua Wuyan left, a maid came in with a tray.

The maid was a young girl. She was talkative and had a delicate appearance.

The maid placed the dishes on the table one by one. "Miss Qin, please have your lunch. You can rest after eating. If you need anything, you may let me know."

“Thank you.”

Qin Shu thanked her and looked at the dishes in front of her. They were all the dishes that she liked to eat, but she had no appetite at all.

Even though she was hungry and was protesting, she still had no appetite to eat.

An hour later, the maid walked in. When she saw that the dishes on the table had not been touched, she asked carefully, “Miss Qin, do you find the food unappetizing?”

Qin Shu shook her head. “No, you can help me to take all these away.”

After the maid finished packing the food, she asked again, “Miss Qin, is there anything you want to eat? I’ll get the chef to prepare it.”

Qin Shu still shook her head. “There’s no need to prepare anything. Thank you.”

“Then I’ll take my leave first. If there’s anything you need, just let me know.” The maid carried the tray and walked out.

At this moment, Hua Wuyan saw that his mother was staring at him. He felt a chill down his spine.

He said with difficulty, “Mom, she’s my friend, not my girlfriend.”

Chen Rui looked at her son with a beaming smile. “Then why are you bringing her back for the New Year?”

Hua Wuyan hurriedly explained, “She’s staying temporarily, she’s not here for the New Year.”

Chen Rui stared at her son suspiciously. “Really?”

Hua Wuyan immediately nodded. “Of course it’s true. She’ll be leaving in a few days.”

The maid walked in at this moment and said, “Young master, Miss Qin has not eaten a single bite of the food that was sent over just now.”

Hua Wuyan could not help but frown when he heard that. “Mom, what I said is true.”

After saying that, he turned around and hurriedly walked out.

Chen Rui stared at her son’s back view as he left in a hurry. After a while, she said, “There’s something fishy going on.”

The youth came over and looked at his brother’s back view as he left. “Mom, I think brother tricked Qin Shu to come here.”

Chen Rui said thoughtfully, “Your brother said that she’s not his girlfriend.”

Qin Shu thought for a while and decided to meet Han Xiao tomorrow. No matter what, she had to persuade him to cooperate with the treatment so that his leg could be recovered as soon as possible.

At this moment, there were a few knocks on the door.

She stood up and opened the door, seeing Hua Wuyan standing at the door.

Hua Wuyan looked down and saw that Qin Shu's expression was not very good. He could not help but be worried. "The maid said that you didn't eat lunch. Is it because the food doesn't suit your taste?"

Qin Shu shook her head. "No, it's because I don't have an appetite."

Hua Wuyan hurriedly asked, "Are you not feeling well?"

"No, I just don't have an appetite." Qin Shu paused. "I want to meet Han Xiao tomorrow. Find the best doctor and go with us. Let's persuade him to cooperate with the treatment and let him recover as soon as possible."

Hua Wuyan was stunned for a few moments when he heard that. Recover as soon as possible? But without the orchid grass, the veins could not heal. How could he be treated? But in Brother Han's current situation, he could only find the best doctor for him. As long as he cooperated, there might be a glimmer of hope.

He nodded. "Okay."

Thinking that Qin Shu had not eaten yet, he said, "What do you want to eat? Tell me, I'll get the Chef to cook it again."

Qin Shu shook her head. "There's no need."

Hua Wuyan could not help but feel anxious. "How can you not eat anything? I'll get someone to prepare something new for you."

After Hua Wuyan finished speaking, he turned around and was about to leave.

Qin Shu suddenly called out to him, "Hua Wuyan."

Hua Wuyan stopped in his tracks when he heard that. He turned around to look at her. "What's the matter?"

Qin Shu raised her eyes to look at Hua Wuyan and deliberately emphasized, "Give me my phone."

The meaning behind her words was very obvious. She wanted to call Fu Tingyu, and she had to.

Because she couldn't imagine how crazy a man would go after noticing that she was missing.

Although he guessed Qin Shu's thoughts, Hua Wuyan still asked, "You want to call Fu Tingyu?"

Qin Shu nodded. "Yes, I have to call him."

"... But." Hua Wuyan was hesitant.

Qin Shu enunciated each word clearly. "Hanxiao is my friend. He got hurt because of me, so I won't let him get away with it. But I still have to make the call. If you don't want me to think of other ways in getting it, then give me the phone."

Hua Wuyan reached into his pocket and touched Qin Shu's phone. He was still hesitant.

Giving the phone to Qin Shu would cause some trouble.

Some trouble like Fu Tingyu was hard to get rid of once they got into trouble.

When she saw Hua Wuyan's silence, Qin Shu's tone became tougher. "Are you forcing me to make a move?"

"Qin Shu, your martial arts skills are not better than mine. There's no need to waste your time..."

Before Hua Wuyan could finish his words, a palm wind pounced at him. He hurriedly dodged it.

Qin Shu continued to attack. Every move was fast, accurate, and ruthless.

Hua Wuyan only defended and did not attack. This was the first time he had seen Qin Shu use martial arts. Although he did not learn this set of martial arts, he had seen Han Xiao use it before, so he could tell at a glance that it was taught by his master.

At this moment, Qin Shu suddenly stopped. She covered her mouth with one hand, and her stomach churned violently. She retched a few times.
