

## Bigoted 721

### Chapter 721: Young Madam Was So Scary

The Yan family had only one daughter, Yan Shuang, who was also the future successor of the Yan family.

Did the man want Yan Shuang to help him get the Lanzhi Grass?

What she was most concerned about now was the condition?

Ye Luo carried Boss over and stood behind Qin Shu, he looked at the person in the glass wall opposite him. Just by looking at his back, he knew it was Mr. Fu.

He looked at Qin Shu when he saw the woman across from him.

Shi Yan had been waiting not far away, when he looked up, he was shocked when he saw Qin Shu outside, he then looked at Mr. Fu and Miss Yan.

After thinking for a moment, he walked out.

Shi Yan felt a headache when he saw Qin Shu outside the window, he could only brace himself and walked over.

“Young Madam, why are you here?” Shi Yan lowered his eyebrows and nodded.

When Qin Shu saw Shi Yan walking over, she looked at the two people in the cafe and asked him, “He’s talking about the Lanzhi Grass, right?”

Shi Yan replied, “Yes, Young Madam.”

Qin Shu said again, “Has he known Miss Yan for a long time?”

Shi Yan answered truthfully, “I’m not sure.”

Qin Shu retracted her gaze and looked at Shi Yan. “Didn’t you follow him since he was young? What friends does he have that you don’t know?”

Shi Yan was a little embarrassed. “Young Madam, I, I really don’t know.”

Qin Shu casually said, “Miss Yan is very beautiful.”

Cold Sweat started to form on Shi Yan’s forehead.

Qin Shu glanced at Shi Yan and saw the sweat on his forehead. “Why are you sweating?”

Shi Yan raised his hand and wiped the sweat off. “Young Madam, it’s hot.”

The corners of Qin Shu’s mouth lifted. “Then do you know what conditions Miss Yan will set before she is willing to take out the Lanzhi Grass?”

“Young Madam, Shi Yan doesn’t know.” Shi Yan was about to cry, he didn’t know anything!

He glanced at Ye Luo who was hugging Boss. Why did you bring Young Madam here?

Ye Luo looked at Shi Yan expressionlessly, indicating that he was purely passing by.

Qin Shu looked at the two people in the cafe. "Do you think I'll disturb them if I go in now?"

"Young Madam, don't think too much, there's nothing between Mr. Fu and that Miss Yan," Shi Yan hurriedly explained.

Qin Shu: "Are you saying that I'm jealous?"

Shi Yan was speechless, isn't that so?

Qin Shu glanced at Shi Yan and walked past him, she walked in.

The cold sweat that Shi Yan had just wiped off started to drip again.

When Qin Shu walked in, Fu Tingyu saw her and was stunned for a few seconds.

Yan Shuang noticed that something was wrong with Fu Tingyu and asked worriedly, "What's wrong with you?"

Fu Tingyu didn't seem to hear Yan Shuang's words and looked at the person who was walking towards him.

Qin Shu stood in front of the table and smiled at the man. "I was just passing by and saw you drinking coffee here, so I came in to say hello."

Yan Shuang looked up and saw the beautiful young man who had suddenly appeared, her eyes flashed with surprise.

"Ling Yan, is this your friend?"

Before Fu Tingyu could answer, Qin Shu was the first to reply, "Not a friend, we are close relatives."

Fu Tingyu looked up at the girl and reached out to hold her wrist. "It's tiring to stand, take a seat."

"Okay." Qin Shu agreed readily and took the opportunity to sit beside the man.

Speaking of close relatives, Yan Shuang subconsciously thought that this beautiful young man was his younger brother, she smiled and said, "I didn't expect you to have a younger brother, he's only a teenager."

"Do you want some coffee?" As she asked, she called over a waiter.

"Okay." Qin Shu answered.

"What do you need?" The waiter asked.

Yan Shuang said, "A cup of Mocha."

"Okay, please wait a moment." The waiter turned and left.

After a while, he brought a cup of freshly ground Mocha and placed it in front of Qin Shu.

Fu Tingyu asked, "Are you hungry?"

Qin Shu shook her head. "I'm not hungry."

Yan Shuang looked at the two people opposite her and felt that they were very close as brothers.

Not long after, Fu Tingyu went to the washroom.

Qin Shu lowered her head slightly and stirred the coffee, she had no intention of drinking it as she was pregnant and drinking coffee was not good. Coffee contained caffeine, which would inhibit the absorption of iron.

Yan Shuang looked at the youth opposite her and said jokingly, "You don't look like your brother, but your looks are pretty good, when Ling Yan was your age, he has the title of 'the most beautiful in Qi Mountain'."

Qin Shu stopped stirring and looked up at Yan Shuang. "You met him when you were learning martial arts in Qi Mountain?"

"Yes, we were only teenagers at that time, we were also the happiest when we were on the mountain, I didn't expect time to pass so quickly. In the blink of an eye, we're already in our twenties." Yan Shuang sighed.

As Qin Shu listened, her heart began to ache.

They had met on the Qi Mountain, so they must have had a good relationship.

Han Xiao should also know Yan Shuang.

Yan Shuang was still in the mood to chat, but Qin Shu didn't want to listen anymore.

She found an excuse to go to the washroom and left...

She came to the washroom and looked at the men's and women's signs. She felt a little awkward, if she went into the women's washroom, she would be called a hooligan.

As for the men's washroom, the man had already warned her not to go in again.

Qin Shu turned left the washroom, she came to a quiet corner, and lowered her head to look at her phone.

After thinking for a while, she dialed Han Xiao's number.

It only rang twice before the call was picked up.

"Han Xiao."

Hearing Qin Shu's voice, Han Xiao gripped his phone tightly. "Are you alright?"

"I'm fine. How are you?"

"I'm fine too. I've been busy with family matters recently, so I've had more time."

"That's good." Qin Shu pursed her lips. "Han Xiao."

Sensing that she wanted to say something, Han Xiao said, "Er? If you have something to say, just say it."

"When you were on the mountain, besides the Little Munchkin, there was another girl, right?"

Han Xiao asked, "You mean Ling Shuang?"

Ling Shuang?

Yan Shuang?

"Uh-huh, that's her."

"You saw her?"

"Yes."

Han Xiao felt that Qin Shu was a little unhappy, so he guessed, "Did Fu Tingyu make you unhappy?"

Qin Shu hurriedly denied, "No, he was very nice to me, I was just curious about what happened to you two on the mountain during those years."

Han Xiao said, "You wanted to know about Fu Tingyu and Ling Shuang, right?"

Qin Shu was a little embarrassed to be exposed by Han Xiao. "I was just curious."

Han Xiao pondered for a moment and said, "At that time on the mountain, their relationship was indeed very good."

Hearing it with her ears, Qin Shu still felt a little uncomfortable. "I can see that."

Han Xiao asked, "Are you unhappy?"

"No, I'm just curious about what happened to them on the mountain. Thank you for telling me this. I still have something to do, so I'll talk to you some other time."

Qin Shu hung up the phone after saying that, she felt that she had been out for quite some time, so she hurriedly walked back.

Han Xiao looked at the phone that was already hung up, he felt that Qin Shu was unhappy, and her voice was a little muffled.

Fu Tingyu dared to bully Qin Shu, he would be the first to not let him off.

Hua Wuyan walked in at this time. "Brother Han, are you done? I'll push you out for a walk."

Seeing Han Xiao sitting at his desk in a daze holding his cell phone, he slapped the table. "Brother Han, what are you thinking about?"

### **Chapter 722: Babe Was Not Feeling Well**

"It's nothing." Han Xiao came back to his senses and put his phone on the desk.

"Are you going out?" Hua Wuyan glanced at his phone and thought, who was he talking to just now?

"Wait till I finish my work." Han Xiao collected his thoughts and began to deal with the serious matter. However, after taking the call, he was a little distracted.

Hua Wuyan glanced at the computer and discovered the problem. He raised his hand and pointed at the problem, he reminded, "Brother Han, did you make a mistake?"

Han Xiao took a closer look and realized that he had indeed made a mistake, he deleted that part and edited it again.

After he was done, Hua Wuyan pushed Han Xiao out for a walk.

When he realized that there were still young ladies selling flowers in the park, he could not help but laugh. "Brother Han, look, there is still someone who carries a flower basket and sells flowers."

Hua Wuyan waited for a long time but received no response, he lowered his head to look at Han Xiao and realized that he was deep in thought, he did not hear his comment at all.

He knew Han Xiao too well, he must have been talking to someone.

As for who it was, the first person he thought of was Qin Shu.

..

When Qin Shu returned, Fu Tingyu was the only one left in the seat, Yan Shuang had long disappeared.

When he saw the girl return, Fu Tingyu stood up nervously, there was worry in his voice. "Where did you go?"

Qin Shu was still wondering where Yan Shuang went when the man grabbed her arm. "I was just going to the washroom."

Fu Tingyu recalled the time he caught her in the men's toilet and his expression darkened. "To the men's washroom?"

Sensing that the man seemed unhappy, Qin Shu hurriedly shook her head. "No, no. I still remember what you said, I just pondered about whether to go to the women's or Men's washroom, so I didn't go in."

Hearing this, the man became a little happier. "You must be hungry. I'll take you out for food."

"Okay."

She was indeed hungry.

Fu Tingyu had chosen a Hui restaurant.

When he ordered the dishes, he ordered according to her taste.

While eating, Qin Shu casually ate the rice in her bowl and glanced at the man opposite her, waiting for him to tell her about Yan Shuang.

She just waited and waited, when the rice in her bowl was finished, the man did not mention anything about Yan Shuang.

On the way back

Qin Shu leaned on the back of the chair, feeling a little drowsy.

She did not know if it was due to the man who did not take the initiative to talk about Yan Shuang. She was a little angry and kept a distance from him.

The man turned and looked at her with her eyes closed, she was probably asleep, her head slowly tilted, and when she was about to lean against his shoulder, she moved it back the next second.

He frowned and reached out to move her head to his shoulder.

Qin Shu moved subconsciously, as her head was held by a big hand, she moved a few times and stopped moving again.

He moved his hand away after the girl fell asleep.

When the car stopped at the hotel, Qin Shu was still asleep.

Fu Tingyu didn't wake her up either. Instead, he picked her up and carried her back to the guest room.

Star Lagoon

Yin Shi looked at his Master who was sitting at the bow of the boat. Under the sunlight, his pale face was like a piece of white paper. There was no trace of blood on his pale face, his thin figure felt like it could be blown down by a gust of wind.

He had been sitting there since the morning and didn't move at all.

Yin Shi glanced at the setting sun, that woman would not be here.

He hesitated for a moment before walking onto the boat.

The boat moved and the man sitting at the bow turned around. "Baby?"

"Master, it's me."

Yin Shi walked behind the man.

The man paused. "What time is it?"

"It's already past four in the afternoon, Master should go back, she should not be coming," Yin Shi advised.

"I want to sit for a while." The man turned and faced the surface of the lagoon, his eyes were covered with gauze and he could not see anything.

At the same time, he could not see that the passing tourists were looking at him strangely.

Yin Shi looked at the man's pale face and could not help but try to persuade him, "Master, you haven't eaten anything since this morning, you haven't even taken an afternoon nap, if you continue like this, your body will not be able to take it."

"I just want to be alone." The man's voice was very calm, like the calm surface of the lagoon.

Yin Shi looked at him for a long time, he opened his mouth and wanted to say something, but in the end, he didn't say a word. He turned and got off the boat.

He stood on the wharf and stared at his Master.

This cruise ship was booked yesterday, it was also the largest and steadiest of all the cruise ships.

The man sat quietly at the bow of the boat, he pursed his lips and felt the breeze blowing from the lagoon, it blew onto his face and gave him a slight chill.

No one knew what he was thinking.

Until the night fell

The temperature dropped with the nightfall.

The man sitting at the bow of the boat moved, seeing that he was about to fall into the lagoon, he held the railing of the boat in time and took out a pure white silk handkerchief from his pocket to cover his mouth with his other hand.

When he moved it away, the pure white silk handkerchief had already been dyed bright red, looking very much like the blooming spider lilies by the Bridge of Helplessness, enchanting and eye-catching.

“Master!”

Seeing this, Yin Shi’s face turned pale, he quickly ran onto the boat, wishing that he could run to his master’s side in a single step.

“Master, you vomited blood again. “Seeing the blood-stained silk handkerchief on the man’s hand, Yin Shi’s voice trembled a little.

“Let’s go back.” The man held the silk handkerchief tightly in his hand and said three words lightly.

“I’ll help you back.” Yin Shi helped the man up in one go and walked off the boat.

At the hotel

Qin Shu went to take a shower after dinner, she lay on the bed after washing up, but she couldn’t sleep no matter how hard she closed her eyes.

She suddenly opened her eyes, the man said that he was waiting for her by the Star Lagoon, but she didn’t go, he wouldn’t wait forever, would he?

Thinking about it, he probably wouldn’t. He wasn’t a fool, if she didn’t turn up, he definitely wouldn’t wait any longer.

But thinking about it carefully, she felt that something was wrong.

The way that man treated her, it was obvious that he was treating someone he was very familiar with.

But she was sure that she didn’t know him.

Before this, she suspected that he might have also thought of her as the Little Munchkin, but she later denied it.

First of all, the name wasn’t right.

He called her Baby, not Little Munchkin.

Secondly, if he was also learning martial arts with Fu Tingyu, Han Xiao, and the others at Qi Mountain, he definitely would know them.

He didn't know the two of them.

Then who was he?

The more Qin Shu thought about it, the more she could not fall asleep.

After the man went to bed, she closed her eyes and only felt that she was in the warm embrace of the man, the pillow that she was resting on was finally replaced by the man's strong arms.

Ever since she slept with the man, the man's arms had become her special pillow.

After the lights were turned off

Qin Shu thought about the man and Yan Shuang again, the man did not say a word, and she could not fall asleep.

Insomnia was a very painful thing.

The man opened his eyes and looked at the person in his arms, her breathing was at times heavy and sometimes light, it was obvious that she was not asleep.

When he thought about how pregnancy would affect sleep for many reasons, he could not help but worry.

"Babe, is something wrong that prevents you from falling asleep?"

Qin Shu couldn't fall asleep, so she thought about it when the man asked.

She grabbed the large hand on her waist and pressed it against her chest, she whispered, "I'm not feeling well here."

### **Chapter 723: The Feud Between Him and Her Was Great**

The man lowered his head as the lights in the room were off, he could not see clearly and could only rely on touch.

"Chest tightness, is it?" He asked in a low voice.

"Yes," Qin Shu replied in a moderate tone.

"I'll help you massage it."

Hearing the girl's low voice, the man thought that she was too uncomfortable, so he helped her massage it.

Qin Shu was speechless.

Right now, she only felt that her chest was stuck with air, and it was very uncomfortable.

On the fourth day of her arrival in North Star

Qin Shu still did not hear Fu Tingyu take the initiative to mention Yan Shuang's matter, or how he would get the Lanzhi Grass.

She guessed that the man wanted to use Yan Shuang's connections to get the Lanzhi Grass.

A wealthy family like the Yan family would not lack money or power, but the Lanzhi Grass was already extinct, and it could be kept for future use, just in case.

Even if Fu Tingyu offered a sky-high price, the Yan family may not sell it.

That was why she guessed that the man wanted to get Lanzhi Grass from Yan Shuang as a friend.

As for Yan Shuang, the way she looked at Fu Tingyu, it was clear that she liked Fu Tingyu.

During breakfast, Qin Shu lowered her head and have her meal, after waiting for a day and two nights, the man did not take the initiative to mention Yan Shuang, so she did not expect him to say anything.

Fu Tingyu looked at the girl who was eating with her head lowered, after looking at her for a while, he said, "I'm going out later."

Qin Shu stopped eating and looked at him, she let out a faint "Uh-huh."

The man was a little helpless. "Do you want to come with me?"

Qin Shu shook her head. "I'm not going, I can't be of much help even if I go."

The man said, "Then you should rest in the hotel."

Qin Shu was speechless.

As usual, Fu Tingyu left after giving out a few instructions.

Qin Shu squatted on the ground, holding a feather in her hand as she played with Boss in boredom.

What condition would the man use to exchange for the Lanzhi Grass?

At this moment, she received a message from the Stranger.

[ Stranger: You're so heartless. I waited for an entire day, but you didn't show up, do you know how cold the wind is in the evening at the Star Lagoon? ]

The screen was filled with his grievances...

There were chat records, so she knew who the Stranger was.

Even without looking at the chat records, she knew who the man was from the content.

It was not her fault, but she felt inexplicably guilty.

She gripped her phone tightly and looked at it for a while before editing the message.

[ Qin Shu: Are You an idiot? Don't you know when it is time to leave? Do you know when it is cold? ]

After sending the message, she felt that it was inappropriate.

Unfortunately, there was no message retrieve function.

Boss stared at Qin Shu in confusion, not knowing what was wrong with her?

[ Stranger: I knew you still cared about me. ]

After reading the content of the other party's reply, she decided not to reply to what was said.

Immediately after, the message notification sounded again.

[ Stranger: You want the Yan family's Lanzhi Grass? I'll help you get it, just accompany me on a lagoon tour, okay? ]

After reading the content, Qin Shu was stunned for a moment.

How did he know about this?

[ Stranger: Give me half a day. ]

Qin Shu looked at the message and a trace of doubt flashed through her eyes, what did he mean by this?

The man did not reply to her message.

She hesitated for a moment and replied to a message.

[ Qin Shu: What do you mean? ]

After sending the message, she waited for quite a long time, but she did not receive any message from the man.

After waiting for more than half an hour, she still didn't get a reply, she threw her phone on the sofa.

After staring at Boss for a while, she suddenly remembered her identity as a Prophet. If she used her identity as the Prophet, would it be easy for her to get the Lanzhi Grass?

Thinking of this possibility, she picked up her phone and dialed the man's number.

After the call was connected, she said, "Baby Yu, if I disguise myself as the Prophet and go to Yan Shiming in exchange for other things, the chances of me getting the Lanzhi Grass would be higher."

Fu Tingyu pondered for a moment and said, "If the truth is exposed, it will be even more difficult to get it again."

"I've lied to Old Master Han previously and get away with it, so I should be able to succeed this time."

"Let's talk when I get back."

"Okay."

Qin Shu hung up the phone. Not long after, Fu Tingyu came back from outside.

She stood up and went up to him. "Baby Yu, what do you think of my idea?"

"I think it's too risky." Fu Tingyu paused. "Yan Shuang has already agreed to help me obtain the Lanzhi Grass, I can get it in the next few days."

Qin Shu asked, "Then what conditions did she propose?"

Fu Tingyu's slender fingers scratched her perky nose. "She didn't propose any conditions, it's just that I've been negotiating with her for the past two days, it was considered that I owe her a favor."

Only now did Qin Shu know that the man had gone out to discuss a collaboration with Yan Shuang for the past two days, it was just a favor...

"Then why didn't you tell me?"

Fu Tingyu chuckled. "So, you were unhappy the night before was due to this matter?"

Qin Shu felt a little embarrassed after being seen through by the man. "Not exactly."

"Then what is it?"

"I'm curious about what happened between you and Yan Shuang at Qi Mountain, you've never told me about these things."

This was probably what she cared about the most.

The man paused. "There's nothing to mention."

Qin Shu looked at the man in confusion. "She said that life on the Qi Mountain was the happiest, so I'm a little curious."

The man chuckled. "Well, everyone's source of happiness is different."

Qin Shu chewed on the meaning of the man's words and glanced at him. "Then were you happy when you learned martial arts on the Qi Mountain?"

The man stared at the girl but did not speak.

Seeing that the man was staring at her without speaking, Qin Shu asked again, "Then when you have time, tell me about Qi Mountain, I'm very curious."

The man asked, "Are you hungry? I'll get Shi Yan to prepare some food."

After saying that, he turned and instructed Shi Yan.

Seeing this, Qin Shu chased after him. "Tell me about it, just treat it as telling a story."

The man ignored her and continued walking.

Qin Shu asked again, "I also want to know about the grudge between you and Little Munchkin."

The man stopped walking and turned to look at her.

Qin Shu also stopped walking and met his gaze, she was curious.

The man suddenly said, "How did you know that there was a grudge between us?"

"Well, I heard it from Han Xiao." Qin Shu felt a little guilty.

"What did he say?" The man asked.

"He said that on the first day on the mountain, you guys started fighting."

He was beaten to the ground by a girl who was five years younger than him, she did not say this.

The man might want to preserve his dignity.

The man asked in a deep voice, "Did he also say that I was beaten to the ground?"

Qin Shu smiled. "Hmm, you said that yourself."

"What else did he say?"

"He said that you and Little Munchkin fought because of the issue of addressing her and that you have a feud from then on."

There were other words like arch enemies but she dared not say.

"Yeah, we have long-standing feuds." The man gritted his teeth and spoke.

Qin Shu only felt a chill on her back, from what the man said, the grudge between him and Little Munchkin was great.

No wonder when Han Xiao thought she was the Little Munchkin, he would say that Fu Tingyu was deceiving her.

"It's already been so long, no matter how big the grudge is, it should be over." Qin Shu tried to persuade him.

#### **Chapter 724: Never Break a Promise to You**

The man laughed. "That was a huge feud, I won't do it again in this life."

Qin Shu looked at the man's determined gaze and couldn't help but break out in cold sweat for the Little Munchkin, it was better not to see each other in the future, lest they start fighting.

The Man took a deep look at the girl, then turned and left.

Qin Shu let out a long sigh.

..

Fu Tingyu and Yan Shuang were discussing a collaboration, today, they had an appointment to discuss the details, and he left in the morning.

Now that Lanzhi Grass was settled, Qin Shu also let out a sigh of relief, but when she thought about the favor.

Actually, a favor was the hardest to return.

When the man left, he gave some instructions, just like before.

He was afraid that she didn't eat well nor sleep well, and treated her like a child.

Not long after he left, Qin Shu received a message. It was from the Stranger.

[ Stranger: Baby, I have the Lanzhi Grass, come to the Star Lagoon. ]

Qin Shu was stunned, she couldn't believe her eyes, he had the Lanzhi Grass?

To give him half a day, is for him to went to the Yan family to ask for the Lanzhi Grass?

But how could the Yan family's Lanzhi Grass be taken so easily?

Qin Shu was a little hesitant, what if he was lying to her?

But she couldn't rule out the possibility that the Lanzhi Grass was really in his hands.

After thinking about it, she decided to go and take a look.

As there was only one Lanzhi Grass right now, it was very important.

Qin Shu asked Ye Luo to prepare the car.

Ye Luo's speed was the same as his punching speed, very fast.

It was half an hour later when they arrived at the Star Lagoon.

As the Stranger did not specify the exact location, they could only let Boss lead the way for her again.

Boss was very happy to be the lead, he walked on all fours and jogged all the way, he was very happy.

Qin Shu followed unhurriedly, all the way to the side of the chartered cruise ship.

Yin Shi had been standing on the steps waiting, when he saw Qin Shu coming, he lowered her eyebrows and nodded. "Miss Qin, my Master is on the boat."

Qin Shu looked at the boat that was docked at the wharf, it was quite big, she walked over and Yin Shi stopped her. "Miss Qin, please wait."

She stopped and looked at Yin Shi. "What's the matter?"

Yin Shi said, "I have something to say to Miss Qin."

Boss had already taken the lead and ran onto the boat, the moment he entered, he saw a man sitting at the bow of the boat.

He slowed down his pace and approached the man step by step.

He took a few steps before he stopped as there was a plate of delicious fish in front of him.

He raised his head and looked at the man who was sitting there without moving, he then looked at the fish in front of him, his dark green eyes rolled around, and he decided to eat the fish first.

..

"Miss Qin, two days ago, my Master waited for you for an entire day. He even vomited blood, you know my Master's body, Professor Gu said that he might not live more than a year."

Before Yin Shi could finish his words, Qin Shu said, "What do you mean by this? Is he poisoned because of me? Am I the one who made him sit here for an entire day?"

Yin Shi was stunned and immediately retorted, "Miss Qin, some things can not be seen on the surface, to get the Lanzhi Grass..."

As the words were about to come out of his mouth, Yin Shi forcefully swallowed them back.

Qin Shu looked at Yin Shi with puzzlement, as if he wanted to say something but stopped himself.

“Count it as me begging Miss Qin to treat my Master better so that he won’t have any regrets.”

Yin Shi bowed deeply, almost kneeling on the ground.

As Yin Shi didn’t say anything, Qin Shu felt that something was wrong. “What do you mean by that?”

Yin Shi lowered his eyebrows. “Miss Qin, my Master is still waiting on the boat.”

Qin Shu frowned, glanced at Yin Shi, and then got on the boat.

Yin Shi got on the boat and became the boatman.

After Qin Shu got on the boat, she saw the man sitting at the bow of the boat. His eyes were still covered with gauze, and the ends of the gauze fluttered in the wind.

The temperature was suitable today, he was wearing a white shirt, and his figure was a little thin.

When the wind blew, his clothes were hung close to his body, and his thin waist could be seen.

There was a coffee table next to him, with a pot of tea and a few plates of snacks on the table.

She didn’t understand why he was so persistent to let her accompany him on the lagoon cruise?

She couldn’t figure it out, so she walked over with confusion and sit down on the man’s left side.

The man knew when Qin Shu got onto the boat, he turned and looked over, even if he couldn’t see her, he knew that she was opposite him.

“Let’s have some snacks first.”

After Yin Shi got on the boat, he started the engine and started the lagoon excursion.

“Why are you so persistent on me to accompany you on the lagoon cruise?” Qin Shu couldn’t help but ask.

“It’s a rare opportunity, if you miss this opportunity, there might not be another time.”

The man smiled, he picked up the wooden box by the side, put it on the coffee table, and pushed it toward her.

“This is the Lanzhi Grass that you want.” The Man’s voice was a little excited as if he was presenting a treasure.

Qin Shu looked at the wooden box with confusion, she hesitated for a moment and reached out to open the wooden box. A faint smell of medicinal herbs could be sensed.

A stalk of medicinal herb lay quietly in the wooden box, it was placed in after it was dried. From its appearance and smell, she could confirm that it was the Lanzhi Grass.

She raised her head and looked at the man. “How did you get the Lanzhi Grass?”

If it was easy to get it with cash, Fu Tingyu would have gotten it long ago, there was no need to go through all the trouble.

“You don’t need to know the detail, I didn’t break my promise to you and I got the Lanzhi Grass.” The man smiled, showing off and it seemed pitiful.

Qin Shu looked at the man’s pale face, and the corners of her mouth lifted into a faint smile, she thought of what Yin Shi had said earlier, and her heart suddenly felt as if it was being pulled, she felt an inexplicable pain.

“Are you hungry? Have some snacks, the scenery of Star Lagoon is still very beautiful.” The Man’s voice was low, like a slowly flowing stream, it was very pleasing to the ear.

Qin Shu did not take the pastries, instead, she stared at the man. Recalling everything that had happened since she had met this man, she suddenly came to a conclusion.

“Don’t tell me you like me?”

Not that Qin Shu was narcissistic, it was mainly due to the man’s actions that it was very easy for others to think in this direction.

The man smiled and neither admitted nor denied it.

Qin Shu looked at the man in surprise. “I guessed it right?”

The man smiled but did not say anything.

“I have a husband, you should know that it’s Fu Tingyu.” As for the child, she did not dare to say it because she was afraid of any accident.

The smile on the man’s lips was still there. “Yes, I know.”

“Then why did you do all this? Moreover, we are considered enemies, right? Kidnapping and poisoning.”

“What I want to do naturally has its purpose.” The Man’s voice was faint, and the corners of his mouth had a faint smile.

Qin Shu looked at the man, the more she looked at him, the more confused she became. The more she got along with him, the more she felt that he seemed to have many things on him.

Seeing that he kept smiling, he neither admitted nor denied it, his expression was very calm.

It also made her feel that he didn’t like her.

Maybe it was just a spur-of-the-moment pleasure.

She retracted her gaze and looked around. The Star Lagoon was very big, on the right was a mountain, and on the left were buildings and pavilions, the weeping willows were verdant, and the scenery was pleasant.

There were many tourists as well.

As expected of a tourist attraction of North Star.

She didn't know whether it was because of the beautiful scenery or because she had already obtained the Lanzhi Grass, Qin Shu slowly calmed down, she wasn't as impatient as before.

### **Chapter 725: I Had a Dream About You**

The reason why Qin Shu was impatient was that she was sitting with an enemy.

No wonder people often said that when one was in a bad mood, one could relax by traveling.

Suddenly, she quieted down, and the man asked uneasily, "Aren't you going to have some snacks?"

"No," Qin Shu replied calmly.

The man was a little helpless. "You don't have to guard against me all the time."

Qin Shu turned and looked at the man sitting there, his legs were slightly open, and his hands were casually placed on his knees.

The morning sun shone down from the side, and his pale face became a little paler, if one moved closer, one could see the tiny pores on his face.

One only needed to take a glance to know that he was quite sick.

Sitting with her enemy should have made her angry and tense.

However, sitting with him did not have that kind of atmosphere, on the contrary, it made her feel comfortable.

"The last time you brought a dagger, you wanted to make a move on me, right?" The man's voice was still indifferent with helplessness and worry.

Qin Shu was stunned, even Ye Luo did not know that she brought a dagger, but he knew?

Previously, she did have the intention to attack him.

But in the end, she gave up for many reasons.

"Just because I'm the leader of the Crimson Sand Organization, right?" The man asked again.

Qin Shu didn't deny it. "Yes."

The man smiled helplessly and changed the topic. "What do you think of the scenery of Star Lagoon?"

"It's very beautiful." Qin Shu was telling the truth. The scenery here was really beautiful.

The man chuckled. "I knew you would like it."

Qin Shu was speechless

Was it him or her who wish to go on a lagoon cruise?

Er!!!

He couldn't see...

After Boss finished his fish, he licked his lips and looked up at the two people sitting at the bow of the boat, he rolled his eyes and ran over swiftly with his four limbs.

“Meow” Boss’s two front paws were placed on the coffee table, he looked up at Qin Shu and then at the man, his eyes were full of doubt.

Qin Shu turned to look at Boss and waved at him, signaling for him to come over.

Boss looked at Qin Shu, then walked around the coffee table and came to her side, he jumped onto her lap and stared at the man across from him.

The man tilted his head as if he was looking at a girl holding a cat, the corners of his mouth held a faint smile.

Qin Shu rubbed Boss’s head, she felt the gaze from the other side. She looked up and saw the man turning his head, he couldn’t see clearly, but it felt like he was looking at her.

“If you can’t see, why did you come to the lake?”

“You can see.”

Qin Shu didn’t know what to say.

“I rely on you when I do this lagoon cruise, if you like it, I’ll be happy,” the man said.

Alright, she would never be able to guess the man’s thoughts.

The Star Lagoon was very big, sitting on a cruise ship, she wouldn’t be able to finish her cruise in a short while.

Boss was afraid of the water, so when he reached the bow of the ship, he didn’t dare to move and obediently stayed in Qin Shu’s arms.

Yin Shi was at the stern of the boat, as he steered the boat, he looked at his Master who was sitting at the bow of the boat with a worried expression.

He was afraid that his Master would suddenly vomit blood again.

Qin Shu looked at the scenery on both sides, the breeze blew on her face, made her felt very comfortable.

After looking at the scenery for a while, she didn’t hear any movement around her, she turned to look over in puzzlement and saw that the man was propping his hand on his forehead and rest on the coffee table as if he was tired.

She tilted her head to take a look and realized that his eyes were tightly shut, as if he was asleep.

Thinking of his physical condition, he should be tired.

She looked at the white gauze on the man’s eyes and was a little curious about what he looked like?

After looking for a while, she reached out her hand and aimed at the knot at the back of his head. Just as her fingers touched the knot, her wrist was suddenly held by a large hand, his hand was the same as his face, it was sickly pale, and the knuckles were distinct and slender.

The man tilted his head. "What are you trying to do?"

Qin Shu wanted to withdraw her hand guiltily, but the man held her tightly. "Nothing much. I'm just curious about your look."

The man chuckled. "It's better not to look, even if you do, you won't be able to remember."

Qin Shu looked at him in confusion, from his words, did they know each other in the past?

She suddenly remembered her dream previously, she said, "I had a dream about you that day."

"What dream?"

"I don't remember it very clearly, in the dream, you shrunk a little, and you were also blindfolded."

The man continued to ask, "And then?"

"Then, I fell into the water and woke up."

Recalling that dream now, she still felt that it had something to do with him.

The man paused for a moment. "Could it be that you dreamed of catching fish?"

"I don't remember." Qin Shu struggled. "Let go of my hand first."

The man hesitated for a moment before letting go.

Qin Shu retracted her hand and did not mention the dream again, she mentioned it just now as she suddenly thought of it.

The man thought of something funny and suddenly laughed, then he covered his mouth with his hand, but it could still hear his low laughter.

Qin Shu raised her head and looked at him in confusion, what was so funny?

The man smiled and asked, "Do you want me to tell you a little story?"

Qin Shu held her chin with one hand and said nonchalantly, "Go ahead, just think of it as killing time."

The man smiled nonchalantly. "There was a young man who was raised outside the family due to his health, every day was extremely boring until one day, a little girl suddenly barged into his life. The little girl knew martial arts and had a wild personality, she fell down from the mountain for some unknown reason. The little girl bullied the young man as he couldn't see her and kept teasing him."

"The young man sat there every day and didn't bother about anything, he even felt that speaking was chaotic, he was annoyed by the little girl's teasing. The young man was not someone to be trifled with, even if he couldn't see her, he chased after the little girl and wanted to catch her."

The man stopped here and took a sip from the teacup beside him.

Qin Shu wanted to continue listening as she listened, she wanted to know if the young man had caught that little girl, and if he had beaten up that naughty little girl?

After waiting for a while, she didn't hear the man continue, she turned, "Why don't you continue?"

The man replied, "It's finished."

The story was finished just like that?

"Did that youngster catch that little girl? Did he beat her up?"

The man burst out laughing, as he was suppressing his laughter, it wasn't an exaggerated laugh.

"It's very likely that such a mischievous little girl would be beaten up by the youngster."

The man nodded in agreement.

"That youngster is quite pitiful, he can't see, he doesn't even know how the little girl who bullied him looks like." Qin Shu sighed.

The man asked in return, "Is it very pitiful that he can't see?"

"Of course. That young man might be despised by his family because he can't see, he was thrown aside to be raised, he doesn't like to talk. It might be caused by his family, they're too irresponsible." Qin Shu was a little indignant.

The man smiled. "Perhaps."

"Perhaps, that little girl saw that he was unhappy all day, so she wanted to tease him and make him happy, she didn't expect to annoy that youth."

### **Chapter 726: What If Your Arch-enemy Fancied Your Wife?**

Qin Shu was guessing based on her thoughts, as for whether it was true or not, only those persons involved would know.

When the man heard this, he turned, "How do you know that the little girl is trying to make the young man happy?"

"I'm just guessing," Qin Shu replied calmly.

The man smiled and did not ask any more questions.

Outside the boat, the sun was shining brightly and the breeze was blowing gently.

Qin Shu held her chin with one hand and felt a little drowsy.

So much so that she did not hear a single word that the man said later.

The man seemed to be tired, he supported his forehead with his hand and spoke as if he was talking to himself. "I have done everything that I have promised you, but now I realize that you were just saying it casually then."

..

On the way back

Qin Shu didn't know how she fell asleep, she should have been vigilant.

But she fell asleep instead.

When the cruise ship reached the other end, she was woken up by the man.

She looked down at the exquisite wooden box in her hand, inside was the Lanzhi Grass, which she had searched for so long.

While she was excited, she felt a little uneasy.

It made her unable to be happy.

When they arrived at the hotel, Qin Shu was carrying the wooden box with heavy footsteps.

Ye Luo was carrying Boss and found that Qin Shu was a little absent-minded, he did not know what had happened.

Ye Luo had ordered lunch in advance.

The moment she returned, the hotel staff brought the dishes over and placed them on the dining table.

Qin Shu washed her hands and ate with chopsticks. From time to time, she would glance at the exquisite wooden box in front of her.

What should she tell the man about the origin of the Lanzhi Grass?

Suddenly, she heard steady footsteps behind her, she turned and saw the tall and straight figure of the man walking over.

What she was really afraid of came true.

"Why did you have your meal now?" The man walked over and sat down opposite the girl.

"I went out for a while and came back a little late. Have you eaten?" She asked.

"I had lunch." The man saw the exquisite wooden box on the dining table, he looked at the girl. "Did you buy this?"

Qin Shu stopped eating. "No, someone gave it to me."

After saying that, she stared at the man nervously.

Did someone give it to her?

The man suspiciously picked up the exquisite wooden box on the dining table, his slender fingers pressed on the fastening and opened it.

The smell of herbs assaulted his nostrils, and he was momentarily stunned when he saw what was inside.

Fu Tingyu didn't recognize the Lanzhi Grass, but he guessed that it was an herb.

"What kind of herb is this?" The man looked at it and asked.

Qin Shu said guiltily, "Lanzhi Grass."

Lanzhi Grass?

The man raised his head and looked at the girl. The doubt in his eyes deepened. "Where did you get the Lanzhi Grass?"

"Didn't I say that it was given by someone else?" Qin Shu said in a very low voice.

The man frowned. "Who gave it to you?"

"If I tell you, don't be angry." Qin Shu took precautions in advance.

"Tell me." The man faintly felt a bad premonition.

"The head of the Crimson Sand Organization, he gave it to me," Qin Shu replied in a low voice.

When he heard that the Crimson Sand Organization, his arch-enemy, the man clenched the wooden box in his hand. He was in a bad mood, he was probably afraid and worried.

That was because the Crimson Sand Organization was the one who had kidnapped the girl. If he did not go or if he was late, the consequences would be very serious.

However, the man restrained his emotions.

"Why would he give you this?"

"Er... I, I don't know either."

Qin Shu did not know, it would be too ridiculous to say that she was accompanying him on a lagoon tour.

The man definitely would not believe it.

The man's eyes darkened. "Did he make any excessive demands?"

Qin Shu immediately shook her head. "No, no, he didn't make any excessive demands."

"He and I are sworn enemies." the man said and he emphasized his tone.

It could be heard that the man was angry.

"I know, I thought it's very strange as well."

The man closed the wooden box and looked at the girl, he asked again, "Then tell me honestly, did he make any excessive demand?"

"Baby Yu, he didn't. Otherwise, I wouldn't have been surprised." Qin Shu sighed.

The man said, "If he's solicitous for no reason, he's either a traitor or a thief."

After saying that, he stared at the girl again.

Although she had lost some weight during pregnancy, she was still very beautiful, her eyes were as bright as stars and were very attractive.

Was she attracting a 'peach blossom'?

"You're not allowed to meet him next time." Then, he added, "You're not allowed to take anything either."

"Then this Lanzhi Grass..." Qin Shu asked in a low voice.

The man spat out two words, "Keep it."

There was only one Lanzhi Grass, if they didn't keep it, Han Xiao's leg wouldn't be cured.

If it wasn't cured, the girl would feel guilty for the rest of her life and thinking about it for the rest of her life.

Qin Shu wanted to keep it as well, but her mood was inexplicably heavy.

"Do you know how he got the Lanzhi Grass?" The man suddenly asked.

He had offered many conditions, but Yan Shiming did not seem to bother.

Qin Shu shook her head. "I don't know either."

She recalled what Yin Shi had said previously, although he did not say it out loud, but looking at his expression, she felt that there was something unspoken.

Qin Shu had only taken half a bowl of rice and could not eat anymore.

The man glanced at the food on the table that she barely touched.

He stood up and walked in front of the girl, he picked her up and said, "Go and sleep for a while."

"Okay." Qin Shu leaned on the man's shoulder and let him carry her into the room.

When Qin Shu slept, Fu Tingyu sat in front of the bar counter and dealt with the company's matters and the cooperation with the Yan family.

Now that they had the Lanzhi Grass, he didn't need to owe Yan Shuan any favor anymore.

He could have gone to Qi Hua now after getting the Lanzhi Grass and given it to Han Xiao personally.

Now, due to the business collaboration, he had to stay in North Star for a few days until the collaboration was settled. Then, he could leave for Qi Hua.

Qin Shu looked at the man sitting in front of the bar counter, the cross-border collaboration required a lot of preparation, but for the Fu family, there were only benefits and no disadvantages.

The Fu family's business was gradually expanding globally, and the Fu family did not have any business ventures in North Star, Nan Yue, Qi Hua, and other countries.

But with the man's ability and speed, soon there would be branch offices of the Fu family's business in these places.

For two days in a row, Qin Shu did not receive any messages from that Stranger.

She thought that he might have already left North Star.

Before lunch, the man saw that the girl did not seem to have slept well, he thought that she might not be used to the environment and did not look as well as she was in Jiangcheng.

"There are still two more steps to go before we can conclude the collaboration, after we signed the contract, we can leave North Star."

Qin Shu picked up her chopsticks and looked at the man. "Let's go to Qi Hua and send the Lanzhi Grass to Han Xiao, I don't know if Gu Yan is busy these days, if we can get him to prepare the medicine, the effect would be better."

The man paused when he was about to pick up the food with his chopsticks. "Yes, as for Gu Yan, I'll call him to ask if he has the time."

With that, he picked up a piece of fish and put it into the bowl in front of her. "Eat more, you've lost weight."

"Okay." Qin Shu grinned at the man, her small white teeth were especially dazzling.

She gripped her chopsticks tightly and picked up the piece of fish in the bowl and started to eat.

### **Chapter 727: Stalking the Man, Don't Touch Me**

During the meal, Fu Tingyu's phone suddenly rang.

He took out his phone and looked at the caller ID.

Qin Shu looked up curiously.

"I'll go answer the call."

Fu Tingyu took the phone and went to the balcony.

Qin Shu glanced at the man standing on the balcony and guessed that the call was from Yan Shuang.

But why did he have to answer the call behind her back?

After about two minutes, the man walked in with his phone, she couldn't help but ask, "Who called?"

The man sat down, he placed his phone on the dining table. "Yan Shuang, I have something to do in the afternoon and would need to go out."

Qin Shu asked, "Is it something important?"

The man picked up his chopsticks and picked up some food for her. "It's not very important, after lunch, you can sleep, you didn't sleep well last night."

As she was pregnant, she would occasionally have leg cramps at night, so she couldn't sleep well.

Qin Shu wanted to say that she would go with him, but since the man said so, it was obvious that he didn't plan to bring her.

So she was very curious about the man and Yan Shuang. What did they want to do?

Fu Tingyu waited for the girl to fall asleep before leaving.

Before he left, he specifically instructed Ye Luo to ask the hotel to prepare some food for her when she woke up.

Not long after Fu Tingyu left, Qin Shu walked out of the room.

Ye Luo was stunned when he saw Qin Shu.

Usually, Qin Shu would take an afternoon nap for more than an hour, how long did she sleep for today?

Qin Shu was lying on the bed and couldn't fall asleep, so she simply got up.

She planned to follow the man and see what was going on between them.

After spending so much time together and experiencing so many things, she trusted the man.

However, no matter how much she trusted him, she would still feel a little curious. She was curious about what the man needs to do in the afternoon?

She looked at Ye Luo who was standing in the living room, "I want to go out for a while."

Ye Luo hesitated for a moment. "I'll go prepare the car."

Ye Luo was very fast, not long after, Qin Shu left the hotel.

Qin Shu looked at the streets filled with cars, it was an unfamiliar city. In her previous life, she had always stayed in Jiangcheng like a frog in the bottom of a well, her horizons were too small.

After driving for more than half an hour, they had already left the city and were heading towards the suburbs.

A trace of doubt flashed across Qin Shu's eyes, why did the man and Yan Shuang go to the suburbs?

The car went further and further away.

When they passed a bridge, Qin Shu saw a person standing at the other end of the bridge, his back was very familiar, and the most familiar thing about him was the gauze that was blown up by the wind.

She hurriedly shouted, "Stop the car."

Ye Luo quickly stepped on the brakes.

After the car stopped, Qin Shu did not rush to get out of the car. Instead, she sat in the car and watched the man, what would he do next?

The bridge was about twenty meters long, and the bridge deck and fence were a little worn out, moss could be seen on it, and the bridge was quite old.

The man's slender figure stood at the end of the bridge as if he was looking at the scenery.

But Qin Shu felt that he gave others the feeling that he was going to commit suicide.

What made her even more confused was, how did he appear here?

And coincidentally, she happened to pass by here?

Qin Shu stared at the man in the car for a while, then pushed open the car door and got out.

Ye Luo saw Qin Shu get out of the car, so he also pushed open the car door and got out.

Qin Shu came to the man's side, glanced around, and then stuck her head out to look under the bridge. Not to mention that he couldn't see, even if he could, there was nothing to see.

She retracted her gaze and looked at the man, he looked a little thinner, but he was very tall, he seemed to be about the same height as Fu Tingyu.

"Why are you here?"

The man turned, "I was waiting for you."

Qin Shu was speechless, she asked, "How did you know that I would pass by here?"

"I guessed."

Qin Shu didn't know what to say.

The man said, "Walk with me, I'll tell you what Fu Tingyu and Yan Shuang went to do."

Qin Shu rejected him, "You don't have to tell me. I know what he went to do."

"Five hundred meters ahead is the signal-blocking area, how are you going to follow him?" The man kindly reminded her.

Qin Shu turned her head to look at the other end of the bridge. Signal-blocking area? This place was not too far away from the city, why was the signal blocked?

No wonder the signal was suddenly cut off, she thought it was due to bad reception.

"How do you know what they are going to do?"

"Er..." the man smiled, "I knew a lot of things, this matter is nothing."

Qin Shu suddenly thought of a word to describe him, he was called a local constable, he knew everything.

"Then do you know about Little Munchkin?"

The man nodded, "Yes, she is the beloved disciple of the Qi Mountain Celestial Sect."

Qin Shu had just casually asked, she did not expect him to know the answer, she was so shocked that she could not speak.

The man said, "I also know many things about Little Munchkin, let's take a walk and talk."

Qin Shu was a little hesitant.

The man stretched out his hand to hold hers but Qin Shu noticed, she quickly avoided him, "Speak properly, don't touch me."

The man's hand stopped in mid-air, feeling a little helpless. "If I don't hold your hand, what if I fall? I'm not familiar with this place."

"You can't hold my hand." Qin Shu put both her hands into the pockets of her jacket.

The man settled for the next best thing. "Then, can I hold your sleeve?"

Qin Shu looked at her sleeve, she was wearing a black casual outfit, and the sleeves were very loose.

At this moment, the man's hand had already reached out and grabbed her sleeve, he seemed to be afraid that she would be unhappy, so he only grabbed a little.

The black sleeve was a stark contrast to the man's fair and slender fingers.

Qin Shu's eyes paused as she looked at the man's fingers grabbing a little fabric.

Although the scenery here was not very good, the air was very fresh.

Qin Shu did not walk slowly, as she considered the person behind her.

Ye Luo hugged Boss as he followed unhurriedly.

"Now, can you tell me what they went to do?" Qin Shu asked.

The man said, "To Qi Mountain."

Qin Shu's footsteps paused as she turned to look at him. "What did they go to Qi Mountain for? Isn't Qi Mountain sealed?"

"It's indeed sealed, they should be going to look for their Master," the man said indifferently.

Master?

"Why are they looking for their Master?"

The man paused. "You don't need to know about that."

Qin Shu said, "I want to know."

The man fell silent.

The more he didn't tell her, the more curious she became.

"Then tell me, what's the reason I don't need to know?"

The man sighed. "You can ask me about other things."

Seeing that he was unwilling to tell her, Qin Shu decided to change the topic. "Did we know each other before?"

The man was silent for a few seconds before nodding. "Yes."

“Then why don’t I have any impression of you? If we knew each other, why did you kidnap me and threaten Fu Tingyu?” Qin Shu couldn’t help but ask.

The man was silent again for a while.

“Do you know that you almost killed Fu Tingyu at that time?” Due to her anger, Qin Shu couldn’t help but raised her voice.

After a long while, he finally said, “Baby, do you believe me when I say that I didn’t mean it?”

Qin Shu coldly spat out, “No.”

The man pursed his lips.

“You guys kidnapped me to threaten Fu Tingyu as you knew that I was his weakness, that’s why he compromised and allowed you guys to manipulate him.”

### **Chapter 728: Help Her**

Qin Shu took a deep breath as if she was trying her best to control herself.

The man called out in a low voice, “Baby...”

Qin Shu cut him off. “Don’t call me Baby, not only are we not close, we are enemies. I didn’t attack you because you helped me get the Lanzhi Grass.”

The man called again. “Baby.”

Qin Shu pursed her lips and looked at the man who was more than half a head taller than her, but right now he looked like he had been bullied, he lowered his head slightly and looked at his feet.

No one would have thought that the head of the Crimson Sand Organization would look so negative.

H did not live up to his supposed character, wasn’t he?

Perhaps sensing that Qin Shu was no longer angry, the man raised his head, “Baby, can’t you be nicer to me?”

Qin Shu was both angry and amused. “If you weren’t the head of the Crimson Sand Organization and hadn’t done anything to harm Fu Tingyu, I wouldn’t have spoken so harshly to you. Now that I can stand in front of you calmly and talk to you, I feel that I’ve already been polite enough.”

“You didn’t take my life, you’re already being courteous enough.”

The man tugged at her clothes, it was just a corner of her clothes, it felt good.

The man’s voice carried a hint of sadness.

Qin Shu pursed her lips tightly and didn’t refute.

The man tugged at her sleeve.

Seeing the man like this, Qin Shu felt inexplicably frustrated.

“Thank you for helping me get the Lanzhi Grass. In the future, if you dare to lay a hand on Fu Tingyu and Gu Yan, I won’t let you off.”

After saying that, she pulled back her sleeves forcefully and turned to leave.

With his fingers empty, the man’s hand stopped in mid-air, after a long while, he slowly put it down.

Qin Shu got into the car directly. After Ye Luo got into the car, she said, “Back to the hotel.”

The man said faintly, “In the future, even if I want to lay my hands on them, I have to be alive to do so.”

Yin Shi walked over from not far away, he glanced at the car that had already left and asked, “Master, are you going back?”

The man said, “Wait a little longer.”

“But Master’s body...”

“The result will be the same.”

Yin Shi wanted to persuade him again, but when he saw his Master’s thin figure standing there, he couldn’t say anything.

At the hotel

Fu Tingyu went out this time and didn’t come back until nine o’clock in the evening.

Qin Shu finished her dinner, took a shower, and sat at the head of the bed to wait.

Usually, at this time, she was already sleepy.

But today, she wasn’t sleepy at all.

When the man’s tall and straight figure walked in, Qin Shu looked up at him. “Why are you back at this time?”

Fu Tingyu dare not approach the bed. “The road is too far, so it’s a little late, if you’re sleepy, go to sleep first, I’m going to take a shower.”

He took out his bathrobe and turned to enter the bathroom.

Qin Shu glanced at the tightly shut bathroom door, she didn’t lie down to sleep. Instead, she lowered her head and played with her phone for a while.

Half an hour later, the bathroom door opened from the inside, The man wearing a bathrobe walked out, seeing that the girl was still awake, he walked over to the bed.

“Why aren’t you feel sleepy tonight?” The Man took off his shoes and went to bed, then, he sat down beside the girl.

Qin Shu threw her phone to the side and moved closer to the man. “I can’t sleep.”

The man stretched out his long arm and pulled the girl into his embrace, he smelled the scent that belonged to the girl.

“We can leave North Star the day after tomorrow, I’ll Get Shi Yan to book the tickets for the day after tomorrow.”

Hearing this, Qin Shu’s eyes lit up, she had wanted to leave North Star for a long time. Thinking that she could leave the day after tomorrow, her mood instantly became much better.

“Have you already discussed your collaboration with Yan Shuang?”

“Yes, we’ll sign the contract tomorrow.”

Smelling the sweet fragrance that belonged to the girl, he could not help but lower his head and kiss the girl’s beautiful hair.

Just kissing her beautiful hair was not enough for him.

But thinking about how it was almost ten o’clock now, it was time for the girl to sleep.

He endured it and pulled her into the bed, then, he turned off the lights and seriously went to sleep.

Qin Shu did not feel sleepy at first, but when she knew that she could leave North Star the day after tomorrow, she fell asleep very quickly.

With the girl in his arms, he did not fall asleep so quickly, at the same time, he needed a lot of self-control.

After he slowly calmed down, he closed his eyes and went to sleep.

..

The matter of the collaboration had already been discussed, signing the contract would be very fast.

After signing the contract, Yan Shuang smiled and looked at Fu Tingyu. “There’s a banquet tonight. I hope you can attend.”

Fu Tingyu nodded in agreement.

Yan Shuang thought of the Lanzhi Grass, she said apologetically, “I’m sorry about the Lanzhi Grass. I didn’t know that my father would give the Lanzhi Grass to someone else, I wanted to steal it quietly. Anyway, the Lanzhi Grass has been at home for a long time, so it’s not of much use.”

Fu Tingyu said, “It’s fine. Thank you for your help during this period.”

Yan Shuang pretended to be angry and said, “We are brothers from the same Sect. It’s too polite to say thank you.”

Fu Tingyu nodded. “You’re right.”

At the hotel

Qin Shu had just packed her luggage when Fu Tingyu came back from outside, when he saw her carrying her luggage, he strode over and took the luggage from her. “I’ll pack it.”

Qin Shu couldn’t help but laugh. “I’m just packing, I’m not that delicate.”

The man put down her luggage and turned to hug the girl. "It's better to be delicate."

"There will be a banquet tonight, do you want to go?"

Although he was asking for her opinion, the man was unwilling to let her go to the banquet as he was afraid that it would tire her out.

Qin Shu could guess with her toes that Yan Shuang had invited her to the banquet, so she had to go.

"Yes, I would go, why not?"

The man knew from her tone that she was eager for him to bring her along.

He chuckled and raised his hand to scratch her nose.

The corner of Qin Shu's mouth lifted. "Do you think I should wear men's or women's clothing?"

The man said, "Men's clothing."

Qin Shu protested, "I want to wear women's clothing."

The man said, "Be good, wear men's clothing, there are many bad guys outside."

Qin Shu was speechless.

She couldn't help but complain in her heart, no matter how many bad guys were out there, none were able to act like a hooligan! like he did

The man made a call to Gu Yan.

"Are you free these two days?"

Gu Yan stopped flipping through the medical books and asked, "Is there anything important?"

"I've already found the Lanzhi Grass, if you have time, please go to Qi Hua."

"You found the Lanzhi Grass?" Gu Yan said in surprise, "It's not easy to find it, you can consider yourself lucky."

Fu Tingyu snorted, "Do you know who got the Lanzhi Grass?"

"Who?"

"The head of the Crimson Sand Organization."

Gu Yan lost his grip on the book in his hand and dropped it on the floor, he didn't have time to pick it up.

"The head of the Crimson Sand Organization? Why did he help you?"

"I don't know either, after he got the Lanzhi Grass, he gave it to her."

"Could it be a conspiracy?"

After hanging up the phone, Fu Tingyu frowned. The head of the Crimson Sand Organization?

Why did he help Babe?

At the banquet that night

Qin Shu once again wore a man's outfit, it was a formal tuxedo, she was dressed in all aspects, and it was difficult to tell that she was a woman.

In the end, she was left with a tie.

At this moment, the man in a suit walked over and took the tie from her hands. "I'll help you."

### **Chapter 729: Yan Shuang Invited Fu Tingyu to Dance**

Qin Shu had tied ties for the man a few times.

It was the first time that a man had tied a tie for her.

She raised her head and looked at the man who was tying her tie for her with a serious expression, the corners of her mouth unconsciously lifted.

After the man finished tying the tie, he helped her adjust her collar, then he began to size up her appearance in men's clothing, he clicked his tongue and said, "Luckily you're a woman, otherwise, I don't know how many women would be fascinated by you."

Qin Shu smiled and said, "Can I take that as a compliment from my husband?"

The man did not hesitate to compliment her, "My wife is very handsome, she has already caught up with me."

This sentence made the girl laugh.

After tidying up her appearance, they took a car and rushed to the hotel where the banquet was held.

The North Star five-star hotel was brightly lit

After Qin Shu got off the car with Fu Tingyu, she had just walked up the steps when she saw Yan Shuang standing on the steps in a black gown, when she saw them coming, she immediately came up to welcome them.

"Ling Yan, you're here."

When she saw the handsome youth dressed in a tuxedo beside him, she was a little surprised. "I didn't expect you to bring your younger brother here, I thought you didn't want him to attend such a banquet."

Fu Tingyu chuckled. "He's free in the hotel, so I brought him here for a stroll."

Qin Shu gave Yan Shuang a faint smile. "Hello, Miss Yan."

Yan Shuang smiled at him as well. Then, she looked at Fu Tingyu. "Let's go in first."

"Okay." Fu Tingyu nodded and led the girl in.

Yan Shuang walked in with elegant steps.

The banquet could not be separated from socializing.

Fu Tingyu came here to attend the banquet purely to show his courtesy to Yan Shuang, he need not socialize.

All his attention was on his wife.

When he walked into the banquet hall, there were already groups of people drinking and socializing.

Fu Tingyu stopped and said to Yan Shuang, "If you have something to do, you can go do your stuff, we will go and have some desserts."

"Aren't you going to meet them with me?" Yan Shuang glanced at the beautiful youth beside Fu Tingyu and smiled. "I can ask someone to show your brother around."

"Thank you for your kindness. I'll just take her there." After Fu Tingyu said that, he took the girl's hand and walked toward the dessert area.

Yan Shuang glanced at Fu Tingyu and looked at the hand that the two of them were holding together, her eyes were full of doubt.

Even if they were good friends, it was normal for them to put their arms around each other's shoulders, as for holding hands...

There was no one in the dessert bar.

Fu Tingyu held the plate and chose according to the girl's taste.

"The dessert is too sweet, I only picked three pieces for you."

Qin Shu glanced at the three small cakes on the plate, what else could she say?

Yan Shuang walked over at this time, a waiter followed behind her, the waiter had three glasses of red wine on his serving tray.

When she walked toward Fu Tingyu, Yan Shuang took the red wine on the tray, she handed one glass to Fu Tingyu, another one to the handsome young man, and the last one in her hands.

"My father didn't come to the banquet today, he's a little busy."

Fu Tingyu's gaze turned to the red wine in front of the girl, he stretched out his slender fingers and moved the red wine to his side, then, he asked the waiter to bring a glass of warm milk.

Qin Shu didn't plan to drink the red wine that Yan Shuang handed over. However, when she saw the man's action, the corners of her mouth couldn't help but lifted.

The waiter turned and went to get the warm milk.

Yan Shuang paused for a moment as she drank. She glanced at Fu Tingyu and then at the handsome young man, he seemed to be an adult.

She couldn't help but laugh, her smile was very appropriate. "Your brother should be an adult now, drinking some red wine isn't a big deal. When we were at Qi Mountain, although we were underage and didn't we drink secretly?"

Fu Tingyu glanced at the girl with a faint smile at the corner of his mouth. "She's not suitable to drink wine now."

"I can tell that you dote on your brother, I'm the only one in my family, and I don't have a brother to dote on me, I'm so envious of you," Yan Shuang said to him with a smile.

Qin Shu glanced at the man, a smile on her face.

At that moment, music started playing. Yan Shuang turned her head to look and realized that someone had already started dancing.

She retracted her gaze and looked at Fu Tingyu. "How about we dance together?"

Fu Tingyu looked at Yan Shuang when he heard that.

Qin Shu smiled and looked at Fu Tingyu. "I want to dance too."

Yan Shuang smiled and looked at the handsome youth. "If you want to dance, I can find you a partner."

Fu Tingyu said, "There's no need, I'll dance with her."

When she heard that, the corner of Qin Shu's mouth lifted even more.

Yan Shuang looked at Fu Tingyu in surprise. "You and your brother..."

Fu Tingyu put down the red wine in his hand and stretched his hand out in front of the girl, Qin Shu looked at the man and put her hand in his palm.

Yan Shuang watched the two brothers in front of her step onto the dance floor, and the doubt in her eyes deepened.

This was Qin Shu's first time dancing with a man, and she was wearing men's clothes, it felt quite exciting.

Fu Tingyu put one hand around the girl's waist and moved with the girl's dance steps, he leaned close to her ear and said, "You're pregnant now, for safety's sake, you can't move too much."

Qin Shuyuan glanced at the men and women dancing on the dance floor, the movements were not that big.

She retracted her gaze and looked at the man. "It's just dancing. I'm not that delicate."

The man heard her and looked at her with a smile that was not a smile. "Babe, do you think I'm too gentle at night?"

How could it be the same?

"Hooligan!" Qin Shu lowered her head and stopped looking at him. Instead, she focused on dancing.

Fu Tingyu looked at the girl's reaction and couldn't help but raise the corners of his mouth.

Dancing was usually a man and a woman, however, to outsiders, Fu Tingyu and Qin Shu looked like two men, when they danced, the visual impact was different.

In addition to their good looks, their dance moves were elegant and noble, attracting the attention of everyone present.

“This is the first time I’ve seen two men dancing. They are both very good-looking, I wonder which family’s Young Master they are?” One of the daughters of the Fu family had a look of amazement in her eyes.

Yan Shuang held a wine glass in one hand and stared at the figures on the dance floor for a long time.

“Yan Shuang, are they the guests you invited? Can you introduce them later?”

The daughter of the Fu family standing beside Yan Shuang couldn’t help but ask her.

When one of them asked, the other few surrounded her to ask.

“Yan Shuang, when did you meet these two men? I saw the temperament they gave off, they are not ordinary people.”

“How about introducing them to us, Yan Shuang?”

“Since they are Yan Shuang’s friends, they must have a deep relationship with Yan Shuang. I feel that the older one is a good match for Yan Shuang.”

The one who spoke was Yan Shuang’s good friend, Lu Ning.

Yan Shuang turned and looked at them indifferently. “They are my friends, it is a business collaboration relationship.”

“Yan Shuang’s friends are indeed not ordinary people, they are different from those rich and powerful Young Masters.”

“Of course. Yan Shuang is so outstanding, the friends she knows are not ordinary people.” Lu Ning smiled.

Yan Shuang retracted her gaze and looked at the two people who were still dancing on the dance floor, deep in thought.

### **Chapter 730: The Blindfolded Man Was Right Behind Her**

Halfway through the banquet, Fu Tingyu greeted Yan Shuang and brought the girl back to the hotel.

Yan Shuang couldn’t help but ask, “Ling Yan, is he your younger brother?”

Fu Tingyu replied, “No.”

Yan Shuang was stunned.

After saying that, Fu Tingyu turned and left.

Yan Shuang watched as the two figures in front disappeared at the entrance, she had yet to recover from Fu Tingyu’s words.

Outside the hotel

Qin Shu was already feeling sleepy.

“Are you sleepy?” The man stretched out his arm and pulled her into his embrace.

“I am a little sleepy, but dancing with you is quite fun.” Qin Shu leaned into the man’s embrace and raised her chin to look at him with a smile in her eyes.

The man lowered his eyes. “If you want to dance, I will accompany you after the baby is born, right now, it would be too dangerous.”

Qin Shu learned her lesson this time and didn’t say anything about dancing.

Back at the hotel

Qin Shu washed up and went to sleep.

Fu Tingyu waited for her to fall asleep before he went to the bar to turn on his laptop and deal with the matters in the company.

The next morning

Fu Tingyu, Qin Shu, and the others left the hotel and rushed to the airport.

Yan Shuang personally came to the airport to send them off.

Qin Shu glanced at the two people not far away, they were a little further away, so she didn’t know what they were talking about.

At this time, her phone rang.

She took out her phone and looked at the screen, she knew that it was from that man.

[ Stranger: I’m not far away. ]

After reading the content, she subconsciously looked up and glanced around, in the waiting lounge, there were quite a lot of people.

After looking for a while, she didn’t see that man.

The message rang again.

She lowered her head and looked at her phone.

[ Stranger: There’s no need to look, you can’t see me, if there’s anything, you can look for this number. ]

She frowned and raised her head to look for a while in the waiting lounge, but she still could not see the man’s figure.

Although he said that he would not touch Fu Tingyu, she was still afraid

Yan Shuang was wearing a professional suit today, she looked mature and capable from top to bottom.

“It’s different when I work with Senior Brother. I feel much more relaxed,” she said with a smile.

Fu Tingyu said, “Junior Sister, you’re joking. I should be the relaxed one.”

“Senior Brother is too modest.” Although she knew that it was Fu Tingyu’s modest words, Yan Shuang was still very happy to hear it.

After Fu Tingyu and Yan Shuang chatted for a while, they returned to the girl’s side.

Qin Shu glanced at Yan Shuang, who was not far behind the man, and said in an unfriendly tone, “Are you done chatting?”

The man did not detect the sourness in the girl’s tone, he responded with a “Yes” and then did not continue.

Qin Shu asked, “What did you guys chat about?”

The man said, “Nothing much, it’s just work-related matters.”

Qin Shu was speechless.

When they boarded the plane, Qin Shu turned to take a look and realized that Yan Shuang was still standing there.

When she retracted her gaze, she saw a slender and lean figure standing behind the pillar, was it that man?

With a glance, before she could get a clear look at the other party’s appearance, she was pulled into the man’s embrace and walked in.

The figure disappeared at the entrance.

Yin Shi looked at his Master and kept his eyes on the boarding gate, He could not help but ask, “Master, who is she?”

It was not until the girl’s figure could not be seen that the man retracted his gaze and looked at Yin Shi.

Yin Shi lowered his head. “Master, sorry I have asked too many questions.”

After a long silence, the man said, “It’s okay to tell you.”

Yin Shi looked up at his Master, feeling a little flattered.

It was four o’clock in the afternoon when they arrived at the Qi Hua Hotel, they stayed in the same five-star hotel as before.

After they checked into the hotel

Fu Tingyu and the others had dinner first.

Qin Shu had already been hungry, when they were on the plane, she felt dizzy and could not eat. Now that she got off the plane, she felt better.

Fu Tingyu poured a glass of white wine for the girl and placed it in front of her. “Gu Yan’s plane is tonight, he will arrive tomorrow morning.”

“So soon? Then I’ll call Han Xiao and tell him that I’ll go look for him tomorrow.”

As Qin Shu spoke, she took out her phone and made a call to Han Xiao.

The man placed his hands on the dining table and stared at her with his dark eyes, he had a complicated expression on his face.

The call was picked up very quickly. "Qin Shu, did he bully you?"

After Qin Shu made that call the last time, Han Xiao kept thinking about this matter, he was not afraid of anything except that Fu Tingyu would bully her, and he was not aware.

"No, no, how could he bully me?" Qin Shu glanced at the man across from her, the man's expression was solemn, she smiled and said, "Let me tell you the good news. I found the Lanzhi Grass."

Han Xiao was stunned, he could not believe it.

Qin Shu said again, "I am now in Qi Hua, tomorrow when Gu Yan arrived, I will bring the Lanzhi Grass to look for you. As for the doctor, I could only trust Gu Yan."

After a long while, Han Xiao finally reacted, "Thank you."

Actually, he had a lot to say, but once he said it, it was just these words.

"You don't have to say thank you, these are things that I should do. On the other hand, I should be thanking you, not everyone can risk their lives for their friends."

Han Xiao knew that Qin Shu was feeling guilty, he wanted to say something, but he heard her say, "So between friends, there's no need to say thank you."

Han Xiao nodded his head heavily. "Uh-huh."

Hua Wuyan, who was standing by the side, listened until Han Xiao hung up the phone. He then asked, "Brother Han, did Little Munchkin called?"

Han Xiao held his phone and looked at Hua Wuyan. "Uh-huh, she said that she has already found the Lanzhi Grass."

Hua Wuyan looked at him in surprise. "Really? Then Brother Han, won't your leg be better?"

"She's here in Qi Hua." Han Xiao was naturally happy that his leg could get better, but he just couldn't be happy.

On the contrary, Hua Wuyan was much more excited than Han Xiao.

"She's here in Qi Hua? Then she's on her way now, or has she already arrived at the hotel?"

"She'll come with Gu Yan tomorrow." Han Xiao looked at the excited Hua Wuyan. Ever since his leg was injured, Hua Wuyan had been running around for him, spending a lot of time and energy.

"Gu Yan will come too, that's great, his medical skills are really good." Hua Wuyan could not wait to let Han Xiao's leg heal quickly.

Han Xiao stared at Hua Wuyan for a while, then he looked at the computer in front of him.

..

Qin Shu hung up the phone, now that everything was ready, is a matter of time, she was not completely relieved yet.

When she looked up, she found that the man had been staring at her, she asked curiously, "What's wrong?"

"Nothing, go and rest for a while." The man stood up and came in front of her, he held her hand, and Qin Shu also stood up and followed the man into the room.

When she was lying on the bed, the man was sitting by the bed.

Qin Shu stared at the man for a long time.

The man's slender fingers scratched her nose. "What are you looking at? Aren't you going to sleep?"

Qin Shu grabbed the corner of the blanket with both hands and stared at the man. "Can you tell me about what happened on the Qi Mountain?"

The man: "Get some sleep."
