

BIGSHOT MR. FU S WIFE IS SWEET AND WILD

Chapter 10

A Small Matter

Qin Likun and his wife were stunned by Qin Jianxi's words. They obviously didn't expect her to say such things.

Immediately after, Qin Likun was furious. "Qin Jianxi..."

Qin Jianxi glanced at him lazily and said, "Don't be so loud. I can hear you. If there's nothing else, I'll go upstairs."

In the past few hours, the journey in her heart had made her very tired. People who didn't transmigrate would look forward to transmigrating, but when they really did transmigrate, that feeling... It wasn't very wonderful.

"Qin Jianxi, what's with your attitude?" Qin Likun roared angrily, "Qin Jianxi, don't talk nonsense to me. I think you've become more daring. Tell me, why did you hit Han Xu? Why did you tell Elder Han that you want to break off the engagement? You dared to ask Elder Han for money, you sure are capable!"

Qin Jianxi glanced at him with a nonchalant expression. She replied, "You got the news pretty quickly."

Qin Likun looked at her and got angry. He demanded, "You tell me."

Qin Jianxi raised her eyebrows and asked, "Tell you what? About me beating up that Han boy? That's because he deserves a beating."

Her words shocked the Qin family. They never thought that she would be so arrogant.

Qin Jianxi glanced at them and sneered, "As for why I broke off the engagement, he's such a weakling that he can't even beat me. He even has a mistress by his side. If I don't kick this kind of man, there's no need for me to hold onto him. As for asking Elder Han for money, of course, it was this old man's fault. I saved his life back then, what's the point of giving me such a useless grandson? Anyway, this marriage is not going to happen. If he wants to show his gratitude, isn't it normal to give me some money?"

"You..." Qin Likun almost vomited blood.

"Alright, it's not a big deal. Isn't it just breaking off the engagement? What's there to make a fuss about? If you can't bear to part with this marriage, don't you still have Qin Jianfei? Just let her marry him. Of course, whether she can make that Han guy like her or not will depend on her ability. However, this matter probably won't be difficult for her. After all..." The corners of Qin Jianxi's lips curled up and she continued, "When it comes to seducing men, her genes should be pretty good."

Zhu Jing was angered by her words. She didn't think that Qin Jianxi, this idiot, would actually dare to insult her with insinuations.

"Qin Jianxi, you're too much. I've treated you well all these years..."

Qin Jianxi looked at her and sneered, "Whether you treated me well or not, don't you know it yourself?"

"You evil creature, how dare you speak to your mother like this? If I don't beat you up today, you won't learn your lesson." As Qin Likun spoke, he strode over to Qin Jianxi.

Qin Jianxi saw him rush over with his raised palm. When she saw the hidden smile on Zhu Jing's face, Qin Jianxi snorted inwardly and moved two steps to the side.

When Qin Likun saw her actions, he became even angrier. He shouted, “You still dare to dodge?!”

He quickly walked in front of Qin Jianxi and swung his raised palm...

“Pa!”

A loud sound was heard.

Qin Jianxi dodged the attack perfectly. She smiled and said, “Mr. Qin, you hit your precious daughter. Tsk, you’re really ruthless. Look, her face is swollen now.”

Qin Likun was dumbfounded. He stared at her and realized that he had really hit his second daughter, Qin Jianfei. Her face was red and swollen, and there was blood at the corner of her mouth. His heart ached for her.

He glared at his eldest daughter with contempt in his eyes. “Qin Jianxi, are you tired of living? How dare you hit your younger sister...”
