

## Bigshot 1031

### Chapter 1031 Threat, To Peking University

Qin Sheng took a sip of tea. "If I can't pass the test, I'll go back to class obediently and not miss a single class. If I pass, I won't have to listen to the class anymore."

The Principal did not agree immediately. His brows were tightly furrowed. He kept feeling that Qin Sheng was digging a hole for him to jump into.

Qin Sheng smiled. "Uncle Principal, this is a good way to test if I've passed the test. If I pass, it means that I don't have to waste my time in class. If I don't pass, then I have to go back to class, right?"

The Principal felt that Qin Sheng's words made a lot of sense.

However, if Qin Sheng skipped a grade, she would leave the school early, and her contribution to the university would be less, right?

Qin Sheng raised an eyebrow. She could tell what the Principal was thinking.

She smiled. "Uncle Principal, the principal of Peking University said that I'm always welcome to go there."

The veins on the Principal's forehead were throbbing. He did not expect Qin Sheng to use this to threaten him.

Would he dare to disagree?

If Qin Sheng went to Peking University, who would he cry to?

Qin Sheng was full of treasures. She had only been at Imperial Capital University for a semester, but she had already won three honors for Imperial Capital University.

This honor was an achievement that most people would never be able to achieve in their entire lives.

Qin Sheng had already solved two of the world-class most difficult problems.

Qin Sheng's voice was unhurried. "Imperial Capital University and Peking University are on par. If I make this request, I believe the principal of Peking University won't disagree. He won't be like you, Uncle Principal."

"Alright, alright, alright. I guess I'm afraid of you." The Principal raised his hands in surrender.

This was the first time he had been suppressed by a student. Usually, when the students saw him, which one of them didn't treat him with respect?

Only Qin Sheng would treat him like this, but he was helpless against Qin Sheng.

The Principal still did not want to let Qin Sheng off so easily. "But I have one condition."

Qin Sheng raised an eyebrow.

"You have to get an average score of more than 90 points, not fail. Qin Sheng, with your brain, it shouldn't be too difficult for you to get such a small score."

“Sure.” Qin Sheng agreed without any hesitation. “Uncle Principal, can I take the exam the day after tomorrow?”

“I’ll make the arrangements,” the Principal said helplessly. “You should prepare yourself and come for the exam the day after tomorrow.”

The office door was closed.

The Principal looked very pleased with himself. He had always been at a disadvantage in front of Qin Sheng, but this time, Qin Sheng had finally fallen into his trap.

The exam papers set by Imperial Capital University were extremely difficult.

Apart from Fu Hanchuan, there was no one else who could achieve an average score of 90 in every exam.

Usually, it would be considered very good if the students could get 80 points.

There were thousands of students who failed every year.

The Principal picked up his phone and instructed, “Dean Li, please arrange for Qin Sheng to finish her medical exams for the next four years. She’ll be given a question for each subject. Try to cover as much content as possible. Also, try to make it as difficult as possible.”

It was exam week the next week, and all the courses at Imperial Capital University had ended. This period was for the students to review.

Zhao Xiang came out of the library with her textbooks. She was about to head to the cafeteria for lunch when she saw Qin Sheng walking toward her.

“Qin Sheng,” Zhao Xiang called out to Qin Sheng.

Qin Sheng stopped in her tracks. “What’s the matter?”

Zhao Xiang sneered. “It’s almost time for the final exams. Qin Sheng, aren’t you going to study? Do you really think that you can get first place even though you’ve never read any textbooks?”

Chapter 1032 Not Qualified to Take the Exam With Her

“Zhao Xiang, isn’t getting your face slapped enough?” Qin Sheng asked with a raised eyebrow.

Zhao Xiang’s expression froze. Every time she caused trouble for Qin Sheng, she would always end up in a bad state.

However, she had been studying for the entire semester. She was even more hardworking than she was in high school. How could she be inferior to Qin Sheng, who was immersed in experiments all day and did not even attend class?

“Qin Sheng, I’ll definitely not lose to you this time!”

“Is that so?” Qin Sheng chuckled. Her gaze was disdainful, and she did not think much of Zhao Xiang.

“Zhao Xiang, you’re not qualified to take the exam with me. Don’t worry, I won’t fight you for first place.”

With that, she did not bother with Zhao Xiang and left.

Zhao Xiang was so angry that she was trembling. She gritted her teeth. What did she mean by not qualified?

She wanted to see if she or Qin Sheng was better at the exam this time.

At 8 a.m. on the third day, the 120 questions were completed and printed on 12 papers. Each paper had 10 comprehensive questions.

As the questions were difficult and there was a lot of content to be written. There was a lot of blank space at the back of each question for Qin Sheng to answer.

Qin Sheng was the only one in the huge classroom. Dean Li of the Medicine Department had come to invigilate the exam in person, and there was also an invigilator, Qiu Rifan.

There was a small stack of test papers on Qin Sheng's desk.

Dean Li smiled. "Qin Sheng, there's no need to rush. You just have to finish it within two days."

These questions were difficult questions that each teacher had racked their brains to come up with. It was extremely comprehensive. As long as one was not careful, they would be stuck.

Dean Li had seen these questions before. He had a certain level of attainment in the medical field. Even a medical genius like Gao Yongliang had to respect him.

Even so, some of the questions in the test paper had stumped Dean Li.

However, these problems were in line with the Principal's intentions.

His goal was to defeat Qin Sheng so that she would attend the class in peace. She would not have to jump straight to the fourth year and he could let Qin Sheng stay in school for a longer time.

The Principal's plan was very well thought out, but he was destined to be disappointed.

Dean Li naturally did not want Qin Sheng to graduate so early. After all, it was rare for such a genius to appear in their university. Naturally, he wanted Qin Sheng to graduate later.

This way, Qin Sheng would have more time to stay in the school and make more research contributions to the school.

"Alright," she said. Qin Sheng agreed. However, she was thinking that two days was too long. Qin Sheng did not want to come back the next day to continue with the exam.

Dean Li first brought the nine test papers to the podium. "Qin Sheng, you'll do those three test papers in the morning. It's enough. Professor Qiu, please monitor Qin Sheng's exam first. I'm going to rest for a while."

He had been busy with his research last night and had only slept for two hours. Now, he was so sleepy that he could barely open his eyes.

It would take Qin Sheng at least three hours to finish all the papers.

He could have a good sleep.

However, what Dean Li did not notice was that Qin Sheng only used about two minutes to think about each question, and the other minute was used to write down the answers.

Qin Sheng had almost always maintained this speed.

Qiu Rifan was also involved in setting the questions, and he was the one who set the first question that Qin Sheng did.

Back then, he had also made it difficult. It took him a whole day to find information before he came up with that question. It contained knowledge points and a lot of extracurricular content.

And Qin Sheng had only used three minutes to answer it?

Chapter 1033 Not An Ordinary Person's Speed

Qiu Rifan thought that Qin Sheng was filling in the form randomly. He walked closer and looked at Qin Sheng's answers. They were densely packed together. Qin Sheng's handwriting was unruly and illegible, but it was easier to recognize the content.

Qiu Rifan immediately saw the results.

He was stunned. Qin Sheng had already calculated it?

Only three minutes?

Qiu Rifan read from the beginning to the end. Qin Sheng's steps were not wrong, and some of the knowledge points used could simplify the difficulty of the problem.

Most of the knowledge she used was extremely professional in medicine, and some of it was very remote.

Qin Sheng had even finished learning all the medical knowledge outside of school?

If he had not seen it with his own eyes, Qiu Rifan would not have believed that Qin Sheng had really solved the questions in three minutes. He would have suspected that Qin Sheng had read the questions in advance.

The questions had only been given to Dean Li by the teachers this morning, and Dean Li had printed them out, so it was impossible for Qin Sheng to have gotten the questions in advance.

Qiu Rifan could not help but sigh. No wonder Qin Sheng did not come to class. She had probably finished all the courses and knew how to integrate them.

Qin Sheng's writing speed was very even after that, and her writing speed was even faster.

Qiu Rifan could not help but ask, "Qin Sheng, do you want to take a break?"

"No need."

"Aren't you tired of writing like this?" Qiu Rifan asked.

"No." Qin Sheng shook her head. "I'm already used to it."

Hand speed was extremely important to a hacker. Usually, she could play on the computer at expert speed for four hours in a row, not to mention that she had only been writing for slightly more than an hour.

Qiu Rifan could only shake his head when he saw that Qin Sheng did not slow down.

He did not understand the world of a pervert like Qin Sheng.

If Qin Sheng had maintained this speed, she should be able to finish the papers by today.

Qiu Rifan had been staring at Qin Sheng's test paper, and the more he looked, the more shocked he became.

It was no wonder Qin Sheng was able to come up with that research on immune cells.

An hour and a half had passed since the start of the exam. Qin Sheng walked up to the podium with three papers in her hands.

"Dean Li," Qin Sheng greeted politely.

Dean Li woke up. He had just woken up and was still a little dazed. "Qin Sheng, is there a problem?"

"I'm already done, so I can take the others."

"It's done, good..."

Dean Li's next words were suddenly stuck in his throat, and he woke up. "You're done? Qin Sheng, Are you sure?"

"Yes." Qin Sheng nodded.

Dean Li quickly opened the papers that Qin Sheng had handed in. They were densely packed, and he was seriously reading through them with his glasses on.

He had forgotten to give Qin Sheng the next few test papers.

Qin Sheng frowned. "Dean Li, I'll take the remaining exams over."

Dean Li's eyes were almost glued to Qin Sheng's test paper. He only waved his hand and did not even look at Qin Sheng again. go on.

Dean Li could not answer the question in a short time just by looking at it. But after seeing Qin Sheng's answer, his train of thought began to clear up.

He saw one every ten minutes.

However, even though he was just able to understand the answer, he was still far behind Qin Sheng's speed in answering the questions.

An hour and a half later, Dean Li finally finished looking at the ten questions. There were twenty questions left.

He looked at Qin Sheng, who was still doing the questions.

Dean Li pushed his glasses up the bridge of his nose. They were right. Qin Sheng had only used slightly more than an hour to hand in this test paper. Up until now, he had not seen a single mistake. She was so fast and accurate. This was not the speed of an ordinary person.

Chapter 1034 Score Below 90 Points

Two hours later, Qin Sheng still had not handed in her test paper.

Dean Li glanced at where Qin Sheng was sitting and could not help but ask, "Qin Sheng, don't you need to go for lunch?"

Qin Sheng did not even raise her head. "I don't need it yet."

Dean Li could only let Qin Sheng do as she pleased.

About four hours later, Qin Sheng came back with the test papers.

When Dean Li took Qin Sheng's test papers, he felt that there were more than six papers in his hands, and he did not doubt it.

Dean Li looked at the time and then said, "Qin Sheng, it's almost two in the afternoon. You can come back in the afternoon for the remaining three exams."

Qiu Rifan coughed lightly. "Dean Li, Student Qin Sheng is done."

Dean Li's eyes widened in disbelief. "It's done?" he asked.

He flipped through Qin Sheng's test paper. It was filled to the brim, and not a single question was left.

Dean Li, "..."

It had only been four hours since the start of the exam, and Qin Sheng had already finished all of them?

One must know that there were 120 questions in this exam, and each of them was a comprehensive question that covered a lot of knowledge points and was extremely difficult.

He had given Qin Sheng two days, and he was worried that it would not be enough time.

And now, he was told that Qin Sheng had only used four and a half hours to finish all 12 papers?

Dean Li adjusted his glasses and looked at Qin Sheng. "Qin Sheng, are you sure you don't need to check it again? After all, the questions here can't be solved by ordinary people in three to four days."

"No need," Qin Sheng rejected him.

Dean Li could only let Qin Sheng do as she pleased. He put away the test papers and said, "Okay, then, Qin Sheng, the results will be out by tomorrow afternoon. If your total score doesn't exceed 90 points, you'll have to come back to class next semester."

Qin Sheng responded and left.

The exam this time was indeed very difficult. Otherwise, she would not have spent two minutes thinking about it. However, Qin Sheng was not worried that she would not be able to pass. As long as she filled in the questions, she could guarantee that she would get them right.

If she didn't know how to answer the questions, she would leave them blank.

Dean Li asked the teachers to send him the answers to the questions. He looked at some of them and felt a headache coming on. Qin Sheng had used many different methods to solve the questions in the exam.

If it was just him alone, even if he didn't sleep for the whole night, it would be impossible to finish.

Dean Li could only take a picture of each question, including the answer, and then distribute it to each teacher who came up with the question.

The next morning, all the results were out.

When Dean Li saw the overall score, his expression was one of indescribable shock.

Did he and the Principal dig a hole for her to jump into?

This was great. Qin Sheng could jump to the fourth year openly and did not need to go to class.

Dean Li had also suffered a huge blow. He had studied medicine for most of his life, but he still couldn't compare to an 18-year-old student.

Less than ten minutes after the results came out, the Principal called Dean Li again.

From yesterday until now, the Principal had called Dean Li no less than four times. Naturally, he was there to ask about Qin Sheng's results.

As soon as Dean Li picked up, the Principal asked impatiently, "How is it? Are Qin Sheng's results out yet?"

Dean Li's voice was weak. "It's out."

The Principal asked, "How are Qin Sheng's results? Is it less than 90 points?"

Without waiting for Dean Li to answer, the Principal continued, "I told you, Qin Sheng is indeed amazing, but our Imperial Capital University's questions aren't easy either. Qin Sheng, there's no reason for her to jump straight to the fourth year this time, right?"

Chapter 1035 The Mother of the Rich Second-Generation Boyfriend

Dean Li coughed. "Principal, you've misunderstood. Qin Sheng has already taken the exam. She even got a perfect score."

Qin Sheng answered the questions perfectly. She even used every punctuation mark correctly. There were no typos or scribbles on the entire test paper.

There was no way for the teachers to find a point to deduct points.

When the Principal heard that, he was stunned. His eyes widened in disbelief. "Full marks? Didn't they say that those teachers always try to find trouble?"

Usually, there were thousands of people who failed in Imperial Capital University, and there were almost no students who could score more than 90 points in a single subject.

Now, Qin Sheng had gotten full marks in these papers, which were several times more difficult than the usual ones?

The Principal could not believe it.

“Principal,” Dean Li said with a frown, “Student Qin Sheng can even solve those world-level problems so easily. Perhaps the difficulty of these questions is only considered average to her?”

The Principal sat on his office chair helplessly. “Dean Li, try your best to let Qin Sheng take her PhD so that she can stay in school longer.”

Dean Li’s brows were still furrowed. “Principal, will Qin Sheng be like Fu Hanchuan’s, publishing three papers in a row and then getting her PhD certificate?”

A good thesis could take a student a year.

However, with Qin Sheng’s attitude, it was not impossible for her to write three sensational papers in a row.

The Principal was speechless.

His heart ached so much that he didn’t want to talk anymore, so he hung up the phone.

— —

Shen Jiayue was usually very high-profile and would often show off. In just two months, the news that she had a rich second-generation boyfriend could be said to be known to the whole school.

Shen Jiayue usually dressed extravagantly.

To students from ordinary families, she was very arrogant and had her nose in the air.

She didn’t even have the mood to study.

That afternoon, Gao Yunping sent Shen Jiayue back to the dormitory.

Shen Jiayue suddenly stood on her tiptoes and wrapped her arms around Gao Yunping’s neck. The two of them kissed naturally.

“Gao Yunping!” A woman’s voice rang out.

When Gao Yunping heard the familiar voice, he was stunned for a moment before he quickly pulled Shen Jiayue away.

His eyes were flustered. “Mom.”

Shen Jiayue was confused by Gao Yunping’s action of pushing her away. When she came back to her senses, she politely shouted, “Auntie.”

Mrs. Gao sneered and looked at Shen Jiayue. “You’re the vixen who seduced my son?”

Shen Jiayue’s lips curved into a smile. “Auntie, did you misunderstand something? I’m Brother Ping’s girlfriend.”

Gao Yunping's mother sneered. "Girlfriend? Oh, then Shen Jiayue, do you know that he has a fiancée?"

Before Shen Jiayue seduced Gao Yunping to bed, she had already inquired about Gao Yunping's affairs. She did know that Gao Yunping had a fiancée.

However, his fiancée was short-tempered, average-looking, and fat. Gao Yunping had always looked down on his fiancée, and one day, he would call off the marriage.

She did not need to worry about Tang Xinlan.

Shen Jiayue was used to acting. She was stunned and looked at Gao Yunping. "Brother Ping, why didn't you tell me that you have a fiancée?"

At this time, Tang Xinlan rushed over.

She pulled Shen Jiayue over and gave her a slap across the face. "You dare say you don't know? Even if you don't know about me and Yunping, many people do. I don't believe they won't tell you. I'll make you pretend to be deaf!"

"Also, Shen Jiayue, you've been mocking me for the past two months, and now you dare to put on an act with me?"

Chapter 1036 Slandering Her With a Fake Photo

Shen Jiayue's face was smacked, and her face immediately fell to the side.

Tang Xinlan's strength was not light, and Shen Jiayue's face was almost red and swollen.

Gao Yunping's mother did not stop her.

The Tang family was rich, and Mother Gao wanted Tang Xinlan to be with Gao Yunping. As for Shen Jiayue's background, in Mother Gao's eyes, Shen Jiayue was just a woman who was greedy and vain.

Mother Gao was naturally on Tang Xinlan's side.

Shen Jiayue held one side of her face, her eyes red. "Miss, I really don't know. Did you misunderstand something?"

Tang Xinlan crossed her arms and sneered, "Shen Jiayue, you're acting. I'll let you continue acting. With your acting skills, it's a pity that you're not an actress."

Shen Jiayue bit her lip. At this moment, there were already many people around her, pointing at her and whispering.

"Miss, I'm sorry. I didn't mean to steal Brother Ping away. If I had known that he had a fiancée, I would never have been with him."

Tang Xinlan sneered, "Alright, then you should leave Yunping immediately."

Gao Yunping kept winking at Shen Jiayue.

He wanted Shen Jiayue to agree.

However, his actions were completely ignored by Shen Jiayue.

Shen Jiayue clenched her fists and lowered her head. "I... I don't want to leave Brother Ping. I like her."

Tang Xinlan was so disgusted by Shen Jiayue's white lotus-like appearance that she almost vomited.

"Well, you said you really like Gao Yunping, right? You didn't do it for his money. Hehe, do you want me to show you the evidence before you admit it?"

Shen Jiayue felt a strong sense of foreboding, but before she could react, Tang Xinlan took out a stack of photos and threw them at her face.

The photos fell to the ground.

There were bed photos of Gao Yunping and Shen Jiayue, and some photos of Gao Yunping taking Shen Jiayue to branded clothing stores, jewelry stores, and eating in high-end restaurants.

When Shen Jiayue saw the photos on the ground, she was completely stunned.

Her mind was filled with questions. How did Tang Xinlan get these photos?

Shen Jiayue's mind was blank, and she couldn't think anymore. When she came back to her senses, she quickly squatted down and picked up the photos.

"These are all fake, you can't look at them. Tang Xinlan, how dare you slander me with fake photos!"

However, there were too many photos. Shen Jiayue took a full three minutes to pick them up, and by then, the students who were watching had already seen everything they needed to see.

However, because many of the photos were very explicit, many students turned their heads away and did not look at them.

Mother Gao did not expect Tang Xinlan to show these photos in front of everyone as it would have a bad impact on her son.

Finally, she stopped scolding Tang Xinlan.

The Gao family was indeed in the wrong in this matter.

Moreover, these things would have the biggest impact on Shen Jiayue. As for Gao Yunping, he would only have a reputation of being a playboy.

When Shen Jiayue picked up the last photo, Tang Xinlan stepped on it with one foot and looked down at Shen Jiayue.

Shen Jiayue raised her head and met Tang Xinlan's disdainful gaze.

Shen Jiayue clenched her fists tightly, her eyes filled with hatred for Tang Xinlan.

What right did Tang Xinlan have to look down on her?

Tang Xinlan went to a third-rate school. Other than having a better background, how could she be better than her?

"Tang Xinlan, what do you mean by this?"

Tang Xinlan sneered, "Shen Jiayue, you still dare to say you don't know me? If you don't know me, how can you recognize my name? Hehe, aren't you brainless?"

Chapter 1037 Choose, One Out of the Two

The people around them started to discuss after hearing Tang Xinlan's words.

From the beginning, Tang Xinlan was in a strong position and was aggressive, but they couldn't sympathize with Shen Jiayue.

Most of the onlookers were girls. They were born to hate being third parties and white lotuses, not to mention Shen Jiayue's often high and mighty appearance.

Tang Xinlan had one foot on the photo and refused to let it go. Shen Jiayue bit her lip and decided not to pick it up.

She stood up with red eyes and a wronged expression.

"I like Brother Ping, what's wrong with sleeping with him? Brother Ping bought me luxury goods on his own initiative. I didn't ask him to buy them. Besides, shouldn't a boyfriend give his girlfriend gifts?"

Tang Xinlan sneered. "The clothes you're wearing and the Chanel bag were given to you by Yunping, right? and you're still saying that you're not with him for his money?"

"I don't care if you really like him or not. It's a fact that you're with my fiancé. Of course, I'm not an unreasonable person. If you two really like each other, I'll agree to let you two be together."

Mother Gao panicked. "Xinlan, you don't have to give in. You're the daughter-in-law of the Gao family. Shen Jiayue will never be able to enter the Gao family."

Tang Xinlan's family background was very good. If the Gao family had the Tang family's help, the company would be able to develop further.

Mother Gao did not want Tang Xinlan and Gao Yunping to separate.

"Auntie, if Yunping really likes Shen Jiayue, even if we're together, the two of them might be having an affair outside. I have to ask clearly. If they're in love with each other, then I might as well fulfill their wishes."

Mother Gao immediately glared at Gao Yunping. "Hurry up and apologize to Xinlan."

Tang Xinlan sneered and said, "Tell me, do you choose me or Shen Jiayue? If you like Shen Jiayue, you can be together openly."

Shen Jiayue looked at Gao Yunping with hope.

Gao Yunping avoided Shen Jiayue's gaze. He was with Shen Jiayue only because she suited his taste and he was just playing with her. He had never taken her seriously.

Moreover, he had been with Shen Jiayue for almost two months, and he was already a little sick of her.

Gao Yunping answered without thinking, "I don't like Shen Jiayue. It's just that she seduced me. I'm young and hot-blooded, and I couldn't hold it in for a while. That's why I was charmed by Shen Jiayue."

Shen Jiayue didn't expect such an answer from Gao Yunping. He didn't care about her feelings at all.

She widened her eyes and asked in a questioning voice, "Gao Yunping, how can you say that?"

Gao Yunping sneered, "Shen Jiayue, you dare to say no? At that time, I was drinking in the bar. Who took me to the hotel and climbed into my bed? Who was the one who said that she was willing to accompany me without asking for any compensation and that I could leave at any time?"

Shen Jiayue couldn't refute him.

However, she still grabbed Gao Yunping's hand and was unwilling to let go. Tears fell from her face. "Brother Ping, I gave you my first time. Because of you, my reputation is ruined. You can't do this to me."

Gao Yunping was very impatient. What an idiot. Even if they were not together on the surface, she could still come secretly.

He didn't expect her to still be pestering him.

Chapter 1038 Fighting

"Let go!" Gao Yunping shook off Shen Jiayue's arm, causing her to stagger and fall to the ground.

She was wearing a short skirt that reached her thighs, and there were some small stones on the ground that directly wounded her knees.

Shen Jiayue was in so much pain that tears kept falling from her eyes. This time, she wasn't pretending.

Clap, clap, clap!

Tang Xinlan clapped her hands. "How wonderful."

A relaxed smile appeared on her face. Her marriage with Gao Yunping was actually agreed upon by the parents of both parties. Gao Yunping's private life was a mess, and Tang Xinlan did not like him.

She had been looking for evidence that Gao Yunping was with other women.

However, Gao Yunping had always done it in secret, so she had very little evidence in her hands. It was only when Shen Jiayue appeared that she had a chance.

In the past two months, she had specially hired a private detective to collect evidence.

"Gao Yunping, I'll tell my father that our wedding is canceled. In the future, you don't have to act secretly with any woman you want to be with."

Gao Yunping didn't like Tang Xinlan either, and what she said was exactly what he wanted.

He did not stop Tang Xinlan from leaving.

Mother Gao was taken aback and quickly pulled Tang Xinlan back. "Xinlan, you child, didn't Yunping promise to break up with Shen Jiayue? He had also admitted his mistake. Why do you still want to call off the marriage?"

Tang Xinlan didn't give Mother Gao any face. "Gao Yunping has been with so many women. If he breaks up with Shen Jiayue, there will be another Shen Jiayue. I don't want to marry into your family and suffer such grievances."

Tang Xinlan looked at the photos on the ground that had fallen because of Shen Jiayue's fall. "I think my father will agree to cancel the marriage when he sees these photos."

Tang Xinlan pulled Mother Gao's hand away with great strength and strode away.

Mother Gao loved Gao Yunping very much and couldn't bear to hit or scold him, so she vented all her anger on Shen Jiayue.

She walked over and pulled Shen Jiayue up. "It's all your fault, you vixen! I'll tell you to seduce my son!"

Slaps kept landing on Shen Jiayue's face, and she was very heavy-handed.

Shen Jiayue dodged for a while, but she couldn't escape. She knew that Gao Yunping would never be with her again, so she simply fought back.

The two of them started to fight.

Gao Yunping had a headache. He didn't want to stay here and lose face, so he left early.

Shen Jiayue and Mother Gao's hair was in a mess, and the students who were watching pulled them away. The security guards also rushed over.

There were already several red scratches on Shen Jiayue's face, and blood was seeping out of the wounds. It was a terrifying sight.

Mother Gao's situation was not any better.

She glared at Shen Jiayue and wanted to go up and fight her, but she was stopped by the security guard.

Mother Gao was furious.

She knew that Gao Yunping had had many women, but he had always been sneaky and cautious. Generally speaking, Tang Xinlan would not know about Gao Yunping's affairs.

She didn't expect Shen Jiayue to make her son spend money on her and make him send her back to Imperial Capital University without any hesitation.

She could only say that Shen Jiayue's means were really powerful.

Mother Gao didn't want to let Shen Jiayue go so easily, so she went to Imperial Capital University's Political Education Office to complain.

"I don't care. You have to deal with Shen Jiayue. If you keep such an immoral student, I can only say that Imperial Capital University is nothing more than this," Mother Gao said in an aggressive tone.

The head of the Political Education Department was having a headache. This was the first time he had encountered such a troublesome matter.

Chapter 1039 I Like You

“I’ll never agree to it if Shen Jiayue isn’t expelled,” Mother Gao continued.

She was trying to kick Shen Jiayue out of Imperial Capital University.

“Mrs. Gao, it’s Shen Jiayue’s fault, but your son is also at fault,” the director said helplessly. “They were together willingly. I’m sorry, but we can’t expel Shen Jiayue. We can only punish her.”

The punishment was also a very serious punishment.

This punishment would be kept in the file and would follow a person for the rest of their life. Many companies would not hire people who had been punished, no matter how rich their resume was.

Mother Gao sat on the chair and refused to leave. “No, she has to be expelled. Otherwise, I won’t leave.”

The head of the Political Education Department didn’t relent.

In the end, he contacted Father Gao and asked him to take Mother Gao away.

Father Gao was naturally angry as well. The wedding with the Tang family was canceled just like that and the Tang Enterprise also withdrew from the cooperation with his company.

But he was helpless.

Father Gao was also a prideful person. He was dissatisfied with the school’s decision, but he didn’t dare to say anything.

Someone had recorded the argument between Tang Xinlan, Mother Gao, and Shen Jiayue and posted it on forums and Weibo.

The comments below were very lively.

[So this Shen Jiayue is a mistress. I’m in the same class as her, but she still dares to be so arrogant to me and mock me for my poor family background. Even though she’s wearing branded clothes, they’re all gifts from men. You dare to mock me with just a man? I’m laughing.]

[Hahaha, this Shen Jiayue can’t wait to announce her relationship with Gao Yunping to the world. Does she really think she’s that powerful? It turns out that he was with her behind his fiancée’s back. At best, Shen Jiayue can only be considered a mistress.]

[It’s overturned! It’s overturned! I’m online watching the outcome of a large-scale overturn.]

[Shen Jiayue, hehe, you even dared to steal my goddess’ speech and target her in all kinds of ways. Sure enough, it’s karma.]

Shen Jiayue didn’t dare to go back to school, so she could only use the money she had to stay in a nearby hotel.

In the hotel room, she sat on the bed and read the comments on the forum. She bit her lip and was embarrassed.

She had already anticipated that the students would point at her and gossip about her when she returned to school.

In order to show that she wasn't poor, Shen Jiayue often ate and paid for it herself. She spent a lot of money with Gao Yunping, and the money she had left was only enough for two days of accommodation.

On the third day, she looked at the balance in her account and found that there was only 120 yuan.

Shen Jiayue gritted her teeth. She could only call Gao Yunping and ask him for money.

However, Gao Yunping hung up the phone after hearing her voice.

Shen Jiayue had no choice but to return to school.

She had met Su Yixiu at Imperial Capital University.

Shen Jiayue had always liked Su Yixiu, but Su Yixiu was a block of wood. She couldn't get close to him, so she could only turn to seduce Gao Yunping.

Now, seeing Su Yixiu, the grievances in her heart suddenly surged.

She walked up to it and let it rot in front of Su Yixiu. "Student Su."

Su Yixiu stopped in his tracks and frowned. "What's the matter?"

Shen Jiayue bit her lip and pinched the bottom of her clothes. "Student Su, the things on the internet and the forum are all fake. I was forced to be with Gao Yunping."

Su Yixiu's cold voice said, "What you do has nothing to do with me."

"Student Su, I actually like you, but you've been ignoring me, so I can only whine," Shen Jiayue said, feeling wronged.

Chapter 1040 Want To Enter Shenghe Entertainment

She didn't finish her sentence.

At first, she did have feelings for Su Yixiu, but Su Yixiu's family wasn't well off, and he had a grandmother to take care of. After Su Yixiu ignored her, she gave up.

However, Su Yixiu's name had appeared in the media some time ago.

Su Yixiu was the general manager of Shenghe Entertainment...

Su Yixiu's expression was very calm. "Your feelings for me have nothing to do with me. I don't plan on looking for a girlfriend now, so don't put your thoughts on me. Also..."

Su Yixiu's voice paused, and his eyes were filled with obvious disgust. "You're disgusting."

He loathed everyone who opposed Qin Sheng, not to mention Shen Jiayue who had tried to frame Qin Sheng several times.

Shen Jiayue was stunned. She knew that she couldn't be with Su Yixiu anymore, but she was still fighting for the greatest benefit for herself. She had set her sights on Shenghe Entertainment.

If she became a celebrity, would she still need to worry about not having enough money?

"Student Su, if you let me enter Shenghe Entertainment, I won't bother you anymore," Shen Jiayue said.

She had good qualifications and good acting skills.

Shen Jiayue thought that Su Yixiu would consider her request.

Su Yixiu didn't expect Shen Jiayue to be so shameless.

He frowned. "No. If you want to enter Shenghe Entertainment, the character is tested. But I can reject you for stealing Qin Sheng's script, not to mention the matter between you and Gao Yunping."

In the end, he added, "You're not qualified."

After Su Yixiu finished speaking, he didn't waste any more time on Shen Jiayue and left.

Shen Jiayue stood in place, extremely embarrassed. Several students walked past and heard Shen Jiayue and Su Yixiu's conversation.

As soon as Su Yixiu left, they couldn't help but mock in front of Shen Jiayue.

"This Shen Jiayue doesn't know her place. How could such an outstanding person like Su Yixiu like her?"

"Is there something wrong with her brain? The moment her affair with Gao Yunping was exposed, she turned to Su Yixiu. Does she really think Su Yixiu is a rag-picker?"

"Ha, she still wants to enter Shenghe Entertainment. Why doesn't she take a look at her own looks? Is Shenghe Entertainment a place she can enter?"

Shen Jiayue glared at the female students and trembled with anger. "Shut up. Do you have anything to do with my business? Don't talk about me like a gossip, it's none of your business!"

There was no doubt that Shen Jiayue had received more ridicule.

Her ears buzzed as she pushed the students away and ran straight back to the dormitory.

Zhao Xiang was reading a book when she saw Shen Jiayue. She sneered, "What's wrong? Aren't you always trying to curry favor with Gao Yunping? Did Gao Yunping abandon you and leave you with nowhere to go?"

Before Shen Jiayue and Gao Yunping got together, Shen Jiayue had always been sucking up to Zhao Xiang.

Later, she felt that Gao Yunping would give her money to spend, and Zhao Xiang's temper was very bad. She would vent her anger on her at any time, so Shen Jiayue didn't care about Zhao Xiang.

Because Zhao Xiang's family was well off, Shen Jiayue didn't dare to anger Zhao Xiang.

At this point, she had already fallen out with Gao Yunping. Other than repairing her relationship with Zhao Xiang, she had no other choice.

Shen Jiayue smiled ingratiatingly. "Xiang Xiang, I didn't actually leave you alone. It's just that this is my first time in a relationship, so I can only let him do as he wants and try to please him, so I didn't have much free time."
