

## Bigshot 1061

Chapter 1061 He Can Support Qin Sheng

Qin Sheng was like a flower on the top of a mountain. In addition, Fu Hanchuan, who was emitting cold air from time to time, was always by her side.

They did not dare to talk to Qin Sheng.

They could only go up to Wu Chuang and ask him about Qin Sheng.

Qin Sheng had previously hidden her identity as Sheng. Many people had asked him about it, but he did not dare to say anything. He had been holding it in for a long time.

At this moment, Qin Sheng's identity was exposed.

He didn't need to hide it anymore.

At the art exhibition, Wu Chuang had been talking about Qin Sheng to others, turning Qin Sheng into a legend.

In addition, Qin Sheng's painting had been sold at a high price of 100 million yuan, so she was very well-off.

Of course, the president of the Imperial Capital Art Association was also present at the art exhibition. When he saw Wu Chuang's smug look, he felt very sour in his heart. He also didn't like Wu Chuang.

If Wu Chuang had not acted quickly, Qin Sheng would have been a member of the Imperial Capital Art Association.

He walked up and said something in a strange tone.

In the end, he was forcefully flaunted to by Wu Chuang and left in a huff.

Qin Sheng's eyes also curved. Clearly, she was also very satisfied with this 100 million.

"Sheng Sheng, do you want to participate in the next art exhibition?" Wu Chuang rubbed his hands and tried.

Qin Sheng glanced at him. "I'm not going."

Qin Sheng drew mostly out of interest.

Moreover, if too many of her paintings were circulated in the market, their value would probably depreciate. Qin Sheng understood this.

"I knew you'd be this lazy. You don't even want to earn money," Wu Chuang muttered.

Fu Hanchuan put his arm around Qin Sheng's waist and said lovingly, "I can take care of Sheng Sheng. You don't have to worry about her."

Wu Chuang was speechless.

Was he being fed dog food?

“Sheng Sheng, I have something to do, so I’ll be leaving first.”

Wu Chuang waved his hand and left. He did not want to stay with Qin Sheng and the others anymore.

He did admire Qin Sheng’s talent, but Qin Sheng’s personality would definitely anger him to death.

Between him and Qin Sheng, Qin Sheng was more like the president of the Association. He had to listen to her, and he could not complain at all.

“Sheng Sheng, let’s go back too,” Fu Hanchuan said dotingly.

“Alright,” she said.

Qin Churou walked out from behind the pillar. She watched Fu Hanchuan and Qin Sheng’s back as they left, her eyes full of jealousy.

—

The news that Qin Sheng was Sheng had been reported by the media. There was also the fact that Qin Sheng had sold a painting at an art exhibition for a price of 100 million.

Without a doubt, it was now the top trending topic on Weibo.

Qin Sheng’s fans were all very excited, as if they were the famous artist.

Even the passersby were shocked.

[F\*ck, f\*ck, I didn’t expect Qin Sheng to be Sheng! Sheng is now a famous artist. In the Youth Painting Competition, her paintings were appreciated by many famous artists. She also began to make a name for herself in the painting world. The paintings that followed were sold for tens of millions each! Now, there was another painting worth hundreds of millions. Big shot, please accept my knees!]

[Sister Sheng is only 18 years old, but she can draw, she knows programming, and she’s good at medicine. She’s like a senior in all of these. These are achievements that we might not be able to achieve even if we work hard for our entire lives. What’s wrong with her brain?]

[No, give me some time. I feel like I came to this world just to make up the numbers.]

[A big shot! Come and find out how many hidden skills Sister Sheng has.]

[She has the looks and the talent. I admit that I’m jealous.]

Qin Sheng’s Weibo followers quickly increased by more than a million, and this number was still rising.

And this time, many of the people who paid attention to her were people and students from the painting world.

Chapter 1062 Quarrel, She’s Back In H City

There were also marketing accounts on the internet that reported that Qin Churou had attended the art exhibition. She was Qi Wenshi’s student, and they even posted a video of some artists praising Qin Churou during the exhibition.

These were all taken by entertainment reporters that Qin Churou had specially hired.

However, a face-smacking video was quickly uploaded.

It was a video of people at the art exhibition comparing Qin Sheng's and Qin Churou's previous paintings. Qin Churou's paintings were belittled as worthless.

After that, the verified account on Weibo also revealed that Qin Churou's painting was unloved in the art exhibition.

Qin Churou's face turned green with anger when she saw the post.

She had carefully planned for her to be a talented woman, and everyone was praising her. Seeing that she was about to succeed, she did not expect such a video to appear.

Qin Churou bit her lip, her eyes filled with hatred.

Qin Sheng again!

— —

It was more than two weeks before the holiday.

Early in the morning, Old Master Qin and Old Master Lin were arguing about which family Qin Sheng would be spending the New Year with. They were arguing until their faces were red, and neither of them was convinced.

In the end, the two of them ran to Fu Garden together and occupied the seats on either side of Qin Sheng.

Old Master Qin: "Sheng Sheng, you're my only granddaughter. Yufei, that rascal, is usually busy with work and stays in the company all day. I'm usually alone at home, so I don't have many requests. Do you think you can come and spend time with this old man of mine during the New Year?"

He directly played the pitiful card.

Old Master Lin glared at Old Master Qin and said in an annoyed tone, "Old Man Qin, don't think that I don't know. Yufei is usually busy with work, but you can't say that he's not filial. Other than being really busy, he goes back every night."

Old Master Qin was not convinced. "You have Haoyu and Haocheng. Don't fight with me for Sheng Sheng."

Old Master Lin stiffened his neck. "No, you can't. If you want those two brats, you can take them. I don't care, Sheng Sheng is going to spend the New Year with the Lin family this year."

If his words were heard by Lin Haocheng and the others, they would definitely be very speechless.

Old Master Qin did not think that there was anything wrong with Old Master Lin's words. After all, between a grandson and a granddaughter, he would still choose his granddaughter, let alone a granddaughter as obedient as Qin Sheng.

But Old Master Qin still did not back down. "I don't care, Sheng Sheng wants to come to the Qin family."

Old Master Lin snorted coldly. "I'm Sheng Sheng's grandfather. We're blood-related, and you're her god-grandfather, so you'd better not come and join in the fun. Besides, if it weren't for me, you wouldn't even know Sheng Sheng."

At this point, Old Master Lin was filled with regret. He should not have bragged to Old Master Qin that he had a granddaughter back then, causing him to set his eyes on Qin Sheng.

Old Master Qin argued, "I'm her grandfather, and you're her maternal grandfather. My relationship with Sheng Sheng is closer than yours."

The two of them had their own reasons and were about to quarrel again.

They were worried that Qin Sheng would see the bad side of them, so they held back the impulse in their hearts.

With a tacit understanding, they asked Qin Sheng together, "Sheng Sheng, where did you say you were going for the New Year?"

The two of them stared at Qin Sheng with hope in their eyes.

Qin Sheng massaged the space between her brows, feeling a headache coming on. She did not look at them to prevent herself from becoming soft-hearted, so she said, "I'm going back to H City."

Old Master was speechless.

Old Master Qin was speechless.

After a long while, Old Master Lin finally spoke. "Sheng Sheng, are you going to accompany that Old Man Lu?"

"Yes." Qin Sheng did not hide anything. "I haven't been back in a long time. I want to go back and spend some time with Grandpa Lu."

Chapter 1063 An Artiste With a Scar On Her Face

Both Old Master Qin and Old Master Lin were jealous.

In the end, they could not compare to Old Master Lu's position in Qin Sheng's heart!

The two of them were listless and could not lift their spirits. They looked at each other and saw the resentment in each other's eyes.

It turned out that they had fought for three days, and no one had gained anything.

Old Master Lin and Old Master Qin were both leaning on the sofa in silence.

Qin Sheng added helplessly, "I'll be back to accompany you guys on the third day after the New Year."

Both of their eyes lit up. "Okay."

Old Master Lin suddenly thought of something and asked, "Then, Sheng Sheng, where are you staying?"

Seeing that the two of them were about to start fighting again, Qin Sheng spoke up in time, "Grandpas, I'll stay in each house for two days."

Old Master Lin and Old Master Qin looked at each other, then turned their heads in unison. They didn't argue anymore, but they still didn't like each other.

They were all thinking that if it wasn't for the other party, Qin Sheng would have stayed at their house for four days.

And now, it was Fu Hanchuan's turn to complain.

He frowned. He was used to living with Qin Sheng. Fu Hanchuan could not stand the days when he was separated from Qin Sheng. Even if he was on a business trip for company matters, he would not leave Qin Sheng for more than two days.

However, perhaps he could stay with Qin Sheng at the Lin and Qin families.

At the thought of this, Fu Hanchuan's furrowed brows gradually relaxed.

If Old Master Qin and Old Master Lin knew what Fu Hanchuan was thinking, they would definitely vomit blood.

After they went back, Qin Sheng leaned back on the sofa as if she had collapsed. It was not the first day that Old Master Qin and Old Master Lin had been fighting.

Qin Sheng suddenly missed the days when she was alone with Fu Hanchuan in the capital.

—

Huang Xiaoyan did not return to H City. During the winter break, she spent most of her time training at Shenghe Entertainment.

Qin Sheng had been very busy last semester, so Huang Xiaoyan did not disturb her often.

At this moment, Qin Sheng finally had some free time. She would often come over to look for Qin Sheng for shopping.

On this day, Huang Xiaoyan pulled Qin Sheng into the shopping mall again.

Huang Xiaoyan bought a lot of clothes.

When it was time to pay, there was a woman wearing a mask beside her. She had just finished paying and took the clothing bag that the shop assistant had given her. "Thank you."

Qin Sheng found the voice very familiar. She looked at the woman.

Although the woman was wearing a mask, Qin Sheng could still recognize her. This woman was a famous female star, Lou Sitian. She had helped her in her previous life.

However, this woman had a scar from her forehead to her face...

Qin Sheng frowned. She did not like to owe people favors.

Since she had no chance to repay her in her previous life, she would return the favor in this life.

It seemed that she needed to go back and investigate the reason why Lou Sitian was disfigured.

Qin Sheng retracted her gaze.

The woman noticed her, nodded slightly, and left.

As a manager, Huang Xiaoyan was more familiar with the entertainment industry. She also recognized the woman. "This person seems to be Lou Sitian."

"Lou Sitian?"

Seeing that Qin Sheng was interested, Huang Xiaoyan explained, "Lou Sitian is a popular female star now. Her acting skills are very good and she's good-looking too. She became famous overnight with one drama."

Then, she sighed. "It's a pity that she might have been targeted. There are rumors that she seduced the chairman of Huan Corporation and tried to be a mistress. I don't think she's that kind of person, but the evidence is right there. I have no choice but to believe it."

Chapter 1064 The Acid That Was Splashed

Huang Xiaoyan thought of the many outdated female celebrities that Shenghe Entertainment had recruited.

"Sheng Sheng," she suggested, "maybe you can find out the truth and hire her."

After she finished speaking, she felt that her suggestion was extremely stupid.

It was very difficult to clear Lou Sitian's name. Moreover, many of the past artists in Shenghe Entertainment had offended people and were banned before gradually disappearing from the public eye.

"This is so difficult, Sheng Sheng," Huang Xiaoyan muttered. "Let's forget it."

Instead, Qin Sheng agreed to it. "If she's being slandered, I'll help her."

Putting aside the fact that Qin Sheng owed Lou Sitian a favor, just Lou Sitian's potential alone was enough for Qin Sheng to help her. This would be very helpful to the company's development.

Huang Xiaoyan wanted to persuade Qin Sheng, but when she thought of her ability, she stopped herself.

It might be as difficult as ascending to heaven to help Lou Sitian clear her name, but it should not be a difficult task for Qin Sheng.

In Huang Xiaoyan's heart, Qin Sheng was already an omnipotent existence.

At this moment, Huang Xiaoyan's eyes were full of stars. She wished she could pounce on Qin Sheng. "Sheng Sheng, sometimes I feel that you're like a domineering CEO. Even I'm tempted."

Qin Sheng smiled helplessly. "Let's go."

The two of them left the mall and were about to go back when they noticed that Lou Sitian was surrounded by many people who were pointing at her and cursing her.

Lou Sitian's whereabouts must have been leaked, so these people rushed over and blocked Lou Sitian.

From Qin Sheng and Huang Xiaoyan's angle, they could see Lou Sitian walking toward them. Under the escort of two bodyguards, she squeezed through the crowd with great difficulty.

At this moment, Lou Sitian's hair was very messy, obviously caused by those people's pushing.

Qin Sheng suddenly focused her gaze and looked in one direction.

"B\*tch, mistress, go to h\*ll!"

The moment a man splashed acid, Qin Sheng quickly moved and hugged Lou Sitian's shoulder. Then, the two of them moved a few steps to the side.

The sulfuric acid fell to the ground, emitting a sizzling sound of corrosion.

This change happened in just three seconds.

Huang Xiaoyan did not react at all. She looked at them in a daze. When she came back to her senses, she quickly stepped forward and sized her up. Qin Sheng was fine.

Huang Xiaoyan heaved a sigh of relief, but there was still a lingering fear in her heart.

If the sulfuric acid were to be poured on Qin Sheng...

Huang Xiaoyan did not dare to think about it. Her eyes were red as she said, "Sheng Sheng, don't do such dangerous things in the future."

Qin Sheng nodded. She turned to look at the crowd and immediately recognized the man who had poured sulfuric acid on Lou Sitian.

The man turned around and wanted to escape. Qin Sheng went forward and grabbed his shoulder with a good-looking hand. She also kicked his knee hard, and the man fell to his knees.

He struggled to escape.

However, Qin Sheng's hand held him firmly in place and he could not move.

The man panicked. "It's none of my business. I was just doing what I was paid to do."

Qin Sheng narrowed her eyes. "Who sent you here?"

The man shut his mouth, not willing to say anything more.

Qin Sheng did not mind. She opened her red lips slightly. "It's fine. I can find out who bribed you."

The security guards of the mall came over and Qin Sheng handed the man over to them.

"Sheng Sheng, I've already called the police," Huang Xiaoyan said. "The police should be here soon."

"Alright," she said.

Qin Sheng nodded. She came to Lou Sitian and smiled. "Let's talk?"

Chapter 1065 I Am the Boss of Shenghe Entertainment

“Alright,” she said. Lou Sitian agreed without any hesitation. It was Qin Sheng who had saved her, so she naturally had no reason to refuse.

In a private room in the coffee shop.

Lou Sitian sat in her seat. She took off her black mask and a sincere smile appeared on her face. “Miss, thank you for saving me. If it wasn’t for you, I’m afraid I would have been disfigured.”

She still remembered that the man had wanted to splash acid on her face.

She was an actress. If her face was disfigured, she would no longer be able to stay in the entertainment industry.

Although her reputation was terrible now and that person was determined to ban her, and there was no hope of her clearing her name... However, she still had a glimmer of hope in her heart.

“It’s fine. You’ve helped me before. I’m just returning you a favor.” Qin Sheng picked up a cup of coffee and drank it.

Lou Sitian didn’t understand. “I helped you?”

She knew Qin Sheng. Although Qin Sheng was not from the entertainment industry, she was very popular on the internet. Her fans had already reached 20 million, which was comparable to many entertainment celebrities.

If she had helped Qin Sheng before, it was impossible for her to not remember.

Qin Sheng changed the topic. “Are the rumors on the internet about you seducing the chairman of Huaan true?”

Hearing this, Lou Sitian suddenly became agitated. “I didn’t. It was Wu Teng who wanted to keep me. I didn’t agree. In the videos circulating on the internet, my manager was actually there too, but it was cut out. I’m an artiste from Jiaxun Entertainment. In order to curry favor with Wu Teng, Song Wen pushed me out. The company’s notices all say that I’m at fault.”

Song Wen was the chairman of Jiaxun Entertainment.

This was because Jiaxun Entertainment’s acknowledgment further confirmed the fact that Lou Sitian had tried to seduce Wu Teng.

Wu Teng still had a certain status in the capital, and many companies didn’t dare to offend him. No one was willing to stand up for Lou Sitian, so Lou Sitian’s life in the entertainment industry could be considered ruined.

“That’s disgusting,” Huang Xiaoyan said angrily. “I knew it, you’re innocent.”

Qin Sheng’s furrowed brows gradually relaxed. “Alright, if what you said is true, I’ll help you get rid of these charges, but I have one condition.”

Lou Sitian was stunned. She looked at Qin Sheng. Her intuition told her that Qin Sheng was a good person, but she did not believe that Qin Sheng had the ability to help her.

Qin Sheng was only eighteen years old.

Moreover, this matter was extremely tricky, and even she herself did not have much hope.

Huang Xiaoyan picked up a piece of cake and stuffed it into her mouth. Her cheeks were full, like a little hamster.

When she heard Qin Sheng's words, she mumbled, "Sitian, Sheng Sheng is very powerful. She will definitely prove your innocence."

Lou Sitian was suspicious in her heart, but in the end, she still nodded. "Alright, even if I can't clear my name, I'll agree to your conditions."

Just by Qin Sheng helping her avoid the acid, Lou Sitian would agree to Qin Sheng's not-out-of-the-line request.

Qin Sheng didn't explain much about Lou Sitian's suspicions. She went straight to the point. "Join Shenghe Entertainment."

Shenghe Entertainment...

Lou Sitian was stunned. She did not expect Qin Sheng's condition to be this.

However, most of Shenghe Entertainment's artistes were found by themselves. There were hundreds of artistes who applied in the past, but only a dozen could get in.

Lou Sitian smiled bitterly. "Shenghe Entertainment isn't a place that anyone can enter easily."

Qin Sheng stood up and she extended her hand. "Let me introduce myself. I'm the boss of Shenghe Entertainment, Qin Sheng."

Chapter 1066 Contract Termination Or Ban

Lou Sitian was completely stunned. She did not doubt Qin Sheng's words. Qin Sheng had no reason to lie to her.

She had not expected that the person behind Shenghe Entertainment would be an 18-year-old girl.

The mastermind behind Shenghe Entertainment was scheming, so no one would be able to link her to Qin Sheng.

If Qin Sheng was the boss of Shenghe Entertainment, then what she said about being able to clear her name should be true.

Lou Sitian's eyes were reignited with hope. She also reached out and held Qin Sheng's hand. Tears fell from her eyes. "Thank you, Boss. If it wasn't for you, I really wouldn't know what to do."

Qin Sheng smirked. "You have great potential, so I'll sign a contract with you. However, for my own personal benefit, you have the potential to make a lot of contributions to the company."

When Qin Sheng said this, Lou Sitian's heart actually felt more at ease.

It would be more reliable if there was an exchange of benefits.

Qin Sheng added Lou Sitian's QQ number and sent her a contract template. It was a contract between Shenghe Entertainment and their artistes.

Lou Sitian was very surprised after reading the contents.

She had heard that Shenghe Entertainment treated their artistes very well, but she did not expect it to be this good.

Artistes had a high share of the profits, and they didn't need to drink with others, nor were they allowed to rely on their bodies to get to the top.

These were all things that other entertainment companies did not have.

Qin Sheng said, "I'll arrange for someone to come over and sign the contract with you. Of course, if the truth doesn't match what you've said, then I'm sorry. You only have two choices. Use 20 million to terminate the contract or we'll shut you out."

Qin Sheng was not a saint. She had already returned Lou Sitian's favor, so there was no need for her to help her with anything else.

She signed her only because of her potential and she would try her best to clear her name.

If Lou Sitian had really tried to seduce Wu Teng and lied to her, she wouldn't pamper Lou Sitian.

Lou Sitian agreed without any hesitation. "Okay."

As if thinking of something, Lou Sitian said nervously, "But I don't think Jiaxun Entertainment will agree to my termination of contract. They're determined to get rid of me."

"Don't worry,"

Qin Sheng narrowed her eyes. "Where was the video taken that day? Do you still remember the exact time?" he asked.

Lou Sitian clutched the bag in her hand. "I remember. How can I not remember?"

Lou Sitian told her everything that had happened that day.

Huang Xiaoyan touched her chin and could not help but sigh. "Sheng Sheng, you're too outstanding. Really, very few men are worthy of you. Fortunately, you have Teacher Fu."

—

After Qin Sheng returned, she turned on her computer and started searching.

Her fingers flew across the computer keyboard.

According to the clues provided by Lou Sitian, Qin Sheng directly hacked into the hotel's surveillance camera. There was a surveillance camera in the hotel's private room. There was no doubt that the surveillance camera had been destroyed by Wu Teng.

But Qin Sheng was able to restore the destroyed surveillance footage.

Qin Sheng only used 20 minutes to restore the surveillance footage.

It clearly showed the scene at that time.

Indeed, as Lou Sitian had said, her manager was also in the room. From the surveillance camera, Lou Sitian's actions didn't seem inappropriate and were just following the rules.

On the other hand, Wu Teng tried to get physical with Lou Sitian.

At one point, he also asked Lou Sitian to help him pick up things.

If one were to look at it from another angle, it would be a different scene.

Thinking about it, Wu Teng had already arranged for someone to shoot the video in secret before this, deliberately taking it out at an ambiguous angle.

Just as Lou Sitian had said, Wu Teng had indeed proposed to provide for Lou Sitian and had promised to give her a large amount of resources.

Lou Sitian's manager also tried to persuade her, but she still rejected.

Chapter 1067 Terminating the Contract With Her

In the end, another woman appeared on the surveillance camera. Qin Sheng recognized her. This woman was also a popular artiste, Ling Shimeng.

Qin Sheng picked up her phone and searched for Ling Shimeng.

The encyclopedia showed that Ling Shimeng was an artist under Jiaxun Entertainment.

Qin Sheng narrowed her eyes. She had a rough guess.

It was nothing more than Ling Shimeng being jealous of Lou Sitian, so she colluded with Wu Teng to frame Lou Sitian. However, after Wu Teng saw Lou Sitian, he took a fancy to her beauty and offered to keep her as a mistress. Lou Sitian rejected him time and time again, and he was angry from embarrassment.

On top of that, Ling Shimeng's instigation led to the events that followed. Lou Sitian was slandered for seducing Wu Teng and was then banned by Jiaxun Entertainment.

Qin Sheng's fingers rapped on the table.

If this video were to be released, Lou Sitian's matter would basically be resolved. Wu Teng, Ling Shimeng, and Jiaxun Entertainment would probably be in trouble.

However, she wanted to help Lou Sitian leave Jiaxun Entertainment.

Using the same method as when she dealt with Star Creator Entertainment, Qin Sheng found the dark secrets of several A-List celebrities from Jiaxun Entertainment, including the top female celebrity in their company.

Qin Sheng immediately sent the information to Song Wen, the chairman of Jiaxun Entertainment, through a new QQ number.

When Song Wen saw this, he was so angry that he trembled. He sent a message over, [Who are you?]

[You don't need to know,] Qin Sheng said.

Song Wen gritted his teeth. [Your motive...]

Qin Sheng did not waste any time with Song Wen. She directly sent out, [Terminate your contract with Lou Sitian.]

Song Wen narrowed his eyes. [You're on Lou Sitian's side?]

Qin Sheng did not answer him. Instead, she said, [If you don't terminate the contract, these videos will appear on all major online platforms. Chairman Song, you're a smart person. I think you'll know which one to choose between Lou Sitian, who is deeply involved in scandals, and the many artists in your company.]

Song Wen's expression was extremely ugly. This was the first time he had been threatened by someone.

But he had no choice.

Song Wen gritted his teeth. [How can you guarantee that after the company terminates the contract with Lou Sitian, all of this won't be leaked out? How can I trust you?]

Qin Sheng smiled. [Don't worry, I won't do that kind of thing. But do you have a choice? You can contact Lou Sitian tomorrow to terminate the contract. If you can't do it tomorrow afternoon, then this will immediately appear on all major online platforms. Also, if you make things difficult for Lou Sitian, don't blame me.]

After Qin Sheng finished speaking, she got off QQ.

Song Wen's face turned green with anger. He contacted the company's technical manager and ordered, "Find me a QQ number. You must find out who they are!"

The technical manager called back an hour later.

He said carefully, "Chairman, the phone number we found is not in service. Even the IP address is from the South Pole. Chairman, could this person be a hacker too?"

Song Wen was walking down the stairs when he heard the manager's words. He clenched his teeth and said, "It's a hacker."

If it wasn't for the hacker, how could they have found all those scandals?

After hanging up the call with the technical manager, Song Wen contacted his secretary. "Prepare a contract for the termination of the contract. Also, ask Lou Sitian to come to the company tomorrow to discuss the termination of the contract."

The secretary was surprised. "Chairman, aren't you afraid that Chairman Wu..."

"I'll explain it to them," Song Wen said helplessly.

The next day, Lou Sitian went to the company. Song Wen didn't dare to make things difficult for her other than sneering at her.

Chapter 1068 Wave of Popularity

When Lou Sitian got the contract to terminate the contract, she felt like she was in a dream.

It had been a week since the scandal broke out, and she had been suffocated by it every day.

Previously, she had thought that she would be wasting her time at Jiaxun Entertainment for the next five years. Without any resources, she would have no way to film outside without the company.

She did not expect Qin Sheng to help her solve this problem the moment she came.

She walked out of the Jiaxun Entertainment building in a daze. She still couldn't believe that she had terminated her contract.

She clenched the contract in her hand.

If it had not been for Qin Sheng, she would still be tied to Jiaxun Entertainment.

Lou Sitian's eyes were filled with confidence.

Since Qin Sheng had said that she had signed her for the company's benefit, she would not let her down.

Lou Sitian contacted Qin Sheng using the QQ number. "Boss, I've terminated my contract."

"Alright," she said. Qin Sheng replied, "I'll help you clear up that scandal. Don't worry."

"Thank you," she said.

In the afternoon, Lou Sitian also signed a contract with Shenghe Entertainment.

Qin Sheng used her company's Weibo account to post a post.

[Shenghe Entertainment V: Welcome Lou Sitian to Shenghe Entertainment. I hope Lou Sitian will have a good future in our company.]

At this moment, Lou Sitian was in a sensitive period and was being attacked by the entire country.

As soon as Shenghe Entertainment's Weibo post was posted, many people attacked it, and some fans of Shenghe Entertainment even turned into anti-fans.

[F\*ck, you people at Shenghe Entertainment don't value the character of your artistes. How could you let Lou Sitian, this mistress, into the company? Hehe, just like this? I guess I've misjudged you. If you don't explain why you've done this, I won't be a fan of any artistes in your company in the future.]

[Shenghe Entertainment, you're the despicable ones. I thought you were a clean slate in the entertainment industry. Hehe, you're just the same as Star Creator Entertainment.]

[Immediately terminate the contract with Lou Sitian! Otherwise, you and your company's artistes can get out of the entertainment industry.]

The netizens were very excited.

In the entertainment industry, there were many artistes who had been exposed for having an affair with a man, but they were not exposed on the internet.

But this time, the netizens had been influenced by Wu Teng and the others. Everyone was very hostile to Lou Sitian.

Of course, there were also some netizens who remained clear-headed and saw the clues.

[Wait, don't you think there's something strange about this? Shenghe Entertainment hasn't established itself in the entertainment industry yet, and I don't think they would do something so stupid. I used to think that Lou Sitian was a mistress for money, but now, I have my reservations, so as not to get slapped in the face.]

[Yes, I also feel that there will be a reversal in this matter. Have you all forgotten how strong Shenghe Entertainment's public relations are?]

Without a doubt, these netizens were being attacked.

[Tsk, tsk, still trying to help Shenghe Entertainment? Washing dogs! In my opinion, Shenghe Entertainment is just too arrogant. Does it think that no one can afford to offend them after taking down Star Creator Entertainment? I think they've exposed their true nature.]

[How could that video be faked? I'd like to see how Shenghe Entertainment is going to clear their name.]

[...]

Naturally, Qin Sheng had seen the netizens' attacks. She had originally planned to post the video after posting this Weibo post.

But Qin Sheng put down her phone this time.

She liked to see everyone get slapped in the face, and she could also use this opportunity to create a wave of popularity for Shenghe Entertainment.

Chapter 1069 Shenghe Entertainment Is Amazing

If the netizens knew what Qin Sheng was thinking, they would definitely vomit blood.

The chairman of Huaan Corporation, Wu Teng, contacted Lou Sitian.

Lou Sitian clenched her phone, her voice low. "What's the matter?"

Wu Teng smiled. "Tian Tian, what do you think? If you agree to sleep with me, I'll clear your name immediately, and your reputation will be restored. You'll still be Big Star Lou. If you don't agree, hehe, your acting career will end here."

Lou Sitian was expressionless. "I'm no longer an artiste of Jiaxun Entertainment. Your wish is going to be dashed. Didn't Song Wen tell you?"

"What?" Wu Teng furrowed his brows. "Song Wen is actually willing to terminate his contract with you?"

"That's right. I've signed a contract with Shenghe Entertainment. If you want to ban me, you can go to Shenghe Entertainment."

Lou Sitian wasn't worried that Wu Teng would cause trouble for Shenghe Entertainment.

Behind Shenghe Entertainment were the Lin family, the Qin family, and the Xie family. Wu Teng didn't dare to offend these people.

As expected, Wu Teng's face froze.

What did Lou Sitian do to get into Shenghe Entertainment?

Didn't Shenghe Entertainment have the highest threshold? Shenghe Entertainment was willing to accept her when she was being criticized all over the internet?

Could it be that Lou Sitian slept with some man from Shenghe Entertainment?

As expected, she was a b\*tch!

She rejected him repeatedly and turned around to sleep with another man.

Wu Teng thought of something and sneered, "Lou Sitian, so what if you entered Shenghe Entertainment? Those scandals will follow you for the rest of your life. Do you think you can still live as comfortably in the entertainment industry as you did before?"

Lou Sitian believed Qin Sheng's words. "Shenghe Entertainment will help me."

"Hahaha." Wu Teng laughed sarcastically. "They want to help you, but they can't. Lou Sitian, stop dreaming. There were only a few of us in the hotel. There were indeed surveillance cameras, but I destroyed all the surveillance footage from that day."

Lou Sitian held her phone tightly, a trace of uneasiness rising in her heart.

It was indeed difficult to find evidence.

Then, she thought of Qin Sheng's abilities and her uneasiness disappeared.

"Wu Teng, Shenghe Entertainment is amazing," she said.

After that, she hung up the phone.

A busy tone came from the phone. Wu Teng threw the phone on the desk in disdain.

He would like to see how Shenghe Entertainment would clear Lou Sitian's name.

Three hours had passed since Qin Sheng's post.

#Lou Sitian's job-hopping to Shenghe Entertainment# This Weibo topic was still the top trending topic.

The comments below were still all about attacking Shenghe Entertainment, demanding an explanation from them.

Very few people defended Shenghe Entertainment.

Shenghe Entertainment didn't provide any explanation, and they simply scolded Shenghe Entertainment for being a coward.

Some people even attacked the Weibo accounts of the artists signed to Shenghe Entertainment, threatening them to terminate their contracts with Shenghe Entertainment.

After Qin Sheng went through the comments, she slowly posted a new Weibo post.

[Shenghe Entertainment V: Lou Sitian is an extremely good artiste. She has a straightforward personality and her private life is not chaotic. We are very honored to have Lou Sitian join us @Lou Sitian.]

A video was attached.

At first, when the netizens saw Qin Sheng's Weibo post, their first reaction was that they were lying through their teeth.

They turned on the video and were about to attack Shenghe Entertainment.

Before they could send it out, their hands suddenly stopped.

They stared at the video in a daze, their mouth wide open.

Chapter 1070 I Just Want To See Them Get Slapped In the Face

They had just happened to see Wu Teng getting physical with Lou Sitian, while Lou Sitian was hiding impatiently.

The netizens were speechless.

Didn't Wu Teng post on Weibo righteously saying that the reason he met Lou Sitian was that he wanted to invest in a show and had the intention of letting Lou Sitian be the female lead?

Who knew that when Lou Sitian saw that there were only the two of them in the hotel room, she seduced him? He was very loyal to his wife and was indifferent to Lou Sitian's seduction.

However, in this video, it was clear that Wu Teng had taken the initiative to flirt with Lou Sitian, and Lou Sitian had resisted. The two of them had completely switched roles with the original video.

Moreover, other than Wu Teng and Lou Sitian, there was another woman who they didn't know. They had only shown that there was only him and Lou Sitian in the hotel room.

They recognized this woman. She was Lou Sitian's manager.

After the incident, Lou Sitian's manager also came forward and said that she had no idea that Lou Sitian had seduced a man.

This was what she meant by not knowing?

The timing of the two videos matched perfectly and didn't seem to be fake.

No matter how stupid these netizens were, they finally understood that Lou Sitian was innocent.

And all of this was designed by Wu Teng. As for the so-called video of Lou Sitian trying to seduce Wu Teng and becoming a third party, it was deliberately edited by Wu Teng from an ambiguous angle and maliciously.

The netizens held their patience and continued to watch.

In the end, Wu Teng even proposed to keep Lou Sitian as his mistress, but Lou Sitian refused. Wu Teng flew into a rage out of humiliation and threatened Lou Sitian to destroy her stardom.

Lou Sitian was unmoved.

The netizens were speechless. Wu Teng could actually turn right and wrong upside down so badly?

However, this was not the end.

At the end of the video, Ling Shimeng appeared. The netizens sat up straight, feeling that there was more to it.

They heard every single word of Wu Teng and Ling Shimeng's conversation.

It was nothing more than Ling Shimeng being jealous, Wu Teng consoling her, and even saying that he would follow her wishes and help her deal with Lou Sitian.

Toward the end, the two of them started to kiss. What was going to happen next was self-evident.

After reading it, the netizens were completely blown up.

There were already a lot of comments attacking Shenghe Entertainment on Weibo, and those comments were from netizens who did not watch the video.

Very quickly, their comments were all squeezed down.

[D\*mn, is this the first major reversal in the history of the entertainment industry? I've been attacking Lou Sitian and Shenghe Entertainment all this time, but after watching this video, I feel like my face is hurting badly. I can already hear the sound of everyone being slapped in the face.]

[This Wu Teng and Ling Shimeng are really invincible. Just how big of a face do they have to design this? Also, Jiaxun Entertainment is obviously on Wu Teng's side. I finally know why Lou Sitian chose to jump ship. They're too shameless!]

[Fortunately, I knew that Shenghe Entertainment was involved in this matter and stopped in time. I just want to ask you, does your face hurt?]

[This Shenghe Entertainment is really amazing. Lou Sitian was slandered all over the internet and there was concrete evidence, but Shenghe Entertainment still found evidence!]

[Sob, sob, sob, I won't doubt Shenghe Entertainment anymore. I can't stand being slapped in the face every time.]

[Am I the only one who thinks that Shenghe Entertainment is two-faced? They could've posted the evidence earlier, but they insisted on waiting for three hours after everyone was done with their crusade to clarify things. I feel like they just want to see us get slapped in the face!]
