

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1081 He Also Wants To Stay

Qin Sheng was prepared to stay at the Lin and Qin families for two days each.

She went to the Qin family first.

Old Master Lin decided to stay in the Qin family's house. "Old Man Qin, prepare a room for me."

Old Master Qin glared at him. "No way, Sheng Sheng is going to live in your house the day after tomorrow, and you're here to snatch her from me?"

Old Master Lin glanced at him and said, "This isn't stealing. If I wanted to, Sheng Sheng would be staying at the Lin family's house by now. She wouldn't be at your Qin family's house."

Of course, Old Master Qin's combat power was not low. In the end, Old Master Lin could only leave the Qin family reluctantly.

Before he left, he gave Qin Sheng a red packet. "Sheng Sheng, remember to come early in the morning the day after tomorrow."

"Alright," she said. Qin Sheng nodded.

Old Master Qin gritted his teeth. He had planned to ask Qin Sheng to go to the Lin family's house later, but he did not expect Old Man Lin to do this to her.

Old Master Lin had his hands behind his back. Seeing Old Master Qin's darkened face, he found a trace of balance in his heart.

After Old Master Lin left, Old Master Qin saw that Fu Hanchuan was still sitting on the sofa. He frowned and said, "Why are you still here?"

"I'll be staying here for a few days," Fu Hanchuan replied.

Qin Yufei frowned as well. "You and Sheng Sheng are not married yet. It's not appropriate for you to live in our house."

Fu Hanchuan looked at Qin Sheng. "Sheng Sheng is used to being with me. She won't be used to being apart from me. Besides, she's not used to your food either."

Qin Yufei wanted to retort. After all, it was only two days. There was nothing to be uncomfortable about.

As for cooking, Fu Hanchuan could come to the Qin family's house on time every day to cook for Qin Sheng.

Qin Yufei didn't want Fu Hanchuan to stay in the Qin family. He felt suffocated just by looking at him.

However, before he could say it, he heard Fu Hanchuan say, "If Sheng Sheng doesn't want me to stay, then I'll leave."

Qin Yufei and Old Master Qin were speechless.

They were unable to refute this.

According to Qin Sheng's personality, she was on Fu Hanchuan's side.

Qin Yufei tried his best to suppress the anger in his heart. "Then stay here. I will arrange for the servants to tidy up your room."

In the end, Fu Hanchuan's room was arranged to be on the third floor, while Qin Sheng's room was on the second floor.

At night, Qin Yufei knocked on Qin Sheng's door and came in with a plate of fruit.

He immediately saw Fu Hanchuan sitting on the sofa in Qin Sheng's room.

Qin Yufei was speechless.

The veins on his forehead throbbed.

He said in a bad tone, "Fu Hanchuan, it's already 9 o'clock. Why are you in Sheng Sheng's room?"

The main point was that Fu Hanchuan was wearing pajamas. Although it was very conservative, he still felt that Fu Hanchuan was up to no good.

Qin Sheng's brows furrowed slightly. "Dad, is there a problem with Brother Fu coming to accompany me for a while?"

Qin Yufei's lips forced a smile. "No problem, I'm just asking."

He put down the fruit, but did not leave immediately. He sat on the sofa.

He was worried that Fu Hanchuan would do something to Qin Sheng.

Keep an eye on the spot, you can't go wrong.

Fu Hanchuan and Qin Sheng were both quiet people and did not talk much. The atmosphere between them was not awkward at all.

As for Qin Yufei, he just sat there, feeling that something was off.

Fu Hanchuan closed the business magazine in his hand. "Actually, you don't have to be too nervous. Sheng Sheng and I have always been living in this state."

In other words, he would not do anything out of line to Qin Sheng.

Qin Yufei's thoughts were read and he felt a little embarrassed in an instant.

He clenched his fist and put it to his lips, coughing lightly. "I'm just here to sit for a while. I'll leave now."

Before he left, he did not forget to remind her. "Sheng Sheng, rest early."

Chapter 1082 Matchmaking Qin Sheng And Xie Hen

He walked out of Qin Sheng's room. Old Master Qin was looking around with his hands behind his back. He said in a muffled voice, "I was just passing by, cough, passing by. I was just about to go back to my room."

"Dad, isn't your room over there?" Qin Yufei raised his brows.

Qin Yufei looked to the other side of the corridor.

"Can't I just walk around here?" Old Master Qin said stubbornly.

Qin Yufei only smiled and did not expose Old Master Qin.

He went downstairs, and Old Master Qin quickly came forward and said, "Yufei, um, what is Sheng Sheng doing inside?"

"Sheng Sheng is reading a book, and Fu Hanchuan is inside too."

Old Master Qin was speechless.

His face turned black.

Old Master Qin turned around and walked back. "No, it's already so late. What's this brat trying to do by staying in Sheng Sheng's room?"

Qin Yufei stopped him. "Don't go up. Sheng Sheng doesn't think there's anything wrong with this. Perhaps that brat Fu Hanchuan has already brainwashed Sheng Sheng. If you go up and reprimand him directly, Sheng Sheng will think that we're being unreasonable."

Old Master Qin gritted his teeth. "This brat is so f*cking annoying!"

However, they couldn't do anything to Fu Hanchuan.

Qin Sheng was protecting him. Fu Hanchuan's position in Qin Sheng's heart was far higher than theirs. If they targeted Fu Hanchuan, Qin Sheng would probably blame them.

Qin Yufei was helpless. He rubbed his brows. "Unfortunately, we can't do anything to him."

"If Sheng Sheng had become my granddaughter earlier, I wouldn't have even given Fu Hanchuan a chance to meet her," Old Master Qin said through gritted teeth.

Qin Yufei's eyes darkened. Although he didn't say anything, it was obvious that he had the same thoughts.

An idea flashed across Old Master Qin's mind. He lowered his voice and said, "Yufei, maybe we can get Sheng Sheng a boyfriend and let her dump Fu Hanchuan. I think that kid from the Xie family is not bad."

He had been angered by Fu Hanchuan and had come up with a bad idea.

Qin Yufei was speechless.

He rubbed his forehead. "Dad, if you do this, Sheng Sheng will cut off all ties with you."

Upon hearing this, Old Master Qin was completely speechless.

In the next two days.

Fu Hanchuan was the kind of person who stuck to Qin Sheng's side all the time, the kind that could not be chased away.

In the end, Old Master Qin and Qin Yufei automatically ignored Fu Hanchuan.

The New Year's gifts they gave Qin Sheng were very expensive.

Old Master Qin immediately stuffed a bank card into Qin Sheng's hand. It was 10 million yuan.

Qin Yufei had given Qin Sheng a house, a car, and eight percent of the Qin Corporation's shares.

In fact, Qin Yufei wanted to give Qin Sheng more shares, but Qin Sheng would not agree to it.

Qin Yufei was thinking that he could give Qin Sheng more shares when she got married.

But for a company like the Qin Corporation, which was ranked among the top 10 in the world, this 8% share would be worth at least 20 billion yuan a year.

Qin Sheng accepted the shares.

One day, when Qin Yufei got married and had children, she would return these shares.

In fact, Qin Sheng mainly wanted to give herself some form of security.

She was not related to Qin Yufei by blood. Perhaps, they needed benefits to maintain this relationship.

As for the 20 billion yuan a year, Qin Sheng did not care. After all, the money in her company alone was enough for her to spend.

Two days passed quickly.

In the morning, both Old Master Lin and Lin Haoyu came to pick Qin Sheng up.

Old Master Qin was so angry that he blew his beard and glared at them. "Are you really afraid that I'll detain Sheng Sheng?"

All-Mighty Girl Gets Spoiled by A Bigshot

"Of course," Old Master Lin replied.

Old Master Qin snorted. "I hope that you won't be angered by a certain someone after Sheng Sheng goes to the Lin family."

By 'that person,' he was naturally referring to Fu Hanchuan.

If Fu Hanchuan moved into the Lin family's house, Old Master Lin would feel aggrieved. If Old Master Lin had the ability to stop Fu Hanchuan from moving in, then Fu Hanchuan would not feel good.

No matter what the outcome was, Old Master Qin was happy to see it.

Old Master Lin only wanted Qin Sheng to move into the Qin family, so he did not understand the deeper meaning in Old Master Qin's words.

He waved his hand. "Let's go. Old Man Qin and Yufei, don't come to the Lin family for the next few days. Of course, the guards won't let you in."

After bringing Qin Sheng back to the Lin family, Fu Hanchuan proposed to stay.

Old Master Lin was speechless.

He finally understood the meaning of Old Man Qin's words.

Holding his anger in, he started to deal with Fu Hanchuan. Undoubtedly, after Fu Hanchuan mentioned Qin Sheng, Old Master Lin had nothing to say and could only watch as Fu Hanchuan moved in.

Mother Lin had always found Qin Sheng an eyesore. She could not stand how the Lin family treated Qin Sheng so well. She was also envious of the gifts the Lin family had given Qin Sheng.

Just the red packets the Lin family gave Qin Sheng during the New Year alone added up to tens of millions.

There was also Lin Haoyu. The painting he had given to Qin Sheng's company during the small opening ceremony had already exceeded 100 million.

Father Lin only gave her 3 million yuan a month.

Mother Lin was increasingly convinced that Qin Sheng had entered the Lin family for their money.

At the dining table, she said in a strange tone, "Qin Sheng, you didn't go home for the New Year. Instead, you came to the Lin family's house. Oh, I almost forgot. Your biological parents don't want you anymore, so you can only come to the Lin family's house."

Qin Sheng raised an eyebrow. "Is it related to you?"

Mother Lin was furious. She said confidently, "Of course, I'm the lady of the Lin family. I'm your elder!"

"Wu Wanrong," Old Master Lin said in a deep voice, "if you continue to be so unreasonable, you'll get out of the Lin family."

Lin Haocheng chewed on the food in his mouth and also said unhappily, "Mom, isn't it the New Year? We're a family, so don't target Sheng Sheng."

"Lin Haocheng, I'm your mother! When did it become your turn to lecture me!" Mother Lin had always felt that Lin Haocheng had embarrassed her. Even if Lin Haocheng was her biological son, she had never given him a good face.

Pa!

Old Master Lin slapped down the bowl in his hand.

Mother Lin did not dare to say anything more. Right now, the Lin family was still being managed by Old Master Lin, and Father Lin and the two brothers, Lin Haoyu, were all on Old Master Lin's side.

She did not dare to disobey Old Master Lin's words.

Mother Lin's heart was filled with anger.

She glared at Qin Sheng hatefully. This Qin Sheng really had good means. She made the entire Lin family side with her, but she was the one who looked like a bad person.

Fu Hanchuan took a napkin and wiped his hands, saying casually, "You have to watch someone's mouth. Sheng Sheng didn't come to your Lin family to be bullied."

He glanced at Mother Lin from the corner of his eye. Mother Lin's body turned cold instantly.

Old Master Lin did not refute Fu Hanchuan's words this time. He nodded. "Indeed, some people can't even control their own wife."

Father Lin knew that Old Master Lin was talking about him, and he touched his nose awkwardly.

Qin Sheng was not affected by this lunch.

For someone like Mother Lin, she only saw her as a clown.

Qin Sheng did not care about Father Lin's attitude toward her, and she would not go over to accommodate Mother Lin just because the Lin family treated her well.

Chapter 1084 Bumping Into Each Other In Front Of The Washroom

On the second day at the Lin family.

Lin Haocheng and Lin Haoyu took Qin Sheng to the Qin Corporation's hotel. They secretly took Qin Sheng there when Fu Hanchuan was dealing with work.

An hour later, Fu Hanchuan still did not see Qin Sheng. When he learned that it was her brothers who had taken Qin Sheng out, his face darkened.

He called Qin Sheng, but no one answered. He sent her a QQ number, but there was no reply. It was obvious that Lin Haocheng had done something.

Fu Hanchuan called Lin Haocheng directly and asked in a deep voice, "Where are you?"

His voice was very cold, and Lin Haocheng's conditioned reflex was to slip away.

He suppressed the fear in his heart and straightened his back. "Fu Hanchuan, you've been sticking to Sheng Sheng the whole day, like a piece of sticky candy. Can't you give Sheng Sheng some space to herself?"

Fu Hanchuan massaged his aching eyebrows and slowly spat out a single cold word, "Speak."

Lin Haocheng was speechless.

He was indeed afraid, but he did not want to compromise with Fu Hanchuan, so he simply passed the phone to Lin Haoyu and let Lin Haoyu deal with him.

"Haocheng and I are here with Sheng Sheng," Lin Haoyu said expressionlessly. "She'll be fine. You don't have to worry."

With that, he hung up the phone.

Lin Haocheng gave Lin Haoyu a big thumbs up. There were very few people who would dare to hang up on Fu Hanchuan.

After Lin Haocheng went back, he sat down next to Qin Sheng and asked with a frown, "Sheng Sheng, aren't you tired of being with Fu Hanchuan every day?"

Qin Sheng blinked. "What's the matter?"

Lin Haocheng said, "Don't you feel that you're being controlled by Fu Hanchuan? He's so possessive that he's jealous when he sees you with a man. Sheng Sheng, can you bear with this Fu Hanchuan?"

Qin Sheng did not answer, but the smile on her lips and the light in her eyes made the answer obvious.

Lin Haocheng choked, and he was completely speechless.

He could only put all the blame on Fu Hanchuan.

Fu Hanchuan's methods were too much for an average girl to handle, let alone an innocent girl like Qin Sheng.

After Lin Haoyu washed his hands, he also returned to the hotel's private room. He was worried that Qin Sheng would miss Fu Hanchuan, so he said directly, "Hanchuan called just now. Don't worry, Sheng Sheng."

Qin Sheng nodded. "En."

At the Lin family.

Fu Hanchuan had already turned on his computer. He was hacking into Lin Haocheng's phone to find his location.

In less than ten minutes, he found Qin Sheng's location. She was at the Qin Hotel.

Without hesitation, Fu Hanchuan picked up his car keys and drove out.

The Lin family's house was half an hour away from the Qin Hotel.

Qin Hotel.

Lin Haocheng was happy. He drank some wine, but he couldn't hold his liquor. His face was very red and he was already a little drunk.

He stood up from his seat shakily.

"Sheng Sheng, Big Brother, I'm going to the washroom to get some fresh air."

Lin Haoyu frowned. "Do you need me to go with you?"

Lin Haocheng waved his hand. "No need."

After he entered the bathroom, he splashed cold water on his face and sobered up.

When he came out of the bathroom, he happened to see a man covering a girl's eyes with a piece of cloth. He blocked her against the corner of the wall and kissed her despite the girl's struggle.

Lin Haocheng walked over and pulled the man away.

"Who is it?"

The man was in a bad mood after being interrupted.

He liked Luo Yun and had pursued her for nearly a year, but Luo Yun had never agreed to his pursuit. Luo Yun's family background was very good, and he did not dare to use force, so he had delayed it for more than a year.

Chapter 1085 - 1085 Let Him Take the Blame

1085 Let Him Take the Blame

Today, after being ridiculed by his friends, he was slightly tipsy and squatted here. When Luo Yun came to the bathroom, he blocked her way and tied her hands and eyes.

Most of the guests on the 11th floor were distinguished guests, so very few people would come.

That was why he dared to force himself on her. However, Father Luo was also in the hotel on this floor. Luo Yun had been away for too long, so it was inevitable that he would find her.

In the end, he was worried that someone would find out. He just wanted to satisfy his craving here, so he took Luo Yun to the hotel room he had booked in advance.

If he did have a s*xual relationship with Luo Yun, she wouldn't tell anyone about it and he wouldn't have to worry about her father doing anything to him.

Wu Jinghao had calculated it very well.

Seeing that he was about to succeed, but was interrupted, Wu Jinghao was furious.

When Lin Haocheng saw the man, he always felt that he was familiar. After drinking, his mind was a little slow and he didn't recognize him for a while.

Lin Haocheng stared at the man and finally recognized him, even if he was wearing a mask.

This man was Wu Wanrong's younger brother's son, Wu Jinghao.

Lin Haocheng frowned. He knew that Wu Jinghao wasn't a good person, but he didn't think that Wu Jinghao would be such a b*stard, forcing a girl in the Qin Hotel.

When Wu Jinghao saw that it was Lin Haocheng, he panicked.

Why was he here?

And this woman's background was very strong. He had never been on good terms with Lin Haocheng, so Lin Haocheng would definitely spread this matter, and his end would definitely not be good.

Wu Jinghao's eyes quickly turned.

Didn't he already put a lot of blame for Lin Haocheng? It didn't matter if he carried it again.

Lin Haocheng was a member of the Lin family. Even if he was discovered, the Luo family couldn't do anything to him. It wasn't a big loss for Lin Haocheng.

He took off his mask and stuffed it into Lin Haocheng's hand. Lin Haocheng was still a little tipsy, so he didn't react for a while.

"Lin Haocheng, what are you doing?" After saying this, Wu Jinghao immediately went to take off the rope and blindfold that tied the woman up.

“Yun’er, are you alright?” he asked with concern.

Luo Yun’s face was still wet with tears. She gritted her teeth and said, “Wu Jinghao, did you do this?”

Wu Jinghao quickly denied it. “It’s not me. I just came to save you.”

He pointed at Lin Haocheng. “I saw him using force on you, so I went up to stop him. Yun’er, you also know that I’ve been pursuing you for a year. If I wanted to do anything to you, I would have done it long ago. Why would I wait until now?”

Luo Yun didn’t doubt his words. She stepped forward and directly slapped Lin Haocheng, saying hatefully, “You actually dared to do such a thing to me! I won’t let you off.”

Lin Haocheng was slapped by Luo Yun, and there was a sharp pain on his face.

At this moment, he had completely reacted.

It turned out that Wu Jinghao had forced himself on Luo Yun. After he was discovered, Wu Jinghao simply pushed the blame on him.

Lin Haocheng looked at Wu Jinghao, frowning.

Wu Jinghao’s voice was very high. “Brother, you were drunk just now, that’s why you did that to Yun’er. How can you be so muddleheaded? You can’t hold your liquor well. Didn’t Auntie tell you to drink less?”

Lin Haocheng sneered, “Wu Jinghao, you’re really good at shifting the blame.”

Wu Jinghao approached Lin Haocheng and said in a voice that only the two of them could hear, “Cousin, just help me this once. You’re a member of the Lin family, and the Lin family has a very good relationship with the Qin family. Even if you admit that you did it, the Lin family won’t do anything to you. I’ll thank you, and your image in my aunt’s mind will be greatly improved.”

Chapter 1086 - 1086 The Biased Mother Lin

1086 The Biased Mother Lin

Upon hearing this, Lin Haocheng’s lips curled into a mocking smile. “Wu Jinghao, your wishful thinking is too good. If I admit that I did it, my future in the entertainment industry will be ruined. Do you think I will agree?”

Wu Jinghao had never taken Lin Haocheng seriously. He sneered, “Lin Haocheng, you have to agree even if you don’t want to.”

Wu Jinghao wasn't stupid. There were surveillance cameras on this floor, and as long as they checked, they would be able to find out that he was the one who did it.

Otherwise, he wouldn't have pretended to save Luo Yun just now and tried to push the blame on Lin Haocheng.

!!

He took out his phone and called Lin Haocheng's mother in front of Lin Haocheng. "Aunt, hurry over to the Qin Hotel. Cousin is drunk and wants to r*pe Luo Yun. He's been found out."

Mother Lin was doing a facial nearby and hadn't started yet. When she heard Wu Jinghao's words, she suddenly stood up from her chair. "What? It's fine if this Lin Haocheng is useless, but he actually caused me this kind of trouble? It's fine if it's an ordinary family, but this is the Luo family, and their status is not lower than our Lin family."

Then, she sat back in front of the makeup mirror and said in a deep voice, "A real man dares to admit what he did. Since Lin Haocheng caused this, then let him bear it himself."

In fact, Mother Lin was mainly afraid of embarrassing herself.

Wu Jinghao was anxious. If Mother Lin didn't come, he wouldn't be able to control Lin Haocheng. If the Luo family went to check the surveillance cameras, he would be finished.

"Aunt, you should come over. Otherwise, Uncle will blame you."

"Alright, I'll head over."

Mother Lin hung up the phone and cursed, "How unlucky!"

It was only the New Year, and this Lin Haocheng actually gave her this kind of trouble. As expected, he didn't let people rest easy.

Mother Lin picked up her bag and rushed to the Qin Hotel.

Wu Jinghao waved his phone at Lin Haocheng smugly. "Lin Haocheng, I'm still the most important person to Auntie. Even you, her biological son, have to step aside."

"As you wish." On the surface, Lin Haocheng didn't care, but an indescribable sourness had already welled up in his heart.

He would always be an unfilial son in front of his mother.

Mother Lin stubbornly believed that Lin Haocheng had embarrassed her. Since he was a child, no matter what happened, Mother Lin didn't bother to understand the cause and effect of the matter, and she would always scold Lin Haocheng.

At first, Lin Haocheng would still refute a few words, but later on, he simply didn't speak.

In Mother Lin's eyes, Lin Haocheng was someone who didn't do proper work and caused trouble every day.

Mother Lin had never let Lin Haocheng experience what maternal love was.

At this time, Luo Yun had also called her father. She was crying very hard. "Dad, Lin Haocheng gave me, gave me..."

Father Luo arrived in less than a minute.

Luo Yun cried and ran up to him. She hugged her father's arm and her tears kept falling. "Dad."

"Yun Yun, what did he do to you?" Father Luo said with heartache. He only had one daughter, Luo Yun, and he usually doted on her to the core. Now that Luo Yun was being bullied, Father Luo's face was filled with anger.

"He tied my eyes and hands, kissed me, and after that, he might have..."

At this point, Luo Yun started to cry.

Father Luo's face was extremely dark. After comforting Luo Yun, his dark eyes locked onto Lin Haocheng. "You're Lin Haocheng?"

"Yes."

Lin Haocheng had one hand in his pocket, standing there casually.

He didn't say anything else. He knew that his mother would definitely be on Wu Jinghao's side if she rushed over. Even if she knew that it was Wu Jinghao who did this, she would still make him take the blame.

This kind of thing had already happened countless times since he was young.

He did not expect Mother Lin to help him.

Chapter 1087 Go And Check The Surveillance Cameras

"Ha, the Lin family really has a good son. One is outstanding, and the other is a b*stard."

Father Luo sneered. After all, the Lin family's status was not low, and they had a close relationship with the Qin family. If it were any other matter, Father Luo wouldn't care. However, this matter concerned Luo Yun, and there were already many people watching. This matter would definitely spread, and it would ruin his daughter's reputation.

Father Luo didn't want to let Lin Haocheng off just like that.

He would pursue this matter to the end.

Meanwhile, in the private room, Qin Sheng did not see Lin Haocheng return after a long time. She said worriedly, "I'll go find Second Brother."

Lin Haoyu was worried about Qin Sheng going out alone, so he stood up as well. "I'll go with you."

Not long after leaving the private room, he saw a lot of people standing together, and Lin Haocheng was in the middle.

Father Luo was pointing at Lin Haocheng and scolding him. "Lin Haocheng, although the Luo family and the Lin family don't have a deep relationship, they still have some business dealings. Lin Haoyu's talent and character are both excellent, and you are also Lin Chengye's son. I didn't expect that you and your brother are like heaven and earth, such a scoundrel."

"I'm telling you, Lin Haocheng, the Lin family will help you get out of a lot of trouble because you're rich and powerful, but the Luo family isn't so easy to get rid of. I'll definitely pursue the matter of you humiliating my daughter."

Lin Haocheng still stood in the same place, not saying a word or retorting.

Seeing Lin Haocheng's attitude, Luo Yun's father was certain that Lin Haocheng was the one who bullied Luo Yun.

Qin Sheng rushed over. When she heard Father Luo's words, she roughly understood what was going on.

She stepped forward and pulled Lin Haocheng, asking with concern, "Second Brother, the wound on your face..."

When Lin Haocheng saw Qin Sheng, his expression softened. "Sister, don't worry. I'm fine."

Qin Sheng's lips moved. "Second Brother, I believe you. There's definitely a secret behind this. You wouldn't do such a thing."

Hearing this, Lin Haocheng was stunned, and then the corner of his eyes became wet.

This was the first time someone had said that they believed him...

Other than Mother Lin, everyone else in the Lin family was very good to him, but they had never said this to him.

His voice trembled slightly. "Sheng Sheng, thank you."

Qin Sheng held Lin Haocheng's hand. "Second Brother, you'll be fine."

Qin Sheng's hand was very warm. The warmth of her hand seeped through his skin and into his heart, driving away the coldness in his heart.

The corners of his lips lifted slightly. "Sheng Sheng, I believe you."

Lin Haoyu walked over to him and asked: "What happened?"

Luo Yun was still crying beside Father Luo. Father Luo put his hands behind his back and snorted coldly. "Lin Haocheng tied my daughter up, blindfolded her eyes and tied her hands, and molested my daughter here."

Lin Haoyu frowned. It just so happened to be the time when Lin Haocheng went to the washroom.

Even if Lin Haocheng was drunk, he would definitely not do this kind of thing. He understood Lin Haocheng. Lin Haocheng never liked to get close to women, let alone take the initiative to provoke a woman.

Lin Haocheng had also secretly complained about Luo Yun's pretense, and he could see that Lin Haocheng hated Luo Yun very much.

Lin Haoyu did not directly say that this matter was not Lin Haocheng's doing.

He preferred to make people convinced.

They wouldn't believe him if he denied it.

Lin Haoyu said expressionlessly, "Aren't there surveillance cameras? We'll know what's going on once we investigate."

The manager of the hotel said respectfully, "There's indeed a surveillance camera. I'll get someone to get it out now."

Chapter 1088 - 1088 Are You Worthy of Being a Mother?

1088 Are You Worthy of Being a Mother?

Father Luo didn't stop him. He was also sure that Lin Haocheng did this, so it didn't matter if they checked the surveillance cameras or not.

Wu Jinghao's expression changed slightly. If they checked the surveillance, he would be finished.

Why was his aunt not here yet?

Wu Jinghao was thinking of a solution when he saw the person in charge pick up his phone. He was about to shout for him to wait when he heard Mother Lin's voice. "Lin Haocheng."

Wu Jinghao heaved a sigh of relief, and his tense nerves also relaxed.

"Auntie is coming. There's no need to check the surveillance camera yet," Wu Jinghao ordered. When the hotel manager heard this, he put away his phone and did not dial the number called to check the surveillance cameras.

Qin Sheng narrowed her eyes and looked at Wu Jinghao.

A thought emerged in her mind.

Perhaps it was Wu Jinghao who framed Lin Haocheng. Although the person involved also thought that Lin Haocheng molested her, she was blindfolded and might have recognized the wrong person.

Wu Jinghao's appearance here was too coincidental.

Wu Jinghao noticed Qin Sheng sizing him up, but he did not notice Qin Sheng's strange expression.

He threw a look at Qin Sheng.

Qin Sheng was very beautiful, and Wu Jinghao's private life had always been messy. Although Qin Sheng was the Lin family's granddaughter, they were not related by blood at all.

The first time Wu Jinghao saw Qin Sheng, he had fallen for her.

However, he knew very well how much the Lin family's father and son, as well as Old Master Lin, valued Qin Sheng. He did not dare to provoke Qin Sheng casually.

There was only one time when he couldn't hold back his thoughts and went over to tease Qin Sheng. In the end, he was beaten to the ground by Qin Sheng.

Because he was in the wrong, Wu Jinghao didn't rush to complain to the Lin family.

From then on, Wu Jinghao did not dare to appear in front of Qin Sheng.

Now that more than two months had passed, Wu Jinghao had obviously forgotten about the pain.

Fu Hanchuan had already rushed over and was just in time to see Wu Jinghao looking at Qin Sheng with a teasing look. He frowned and shot a cold look at Wu Jinghao.

A chill suddenly rose from the soles of his feet, and Wu Jinghao only felt a chill down his spine.

He did not dare to look at Qin Sheng anymore.

And at this moment, Lin Haocheng was still holding Qin Sheng's hand. When Fu Hanchuan looked over, he let go of Qin Sheng.

Mother Lin rushed over and slapped Lin Haocheng's face.

Pa!

The sound was very loud.

Mother Lin used a lot of force, and Lin Haocheng's face suddenly turned to the side.

Lin Haocheng maintained this position and didn't move for a long time. Only the fists hanging by his sides slowly clenched.

No one could react to Mother Lin's actions. Even Qin Sheng did not expect Mother Lin to slap him without any explanation.

Mother Lin pointed at Lin Haocheng's nose and loudly scolded, "Lin Haocheng, I really regret giving birth to you. Every day you cause trouble for me. There's not a single day that I don't have to worry about, leaving this mess for me to clean up. Lin Haocheng, why are you my son?"

Lin Haocheng slowly looked at Mother Lin. His eyes were a little red, but he didn't say a word, forcing back the tears in his eyes.

Sure enough, she was still the same as before. Even if today's incident would ruin his reputation and make him unable to lift his head in front of others...

Qin Sheng protected Lin Haocheng behind her.

It was rare for her to be angry.

Her eyes were locked on Mother Lin, and her hands and feet were cold. Her voice was very cold. "Are you worthy of being a mother?"

Mama Lin sneered, "I gave birth to him. If it wasn't for me, he wouldn't even exist. How am I not worthy?"

Chapter 1089 - 1089 Don't Waste Time Here

1089 Don't Waste Time Here

She said the same thing as Lin Shuya.

A mocking look flashed in Qin Sheng's eyes. "If you're really his mother, why didn't you ask about the situation? Coming up to criticize, have you ever thought that this matter was not done by Second Brother?"

Mother Lin was certain that Lin Haocheng had done something to Luo Yun. Hearing this, she said sarcastically, "No, ha, is that possible? How much trouble has Lin Haocheng caused me since he was a child? He's a troublesome thing!"

Qin Sheng's heart ached for Lin Haocheng even more when she heard that. Lin Haocheng must have suffered a lot because of his mother.

!!

Lin Haocheng's gaze had been on Qin Sheng the entire time. Seeing Qin Sheng protecting him, his heart felt warm.

His sister deserved everyone's care and concern.

He gave Qin Sheng a comforting smile.

Qin Sheng retracted her gaze.

She had never addressed Mother Lin as 'Aunt' because she was not worthy of it. At this moment, Qin Sheng even addressed her by her name. "Wu Wanrong, have you ever thought that you've misunderstood Second Brother from the beginning?"

“Ha, that’s impossible,” Mother Lin sneered. “If there was really a misunderstanding, why didn’t Lin Haocheng mention it? If this isn’t in the wrong, what is it?”

Mother Lin was very displeased with Qin Sheng’s questioning tone. She was Qin Sheng’s elder. It was fine if Qin Sheng was usually disrespectful to her, but now, she actually dared to question her in front of so many people.

Wasn’t this humiliating her? People would think that she was a good-for-nothing who couldn’t even subdue a junior.

Mother Lin frowned. “Qin Sheng, do you have any manners? I’m your aunt! How dare you talk to me like this.”

Qin Sheng chuckled. “Of course, my upbringing can’t be compared to yours.”

She turned around and instructed the hotel manager, “Go and get some ointment.”

“Yes, Miss Qin.” The hotel manager agreed very respectfully. Qin Yufei was worried that he would not be able to take good care of Qin Sheng when she came over to the Qin Hotel one day, so he specially told the hotel manager that Qin Sheng was his daughter and that he had to treat Qin Sheng well when he saw her.

Therefore, the hotel manager did not dare to neglect Qin Sheng. He quickly passed down Qin Sheng’s instructions and even asked the waiter to bring a chair over.

Qin Sheng personally treated the swelling on Lin Haocheng’s face. Lin Haocheng closed his eyes in enjoyment and was a little glad that he had this wound.

Fu Hanchuan frowned as he watched from the side.

He did not stop Qin Sheng’s actions.

Father Luo was getting impatient. “Lin Haocheng touched my daughter. How will the Lin family deal with this matter? I’m telling you, if you don’t give me a satisfactory result, my Luo family will never let this matter rest. Your Lin family is rich and powerful, but our Luo family is not bad either.”

Mother Lin smiled apologetically. “Then how do you want to deal with it? Our Lin family can accept that.”

At that moment, Lin Haoyu came back with his phone. He had just left for a while, to give Father Lin and Old Master Lin a call.

Usually, he wouldn’t call them, but this time, it concerned Lin Haocheng’s life, so he didn’t dare to be careless.

Lin Haoyu shot a glance at Mother Lin and said coldly: "Wait, this matter hasn't been investigated yet. Don't come to a conclusion too early."

"The evidence is conclusive," Father Luo sneered. "What else can you explain?"

"Yes, it's very obvious. It was Lin Haocheng who did it. Haoyu, let's not waste our time here," Mother Lin said with a frown. She had already made a reservation at the beauty salon.

If it wasn't for Lin Haocheng's matter, she would already be doing skincare in the store.

1090 I Did This

Lin Haoyu knew that Mother Lin's heart was highly biased and he did not pay her any attention.

He smiled. "If there's evidence, the Lin family will be convinced. We won't run away from the responsibility. Since you're sure that Haocheng did it, what's the harm in investigating? What do you think, Chairman Luo?"

Father Luo looked at Luo Yun, who pointed at Lin Haocheng and said, "I'm sure it was him. He kidnapped me and humiliated me. I smelled a strong alcohol smell at that time."

Lin Haoyu frowned. "Who else saw that?"

!!

"Wu Jinghao." Luo Yun answered honestly, "it was Wu Jinghao who pulled Lin Haocheng away. He was also the one who helped me untie the ropes."

When Lin Haoyu heard that, his tightly furrowed brows gradually relaxed, and he looked at Wu Jinghao thoughtfully.

Wu Jinghao seemed to have been seen through by Lin Haoyu.

In the Lin family, one of the people he was most afraid of was Lin Haoyu. Lin Haoyu usually spoke very little, but Wu Jinghao had always been very respectful to him, not daring to provoke him.

He suppressed the fear in his heart.

Lin Haoyu raised an eyebrow. "So Little Cousin knows how to act bravely for a just cause."

Wu Jinghao discreetly wiped the sweat off his forehead and forced a smile. “I like Yun’er and have been pursuing her for a year. I don’t want anything to happen to her. Besides, Aunt is good to me. Brother Haocheng can’t do something so irreparable.”

Lin Haocheng smiled and didn’t speak.

Qin Sheng glanced at Wu Jinghao, then said, “Check the surveillance cameras.”

When Wu Jinghao heard the words ‘check the surveillance cameras,’ his heart tightened and he was very nervous. Even his palms were sweating.

Lin Haoyu: “Alright, check the surveillance cameras. We’ll know who did it with a single glance.”

Wu Jinghao was very nervous. “You can’t check the surveillance cameras!!”

Immediately, everyone looked at Wu Jinghao.

Wu Jinghao’s heart was beating fast. He was scared.

“Why?” Lin Haoyu’s eyes were fixed on Wu Jinghao.

Wu Jinghao forced a smile. “If we take out the surveillance camera and everyone sees the scene, wouldn’t we be destroying Brother Haocheng and Yun’er?”

“There will only be our two families watching, you don’t need to worry.”

“But...” Wu Jinghao couldn’t find any other reason. His forehead was covered in cold sweat.

Qin Sheng ignored Wu Jinghao’s hushing. She turned her head and ordered the hotel manager, “Bring me the surveillance camera footage.”

“Yes.” The hotel manager picked up his phone and began to give orders to his subordinates.

Wu Jinghao’s face was extremely pale.

After the hotel manager hung up, he said respectfully, “Miss Qin, Chairman Luo, President Lin, it’ll take 15 minutes to get the surveillance footage. Let’s go in and have a seat.”

Lin Haoyu’s eyes swept over to some of the people who were just watching the show. “You cannot tell anyone about this.”

The few of them quickly agreed to it. They could not afford to offend the Lin Corporation and naturally did not dare to disobey Lin Haoyu.

Lin Haoyu retracted his gaze and they went together into another private room that the hotel manager had prepared for them.

Wu Jinghao clenched his fists and called Mother Lin outside.

“Hao’er, what’s the matter?” Mother Lin asked with a frown.

Wu Jinghao bent his knees and knelt in front of Mother Lin. He slapped himself in the face, but he didn’t use much force.

Mother Lin’s brows furrowed even more tightly. She had a bad feeling in her heart.

As expected, she heard Wu Jinghao cry and say, “Auntie, actually, actually, I did this.”

Mother Lin couldn’t believe it. “Y-you did this?”

“Yes.” Wu Jinghao looked regretful. “Auntie, I didn’t do it on purpose. I like Luo Yun. I’ve been pursuing her for a year, but she didn’t agree. I had some drinks today and got drunk, which is why I made such a mistake.”
