

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1091 - 1091 Let Him Apologize On His Behalf

1091 Let Him Apologize On His Behalf

“I’m afraid that the Wu family’s financial situation isn’t good. If the Luo family were to pursue the matter, I wouldn’t end up well. Even the Wu family would be implicated. I thought that the Luo family couldn’t do anything to Cousin Haocheng, so I came up with this idea.”

Wu Jinghao grabbed Mother Lin’s hand and sobbed, “Auntie, I really know I’m wrong. I won’t do it again. They’re going to check the surveillance cameras now. If they find out, I’m finished. Auntie, help me.”

Mother Lin pulled Wu Jinghao up. “It’s okay, I will help you. This is not your fault. Lin Haocheng is your cousin. It’s his duty to help you.”

Wu Jinghao’s eyes lit up with hope again. “Thank you, Auntie.”

He thought of something and his eyes dimmed again. “But Uncle...”

“Don’t worry, your uncle is fine,” Mother Lin promised.

Hearing this, Wu Jinghao’s anxious heart was relieved. With Mother Lin helping him, there shouldn’t be any problems. After all, she had helped him settle many things.

It would be the same this time.

Wu Jinghao and Mother Lin returned to the hotel room.

Mother Lin came to Father Luo. “Chairman Luo, we have something to discuss. Can you give us some space?”

Father Luo frowned. As soon as Wu Wanrong came, she reprimanded Lin Haocheng, so she probably wouldn’t side with Lin Haocheng.

He nodded and said, “Alright, I’ll give you some time. However, if you dare to shirk your responsibility, the Luo family will pursue this matter to the end.”

“Yes, I will,” Mother Lin smiled apologetically.

After Father Luo left, Mother Lin looked at Qin Sheng and Fu Hanchuan and ordered, “You guys leave too.”

She always felt that Qin Sheng’s presence would be a hindrance to her.

Qin Sheng sat on the sofa and did not move.

Mother Lin was just about to reprimand Qin Sheng when Lin Haoyu spoke up. “Sheng Sheng is also a member of the Lin family. There’s no need for Sheng Sheng to avoid anything that has to do with the Lin family.”

Mrs. Lin was speechless. Father Luo didn’t give them much time and she didn’t want to waste it.

“Lin Haocheng,” she said directly, “you can directly apologize to the Luo family later.”

Qin Sheng glanced at Wu Jinghao when she heard that. She finally understood why Wu Jinghao had dragged Mother Lin out earlier.

Qin Sheng frowned and said, “Let’s wait for the surveillance cameras. If they show that it was indeed Second Brother who did it, Second Brother will take responsibility for it.”

Mother Lin glared at Qin Sheng, clearly opposing her.

Mother Lin suppressed the anger in her heart and said in a deep voice, “Lin Haocheng, you speak.”

Lin Haocheng lowered his eyes, his voice muffled. “I didn’t do this. Everything was done by Wu Jinghao. I stopped him and Wu Jinghao pushed all the blame on me.”

Normally, Lin Haocheng might directly admit his mistake. No one would stand on his side. Even his biological mother would not care about his wishes.

However, he did not want to disappoint Qin Sheng, who was so protective of him.

He had to fight for himself.

It was rare for Mother Lin to soften her voice when talking to Lin Haocheng. “Haocheng, Mom knows it’s not your fault, but Wu Jinghao is your brother. This matter has a very bad influence on him. You have to help him.”

Lin Haocheng’s eyes were very dark. “Mom, don’t you care about my reputation? I’m an actor. If this gets out, the entertainment media will hype it up and I’ll be attacked by the entire internet.”

Mother Lin sneered, "Isn't it just an actor's job? So what if it is lost? You have your brother to take care of you at home. Just the company's annual dividends are enough for you to live without worry. But my brother only has one son, Hao'er. He is the hope of the Wu family. If something happens to him, what do you want the Wu family to do? You can't just sit back and do nothing," Mother Lin said matter-of-factly.

Chapter 1092 - 1092 Who Dares To Make My Grandson Apologize?

1092 Who Dares To Make My Grandson Apologize?

Lin Haocheng took a few steps back, his eyes filled with mockery and ridicule. "Mom, don't you think your heart is very biased? You want me to take responsibility for the trouble Wu Jinghao caused. Whatever Wu Jinghao likes, you take it from me and give it to him. Even this matter that concerns a lifetime's reputation, which is clearly Wu Jinghao's fault, you want to push it all on me?"

At this moment, the hotel manager knocked on the door and came in.

"Miss Qin, the surveillance video is here, and I've also brought a computer."

The hotel manager sensed that the atmosphere in the private room was not right. After putting down the things, he left.

!!

Qin Sheng nodded and walked over to insert the surveillance video into the computer. She then copied the video and placed it on the desktop of the computer.

She did not open it.

When Mother Lin heard Lin Haocheng's accusation, she didn't feel any guilt. She admitted that she was biased, but she wasn't wrong.

Lin Haocheng had always been a troublesome person. He usually didn't listen to her, causing her to lose a lot of face outside.

Mother Lin felt that giving birth to Lin Haocheng was already the best she could do for him, so she didn't feel that it was inappropriate to ask Lin Haocheng to do so.

She was insistent. "Lin Haocheng, you can't disagree with what happened today. In short, you have to apologize to the Luo family. You can't let everyone know that Hao'er did this."

Lin Haocheng pursed his lips and remained silent, not saying a word. Only the fists hanging by his sides revealed his mood.

Lin Haoyu did not say anything either. He knew very well that his words of persuasion would be of no use and he could only wait for them to come over.

Lin Haoyu lifted his hand to look at his watch. They still had about seven minutes left.

Qin Sheng narrowed her eyes at Mother Lin. She actually felt that Wu Wanrong and Lin Shuya were the same.

Perhaps, her Second Brother could get rid of Wu Wanrong completely.

Qin Sheng came to Lin Haocheng's side. "Everything will be decided by the truth. It's not your place to meddle in Second Brother's life."

Qin Sheng turned to Lin Haocheng and said softly, "Second Brother, you don't have to compromise."

Lin Haocheng's lips were pursed into a straight line. After a long while, he opened his mouth, his voice a little choked. "Sheng Sheng, I've troubled you."

Qin Sheng smiled. "You're my Second Brother."

They were good to her, so she would naturally treat them with sincerity.

Mother Lin knew that Qin Sheng had a glib tongue and she would not be able to gain an advantage in front of her.

She ignored Qin Sheng and ordered, "Lin Haocheng, you must apologize to her today, or else you don't need to call me Mom. I don't have a disobedient son like you."

Wu Jinghao's heart, which had been in his throat, was completely at ease.

Come to think of it, with his aunt threatening Lin Haocheng like this, Lin Haocheng wouldn't disagree to take the blame for him.

At this moment, Father Luo and Luo Yun pushed the door open and entered.

Father Luo glanced at the room with a sneer in his eyes. "Have you come up with a solution?"

Mother Lin walked up and smiled apologetically. "Chairman Luo, you can do whatever you want to him. Although I'm his mother, I'm not an unreasonable person. Lin Haocheng was indeed in the wrong, so I will definitely not cover up for him."

“Who dares to make my grandson apologize?!”

A strong-willed voice sounded at the door. It was Old Master Lin, followed by Father Lin.

Father Luo put his hands behind his back and sneered, “Lin Haocheng privately humiliated my daughter, and my daughter’s reputation was ruined by him. Don’t even think about covering up for him.”

Old Master Lin ignored Father Luo. His cold eyes fell on Mother Lin. “Wu Wanrong, you’re telling the Luo family to deal with Haocheng as they please?”

All-Mighty Girl Gets Spoiled by A Bigshot

Mother Lin straightened her back. "Yes, Haocheng was the one who did it. It's understandable for the Luo family to come and demand an explanation."

"Haocheng was wrong? Doesn't the hotel have surveillance cameras? Then show me the surveillance footage, and we'll see who's at fault."

Old Master Lin looked at Wu Jinghao.

Wu Jinghao tried his best to reduce his presence, and his palms were sweating.

If they were here, then he...

Wu Jinghao's face turned pale.

Upon hearing Old Master Lin's words, Mother Lin's reaction was intense. "You can't check the surveillance cameras!"

"Investigate!"

Qin Sheng went to the computer. "Grandpa, the surveillance camera footage is here."

She pressed the play button.

An image suddenly appeared in front of everyone.

The entire video was only ten minutes long. Wu Jinghao and Lin Haocheng's figures were very similar, but their hairstyles and outfits were obviously different. Wu Jinghao's hair was very long, dyed, and had ear holes.

Luo Yun's face gradually turned pale.

It was actually Wu Jinghao!

Compared to Wu Jinghao, she'd rather Lin Haocheng molest her.

Wu Jinghao was a wastrel in love, and she had seen him being intimate with other women a few times. Moreover, Wu Jinghao came from a poor family, so Luo Yun had always looked down on him.

It was just that Luo Yun had a strong sense of vanity. She enjoyed Wu Jinghao's pursuit and had been hanging on to him.

Luo Yun had never thought that Wu Jinghao would one day lay his hands on her.

Old Master Lin snorted coldly. "Wu Wanrong, even if you're biased toward your elder brother's son, you still have to have a lower limit. You pushed your own son to take the blame! Are you worthy of being Haocheng's mother?"

Mother Lin tried to defend herself. She straightened her neck and said, "The Wu family only has one son, Hao'er. If something happens to him, what will the Wu family do? Haocheng is different. They won't go too far with Haocheng for the Lin family's sake."

Old Master Lin laughed in anger at Mother Lin's matter-of-fact attitude. "Then do you know that this will affect Haocheng's reputation? Also, are you trying to lower our Lin family's status in front of the Luo family?"

Mother Lin gritted her teeth. "If Haocheng's reputation is ruined, there will still be women willing to marry him. As for the job in the entertainment industry, it's fine."

Old Master Lin had a headache. He didn't want to bother with Mother Lin anymore.

He wasn't an old fogey. Lin Haocheng was an actor. What was wrong with making money with his own efforts?

"I will definitely not let my grandson carry such a baseless accusation."

He turned to Father Luo and said, "This was done by Wu Jinghao. It has nothing to do with Haocheng. Your Luo family should go and find Wu Jinghao."

Father Luo didn't expect this to be the result.

Today's matter had caused a huge ruckus, and it was likely that this matter had already spread. His daughter's reputation would also be destroyed. If his daughter wanted to marry into a rich and powerful family, it would be very difficult.

Father Luo clenched his fists, but he didn't relent. "Wu Jinghao has something to do with your Lin family. How about this? I won't pursue the matter with Wu Jinghao, but I have one condition."

Mother Lin saw that things had taken a turn for the better and quickly said, "Chairman Luo, what are the conditions?"

Wu Jinghao's eyes also lit up.

Father Luo: "Let's just go with the flow and let Haocheng and my daughter get married. At the same time, we can spread the news online that they've been in love for a long time. What happened today was just an accident. This way, Wu Jinghao and my daughter's reputation won't be ruined."

Father Luo's plan was very well thought out. The Lin family and the Qin family had a close relationship. Even his new granddaughter's boyfriend was from the Lu family. The Lin family's development would not be bad in the future.

He could also use this to get into the Qin and Lu families.

Chapter 1094 - 1094 Asking Them For Help

1094 Asking Them For Help

Mother Lin thought that Father Luo's suggestion was good. She nodded. "Okay, it's Haocheng's good fortune to be able to marry your daughter."

She didn't notice Father Lin and Old Master Lin's anger. Instead, she was very proud of herself. She felt that Lin Haocheng had gotten off easy by getting married to Luo Yun.

Otherwise, with Lin Haocheng's ability, a wealthy family like the Luo family wouldn't even look at him.

"I don't agree." Old Master Lin's face darkened. "Wu Wanrong, the marriage of our Lin family's grandson is not for you to decide!"

!!

"Dad, I'm Haocheng's mother. What's wrong with marrying the daughter of the Luo family?" Wu Wanrong said, feeling wronged.

Old Master Lin sneered, "Wu Wanrong, do you know that Luo Yun isn't a good person? In high school, she slept with a man at such a young age, and she had a miscarriage? Our Lin family isn't one to pick up trash."

At that time, the Luo family had kept this matter a secret very tightly, but some news had still been spread.

Luo Yun's face turned pale when this matter was exposed so openly.

She tugged at Father Luo's suit jacket and bit her lower lip. "Dad..."

Hearing this, Father Luo's face darkened. He knew that with Old Master Lin around, it would be impossible for them to rely on Lin Haocheng.

He flung his hand and flew into a rage out of humiliation. "Lin Haocheng is just an actor in the entertainment industry. What future can he have? It's fine if my daughter doesn't want to enter the Lin family, and..."

Father Luo stared at Wu Jinghao. Wu Jinghao was standing in the corner, trying to reduce his presence.

Wu Jinghao noticed Father Luo's gaze, and cold sweat started to form on his forehead.

Father Luo's face darkened. "Wu Jinghao, I won't let you off, including the Wu family and the Lin family. You're on your own now."

In fact, Father Luo didn't dare to go against the Lin family. He was just trying to save face and find a way out for himself.

"Yun Yun, let's go."

Luo Yun followed her father and walked quickly. There were still tears on her face, and she looked very pitiful. Before she left, she glanced at Fu Hanchuan.

As soon as Fu Hanchuan appeared, she noticed him. Fu Hanchuan was extremely handsome and his temperament was hard to ignore. Luo Yun had a good impression of Fu Hanchuan.

When they were in the private room, she had been secretly observing Fu Hanchuan.

However, Fu Hanchuan's eyes were fixed on Qin Sheng, and he did not hide the affection in his eyes.

Luo Yun tried to attract Fu Hanchuan's attention, but he did not even look at her.

Even when she was leaving, Luo Yun did not even get a glance from Fu Hanchuan.

Luo Yun left with her father unwillingly.

The door of the private room was closed.

Old Master Lin's cold eyes pierced Wu Jinghao. He sneered, "Wu Jinghao, how dare you frame my grandson and even encourage Wu Wanrong to let Haocheng take the blame? Ha, you're really capable!"

Wu Jinghao walked over quickly and knelt down in front of Old Master Lin.

“I was wrong. I was just muddled for a moment. I won’t do it again next time.”

Wu Jinghao wiped away the tears on his face and looked up with hope in his eyes. “Uncle, Grandfather, please help me. If the Luo family does anything to me, I’m finished. With your abilities, you’ll definitely be able to help me. If you can’t, don’t you still have the Qin family?”

“Why should I help you?” Old Master Lin retorted mercilessly. “You have a relationship with Wu Wanrong, not me.”

Father Lin was also silent. It was obvious that he didn’t want to help Wu Jinghao.

All-Mighty Girl Gets Spoiled by A Bigshot

Wu Jinghao turned to Mother Lin and pleaded, "Auntie, please help me. If you don't help me, Grandpa, Grandma, and Dad will blame you. My family is your backing."

Mother Lin pinched the corner of her clothes.

The Lin family had never been good to her. They only gave her 3 million yuan a month, while the Qin Corporation's monthly revenue was 20 billion yuan. The Lin family didn't care about her, and Old Master Lin wanted her to divorce Lin Chengye every day.

If even the Wu family abandoned her, her life would be very difficult.

Mother Lin had made up her mind. She was about to speak when Old Master Lin interrupted her, "Wu Wanrong, the Lin family will not help an outsider and let our own family suffer."

Mother Lin bit her lip.

Didn't his words mean that she, Wu Wanrong, was also an outsider?

"I'm not an outsider," she argued.

"Very soon," Old Master Lin snorted coldly.

Mother Lin understood what Old Master Lin was trying to say and reacted strongly. "No, you can't divorce me. I gave birth to Haoyu and Haocheng and have done a great service for the Lin family. You can't abandon me just because I'm useless now."

Old Master Lin didn't answer.

He waved at Qin Sheng. "Sheng Sheng, let's go."

"Alright," she said. Qin Sheng nodded and helped Lin Haocheng out.

Old Master Lin and Father Lin walked in front, while Mother Lin blocked Lin Haocheng's way. She gritted her teeth and angrily said, "Lin Haocheng, you're all grown up now, I can't control you, right? I'm telling you, don't call me Mom anymore."

Lin Haocheng's face was a bit pale, and he didn't speak.

He didn't react to Mother Lin's words.

In the past, he would still try to please Mother Lin. But today, he was completely disappointed.

Qin Sheng looked at her coldly. "It's our honor."

With that, Qin Sheng hugged Lin Haocheng's arm and walked around Mother Lin to leave.

As Lin Haoyu walked past Mother Lin, his steps came to a stop. "Mother, you've indeed gone too far in this matter."

His voice was filled with unconcealed disappointment.

"Haoyu, you!"

Mother Lin turned to look at Lin Haoyu, not daring to believe that Lin Haoyu would speak to her in such a manner.

Soon, only Mother Lin and Wu Jinghao were left in the private room.

Mother Lin stood in place, feeling wronged. Why couldn't anyone understand her?

Couldn't they be more understanding of her difficulties?

Lin Haocheng and Qin Sheng were always going against her, and Old Master Lin wanted her to divorce Lin Chengye, so she let them be.

But what about Lin Haoyu and Lin Chengye?

Why didn't he stand up for her?

--

When they returned to the Lin family, the entire family was very quiet. Lin Haocheng sat on the sofa, not saying a word. Qin Sheng was worried and stayed by his side.

Qin Sheng's concern for Lin Haocheng was not only because Lin Haocheng had been wronged, but also because Lin Haocheng, like her, had a mother who disliked him in every way.

They were in the same boat.

Father Lin was the first to speak. There was a sense of guilt in his voice. "Haocheng, I'm sorry. I didn't manage your mother well and let you suffer."

Old Master Lin laughed coldly. "Do these things happen rarely? It's just that the previous incidents were not as serious. Lin Chengye, women like Wu Wanrong cannot be tolerated in the Lin family. I'll give you two choices."

"One is to get a divorce. The second is for you to leave the Lin family together."

This was the first time Old Master Lin had been so unyielding.

All-Mighty Girl Gets Spoiled by A Bigshot

Father Lin was silent. He was still hesitating.

Old Master Lin shook his head in disappointment.

Lin Chengye was too worried and indecisive. He usually couldn't control Wu Wanrong and wouldn't be ruthless, which was why Lin Haocheng had suffered so many grievances since he was young.

Mother Lin had just returned from the hotel when she heard Old Master Lin's words.

She was stunned and then rushed in. "No, you can't get a divorce."

In a moment of agitation, Mother Lin blurted out without thinking, "You old hag, you're always meddling in my affairs with Chengye. You're always thinking about getting us to divorce. What are you up to?"

"Wu Wanrong." Father Lin stood up. He was so angry that his entire body was trembling. He slapped Mother Lin's face.

He hit Wu Wanrong not only because of Mother Lin's scolding of Old Master Lin, but also because of Wu Wanrong's favoritism in the hotel today and her insistence on pushing the matter to Lin Haocheng.

He rarely spoke. He had been holding back, and his face was very dark.

At this moment, he exploded.

Mother Lin's face immediately turned to the side.

She was stunned. She didn't expect Father Lin to hit her.

After a long while, she turned her face around. Her face was red and swollen. "Lin Chengye, you hit me?"

"Wu Wanrong, can't you be more sensible? I can bear with your usual antics, but what are you doing today?"

Mother Lin felt wronged. "I just wanted to help the Wu family. What did I do wrong?"

Father Lin was so angry that he laughed at Mother Lin unreasonable behavior. "Then go and help him. What does it have to do with Haocheng?"

Old Master Lin closed his eyes, not wanting to see them argue.

"Lin Chengye, make your choice," he said directly. "No matter what, I will not allow an outsider to stay in the Lin family and bully my grandson and granddaughter."

Father Lin fell silent again.

When Mother Lin saw Father Lin's expression, a glimmer of hope appeared in her eyes. If Lin Chengye did not agree to the divorce, this old man could not do anything to her.

The corners of her lips curled up in a smug smile.

At this time, Fu Hanchuan came in from outside with a document.

"Uncle, perhaps you can take a look at this."

After Fu Hanchuan handed the document to Father Lin, he sat down beside Qin Sheng and smiled. "Don't worry, Sheng Sheng. This matter will be resolved."

Mother Lin's heart was filled with a very bad feeling. Her eyes were fixed on the document.

Father Lin flipped open the document.

On it were some of the things that Mother Lin had done to Lin Haocheng.

Father Lin's face darkened. He threw the documents on the table. "Wu Wanrong, I thought you were only bad to Haocheng in the past few years! But you've been like this since he was young!!"

Father Lin was so furious that he was almost drowned in remorse. This time, he did not hesitate anymore. "Let's get a divorce!"

Mother Lin snatched the document over and flipped through it. Only then did she truly realize the seriousness of the matter.

She was completely flustered. "Chengye, I know I was wrong. Don't divorce me. I will treat Haocheng well in the future and fulfill my responsibility as a mother. Chengye, I was just deceived and thought that Haocheng really did those things."

"You didn't find out the truth, but you went to blame your son. Wu Wanrong, you're really capable!"

Father Lin closed his eyes. He did not hesitate any longer. "Let's get a divorce tomorrow."

Father Lin's tone was very firm, and Mother Lin fell to the ground completely.

When he looked at Lin Haocheng, Father Lin's tone was very guilty. "Haocheng, Dad is sorry. I didn't discover these problems early."

Lin Haocheng didn't respond to him.

All-Mighty Girl Gets Spoiled by A Bigshot

1097 A Successful Divorce

"You can't divorce me, Chengye. We've been married for over twenty years. You can't abandon me like this!" Mother Lin grabbed onto Father Lin's pants and begged.

Father Lin pulled her away and did not stay in the living room anymore. He returned to the study.

Mother Lin then looked at Lin Haocheng and Lin Haoyu pleadingly. "Haoyu, Haocheng, you're both my sons. Help me plead for mercy and ask your father not to divorce me, alright? Otherwise, you won't have a mother."

Lin Haoyu and Lin Haocheng both turned their heads to the side and did not answer.

It was obvious that they were unwilling to agree.

Mother Lin lost all her strength.

Her face was extremely pale.

She was usually pretentious, but Father Lin only reprimanded her a few times. She had never thought that there would be a day when they would get a divorce.

She glared at Qin Sheng and Fu Hanchuan.

It was all their fault. If it weren't for the two of them, Lin Haocheng would have already apologized, and Lin Chengye wouldn't have divorced her.

Qin Sheng naturally noticed Mother Lin's gaze.

"Wu Wanrong, you're the one who messed up your own good hand of cards. You can't blame anyone else," she said with a sneer.

Mother Lin gritted her teeth. "No, I won't get a divorce. The Lin family should just give up on this."

The next morning, Mother Lin moved her things back to the Wu family, afraid that Father Lin would take her to get a divorce certificate.

After all, many women could not marry into a wealthy family like the Lin family no matter how hard they tried. She did not want to give up.

Father Lin let her be.

After the tenth day of the New Year, Father Lin still hadn't come. Mother Lin thought that Father Lin had given up. Before she could heave a sigh of relief, a court summons was sent to the Wu family. It was Father Lin who filed for divorce.

The Lin Corporation's legal team was very strong, and Lin Haoyu had asked the company's legal team to help Father Lin with the divorce case.

Without a doubt, Mother Lin had lost.

The court had decided that Mother Lin would be able to get half of Father Lin's assets.

Mother Lin had thought that she would at least get a few billion yuan and a share of the Lin Corporation. However, when she saw the 20 million yuan, she was dumbfounded.

She ran over to question Father Lin.

Father Lin only replied, "My father has long taken back my shares. The money I have on me is only 40 million. This is all I can give you."

Mother Lin was naturally unwilling and made a big fuss.

Father Lin asked the servants to drag Mother Lin away.

Mother Lin had no choice but to return to the Wu family. Ever since Father Lin and Mother Lin had decided to get a divorce, Lin Haoyu had removed all of the Wu family members from their positions in the Lin Corporation, even if they were just idle positions.

Lin Haoyu had never been willing to provide for the Wu family, but under the coercion of Mother Lin, he had arranged some idle jobs for the Wu family.

Since Mother Lin was divorced, he didn't have to let the Wu family do whatever they wanted in the Lin Corporation.

It didn't take long for Mother Lin's money to be scammed out by the Wu family.

Wu Jinghao was also a spendthrift. The Wu family doted on him, and not long after, the Wu family's savings from the Lin family were all squandered away by Wu Jinghao.

Mother Lin's life in the Wu family was not good, and she once regretted her actions.

She had even sought out Lin Haocheng and Lin Haoyu countless times, hoping that they would agree for her to return to the Lin family. Naturally, they did not agree.

The two of them only did their part as sons. They transferred 30,000 yuan to Mother Lin every month and didn't care about anything else.

Of course, this was a story for later.

At the Lin family's side.

After Mother Lin left, Lin Haocheng rarely spoke, changing from his previous playful personality.

Qin Sheng was worried that Lin Haocheng would take things too hard, so she stayed by his side all the time. She even ignored Fu Hanchuan a lot.

C

1098 Lin Haocheng's Little Scheme

She had stayed at the Lin family's residence for four whole days.

For the past four days, Fu Hanchuan had been in a vat of jealousy, and his face was extremely sullen.

Lin Haoyu's mood was clearly not good as well.

The person Qin Sheng cared about the most was Fu Hanchuan, so it was understandable that Qin Sheng would stick to Fu Hanchuan.

But now, Qin Sheng had been with Lin Haocheng the entire time, and that made Lin Haoyu uncomfortable. He did not wish to have a lower position in Qin Sheng's heart than Lin Haocheng.

On this day, Qin Sheng was in Lin Haocheng's room, chatting with him.

Downstairs, Lin Haoyu and Fu Hanchuan were both sitting on the sofa, their expressions very serious, not saying a word.

They sat there for half an hour.

Lin Haoyu looked at Fu Hanchuan and finally spoke. "This is not Lin Haocheng's character."

Fu Hanchuan agreed. "He's obviously just pretending to gain her sympathy."

Lin Haoyu frowned. "With Lin Haocheng's personality, I think he'll keep on pretending. Fu Hanchuan, let's join forces. What do you think?"

"Yes." Fu Hanchuan agreed.

This was the first time the two of them had formed an alliance.

The next morning, Lin Haocheng got up to drink some water. He went downstairs and hummed along the way.

"Haocheng," Lin Haoyu shouted.

Lin Haocheng saw Lin Haoyu sitting on the sofa and his expression changed, instantly becoming gloomy and indecisive.

"Big Brother, what's the matter?"

Lin Haoyu sneered. "Lin Haocheng, your acting skills are really good. Sheng Sheng believes you."

Lin Haocheng knew that he would not be able to hide it from Lin Haoyu and decided to drop his act. He came to Lin Haoyu's side. The corners of his lips lifted, looking very pleased with himself. "That's true, I'm an Oscar-winning Best Actor. This title is not for show."

Lin Haoyu put down the cup of tea in his hand. "Lin Haocheng, you've let Sheng Sheng keep you company these past few days, how's your mood?"

It was not hard to hear that Lin Haoyu's voice was tinged with a tinge of sourness.

Lin Haocheng could tell, and he said with a smile, "Big Brother, you don't have to be envious. A crying child gets candy. Maybe one day, you'll be taken care of by Sheng Sheng."

Lin Haoyu glanced at Lin Haocheng. "You're not worried that Sheng Sheng will find out?"

Lin Haocheng confidently patted his chest. "No, I'm the famous Best Actor."
"Second Brother,"

Qin Sheng came down from upstairs.

Upon hearing Qin Sheng's voice, Lin Haocheng, "..."

His face stiffened for a moment.

He turned his head mechanically to look at Qin Sheng. Fu Hanchuan was following Qin Sheng.

Lin Haocheng was no fool and he immediately understood why Lin Haoyu would say all this to him out of the blue.

"F*ck!" Lin Haocheng cursed. He had miscalculated.

If he had known earlier, he would have pretended to the end.

Lin Haocheng glared fiercely at Lin Haoyu, but Lin Haoyu only responded with a smile.

At this moment, Qin Sheng had already come over.

"Second Brother, are you fine?" she asked, raising her eyebrows.

Lin Haocheng slowly stood up. He lowered his head and looked at his toes, like a student who had done something wrong.

"Sheng Sheng, I'm fine now. I've suddenly thought it through this morning."

"That's good." Qin Sheng's eyes were smiling, but she did not expose Lin Haocheng.

On the contrary, she was very happy that Lin Haocheng could get over it.

Fu Hanchuan tilted his head. "Sheng Sheng, you're going to start school soon. Let's move back to the Fu Garden."

Qin Sheng nodded without hesitation.

She had to go back and do her research.

Lin Haocheng secretly gritted his teeth. If it was any other time, he would definitely think of ways to make Qin Sheng stay, but he was in the wrong now and could not do anything.

Hence, Lin Haocheng could only watch Fu Hanchuan leave with Qin Sheng.

Chapter 1099 Plotting Against Him With Fu Hanchuan

After they left, Lin Haocheng gritted his teeth and said, "Big Brother, I didn't expect you to gang up with Fu Hanchuan to plot against me. We're brothers. Fu Hanchuan is a stinky man who wants to abduct our sister, and you're actually on his side?"

Lin Haocheng had only wanted to pretend for two days, but Qin Sheng kept him company. He enjoyed Qin Sheng's care and concern.

If he had recovered, Qin Sheng would definitely have gone back with Fu Hanchuan. Fu Hanchuan had always been possessive of Qin Sheng and was not easily jealous of him. If he wanted to have such an opportunity again, it would be as hard as ascending to heaven.

Therefore, Lin Haocheng's act lasted for four days. If he wasn't exposed, he would have continued to act.

Lin Haoyu took a sip of the tea and savored it carefully.

Hearing this, he chuckled. "If I didn't plot against you, then Sheng Sheng would have been by your side all the time, and you would have pretended to be pitiful from time to time to gain her favor. Lin Haocheng, when the time comes, Sheng Sheng will care more about you."

Lin Haoyu was naturally not willing to see such an outcome.

He couldn't compare to Fu Hanchuan, but he couldn't lose to Lin Haocheng.

It could be said that Lin Haocheng and Lin Haoyu had always been secretly competing with each other in front of Qin Sheng.

Lin Haocheng glared at Lin Haoyu.

Why didn't he realize how annoying his big brother was?

Usually, he had a cold and arrogant look on his face, but in front of Qin Sheng, he had a different attitude. F*ck! He really f*cking knew how to act!

Lin Haocheng thought of something and said proudly, "Big Brother, no matter what, Sheng Sheng has been with me for four days. You won't have such good treatment."

The corners of Lin Haoyu's lips curled up into a smile. "Haocheng, aren't you the spokesperson for our company? We'll be shooting a few promo films soon, and there'll be a few new products that you'll be endorsing as well. You'll have to be busy for a while."

Lin Haocheng was speechless.

He held his breath and said through gritted teeth, "Big Brother, you're so cruel."

Seeing Lin Haocheng's defeat, Lin Haoyu smiled in a very good mood.

Qin Sheng returned to Fu Garden from the Lin family's house. There was still a week before school reopened.

During that week, Qin Sheng did not stay idle. She went to the laboratory.

She had set up a laboratory to study Old Master Lu's condition, and there was a famous medical team in it.

The illness that Old Master Lu had in his past life was very rare, but there were hundreds of people in the world who suffered from this illness every year. Most of the patients would die, and those who were lucky enough to survive would suffer from the torment of the illness every day.

After her rebirth, many things in this life would be different from her previous life. Old Master Lu might not have that kind of illness again.

But Qin Sheng did not dare to take the risk.

Fortunately, there was already some progress.

Qin Sheng entered the laboratory. When a doctor saw her, he walked up to her excitedly. "Sheng Sheng, did you come up with the research on immune cells?"

At first, the doctor had thought that Gao Yongliang was the one who had come up with the research, and Qin Sheng was only there to help.

That was until Gao Yongliang personally said that the research had only played a small role in it.

The doctor believed him.

Qin Sheng had come to their experiments many times, and they often marveled at Qin Sheng's abilities.

In total, Qin Sheng had only been studying medical knowledge for less than a year. Sometimes, she was even better than people like them who had been studying for more than twenty years.

Some of the problems that they could not solve in their research had been solved by Qin Sheng.

Qin Sheng did not hide anything. "Yes, Professor Gao helped too."

When the doctor heard this, he was very excited. If that was the case, the possibility of their current research succeeding was very high.

"What's wrong?" she asked after he finished speaking. "Is there a problem here?"

"I have a general idea," the doctor replied. "However, the following research will be very difficult."

Qin Sheng nodded.

She was also immersed in her research, writing and drawing on the paper from time to time.

Although the other doctors were curious about what Qin Sheng was doing, they did not disturb her.

A week passed by quickly. Qin Sheng assigned research tasks to the team and she went to school.

It was the first day of school for Imperial Capital University.

Gao Yongliang was doing his research in the lab. After Qin Sheng asked him the location, he went to find him directly.

Ever since Qin Sheng had done research on immune cells, Gao Yongliang had changed his serious attitude toward Qin Sheng and was now very kind.

At this moment, he looked at Qin Sheng with bright eyes. "Sheng Sheng, what's the matter?"

He even changed the way he addressed Qin Sheng.

Qin Sheng directly stated her purpose. "Professor Gao, you promised me that if I'm done with this research, you'll help me with the next one."

Gao Yongliang's interest was piqued. "What kind of research?"

Gao Yongliang was thinking that no matter what kind of research Qin Sheng wanted to do, he would probably agree to it.

Qin Sheng had even managed to come up with research on immune cells. Gao Yongliang believed that Qin Sheng would create miracles.

"Follama's," Qin Sheng replied.

Upon hearing this, Gao Yongliang was stunned. It was rare for people to suffer from follama. Every year, there were only about a hundred people in the world who suffered from follama.

When you suffered from it, it would be very painful. The pain of being gnawed at would appear in your brain, and you will wish you were dead.

Gao Yongliang had never done any research on follama's disease, so he only knew a little about it.

This illness was very prickly. Famous medical scientists had studied it before, but it was never cured.

In addition, there were very few people with follama's disease every year, so there was not much research value. Later on, no medical scientists conducted research on it.

"Sheng Sheng, why are you so interested in follama's disease?" Gao Yongliang asked curiously.

Qin Sheng's eyelashes trembled. "For a very important person."

Qin Sheng was not a philanthropist. She studied medicine purely so the people around her would not be helpless in the face of an illness.

Gao Yongliang thought that someone close to Qin Sheng had follama's disease, so he did not ask further.

Gao Yongliang agreed. "Alright, Sheng Sheng, we can start tomorrow."

He could put aside the research he was doing.

Qin Sheng nodded. "En."

Qin Sheng did not stay in the school for too long. After she finished her discussion with Gao Yongliang, she left the school immediately and took a car to come over.

“Qin Sheng.”

She had just opened the car door when she was stopped.

Qin Sheng recognized that it was Shen Jiayue’s voice.

She closed the car door and turned around to look at Shen Jiayue with raised eyebrows. “What’s the matter?”

Shen Jiayue was dressed fashionably, and her face was covered in heavy makeup. If Qin Sheng had not heard her voice, she would not have recognized her.

However, her heavy makeup couldn’t cover the dark circles under her eyes.

As Shen Jiayue looked at Qin Sheng’s glamorous appearance, she recalled how her students and friends had been pointing fingers at her for the past few months.

She didn’t have much money and the cosmetics she used were of poor quality.

Shen Jiayue’s eyes were filled with jealousy.

She only stared at Qin Sheng without saying a word, but the gaze in her eyes was very terrifying.
