

# BIGSHOT MR. FU S WIFE IS SWEET AND WILD

## Chapter 11

If You Get out, You Won't Be Able to Come Back

Qin Jianxi's lips twitched and her voice was cold as she said, "That's not right. You were the one who hit her. What does this have to do with me? You can't remember what happened so quickly? You're the one who slapped her. Even dementia doesn't come so quickly, right?"

Qin Likun was so angry that he exploded again. He chased after Qin Jianxi and tried to hit her.

Qin Jianxi's eyes were cold. Again? He didn't learn his lesson. Qin Jianxi moved in front of Qin Jianfei again.

Then, when the slap was about to land, she moved to the side.

"Pa!"

The slap landed on Qin Jianfei's face again.

This time, it was symmetrical on the left and right. Qin Jianxi was very satisfied with this result.

Qin Jianfei was stunned by this unexpected slap. Her father had clearly slapped Qin Jianxi. Why did the slap land on her face in the end? And it was two slaps on top of that. The burning pain made her tears flow out immediately.

"Mom, my face hurts..." Would she be disfigured? She was about to go crazy. She immediately glared at Qin Jianxi with hatred. If she was disfigured, she would never let this woman off.

Zhu Jing's heart ached when she saw her daughter's swollen face.

She turned her head and glared at Qin Jianxi. Her anger was rising and she couldn't suppress it. "Qin Jianxi, how could you..."

"Are you asking how could I dodge those slaps?" Qin Jianxi continued Zhu Jing's words and sneered, "I deserve to be beaten up? I've already told you that a human's response to danger was instinctive. Who can you blame if you don't listen?"

When Zhu Jing thought of her daughter's red and swollen face, her face turned ashen. She could no longer maintain the kind look on her face.

"You caused such big trouble. Your dad hit you for your own good."

"Ms. Zhu, may I ask what trouble have I caused? By breaking off the engagement? Hah, didn't I say that if you really can't bear to part with this marriage, then marry Qin Jianfei over to that Han guy? I think the two of them are quite compatible."

"I won't marry Han Xu..." Qin Jianhan couldn't help but shout. How could she pick up something that Qin Jianxi didn't want?

Qin Jianxi spread out her hands and said, "Did you see that? If Qin Jianfei isn't willing to marry that man, then I definitely won't marry him."

Zhu Jing was quite angry at her words. What did she mean by saying that if Qin Jianfei was not willing to marry that man, then she was even more unwilling to marry the same man? How could she compare to her precious daughter?

Zhu Jing couldn't help but say, "Han Xu is your arranged marriage partner, not Feifei's."

The Han family was not bad, but how could they compare to the Fu family?

"The engagement is called off now." Qin Jianxi smiled, "It's nonexistent now."

Qin Likun didn't want to waste his breath on her. He said, "Qin Jianxi, you can't decide on this marriage on your own. Come with me to the Han family. Even if you have to kneel, you have to beg for Han Xu's forgiveness. You have to marry into the Han family no matter what."

"Tsk, what era is this? Why does forced marriage still exist? Alright, I'm quite tired. You guys can do whatever you want, it's none of my business."

After Qin Jianxi said that, she was about to go upstairs.

Qin Likun didn't expect her to disobey his orders and leave just like that. He was instantly furious. He ordered, "Stop right there..."

Qin Jianxi wasn't in the mood to fool around with these people, so she walked towards the stairs without stopping.

"Qin Jianxi, if you don't go to the Han family today, then you'll get out of this house. Don't even think about coming back."

When Qin Jianxi heard this, she stopped in her tracks and turned around. She asked in a calm voice, "You want to drive me out of the Qin family?"
