

## ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

# Chapter 1101 - 1101 Shen Jiayue Courting Death Again

### 1101 Shen Jiayue Courting Death Again

When Qin Sheng saw that Shen Jiayue didn't have much of a reaction, she furrowed her eyebrows and was about to get into the car.

Then, she heard Shen Jiayue's voice. "Qin Sheng, was Zhao Xiang's expulsion your doing?"

Qin Sheng raised her eyebrows. "So what if it is?"

Shen Jiayue laughed sarcastically, then said sarcastically, "Qin Sheng, you'll get your retribution one day for abusing your power like this."

"Oh, really? However, I'm doing very well at the moment."

Qin Sheng ignored Shen Jiayue and opened the door to leave.

Shen Jiayue gritted her teeth. She wasn't living well now, so she wouldn't let Qin Sheng live well either.

That night, Shen Jiayue secretly contacted several marketing accounts and sent those photos anonymously. She even sent a message that Qin Sheng was being kept by many people.

Shen Jiayue thought that Qin Sheng and the others wouldn't be able to find out that she had posted it by walking and doing this.

After she was done, she logged out of her Weibo account.

Shen Jiayue had hired a private detective to take these photos.

These marketing accounts rarely dared to post anything to defame Qin Sheng.

After all, the consequences of those marketing accounts helping Zhao Xiang deal with Qin Sheng were still fresh in his mind.

However, when they saw these pictures, they hesitated.

They could already imagine that if these photos were to be posted, it would probably bring them a huge wave of traffic.

Of course, they only dared to think about it.

After all, if they provoked Fu Hanchuan and Qin Sheng, their accounts would be banned, and the loss outweighed the gain.

And with Qin Sheng's abilities, did she need to be kept as a mistress?

Besides, other than Qin Sheng, they could not afford to offend any of the big shots in the photo.

There was only one person who relied on the marketing account behind them to freeload on this wave of traffic.

Moreover, a big boss in the hacker world had helped him set up a defense for his account. His account information would definitely not leak out.

Even if this account was blocked, he still had another.

Therefore, this marketing account had no scruples.

[A Race Between Rain and Snow: There are some photos here about Qin Sheng. She's in an intimate relationship with so many men, and these men are of extremely high status. Do you have anything to explain? @Sheng]

There were a few photos below.

It was mainly Fu Hanchuan, Lin Haocheng, Lin Haoyu, and Qin Yufei. Their actions with Qin Sheng were very intimate, and they looked at Qin Sheng with a dotting gaze.

When placed together, it was easy for one's imagination to run wild.

In the photo, Lin Haocheng was wearing a mask.

The only thing missing from this marketing was that Qin Sheng was being supported by many men.

Once this Weibo post was released, it completely exploded and quickly became the hot search on Weibo.

Most of the netizens were very rational, and many of them stood up to defend Qin Sheng.

[Hehe, if our goddess is really liked by so many people, that means our goddess is very charming. Do you need to post it?]

[F\*ck, Qin Sheng belongs to my idol, Fu Hanchuan. Don't even think about ruining Qin Sheng's reputation. The ShengChuan couple must not be broken up by you guys.]

[What do you mean by this? Sister Sheng is so awesome! Does she need to be kept? What a joke!]

[Tsk, tsk, you're jealous. Our Sister Sheng is being kept as a mistress? It's impossible even if you think about it with your feet. How dare you still try to stir up trouble here?]

[Fu Hanchuan's lawyer's letter of warning! They were warned by the ban! I thought that after what happened last time, no one would dare to provoke Sister Sheng. I didn't expect there to be someone who's not afraid of death.]

[...]

## Chapter 1102 - 1102 Lu Zhongguo (Sheng Sheng's Little Fan)

1102 Lu Zhongguo (Sheng Sheng's Little Fan)

Of course, there were also some who did not mind the drama or were jealous of Qin Sheng. They all stood up to slander Qin Sheng.

[Qin Sheng has been kept as a mistress. Some of these fans are really brainless, they can even defend this?]

[Don't tell me that Qin Sheng, who's from H City and doesn't have a good family background, can get to know so many big shots? Who are Lin Haoyu and Qin Yufei? One is the president of the Lin Corporation, and the other is the president of the Qin Corporation. They're both top ten companies in the Imperial Capital. The Qin Corporation's annual net profit is in the hundreds of billions. If they aren't Qin Sheng's sugar daddies, I'll eat sh\*t.]

[I admit that Qin Sheng is indeed very capable, but Qin Sheng's appearance tells me that she's a restless person. She just got to know these big shots so casually and acted so intimately with them. There's definitely something fishy going on. Heh, who are you trying to fool?]

[...]

It was very lively on Weibo.

That topic was at the top of Weibo and had a very popular and explosive symbol.

Old Master Lu would often scroll through Weibo at home and pay close attention to Qin Sheng's affairs. After all, he was the president of Qin Sheng's fan club.

When Old Master Lu saw this Weibo post, he was so angry that he exploded.

He ran to the group and summoned her fans to attack those brainless people.

After that, he applied for a major V logo for his account.

Old Master Lu was one of the top artists in the painting industry. The Weibo staff had approached Old Master Lu before to get him to verify a V-mark. Old Master Lu was worried that it would be too eye-catching and bring Qin Sheng unnecessary trouble, so he did not agree.

However, at this moment, he felt that he could not keep a low profile.

When the Weibo staff found out that Old Master Lu wanted to be certified, they did not go through any other procedures and approved him directly.

He had also changed his Weibo name to 'Lu Zhongguo (Sheng Sheng's Little Fan)'.

If Qin Sheng saw this, she would definitely have a headache.

As soon as Old Master Lu verified his identity, he posted a message on Weibo and pinned it to the top. Many people now knew of his identity.

But the name...

Many people were dumbfounded.

Was this the number one master of the painting world?

Then, they saw that Old Master Lu had posted a very domineering Weibo.

[Lu Zhongguo (Sheng Sheng's Little Fan) V: Does my disciple need to rely on a man? What a joke! Also, one of Sheng Sheng's paintings can be sold for hundreds of millions. Heh.]]

The netizens were all shocked.

Qin Sheng was the disciple of the number one master painter? F\*ck, this identity.

After Old Master Lu posted this on Weibo, he specially went to the marketing account's Weibo to tear down those people who slandered Qin Sheng.

Old Master Lu's combat power had left the audience dumbfounded.

After finding out that Old Master Lu was the president of Qin Sheng's fan club...

They were speechless.

Were all the masters so down to earth nowadays?

Some of them had just returned from their research on Old Master Lu. They were suspicious. Was this really the serious and stern Master Lu that they had found?

This was like an old naughty child.

However, they also realized that Qin Sheng was Old Master Lu's only student. For someone of Old Master Lu's status to become the president of Qin Sheng's fan club, he must have thought very highly of Qin Sheng.

Those anti-fans were all speechless.

It was because Qin Sheng had indeed sold a painting for more than 100 million yuan at the previous art exhibition. Would Qin Sheng be short of money? Did she need to go over and be someone's mistress?

However, this was not the end.

Lin Haoyu used the Lin Corporation's official Weibo account to make a post.

## Chapter 1103 - 1103 The Big Boss Came Out To Clarify One After Another

1103 The Big Boss Came Out To Clarify One After Another

[Lin Corporation V: I am Lin Haoyu. Sheng Sheng is my biological cousin. Also, the man wearing the mask is my younger brother, Lin Haocheng.]

The netizens were speechless.

Before they could come back to their senses, the Qin Corporation also posted on Weibo.

[Qin Corporation V: I'm Qin Yufei, the chairman of the Qin Corporation. Sheng Sheng is my goddaughter.]

The netizens were once again speechless.

[F\*ck!]

After a long while, they all burst out with vulgarities.

Didn't Qin Sheng come from H City? Her family was not well off, but she had connections with so many noble families!

They suddenly felt that this world was magical.

This was especially so for those who had previously criticized Qin Sheng for being promiscuous. At this moment, their faces were all swollen, and they could only feel the pain coming from their faces.

It was very lively on Weibo.

[Fuck, fuck, fuck! Let me slow down, am I seeing things?]

[Upstairs, you're not seeing things. Sister Sheng is really awesome. She's strong enough, and even her background can't be underestimated. I'm asking, who dares to mess with her?]

[Hahahaha, I'm dying of laughter. Every time you criticize my goddess, you'll be slapped in the face. Don't you guys have confidence?]

[Sister Sheng is awesome!]

[Sister Sheng, 666!]

[Sister Sheng is amazing!]

[...]

At the end, words like 'Qin Sheng is amazing' appeared very neatly.

However, this was not the end.

The presidents of H City and Imperial Capital's Art Association, Shengshi Technology, Shenghe Entertainment, Gao Yongliang, Imperial University's principal, and HD Group all stood up for Qin Sheng.

The gist of it was that if Qin Sheng was short of money. They could give it to her. She did not need to be a kept woman.

Even the head of the country's National Department of Computing had come forward and proposed that if Qin Sheng was willing to join their department, he would personally invest 200 million yuan in Qin Sheng's company.

At first, the netizens were very surprised by this lineup, but later on, they became numb to it. When more people came out, they would probably not be too surprised.

A netizen looked through Qin Sheng's Weibo fans out of boredom.

Qin Sheng had more than ten million fans, but he had to read it from the beginning to the end. It took him a long time.

In the end, he realized that more than 3,000 of the people who followed Qin Sheng were all big shots!

Because of this, he posted on Weibo.

Once again, it caused a sensation.

Some of Qin Sheng and Fu Hanchuan's fans were getting anxious when they saw that Fu Hanchuan did not come out to speak for Qin Sheng.

They went to the Weibo of HD Group and started to scroll through the comments.

[Manager Fu, your wife has been slandered. Why aren't you showing up? Be careful, Sister Sheng might abandon you and run off with another man.]

[Handsome Fu, you're not good enough. Didn't you notice that your wife is being defamed?]

Fu Hanchuan was sitting next to Qin Sheng. When he saw these comments, he could not help but chuckle. He then used his own account to post a post.

[C: Yeah, Sheng Sheng is short on money, so I'll give her all the money I have.]

Fu Hanchuan showed the balance of one of his bank cards, which only had 15 billion yuan.

C was the first letter of the last word of Fu Hanchuan's name. In addition, he was one of the few people that Qin Sheng followed.

The netizens quickly recognized that C was Fu Hanchuan.

[This entrance is so cool and domineering!]

[??? F\*ck, 15 billion! I've never seen so much money in my life.]

[I'll eat this dog food with tears in my eyes. I want to beat the man beside me to death.]

[Tsk, tsk, with Fu Hanchuan's love, does our Sister Sheng need to be kept? The person who slandered my Sister Sheng, can you use your brain?]

[...]

## C

### 1104 Give Her All the Money You Have

After posting on Weibo, Fu Hanchuan returned to his room and took out two bank cards for Qin Sheng. There were more than 50 billion yuan in them.

Qin Sheng blinked. She was very puzzled. "Brother Fu, you're..."

Fu Hanchuan's eyes were filled with love. "I said on Weibo that I'll give you all the money I have."

"But..."

!!

Qin Sheng had just finished speaking when Fu Hanchuan interrupted her. "Sheng Sheng, do you want me to go back on my word?"

Fu Hanchuan's expression was firm.

Qin Sheng had no choice but to accept it. Of course, she would not spend the money.

Qin Sheng was still frowning. "Brother Fu, do you still have any money on you?"

"I have a salary card."

As the president of the HD Group, Fu Hanchuan was paid a monthly salary of more than 11 million yuan.

He had never touched the money in his salary card for three to four years, so he should have more than 200 million yuan.

Fu Hanchuan frowned. When Qin Sheng was twenty years old, he would only have saved up more than 400 million.

This amount of money was far from enough for Qin Sheng's wedding.

And the company's annual dividends would go into the two bank cards he had given Qin Sheng.

Fu Hanchuan thought that he could use this money to make some investments.

Qin Sheng did not argue. She lowered her eyes and looked at the bank card in her hand, her heart feeling warm.

If it were any other man, they would not be like Fu Hanchuan, who would give his girlfriend all their money.

Qin Sheng could not help but smile.

“Brother Fu, aren’t you afraid that I’ll spend all the money?” she asked.

“It’s fine. These are yours,” Fu Hanchuan said.

“What if I leave you with this money?” Qin Sheng raised her eyebrows again.

Fu Hanchuan looked at Qin Sheng and said with certainty, “You won’t. Besides, no matter where you go, I’ll find you. I’ll be depending on you for the rest of my life.”

Upon hearing this, Qin Sheng could not help but smile. Her face was filled with happiness.

Fu Hanchuan had an idea. He held Qin Sheng in his arms. “So, Sheng Sheng, stay by my side and don’t try to leave me.”

Qin Sheng’s ear was pressed against Fu Hanchuan’s chest, and she could clearly hear Fu Hanchuan’s heartbeat.

She nodded. “I’ll never leave.”

Fu Hanchuan laughed, and his eyes seemed to be sparkling.

---

Ye Yutong had been paying attention to this Weibo post. When she saw Fu Hanchuan’s comment, she was so jealous that her eyes turned red.

Fu Hanchuan, hers, he was hers!

Qin Sheng was only a latecomer. What right did she have to interfere with them?

Ye Yutong clutched her phone tightly. Her face was so dark that it was scary.

The marketing account that had posted the thread to defame Qin Sheng was stunned when it saw the situation. It did not expect such an outcome at all.

Qin Sheng actually had such a relationship with these big shots?

This marketing account was a little cowardly.

He suddenly had the urge to delete the Weibo post that slandered Qin Sheng.

However, he quickly suppressed the fear in his heart. Even if this Weibo account was blocked, he still had another one. Moreover, his identity was well hidden. It was impossible for Fu Hanchuan and Qin Sheng to sue him.

At this moment, the marketing account's Weibo was full of comments attacking him.

The account owner immediately switched to another Weibo post.

The next day, the account owner woke up early in the morning. He picked up his phone and wanted to enter Weibo.

However, just as he opened Weibo, a notification popped up.

[Weibo Tip: Your Weibo account has been permanently blocked. You can contact customer service if you want to appeal.]

Of course, it would be useless if the marketing account owner contacted customer service.

## All-Mighty Girl Gets Spoiled by A Bigshot

The account owner was stunned, and his eyes widened in disbelief.

His hands were trembling.

How was that possible? How could his account have been frozen?

Didn't he use another Weibo account to defame Qin Sheng?

With that thought, he quickly switched accounts.

Without a doubt, this account had also been banned.

This marketing account owner was completely flustered. He mainly relied on these two accounts to make a living every year. It took a lot of manpower and resources to train a marketing account.

He thought that even if he was retaliated against for posting a post that defamed Qin Sheng, at most, one of his accounts would be shut down.

He did not expect that both accounts would be shut down.

This marketing account hurriedly went to the customer service to complain, but the customer service was very perfunctory to him.

In the end, the customer service officer got impatient and said, "You've offended someone. The boss has ordered to seal your account. You don't have to come and look for me anymore."

The account owner sat on the sofa weakly, his face pale.

He suddenly thought of something and his eyes lit up with hope again. He quickly contacted his brother-in-law.

"Brother-in-law, help me. My Weibo account has been closed. You must have a way, right?"

His brother-in-law said directly, "Someone has contacted me. If I help you, the evidence of my bribery will be handed over. I can't take this risk for you. You're on your own."

He immediately hung up the phone.

The account owner was stunned on the spot, and overwhelming regret swept over him.

If he had known earlier, he would not have gone over to provoke Qin Sheng for that bit of traffic...

However, this was not the end.

In the afternoon, Fu Hanchuan released his lawyer's letter.

The amount of compensation that the marketing account owner needed to pay was listed. The compensation for reputation damage, emotional damage, and delay in work, a total of 15 million yuan.

The onlookers couldn't help but secretly sigh.

This Qin Sheng was too precious. From the beginning to the end, most people were on Qin Sheng's side, and most of them were just defending her. What kind of mental and reputation damage could she suffer?

As for the cost of delay? The Weibo post that was sent in the morning could be clarified in the afternoon. How much work could it delay?

Someone questioned.

Fu Hanchuan immediately replied that Qin Sheng could draw a painting worth 100 million yuan in two days and the Weibo post by the marketing account had delayed Qin Sheng by a day. He was already being merciful by asking the marketing account owner for 15 million yuan in compensation.

The crowd was convinced. They felt that something was wrong, but they couldn't put their finger on it.

The account owner was naturally unwilling to compensate.

Fu Hanchuan immediately took him to court and sent a team of lawyers from the HD Group.

The marketing account owner naturally lost the lawsuit and could only give the money to Qin Sheng in the end.

The other marketing accounts and the Weibo verified accounts once again witnessed Qin Sheng's powerful background.

They did not dare to provoke Qin Sheng anymore.

Who knew when his account would be banned, and he would have to pay for it with his own money?

It wasn't worth it for that bit of traffic.

As for Shen Jiayue, after she deleted the Weibo account she used to contact the marketing account, she logged into her main account and kept paying attention to the news on Weibo.

After seeing Qin Sheng clarify the matter so easily, she tightened her grip on her phone and cursed at Qin Sheng's good fortune.

She was very dissatisfied.

Didn't Zhao Xiang attend the Lin family's banquet? Did she not know that Qin Sheng was the Lin family's granddaughter?

She actually didn't tell her.

Shen Jiayue didn't think that Qin Sheng and the others would know that she was the one who had contacted the marketing account. After all, she had already logged out of her Weibo account.

## **All-Mighty Girl Gets Spoiled by A Bigshot**

Shen Jiayue threw her phone on the table.

She didn't care anymore.

However, the next day, the marketing account owner's Weibo account was blocked, and Shen Jiayue's heart was filled with panic.

The next afternoon, when Shen Jiayue saw Fu Hanchuan's lawyer's letter, she was completely flustered. She was afraid that Qin Sheng would look for her, so she couldn't even sleep well. She often slept on the desk in class.

Imperial Capital University was very strict in their discipline.

For this reason, Shen Jiayue was caught sleeping many times. In the end, she was caught many times, and the teacher in charge of discipline said that if Shen Jiayue continued to sleep like this, she would be reported to the school and expelled.

Shen Jiayue could only force herself to attend class.

This situation continued for three days, and there was no movement from Qin Sheng's side. Shen Jiayue gradually relaxed. Qin Sheng had never shown mercy. She had not made a move until now, so it must have been that before Qin Sheng found any evidence, she was safe.

Shen Jiayue had a good night's sleep that night.

However, on the fourth day, Fu Hanchuan posted something about Shen Jiayue on Weibo.

[C: Wait for my punishment. Sheng Sheng will not tolerate your bullying. If anyone slanders Sheng Sheng in the future, think of the consequences first. @Shen Jiayue]

Two pictures were attached.

One was the photo of the day when Shen Jiayue contacted the marketing account and sent those photos of Qin Sheng to the marketing account. She also mentioned that Qin Sheng was being kept by many men.

The other picture was Shen Jiayue's Weibo account information.

Weibo registration required a real-name system, so Shen Jiayue's phone number, name, and ID number were all exposed.

Fu Hanchuan sent the information to the principal of Imperial Capital University at the same time.

Shen Jiayue had been scrolling through Weibo these days, apart from attending classes. She had also followed Fu Hanchuan.

She saw it not long after Fu Hanchuan posted it.

Shen Jiayue's face turned pale, as if all the blood had drained from her face.

Impossible. Didn't she cancel her account? How did Fu Hanchuan find her?

Zhao Xiang's family was rich, and she had donated a lot of money and items to Imperial Capital University. Because she had contacted marketing accounts and internet ghostwriters to slander Qin Sheng, she had been expelled.

And her family was just an ordinary family, so...

Shen Jiayue took a few steps back, her whole body swaying.

As if to confirm her thoughts, the assistant of the principal of Imperial Capital University called Shen Jiayue. "Student Shen, the principal asked you to come to the school immediately."

Shen Jiayue bit her lip and nodded. "Okay."

When she arrived at the school, the principal, the director of the Political Education Department, and the director of the Academic Affairs Office had a meeting. The expulsion concerned the future of a student, so they did not dare to be careless. Therefore, every time they discussed the punishment of the student, they would have a meeting.

The head of the Political Education Department walked out.

When he saw Shen Jiayue, he said directly, "Student Shen, your situation is bad. Our Imperial Capital University can't keep you. Be prepared to drop out."

Shen Jiayue's face turned pale.

She couldn't drop out of school. After she graduated from Imperial Capital University, she would find a good job and have the chance to become a top person.

If she dropped out of school, she would be completely ruined.

With a high school degree, what kind of job could she find?

Even if she went back to Year 3 and was expelled from Imperial Capital University, this would be in her file. Besides, she had been punished because of Qin Sheng's incident before. Other schools would definitely not accept her when they saw her file.

## All-Mighty Girl Gets Spoiled by A Bigshot

Shen Jiayue's personality was also ruthless. In order to achieve her goals, she was willing to give up everything.

She knelt on the ground. Shen Jiayue raised her head and looked at the head of the Political Education Department with a pleading look, her eyes filled with tears.

"Dean, I know I was wrong. Please don't expel me. I will definitely turn over a new leaf. I'm the only daughter in my family. If I were to be expelled, my parents would definitely regret it."

There was no trace of wavering in the eyes of the head of the Political Education Department. After all, those who had reached his position were generally more cold-blooded and indifferent.

Shen Jiayue saw that it was useless to ask the Political Education Department, so she turned to the principal.

"Student Shen, did you fail all your subjects last semester?" The Principal frowned.

Shen Jiayue's face froze.

In the first semester, because she had been hanging out with Gao Yunping, she often skipped classes and didn't revise before the exam.

The final exams of Imperial Capital University were very difficult. Even students who studied hard would fail, not to mention people like Shen Jiayue who didn't study hard in class and didn't study hard before the exams.

The Principal continued, "Many teachers have reported to the Political Education Department that you often skip classes this semester and doze off in class. Is this because you're afraid that your parents will regret your decision if you drop out?"

Shen Jiayue clenched her fists by her side and hurriedly replied, "Principal, I will definitely study hard in the future. Give me another chance. If I make the same mistake again, you can make me drop out again. At that time, I will definitely not have any complaints."

The Principal looked at Shen Jiayue. "You're an adult now. You need to bear the consequences of your actions. Shen Jiayue, you spread rumors without distinguishing between right and wrong and caused Student Qin Sheng to be attacked by the entire internet. Imperial Capital University does not keep students with bad character."

"Isn't Qin Sheng fine? Why do you want to punish me?" Shen Jiayue blurted out.

The Principal frowned. "It seems that you haven't thought it through. Shen Jiayue, go back and think about it. If you do such an inappropriate thing again, I'm afraid it won't be as simple as dropping out of school."

"You should go back. Once the school has made its decision, there's no turning back, unless you can find evidence to prove that you didn't do it."

Shen Jiayue didn't want to give up. After that, she left in tears and begged.

The Principal left immediately.

The head of the Political Education Department gave Shen Jiayue an expulsion notice and left.

There was no one by Shen Jiayue's side.

She stood up, her eyes filled with hatred for Qin Sheng.

She walked alone to the dormitory in a daze. On the way, many students pointed at her and frequently cast strange looks at Shen Jiayue.

Shen Jiayue kept her head down the entire way.

She was also a prideful person, and Shen Jiayue didn't want to be ridiculed by others.

Back in the dormitory, Meng Fangfei was reading a book.

Meng Fangfei's appearance had changed a lot compared to when she first came to Imperial Capital University. Her thick bangs had been cut off, and the black-rimmed glasses on her face had changed. Even the clothes she wore were not as old-fashioned as before.

This was all thanks to Shen Jiayue.

Shen Jiayue had long seen that Meng Fangfei's foundation was good. If she dressed up well, she wouldn't be too bad.

Gao Yunping had many girlfriends.

Shen Jiayue knew that she couldn't control Gao Yunping alone. She only wanted Gao Yunping's money, so she had set her sights on Meng Fangfei.

She often brought Meng Fangfei over to interact with Gao Yunping.

## All-Mighty Girl Gets Spoiled by A Bigshot

Gao Yunping had also taken a fancy to Meng Fangfei, and had once touched Meng Fangfei and Gao Yunping.

Shen Jiayue took a photo of Gao Yunping and Meng Fangfei's ambiguous relationship and used it to threaten Meng Fangfei to listen to her. Otherwise, she would publish the photo and ruin Meng Fangfei's reputation.

It just so happened that when Shen Jiayue was threatening Meng Fangfei, she was caught by Qin Sheng.

Qin Sheng usually wouldn't help others so easily. Meng Fangfei was her roommate and had once spoken up for her, so Qin Sheng helped Meng Fangfei delete the photos in Shen Jiayue's hands.

At that time, Qin Sheng only said coldly, "You can't be weak. The weaker you are, the more you'll be bullied. If Shen Jiayue gets a hold of something against you, you'll be in her hands for the rest of your life. You have no choice but to resist."

Meng Fangfei was very grateful to Qin Sheng and also listened to her words.

After that incident, she rarely paid attention to Shen Jiayue. Usually, when Shen Jiayue ordered her to do something, Meng Fangfei would rarely respond.

Shen Jiayue had been holding back her anger, but now, she was venting it all on Meng Fangfei.

She walked over and directly closed Meng Fangfei's book.

Meng Fangfei frowned. "Shen Jiayue, what are you doing?"

"I'm going to leave the school, so help me pack up," Shen Jiayue sneered.

Meng Fangfei did not move.

Shen Jiayue was unhappy. "Meng Fangfei, I'm the one who helped you change the way you dress now. Otherwise, when you go out now, people will call you a country bumpkin. Now that you see that I'm down and out, you're starting to look down on me, right?"

Shen Jiayue's voice was questioning.

Meng Fangfei instinctively wanted to go over and help Shen Jiayue clean up.

At this moment, Qin Sheng's words rang in her mind.

Meng Fangfei clenched her fists. She gritted her teeth and said, "It's your own stuff, so you should pack it up."

"Alright, Meng Fangfei. Now that you've grown your wings, you won't listen to me, right?"

Meng Fangfei had been obedient to Shen Jiayue most of the time in the first semester. Now, Meng Fangfei didn't listen to her, which made Shen Jiayue very uncomfortable.

Seeing that Meng Fangfei didn't move, and that she was still angry...

Shen Jiayue directly went up and raised her hand, wanting to hit Meng Fangfei. Meng Fangfei was born in a rural family and had done a lot of work since she was a child, so she was very strong. Meng Fangfei easily caught Shen Jiayue's wrist, which was about to hit her.

She clenched it very tightly.

Shen Jiayue glared at Meng Fangfei, very dissatisfied. "Have you eaten a bear's heart and a leopard's gall?"

Meng Fangfei let go of Shen Jiayue and no longer cared about her. She picked up her textbook again and continued reading.

Shen Jiayue gritted her teeth. She couldn't beat Meng Fangfei, so she could only pack her luggage and leave the school by herself.

Seeing Shen Jiayue leave the dormitory, Meng Fangfei's tense nerves relaxed.

A smile appeared on her face.

She had been weak since she was young and had an inferiority complex because of her family problems. She would tolerate anyone who bullied her.

This time, she resisted Shen Jiayue.

And this was all Qin Sheng's ability. She had always been secretly envious of Qin Sheng for being able to live so freely. She had also gradually regarded Qin Sheng as her goddess.

She was one of Qin Sheng's loyal fans who protected her on Weibo and the forum.

Later on, Qin Sheng's words had completely woken her up.

--

Lin Shuya also liked to browse Weibo, so she naturally knew about Qin Sheng's online activities and had been following her.

## All-Mighty Girl Gets Spoiled by A Bigshot

When she saw everyone, they all stood up and said that Qin Sheng wasn't being kept.

Lin Shuya frowned and felt very uncomfortable.

She did not expect Qin Sheng, this money-losing good, to have the ability to get on so many people's list!

Fu Hanchuan had given Qin Sheng more than 15 billion. It was not a small amount. She had never seen so much money even when she was in the Lin family.

If this 15 billion was given to her, she wouldn't have been laughed at by those rich ladies for being poor.

Lin Shuya's heart was filled with regret.

If she hadn't cut off all ties with the girl, she would have been the one enjoying all of this.

Lin Shuya frowned when she saw the Weibo post from the Qin Corporation.

Qin Yufei.

She had heard that the president of the Qin Corporation was Qin Yufei. It was all thanks to him that the Qin Corporation was able to become the biggest company in China.

Qin Yufei was extremely outstanding and was also a famous bachelor. He did not have a wife or children.

Lin Shuya had never seen his face.

Qin Yufei was even the president of the Qin Corporation? It was indeed a good ability.

Lin Shuya sneered.

He said she was his goddaughter, but who knew?

She did not believe that when Qin Sheng was already 18 years old, there would still be people who would treat her as their daughter.

Lin Shuya wanted to know more about Qin Yufei.

She went to Baidu to look for Qin Yufei. The encyclopedia had a long introduction to Qin Yufei, and it was all about his business miracles.

Lin Shuya looked at Qin Yufei's photo beside her.

Her pupils suddenly shrank.

On the encyclopedia, there was a photo of Qin Yufei when he was young. He was wearing a black suit, had a warm smile on his face, and his eyes looked lifeless...

Lin Shuya's eyes widened in disbelief when she saw the photo.

It was him, the blind man!

Lin Shuya's 19 years of memories were brought back to her.

That day, she had originally wanted to give her first time to Qin Hai. However, she had entered a room. In the darkness, she could see a man sitting on the sofa, panting and looking very uncomfortable.

Lin Shuya thought that he was Qin Hai and took the initiative to strip. She took off her clothes and went up to seduce him.

When she woke up the next day, she discovered that the man sleeping beside her was not Qin Hai.

Lin Shuya screamed and Qin Yufei was woken up.

He had been drugged and had great self-control. He could have endured it alone, but he did not expect Lin Shuya to appear.

Qin Yufei had no feelings for Lin Shuya, but he still had to bear the responsibility.

"If you're willing, I can marry you," he had said.

Qin Yufei was handsome and Lin Shuya was moved by him for a moment. However, she quickly noticed that this man was blind. Since he was blind, his family background must not be good.

Lin Shuya started to feel disgusted with Qin Yufei.

She didn't agree to Qin Yufei's request. She directly told him not to disturb her in the future and left.

Later on, fearing that Qin Hai would mind her having an affair with another man, Lin Shuya had deliberately made Qin Hai drunk before their bed. She had also pricked her own finger and dripped her blood on the leaflet. Thus, this matter had been concealed from her.

Before Qin Sheng had been brought back to the Qin family in H City, she had seen Qin Sheng's photo and mirrored Qin Sheng and Qin Yufei's image.

She had secretly tested Qin Hai and Qin Sheng's DNA.

She discovered that Qin Hai and Qin Sheng were not related by blood.

Lin Shuya was worried that Qin Sheng would come back and find out about this, so she could not help but blame her.

Wasn't it better to stay in the countryside? Did she have to come to the Qin family?

After Qin Sheng returned to the Qin family in H City, Lin Shuya found her an eyesore.

Lin Shuya had never thought that Qin Yufei would be the president of the Qin Corporation.

At this moment, Lin Shuya could not help but clench her teeth when she saw his photo. If she was given another chance, she would agree to marry Qin Yufei.

However, why did Qin Sheng have such good luck to be able to recognize Qin Yufei as her father without knowing anything?

Lin Shuya had an idea. If she went to find him now and told Qin Yufei the truth, would he agree to marry her? After all, she had given birth to a daughter for Qin Yufei.

But when she thought of Qin Sheng, Lin Shuya put her mind to rest.

That b\*tch, Qin Sheng, might have already slandered her in front of Qin Yufei.

Lin Shuya didn't want to become Qin Yufei's wife, and have Qin Hai's side also know about this. She would end up in a bad situation for both sides.

Moreover, if Qin Hai found out that Qin Sheng was not his biological daughter, he would probably hate Qin Churou as well. If he gave up on Qin Churou and did not spend money to nurture her, what would she do?

Lin Shuya did not dare to take the risk.

She had bet the rest of her life on Qin Churou, on Qin Churou. She would never allow Qin Churou to make any mistakes.

Zhao Xiang and Shen Jiayue had both dropped out of school. In the following period of time, without them causing trouble, Qin Sheng's life was very peaceful.

She went back and forth between Fu Garden and the school almost every day, and sometimes she would go to the laboratory.

She rarely went to the office.

When she had time, she continued to write a script in her hand. The story's elements were similar to the Three Realms game, which was about the Three Realms of man, immortal, and demon.

She only used one month during the winter break and one month after school started to finish writing it.

On Saturday, she went to Shenghe Entertainment with the script.

When the front desk staff saw Qin Sheng, they immediately informed Su Yixiu.

Su Yixiu personally came down to pick Qin Sheng up. The two of them walked side by side, and the distance between them was about three fists' distance.

Su Yixiu was very tall, and the two of them looked very compatible.

Two artistes greeted them and watched them walk up the stairs. One of the artistes couldn't help but say, "I think General Manager and Boss are a good match. If they were to be together, I think they would be very suitable."

The other artiste was a fan of Fu Hanchuan and Qin Sheng. When she heard this, she couldn't help but retort, "Are they compatible? I still think that Fu Hanchuan and our boss are more suitable for each other. They are a perfect match, and both of them are very capable. Fu Hanchuan's family background is good, and he is suitable to marry our boss. General Manager is not bad, but if we only look at his family background, he can't even compare to our boss."

When the first artiste heard this, she didn't refute it. She only felt that it was a pity.

On the other hand, Qin Sheng arrived at the general manager's office.

"Sheng Sheng, is there anything you need today?" Su Yixiu asked. He knew that with Qin Sheng's personality, she would not come to the company unless it was something important.

Qin Sheng handed a script to Su Yixiu. "We can film this."

Su Yixiu opened it and flipped through it. Just looking at the first few, he felt that it was interesting. He couldn't help but ask, "Sheng Sheng, did you write this?"

"Yes." Qin Sheng nodded. "We'll film this movie first. When the new game is released, we'll release it. We might be able to use 5D glasses for this movie in the future."

Su Yixiu was surprised to hear this. "5D glasses?"
