All-Mighty Girl Gets Spoiled by A Bigshot

"And you," Fu Shihan pointed at the director. "Don't think I don't know you're protecting them. If that's the case, I'll ask my dad to order you to kick them out."

Qin Churou watched from the side, her heart in her mouth.

If Fu Shihan asked her father to threaten her with the withdrawal of funds, Qin Sheng was the boss of Shenghe Entertainment, and with the more than 10 billion yuan that Fu Hanchuan had given her, Qin Sheng could easily fill in the gap.

Qin Sheng would really do such a thing.

Qin Sheng was the investor, so she would definitely not let her stay in the production team anymore. Besides, she had obtained this role with great difficulty, and she did not want to lose it.

The plot of this drama was very good. She always felt that even if this drama was not popular in the future, it would still have a certain amount of popularity.

Qin Churou couldn't sit still anymore. She went up to persuade Fu Shihan, "Shihan, the director is right. If we change the actor halfway, it will be a big loss. Your father invested in this, and we can't let him lose money."

After a pause, she whispered in Qin Shihan's ear, "Shihan, you can bear with it for a while. Let Huang Xiaoyan continue to stay in the crew. You can continue to torture her. It's better than kicking her out."

Unfortunately, Fu Shihan only listened to the first few words of Qin Churou. She was angry, and she didn't hear the last few words of Qin Churou.

"Qin Churou, are you blaming me for wasting the family's money and being insensible?" she scolded. "The Fu family has plenty of money! Why would we need to save this little money? You're poor, don't talk if you don't understand."

"Huang Xiaoyan and Qi Yingjun must leave today."

A look of embarrassment flashed across Qin Churou's face.

She didn't say anything, and her anger toward Fu Shihan appeared.

She was kind enough to think for her, but she actually didn't appreciate it.

These days, she had been with Fu Shihan, and Fu Shihan had received a lot of benefits from her, but Fu Shihan still embarrassed her like this.

At this moment, many people in the crew looked over.

Fu Shihan picked up her phone without a care. "Dad, there's an artiste in the crew and her manager who deliberately provoked me. Can you ask the director to kick them out of the crew?"

Fu Hongyi had always doted on Fu Shihan, and when he heard Fu Shihan's aggrieved voice, his heart ached. "Okay, okay, okay, Dad will listen to you. Is the director here? Give him the phone, let me talk to him."

"Okay, thank you, Dad."

Fu Shihan's eyes were filled with pride as she looked at Qin Sheng. "Qin Sheng, just wait to be kicked out of the crew."

Fu Shihan could already imagine the embarrassed looks on Qin Sheng and Huang Xiaoyan's faces when they were chased out.

She passed the phone to the director and said proudly, "My dad can always make you listen to him."

The director wasn't happy with Fu Shihan, but he didn't show it. He took the phone and smiled. "President Fu."

"My daughter asked you to kick them out, are you not willing to?" Fu Hongyi asked in a deep voice.

The director wiped the sweat from his forehead and told Fu Hongyi the disadvantages. "President Fu, it's not good to change the actor halfway. Every day the crew is delayed, we will waste one more day's money. This is a matter of more than 100,000 yuan. Also, President Fu, the actor Miss Fu wants to drive away is very strong, and it will be difficult to find another suitable actor."

Fu Hongyi didn't care. "Isn't it just a little money? Do you really think that the Fu Corporation can't afford the loss? In short, I won't let my daughter suffer the slightest grievance."

Chapter 1152 She Came To Invest In A Movie

"This, this..." The director was still hesitating.

"If you don't want to, then we'll withdraw the funds," Fu Hongyi said impatiently.

The director's next words were stuck in his throat. There were only two investors in this drama. One was himself and the other was Fu Hongyi, who accounted for 90% of the investment.

If he were to withdraw the funds, the entire crew would be paralyzed.

The money he had invested and the preparations he had made for the past month would all go to waste...

The director looked at Qi Yingjun with an apologetic look.

He closed his eyes and was about to nod when Qin Sheng's voice was heard. "How much money do you need? I'll pay."

Fu Shihan laughed coldly. "Ha, that's 300 million. Qin Sheng, do you have the money?"

Qin Sheng chuckled. "Brother Fu gave me more than 15 billion yuan some time ago."

In fact, this was only the amount that Fu Hanchuan had announced on the internet. The money he had given Qin Sheng was not just this.

Qin Sheng looked at Fu Shihan in a good mood.

To deal with Fu Shihan and Ye Yutong, she didn't mind using Fu Hanchuan as an excuse.

As expected, Fu Shihan was so angry that she stomped her feet. "Qin Sheng, that's my Brother Hanchuan's money. What right do you have to spend it?"

"But he already gave me the money. It's up to me whether I spend it or not."

"Qin Sheng, you!" Fu Shihan was so angry that she couldn't speak.

The director's eyes lit up when he heard Qin Sheng's words.

He had only been concerned about the matter between Qi Yingjun and Fu Shihan and did not notice Qin Sheng.

Qin Sheng had a strong background and was rich. Since Qin Sheng had said so and Fu Hongyi had withdrawn his funds, she could make up for it with her own funds.

Fu Hongyi wasn't an investor, so he couldn't give orders.

In order to highlight Fu Shihan's role in the film, Fu Hongyi ordered the director to give Fu Shihan a lot of scenes, and suppressed the presence of the other supporting roles.

This director's previous drama had failed badly, and no one else was willing to invest in it.

He could only endure Fu Hongyi.

Now that he could get rid of Fu Hongyi, he was naturally willing.

On the other end of the phone, Fu Hongyi's tone was very impatient. "I'll give you one more minute to think about it. If you haven't decided to kick them out of the crew, I'll withdraw my funds immediately."

The director didn't hesitate this time. "They won't leave the crew. President Fu, you should withdraw your funds."

Fu Hongyi was furious. "You really think I don't dare to withdraw my funds?"

The director remained silent.

Fu Hongyi's face was livid. "I'm telling you, I won't invest in any shows you direct in the future. I can also find a better crew for Han Han. I have money. Don't think that we can't leave you."

"As you wish."

The director returned the phone to Fu Shihan.

"Dad, are you really going to withdraw your investment?" Fu Shihan asked nervously.

Fu Hongyi rubbed his eyebrows. "I'll find you a better crew. We don't care about this disobedient crew."

Fu Shihan pinched the corner of her shirt, knowing that there was no better way to solve this. She could only nod. "Okay, then hurry up, Dad."

She hung up the phone.

Fu Shihan lifted her chin. "It's just a small crew. If I don't want to stay, then so be it. My dad said that he'll find me a better one."

Huang Xiaoyan's posture of holding her chin did not change. Her face was full of anticipation.

"I have a feeling that this matter isn't as simple as it seems. Look, the most exciting face-smacking is yet to come."

Huang Xiaoyan had a mysterious confidence in Qin Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

Fu Shihan laughed coldly. "But you, Qin Sheng, if Brother Hanchuan finds out that you used his money to invest, I wonder what he'll think of you. Men hate women who spend money recklessly. Someone like Sister Yutong is the one Brother Hanchuan likes."

Qin Sheng glanced at her watch. More than 20 minutes had passed.

He should be here soon.

Just as this thought came to her mind, Fu Hanchuan walked in and went straight to Qin Sheng's side. He rubbed the top of Qin Sheng's head affectionately. "Sheng Sheng."

Huang Xiaoyan's eyes lit up as she looked at it.

She tugged at Qi Yingjun, who was sitting next to her. "Look, Sheng Sheng's boyfriend is here. This Fu Shihan is Teacher Fu's half-sister. Now, let's see how Teacher Fu will help Sheng Sheng and slap his own sister in the face."

Fu Shihan saw Fu Hanchuan coming over and she called out happily, "Brother Hanchuan."

Only then did Fu Hanchuan cast a glance at Fu Shihan. As for Qin Churou, who was standing next to Fu Shihan and looking at him with an infatuated expression, he ignored her.

"Is there something?"

Fu Shihan complained, "Brother Hanchuan, Qin Sheng used your money to invest in the production just to support her friend. Now that Dad has withdrawn the investment, Qin Sheng is investing too. Isn't this a waste of your money? Your money is with her for safekeeping, but you can't spend it like this."

The director's heart was in his mouth when he heard this.

He didn't expect Fu Shihan to be Fu Hanchuan's sister.

That was between his sister and his girlfriend...

The director was not sure if Fu Hanchuan would stand on Qin Sheng's side. After all, Qin Sheng was indeed using Fu Hanchuan's money to spend. No matter how much Fu Hanchuan liked Qin Sheng, he would inevitably complain.

He was so nervous that even his palms were sweating.

Qin Sheng looked up at Fu Hanchuan. "Brother Fu, Fu Shihan's right. I do want to use your money to make an investment."

Fu Hanchuan looked at Qin Sheng's sly eyes and could not help but chuckle. "My money is yours. It's all up to you. I'll earn more for you after you spend it all."

Qin Sheng was usually too strong, so he rarely could help her.

Since Qin Sheng would spend his money, Fu Hanchuan finally felt that he was of some use.

He was calculating in his heart. It seemed like his hard work had earned him more money. This way, Qin Sheng would be more unrestrained when she spent money.

Fu Shihan was stunned when she heard that. She raised her voice in disbelief. "Brother Hanchuan, Qin Sheng spent a few hundred million just like that? If this goes on, how long can your 10 billion yuan last? You're just a manager of an HD Group, and your salary isn't much. What are you going to do if she uses up all your money?"

In fact, Fu Shihan was jealous of Qin Sheng.

More than 10 billion? She had never seen so much money before. Fu Hanchuan had never given her a single cent, but he had given more than 10 billion to Qin Sheng so easily!

Qin Sheng was indeed amazing to be able to charm Fu Hanchuan.

Fu Hanchuan's eyes were cold. "Sheng Sheng is my girlfriend. I'm giving her money to spend. It's not your place to tell her what to do."

Fu Shihan bit her lip, her eyes red. "But, Brother Hanchuan, I'm your sister. You've never been this good to me."

"Who told you you're my sister? You're just the daughter of a mistress."

The surrounding crew heard this and didn't doubt Fu Hanchuan's words. They looked at Fu Shihan with strange eyes.

All-Mighty Girl Gets Spoiled by A Bigshot

The daughter of a mistress?

No wonder Fu Shihan didn't look like Fu Hanchuan at all.

If Fu Shihan was really the daughter of a mistress, she was still calling Fu Hanchuan brother and acting like she was close to him. It was disgusting.

Fu Shihan couldn't help it. Tears fell and her voice was full of grievances. "Brother Hanchuan, I'm not."

Fu Hanchuan ignored Fu Shihan and turned to Qin Sheng. "Sheng Sheng, you don't have to care about these insignificant people in the Fu family."

"Alright," she said. Qin Sheng nodded obediently, and her lips curled up into a smile.

Huang Xiaoyan, who was sitting at the side, could not help but say loudly, "Fu Shihan, didn't you say that Teacher Fu would be unhappy if he found out that Sheng Sheng invested in the production? This will be a slap in the face."

Fu Shihan's grievances were completely overwhelmed.

She glared at Qin Sheng.

It was all Qin Sheng's fault. If not for her, Fu Hanchuan would not have embarrassed her in front of so many people.

As expected, Qin Sheng was a b*tch who was used to seducing men.

She gritted her teeth. "Qin Sheng, you're the third party. My mother isn't! Sister Yutong and Brother Hanchuan are already engaged! Now that you're with Brother Hanchuan, do you dare to say that you're not a mistress?"

"Engaged?" Fu Hanchuan frowned.

"That's right, Brother Hanchuan. Three days ago, the Fu family and the Ye family had already arranged your marriage. You'll be getting married soon. Brother Hanchuan, you should break up with Qin Sheng as soon as possible."

Fu Shihan looked at Qin Sheng with a smug expression.

Fu Hanchuan's eyes were filled with anger as he looked at Fu Shihan.

Fu Shihan shrunk her neck. She was afraid.

Fu Hanchuan retracted his gaze. He was afraid that Qin Sheng would misunderstand, so he quickly explained, "Sheng Sheng, I'm not sure about this."

Fu Hanchuan wanted to say something else, but Qin Sheng interrupted him. She looked at him and smiled. "I believe you."

In her previous life, Fu Hanchuan did not even get together with Ye Yutong, let alone in this life.

She also believed that Fu Hanchuan would not betray her.

"Thank you, Sheng Sheng." Fu Hanchuan laughed joyfully, and even his eyes were smiling. He enjoyed Qin Sheng's unconditional trust in Him.

"Brother Hanchuan." Fu Shihan panicked. "You are already engaged to Sister Yutong. She has always liked you. You can't betray her."

"Ha."

Fu Hanchuan sneered and looked at Fu Shihan coldly. "This is the engagement between the Fu family and the Ye family. What does it have to do with me?"

"You're a member of the Fu family!" Ye Yutong straightened her neck.

"I've already cut off all ties with you, so how can there be a Fu family? Since it's an engagement between the Fu family and the Ye family, it should be Fu Mingxu and Ye Yutong."

"Brother Hanchuan, you're my big brother. We're blood-related," Fu Shihan said stubbornly. Fu Hanchuan was very outstanding. Fu Shihan had always treated Fu Hanchuan as her brother, even if Fu Hanchuan had never paid attention to her.

"It seems that the Fu family still hasn't learned their lesson." Fu Hanchuan's eyes darkened. It seemed that he had been too lenient on the Fu family.

In fact, Fu Hanchuan was the one who had caused the Fu Corporation to go downhill. He wanted the Fu family to watch the company decline and fall into despair.

Qin Sheng narrowed her eyes when she heard Fu Shihan's words.

Lin Shuya and Qin Hai liked to hold her by blood, and Fu Shihan was the same.

Qin Sheng smiled. "Director, I'll invest in this drama, but I have a condition."

Chapter 1155 Kick Her Out Of The Crew

When the director heard Qin Sheng's words, he was relieved. He asked obsequiously, "What condition? Miss Qin, please state it."

Qin Sheng pointed at Fu Shihan. "I want her to get out of the crew."

The director had long been tired of Fu Shihan. Hearing her words, he agreed without thinking, "Okay, I will terminate the contract with Fu Shihan."

"Qin Sheng, you actually chased me away?" Fu Hongyi withdrew the funds, and Fu Shihan didn't plan to stay in the crew, but the premise was that she had to leave on her own, not be driven away!

"Is there a problem?" Qin Sheng asked with a smile.

Fu Shihan gritted her teeth and looked at Fu Hanchuan, her eyes full of hope. "Brother Hanchuan, Qin Sheng invested in the crew with your money. I'm your sister. If she drives me away, won't she be embarrassing you?"

Huang Xiaoyan was speechless when she heard Fu Shihan's words.

Did this Fu Shihan have a brain?

Fu Hanchuan's attitude toward her was obviously disgusted, and he didn't even acknowledge her as a sister.

Huang Xiaoyan suddenly wanted to know how thick Fu Shihan's skin was.

Fu Hanchuan ignored Fu Shihan and only said, "Tell Fu Hongyi and your grandfather that I won't let the engagement go."

"Brother!" Fu Shihan looked at Fu Hanchuan with disappointment.

Qin Sheng chuckled, her gaze landing on the director.

The director understood what Qin Sheng meant. He reached out his hand. "Miss Fu, please. Otherwise, I'll have to ask the crew to take you away."

It was obvious that the director wanted Fu Shihan to leave.

Fu Shihan gritted her teeth and stared at Fu Hanchuan with hope in her eyes. Unfortunately, Fu Hanchuan didn't even look at Fu Shihan the whole time.

After a long while, Fu Shihan finally gave up. This time, she vented all the anger she had received from Fu Hanchuan on Qin Sheng.

Fu Hanchuan must have been smitten by that vixen, Qin Sheng, for him to treat her like this.

She glared at Qin Sheng indignantly. "You're just a mistress. Brother Hanchuan will break up with you sooner or later. Sister Yutong and Brother Hanchuan are a match made in heaven."

"Director, aren't you going to do anything?"

Qin Sheng's voice was extremely cold.

The director's eyes lit up as he looked at Qin Sheng. After all, Qin Sheng was the one who had helped him get rid of Fu Shihan and Fu Hongyi. He could even treat Qin Sheng like his ancestor.

Hearing Qin Sheng's words, the director did not hesitate. He asked two people in the crew to take Fu Shihan out.

Fu Shihan felt that she had lost all her face and started to make a scene.

However, no one in the crew spoke up for Fu Shihan.

Fu Shihan's voice disappeared.

Huang Xiaoyan kept her phone and looked at the video. She could not help but nod. "Yingjun, isn't Sheng Sheng very handsome?"

However, Qi Yingjun did not answer. Huang Xiaoyan asked again, but she still did not get a reply from Qi Yingjun.

Huang Xiaoyan frowned and looked at Qi Yingjun.

Qi Yingjun was sitting in her seat. She was also staring at Qin Sheng, and she even had the expression of a fangirl on her face.

Huang Xiaoyan was speechless.

Why didn't she realize that this little girl was so infatuated?

On the other side, the director rubbed his hands and continued to ask in a fawning manner, "Miss Qin, do you have any other conditions?"

Qin Sheng tilted her head and asked in confusion, "I'm the investor, so you'll agree to all my conditions?"

The director was actually charmed by Qin Sheng's actions. For a moment, he wanted to immediately nod and say yes.

But when he met Fu Hanchuan's cold gaze, his words were stuck in his throat.

Chapter 1156 Let Qin Sheng Be The Female Lead

The director coughed lightly. "Something like that. Of course, you can't go too far."

"Director, have you found out anything about me from the internet?"

The director was very curious as to why Qin Sheng would ask such a question, but he still nodded honestly. "I know, I know."

"I don't like Qin Churou," Qin Sheng said straightforwardly, without any pretense.

Qin Sheng's voice was not soft, so Qin Churou heard what she said.

Her heart was instantly in her mouth, and her hands that were hanging by her sides slowly tightened.

She had tried her best to reduce her presence later on, but she did not expect Qin Sheng to notice her.

"What do you mean?" The director frowned.

"I don't want her to stay in the production team I invested in." Qin Sheng did not hide her disgust for Qin Churou.

The director looked at Qin Churou and was quite satisfied with her. Qin Churou's acting was very good. Other than her usual fawning over Fu Shihan, he couldn't find any faults in her.

But this time, he nodded without hesitation. "Okay."

"Qin Sheng, you!" Qin Churou bit her lip, but when her eyes met Qin Sheng's, the rest of her words were stuck in her throat.

She did not dare to refute Qin Sheng.

"Fine, I'll go," she said through gritted teeth.

After Qin Churou left, Huang Xiaoyan could not wait to come up to her. She looked at Qin Sheng with shining eyes. "Sheng Sheng, you're so handsome."

She wanted to hug Qin Sheng's arms.

However, she felt a chill run up her spine. Huang Xiaoyan's face stiffened. How could she forget that there was such a jealous lover beside Qin Sheng?

Huang Xiaoyan moved her feet silently and took a few steps back, distancing herself from Qin Sheng.

Qi Yingjun stood beside Huang Xiaoyan. She glanced at Qin Sheng carefully from time to time.

"Miss Qin," the director said, "now that the female lead and the second female lead have left the crew, do you have any good candidates?"

Qin Sheng's brows furrowed slightly. "You can go to Shenghe Entertainment to choose."

"Alright," he said. The director nodded and hesitated for a moment before he said, "Miss Qin, I wonder if you have any thoughts of becoming an artiste?"

Qin Sheng raised an eyebrow. "What do you mean?"

"Ahem, Miss Qin, I think your image fits the female lead of this movie very well. Do you want to give it a try?" The director said very seriously, "With your looks and temperament, you will definitely be popular in the entertainment industry. Even if you don't have any acting skills, you will still be very popular."

Qin Sheng's Weibo fans now numbered more than 40 million. She had many die-hard fans and a large number of big shots among them.

Qin Sheng's popularity was more than enough to outdo many A-list celebrities.

Getting into the top three of Weibo's hot searches was as easy as drinking water.

The director could already imagine how popular Qin Sheng would be after she made her debut.

Before Qin Sheng could answer, Fu Hanchuan frowned. He did not like Qin Sheng being exposed in front of too many people. Besides, she would flirt with many men during filming.

He wrapped his arm around Qin Sheng's waist in an overbearing manner and rejected him. "I'm sorry, Sheng Sheng doesn't plan to enter the entertainment industry and become an artiste."

Fu Hanchuan looked at the director with a cold gaze, which made the director shiver.

In fact, the director did not have much hope for Qin Sheng to enter the entertainment industry. Qin Sheng had a strong background. Did she want for anything? Moreover, many rich and powerful families looked down on actors and would not let their children become artists.

However, Qin Sheng's qualifications were too good. She was the pride of the entertainment industry, so he could not help but be tempted.

All-Mighty Girl Gets Spoiled by A Bigshot

However, since Fu Hanchuan had said so, the director could only give up.

"I'll go to Shenghe Entertainment this afternoon to pick out some artistes," he nodded.

Qin Sheng said expressionlessly, "I don't want my friends and the artistes from Shenghe Entertainment to be targeted for no reason."

"Naturally."

"After the shooting of this drama, let Shenghe Entertainment handle the special effects."

"Alright," he said. The director agreed.

Qin Sheng nodded. She then asked, "The amount of investment is 400 million. Is that enough?"

Qin Sheng did not know much about the amount of money needed to film a movie.

"Miss Qin, we don't need that much. After all, this is a xianxia TV series, and the money we spend is mainly on the special effects. Now that the special effects and entertainment are fully covered, we only need about 120 million yuan."

"180 million. I want the best in every aspect."

Fu Hanchuan did not interrupt the whole time and only looked at Qin Sheng lovingly.

Qin Sheng and Fu Hanchuan left.

The director also heaved a sigh of relief.

"Director!" Huang Xiaoyan leaned forward and asked, "Don't Sheng Sheng and Teacher Fu look very good together?"

The director wiped the sweat from his forehead. "They are indeed a good match, but this Fu Hanchuan is too cold. He seems to be releasing cold air all the time. How can Miss Qin stand it?"

Huang Xiaoyan held her phone, cherishing the video that she had just recorded.

Hearing that, she raised her eyebrows smugly. "Isn't it normal to release cold air? That's because he's concerned about Sheng Sheng's behavior, and he's only cold to you. When it comes to Sheng Sheng, Teacher Fu is gentle."

The director did not think much of it at first, but after hearing Huang Xiaoyan's words, he recalled Fu Hanchuan's actions toward Qin Sheng and the loving look in his eyes.

The director was speechless.

Why did he feel like he was being fed dog food?

On the other side, Fu Shihan went back to the van. She sat inside and didn't leave immediately.

She kept muttering, "Qin Sheng, I'll let you be smug for a while longer. Let's see how smug you can be after Brother Hanchuan abandons you."

Her eyes were filled with hatred.

Her driver sat in the driver's seat and didn't dare to say a word, afraid that Fu Shihan would vent her anger on him.

Fu Shihan was the most unruly and would scold the servants for no reason.

The driver had been bullied by Fu Shihan a lot.

Bang...!

The driver accidentally touched a bottle of mineral water, and his heart instantly jumped.

Fu Shihan glared at the driver and was about to get angry.

At this time, Qin Churou knocked on the car door. Fu Shihan gritted her teeth and opened the door. Her tone was very bad. "Qin Churou, what are you doing here?"

"Shihan," Qin Churou said carefully, "Qin Sheng did go overboard when she chased you out of the crew."

Fu Shihan's face turned even uglier. "Qin Churou, you're just trying to laugh at me, aren't you? I haven't forgotten how you went against me just now."

"I'm not, Shihan. I'm just doing this for your own good. What good does it do me to go against you? Don't you see that I'm usually very good to you?"

Qin Churou's attitude was sincere.

Fu Shihan frowned and her tone softened. "Tell me, what do you want?"

Qin Churou closed the door and glanced at the driver, who left tactfully.

"Shihan, I have a way for you to get your revenge," Qin Churou finally spoke.

Fu Shihan sat up straight. "Is this to teach Qin Sheng a lesson?"

Qin Churou nodded. "Yes."

Chapter 1158 Let Fu Shihan Learn Her Lesson

"Then, Churou, hurry up and tell me. If it really works, you'll get a lot of benefits."

Shihan, I don't want any benefits. It's just that Qin Sheng is too arrogant, and I can't take it lying down. Although she's my sister, she once caused our parents to fall into public opinion. I really don't have a good impression of her after seeing them being scolded by so many people. Don't worry, I won't be biased toward her."

Fu Shihan felt that she had found a friend who shared the same thoughts as her. She pulled Qin Churou's hand over intimately. "It's fine to not have a sister like Qin Sheng. Churou, let's do what you said."

Qin Churou replied, "There are many cameras in the crew. They should have recorded everything that happened just now. We can edit it and post it online. Many people will be on your side."

Fu Shihan frowned. "But how are we going to get those videos? I'm sure they won't be willing to give them to us."

"Use money to buy them off."

Hearing this, Fu Shihan's brows relaxed. "Okay, I'll make the arrangements immediately."

"You can't let the other party leave a video," Qin Churou warned.

"Alright," she said.

Fu Shihan was happy. She could already imagine Qin Sheng's fate when she was scolded. "Churou, you're amazing. You even thought of this."

Qin Churou lowered her eyes and concealed the smugness in her eyes.

This time, it was beneficial to her.

It would be best if Qin Sheng's reputation could be damaged. Even if this matter was resolved by Qin Sheng and Fu Hanchuan, they would still target Fu Shihan.

Fu Shihan deserved to be taught a lesson for not taking her seriously.

Qin Churou's eyes darkened.

--

After Fu Hanchuan returned to Fu Garden, he made arrangements.

He said in a deep voice, "Lin Yuan, isn't the Fu Corporation currently discussing the contract with Chen and Wu? Go and intercept their collaboration. Don't hide the fact that it's the work of the HD Group."

Lin Yuan was very surprised. The Fu family had offended his president again?

Fu Hanchuan rarely got angry, except when it came to Qin Sheng.

It seemed that the Fu family had not provoked Fu Hanchuan, but Qin Sheng.

"Yes, President."

After Lin Yuan agreed, he started to make arrangements.

He was very fast. In the afternoon, the managers of the Chen Corporation and the Wu Corporation who were in charge of signing the contract contacted the Fu Corporation.

Old Master Fu wasn't in good health, and Fu Mingxu was still in school in the capital, so the company's matters were mainly handled by Fu Hongyi.

He was having a meeting in the meeting room when a subordinate ran in, panting.
"General Manager, no, bad news."

Fu Hongyi was interrupted and he said unhappily, "What's the panic? What happened?"

"Yes!" The subordinate replied in a panic, "The Wu and Chen Corporations contacted us and said that they have gone back on their word. They won't sign the contract with us anymore."

"What?"

Fu Hongyi suddenly stood up. "Why would they go back on their word at the last minute? Haven't they already decided? We were going to sign it tomorrow."

Even if they went back on their word now, he couldn't do anything to them.

After all, the contract was only in the discussion stage and had not been completely signed, let alone the penalty.

The subordinate lowered his head. "I'm not sure. They didn't say."

Fu Hongyi couldn't sit still and ordered, "Meeting dismissed."

He strode back to his office.

He called Wu Qiu, the chairman of the Wu Corporation.

Soon, Wu Qiu picked up.

"Chairman Wu, didn't we agree on the contract?" Fu Hongyi asked, trying to please him. "Why did you change your mind at the last minute? Did something happen here? Tell me, and I'll definitely handle it."

Chapter 1159 Taking Action Against His Own Company

"It has nothing to do with you." Wu Qiu sat on the chair with a smile on his face. "We have a better business partner."

"Who is it?" Fu Hongyi asked. There was actually someone who wanted to compete with the Fu Corporation?

Fu Hongyi's eyes darkened.

"HD Group."

"What?"

Fu Hongyi's first reaction was that it was Fu Hanchuan's doing.

Wu Qiu grinned. "President Fu, compared to the Fu Corporation, the HD Group is undoubtedly a better partner. Also, it's obvious that they're behind this. You've offended them, so it's better for us not to keep in touch."

Although the HD Group was not as powerful as some of the bigger companies, their development speed was extremely fast. At their current rate, it would only take two to three years for them to become one of the top 20 companies in the Imperial Capital.

Many companies did not want to offend the HD Group.

They were all trying to curry favor with them.

Now that there was a conflict between the HD Group and the Fu Corporation, they naturally had to stay away from the Fu Corporation.

"Chairman Wu."

Fu Hong wanted to say something, but Wu Qiu hung up.

Fu Hongyi didn't give up. He called the chairman of the Chen Corporation and got the same answer.

Pa...

The phone fell from Fu Hongyi's hand and landed on the ground with a crisp sound. The screen then shattered.

These two contracts were the result of the Fu Corporation's hard work over the past two months.

Now, it was gone, just like that.

Fu Hongyi clenched his fists. It must be Fu Hanchuan, that unfilial son, who did this.

Fu Hongyi returned to the Fu Residence in a huff.

Old Master Fu frowned. "You're back so early?"

"Dad, our cooperation with the Chen and Wu Corporation is over," Fu Hongyi said through gritted teeth.

"It's ruined?" Old Master Fu was stunned.

"Yes, it was the HD Group that cut off our contract, Dad. It was obviously Fu Hanchuan's doing."

Old Master Fu slammed his hand on the sofa's armrest and stood up. He was furious. "This Fu Hanchuan is really rebellious! I don't expect him to contribute to the company, but I can't expect him to do this to the company again and again!"

"Dad, I've said it before, Fu Hanchuan is not like the Fu family, and he doesn't take us seriously. We should have given up on him in the first place."

Fu Hongyi had never liked Fu Hanchuan.

When Fu Hanchuan was young, he had been staring at Fu Hongyi with a dark look. Fu Hongyi always felt that Fu Hanchuan would be a scourge if he kept him by his side.

Sure enough, it was just as he had thought.

Which son would always attack his own family?

Old Master Fu was in a bad mood, and he reproached unhappily, "Shut up!"

Fu Hongyi didn't dare to speak.

Old Master Fu took out his phone and contacted Fu Hanchuan.

Fu Hanchuan was dealing with the company's affairs on the computer. These were all very urgent and had been sent by Assistant Lin, which would take two days to complete.

He could only put aside the Ye family and the Fu family's arrangements for his engagement to Ye Yutong.

The phone on the table rang. Fu Hanchuan frowned and picked up the phone. He saw the caller ID and narrowed his eyes.

The call went through, and Old Master Fu's exasperated voice came through. "Fu Hanchuan, were you the one who canceled the cooperation between the Chen Corporation, Lin Corporation, and Fu Corporation?"

Fu Hanchuan leaned back in his office chair. He didn't hide anything. "That's right."

Old Master Fu's face darkened. "Fu Hanchuan, you're a member of the Fu family! How could you attack your own company!"

Chapter 1160 Cancel The Engagement Between The Two Families

Fu Hanchuan chuckled. "Don't forget, Old Master Fu, we've already cut off all ties. I have nothing to do with you anymore."

"Fu Hanchuan!"

"Since you've failed to learn your lesson time and time again, I'll have to remind you."

Hearing this, Old Master Fu frowned. "What do you mean?"

"The engagement between the Ye and Fu families." Fu Hanchuan's entire body was exuding cold air. "Since when did my marriage be decided by you?"

Old Master Fu avoided his gaze. He felt guilty for a moment when he heard Fu Hanchuan's question, but he was more angry at Fu Hanchuan for disobeying him time and time again.

He suppressed the anger in his heart and said very gently, "Is Yutong not good? She's beautiful, has a good personality, and comes from a good family. Hanchuan, you might not understand now, but you'll understand in the future. It's best to marry a gentle and considerate woman who will be helpful to your career. Yutong is the best choice."

"Hanchuan, your parents have said that if you marry Yutong, you'll be in charge of the Ye Corporation. You see, the Ye Corporation is one of the top 30 companies in the country. It's better than you being a small manager at the HD Group."

"As for Qin Sheng, you like her, so you don't have to separate from her. You can keep her as a mistress."

Fu Hanchuan sneered. "Since you like her, you can go and marry her yourself. Fu Mingxu likes Ye Yutong, so I'm sure Fu Mingxu will be happy to get engaged."

"You think I don't want to? It's because Yutong likes you!"

Fu Hanchuan looked at the time and saw that five minutes had passed.

He didn't want to waste too much time on Old Master Fu, so Fu Hanchuan said expressionlessly, "This marriage is invalid. If you dare to publicize it, then the Fu Corporation, ha, will lose more than just two business contracts."

He hung up the phone.

On Old Master Fu's side, the busy tone came from the phone. He was so angry that his face was livid, and he casually threw the phone on the table.

"He's indeed lawless!"

"Dad, what did Hanchuan say?" Fu Hongyi asked carefully.

Old Master Fu's eyes darkened. "If he and Yutong are still married, he will continue to lay his hands on our company."

"This Fu Hanchuan, I really regret giving birth to him!" Fu Hongyi clenched his fist and slammed it on the table.

Old Master Fu glanced at him and said, "If you didn't beat and scold him, Fu Hanchuan wouldn't have been taken back to the Lu family to be raised. Why would he be so close to the Lu family and treat the Fu family as his enemy? Fu Hanchuan is very talented in business. If he returns to the Fu family to work, the Fu Corporation will not decline."

Fu Hongyi's business talent was far inferior to Fu Hanchuan's, and he often caused him trouble.

Old Master Fu regretted underestimating Fu Hanchuan's abilities and forcing him to leave the company.

Fu Hongyi didn't dare to refute.

He only muttered softly, "You didn't stop me when I treated him like that back then, did you?"

Of course, he didn't dare to let Old Master Fu hear these words.

"Dad, what should we do now? Are you really going to cancel the engagement?" Fu Hongyi frowned. "I'm afraid this will offend the Ye family. We have a lot of cooperation with the Ye family now. If they withdraw their cooperation, I'm afraid our company will be in a great crisis."

Old Master Fu fell back onto the sofa. "Let's wait for a while. I think the Ye couple is very satisfied with Mingxu. Let's see if Mingxu has a chance to be with Yutong."
