

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1161 Qin Sheng Is The Third Party

The next day after Old Master Fu contacted Fu Hanchuan, a piece of news spread in the Imperial Capital.

It was Ye Yutong's follower, Wang Xiaoli.

Wang Xiaoli had announced on the forum that Ye Yutong was Fu Hanchuan's fiancée, that the two were childhood sweethearts, and that Qin Sheng was the mistress who had seduced Fu Hanchuan.

She even posted the engagement letter that the Ye and Fu families had sent to Ye Yutong and Fu Hanchuan.

[Wang Xiaoli: Actually, Yutong asked me to keep this a secret. She did not want to reveal it to anyone. It's just that Fu Hanchuan and Qin Sheng are too high-profile. They often get intimate with each other on the internet without any scruples. Yutong often sees news about them and is in pain.]

[The one who should be with Fu Hanchuan is Yutong, but she has to bear all the pain. She even went to see a psychiatrist two days ago because of this. Qin Sheng and Fu Hanchuan are called a celestial couple by all of you. I can't stand it anymore. Even if Yutong blames me, I'm going to expose this and hope that Qin Sheng can come out and explain.]

At first, the students of Imperial Capital University didn't believe Wang Xiaoli's words, but they were all stunned when they saw the engagement letter.

This, this was real?

Qin Sheng had really become a mistress?

Many people were discussing this on the forum, and most of them didn't doubt Wang Xiaoli's words.

In just half an hour, the replies to the post had reached more than 2,000.

[Really? I'm a fan of Fu Hanchuan and Goddess Qin. Don't be like this.]

[In the first semester of our freshman year, Senior Fu was still in school. Ye Yutong went to look for him a lot. Back then, there were rumors that they were a couple. Is this true?]

[That's impossible. How could my goddess be a mistress in another man's relationship?]

[I'm thinking, could there be something strange about this? Or maybe Ye Yutong likes Senior Fu and wants her parents to get engaged to the Fu family. After all, an engagement doesn't necessarily need the participation of both the man and the woman. The parents can do it.]

[I didn't expect Ye Yutong to like Senior Fu. But to be honest, if they are really engaged, then Qin Sheng and Fu Hanchuan shouldn't be together. I'm on Ye Yutong's side on this.]

[Hehe, Qin Sheng is just a mistress. The engagement letter is here, so don't wash it. No matter how capable Qin Sheng is, she can't change the fact that she's a mistress.]

[I used to think so, but now I feel disgusted.]

[Qin Sheng, get out of Imperial Capital University!]

The forum adopted an anonymous style of speaking, and many people were cursing without any scruples.

Someone went to ask Ye Yutong about this.

Ye Yutong stammered, "This has nothing to do with Qin Sheng. Hanchuan and I are indeed childhood sweethearts. Our family's marriage has also been decided, but that's all in the past. Now that he already has someone he likes, let's forget about it. I'll ask my parents to go over and cancel this marriage as well."

Tears rolled down from the corner of her eyes.

Ye Yutong's video was uploaded to the forum. She had a lot of fans and many of them felt sorry for her. They started to attack Qin Sheng and Fu Hanchuan, saying nasty things.

[Hehe, I'll scold whoever still dares to speak up for Qin Sheng. With this engagement letter, Qin Sheng can forget about getting away with this crime.]

[Qin Sheng is a mistress.]

[Goddess Yutong is so pitiful. Her fiancé was stolen from her and she even publicly displayed her love for him in front of the entire country.]

[Look at Qin Sheng's looks. She's a vixen who knows how to seduce people.]

[This is the truth. Goddess Yutong has a good family background. She's beautiful and talented. It's impossible for such an outstanding person to frame Qin Sheng.]

[...]

Chapter 1162 Qin Sheng Is A Very Strange Person

Among the people who attacked Qin Sheng, the one who jumped the most was the ID 'Love Yutong the Most'.

She was also organizing Ye Yutong's fans to attack Qin Sheng.

Everyone was familiar with her Love Yutong account. She was usually very protective of Ye Yutong. No matter what happened, she would always stand on Ye Yutong's side and was very generous.

Very few people knew that this was Ye Yutong's alternate account.

At this moment, no one suspected her when she stood up. Instead, many people were led up by her and spoke very harshly to Qin Sheng.

As for the students who were on Qin Sheng and Fu Hanchuan's side, they could not take it anymore and started to post comments to defend Qin Sheng.

[My ass! Do you dare to say that your goddess is perfect? I haven't forgotten who stole Sister Sheng's painting to attend the art exhibition. I remember someone was also punished.]

[There must be a secret behind this. I'm determined to stand on Sister Sheng's side. Sister Sheng is too outstanding, so it's inevitable that some people will target her. Which time didn't they return with a vicious slap in the face?]

[I agree, upstairs. I'll wait for Sister Sheng to slap them in the face.]

[Let's go and ask Prince Fu and ask him to help Sister Sheng clear her name.]

[...]

Ye Yutong scrolled through the replies on the forum. When she saw that most of the people were defending Qin Sheng, her expression turned ugly.

Qin Sheng's brainwashing ability was really strong. They could actually stand on Qin Sheng's side even when there was conclusive evidence.

Ye Yutong held her phone tightly.

She would never let Qin Sheng off just like that. She wanted the whole internet to know about this.

Fu Hanchuan had no choice but to be with her under pressure!

Ye Yutong's eyes were filled with determination.

She logged into the Weibo account of Love Yutong the Most, took a screenshot of Wang Xiaoli's two posts at Imperial Capital University, and posted them on her Weibo.

[Love Yutong the Most: Qin Sheng, aren't you the noblest? The granddaughter of the Lin Corporation and the goddaughter of the Qin Corporation, you're using your status to willfully snatch someone else's fiancé, aren't you ashamed? @Sheng]

Qin Sheng was a regular on the hot search and could easily make it to the hot search. This time, Love Yutong's Weibo post did not make it to the hot search for an hour. The main reason was that those Weibo big Vs and marketing accounts did not dare to post.

The last time, because of Qin Sheng's adoptive parents, many marketing accounts and media outlets had followed the trend and slandered her.

At first, they did get a lot of benefits, but after Fu Hanchuan clarified things for Qin Sheng, he started to take action against them.

Not only that, the Lin family and the Qin family were also involved.

Every marketing account had to pay hundreds of thousands to tens of millions in compensation. At the same time, many marketing accounts were banned, and the leading media outlets were all kicked out by Fu Hanchuan and his team.

This time, they had all learned their lesson and did not dare to easily follow the trend.

After all, they could not bear the anger of Fu Hanchuan, the Lin family, and the Qin family.

For a moment of traffic, they had to pay millions in compensation and even had their accounts banned. The loss outweighed the gain.

In the usual compensation, slandering someone would usually only get a compensation of tens of thousands or hundreds of thousands, and the highest could reach a million.

However, the HD Group's legal team could turn black into white. They forced some of the marketing accounts to compensate Qin Sheng with tens of millions.

At this moment, these marketing accounts were only looking at the Weibo post that slandered Qin Sheng. They were tempted, but they did not dare to post it, for fear that Fu Hanchuan would target them again.

Qin Sheng was a very strange person.

Every time someone wanted to deal with her, she would be able to produce evidence to slap their faces.

All-Mighty Girl Gets Spoiled by A Bigshot

Without the reposts of these marketing accounts, the popularity of Ye Yutong's Weibo post rose very slowly.

Ye Yutong couldn't wait any longer. She went to hire a water army to post the post on Weibo's hot search.

With the increase in exposure, more and more people were paying attention to it.

They all started discussing Qin Sheng. When they saw the engagement letter, many netizens began to question Qin Sheng, but most of them remained silent.

After all, they had been slapped in the face by Qin Sheng many times.

They were not stupid. They would not keep offering their faces to Qin Sheng.

The Ye Corporation also released a Weibo post to confirm this matter.

However, the Fu Corporation didn't make any moves.

In the Fu family, Fu Hongyi asked anxiously, "Dad, what should we do now?"

Old Master Fu's face was dark. "How did this matter blow up?"

"I think one of Yutong's friends couldn't stand it, so she exposed it," Fu Hongyi replied.

For the first time, Old Master Fu was dissatisfied with Ye Yutong.

She couldn't even take care of her own friends.

"Dad, now that the Ye family has responded, should we follow them?" Fu Hongyi asked carefully.

If the man's side didn't respond, the Ye family would probably have an opinion.

"What do you mean?" Old Master Fu scolded, "If Fu Hanchuan makes a move on the company, how are we going to deal with it?"

"Then the Ye family..."

"Let's wait for a while. If they ask, I'll explain it to them." Old Master Fu rubbed his brows, feeling a little tired.

This was the first time he had experienced such a deep sense of helplessness.

And Fu Hanchuan was the one who had brought him here.

--

At the Lu family's side, Old Master Lu was drawing in the studio and did not see the news on Weibo immediately. It was an administrator of the fan group who contacted him.

[President, some 'Loves Yutong the Most' has posted on Weibo that Prince Charming Fu and Ye Yutong are engaged and that our goddess is the third party. Many people have been cursing at them.]

Old Master Lu: "?!!"

How did he not know that he was engaged?

And who was this Ye Yutong?

Old Master Lu opened the Weibo message sent by management and saw the content at first glance.

He was instantly so angry that his entire body trembled.

What a joke! His Sheng Sheng was a mistress?

He didn't even know who Ye Yutong was. Would his grandson be engaged to her?

Haha, if they were really engaged, he would break them up. He could not let Qin Sheng suffer.

Old Master Lu's face was dark. He turned off Weibo and called Fu Hanchuan.

Fu Hanchuan was still dealing with the company's affairs.

When he heard the phone on the table ring, he massaged his eyebrows and picked up Old Master Lu's call. "Grandpa, what's up?"

Old Master Lu would rarely call unless something had happened to Qin Sheng.

"Have you seen what happened on Weibo?" Old Master Lu gritted his teeth.

"Weibo?" Fu Hanchuan frowned.

Old Master Lu said in exasperation, "Fu Hanchuan, what kind of boyfriend are you? You don't know that Sheng Sheng is being scolded so badly on Weibo?"

Fu Hanchuan's heart was in his mouth. "What happened?"

Old Master Lu took a sip of water, then said, "Someone said that you and Ye Yutong are engaged and Sheng Sheng is the mistress who came between you and Ye Yutong. They even have an engagement letter. How could a boyfriend like you not know about such a big thing? Fu Hanchuan, if I were Sheng Sheng, I would have dumped you long ago."

All-Mighty Girl Gets Spoiled by A Bigshot

Old Master Lu despised Fu Hanchuan very much.

Hearing this, Fu Hanchuan's eyes narrowed.

His heart was filled with anger.

He didn't refute Old Master Lu's scolding. It was indeed his fault for not finding out in time.

"Grandpa, I'll handle it. I won't let Sheng Sheng suffer."

"Then what's up with Ye Yutong?"

"She's just a passerby," Fu Hanchuan replied with a frown.

Fu Hanchuan's answer was not fake. He had never taken Ye Yutong seriously. Although Ye Yutong would often go to look for Fu Hanchuan when she was young, Fu Hanchuan would always ignore her.

Later, Fu Hanchuan even forgot about her existence.

To Fu Hanchuan, Ye Yutong was indeed just a passerby.

Old Master Lu was relieved. Then, he thought of something and asked, "Then what's with the engagement letter?"

"The Fu family and the Ye family made the engagement in private. I didn't know when they made the engagement."

"Alright, Hanchuan. I'm telling you, you have to clean up this matter and clear up the scandal between you and Ye Yutong." Old Master Lu warned, "If you let Sheng Sheng suffer, hmph, I'll let Sheng Sheng ignore you for a few months."

"Yes," Fu Hanchuan agreed.

After hanging up the phone with Old Master Lu, Fu Hanchuan went to Qin Sheng's room.

Qin Sheng did not go to school in the afternoon and stayed at home to write her thesis. When Fu Hanchuan knocked on the door and came in, he looked a little upset.

"Brother Fu, what's wrong?" Qin Sheng asked with a frown.

Fu Hanchuan pulled Qin Sheng into his arms. "Sheng Sheng, have you seen what happened on Weibo?"

"Yes, I've seen it."

Other than being a little bothered by Ye Yutong's claim to be Fu Hanchuan's fiancée, Qin Sheng did not really care about anything else.

She believed that Fu Hanchuan would take care of Ye Yutong's matter.

Fu Hanchuan spoke, his voice filled with guilt. "Sheng Sheng, I have nothing to do with her. I'll settle this."

Qin Sheng's lips curled up into a smile as she asked, "Brother Fu, are you free tomorrow?"

Upon hearing Qin Sheng's words, Fu Hanchuan answered without thinking, "Yes."

If Assistant Lin heard what Fu Hanchuan said, he would be speechless again.

That pile of urgent matters, are you sure you're free?

Qin Sheng smiled. "Come with me to school tomorrow. Let's put Ye Yutong's matter aside for now."

She looked up, and the smile in her eyes fell into Fu Hanchuan's eyes.

Fu Hanchuan had always understood Qin Sheng, so he understood what she meant.

He was naturally happy to be able to appear in front of everyone with Qin Sheng. "Alright, Sheng Sheng, I'll go with you tomorrow."

On the internet, the topic of Ye Yutong and Fu Hanchuan being fiancé and fiancée and Qin Sheng being the third party in their relationship had been brewing.

It had been an afternoon and a night since the incident, but there was still no news from Fu Hanchuan and Qin Sheng. Everyone started to wonder if they were in the wrong.

However, the next morning, Old Master Lu made a Weibo post.

[Lu Zhongguo (Sheng Sheng's Little Fan) V: If Ye Yutong is my grandson's fiancée, as his grandfather, how can I not know? I know that my grandson is outstanding, but not just any woman can be on the list. Is Ye Yutong as outstanding as Sheng Sheng? Sheng Sheng can press her to the ground and rub her.]

Yesterday afternoon, after talking to Fu Hanchuan on the phone, Old Master Lu had done some research on Ye Yutong.

All-Mighty Girl Gets Spoiled by A Bigshot

After seeing Ye Yutong's photo, he finally remembered who Ye Yutong was.

Ye Yutong had wanted to get close to him before this.

However, he could tell that Ye Yutong was not a good person at first glance, so he rarely paid attention to her. At that time, he was very curious about Ye Yutong's purpose. Now, he finally understood.

It turned out that Ye Yutong had her eyes on Fu Hanchuan.

Old Master Lu was very disgusted with Ye Yutong. He had a feeling that she was the one who started this wave of slander against Qin Sheng. After all, if Ye Yutong had not shown the engagement letter to Wang Xiaoli, would she have known about it?

It was obvious that Ye Yutong did this on purpose.

Therefore, when Old Master Lu posted on Weibo, he did not give Ye Yutong any face at all.

The netizens saw Old Master Lu's Weibo post when they woke up early in the morning.

They were stunned.

Did Old Master Lu not know Ye Yutong?

Weren't Fu Hanchuan and Ye Yutong engaged? How could Old Master Lu, who was his grandfather, not know?

The netizens' intuition told them that there was something fishy about this. Old Master Lu was such a respected senior, so he shouldn't be lying.

However, after seeing Old Master Lu's nickname, as well as how he had become the president of Qin Sheng's fan club, they had gone to the front to scold those trolls countless times. They were all brainless fans.

They all fell silent.

So, were Old Master Lu's words true or false?

--

In the morning, Fu Hanchuan personally sent Qin Sheng to school.

This time, Qin Sheng did not go to the laboratory. They went to the classroom together, holding hands and intertwining their fingers.

As they walked on campus, Fu Hanchuan lowered his eyes and talked to Qin Sheng from time to time, a smile on his lips.

At this time, many students came to class.

Seeing Fu Hanchuan's love for Qin Sheng, they were all fed with dog food.

One of the boys who saw Ye Yutong as a goddess rushed up to question him. "Fu Hanchuan, you're already engaged to her. Why are you still with this woman? You even came to school to show off your love after the matter was exposed? Where do you put Yutong?"

The two of them kept a low profile. Usually, Fu Hanchuan would only come to pick up Qin Sheng and go back. They rarely hung out in school together.

And at this time, the two of them were holding hands in front of so many students in the school.

He didn't believe that it wasn't intentional.

The boy turned to question Qin Sheng. "Qin Sheng, you went up to break up other people's relationships. I thought you were a good person, but you're just so-so."

Fu Hanchuan's bone-chilling gaze fell on the boy.

"Sheng Sheng is not a mistress," he said slowly.

The boy touched his arm and then asked. "If she's not a mistress, then what's with your engagement letter?"

"That's just the engagement between the Fu family and the Ye family. I'm not a member of the Fu family, so what does it have to do with me?" Fu Hanchuan said expressionlessly.

The boy was stunned and frowned.

Fu Hanchuan wrapped his arm around Qin Sheng's slender waist. When he faced Qin Sheng, his cold face softened. "Sheng Sheng is my girlfriend and will be my only wife in the future."

"As for Ye Yutong, I would have forgotten about her if she had not provoked Sheng Sheng. She is not qualified to be my fiancée."

At that moment, Fu Hanchuan was extremely disgusted with Ye Yutong.

Qin Sheng also narrowed her eyes. She looked at the boy and a mocking smile appeared on her lips. "Tell Ye Yutong not to come over and covet things that don't belong to her."

Chapter 1166 Brother Fu Is A Shareholder Of Imperial Capital University

The boy said in exasperation, "Qin Sheng, you're a third party and you can still be so arrogant. You're really thick-skinned. Otherwise, you wouldn't be able to seduce Fu Hanchuan when he's engaged. That engagement letter is the truth! How can you still deny it?"

Fu Hanchuan's eyes were cold.

"What is your name?" he asked.

The boy did not expect Fu Hanchuan to ask such a question and was stunned.

The boy did not answer. One of the students, who was a fan of Qin Sheng's, raised his voice and replied, "This is my classmate, Cheng Cheng from Computer Science Class 3."

Fu Hanchuan took note of the name.

"I think Imperial Capital University will deal with students who publicly insult others."

The boy panicked for a moment. Fu Hanchuan's power was not small, and his family had some money, but compared to Fu Hanchuan, it was far from enough.

It was easy for Fu Hanchuan to deal with him.

But when he thought about how Imperial Capital University was not so easily interfered with by outsiders, he straightened his back. "Fu Hanchuan, your hands can't reach Imperial Capital University yet. Besides, did I say anything wrong? Wasn't Qin Sheng a third party who interfered in other people's relationships? You've been captivated by Qin Sheng, so of course you'll speak up for her."

"Brother Fu is a shareholder of Imperial Capital University," Qin Sheng said.

The boy's face turned pale.

It was almost time for class. Fu Hanchuan and Qin Sheng ignored him and went to the classroom.

Qin Sheng and the others had left for a long time, but the boy was still standing in the same place, unable to react for a long time.

The surrounding students began to discuss.

"F*ck, I feel like Senior Fu is spoiling Sister Sheng too much. I've just finished breakfast this morning and I'm stuffed with dog food. I'm so full."

"There must be a secret behind this. Didn't you guys hear what Senior Fu said? That marriage was arranged by the Ye family and the Fu family, and he has no relationship with the Fu family."

"No relationship? Could it be that Senior Fu had broken off his relationship with his family and Ye Yutong liked him, so she asked his parents to go to the Fu family to settle the marriage? And Senior Fu didn't know about the engagement before this?"

"F*ck! This analysis is amazing."

"Let's go. There's only two minutes left before the school bell rings."

Imperial Capital University was very strict with students who were late and left early. They would fail the class if they were late for a certain number of times.

When they heard the last sentence, they didn't dare to delay any longer and the crowd dispersed in an instant.

The video was uploaded to the internet and caused another storm.

Most of the netizens were insulting Qin Sheng and Fu Hanchuan.

The rest were Qin Sheng and Fu Hanchuan's fans, and some were onlookers who were worried about being slapped in the face by Qin Sheng. They did not dare to criticize Qin Sheng casually.

As for the boy who had questioned Qin Sheng and Fu Hanchuan earlier, he had also returned to the classroom in a daze. He was absent-minded the entire class.

This situation continued for two days. Seeing that he was not punished, his worried heart was put at ease.

But what he didn't know was that Fu Hanchuan just hadn't had the time to deal with him.

After settling Ye Yutong's matter, Fu Hanchuan contacted the Principal. After the Principal saw the video that was uploaded to the internet by the students of Imperial Capital University, he immediately asked the Political and Education Office to deal with the boy.

The boy was given a punishment.

Of course, it was not over yet. Fu Hanchuan had also laid his hands on his family's company. Assistant Lin's hands were not heavy, but the boy's family had still suffered a huge loss.

Fu Hanchuan even specially asked Assistant Lin to tell them.

This was the consequence of offending Qin Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

Because of this, the boy was beaten and scolded by his father, and a year's pocket money was deducted.

The boy regretted it. If he had known, he would not have provoked Qin Sheng and Fu Hanchuan.

Ye Yutong was a scheming woman. She was not worth his sacrifice.

Of course, this was all a story for later.

On the other side, Fu Hanchuan and Qin Sheng came to the classroom. There were already many students in the class. When they saw Qin Sheng walking over, they all looked over.

These were all fourth-year students.

It had been more than a month since school started, but this was the first time they saw Qin Sheng coming to the classroom for lessons. It was no wonder they were curious.

Qin Sheng had only used one semester to jump from freshman to senior.

These students still felt like they were in a dream.

How could there be such a powerful person in this world?

Every semester, they had to study a lot of medical books. They were very thick, and the content was obscure and difficult to understand. Every time they took an exam, they had to spend a lot of effort to review and even fail a subject accidentally.

And Qin Sheng could actually jump to the fourth year so easily?

They had also seen Qin Sheng's test papers. How could it be outrageous? Even if they spent an entire day on those questions, they would not even be able to pass.

As for Qin Sheng, she had only spent five to six hours to finish it and had even gotten a terrifying full score.

These students were full of admiration for Qin Sheng and wanted to see her with their own eyes.

However, Qin Sheng had never been to the classroom since school started.

At this moment, Qin Sheng came over. Many people ran to sit in the front and back seats of Qin Sheng, leaving no empty seats.

In the same row, two seats away from Qin Sheng were also occupied by students.

Of course, on Fu Hanchuan's side, other than Qin Sheng, no one else dared to sit.

A rather chubby boy gathered his courage and looked around. When he saw that there were no other seats, he gathered his courage and went to the seat next to Qin Sheng.

The other students stared at the boy and couldn't help but sigh. He was really bold.

However, just as the boy's butt touched the seat, Fu Hanchuan's cold gaze shot over.

The male student was speechless.

His movements froze.

He quietly shifted and sat down one seat away from Qin Sheng.

Throughout the class, his back was stiff and he did not dare to move. He kept feeling that Fu Hanchuan was staring at him...

The boy's forehead was constantly sweating, not sure if it was due to fear or nervousness.

If he had known earlier, he wouldn't have come here just to get close to his goddess.

When class finally ended, he immediately left his seat and found a seat far away from Qin Sheng and Fu Hanchuan.

He looked at Fu Hanchuan's back.

His face darkened. This jealousy, could it be that he had been in a vinegar jar before?

The bell rang, and the professor came in.

The classroom could accommodate up to a hundred people, but only twenty or so people came to class.

Meanwhile, Qin Sheng was surrounded by a circle of students. There were pitifully few students in the other seats.

Qin Sheng and Fu Hanchuan stood out in the crowd. After the professor entered the classroom, he stood below the podium and casually glanced down, and he saw them.

The professor's eyes flashed with surprise.

Could he have seen wrongly? Why would Qin Sheng come to class?

He pushed his glasses and confirmed that he was not mistaken.

The professor had an idea. Qin Sheng was rumored to be a god in school. He wanted to see Qin Sheng's abilities, but he never had the chance.

All-Mighty Girl Gets Spoiled by A Bigshot

He just happened to bring a few difficult problems over.

The professor coughed and said, "I brought two questions. Before the lecture, let's solve them. These questions are very difficult and we need some capable students to solve them."

When the students heard his words, they all looked at Qin Sheng.

The one who had the ability was naturally Qin Sheng.

This professor loved to study difficult questions. He would often bring some crazy questions to the classroom for them to solve. The new semester had started more than a month ago, but no one had been able to solve the simple questions he had mentioned.

Since he said it was difficult, it must be extremely difficult.

The professor looked around the classroom. In order to not let others see his purpose, he pretended not to know Qin Sheng.

"The girl in the black coat, is this your first time in class? I feel that you're very unfamiliar. You've never appeared in my class before. You'll do then. You can answer my questions."

Qin Sheng stood up and replied indifferently, "En."

The professor had heard that Qin Sheng had an excellent memory, so in order to test it, he did not open the PowerPoint but read out the question directly.

The question was very long, and he kept reading it without taking a break.

When the students in the classroom heard this, they felt very dizzy. They kept feeling that the professor was reciting scriptures like a monk, and they could only remember three sentences at most. They could not help but wipe their sweat for Qin Sheng.

Could this be answered?

Even the question was difficult to hear, let alone answer.

Three minutes had passed, and the professor still had not stopped.

Qin Sheng lowered her eyes and furrowed her brows.

They didn't know if she had listened to the professor.

Fu Hanchuan was not worried that Qin Sheng would not be able to do it. He knew Qin Sheng well enough and naturally knew her abilities.

He believed that she would definitely be able to do it.

The professor read out the question for a full five minutes. In the end, even he himself felt his mouth dry. He stopped and took a sip of water from the cup on the table.

"Professor, where did you find such a long speech?" one of the students asked.

"It's one of the world's most difficult medical questions," the professor answered honestly. "It took medical scientists more than a year to solve it."

The student was speechless.

Was it really good for you to give us these questions to do?

One of Qin Sheng's fans stood up and defended her. "Professor, you've been reading for five minutes, and we can't even hear the questions clearly. You even asked Sister Sheng to solve this difficult medical question. Aren't you making things difficult for her?"

The professor touched his nose guiltily. "Isn't it because you're capable of doing so, Qin Sheng?"

"Professor," one of Qin Sheng's fans said with a frown, "but I saw your face just now. You don't know Sister Sheng."

Having been exposed, the professor was embarrassed for a moment. He coughed and explained, "When I first came in, I really didn't recognize Qin Sheng. But I did later."

The professor's words were full of mistakes. Many students could see it, but they didn't expose him.

The professor was worried that they would continue asking questions, so he changed the topic. "Qin Sheng, did you hear the question clearly?"

"Yes." Qin Sheng nodded.

The professor was speechless.

Did she really hear it?

He could not help but nod. Qin Sheng was indeed very capable.

"Then, Qin Sheng, do you have any thoughts now? Do you need some time to think about it?"

"No need," Qin Sheng said.

All-Mighty Girl Gets Spoiled by A Bigshot

The professor was stunned and frowned. He did not understand what Qin Sheng meant.

Was she giving up on this question?

The professor did not expect Qin Sheng to have already solved the question.

When the students heard Qin Sheng's words, they could not help but start discussing in low voices.

"What does Campus Belle Qin mean by 'don't need'? But it's already very impressive that Campus Belle Qin can remember this question. I feel like the professor is chanting. I can't even hear it clearly, let alone remember it."

"I think Sheng Sheng's words mean that she doesn't need too much time to think about it. She can make it."

"F*ck, if it's really like what you said, doesn't that mean Qin Sheng is a pervert?"

"Isn't Qin Sheng a pervert? If she wasn't a pervert, she wouldn't have been able to get full marks on the difficult questions in the college entrance examination. Besides, she took less than 40 minutes to complete the other subjects except for Chinese."

"That's right. She's also the famous artist, Sheng. She also solved the computer programming problem at the computer competition. After that, she followed Professor Gao to research on immune cells."

"Let's not talk about other things. Just the latest one, didn't Qin Sheng just jump to our fourth year? You've all seen the questions. Can you guarantee that you can solve a few of them?"

Hearing this, the others fell silent.

Qin Sheng was indeed a pervert. They had never heard of anything that Qin Sheng did not know how to do.

The professor adjusted his glasses and asked, "Qin Sheng, what do you mean?"

"The answer to this question is..."

Qin Sheng's voice paused for a moment. Under the professor and the other students' gazes, she finally gave her answer.

The students turned to look at the professor.

They had not heard the question clearly, let alone solved it, so they were not sure if Qin Sheng's answer was correct.

They were all very nervous, waiting for the professor's answer.

The professor couldn't believe it. He asked suspiciously, "Qin Sheng, have you seen this question before?"

"No," Qin Sheng answered honestly.

"Wait, you can make the next one." The professor asked another difficult question.

The professor's attitude was clear. Qin Sheng's answer was correct.

The students were dumbfounded. Qin Sheng had really done it? She didn't even write a draft and directly read out the answer? From the moment she read the question to the time she answered it, it didn't take more than ten minutes.

They had never seen Qin Sheng solve the problem with their own eyes before. Although they were surprised, they were not as shocked as they were now.

Next, Qin Sheng did the same thing.

The professor adjusted his glasses and began to doubt his professional knowledge.

He had studied the answers for an entire day before he finally understood these two questions, but Qin Sheng had actually solved them at such a speed!

The professor felt that if the medical expert who solved the two difficult questions found out that Qin Sheng had solved the two difficult questions in such a short time, he would definitely be suspicious.

The professor was shocked. He waved his hand weakly and said, "Sit down."

Next, the professor woke Qin Sheng up to answer two more questions. Without a doubt, Qin Sheng solved them both in a very short time.

In the end, the professor did not ask Qin Sheng to answer again.

He was not going to give himself up to be beaten up. Qin Sheng's answer made him doubt his ability every time.

Chapter 1170 Announce That Fu Hanchuan Is Hers

The bell signaling the end of class rang. The two periods were the same, but the professor did not leave. He sat on the podium and looked at the two difficult questions. He wanted to see which part of them was easy to break through that Qin Sheng could solve in just a few minutes.

In the classroom, many students were surrounding Qin Sheng.

"Qin Sheng, you're so amazing. What did you eat when you were young to have such an amazing brain?"

"Sheng Sheng, thank you for avenging us. Look at how you've dealt the professor a blow. He's always tormenting us with those questions, but this time, he's finally returned the favor."

"Qin Sheng, we all believe what you said on the internet. You have such a good relationship with Senior Fu. How could he be engaged to someone else?"

"Ye Yutong is in the same year as us. I remember that she liked Senior Fu and wanted to get close to him countless times, but Senior Fu didn't give her the chance. Sheng Sheng, don't worry, Senior Fu definitely has nothing to do with Ye Yutong."

"..."

Fu Hanchuan was in a good mood as he listened to their conversation. It was rare for him to not have some opinions about people surrounding Qin Sheng.

A smile appeared on Qin Sheng's face. "Don't worry about this. Brother Fu will take care of it."

Fu Hanchuan's eyes were smiling. He reached out and patted Qin Sheng's head, saying lovingly, "Yes, I will."

In his eyes, there was only Qin Sheng's figure. It was as if he could not hold anyone else.

The students around them were speechless.

Why did they feel like they had been fed a bunch of dog food?

The video of Qin Sheng's class had been secretly recorded by a student, who had then posted it on the internet during recess.

There was no need to worry about Fu Hanchuan, the Qin family, and the Lin family's revenge on these topics that were beneficial to Qin Sheng. The marketing accounts were all involved.

With a marketing account posting on Weibo, the popularity of this topic rose very quickly.

There was no doubt that this had led to a huge wave of discussion.

Many of them were amazed by Qin Sheng's ability. There was a lot of news about Qin Sheng on the internet, but they would be amazed every time they saw it.

Of course, there were also people who were jealous and scolded Qin Sheng. They acknowledged that no matter how strong she was, she was still a mistress and not worth pursuing.

In the afternoon, Fu Hanchuan and Qin Sheng went to the canteen for lunch. During their break, they went to the apartment that Qin Sheng had been given to live in.

The students were surprised to see this.

Cohabitation?

In the afternoon, Ye Yutong had classes and came to school for them. Her major was different from Qin Sheng's, so they would not be arranged to attend the same class.

But Qin Sheng and Fu Hanchuan had gone to her classroom.

They walked in together. Ye Yutong was reading a book. Wang Xiaoli, who was beside her, frowned when she saw Qin Sheng.

"Why did Qin Sheng and Fu Hanchuan come to our place?"

When Ye Yutong heard that, she looked up immediately and saw Qin Sheng and Fu Hanchuan.

There was jealousy and hatred in the depths of her eyes as she clenched the paper in her fingers.

In the morning, she had already heard that Fu Hanchuan and Qin Sheng were getting close to each other without any restraint at Imperial Capital University. She did not expect them to come to her again.

Where did Fu Hanchuan place her, his fiancée?

Qin Sheng looked at Ye Yutong and her lips curled into a mocking smile. She had specially arranged everything today. Didn't Ye Yutong like Fu Hanchuan? Then she had to bring Fu Hanchuan around in front of her.

Qin Sheng's other purpose was to tell everyone that Fu Hanchuan was hers.

As long as she was still with Fu Hanchuan, she would not allow any other woman to covet Fu Hanchuan.
