All-Mighty Girl Gets Spoiled by A Bigshot

Qin Sheng and Fu Hanchuan sat down in front of Ye Yutong.

Fu Hanchuan naturally knew what Qin Sheng's purpose was. He followed Qin Sheng obediently, his eyes filled with love. He did not show any signs of impatience even after a whole day of classes with Qin Sheng.

Fu Hanchuan tilted his head and spoke to Qin Sheng. He was very close to Qin Sheng. From Ye Yutong's perspective, the two of them seemed to be whispering to each other.

Ye Yutong bit her lower lip and stared at the two of them as if she was torturing herself.

Ye Yutong was absent-minded for the entire class.

The teacher asked Ye Yutong to get up and answer the question. Ye Yutong did not even know what the question was. The teacher repeated the question before Ye Yutong could answer it.

This time, Ye Yutong's answer was not as good as before.

The teacher raised his hand and motioned for Ye Yutong to sit down.

"Be more serious in the next class," he said with a frown.

Ye Yutong's face was very red. She was embarrassed. "Okay, Teacher. I will be more careful next time."

However, after that, she still could not calm down and attend class. She kept looking at Fu Hanchuan and Qin Sheng from time to time.

She tore the page of her textbook into pieces.

When the teacher saw that Ye Yutong did not move, he only frowned and did not say anything else.

After class, Ye Yutong could no longer maintain her elegant and magnanimous appearance. She stood up and gritted her teeth. "Qin Sheng, did you bring Hanchuan here purely to embarrass me?"

Qin Sheng did not hide her intentions. She smiled. "Indeed."

Ye Yutong's eyes were red. "Qin Sheng, you're with Hanchuan and you two love each other. Although I'm his fiancée, have I ever shown any dissatisfaction in front of you?"

"If it was any other day, I could have endured it, but you guys came to the classroom openly today. Are you happy to see me in pain?"

Tears fell from the corners of her eyes.

Wang Xiaoli quickly took out a piece of tissue and passed it to Ye Yutong.

Ye Yutong wiped the tears off her face.

Many of the students in the classroom could not help but sympathize with Ye Yutong. They looked at Qin Sheng and Fu Hanchuan with criticism in their eyes.

Qin Sheng sneered and exposed her ruthlessly. "Ye Yutong, from what I know, your engagement was arranged by the Ye family and the Fu family. Brother Fu doesn't know about it. Besides, the engagement will only happen in a few days. I've been with Brother Fu for almost a year."

Ye Yutong's face turned pale.

"You're the one who's meddling in someone else's relationship," Qin Sheng continued.

"Obviously not. My marriage with Hanchuan was set a long time ago," Ye Yutong retorted.

She wasn't worried that she would be exposed.

After all, only the parents of the two families knew about this, and they were both on her side. It would be easy for her to fake the date of the engagement.

Qin Sheng sneered. "Hmph, tomorrow at the latest. Ye Yutong, I hope you can still maintain your lie."

Ye Yutong looked at Fu Hanchuan pleadingly, her eyes filled with hope. "Hanchuan, you don't care about our status as a fiancée, but we're still childhood friends. Are you going to let Qin Sheng treat me like this?"

Between Qin Sheng and Ye Yutong, one was cold and strong, while the other was pitiful.

If it were any other man, they would sympathize with Ye Yutong, but Fu Hanchuan was different.

"Sheng Sheng, you don't have to be tolerant of unreasonable people," he said lovingly, lowering his eyes.

This person was obviously referring to Ye Yutong.

He did not explain much about whether he and Ye Yutong were engaged.

When the time came, the evidence would be out, and the truth would naturally be revealed.

All-Mighty Girl Gets Spoiled by A Bigshot

When Ye Yutong heard Fu Hanchuan's words, she was so hurt that she was on the verge of collapsing.

Wang Xiaoli stood up for Ye Yutong. "Heh, Qin Sheng, there aren't many people who can be as arrogant as you when you're a mistress. Only someone as kind as Yutong can tolerate your arrogance. Although you can be considered a young lady from a rich family now, you're still from the countryside. Tsk, you have no manners at all."

Qin Sheng narrowed her eyes. "Really? I hope you can still say the same thing tomorrow."

She took Fu Hanchuan's hand. "Brother Fu, let's go."

"Alright," he said.

After they left, Ye Yutong fell back into her seat. Her face was extremely pale.

Wang Xiaoli consoled her. "Yutong, it's a fact that you're engaged to Fu Hanchuan. Qin Sheng won't be able to clear her name. Don't worry."

However, Ye Yutong felt very uneasy.

After returning to the Ye family, she mentioned this matter.

Father Ye did not think much of it. "Yutong, do you really think that Fu Hanchuan is that capable? with this engagement letter, how can he go back on his word?"

"But Dad, Hanchuan said he's cut off all ties with the Fu family."

"Will blood ties be severed?" Father Ye frowned unhappily. "This Fu Hanchuan is really outrageous. He can even ignore blood ties. Yutong, there are many outstanding boys and our family background is not bad. I can find you a match. There's no need to be so devoted to Fu Hanchuan."

"Daddy, I like him."

Father Ye was helpless. "Okay, okay, okay. Since you like him, I'll definitely make him marry you. It's just Fu Hanchuan. He has to marry you even if he doesn't want to!"

His tone was very certain.

He did not take Fu Hanchuan seriously. Fu Hanchuan was indeed capable, but the Ye Corporation was not weak either. It was more than enough to deal with Fu Hanchuan.

At night, after they went back, Fu Hanchuan began to make arrangements to investigate the engagement.

"Brother Fu," Qin Sheng said with a frown, "I happen to be free tonight..."

Before she could finish, Qin Sheng was interrupted by Fu Hanchuan. Fu Hanchuan held Qin Sheng's shoulders with both hands and said very seriously, "I caused this mess. Leave it to me, okay?"

Fu Hanchuan's eyes were dark. Qin Sheng could tell that Fu Hanchuan really wanted to settle this matter on his own and not cause her any trouble.

She nodded. "Okay, Brother Fu, but you can rest early tonight."

"Yes."

Fu Hanchuan ordered Assistant Lin to check the ID of Loves Yutong the Most.

Assistant Lin came back to report very quickly. "President, we can't find out anything about this ID. It's obvious that the ID has been disguised. We found out that her identity information is all garbled."

Fu Hanchuan narrowed his eyes. "I'll do it."

Turning on the computer, Fu Hanchuan's eyes were fixed on the computer, his fingers flying across the keyboard. In less than 20 minutes, he had found the information behind the Love Yutong account.

"Ye Yutong,"

Fu Hanchuan's eyes glinted coldly.

He picked up his phone and contacted Old Master Fu.

Seeing that it was Fu Hanchuan, Old Master Fu's heart jumped. Fu Hanchuan rarely contacted him, and there was only one thing that would make him call him at this time...

Old Master Fu picked up the call and heard Fu Hanchuan's cold voice. "I told you to cancel the engagement immediately."

"Hanchuan, I'm busy. It's too late."

"Alright, use the official account of the Fu Corporation to announce that the engagement was done by you and the Ye family, and that I had no idea. Tell everyone the time when the engagement was signed, and also state that I have no relationship with the Fu family."

All-Mighty Girl Gets Spoiled by A Bigshot

Old Master Fu was put in a difficult position. "Hanchuan, if this matter is made public, what will happen to Yutong's reputation? She's a girl, and this will greatly affect her reputation. The Ye family will also bear grudges against us."

"It has nothing to do with me," Fu Hanchuan said expressionlessly.

"You... The Ye family has many collaborations with our company. If they were to withdraw their investment in a fit of anger, it would be a fatal blow to our company."

Old Master Fu tried his best to persuade him. "Hanchuan, you're my grandson, and this company will be handed over to you in the future. If there's any problem with the company, it'll be your interests that will be affected."

"Do as I say."

Old Master Fu was completely infuriated. He had been so submissive to Fu Hanchuan, but Fu Hanchuan still didn't appreciate it at all.

He suppressed the anger in his heart and said, "Fu Hanchuan, I can't ignore the company's interests. Even if I want to clarify things, now is not the time. Wait a little longer. When I'm done with this, I'll go and clarify things."

Old Master Fu wanted to keep dragging on this matter.

"I hope you'll give the same answer later." Fu Hanchuan hung up the phone.

Old Master Fu felt a strong sense of uneasiness in his heart and didn't sleep the whole night.

In the evening, Fu Shihan also arranged for someone to post a Weibo post.

She had gotten the video from the videographer and had specially edited it. It showed Qin Sheng being aggressive on set. She first wanted to drive Fu Shihan away, then she chased Qin Churou away.

Those marketing accounts also did not dare to ride on the popularity of this matter.

Just by watching this video, it was easy for passersby to be misled.

Many netizens started to put themselves in the shoes of Fu Shihan and Qin Churou.

[I'm really angry watching this video. This Qin Sheng is really lawless. Is there no one who can stop her from being so arrogant?]

[Previous poster, you still want to deal with Qin Sheng? Qin Sheng's backing is very strong. First, it's the Lu family, then the Qin family, and the Lin family. No matter which family they take out, they're all very impressive in China. It's no wonder Qin Sheng is so arrogant.]

[Hehe, the evidence is conclusive. Qin Sheng, how are you going to whitewash yourself?!]

[Fu Shihan is Fu Hanchuan's sister? Since she had already acknowledged Ye Yutong as her sister-in-law, it is definitely right for them to get engaged. And judging from Fu Shihan's expression, she seems to hate Qin Sheng for interfering in Fu Hanchuan and Ye Yutong's marriage.]

[Qin Churou and Fu Shihan are so pitiful.]

[To be honest, I've never seen anyone who's a mistress like Qin Sheng. I really want to get into this video and beat Qin Sheng up.]

[...]

After Huang Xiaoyan took a shower, she climbed into bed. When she saw the contents of the Weibo post, she was dumbfounded.

This was too ridiculous.

And this video, it was cut beyond recognition.

But...

Huang Xiaoyan's face revealed a smug smile.

She had recorded a video of the whole thing. If she released it, Fu Shihan would have a hard time in the entertainment industry.

It was only 9 o'clock. Huang Xiaoyan called Qin Sheng.

"Sheng Sheng, did you see that Weibo post? The one who said you used your status to bully artistes?"

Qin Sheng nodded. "I saw it."

Huang Xiaoyan said smugly, "I recorded a video back then. Tsk, tsk, this time, Fu Shihan and Qin Churou wanted to plot against us. They probably didn't expect that they would be the ones to plot against themselves."

All-Mighty Girl Gets Spoiled by A Bigshot

Qin Sheng smiled.

"Then, Sheng Sheng, what should we do with the video I have?" Huang Xiaoyan asked.

Qin Sheng's fingers tapped on the table and she narrowed her eyes. "Send it over."

"Alright," she said.

Huang Xiaoyan quickly sent the video to Qin Sheng.

Qin Sheng randomly saved it.

The next morning, Old Master Fu received a document with Fu Hanchuan's name on it.

It was obvious that Fu Hanchuan had sent it to him.

Old Master Fu put it on the table and looked at it, but didn't open it.

Fu Hongyi walked over, frowning. "Dad, what's this?"

He took the file, and Old Master Fu didn't stop him.

"Fu Hanchuan?" Fu Hongyi looked at the name on the document and frowned. "Why did that unfilial son send these?"

Fu Hongyi looked through it and was really curious. He asked, "Dad, how about I open it and take a look?"

Old Master Fu didn't say anything, so he took it as a silent agreement.

He opened it and saw a stack of documents inside.

Fu Hongyi looked at the contents of the document, frowned, and continued to read.

Five minutes later, Fu Hongyi was shaking with anger. He threw the document on the table. "This Fu Hanchuan is trying to destroy the Fu Corporation!"

Hearing this, Old Master Fu's heart was in his mouth.

He hurriedly picked it up and looked at it.

Fu Hongyi gritted his teeth. "It's been so many years. Just the taxes we've missed are worth billions. If Fu Hanchuan takes these to the police station, our company is finished."

The Fu Corporation did have a lot of funds.

However, billions of yuan was not a small amount, not to mention the fine. If the money was taken out, it would break the capital chain of the Fu Corporation, and in serious cases, it would face bankruptcy.

There was not only evidence of the Fu Corporation's tax evasion, but also evidence of them stealing other companies' trade secrets and causing unfair competition.

These were enough to destroy the Fu Corporation.

Ten minutes later, Old Master Fu had also finished reading the content, and his face was completely dark.

His heart suddenly throbbed with pain.

He clutched his chest, his expression pained.

Old Master Fu had heart disease, and being too emotional could cause a heart attack.

Seeing this, Fu Hongyi quickly took out the medicine, poured out five pills, and gave them to Old Master Fu to swallow with water.

Old Master Fu leaned back on the sofa and took a long time to recover.

He gritted his teeth. "Post on Weibo," he said. "Announce that we've arranged an engagement for Fu Hanchuan, and he knows nothing about it. Also, tell everyone the date of the engagement."

Fu Hongyi frowned. "Dad, didn't the Ye family ask us to insist that Fu Hanchuan was at the scene? Also, the Ye family contacted us about the date of the engagement. They said it was three years ago."

"If we don't agree with Fu Hanchuan, our company will face bankruptcy," Old Master Fu said unhappily. "What do you want me to choose between cooperating with the Ye family?"

Fu Hongyi was speechless.

"Also," Old Master Fu added, "tell everyone that Fu Hanchuan has cut off all ties with the Fu Corporation."

"This..."

Fu Hongyi was hesitating. If he did that, they would offend the Ye family completely.

"Hurry!" Old Master Fu berated.

Zhou Sihui frowned and said, "Dad, why should we listen to Fu Hanchuan? Can't we just follow our own plan? How big of a wave can Fu Hanchuan cause? It's better to offend Hanchuan than to offend the Ye family. We have never taken Hanchuan seriously."

All-Mighty Girl Gets Spoiled by A Bigshot

Zhou Sihui had just come to the living room, so she didn't hear the conversation between Old Master Fu and Fu Hongyi.

"You don't understand. Don't interrupt!" Old Master Fu didn't give Zhou Sihui any face. If Zhou Sihui hadn't seduced Fu Hongyi, Fu Hanchuan wouldn't have become enemies with the Fu family.

Old Master Fu couldn't gain any advantage from Fu Hanchuan, so he could only vent all his anger on Zhou Sihui.

"Zhou Sihui, if we do as you say, our company will go bankrupt. Do you understand?"

"Bankruptcy? That serious?"

Zhou Sihui furrowed her brows. Fu Hanchuan was that powerful?

Zhou Sihui thought of Fu Hanchuan's dark eyes when he looked at her, and she slowly clenched her fists.

She always felt that Fu Hanchuan was a scourge.

When he was young, Fu Hanchuan cared so much about his mother. Now that she was dead, Fu Hanchuan would definitely continue to investigate.

She was worried that Fu Hanchuan would find out that she was the one who did it.

It was not that Zhou Sihui had never thought of getting rid of Fu Hanchuan, but Fu Hanchuan was lucky. She had tried to kill him three times, but he had dodged all three times. Later, he had left the Fu family and she never had the chance to kill Fu Hanchuan again.

Zhou Sihui's mind was in turmoil as she tried to comfort herself.

She had done it very discreetly, and it had been more than 20 years since then, so Fu Hanchuan couldn't have found out.

Thinking of this, Zhou Sihui felt a little more at ease.

Old Master Fu sneered. "Zhou Sihui, you used to be a bar receptionist and only have a high school degree. Of course you don't know these things. You're lucky to be Mrs. Fu!"

Zhou Sihui bit her lip and said, "Dad, I have no choice but to do this because of my poor background. I can't make any decisions. I respect you, but you don't have to use this to humiliate me every day."

Fu Hongyi's heart ached for Zhou Sihui, and he was worried that Old Master Fu would make things difficult for her again. He quickly said, "Dad, I'll go and make the arrangements now. Hui Hui, come with me to the company first."

Old Master Fu looked at their backs as they left, his face dark.

Why were his sons and grandsons all so smitten by women?

Fu Hongyi ignored his opposition and insisted on marrying a bar receptionist. Fu Hanchuan's heart was only on Qin Sheng. For Qin Sheng's sake, he went against the Fu family time and time again.

--

Fu Hongyi arrived at the company and made arrangements according to Old Master Fu's instructions.

He couldn't care less about the Ye family's feelings.

Between the Ye family and the company, he naturally chose the company.

With Fu Hanchuan's rebellious nature, if he didn't clarify this matter, he would probably really hand in the information. By then, the Fu Corporation would really have no way out.

At most, the Ye family would break off their relationship with them.

The secretary was very fast, and in less than 15 minutes, the Fu Corporation posted a Weibo message.

[Fu Corporation: Hanchuan really doesn't know about this. We made the deal with the Ye family five days ago. Also, Hanchuan has cut off all ties with the Fu family, so we can't

make the decision on his marriage. We've let the Ye family down for hiding this from them.]

In the past few days, the Ye Corporation had already given a reply to the news of Fu Hanchuan and Ye Yutong's engagement, but the Fu Corporation had not made any moves.

The netizens were anxious. At this moment, the Fu Corporation finally responded on Weibo. They were excited and clicked on the post to read it.

Chapter 1176 Her Reputation Was Going To Be Destroyed

After reading the contents, they were all stunned.

Were they trying to help Fu Hanchuan clear his name?

It shouldn't be like this, right?

[What's going on? A big reversal? However, why do I feel that this matter is not very reliable? The Fu family and the Ye family are clearly standing on the same line, so what's going on now? You're helping Fu Hanchuan to slap the Ye family in the face?]

[Did Fu Hanchuan do something for the Fu family to make them post this Weibo?]

[I'm getting more and more confused. Is the Weibo post from the Fu Corporation real or fake? I don't understand who the Fu Corporation is cooperating with at the beginning. Fu Hanchuan is a member of the Fu family, and the Ye family and the Fu family have a good relationship. No, I need to sort this out.]

[Could the contents of this Weibo post be fake? Was it only released under pressure?]

[...]

Many netizens couldn't understand the Fu family's operation and were very confused. They all started to guess whether the contents of the Weibo post were real or fake.

Ye Family.

Ye Yutong had been paying attention to this matter, so she saw the Fu Corporation's Weibo post immediately.

She widened her eyes in disbelief.

Why would the Fu family clarify? Shouldn't they be listening to them?

Ye Yutong gritted her teeth and ran downstairs with her phone to look for her father.

Father Ye closed the magazine in his hand and frowned. "Yutong, why are you so flustered? This is..."

Ye Yutong opened Weibo and showed her father her phone. "Dad, the Fu family members are pretending to be obedient but actually went to Weibo to post that the engagement between the Fu family and the Ye family is invalid. They also told me the exact date and time of the engagement."

"What? How dare the Fu family treat us like this?"

Father Ye threw the magazine on the sofa and picked up his phone. After reading the content, his face darkened.

Ye Yutong's eyes were red. "Dad, all the evidence is pointing at me. It's not good for me. If this gets exposed, my reputation will be ruined."

"Tong Tong, don't worry. I'll call the Fu family and ask about the situation first."

Ye Yutong was Father Ye's only daughter. He usually doted on Ye Yutong very much. Seeing Ye Yutong being wronged, his eyes were filled with anger toward the Fu family.

He picked up his phone and called Old Master Fu.

When Old Master Fu picked up, Father Ye started to question him, not giving him any face. "Chairman Fu, what's with the Weibo post from your Fu Corporation? Do you really think I, Ye Li'an, am easy to bully?"

Old Master Fu smiled ingratiatingly. "Li'an, let me explain."

Father Ye suppressed the anger in his heart. He wanted to see what excuse the Fu family could come up with. He said coldly, "Speak."

"It's mainly because of my grandson. He's been smitten by Qin Sheng and is using the HD Group to suppress me. He said that if I don't do this, he'll make the Fu Corporation go bankrupt. I had no choice but to post this on Weibo." Old Master Fu said the excuse he had prepared long ago.

"So you're going to sacrifice my daughter's reputation?"

Old Master Fu was rendered speechless.

"Heh, Old Master Fu, didn't you say back then that Tong Tong and Fu Hanchuan's marriage would definitely happen?"

Father Ye raised his voice and questioned, "Huh, you can do it like this? The direction of things online has changed. In the future, if anything happens to my daughter, people will point fingers at her. What do you want my daughter to do?"

Chapter 1177 The Relationship Between The Fu And Ye Families Breaks

Old Master Fu was thinking about what to say and was about to speak.

Father Ye's voice was heard again. "Were you lying to me when you said that Fu Hanchuan wanted to deal with the Fu Corporation? Tell me the truth, Old Master Fu, are you interested in Qin Sheng's background?"

Old Master Fu's words were stuck in his throat. Qin Sheng's background was indeed far more impressive than Ye Yutong's.

The Lin family and Qin family behind Qin Sheng were both very attractive.

Fu Hanchuan had married Qin Sheng, so if anything happened to the Fu Corporation, the Lin and Qin families would definitely help them.

The losses caused by the Ye family and the Fu family canceling the cooperation could also be made up for...

Old Master Fu's mind began to wander. Perhaps he could put down his pride and treat Qin Sheng better for the sake of the company.

After this incident, he no longer had any hopes for the Ye family.

Father Ye saw that Old Master Fu was silent and knew that he had guessed correctly.

He sneered. "Your Fu family is indeed good. All these years, the Ye Corporation has been developing well and has been helping your Fu family. And you, this is how you treat our Ye family! Heh, you're indeed an ingrate."

"Li'an, I don't have any other way, do I? You know that I like Yutong a lot and I've always treated her as my granddaughter-in-law."

"You ungrateful Fu family members," Father Ye said impatiently, "I don't need to show you any mercy. All the cooperation between the Ye family and the Fu family is canceled."

Old Master Fu had never thought that Father Ye would cancel all the collaborations in one go.

The two had worked together for many years and had a total of more than 5 billion yuan.

It would be a great loss to the Ye Corporation if they canceled all of them. It was obvious that the Ye family was determined to fall out with the Fu family.

The 5 billion yuan was nothing to the Ye Corporation, but it was very important to the Fu Corporation.

The company's shares might fall.

Old Master Fu was a little flustered. "Li'an, do you want to reconsider? If you cancel the cooperation just like that, the Ye family will suffer a great loss."

Father Ye sneered, "This is just a small amount of money. The Ye Corporation doesn't care about it."

After speaking, Father Ye hung up the phone.

"Hey, hey, hey." Old Master Fu called out anxiously, but there was no response.

Old Master Fu was completely enraged. He threw his phone on the sofa, his eyes dark.

Even a junior dared to be so arrogant in front of him.

Wasn't it just the Ye family?

He didn't care!

In the future, when Qin Sheng married Fu Hanchuan, the Qin family and the Lin family would both be a helping hand to the Fu Corporation.

It looked like he would have to look for Qin Sheng.

—

On the Ye family's side, Ye Yutong asked nervously, "Dad, did you fall out with the Fu family?"

Father Ye's expression hadn't eased yet. "It's just a small Fu family. How dare they disobey me like this? They really think I like them, but I'm only befriending them because we were neighbors and you like Fu Hanchuan."

Ye Yutong's heart was in her mouth. If the Fu and Ye families had fallen out, wouldn't that mean that there was no hope for her and Fu Hanchuan?

"But..." Ye Yutong hesitated.

This time, Father Ye did not give in to Ye Yutong's temper. "Tong Tong, Fu Hanchuan isn't the only man in this world. There are many more men who are better than him. I'll find you another one. Fu Hanchuan already has a girlfriend. We don't have to suck up to him."

Ye Yutong wanted to say something but stopped herself. She looked at Father Ye's expression and did not dare to mention this matter again.

All-Mighty Girl Gets Spoiled by A Bigshot

Ye Yutong changed the topic. "Dad, I have a feeling that Fu Hanchuan's counterattack won't be so simple. I'm worried that he'll do something after this. He has always hated me."

Ye Yutong had a sense of unease in her heart.

She had always been very cautious. Even when dealing with others, she would rarely do it herself.

Regarding this matter, she had also said a few words, including how Qin Sheng had insisted on stepping in despite knowing that she was engaged to Fu Hanchuan...

At that time, she only wanted to let this matter continue to ferment and did not think too much about it.

It was inevitable that some people would make a big deal out of this matter.

And that alternate account of hers, Love Yutong the Most...

Ye Yutong's heart tightened. She had spent a lot of money to buy that account, so ordinary people wouldn't be able to crack the security inside.

When she thought of this, she felt at ease.

Father Ye said disdainfully, "What can Fu Hanchuan do? Also, Yutong, you're rarely involved in the matters on Weibo, so you shouldn't be blamed for this."

Ye Yutong's lips moved. She wanted to tell Father Ye her alternate account, but she didn't say anything in the end.

At noon, Fu Hanchuan posted another Weibo.

[Chuan: I won't allow anyone to slander my girlfriend. Besides, Sheng Sheng is my only wife. I won't marry anyone else but her. If anyone tries to cause any trouble, I won't show any mercy.]

Several pictures were attached below the post.

It was a series of screenshots of Love Yutong's Weibo account and her comments on Weibo and forums.

Those comments were all defending Ye Yutong. They were unpleasant and unsightly.

All sorts of b*tches, trash, sl*ts, and other vulgar words came out.

The students and netizens of Imperial Capital University all thought that Love Yutong was a guy and he was Ye Yutong's admirer. Love Yutong had also admitted that they liked Ye Yutong.

Now, he was telling them that the person, Love Yutong the Most, was Ye Yutong.

The netizens' jaws almost dropped to the ground. Wasn't Ye Yutong elegant, generous, gentle, and considerate?

Does Ye Yutong have a split personality?

[There are too many traps in this world. I want to go back to the countryside.]

[At first, I still doubted the Fu Corporation's words, but now I believe that Ye Yutong is Loves Yutong the Most. Ye Yutong's acting is really good. She jumped up and down all kinds of times, and no one could tell that she was Ye Yutong.]

[Prince Fu is 666. It's fine if he doesn't make a move, but once he does, he's amazing.]

[Ye Yutong is too good at pretending. She usually looks like she's understanding, but she opened an alternate account and jumped around. Oh my god, I'm going to vomit.]

[I think it's because she likes Fu Hanchuan, but Fu Hanchuan likes Sister Sheng. She's not willing to give up, so she found the parents of the two families to get them engaged. Then, she pretended to be a victim to gain everyone's sympathy, so that everyone would attack Sister Sheng and use the internet to force Sister Sheng to leave Fu Hanchuan.]

[F*ck,^ I feel like this is exactly what you've analyzed. Ye Yutong is jealous of Sister Sheng. It's a tragedy to be targeted by such a sinister person.]

[Where are the people who scolded Sister Sheng? Why aren't you coming out? Was this face-smacking good? I've said it before, don't mess with Sister Sheng, or else your face will be swollen. Why can't you all remember?]

[...]

Fu Hanchuan's post made it to the top search again.

Many people started to mention Imperial Capital University, demanding that they deal with Ye Yutong.

At the same time, the Ye Corporation's stock price plummeted.

All-Mighty Girl Gets Spoiled by A Bigshot

All the comments on the internet had also fallen to one side, and Fu Hanchuan's Weibo was full of abuse against Ye Yutong.

Ye Yutong had been paying attention to the news on the internet. Her mind went blank when she saw Fu Hanchuan's Weibo post.

How was that possible?

How did the matter of her opening a side account get exposed?

Ye Yutong's face turned pale.

She ran over to Father Ye.

"Tong Tong, why did you post these?" Father Ye frowned.

"Dad, I was just angry. What right does Qin Sheng have to be with Fu Hanchuan? Hanchuan is my fiancé, and I was angry at her, so, so..."

Ye Yutong's hand clenched the corner of her shirt tightly. She did not continue her sentence.

Father Ye read Fu Hanchuan's post and frowned. "Since the Fu family can't control him, I'll go to the HD Group. The HD Group has great potential, but it can't compare to our Ye family now. Maybe they will listen to me."

This incident had a huge impact on Ye Yutong. Father Ye did not dare to delay any further and came to the HD Group personally.

"I'm here to see your president," he said at the front desk.

"Do you have an appointment?" the receptionist asked.

"No, I don't." Father Ye frowned and said impatiently, "Ask your President to come and see me. I have something to talk to him about."

The lady at the front desk recognized Father Ye, the chairman of the Ye Corporation.

She didn't dare to chase her away, so she told Assistant Lin about it.

After Assistant Lin found out, he called Fu Hanchuan.

"President, Ye Li'an came to our company. I think it's about Madam."

Fu Hanchuan narrowed his eyes. "Ye Li'an probably wants the HD Group to put pressure on me. Lin Yuan, go down and see him. Also, tell him that the HD Group won't let this matter go easily."

"Yes, President."

After hanging up the phone, Assistant Lin followed Fu Hanchuan's instructions and brought Father Ye to the reception room.

Father Ye saw that the president of HD Group didn't come to see him and said unhappily, "Where's your president?"

Assistant Lin replied, "Our president has something to do today. He's not in the office. He arranged for me to meet you. Besides, our president is not someone who can be met by just anyone."

Father Ye's face darkened.

He was the chairman of the Ye Corporation, but he was rejected by the head of a small company!

Assistant Lin smiled. "Chairman Ye, you know that our president doesn't want to expose his identity. Even President Qin Yufei can't meet with our president directly."

In other words, Father Ye's status was far inferior to Qin Yufei's, let alone being qualified to meet Fu Hanchuan.

"Oh, really? Your president is really arrogant." Father Ye's tone was strange.

Assistant Lin smiled but didn't say anything.

Father Ye sat on the sofa and tried to calm his anger.

"Can you represent your president?" he asked.

"Naturally," Assistant Lin replied.

"Alright, you guys saw what happened on Weibo, right?" Father Ye questioned, "How dare a mere manager of yours slander my daughter? Now, our Ye Corporation's stock price has also plummeted."

Assistant Lin poured a cup of tea for Father Ye. "So, Chairman Ye, this is the reason you're here today?"

Father Ye's tone was aggressive. "Yes, I'm telling you, your HD Group must deal with Fu Hanchuan."

"What else?"

Assistant Lin had been with Fu Hanchuan for a long time and had learned how to be two-faced.

At this moment, he only looked at Father Ye sarcastically, but Father Ye didn't notice.

Father Ye laughed coldly. "Of course not. Hmph, your HD Group has just arrived in the capital and has yet to gain a firm foothold. Your connections and scale are far inferior to the Ye Corporation. It's easy for the Ye Corporation to deal with your HD Group."

Assistant Lin pushed up his glasses. "Chairman Ye, are you threatening us?"

"If you fire Fu Hanchuan, this matter will be over, and it won't be a threat."

Assistant Lin sneered. "Then it's not what you want, Chairman Ye. Fu Hanchuan is our manager, and the president values him very much. He will never fire him."

Father Ye was furious. This was the first time someone had spoken to him in such a disdainful tone.

"Aren't you afraid of the Ye Corporation?" he asked through gritted teeth.

"You don't have to worry about that, Mr. Ye," Assistant Lin said. "It's been almost four years since the establishment of the HD Group. Due to its rapid development, many companies have been targeting us. When the HD Group was still a small company, no one could do anything to it, let alone now."

"You!"

Father Ye gritted his teeth and was interrupted by Assistant Lin. "Also, Manager Fu is implicated in this matter. We, the HD Group, will not let this matter rest."

"What do you want to do?" Father Ye's face turned black. Was the HD Group planning to go against his company?

Assistant Lin smiled but did not say anything. It was obvious that Father Ye's guess was right.

Father Ye looked as if he had heard the funniest joke in the world. He sneered, "Assistant Lin, I was only nice to you just now because you're a favorite of the president of the HD Group. Don't think that you can really suppress the Ye Corporation."

"The Ye Corporation is one of the top 30 companies in China. How dare you call yourself the HD Group? Let me give you a piece of advice. Don't think too highly of yourself."

"It's not you who's going to deal with the Ye family. It's me who's going to deal with you. We'll see."

With that, Father Ye waved his hand and left.

Assistant Lin squinted his eyes as he watched Father Ye leave. He could already predict that the Ye Corporation's development would not last long.

Although the HD Group was still far behind Ye Corporation in every aspect, the Ye Corporation was not the best.

However, his president was a capable hacker. It was easy for him to deal with the Ye Corporation.

Assistant Lin retracted his gaze.

Ye Yutong could only blame herself for offending Qin Sheng. Fu Hanchuan would never let the Ye Corporation off, even if it meant losing the interests of the HD Group.

On the other hand, Father Ye had just returned to his office when his secretary rushed in, looking very anxious.

Father Ye's face was dark when he was rejected by the HD Group.

"What happened?" he asked in a deep voice.

"Chairman, the Qin Corporation and the Lin Corporation have withdrawn their cooperation with us. They said it was because of Qin Sheng."

Father Ye had already expected this to happen, so he wasn't too curious. Fortunately, he didn't have many collaborations with the Qin and Lin companies, so he wouldn't lose too much.

"If they've retreated, so be it," he said nonchalantly.

"But they even held a special press conference and publicly announced that they will no longer work with us in the future," the secretary said carefully.

Father Ye had a bad feeling about this.

"And then?"

"The Qin Corporation and the Lin Corporation are quite influential in the capital. Many companies are trying to curry favor with them and have proposed to terminate their contracts with us. There are already three companies, and there will be more in the future."
