

# BIGSHOT MR. FU S WIFE IS SWEET AND WILD

## Chapter 12

If You're Not Stupid, You Can't Live

Qin Likun's face was filled with anger as he said, "That's right. If you don't go to the Han family to beg for Han Xu's forgiveness, then you can get out of this house. I, Qin Likun, don't have a daughter like you."

Qin Jianxi raised her eyebrows. This was good news for her. "Then make a statement and remove me from your household register."

"Wh-what?" Qin Likun didn't expect her to be so unafraid and even wanted to leave the family.

Qin Jianxi repeated impatiently, "If you want me to leave the Qin family, then make a statement about severing all ties. Also, remove me from the household register."

The original owner still had about half a year before she reached adulthood, which was a troublesome matter.

Qin Likun was furious, "Get lost, get lost immediately."

"If you don't have those things, don't even think about driving me out of the Qin family. I have the right to live here, otherwise..." Qin Jianxi smiled and said, "I'll sue you for the crime of abandonment. The rich Qin Likun wants to abandon his wife's daughter in order to take over the assets left behind by his wife. It's quite exciting to think about it. I'm sure this news will definitely attract attention."

"Don't you dare!" Qin Likun was so angry that he wanted to beat his daughter to death.

Qin Jianxi raised her eyebrows and said, "If you can do it, why wouldn't I dare? You can either make a declaration of disownment and let me move out of the household register or... You hold it in. Oh right, where's my pocket money this month? Transfer it to me. Don't forget that the amount is the same as the amount for Zhu Jing's two children."

Zhu Jing couldn't hold it in anymore. She said, "Qin Jianxi, shut up. We agreed back then that you're not allowed to mention this."

Qin Jianxi chuckled, "Back then? You have the nerve to say this. If I didn't promise not to mention it and keep it a secret, would I still be alive?"

Zhu Jing's eyes were filled with contempt as she looked at the young girl who was smiling innocently. She took a deep breath and said, "Qin Jianxi, I've really underestimated you."

She had thought that Qin Jianxi was an idiot that could be manipulated, but she did not expect that at such a young age, she had hidden her strength so carefully. In other words... Zhu Jing had been blinded by this brat that she had always looked down on.

Qin Jianxi wasn't a sheep, but a dog that bit!

"It's not too late to be overconfident now." Qin Jianxi raised her chin and said, "I won't say anything else. Transfer me the money now. Oh right, I don't want that amount of pocket money anymore. Transfer me a million yuan."

The people in the living room were shocked by her exorbitant demand.

Qin Likun cursed and scolded, "You want a million? No way, you'd better go to the Han family now..."

Qin Jianxi didn't waste any more time talking to him. She turned around and went upstairs.

After going up a few steps, she stopped.

She turned around and said with a smile, "Since you don't want to pay, then there's no other way. I can only... expose the shocking inside story of the Qin family. I forgot to tell you that many years ago, I have a copy of the DNA test report on Qin Jianfei and Zhu Jing's biological mother and daughter relationship."

Her words shocked Zhu Jing, her daughter, and Qin Likun.

Zhu Jing recovered from her shock and opened her mouth with difficulty. She asked, "How did you get that?"

Qin Jianxi smiled innocently and replied, "Of course, it was when... I found out that Qin Jianfei wasn't my twin but your biological daughter, I found an opportunity to make a copy just in case. See, isn't it useful now?"

She wasn't talking nonsense. When she heard that Qin Likun wanted her to get lost, the original owner's memories came back.

From this point alone, it could be seen that the original owner wasn't as stupid as she appeared to be, but it was a pity that she still fell for that Han guy.
