

# ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

## Chapter 1228 Qin Churou's Plan

Lin Shuya guessed. "It's only one and a half months old now. It's not even a month old yet, so it's impossible to detect it. But Brother Hai, I think it's a boy. It's sour and spicy, and I like sour food."

"Okay, Shuya, I'll be right back. Are you still in the hospital?"

Qin Hai was very excited. Although he had slept with many women in the past few months, none of them were pregnant.

He didn't expect Lin Shuya to have a child.

"Yes," Lin Shuya replied. "I'm at the hospital. Brother Hai, be careful when you come over."

Qin Hai agreed.

He rushed straight to the hospital. When he saw Lin Shuya, his attitude toward her was extremely good.

The two of them did not quarrel as soon as they met.

Lin Shuya passed the report to Qin Hai. At this moment, Qin Hai was certain that Lin Shuya was not lying to him.

"Shuya, slow down."

Qin Hai was afraid that Lin Shuya would bump into something, so he carefully protected her along the way.

There were still two servants in the villa. Qin Hai instructed, "Shuya is pregnant. In the future, you must take good care of Madam. If she has any problems, I will hold you responsible."

The maid was surprised. Lin Shuya was pregnant?

They agreed respectfully. "Yes."

At this moment, Qin Hai was also very generous to Lin Shuya. He took out a bank card and passed it to her. "Here's 1 million. You can buy whatever you want. Don't make yourself suffer."

Lin Shuya held the bank card in her hand. She was very happy. It had been a long time since Qin Hai had treated her so well.

She thought back to the time when she first started dating Qin Hai.

Lin Shuya smiled. "Don't worry, Brother Hai. He's my child too. I won't let anything happen to him. But Brother Hai, can you come back more often to accompany me in the future?"

Qin Hai frowned. "Right now, the entertainment company hasn't been operating for long. However, in two months' time, it should be more or less done. By then, I'll have quite a lot of time. Shuya, don't worry. In these two months, I'll be back on time at night."

Lin Shuya touched her abdomen.

Her eyes were filled with smiles.

With this child, her dark life was finally coming to an end.

In the future, she would not have to divorce Qin Hai, nor would she have to return to the Lin family.

As Qin Hai was busy with the company, he brought Lin Shuya back to the bedroom before heading to the study.

Lin Shuya called Qin Churou.

Qin Churou had taken on quite a few scenes. When Lin Shuya called her, she was still memorizing her lines.

When she saw Lin Shuya's number, a hint of impatience flashed across Qin Churou's eyes, but she still picked up the call. "Mom, why are you calling me?"

"Rou'er, you're going to have a younger brother," Lin Shuya said with a smile as she touched her stomach.

Qin Churou was stunned. She slowly tightened her grip on her phone. "Mom, do you mean you're pregnant?"

"Yes." Lin Shuya nodded.

Qin Churou's lips curled into a smile. "That's great, Mom. You're finally pregnant. Dad will treat you well in the future."

"That's right, Rou'er. Focus on your work. Your father is very good to me now. You don't have to worry about me. He just gave me 1 million yuan."

Qin Churou clenched her fists. "Mom, I'll go back to visit you in a few days."

After ending the call with Lin Shuya...

Qin Churou threw her phone on the bed.

Her lips curled into a mocking and disdainful smile.

Hehe, Lin Shuya even said that she cared about her the most and still went to give birth to another child.

If she really gave birth to a son, would she still have a place in the Qin family as an adopted daughter?
