

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1231 - 1231 I Agree to You Two Being Together

1231 I Agree to You Two Being Together

“And you are?” she asked while doing her research.

Old Master Fu’s tone was amiable. “You’re Hanchuan’s girlfriend, Qin Sheng, right? I’m Hanchuan’s grandfather. You can just call me Grandpa Fu.”

Qin Sheng paused. “Old Master Fu, what’s the matter?”

Qin Sheng did not address Old Master Fu as Grandpa Fu.

Old Master Fu’s expression was very ugly. Qin Sheng actually did not take his words seriously.

Suppressing the anger in his heart, he said patiently, “Qin Sheng, you’re with Hanchuan now, right?”

Qin Sheng narrowed her eyes. She exposed Old Master Fu. “Is it related to you? Old Master Fu, I remember that Brother Fu has already severed ties with the Fu family. You also admitted it on the internet a few months ago. Our matters have nothing to do with you.”

Old Master Fu’s expression changed again and again. If he didn’t have a favor to ask of Qin Sheng, he would have hung up the phone long ago.

He tried his best not to show his anger. “Qin Sheng, no matter what, I’m still his grandfather. How can there be no relationship?”

Qin Sheng chuckled and did not refute Old Master Fu anymore.

She raised her hand to look at her watch and her red lips parted slightly. “Tell me, what’s the purpose of your call today? I don’t have much time. I’ll only give you five minutes.”

Old Master Fu was so angry that his face turned pale.

As expected, Qin Sheng did not take him seriously.

The fist in his other hand clenched and loosened, then tightened again and again.

He didn't waste any more time. "Qin Sheng, it's like this. It was my fault for trying to separate the two of you. I've thought it through these days. You and Hanchuan are truly in love. As your elder, I shouldn't interfere. Qin Sheng, I agree to you two being together."

Qin Sheng narrowed her eyes again.

Old Master Fu's motive was not that simple.

Moreover, it was not up to Old Master Fu to agree to them being together.

"Okay, I got it. Old Master Fu, if there's nothing else, I'll hang up first."

Qin Sheng hung up.

In less than ten seconds, Old Master Fu called again.

Qin Sheng chuckled. "Is there anything else?"

Qin Sheng had actually hung up without his consent. Old Master Fu was furious, but he did not dare to vent his anger on Qin Sheng.

His expression was extremely ugly.

"Qin Sheng, aren't you being disrespectful to your elders?"

His voice was questioning.

Qin Sheng tilted her head, looking very puzzled. "Old Master Fu, didn't you call to say that you agree to me being with Brother Fu? Is there something else? Don't tell me you want Brother Fu and me to help you with something?"

Qin Sheng had already seen through Old Master Fu's intentions.

Old Master Fu didn't get along with her, so he wouldn't call her for no reason unless he needed her help.

It was not difficult to guess that it was because of the company.

Old Master Fu had stepped out and exposed the Ye Corporation regarding Ye Yutong and Fu Hanchuan's engagement. This was undoubtedly a disgrace to the Ye couple. They naturally wouldn't let the Fu Corporation off.

In recent months, the Ye family's strength had been suppressed by the three companies from time to time. However, the suppression was not heavy. Qin Yufei and Lin Haoyu did not want to let the Ye Corporation close down immediately.

They only wanted to let the Ye Corporation decline step by step.

The Ye Corporation was once one of the top 50 companies in the country. It was also powerful. Dealing with a declining Fu Corporation was not a problem.

Chapter 1232 - 1232 Handing the Company to Brother Fu

1232 Handing the Company to Brother Fu

Old Master Fu had no choice but to look for her.

Old Master Fu smiled ingratiatingly. "Qin Sheng, look, you're going to be with Hanchuan in the future. You'll be a part of the Fu family. The Fu family can support you. Besides, Hanchuan is my grandson. The Fu Corporation will be handed over to Hanchuan."

"Your purpose."

"It's like this." Old Master Fu said awkwardly, "Back then, the Fu Corporation helped Hanchuan clarify the matter between him and Yutong and offended the Ye Corporation. In the past few months, they have been suppressed by the Ye Corporation."

"I didn't want to trouble you. It's just that the Fu Corporation is about to collapse. I really have no choice but to come and look for you."

Qin Sheng smiled. "So, you want me to help you?"

"Yes, Qin Sheng. You have the Qin Corporation and the Lin Corporation behind you. It shouldn't be difficult for you to help the Fu Corporation."

"Don't worry," Old Master Fu promised. "I won't stop you from being with Hanchuan in the future, as long as you help the Fu Corporation."

Qin Sheng was silent. Her fingertips tapped the table lightly. The rhythmic and crisp sound was transmitted to Old Master Fu's ears through the phone.

His heart skipped a beat.

However, on second thought, Qin Sheng helping him was beneficial and harmless to Qin Sheng. She had no reason to disagree.

Old Master Fu felt a little relieved.

After a while, Qin Sheng finally spoke. “Are you sure this company can fall into Brother Fu’s hands? What about Fu Mingxu? Fu Mingxu is also your grandson. Aren’t you going to give the company to him?”

Old Master Fu promised without hesitation, “Don’t worry about that. Hanchuan is my eldest grandson and also the son of Hongyi’s first wife. Naturally, I’m more biased toward Hanchuan.”

“Is that so?” Qin Sheng smiled. “I can help you, but I have one condition.”

Old Master Fu sat up straight. “What condition?”

“I want you to transfer the shares in your Fu family’s hands to Brother Fu now.”

Qin Sheng’s eyes were cold. Since he was pretending to be nice to Fu Hanchuan, she would expose him.

As expected, Old Master Fu frowned when he heard Qin Sheng’s words. He did not want to give Fu Hanchuan any shares. He had said all these because he wanted Qin Sheng to help him first. In the future, whether he gave Fu Hanchuan any shares or not would be up to him.

Old Master Fu hesitated. “This...”

Old Master Fu’s mind spun quickly. He deliberated over his words. “Qin Sheng, don’t worry. I’ll give it to you. I won’t go back on my word, just not now.”

“Sooner or later, you’ll have to give it to him. Why should you refuse? Isn’t it the same if you give it to him sooner or later? Why do you want to hold those shares in your hands? I don’t believe your promises.” Qin Sheng did not spare Old Master Fu any face.

Old Master Fu was stumped.

He couldn’t find a good reason. Moreover, he felt that his heart had been seen through by Qin Sheng.

Qin Sheng sneered. “Old Master Fu, you don’t have to put on an act with me. Even if you give the Fu Corporation to Brother Fu, I won’t agree to help you.”

“You!!”

Qin Sheng leaned back in her chair, her voice domineering.

“Besides, you think too highly of your Fu Corporation. Right now, your company doesn’t have more than 1 billion in funds, right?”

Chapter 1233 - 1233 Fu Mingxu and Ye Yutong Are Together

1233 Fu Mingxu and Ye Yutong Are Together

“If I want to, I can create ten Fu Corporations. Does Brother Fu like your company?”

“Old Master Fu, you should leave the company to Fu Mingxu. Fu Mingxu really likes your company.”

“Also, Brother Fu has nothing to do with the Fu family anymore. If the Fu family dares to use blood relations to claim that Brother Fu is a member of the Fu family again, I will get my father and brother to deal with the Fu Corporation.”

Old Master Fu stood up abruptly from his seat. “Qin Sheng, you’ve been playing with me just now.”

Qin Sheng looked at her watch. It was already four in the afternoon.

“My chat with you has exceeded four minutes. I’ll hang up first.”

She ignored Old Master Fu and hung up the phone.

Old Master Fu sat on the chair, his chest heaving up and down. He was angry.

He kept muttering, “Unfilial grandson, unfilial grandson!”

Fu Hanchuan had actually fallen for a woman like Qin Sheng who did not respect her elders.

Old Master Fu’s heart started to ache faintly. He held his heart.

Fu Hongyi was already in the office when Old Master Fu made the call. Seeing this, he quickly poured out a few pills to treat his heart swelling and mixed them with water for Old Master Fu to swallow.

A few minutes later, Old Master Fu recovered.

His face was still ashen.

“Dad, are you feeling better?” Fu Hongyi asked carefully.

Old Master Fu's eyes darkened as he swept the glass of water to the ground.

Bang!

Glass shards splattered all over the floor.

"Fu Hongyi, what kind of good son did you give birth to?" Old Master Fu gritted his teeth.

Fu Hongyi was afraid that he would annoy Old Master Fu, so he did not dare to speak.

The atmosphere was terrifyingly oppressive.

Fu Hongyi did not even dare to breathe loudly.

"Doesn't Fu Mingxu like Ye Yutong?" Old Master Fu gritted his teeth. "Then let him pursue Ye Yutong. If they get together, the Ye couple won't attack our company."

Old Master Fu used to like Ye Yutong very much.

However, ever since the Ye Corporation started to deal with the Fu Corporation, he had started to resent Ye Yutong.

At this moment, he was calling her by her full name.

Fu Hongyi's eyes lit up.

"Alright, I'll get Mingxu to do it immediately."

Fu Hongyi quickly left the office.

Old Master Fu sat on the sofa with an ugly expression.

It was obvious that Ye Yutong did not like Fu Mingxu. Furthermore, with the Ye couple's interference, it would be very difficult for Fu Mingxu to be with Ye Yutong.

But other than that, he could not think of any other way...

--

In the next few months...

Ye Yutong listened to Father Ye's wishes and went on blind dates with many men.

Ye Yutong's reputation outside had already been ruined. Under Qin Sheng's deliberate manipulation, Ye Yutong would do anything to get together with Fu Hanchuan. The matter

of her opening an alternate account and spewing sh*t would be trending every once in a while.

If the popularity of this matter had died down, the netizens would have forgotten about it very quickly. Basically, they would not remember what Ye Yutong had done. However, Qin Sheng's actions made the netizens remember it again and again.

What Ye Yutong had done involved both Ye Yutong and Qin Sheng, a member of the Ye family, as well as Qin Sheng's power. This matter was very popular in the upper-class circle, and Ye Yutong's reputation was not good in the upper-class circle.

1234 Movie Edited

Many families that were better than Ye Yutong looked down on her. Ye Yutong looked down on all the men who went on blind dates with her.

After interacting with those men, she felt that only Fu Hanchuan was worthy of her.

Fu Mingxu had been sticking to her these days. She did not reject his approach.

Shenghe Entertainment.

Su Yixiu threw a USB drive to Long Youwei.

Long Youwei frowned and asked, "This is?"

"A movie about the Three Realms." Su Yixiu replied.

This time, Shengshi Technology's holographic virtual reality online game was also called Three Realms, and so was the movie.

There was no other reason why the three names were similar. The main reason was that Qin Sheng, uh... She was too lazy to name it.

Long Youwei was very surprised. "It's only been ten days, and it's already edited?"

Su Yixiu smiled and said nothing.

Long Youwei began to suspect that Yu Bei had randomly edited and used special effects.

This movie required a lot of special effects. Almost every frame required extremely difficult special effects, and they had to be detailed.

Even for a Hollywood movie, a whole team would spend at least a month on special effects.

It had only been twelve days, and Su Yixiu had already given him the completed movie?

Long Youwei frowned.

Su Yixiu continued, "See if there are any problems. If there are any problems, contact Yu Bei to modify it. After you guys have done the sound, you can send it for approval. Now, the 5D glasses are also being mass-produced. It will take about ten days before the 5D glasses can be sent to the cinemas under the name of Feng Film and Television."

"Alright."

Long Youwei walked out of the office, half suspicious.

Chang Ping passed by and saw Long Youwei. He stopped and asked curiously, "Director Long, what are you doing?"

"The General Manager asked me to come over and pick up the movie to watch," Long Youwei replied.

"A movie? Is it the Three Realms?" Chang Ping was very surprised.

"Yes."

"No, didn't you guys just finish filming a few days ago? They made a movie just like that? As far as I know, this is a blockbuster."

Chang Ping really couldn't believe it. It only took twelve days to finish editing the movie?

Or rather, a random cut?

The movie edited in twelve days was probably trash.

Long Youwei held the USB drive in his hand. He didn't say anything, but his brows were tightly furrowed. He wasn't sure about the quality of the movie inside.

"We, we'll go take a look," Chang Ping said again. He was a little curious about what Yu Bei and the others would edit the movie into.

Long Youwei did not refuse.

They went to the screening room together.

The staff helped them put the movie on the big screen.

The two of them did not have much expectations for this movie.

In the huge screening room, there were only the two of them and a staff member.

Before he could hear Cang Shang's old voice, which was made by the special effect, the introduction appeared.

When Long Youwei and Chang Ping saw this, their bodies trembled.

They sat up straight and stared at the big screen.

There was no dubbing for the later part of the movie, but just looking at the scene and listening to the sound effects, they were all shocked.

The special effects were far better than those in Hollywood movies.

The key was that the editing and special effects of the movie could reach such a level in just a short 12 days. This was something they could not imagine.

They had all thought that Yu Bei and the others were just making a random cut. They had not expected that they would go to such an extent.

Both of them could hear their hearts beating rapidly. They were completely immersed in the movie.

All-Mighty Girl Gets Spoiled by A Bigshot

1235 Shengshi Technology's Technology

Ninety minutes passed.

Chang Ping clutched his chest. After experiencing a fight in the movie, his heart was beating very fast.

He gulped. "D*mn, Director Long, are you sure this is our special effects or it only took 12 days?"

Even without dubbing, he was already so shocked.

He couldn't imagine what kind of experience it would be to watch it in the cinema with dubbing and 5D glasses.

Long Youwei did not react for a long time. "I don't know either."

Chang Ping sighed. "This can be compared to Hollywood's special effects."

"No, I think Hollywood's technology is far inferior to Shengshi Technology's," Long Youwei said with certainty.

“That’s true. I’m very curious about how many technical talents are hidden in Shengshi Technology. Very few teams can have such effects and speed in special effects. The company that this boss runs is indeed different.”

Chang Ping’s tone was sour as he continued, “This movie will definitely be a hit. Just the special effects and 5D technology alone will be able to attract a lot of viewers. Director Long, for your first movie to be so popular after returning to the entertainment industry, it can be considered quite satisfactory.”

Three Realms, an all-intelligent game, had reached 1 billion gamers worldwide. It was currently the most used mobile game in the history of mobile games.

With the addition of mobile games, the box office of the movie would be much higher.

A movie about the Three Realms would definitely sell well.

They would even save a lot of publicity fees.

Chang Ping had a feeling that Shengshi Technology would launch a holographic virtual online game when the movie was released. At that time, it would bring another wave of popularity.

Long Youwei said humbly, “This is just Boss’ care. She wrote the script herself. Even the special effects and editing were done by Shengshi Technology. I played very little role in it. Director Chang, which of the movies that you’ve come to Shenghe Entertainment to arrange have box office sales of more than 2 billion yuan? However...”

“However what?” Chang Ping asked curiously.

Long Youwei frowned. “I’m worried that the dubbing staff won’t be good enough for this movie.”

Chang Ping did not refute this time.

After all, this film was too outstanding, and it would indeed be a huge requirement for the voice actors.

Long Youwei’s eyes lit up. “Alright, I’ll go find the General Manager now.”

He went to the General Manager’s office.

At this moment, Su Yixiu was dealing with documents. When he saw Long Youwei, he looked at his watch.

At this time, Long Youwei should have finished watching the movie.

“Director Long, is there anything that needs to be improved?” Su Yixiu asked with a frown.

“No, General Manager. The special effects and editing of this movie are impeccable. Even Hollywood movies can’t compare.”

Hearing Long Youwei’s evaluation, Su Yixiu was very surprised.

Long Youwei could be considered one of the top directors in the country. Since he had given such an evaluation, this movie must have died very well.

Soon, he felt relieved.

Qin Sheng’s team was very strong. They could even develop a fully intelligent mobile game. This special effect was not difficult for Yu Bei and the others.

Long Youwei continued, “General Manager, I’m looking for you mainly because the special effects for this film are excellent. With the ability of the voice actors, I’m afraid they won’t be able to handle it. I wonder if you can get Yu Bei and the others to deal with the sound?”

Chapter 1236 - 1236 The Company’s First 5D Movie

1236 The Company’s First 5D Movie

“Alright.” Su Yixiu agreed. “The broadcast time of this movie might need to be coordinated with Shengshi Technology’s Three Realms online game.”

Long Youwei was stunned. “That holographic virtual online game?”

“Yes.” Su Yixiu nodded.

Long Youwei’s heart was filled with excitement. He could already imagine the scene of the movie exploding.

—

Qin Yufei had informed the National Film Review Department that they were very quick with the review of Shenghe Entertainment’s films.

The movie was finally scheduled to be released fifteen days later.

Shenghe Entertainment also made a promotional video for the movie.

They posted it on their official Weibo.

[Shenghe Entertainment V: The company's first 5D movie, The Three Realms, will premiere in 15 days. It will star Lou Sitian and Qiu Yichuan, and be directed by Long Youwei.]

Shenghe Entertainment now had more than 20 million fans. They had their own traffic and did not spend money to find marketing accounts and Weibo VIPs to help promote themselves.

Moreover, Shenghe Entertainment was very popular now.

For the sake of traffic, those marketing accounts would take the initiative to help Shenghe Entertainment repost it.

The names of the 5D movie and Three Realms attracted the attention of many media and netizens.

They started commenting without watching the video.

[5D movie? 4D movies haven't even appeared yet. Are you kidding me?]

[I suspect that you're lying. This 5D movie is just a gimmick. I didn't expect you to do something like this.]

[Three Realms, isn't it the same as the popular mobile game from Shengshi Technology? Shenghe Entertainment and Shengshi Technology both have the word 'Sheng' in front of them. Could they be the same boss?]

[Previous poster, this might be a collaboration between Shenghe Entertainment and Shengshi Technology.]

[Director Long is good at making fantasy movies. None of his movies are bad. Whether they're 5D movies or not, I've watched them all.]

[I'd like to see how Shenghe Entertainment will be slapped in the face. They haven't even developed 4D yet, and Shenghe Entertainment has already produced a 5D movie. Isn't that a joke?]

[I advise those who doubt Shenghe Entertainment to be careful of getting slapped in the face. Have you forgotten the lesson from the past?]

[...]

There was a lot of discussion about Shenghe Entertainment's Weibo post on the internet, mainly because they were shocked by the word 5D.

4D and 5D technology hadn't appeared yet, but a 5D movie had appeared. Naturally, they didn't want to believe it.

Even though they had been slapped in the face by Shenghe Entertainment countless times before...

Six minutes later, those who had finished watching the promotional video returned. During the time they watched the promotional video, they did not comment at all. They were all immersed in the promotional video.

At this moment, they were crazily refreshing the comments.

[F*ck, my little heart is beating so fast. This is the first time a movie can give me such a feeling. The special effects are so awesome. I have to go to the premiere.]

[F*ck, f*ck, f*ck! Those who don't know might think that I'm watching a Hollywood blockbuster. No, this is far better than a Hollywood blockbuster. I can foresee that it will be a big hit. I have to contribute to the box office.]

[Whether it's a 5D movie or not, I have to watch it with these special effects.]

[F*ck, how much did these special effects cost?]

[...]

Many people had not watched the video before and had directly gone over to comments. When they saw these comments, they were curious and ran over to watch the video.

After they returned, they were all silent.

Could it be that Shenghe Entertainment was really going to play a 5D movie?

To be able to create such special effects, their abilities must not be bad.

Chapter 1237 - 1237 Qin Sheng Became His Boss

1237 Qin Sheng Became His Boss

When they thought of how Shenghe Entertainment had slapped their faces again and again, they fell silent.

Of course, there were still some people who stubbornly said, [Film effects are good, but that doesn't mean that they have the ability to develop 5D technology. Hehe, I'm waiting for Shenghe Entertainment's lies to be exposed.]

5D technology caused a sensation.

Many people felt that this was just a gimmick by Shenghe Entertainment to attract the audience to watch the movie. They were just waiting for the movie to be broadcast. When the time came, they would naturally slap Shenghe Entertainment in the face.

Some media outlets went over to Shenghe Entertainment to sound them out.

However, the artistes and higher-ups of Shenghe Entertainment were tight-lipped. They did not get any useful information.

Meanwhile, in the laboratory of Imperial Capital University.

Qin Sheng flipped through the research report and frowned.

Gao Yongliang advised, "Sheng Sheng, the ingredients in it have no side effects on the human body. Whether it can be cured or not, it won't harm the body. Perhaps you can take it and give it a try."

"No need. He's still very healthy."

In his previous life, Old Master Lu had suffered from Fulama disease four years later.

"Then..."

There was only one last step left.

To test its medicinal properties, it was very rare to find patients with Fulama disease. Moreover, they died in a very short period of time. It was very difficult to find these patients.

Qin Sheng closed the report. "Professor Gao, I can look for these patients. There's no hurry."

"Alright." Gao Yongliang nodded.

He looked at Qin Sheng and exclaimed, "Sheng Sheng, your ability is even more amazing than mine. You've done an experiment that others couldn't do in their entire lives in just half a semester and a year."

He thought of something and sighed again. "Sheng Sheng, it would be a pity if you don't stay in the medical profession after graduation."

Back when Qin Sheng had just entered school, Gao Yongliang had brought Qin Sheng along to do experiments. In fact, the main purpose was to take Qin Sheng in as a student.

However, he never expected Qin Sheng to be as good as him. She had no intention of becoming a doctor.

Qin Sheng lowered her eyes. "I have other things to do."

"I almost forgot that you're very good at drawing and computing," Gao Yongliang complained.

Qin Sheng had a stubborn personality. Usually, she would not give up on something she had decided on unless she had money...

Gao Yongliang's eyes lit up. "Sheng Sheng, even if you don't plan to be a doctor in the future, you can still do research in the future. With the patent in your hands, you'll get a lot of money."

Qin Sheng frowned and thought about the research lab she had set up.

She originally wanted to disband, but now, she could keep it...

Hence, Qin Sheng nodded. "Yes, I'll set up a research lab. When we were researching the Fulama disease, there were already quite a few medical experts. It's not difficult to get them to stay."

Gao Yongliang rubbed his hands. "Me too?"

Qin Sheng was a thigh, so he had to hug her tightly.

If he were to do his own research, he would probably not be able to complete a creative research in five or ten years.

But with Qin Sheng's skill, wasn't it simple?

"Sure."

Qin Sheng nodded. She looked at the time. It was already past four in the afternoon. She put the experiment report aside and left the laboratory.

Gao Yongliang watched Qin Sheng leave and wiped his sweat. What was all this about?

He had wanted to bring Qin Sheng along back then.

Qin Sheng became his boss instead?

Chapter 1238 - 1238 See How Shenghe Entertainment Was Slapped in the Face

1238 See How Shenghe Entertainment Was Slapped in the Face

Fifteen days later.

Three Realms was released. Because the special effects of the promotional film were excellent, and the 5D glasses had whetted everyone's appetite, there were even people who specially came to see Shenghe Entertainment get slapped in the face.

Everyone grabbed Shenghe Entertainment's tickets, and the show was packed.

Feng Film and Television had urgently increased the number of screenings. Even so, the tickets for Three Realms were still queued until the third day.

Qin Sheng and Fu Hanchuan also came over. They were wearing masks, and the popcorn and beverage area was already packed with people.

Fu Hanchuan stopped in his tracks.

He frowned slightly.

The main reason was that he had overheard the conversation between the couple in front of him.

The girl acted coquettishly to the boy, asking him to go over and buy popcorn and coke.

Girls seemed to like to eat these things.

"Brother Fu, what's the matter?" Qin Sheng asked with a frown.

"Sheng Sheng, wait for me here for a while," Fu Hanchuan whispered.

With that, he entered the crowd and lined up.

There was an inexplicable sense of oppression around Fu Hanchuan. No one else dared to get close to Fu Hanchuan, and those behind him kept their distance from him.

Some girls were standing not far away, looking at Fu Hanchuan and discussing in low voices.

“This man has such an aura. Although he’s wearing a mask, you can tell how handsome he is. His clothes are definitely from a top-notch brand. But why is he queuing up here to buy popcorn?”

“He probably bought it for his girlfriend. There aren’t many people who are so handsome and still dote on their girlfriend.”

“I wonder who his girlfriend is. To have such a boyfriend, I’ll wake up laughing even in my dreams.”

“It’s hard to find a girl who’s worthy of such a man.”

“...”

This was Fu Hanchuan’s first time buying popcorn.

He and Qin Sheng were not interested in watching movies. They had been together for more than a year. Including this time, they had only come to watch movies twice.

Qin Sheng looked at Fu Hanchuan’s background from afar with a smile in her eyes.

Fu Hanchuan returned after buying the popcorn.

When he saw Qin Sheng staring at him, he coughed lightly. “Sheng Sheng, I heard that girls like to eat this.”

Qin Sheng took the popcorn and smiled. “Yes, I like it very much.”

Hearing this, Fu Hanchuan’s lips couldn’t help but curl up.

The two girls had been observing Fu Hanchuan. When they saw Qin Sheng beside Fu Hanchuan, they were speechless.

They had originally said that no woman was worthy of Fu Hanchuan.

In the blink of an eye, they were slapped in the face...

Fu Hanchuan and Qin Sheng entered the cinema together.

At this moment, the cinema was already filled with quite a few spectators.

Qin Sheng took off her mask and picked up the popcorn to eat. From time to time, she would feed Fu Hanchuan.

Fu Hanchuan smiled.

He bit the popcorn in Qin Sheng's hand, and the tip of his tongue accidentally touched Qin Sheng's fingertips. Qin Sheng's ears turned red, and she retracted her hand as if she had been electrocuted.

However, from Fu Hanchuan's expression, he didn't seem to care about this matter.

Qin Sheng frowned and stopped thinking about it. However, she didn't bring any more popcorn for Fu Hanchuan.

The movie had not started yet.

There were quite a few spectators discussing Three Realms.

"Really? A 5D movie?"

"Didn't they install some new glasses in the cinema? Could this be it?"

"It can't be a 5D movie. Even a 4D movie didn't appear. I'm here today to see how Shenghe Entertainment gets slapped in the face."

"It doesn't matter if it's 5D or not. I love the special effects."

Chapter 1239 - 1239 Slapped in the Face Again

1239 Slapped in the Face Again

"Don't get excited too early. Perhaps the special effects in the promotional film are very good to attract us over, but the main film is rotten like a pile of sh*t. If the whole process is like the special effects in the promotional film, just this alone will cost 1 billion yuan."

"Won't we know when we see it later?"

".."

Qin Sheng heard every word of their discussion.

Qin Sheng only smiled and said nothing else.

She preferred to use her actions to slap the other party in the face. When the movie started broadcasting, they would naturally feel their faces hurt.

Five minutes later.

The movie was about to start. Everyone followed the instructions and put on their glasses.

The audience was very confused.

With these glasses on, it was as if they were not wearing them at all.

Moreover, almost none of them could feel the existence of the glasses...

“These are 5D glasses. Are we that easy to fool?”

“What can I see? Sigh, it seems that Shenghe Entertainment is indeed using a 5D movie as a gimmick this time. I’m starting to doubt the special effects of the movie.”

“Even if the special effects aren’t good, we can still look forward to the plot of Director Long’s movie.”

“...”

Before the movie screen lit up, the voice arrived first.

An old voice sounded.

The noisy theater instantly quieted down. They sat up straight and stared at the big screen.

A dragon appeared on the big screen.

It flew in the air, and the audience’s hearts were on tenterhooks.

“Ah!”

Screams rang out in the theater, including the boys.

“F*ck, this is so f*cking exciting. I thought that dragon was going to pounce on me and eat me. Are these 5D glasses? If I had a heart bloating disease, it would have relapsed now.”

“5D glasses, I believe you.”

“...”

Fu Hanchuan was not watching the movie. His gaze was fixed on Qin Sheng. When he heard the voices of the audience around him, he also looked at the screen.

With just one glance, he could tell that this movie had a different reaction.

As far as he knew, Qin Sheng had arranged for her subordinates to develop a holographic virtual online game. It had only been a little over a year.

To be able to achieve such an achievement in a short year...

Fu Hanchuan turned his head and his gaze fell on Qin Sheng. A sense of pride welled up in his heart.

His little girl... was very outstanding.

There were many fighting scenes in the movie, as well as many strategies.

The audience was completely immersed in it. Their hearts were sometimes raised and sometimes let down. They were also infected by the emotions of the main character.

After watching the entire movie, they still wanted more.

They took off their glasses.

They clutched their hearts. The movie had already ended, but their hearts were still beating very fast, almost jumping out of their chests.

“This is definitely a 5D movie! If it’s not, I’ll cut off your head. F*ck!”

“This Shenghe Entertainment is too f*cking awesome. They can even develop 5D glasses. I’m wondering if they’re an entertainment company or a technology company. They’re too talented!”

“F*ck, I’ve been slapped in the face again. Shenghe Entertainment is used to slapping others in the face. I’ve learned my lesson this time. I’ll never go to Shenghe Entertainment again. I can’t take it anymore.”

“No, this is too good. I want to go and buy more tickets.”

Some people had already rushed to the ticket window, afraid that if they were late, their tickets would be gone.

“Are there still tickets? I want to do it twice and thrice!”

“I want one too. No, give me five.”

“Give me ten. I want to invite my friends to come and see it!!”

Those who came early could still buy tickets for the third day, but those who came late would have to wait five days before they could buy tickets.

The ticket seller was extremely busy.

The ticket price for Three Realms was set at 120 yuan per ticket. Usually, they would complain about the high price, but now, they felt that the ticket price was reasonable.

Fu Hanchuan held Qin Sheng's hand and walked out.

Fu Hanchuan stopped in his tracks when he heard the sound of everyone buying tickets. A smile hung on his lips. "Sheng Sheng, you're so amazing. I feel like I need you to support me."

Qin Sheng blinked.

She was thinking about how Fu Hanchuan's shares and dividends were all in her hands.

She nodded seriously. "Brother Fu, I'll give you some money every month."

Fu Hanchuan smiled, and his eyes seemed to sparkle.

"Alright," he replied softly.

He had always wanted to give Qin Sheng money to spend, but it felt good to have Qin Sheng give him money instead.

The discussions online were also very lively.

There were all kinds of praises for the Three Realms.

One of the most popular movie critics in China posted a very simple Weibo post.

[Movie Mr. Wang: The Three Realms has really shocked me. The story, dubbing, special effects, acting, and the scenes inside are all perfect. At the same time, it's also the first 5D movie. It's as if you're in a real setting. Your mood can completely change according to the movie.]

[If this movie gets an international evaluation, it will definitely win the Best Film Award, Best Director, Best Voice Acting, and Special Effects Award.]

Mr. Wang had always been picky about his tastes, and his evaluation of the movie was always on point.

He was also called Mr. Poisonous Tongue by netizens.

In the past, he would always take out movies that had good reviews and give them a good scolding. He rarely praised them.

But this time, it was clear that Mr. Wang was extremely satisfied with the situation in the Three Realms.

The netizens who had watched the movie had a very high evaluation of the Three Realms and said that they would watch it twice or thrice.

They had all gone to buy movie tickets. When they came back, they were all wailing like ghosts and howling like wolves.

[You are all devils! So many tickets were bought by you guys, and I actually have to wait until a week later. Don't you guys have to go to work? Did you all go to the movies?]

[Can you leave us a way out? Those of you who have seen it before, stop joining in the fun. This is making me anxious.]

On the internet, the tickets sold by the cinema had already reached the price of 2,000 yuan.

Feng Film and Television.

Feng Shuo sat in the CEO's office, drinking coffee while looking at the box office of the Three Realms in a good mood.

The manager beside him sighed. "President Feng, Shenghe Entertainment is really amazing. Their movies have all achieved good box office results. Especially this time. I'm afraid it's going to set a box office record in China."

Feng Shuo nodded in agreement. "She is indeed very powerful."

He was very glad that he had hugged Qin Sheng's thigh back then and had a good relationship with such a little pervert. The company was not afraid of bankruptcy.

Qin Sheng first helped him deal with Longfei Film and Television and saved Feng Film and Television, which was on the verge of bankruptcy.

In more than half a year's time, it had brought in almost a few billion yuan in revenue for Feng Film and Television, and that was not counting the box office of the Three Realms...

“President Feng, according to our investigation, many regular customers from other cinemas have also come to our cinema. It seems that the movie Three Realms will bring us a lot of customers, but...”
