

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Qin Churou saw that Lin Shuya's expression was wavering.

She continued, "Besides, Mom, you couldn't get pregnant because of Qin Sheng. This miscarriage was also because of Qin Sheng. I want to teach Qin Sheng a lesson."

Hearing this, Lin Shuya made up her mind. "Rou'er, what should we do? Tell me!"

Qin Churou smiled smugly.

She warned, "Mom, you can't let anyone know that you and Qin Yufei were together. The person on the bed is you. Otherwise, I'm worried that the Lin family will be suspicious."

"Alright." Lin Shuya nodded.

Lin Shuya followed Qin Churou's arrangements.

After she recovered, she ran to Imperial Capital University to look for Qin Sheng, wanting to take her hair.

Actually, Qin Churou could have handled this matter, but she was afraid of Qin Sheng, so she found an excuse to arrange for Lin Shuya to come over.

This would not arouse Qin Sheng's suspicion.

Qin Sheng had not returned to school for two days.

Lin Shuya was very dissatisfied with Qin Sheng, a student who often did not come to school, causing her to wait for more than two hours.

On the third day, she finally saw Qin Sheng.

After Fu Hanchuan left, Lin Shuya stood in front of Qin Sheng.

"What's the matter?" Qin Sheng asked with raised eyebrows.

She did not expect Lin Shuya to come looking for her.

"Qin Sheng, didn't Fu Hanchuan give you 15 billion?" Lin Shuya asked directly. "I don't have any money on me now. I'm your biological mother. You have to give me child support."

"Oh?" Qin Sheng asked with great interest, "How much do you want?"

Lin Shuya knew that if she asked Qin Sheng for too much, she would not agree. She extended a finger. "100 million."

Qin Sheng sneered. "Lin Shuya, are you drunk? Have you forgotten the lesson I taught you? When did you get anything from me?"

A chill ran down Lin Shuya's spine.

Indeed, every time she faced Qin Sheng, she was always at a disadvantage.

She could not win against Qin Sheng, and Qin Sheng had never respected her just because she was her mother.

Lin Shuya wanted to retreat, but she remembered Qin Churou's plan...

She gritted her teeth and rushed forward to grab Qin Sheng's hair while cursing, "Qin Sheng, good. You don't even know how to respect your own mother. I really regret giving birth to you. I have to teach you a lesson today."

"You jinx. Because of you, I couldn't get pregnant and even had a miscarriage. As expected, you've sucked away all the luck of our Qin family."

"Before you returned to the Qin family, our family was peaceful and there were no problems in the company. Now, what has our family become?"

Normally, she would not do such a thing.

But now, Lin Shuya did not want to stay with Qin Sheng anymore. When she faced Qin Sheng, she would be afraid of her.

Lin Shuya didn't like this feeling.

Moreover, when she saw Qin Sheng, she thought of the pain she was suffering now.

After the miscarriage, Qin Hai treated her extremely badly. Even when it came to spending money, she was restrained. Every time she went out, she would be ridiculed by those rich ladies.

Lin Shuya was blaming everything on Qin Sheng.

If not for Qin Sheng, she would not have to go through all this...

Qin Sheng did not expect Lin Shuya to rush up so directly. She was not on guard.

She felt a slight pain in her head.

Lin Shuya still wanted to pull Qin Sheng's hair behind her.

Qin Sheng frowned and grabbed Lin Shuya's wrist, stopping her from doing anything else.

She clenched her fists tightly and her gaze was bone-chilling.

An indifferent voice slowly came out of her mouth. "Lin Shuya, be careful. I have nothing to do with you. Don't think that I will give you any benefits."

"You're not worthy!"

Lin Shuya could feel the pain from Qin Sheng's hand. She could feel her bones being crushed by Qin Sheng's strength.

Lin Shuya was scared. "Qin Sheng, let go of me immediately."

Qin Sheng narrowed her eyes and did not reduce the strength in her hands.

"Qin Sheng, let me go," Lin Shuya begged. "I won't come and find trouble with you again. I won't threaten you to do anything as your mother."

"Heh, do you think your words can be trusted?"

Qin Sheng sneered.

Lin Shuya's tears fell. She gritted her teeth. This Qin Sheng was indeed an ingrate. How could she treat her biological mother like this?

More and more students gathered around to watch.

They were all laughing at Lin Shuya.

Most of the students recognized Lin Shuya. She was Qin Sheng's biological mother and was also the one who had said that Qin Sheng was heartless in front of the media.

Therefore, when they saw Lin Shuya's arm being held by Qin Sheng, they did not stand up for her.

A circle of red marks appeared on Lin Shuya's wrist. The pain was unbearable.

Finally, Qin Sheng let go of her.

She looked at Lin Shuya as if she was looking at a dead person. "Get lost!"

"Alright, I'll go," Lin Shuya said through gritted teeth.

She clenched the few strands of hair in her hand and left.

Qin Sheng went to the stock exchange in the afternoon.

She observed the trend of several stocks and understood some information. Then, she spent 1 billion yuan to buy four stocks.

At the same time.

In the meeting room of the HD Group.

The atmosphere was very tense, and the higher-ups didn't even dare to breathe too loudly. They looked at Fu Hanchuan, who was sitting at the head of the table, with trepidation.

Fu Hanchuan's face was expressionless, but his entire body was emitting a chill.

"President, President," a higher-up shouted. He couldn't even speak clearly. He was afraid.

This time, they had made a huge mistake in the project, which involved more than 1 billion yuan.

This was the first time such a mistake had occurred since the establishment of the HD Group.

The notification sounded. The higher-ups wanted to continue reporting, but Fu Hanchuan raised his hand and interrupted them.

Fu Hanchuan swiped his phone.

A message from the bank came into view.

Fu Hanchuan's lips curled up slightly when he saw the content.

His mood improved.

The higher-ups looked at each other. Who sent this?

Assistant Lin, who was standing behind Fu Hanchuan, was also curious and looked at Fu Hanchuan's phone.

Soon, another message was sent. The third, the fourth...

The smile in Fu Hanchuan's eyes deepened.

A few black lines slid down Lin Te's forehead. He had lost money, yet he was still so happy?

Moreover, he had lost a lot of money.

If it were any other man, his face would have already darkened.

His CEO was indeed a wife-doting demon.

If it wasn't for the fact that Assistant Lin had always been by Fu Hanchuan's side, he would have thought that Fu Hanchuan had been switched.

Fu Hanchuan put away his phone.

He glanced at the higher-ups below and said, "Think of a solution on your own after you go back. I'll give you two days to submit the solution."

With that, Fu Hanchuan stood up and left the office.

Assistant Lin Te knew that Fu Hanchuan was going to look for Qin Sheng. He was tactful enough not to follow.

Chapter 1263 Becoming Qin Yufei's Daughter

The door closed.

The higher-ups could not help but ask, "What did the president see?"

"I'm afraid the only person who can make the president reveal such an expression is the president's wife."

At this point, the higher-ups all looked at Lin Te in unison.

Obviously, they wanted to ask Lin Te about Fu Hanchuan's abnormal behavior.

Assistant Lin nodded and did not hide anything. "It was indeed a message about Madam. She used the president's bank card to spend hundreds of millions."

The higher-ups were speechless.

They had the same thoughts as Lin Te.

Spending money and still so happy?

It seemed that Fu Hanchuan was really doting on Qin Sheng.

The higher-ups also made up their minds. They had to cling onto Qin Sheng's thigh.

Later on, when these higher-ups were reprimanded, they prayed that Qin Sheng would contact Fu Hanchuan every time...

Fu Hanchuan called Qin Sheng.

Qin Sheng walked out of the stock exchange. "Brother Fu, what's wrong?"

"Where are you?" Fu Hanchuan asked.

"The stock exchange," Qin Sheng answered truthfully.

Fu Hanchuan was speechless.

He silently clicked on the message and saw the words Imperial Capital Stock Exchange.

Fu Hanchuan's expression was a little complicated.

"Brother Fu, I just used your money to buy stocks," Qin Sheng added.

Fu Hanchuan reached out his slender fingers and massaged the space between his eyebrows. He felt a headache coming on. "Sheng Sheng, maybe you can go and buy some things. My money is for you to spend."

Qin Sheng frowned. "Brother Fu, you've prepared clothes and other supplies. I don't need to spend much money, and I have money."

Fu Hanchuan sighed helplessly.

There was nothing they could do about Qin Sheng.

He had a headache. His girl was indeed too powerful. She couldn't even spend all the money she earned herself, let alone use his.

Fu Hanchuan didn't dwell on this matter anymore. "Sheng Sheng, I'll go pick you up."

Qin Sheng looked at the time. It was just past 3 o'clock.

Fu Hanchuan knew Qin Sheng well enough to see through his thoughts. "I've finished my work at the company now, so I have time."

"Alright." Qin Sheng did not doubt Fu Hanchuan's words.

Fu Hanchuan put away his phone and went back to his office to get his car keys. Then, he walked towards the door.

Just as Lin Te was about to knock on the door, Fu Hanchuan came out.

"President, what are you doing?"

Fu Hanchuan glanced at him but didn't stop. "Go pick up Sheng Sheng."

"But didn't you ask Manager Gao to report to you?"

"Arrange another time."

Lin Te was speechless.

As expected, Fu Hanchuan could put all his work aside in front of Qin Sheng.

Manager Gao had just arrived when he saw Fu Hanchuan enter the elevator.

He frowned and asked, "Assistant Lin Te, where is the president going?"

Assistant Lin Te replied, "He went to accompany his wife. Manager Gao, you might have to come over tomorrow."

Lin Shuya returned to Qin Churou's rented apartment and passed the hair to Qin Churou.

Qin Churou looked at Qin Sheng's few strands of hair and smiled. With this, she could enter the Qin family and become Qin Yufei's daughter.

"Mom, you can go and find Qin Yufei tomorrow."

"Alright." Lin Shuya nodded.

Lin Shuya went to look for Qin Sheng today because she wanted to see Qin Sheng fall into a sorry state. She did not want to see Qin Sheng in such a glorious state.

On the second day.

Lin Shuya arrived at the Qin Corporation wearing a mask.

Chapter 1264 She Is That Woman

She did not have an appointment, so the receptionist stopped her from looking for Qin Yufei.

Lin Shuya could only wait outside.

When Qin Yufei got off work, a secretary followed beside her.

Qin Yufei was handsome and tall, and his body also emitted a refined aura.

Lin Shuya was stunned. Qin Yufei was more handsome in real life than he was on the internet.

Lin Shuya was instantly tempted.

Qin Yufei was already in his forties and had not married yet. Moreover, they had had s*x and had a daughter. Then wouldn't Qin Yufei accept her very easily?

However, when she remembered what Qin Churou had told her, she could only put her thoughts aside.

While she was in a daze, Qin Yufei had already walked to the door.

Lin Shuya reacted and rushed forward.

"Qin Yufei!"

The security guard stopped her in time and said coldly, "Miss, is there something you need from our president?"

The security guards had beaten Lin Shuya up to become one of those women who seduced Qin Yufei.

Many women, like Lin Shuya, surrounded Qin Yufei on the first floor.

Lin Shuya was very anxious. "I'm indeed looking for him."

"If there's something, you can make an appointment first." The security guard frowned.

Seeing that Qin Yufei had gone far away, Lin Shuya simply shouted, "Qin Yufei, 20 years ago, in a hotel."

Qin Yufei stopped in his tracks and frowned.

He turned around and stared at Lin Shuya. "You are?"

Seeing that Qin Yufei had returned, Lin Shuya heaved a sigh of relief and quickly said, "I am that woman."

Qin Yufei couldn't see back then, so he naturally couldn't recognize that Lin Shuya was that woman.

However, only the two of them knew what happened that day. Lin Shuya's voice also sounded very similar to that woman's...

Qin Yufei did not doubt Lin Shuya's words. "Come with me."

He brought Lin Shuya to his office.

As the president of the Qin Corporation, Qin Yufei's office was naturally not small. Lin Shuya saw that Qin Yufei's office was more than twice as big as Qin Hai's office. Moreover, with one look, she knew that it was much more high-end than Qin Hai's office.

Lin Shuya sized him up.

After Qin Churou had arranged everything, she would make her Qin Yufei's wife. At that time, she would be able to enjoy everything in the Qin family.

"Tell me, why are you looking for me?" Qin Yufei looked at Lin Shuya suspiciously.

It had been twenty years, but this was the first time Lin Shuya had come looking for him.

He could not figure out why Lin Shuya was looking for him.

Lin Shuya was very nervous. Her palms were covered in sweat. "I-I don't want you to take responsibility for anything."

"Then what is your purpose?"

"I married my fiancé after we had s*x," Lin Shuya replied. "Later, I got pregnant and thought that my child was my fiancé's. But recently, I realized that she wasn't."

Qin Yufei was stunned. He frowned. "My child?"

Lin Shuya nodded. "It's like this, Mr. Qin. I didn't want to look for you, but her father isn't a good person. He's always looking for women outside, so I want to make plans for Rou'er."

"I didn't want to come and look for you. After all, I didn't want anyone to know about that. It's just that I can't be so selfish and let Rou'er be unable to acknowledge her biological father."

"What's her name?" Qin Yufei asked.

"Qin Churou," Lin Shuya answered truthfully.

Chapter 1265 Qin Churou Came Looking For Him

Qin Yufei felt that this name was familiar, but he couldn't remember where he had seen it before. However, he didn't feel anything when he heard the name Qin Churou.

Lin Shuya took out a piece of paper with two strands of hair wrapped inside.

"Mr. Qin, you can go and test your DNA."

Qin Yufei took it.

At this moment, he thought of Qin Sheng. Back then, he had said that she would be his only daughter.

If Qin Churou was really his daughter...

Qin Yufei frowned.

He was worried that he would hurt Qin Sheng.

Lin Shuya then gave Qin Yufei and Qin Churou's phone number. After doing all this, she didn't stay any longer and left.

Qin Yufei arranged for his secretary to take their hair for a paternity test.

The hospital didn't dare to delay and gave the results within a day. It showed that there was a 99% chance that the two of them were father and daughter.

Qin Yufei returned to the Qin Residence with a complicated mood.

"Aren't you at work?" Old Master Qin asked curiously.

Qin Yufei usually wouldn't leave the company during working hours unless there was an emergency. That was why he was so curious.

Qin Yufei handed the document in his hand to Old Master Qin.

Old Master Qin frowned. "What is this?"

"Paternity test report," Qin Yufei replied. He sat back on the sofa, his voice filled with powerlessness. "Twenty years ago, I was drugged and had s*x with a woman. This child was conceived at that time. It was a girl."

Old Master Qin fell silent.

Although he had always been clamoring for a granddaughter, he did not really want one at this time.

Qin Sheng alone was enough.

Old Master Qin's first reaction was also whether this would hurt Qin Sheng's heart.

"What do you want to do next?" Old Master Qin asked after a while.

Qin Yufei was silent. He rubbed the space between his eyebrows as his head hurt. "I don't know either."

"No matter what you do, you can't hurt Sheng Sheng. Don't side with your good daughter. I never thought you would owe such a debt."

At this moment, Old Master Qin was particularly displeased with Qin Yufei.

Qin Yufei nodded with certainty. "Dad, I will."

Old Master Qin snorted coldly and warned, "Sheng Sheng is very sensitive in this regard. Qin Yufei, if Sheng Sheng runs away because of you, don't blame me for disowning you. I can live without you as my son, but I can't live without Sheng Sheng."

He waved his hand because he didn't want to see Qin Yufei anymore.

Before returning to his room, he warned again, "Qin Yufei, I hope you can handle this matter well."

Qin Yufei was the only one left in the living room.

Qin Yufei leaned back on the sofa, his mind in a mess.

He picked up his phone and said weakly, "Help me look into someone, Qin Churou."

The next day, when Qin Yufei got off work and left the company, Qin Churou came up to him. "Dad."

Hearing this title, Qin Yufei's footsteps paused.

Qin Churou looked at Qin Yufei with joy, but she didn't dare to get close to him. "Mom said that you're my father, so I couldn't help but come over to look for you. Did I disturb you?"

Qin Yufei looked at Qin Churou and frowned.

He was not moved at all.

Qin Churou moved to Qin Yufei's side. "Dad, I want to see Grandpa."

As she spoke, she lowered her head uneasily. "If it's not suitable, then forget it. I'm at my adoptive father's house. Grandma and the others treat me very badly, and so does my adoptive father..."

All-Mighty Girl Gets Spoiled by A Bigshot

"Dad, it's okay if you don't want to acknowledge me. After all, I'm used to being tortured by them. I might not be outstanding in all aspects and can't be your daughter."

Afraid that Qin Yufei would misunderstand, Qin Churou quickly explained, "Dad, I didn't come to look for you for money. I was just excited when I heard Mom say that you're my dad."

Qin Churou's eyes were filled with admiration.

When Qin Yufei saw this, he felt a surge of guilt in his heart. He let go. "Alright, I'll bring you back to see him."

"Thank you, Dad," Qin Churou said excitedly.

She got into Qin Yufei's car and went back to the Qin family.

The employees were puzzled. "Our president has a long-lost daughter? Doesn't he not get close to women?"

"But when that girl called the president 'Dad', didn't the president not deny it? There's a high chance that it is."

"..."

Qin Yufei's secretary heard these discussions and frowned. "Don't talk about your superior's matters casually."

The employees didn't dare to say anything.

On the other side, Qin Yufei stopped the car. He wanted to bring Qin Churou back to the villa when a call from the company came.

A minute later, Qin Yufei put down his phone and arranged for a servant to bring Qin Churou back to the villa.

Before that, he reminded her, "Take good care of Miss Qin."

"Yes," The servant agreed.

Miss Qin...

When Qin Churou heard this, she felt very uncomfortable. She had already acknowledged Qin Yufei as her father. Shouldn't he call her Young Miss?

Of course, Qin Churou did not dare to show her dissatisfaction on her face.

Qin Yufei said, "There's something urgent in the company. I'll go back first. I'll be back in about 40 minutes. You can go in first."

Qin Churou nodded obediently. "Alright."

Qin Churou looked at the layout of the villa. It was much bigger and more luxurious than the Qin family in H City.

Her lips curled into a smile.

Soon, she would be able to enjoy all of this.

However, when she saw Qin Sheng sitting on the sofa, she was stunned.

Qin Churou clenched her fists.

Qin Sheng was really lucky.

But soon, Qin Sheng would be kicked out of the Qin family. The Qin family was the number one wealthy family in China, and she would become the only daughter of the Qin family.

Qin Churou walked to the sofa and sat down. She instructed the servant beside her, "You don't have to follow me. You can leave first."

The servant had something to do, so she didn't insist. "Okay, Miss Qin. If you need anything, feel free to look for me."

After the servant left, Qin Churou went straight to the sofa and sat down.

Qin Sheng's brows furrowed slightly. She did not know why Qin Churou would come to the Qin family.

"Qin Sheng, I'm Dad's biological daughter. We did a DNA test," Qin Churou said proudly.

Qin Sheng said nothing.

She felt that there was something fishy about this.

Qin Churou's tone was very mocking. "Qin Sheng, you're just an adopted daughter of the Qin family. My status is higher than yours. You don't have to act high and mighty in front of me."

Qin Churou was originally worried that Qin Sheng would do something to her, so she did not dare to provoke her.

But now, she had the Qin family.

In the future, she was not afraid of not having resources in the entertainment industry, nor did she have to worry about Qin Sheng dealing with her.

Qin Sheng frowned and looked at Qin Churou.

Was Qin Churou really Qin Yufei's daughter?

Just as she was thinking about it, Qin Churou suddenly said, "Sister, you met Dad and Grandpa first and even became Dad's goddaughter. You can't say that about me. I want to come back too. It's not for money or the Qin family's family background."

All-Mighty Girl Gets Spoiled by A Bigshot

Her eyes were very red. It was as if Qin Sheng had misunderstood her.

At this moment, Old Master Qin walked over.

Qin Sheng raised her eyebrows. She finally understood why Qin Churou said those words. She just wanted Old Master Qin to misunderstand her. Qin Churou was still as 'innocent' as before.

Qin Sheng lowered her eyes. If Qin Churou was really Qin Yufei's daughter, she would leave.

She would not be in the same family as Qin Churou.

As for Qin Yufei and Old Master Qin...

Qin Sheng felt a dull pain in her heart.

Old Master Qin looked at Qin Churou. "What's wrong with Sheng Sheng?"

Qin Churou bit her lip and said aggrievedly, "Grandpa, it has nothing to do with Sister. When I returned to the Qin family, Sister was worried that I would snatch you and Dad away. I can understand why she has a problem with me."

Qin Sheng remained silent.

Old Master Qin's face turned cold. He had seen through Qin Churou's thoughts.

He frowned. He didn't like Qin Churou.

He understood Qin Sheng. With Qin Sheng's personality, she would not be so eccentric.

This Qin Churou was too innocent.

On the surface, she said that she did not blame Qin Sheng, but her words were trying to make him dislike Qin Sheng.

He didn't give Qin Churou a good look. "Qin Churou, although you're Qin Yufei's daughter, I hope you can be more careful. Don't slander others. I'm not blind."

Qin Churou's face turned green and then white. It was a wonderful scene, but she didn't know if it was due to embarrassment or anger.

She bit her lip. "I'm sorry, Grandpa. I shouldn't have said that about Sister."

Old Master Qin snorted coldly. He didn't want such a granddaughter.

Old Master Qin's attitude toward Qin Sheng was extremely good and loving. "Sheng Sheng, are you hungry? Let's go eat. Although my chef's food doesn't suit your taste as well as Fu Hanchuan's, he's still one of the top chefs in the country. It's not bad."

Old Master Qin brought Qin Sheng into the kitchen.

He ignored Qin Churou the entire time.

When he left, he even called the butler along.

Qin Churou sat on the sofa, feeling very embarrassed.

She clenched her fists tightly.

Once again, she was dissatisfied with Qin Sheng.

This Qin Sheng was indeed capable. She had only known the Qin family for less than a year, but she was already able to charm that old fart.

Old Master Qin actually treated an outsider better than his own granddaughter.

Qin Churou's eyes darkened. She must chase Qin Sheng out of the Qin family!

Forty minutes later, Qin Yufei returned.

Old Master Qin and Qin Sheng also came out of the restaurant.

When he saw Qin Yufei, Old Master Qin sneered. "You should settle this debt of love properly. Even if you want to bring her back, you have to teach her well. What do you mean by slandering Sheng Sheng openly and secretly? She even pretended that Sheng Sheng was jealous of her and was wronged."

Old Master Qin was a protective person.

Naturally, he would not allow Qin Churou to slander Qin Sheng.

Qin Churou panicked. She looked at Qin Yufei with red eyes and tried to defend herself, "Dad, I didn't."

Qin Yufei naturally didn't believe that Old Master Qin would slander Qin Churou.

His expression was very ugly. "You'd better be careful."

"Sheng Sheng, I'm sorry," Qin Yufei apologized again.

He felt guilty toward Qin Sheng.

Back then, he had promised that Qin Sheng was his only daughter. He did not expect another daughter to suddenly appear and target Qin Sheng like this.

Back then, he had promised that Qin Sheng was his only daughter. He did not expect another daughter to suddenly appear and target Qin Sheng like this.

Chapter 1268 Are You Sure She's Your Biological Daughter?

Qin Yufei had been in the business world for many years and had seen all kinds of people.

Through Old Master Qin's words, he could tell Qin Churou's personality.

But Qin Churou was his daughter.

He had not raised her for twenty years, so Qin Yufei still felt guilty toward Qin Churou.

"You're not the one who should be apologizing," Qin Sheng said expressionlessly.

Qin Yufei turned his head. "Qin Churou, hurry up and apologize to Sheng Sheng."

Qin Churou's expression was very ugly. Everyone in the Qin family was on Qin Sheng's side!

She had originally imagined that the Qin father and son were biased toward her, their biological daughter. This did not exist at all.

However, since Qin Yufei still said so, she could only apologize.

"Sister, I'm sorry."

Qin Sheng's brows furrowed. She did not hide her disgust for Qin Churou.

"Call me by my name. I'm not your sister. Disgusting."

Qin Churou bit her lip, lowered her head, and said again, "I'm sorry, Qin Sheng."

Old Master Qin knew that if Qin Churou was really Qin Yufei's biological daughter, he would definitely bring her back to the Qin family.

He could not stop this.

He warned Qin Churou, "If you want to return to the Qin family, you'll have to learn the Qin family's rules. If you continue to slander Sheng Sheng like you did just now, then get out of the Qin family."

Qin Churou clenched her fists.

Her eyes were red as she nodded.

Fu Hanchuan had also come from the company. He wanted to bring Qin Sheng back, but when he saw Qin Churou, he frowned and asked, "Why is she here?"

Old Master Qin introduced him in a bad mood, "20 years ago, Yufei owed a debt of love. During that time, he made the other party pregnant."

Fu Hanchuan narrowed his eyes and looked at Qin Churou thoughtfully.

Qin Churou felt that Fu Hanchuan had seen through her. The man she used to adore had become a terrifying existence in her eyes.

Qin Churou suppressed the fear in her heart and asked politely, "Mr. Fu, is there a problem?"

Fu Hanchuan ignored Qin Churou. He looked away and asked Qin Yufei, "How many women did you have s*x with back then?"

Qin Yufei coughed lightly, his face a little red. "Just one."

"Uncle, I have something to discuss with you in private."

Originally, Fu Hanchuan wanted to tell Qin Yufei about this after he had investigated the matter, but now Qin Churou had popped up to acknowledge him as her relative.

Fu Hanchuan didn't want to wait any longer.

He was worried that Qin Yufei would hurt Qin Sheng for Qin Churou.

Qin Churou was very nervous, and her palms were sweating. She had a feeling that this conversation would have a negative impact on her.

She forced a smile. "Is there anything I can't hear?"

Fu Hanchuan ignored Qin Churou. "Uncle, let's go over."

"Alright," Qin Yufei agreed.

When they were leaving, Fu Hanchuan bent down and planted a gentle kiss on Qin Sheng's forehead. "Sheng sSheng, trust me. It'll be fine, okay?"

Qin Sheng nodded.

Fu Hanchuan and Qin Yufei came to a guest room together.

"What happened between you and that woman back then?" Fu Hanchuan asked directly.

Qin Yufei felt awkward telling Fu Hanchuan about this, but he still answered truthfully, "I've been taken down. She happened to walk into my room and we accidentally had s*x. Later on, I wanted to take responsibility, but she refused. Until three days ago, she came to me again and told me about this."

Fu Hanchuan chuckled. "Are you sure Qin Churou is your biological daughter?"

"I've tested the DNA." Qin Yufei frowned.

Fu Hanchuan's lips curled up slightly. "Qin Churou is the one who took Sheng Sheng's identity and lived in the Qin family in H City."

Qin Yufei was stunned. "No wonder. I feel that her name is very familiar."

Fu Hanchuan smiled. "Qin Churou's biological parents are from the countryside. Sheng Sheng's biological mother is Lin Shuya, and Lin Shuya is the daughter of the Lin family who was kicked out. Tell me, who do you think is more likely to be your daughter?"

Qin Yufei was completely stunned.

So, Qin Sheng was his biological daughter and Qin Churou was an imposter?

Immediately after, Fu Hanchuan found a video of Lin Shuya standing up and slandering Qin Sheng on the internet and pressed the pause button.

Then, he showed it to Qin Yufei. "Look, did she have s*x with you back then?"

Qin Yufei looked at the woman above and frowned.

When Lin Shuya came to see him, she was only wearing a mask, but he still recognized her from her eyebrows and hair.

"It's her."

Fu Hanchuan kept his phone. "Uncle, Sheng Sheng is your biological daughter. Otherwise, I wouldn't have helped you reunite with her. Besides, I've tested your DNA. You're indeed father and daughter."

"Then, did Lin Shuya bring Sheng Sheng's hair over for a DNA test?"

"Yes."

Hearing this, Qin Yufei's face revealed a relaxed smile. His heart was also beating very fast. He was happy.

He had originally treated this new daughter as a burden. He did not have much affection for Qin Churou, but he felt a sense of responsibility and guilt. He did not expect Qin Sheng to be his biological daughter.

Qin Yufei immediately felt that Qin Sheng was a gift sent by the heavens.

At this moment, he didn't dislike Fu Hanchuan as much as he used to.

"Hanchuan, thank you. Otherwise, Sheng Sheng would have been estranged from me."

"I'm doing this for Sheng Sheng. I don't want to see her suffer."

Qin Sheng had been with Qin Yufei and Old Master Qin for more than a year. Qin Sheng cared about them. Although Qin Sheng could get away, this matter would inevitably affect her.

He did not want to see Qin Sheng in pain.

Qin Yufei's mood was very complicated. He finally knew that Fu Hanchuan had such a high position in Qin Sheng's heart.

Finally, Fu Hanchuan said, "Explain Sheng Sheng's background to her yourself."

With that, he left the room.

The two of them returned to the living room.

Qin Churou was restless. Old Master Qin was chatting with Qin Sheng and did not pay attention to Qin Churou the entire time. Qin Churou could not interrupt their conversation.

Seeing Qin Yufei, Qin Churou stood up from the sofa.

"Dad!"

Qin Yufei's face darkened. "Qin Churou, I'm not your father. My daughter is Qin Sheng."

Qin Churou clenched her fists.

She could roughly guess why Fu Hanchuan was looking for Qin Yufei.

However, she still had some hope. She did not want to give up the Qin family's rich life.

"Dad, I don't understand what you mean. Didn't we do a DNA test?" she said nervously. "Mom wouldn't lie to me."

Qin Yufei narrowed his eyes and exposed her mercilessly. "Qin Churou, you and Lin Shuya are in cahoots, bringing Sheng Sheng's hair and letting me do a DNA test."

Qin Churou's face turned pale.

She had never thought that she would be exposed so quickly. It was obvious that this was Fu Hanchuan's doing.

She looked at Fu Hanchuan in disappointment.

She liked him so much, but Fu Hanchuan didn't accept her, and he even treated her like this.

Chapter 1270 Slapping Yourself

Qin Sheng and Old Master Qin were also stunned. They did not expect Qin Yufei to say that.

Qin Yufei sneered. "Qin Churou, do you really think that the Qin family can be fooled so easily?"

Qin Churou's legs went weak. She knelt on the ground and begged, "I'm sorry, I was wrong. I was just thinking wrongly. I won't do it again. Dad, no, Mr. Qin, you can do whatever you want to me."

Tears streamed down her face, and she looked pitiful.

Unfortunately, the entire Qin family hated women like Qin Churou, so they were not affected by her.

Qin Yufei did not give Qin Churou a look. He looked at Qin Sheng. "Sheng Sheng, how do you want to deal with her?"

Qin Sheng collected her thoughts and stood up, looking down at Qin Churou.

The corners of her lips curled up slightly. "Slap yourself a hundred times and slap each side of your face fifty times.

Qin Churou clenched her fists on the ground.

Qin Sheng actually dared to treat her like this!

Qin Sheng looked at Qin Churou's expression in a good mood. Her tone was very mocking. "What's wrong? Qin Churou, you don't dare? Didn't you say that you could do whatever he wanted?"

Qin Churou glared at Qin Sheng and gritted her teeth. "Alright, I'll slap myself."

As soon as she finished speaking, she slapped herself in the face.

Qin Sheng frowned. "Harder."

"Alright."

Qin Churou's strength increased.

Qin Sheng was still not satisfied. "Use more strength."

Qin Churou gritted her teeth and slapped herself hard. Even if one was standing at the door, they could hear the sound of Qin Churou's slap.

Qin Sheng sat on the sofa. She picked up a cup of tea and sipped it carefully. She quietly watched Qin Churou slap herself.

Soon, half an hour passed.

Both sides of Qin Churou's face were red and swollen, and blood seeped out from the corner of her lips.

She would need at least a month to fully recover from her current state.

Qin Sheng smiled. "You can go now, Qin Churou. You'd better not play any tricks. You're not my match."

Qin Churou was very unwilling.

However, she did not dare to stay any longer. She wiped the blood from the corner of her lips. When she passed Qin Sheng, she gritted her teeth and said, "Qin Sheng, just you wait. I will definitely pay you back for what happened today."

"Is that so?" Qin Sheng smiled. "Then I'll wait."

Unfortunately, Qin Churou would not have the chance.

Because the day she became the Best Actress would be the day she lost her reputation.

Initially, Qin Sheng wanted Qin Churou to be free for a while longer, but now, Qin Sheng wanted to give Qin Churou a push so that she could become the Best Actress as soon as possible.

After Qin Churou left, Old Master Qin asked impatiently, "Yufei, you said that Sheng Sheng is your biological daughter?"

"Yes."

Qin Yufei talked about that incident back then.

At this moment, Old Master Qin found Qin Yufei particularly pleasing to the eye. "Yufei, you finally did something right."

Old Master Qin's eyes were filled with excitement. "No wonder I fell in love with Sheng Sheng at first sight. It turns out that Sheng Sheng is my precious granddaughter."

Qin Sheng lowered her eyes, deep in thought.

Qin Yufei sat beside Qin Sheng. "I'm sorry, Sheng Sheng. I didn't know you existed back then. I haven't been able to be by your side all these years."

Qin Sheng's eyes reddened. "It's fine. I'm actually glad that Qin Hai isn't my father."

She had acknowledged Qin Yufei as her father for more than a year.

In the past year, she had seen how well Qin Yufei had treated her. It would be a lie to say that she was not touched.
