

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

All-Mighty Girl Gets Spoiled by A Bigshot

Lin Haoyu smiled, "I have a way. Let's go back and talk about it."

Hearing this, Old Master Lin's eyes lit up again.

Ever since he was young, Lin Haoyu had never lacked tricks. It seemed that Lin Haoyu had thought of a way to deal with Fu Hanchuan.

He nodded. "Alright, we'll talk when we get back."

When they talked about these topics, they did not hide anything in front of Fu Hanchuan.

Fu Hanchuan's expression was a little ugly.

Hearing Lin Haocheng's suggestion, his face turned even darker.

When Qin Sheng saw this, she grabbed Fu Hanchuan's hand.

The soft touch in her hand made Fu Hanchuan's hostility dissipate instantly.

He lowered his head and whispered into Qin Sheng's ear, "Sheng Sheng, I'm glad that I brought you here to get your marriage certificate when they weren't paying attention. Otherwise, with their temper, they would definitely keep stopping us."

Qin Sheng also had a headache.

She didn't expect that just getting a marriage certificate would cause such a quarrel.

Lin Haocheng saw their ambiguous actions and wanted to stop them again.

But when he thought of his plan, he stopped.

Soon, everyone returned to the Qin Residence. Everyone was in the living room. Old Master Lu and Lu Ming had rushed over.

Lu Ming stood behind the sofa, munching on an apple in his hand. He looked very satisfied.

This matter had little to do with him.

He only needed to wait and watch the show.

Lu Ming couldn't help but sympathize with Fu Hanchuan. Everyone in the living room was against Fu Hanchuan bringing Qin Sheng to the wedding. Fu Hanchuan would definitely face a bloody storm later.

Of course, most of them were gloating.

Lu Ming glanced at Qin Sheng, and he couldn't help but feel a little envious.

With this bunch of people doting on her, Qin Sheng definitely did not lack money. In fact, everyone rushed to give Qin Sheng money to spend. Even the red packets given to Qin Sheng during the New Year were full.

Lu Ming thought of his red packet and could not help but wipe his tears.

100 yuan each, no more.

Also, Old Master Lu didn't give him any living expenses for his university studies. He could only rely on the bonuses he received from getting into university and earn money through various means after he went to university.

In the past two years of university, he participated in various computer competitions to win prizes. He also fought for the national scholarship every year and helped everyone repair their computers.

Now, he had already saved up 2 million.

However, he felt that it was not enough.

Lu Ming wanted to be a girl again.

He could go back to his mother's stomach now and come out with a different gender. Was that okay?

He only wanted to eat and wait for death, not work hard to earn money.

The atmosphere in the living room was very tense. Old Master Qin did not allow Fu Hanchuan and Qin Sheng to sit together, and he felt very stifled.

Therefore, Fu Hanchuan and Qin Sheng sat on either side of the sofa.

Old Master Lin and Old Master Qin, who were sitting in the middle, separated them.

Old Master Lin looked at Lin Haoyu. "Tell me, Haoyu, what do you have in mind?"

Lin Haoyu replied, "Sheng Sheng and Fu Hanchuan have gotten their marriage certificate. We can't possibly let them get a divorce."

Old Master Lin nodded in agreement. "Continue."

"Fu Hanchuan," Lin Haoyu continued, "if you want me to agree to your marriage with Sheng Sheng, that's fine too. You can keep your marriage certificate. However, we have three conditions."

Fu Hanchuan frowned. He had a bad feeling about this.

All-Mighty Girl Gets Spoiled by A Bigshot

However, he could not refuse. Qin Sheng cared about the Lin family and the Qin family. Naturally, he wanted to get blessings from them, not like now...

Fu Hanchuan rubbed his eyebrows. "What's the condition? Tell me."

"The first one is to hold the wedding two years later."

Fu Hanchuan subconsciously wanted to refuse. He could not wait to hold a wedding with Qin Sheng right away. He could not wait that long, but when he looked at Qin Sheng, his words were stuck in his throat. He nodded reluctantly. "I agree."

Old Master Qin frowned. "Haoyu, isn't two years a little too short? It should be five years at least."

Lin Haoyu explained, "Five years is too long. Fu Hanchuan won't agree. Besides, Sheng Sheng will be 25 years old and Fu Hanchuan will be 30 years old in five years. By then, Fu Hanchuan won't be worthy of Sheng Sheng. We can't let Shengsheng suffer."

Hearing this, Old Master Qin glared at Fu Hanchuan and couldn't help but grit his teeth.

This brat was really shameless. He was five years older than Sheng Sheng. Wasn't he just an old cow eating young grass?

"The second condition."

"Before the wedding, you can't spread the news of their marriage."

Fu Hanchuan was speechless.

His expression was indescribable.

Fu Hanchuan had a feeling that Lin Haocheng had seen through his thoughts. He really wanted to announce this matter to the whole world and tell everyone that Qin Sheng already belonged to him.

Lin Haoyu didn't wait for Fu Hanchuan to agree and started to talk about the following conditions. In his eyes, Fu Hanchuan had to agree even if he didn't want to.

"Thirdly, you and Sheng Sheng cannot sleep together until the wedding."

Fu Hanchuan was speechless.

Lin Haocheng was amused. He nodded in agreement. "Hanchuan, you've also been pure for so many years. You were single all these years when you weren't with Sheng Sheng. When it comes to girls, you can't wait to stay three feet away from them. These two years weren't difficult."

Old Master Qin and Old Master Lin couldn't help but give Lin Haoyu a thumbs up.

Well done!

Lu Ming listened on from the side and was dumbfounded. He even forgot to chew the apple in his mouth.

It can't be, playing so big?

Lu Ming bit the apple in his mouth and gloated even more.

He could finally see his brother suffer a loss.

Speaking of which, Fu Hanchuan had been pure for twenty-three years, but he still hadn't seen Qin Sheng.

In the two years he had been with Qin Sheng, he had probably been restless for a long time.

Now that they had finally gotten married, he probably couldn't stand it anymore. Now, there was another one where they couldn't sleep together. Wasn't this torturing Fu Hanchuan?

Lu Ming didn't sympathize with Fu Hanchuan. If he wasn't worried that Fu Hanchuan would take revenge, he would have given Lin Haoyu a thumbs up.

It was really beautiful.

Fu Hanchuan had bullied him many times before, and this time, he had finally gotten back some face for him.

Fu Hanchuan fell silent. He didn't say a word.

Very clearly, he had no way to refute and could only let Lin Haoyu do as he pleased.

Qin Yufei's eyes flashed. "I have another condition."

Fu Hanchuan's temples were throbbing, and he had a bad feeling again.

Qin Yufei's conditions would not be simple..

Sure enough, the next second, he heard Qin Yufei say, "Sheng Sheng will move back to the Qin family in the next two years."

Old Master Lin was about to retort.

"Uncle Lin, the Qin family has enough rooms. You can move to the Qin family for the next two years."

Chapter 1283 He Wants To Move In Too

Old Master Lin's words were stuck in his throat. He beamed. "That's a good suggestion. Sheng Sheng is a member of the Qin family. Naturally, she has to move back to the Qin family."

"Let's move here too," Lin Haoyu and Lin Haocheng said.

Old Master Lin glared at Lin Haoyu and Lin Haocheng angrily. "Go away, go away. What are you guys here for?"

Lin Haoyu was speechless.

Lin Haocheng was speechless.

Old Master Qin was originally very happy when he heard Qin Yufei's words. However, when he heard Qin Yufei's suggestion that Old Master Lin move into the Qin family for two years, his face darkened.

He said unwillingly, "Yufei, this is our Qin family. How can we let an outsider live here?"

It didn't matter to others, but it was Old Master Lin.

Old Master Lin would definitely snatch Qin Sheng away from him if he moved into the Qin family.

Thinking of this, Old Master Qin felt uncomfortable.

Qin Yufei explained to Old Master Qin in a low voice, "Dad, if we don't do this, Uncle Lin might get in the way. Right now, our main goal is to deal with Fu Hanchuan and let Sheng Sheng move into the Qin family."

Old Master Qin was speechless, but he still felt uncomfortable.

He glared at Old Master Lin fiercely, then retracted his gaze and turned his head.

Old Master Lin said proudly, "Old Qin, I'll move over tomorrow."

Seeing Old Master Qin sulking, Old Master Lin was happy.

Old Master Qin's expression was very ugly. He did not want to speak anymore.

Old Master Lu also interrupted, "No, I'll come over too. I can't stay alone in H City."

The veins on Old Master Qin's forehead bulged. "Why are you here?"

If one came, he would not be able to take it.

Still want to come?

He could already imagine the scene of the three old men quarreling in the villa every day...

Old Master Lu snorted coldly and threatened, "If you don't agree, you can forget about letting Sheng Sheng move into the Qin family. I'm on your side. Don't worry, I don't agree with Sheng Sheng and Hanchuan getting their marriage certificate so early either. I'm more important to Sheng Sheng than you are. With me around, it'll be much easier for you to deal with Fu Hanchuan."

Old Master Qin's face was very dark, but he couldn't refute.

He could only reluctantly agree.

Old Master Lu stroked his non-existent beard and pondered. It seemed that the Lu family was going to move to the capital. He couldn't stay in H City forever, right?

Actually, Old Master Lu saw that Qin Sheng was also in the capital and did not want to be separated from her.

When they were discussing this topic, they did not ask for Fu Hanchuan's opinion. Instead, they took it as Fu Hanchuan agreeing.

Fu Hanchuan's expression was ugly.

He also made his own request. "I'll move in too."

Other than Lu Ming, everyone in the room objected in unison. "No!"

Fu Hanchuan could tolerate everything else, but he couldn't tolerate being separated from Qin Sheng.

For the past two years, even if he was on a business trip, he would rush back within two days.

In the future, when Qin Sheng moved into the Qin family, Old Master Qin, and the others might stop him from looking for Qin Sheng.

Fu Hanchuan was naturally unwilling.

"Sheng Sheng is used to my cooking," Fu Hanchuan said expressionlessly.

This move again!

Old Master Qin gritted his teeth. He glared at Qin Yufei and said unhappily, "You're Sheng Sheng's biological father, but how did you do it? You don't even know how to cook for your daughter."

If Qin Yufei's cooking was as good as Fu Hanchuan's, he would not have been threatened by Fu Hanchuan again and again.

Qin Yufei did not speak.

Normally, he would have answered that he would learn it.

However, he was really helpless when it came to cooking.

He was a kitchen killer...

All-Mighty Girl Gets Spoiled by A Bigshot

Old Master Lin said, "Hanchuan, how about this? There's no need for you to stay here. When you have time, you can come over and cook for Sheng Sheng. It's a little troublesome, but you care about Sheng Sheng so much. You won't mind, right?"

Qin Sheng did not want to trouble Fu Hanchuan for no reason.

Besides, she was used to being with Fu Hanchuan and didn't want to be separated from him.

"Grandpa, let Brother Fu move in."

Old Master Qin was speechless.

Old Master Lin was speechless.

Old Master Lu was speechless.

They all doted on Qin Sheng and would never object to Qin Sheng's requests.

At this moment, when they met Qin Sheng's expectant gaze, they all nodded without restraint. "Alright, then let Fu Hanchuan move in. We can't let Sheng Sheng suffer."

Lu Ming was dumbfounded.

Can't you guys be more reserved? You agreed so casually?

Lu Ming was very disappointed. If they insisted on not letting Fu Hanchuan move in, how good would that be?

Lin Haocheng was speechless. "Grandpa, aren't you worried that Fu Hanchuan will do something to Sheng Sheng?"

Old Master Lin waved his hand. "Sheng Sheng lives with us. I don't think he would dare to do anything to Sheng Sheng under our noses."

Old Master Qin looked at the time and nodded. "It's still early, so there's still time. Sheng Sheng, go back and pack your things. Move them over. Throw away everything that needs to be thrown away. Your father and I have already prepared a cloakroom for you. If there's anything else that's not enough, tell us. Your father and I will buy them. The Qin family has plenty of money."

"I've prepared a room for you a long time ago," he continued. "It's cleaned every day. You can move in directly."

Old Master Qin would not give Fu Hanchuan time to stay with Qin Sheng at night.

He was really worried about Fu Hanchuan.

Fu Hanchuan was a big bad wolf, and they had just gotten married, so it was inevitable that they couldn't control their feelings.

Old Master Qin had to be wary of Fu Hanchuan.

Fu Hanchuan had a headache and could only bring Qin Sheng back to pack their things.

They moved into the Qin Residence together.

The Qin family was very lively, especially when the three old men gathered together. They often quarreled until the world darkened.

However, they had come to an agreement to fight against Fu Hanchuan.

They often mocked Fu Hanchuan, but of course, Fu Hanchuan ignored them.

The three old men, as well as Qin Yufei, guarded Fu Hanchuan tightly, afraid that Fu Hanchuan would sneak into Qin Sheng's room and do something.

--

Three months later, the Xie family held a banquet.

Fu Hanchuan and Qin Sheng were both present, as were the Lin family, the Qin family, and even the Ye family.

In the hotel lobby, many men in suits were chatting. Most of them had female companions with them.

Ye Yutong picked up a glass of red wine and looked at Fu Hanchuan and Qin Sheng in the distance.

The corners of her lips curled up into a smug smile, and her eyes flickered with a strange light.

After today, Fu Hanchuan would be hers.

She was the only one who would be with Fu Hanchuan.

Fu Mingxu's eyes darkened when he saw Ye Yutong's expression. His lips curled into a smile. "Yutong, you will definitely succeed."

Ye Yutong was very confident. "Of course, as long as your medicine works."

Ye Yutong took advantage of Fu Mingxu's affection for her and agreed to sleep with Fu Mingxu as long as this matter was successful.

"Don't worry." Fu Mingxu's eyes were fixed on Ye Yutong as he chuckled. "As long as you drink that medicine, you'll become hot. The heat can only be relieved through that kind of thing. They will be delirious and even treat the other party as the person they like."

C

Ye Yutong was relieved.

She leaned close to Fu Mingxu's ear and let out a breath of air ambiguously. "As long as this matter is settled, we can be together after I marry Fu Hanchuan, Mingxu."

Ye Yutong didn't want to keep her chastity for Fu Hanchuan.

Fu Hanchuan had been with Qin Sheng for more than two years. She did not believe that nothing had happened between them.

Since that was the case, Fu Hanchuan would not be the only man she had.

Ye Yutong liked Fu Hanchuan very much and had an obsession with him.

However, Fu Hanchuan had ignored her time and time again, and Fu Hanchuan had attacked her to protect Qin Sheng.

Ye Yutong had already started complaining about Fu Hanchuan.

Fu Mingxu didn't like Ye Yutong mentioning Fu Hanchuan.

However, when he thought of his plan, he suppressed the viciousness in his eyes.

"Alright, I'll wait for you."

After that, Ye Yutong went to the toilet. Fu Mingxu approached Fu Hanchuan and Qin Sheng and asked in a voice that the three of them could hear, "Fu Hanchuan, Ye Yutong likes you. Do you want to get rid of her?"

Fu Hanchuan smiled and said nonchalantly, "I know her plan. Of course, I also know your plan."

Fu Mingxu frowned.

"Don't worry, I won't interfere with your plan. We're happy to see you two together," Fu Hanchuan continued.

Fu Mingxu was relieved.

Fu Hanchuan wouldn't lie.

In the following moments, many people chatted with Qin Sheng.

Although they were chatting, they were the ones talking the whole time. Qin Sheng would occasionally respond.

They were not annoyed by Qin Sheng's reaction.

After all, Qin Sheng had such a personality. Moreover, Qin Sheng had many large families supporting her. She had the capital.

Of course, there were also people who were unhappy with Qin Sheng's attitude.

However, due to Qin Sheng's identity and background, they did not dare to offend her or complain.

From afar, Ye Yutong looked at Qin Sheng, who was surrounded by the crowd, and jealousy rose in her eyes.

Coincidentally, the daughters of two wealthy families came to Ye Yutong's side.

In front of Ye Yutong, they started to discuss Ye Yutong without restraint, their voices filled with disdain and mockery.

"This Ye Yutong is looking at Fu Hanchuan, right? She still hasn't given up. First, she forged Fu Hanchuan's identity and made it public. Now, she still dares to covet Fu Hanchuan? Isn't it annoying?"

"That's right, that's right. Ye Yutong's reputation is already rotten. She was expelled from Imperial Capital University, and the Ye Corporation has also

begun to decline. Ye Yutong is not even worthy of an ordinary wealthy family, yet she still wants to be with Fu Hanchuan."

"Also, you dare to attend such a high-level banquet. If it were me, I would hide at home and not dare to go out. Of course, some thick-skinned people won't care about this."

"I'm more supportive of Qin Sheng and Fu Hanchuan being together. They're a perfect match."

"That's right. Ye Yutong doesn't even know who she is. How dare she snatch Qin Sheng's man? Ye Yutong's ability, beauty, and temperament are far inferior to Qin Sheng's. Even her family background cannot compare to her."

"..."

The voices of these two young ladies were not soft, and Ye Yutong could hear every single word they said.

Ye Yutong was so angry that her entire body was trembling. She glared at the two young ladies.

They also noticed Ye Yutong's gaze, but they weren't afraid of her. Their discussion became even more heated, and their words became even more unpleasant.

These two young ladies were famous in the upper-class circle for not being afraid of anything.

All-Mighty Girl Gets Spoiled by A Bigshot

The others had also heard their conversation, but they didn't stop them. Instead, they looked at Ye Yutong as if they were watching a good show.

Ye Yutong clenched her fists tightly. She did not dare to do anything to these two young ladies.

She was worried that she would attract attention and ruin her plan.

Twenty minutes into the banquet, a waiter brought two glasses of wine to Fu Hanchuan.

Fu Hanchuan picked up a glass.

Ye Yutong was so nervous that her palms were sweating.

Fu Hanchuan looked at the red wine in his hand. Qin Sheng frowned. "Brother Fu, this wine..."

Fu Hanchuan reassured Qin Sheng. "Sheng Sheng, I've already changed the wine. It's fine."

As he spoke, he raised his head and drank the wine.

Ye Yutong's tightly clenched fists gradually loosened. In the following period of time, Ye Yutong had been paying attention to Fu Hanchuan.

Fu Hanchuan seemed a little drunk.

Ye Yutong understood that the medicine was probably taking effect.

She heaved a sigh of relief.

"Brother Fu." Qin Sheng supported Fu Hanchuan.

Fu Hanchuan whispered something into Qin Sheng's ear.

Qin Sheng nodded. "Brother Fu, I'll send you to your room."

Qin Sheng brought Fu Hanchuan to a hotel room. Before they entered, a waiter came in and spilled a bottle of red wine on Qin Sheng's clothes.

Qin Sheng frowned.

The waiter hurriedly apologized, "Miss, I'm sorry, I'm sorry. I've already ruined your clothes. You probably can't wear them anymore. Come with me and change into another set. You're all VIPs. Just in case, our hotel has prepared a lot of clothes."

Qin Sheng looked at Fu Hanchuan, who nodded at her.

Qin Sheng agreed and left with the attendant.

She did not go far when the waiter was restrained by a bodyguard in black.

"Miss Qin, I was sent by the President."

Qin Sheng had already guessed Fu Hanchuan's plan. He was trying to beat Fu Mingxu at his own game and use this opportunity to get Fu Mingxu and Ye Yutong together.

The two of them were very suitable.

Qin Sheng returned to the hotel room and saw Ye Yutong walking in and closing the door.

Qin Sheng looked at the room card in her hand, and the corners of her lips slowly curled up into a smile.

Ye Yutong, who was dressed elegantly, looked at Fu Hanchuan, who was leaning on the sofa, with an infatuated expression on her face.

She wanted to get closer to Fu Hanchuan.

Fu Hanchuan spat out coldly, "Get lost!!"

A chill suddenly rose from the bottom of her feet. Ye Yutong recalled the days when she was taught a lesson by Fu Hanchuan.

She looked at Fu Hanchuan's expression. Fu Hanchuan's eyes were tightly shut as he tugged at his tie in frustration.

Ye Yutong felt a little relieved.

Fu Hanchuan must be acting like this because the medicine took effect.

Fu Mingxu had once said that it would take twenty minutes for him to be completely addicted.

Ye Yutong said affectionately, "Hanchuan, do you know how much pain I felt when I saw you with Qin Sheng? I like you, but you protect Qin Sheng and never see me. You even deal with me time and time again for her. My reputation is ruined and I even dropped out of school."

There was a hint of paranoia in her voice.

"But soon, you'll be mine. Your only wife can only be me, not Qin Sheng. Hanchuan, as long as you treat me well in the future, I'll definitely be a very good wife."

Ye Yutong even laughed in the end.

She didn't want to use such a method at first, but Fu Hanchuan's heart was set on Qin Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

She had used countless methods to break them up, but it was all in vain.

This was the only method she could use.

No matter how despicable or not, as long as she could get Fu Hanchuan...

Ye Yutong's eyes were filled with determination. She drank a glass of red wine in the room, which was also drugged.

If both of them were drugged...

Fu Hanchuan probably wouldn't suspect her.

A minute later, Ye Yutong's body started to heat up. Her face was very red, and she was immersed in a strong desire.

Her gaze began to drift away as she tugged at her clothes. "It's hot."

However, Ye Yutong had not completely lost her mind yet.

She frowned.

Didn't Fu Mingxu say that the medicine would take effect in twenty minutes?

And now, only a minute had passed...

Ye Yutong felt that something was wrong.

She walked quickly toward Fu Hanchuan.

Fu Hanchuan stood up and kicked Ye Yutong, who was trying to get close to him.

Caught off guard, Ye Yutong fell to the ground.

Fu Hanchuan's strength was not light. Ye Yutong's elbow was already bruised and soon covered in a layer of purple.

"Hanchuan, you didn't take the medicine?"

"Ye Yutong, you think too highly of yourself. Do you think you can succeed with such a small trick?"

Fu Hanchuan had encountered many women who had drugged him, but he had avoided them all. No woman other than Qin Sheng had ever been able to get close to him.

Fu Hanchuan's last glance at Ye Yutong was bone-chilling.

Ye Yutong was lying on the ground. She clenched her fists tightly and dug her nails into her palms, but she did not feel any pain.

The desire in her body became even stronger.

Ye Yutong tried her best to suppress the heat in her body. Her voice sounded hurt. "Fu Hanchuan, why? Why did I like you for so many years? I chased after you since I was young. For you, I rejected countless suitors."

"And you've never even looked at me. I'm obviously very outstanding. Why do you like that silly girl Qin Sheng? How am I inferior to her? She'll only cause you trouble!"

Ye Yutong's heart was filled with unwillingness.

She was the one who liked Fu Hanchuan first. Why should Qin Sheng, who had appeared halfway, snatch him away?

Fu Hanchuan didn't even look at Ye Yutong. When Qin Sheng was mentioned, his hard face softened unconsciously. "Sheng Sheng is unique. No one can compare to her. Even if she doesn't know anything, I still like her."

Ye Yutong bit her lower lip tightly.

She was very unwilling, really unwilling.

Why did Qin Sheng have such good luck to easily get Fu Hanchuan's affection?

Outside the door, Qin Sheng looked at her watch countless times. Seeing that ten minutes had passed, the worry in Qin Sheng's eyes was obvious. She pushed the door open and went in.

She ignored Ye Yutong, who was on the ground, and walked over to size up Fu Hanchuan carefully.

Seeing that Fu Hanchuan was fine, she was relieved.

From the moment Qin Sheng entered, Fu Hanchuan only had eyes for Qin Sheng. Seeing how concerned Qin Sheng was about him, the corners of his lips could not help but curl up.

He rubbed the top of Qin Sheng's fluffy head. "Sheng Sheng, don't worry. I'm fine."

Qin Sheng took the initiative to hold Fu Hanchuan's hand. She felt a lingering fear in her heart.

It was hard to imagine that if Fu Hanchuan did not realize Ye Yutong's plan and she had succeeded...

Qin Sheng looked at Ye Yutong and said in a bone-chilling voice, "Ye Yutong, this matter will not be taken over so easily. I will make you wish you were dead."

C

1288

"Qin Sheng, I won't let you off either! This matter won't be settled like this." Ye Yutong glared at Qin Sheng with a twisted expression. It was as if she wanted to kill Qin Sheng.

If it weren't for Qin Sheng, her reputation would not have been ruined. She would still be the glamorous and sought after school belle. She would not have been expelled from Imperial Capital University and become the laughingstock of the entire upper-class circle.

Ye Yutong hated Qin Sheng to the extreme.

Her clothes were very disheveled.

Qin Sheng frowned. She didn't want Fu Hanchuan to stay in the hotel room any longer.

"Brother Fu, let's go."

The door closed.

Ye Yu's strong rationality collapsed instantly. She rolled on the ground and kept pulling at her clothes.

Soon, pieces of clothes fell to the ground.

Three minutes later, a man in a wine-red suit walked in.

Ye Yutong didn't have many clothes left on her.

She looked up, and Fu Hanchuan's figure was reflected in her eyes. She smiled foolishly. "Hanchuan, you're back. I told you that I'm in your heart. You were only so cold to me because Qin Sheng was here, right?"

When Fu Mingxu heard Ye Yutong mistake him for Fu Hanchuan, a vicious look appeared in his eyes.

He squatted down in front of Ye Yutong. There was no emotion in his voice. "Ye Yutong, do you like Fu Hanchuan that much? Even if he never put you in his eyes?"

Ye Yutong's rationality had been eroded, and she could not hear the man's words clearly.

"Give it to me..."

She took the initiative to get close to Fu Mingxu.

"Ye Yutong, let me tell you, you will only be my wife in the future, not Fu Hanchuan's!"

Fu Mingxu carried Ye Yutong and walked toward the bed...

Downstairs, Old Master Lin was talking to someone while Old Master Qin and Old Master Lu were looking for Qin Sheng and Fu Hanchuan everywhere.

Old Master Qin thought of a possibility, and his expression changed again and again.

He glared at Old Master Lu. "Did your grandson kidnap Sheng Sheng to get a room?"

The more Old Master Qin thought about it, the more likely it was. His expression was also very ugly.

They had been keeping an eye on Fu Hanchuan these past few days, not letting him and Qin Sheng stay in the same room for too long.

However, a young man was hot-blooded, and Fu Hanchuan liked Qin Sheng so much.

It was very likely that he would seize the opportunity to have s*x with Qin Sheng.

Old Master Qin's heart felt stifled at the thought of Fu Hanchuan possessing such an innocent and beautiful Qin Sheng. Even if they were husband and wife and this would happen sooner or later, it was still too early.

When Old Master Lu heard Old Master Qin's words, he was successfully led astray by him.

Old Master Lu gritted his teeth. "I don't know either. No, let's go and find them now."

"Alright, then I'll go and call Qin Yufei, Old Lin, and the others."

As soon as they finished speaking, a cold voice was heard. "Grandpa, Grandpa Lu."

Old Master Qin's face stiffened. He turned his head stiffly and blurted out, "Sheng Sheng, you didn't get a room with Fu Hanchuan?"

As soon as he finished speaking, Old Master Lu bumped Old Master Qin's shoulder and winked at him.

Wasn't this telling the juniors their guess?

Old Master Qin quickly realized that his words were inappropriate and quickly denied, "That, Sheng Sheng, I didn't mean that. I was just joking."

He averted his gaze and did not dare to look at Qin Sheng at all. He was very guilty, afraid that Qin Sheng would expose him.

Chapter 1288 You Will Only Be My Wife In The Future

"Qin Sheng, I won't let you off either! This matter won't be settled like this." Ye Yutong glared at Qin Sheng with a twisted expression. It was as if she wanted to kill Qin Sheng.

If it weren't for Qin Sheng, her reputation would not have been ruined. She would still be the glamorous and sought after school belle. She would not have been expelled from Imperial Capital University and become the laughingstock of the entire upper-class circle.

Ye Yutong hated Qin Sheng to the extreme.

Her clothes were very disheveled.

Qin Sheng frowned. She didn't want Fu Hanchuan to stay in the hotel room any longer.

"Brother Fu, let's go."

The door closed.

Ye Yu's strong rationality collapsed instantly. She rolled on the ground and kept pulling at her clothes.

Soon, pieces of clothes fell to the ground.

Three minutes later, a man in a wine-red suit walked in.

Ye Yutong didn't have many clothes left on her.

She looked up, and Fu Hanchuan's figure was reflected in her eyes. She smiled foolishly. "Hanchuan, you're back. I told you that I'm in your heart. You were only so cold to me because Qin Sheng was here, right?"

When Fu Mingxu heard Ye Yutong mistake him for Fu Hanchuan, a vicious look appeared in his eyes.

He squatted down in front of Ye Yutong. There was no emotion in his voice. "Ye Yutong, do you like Fu Hanchuan that much? Even if he never put you in his eyes?"

Ye Yutong's rationality had been eroded, and she could not hear the man's words clearly.

"Give it to me..."

She took the initiative to get close to Fu Mingxu.

"Ye Yutong, let me tell you, you will only be my wife in the future, not Fu Hanchuan's!"

Fu Mingxu carried Ye Yutong and walked toward the bed...

--

Downstairs, Old Master Lin was talking to someone while Old Master Qin and Old Master Lu were looking for Qin Sheng and Fu Hanchuan everywhere.

Old Master Qin thought of a possibility, and his expression changed again and again.

He glared at Old Master Lu. "Did your grandson kidnap Sheng Sheng to get a room?"

The more Old Master Qin thought about it, the more likely it was. His expression was also very ugly.

They had been keeping an eye on Fu Hanchuan these past few days, not letting him and Qin Sheng stay in the same room for too long.

However, a young man was hot-blooded, and Fu Hanchuan liked Qin Sheng so much.

It was very likely that he would seize the opportunity to have s*x with Qin Sheng.

He averted his gaze and did not dare to look at Qin Sheng at all. He was very guilty, afraid that Qin Sheng would expose him.

All-Mighty Girl Gets Spoiled by A Bigshot

Qin Sheng considerably pretended not to know and explained, "Grandpa, I accidentally spilled some red wine on my clothes just now, so I went to change. Brother Fu accompanied me."

Xie Hen, who was wearing a white suit, came over.

His gaze fell on Qin Sheng for a moment before shifting away. He said apologetically, "Seniors, I was entertaining others just now and neglected you."

Old Master Qin looked at Xie Hen and couldn't help but nod. "Not bad. You took over the company at such a young age."

Today's banquet was organized by the Xie family to celebrate Xie Hen taking over the Xie Corporation.

Old Master Qin's words were filled with satisfaction.

He felt that it was a pity.

Xie Hen, this child, was very outstanding and considerate.

If Xie Hen became his grandson-in-law, he probably wouldn't keep snatching Qin Sheng from him.

However, Qin Sheng and Fu Hanchuan had already gotten their marriage certificate, and Qin Sheng liked Fu Hanchuan too. No matter how satisfied Old Master Qin was with Xie Hen, he could not force Xie Hen and Qin Sheng to be together.

He snorted coldly and warned Fu Hanchuan, "Sheng Sheng is very outstanding and is also a child of the Qin family. Many people like her. Fu Hanchuan, if you dare to let my precious granddaughter suffer, I'll definitely help Sheng Sheng kick you out and find another one for her."

The veins on Fu Hanchuan's forehead were throbbing.

"Grandpa, don't worry about that. I won't treat Sheng Sheng badly."

"I don't think you would dare."

Xie Hen did not stay for long. He still had other guests to entertain. He nodded and said, "Uncles, if you have anything to do, feel free to come and find me."

When he faced Qin Sheng, his voice was gentle, but it was not obvious. "Xiao Sheng, you're my friend. If you need help, you're welcome."

Whenever Xie Hen saw Qin Sheng, he would always emphasize the word 'friend'.

Actually, he was reminding himself that he couldn't. They were just friends...

"Alright," Qin Sheng agreed.

Xie Hen smiled and looked at Fu Hanchuan. He could see the hostility and warning in Fu Hanchuan's eyes.

Xie Hen naturally disliked Fu Hanchuan as well.

They were love rivals.

Xie Hen smiled faintly. "Fu Hanchuan, I hope you can treat Xiao Sheng well."

Fu Hanchuan sneered. "You don't have to worry about that."

When Xie Hen heard this, he also felt that he was worrying too much.

With Fu Hanchuan's care for Qin Sheng, he would protect Qin Sheng even if he hurt himself.

He could not help but laugh at himself.

From what standpoint was he criticizing Fu Hanchuan?

After Xie Hen left, Qin Sheng suggested, "Brother Fu, I want to find a room to rest."

"Alright, I'll accompany you."

Old Master Qin frowned. "Why don't you go back first, Sheng Sheng?"

He didn't dare to let Fu Hanchuan and Qin Sheng stay in the same hotel room. Wasn't that like a sheep entering the household register?

Qin Sheng's eyes flashed. "Grandpa, I still have things to do."

Old Master Qin was still worried.

Fu Hanchuan saw through Qin Sheng's thoughts and smiled dotingly.

"Grandpa, don't worry. I won't do anything to Sheng Sheng."

Old Master Qin felt that he had seen through his thoughts. However, since Fu Hanchuan had promised, Old Master Qin no longer doubted him.

Lin Haoyu wanted to follow.

However, men and women were not supposed to touch each other, so he could only put his thoughts aside.

Fu Hanchuan accompanied Qin Sheng to the hotel room.

She curled up on the sofa and looked at her phone for a while. A wave of sleepiness hit her. After yawning, she rested her head on Fu Hanchuan's shoulder and fell asleep.

Chapter 1290 If I Don't Want You, Who Would Want You?

Fu Hanchuan put down the magazine in his hand and tucked a lock of Qin Sheng's hair behind her ear.

The corners of his lips curled into a dotting smile.

Fu Hanchuan felt that Qin Sheng would feel uncomfortable sleeping like this, so he carried Qin Sheng to the bed and tucked her in. Then, he sat at the side and quietly watched Qin Sheng sleep.

Fu Hanchuan wouldn't feel bored just by watching and doing nothing.

--

Two hours later, Ye Yutong woke up.

She felt a man's arm on her waist, and the memories from before she fell asleep flooded into her mind.

She had already slept with Fu Hanchuan.

Although Fu Hanchuan did not care about her in front of Qin Sheng, he still cared about her. In the end, he still came back, so her plan could still proceed.

Ye Yutong smiled sweetly.

"Hanchuan, I like you."

Ye Yutong looked up and happened to meet a man's face.

Her mind was sluggish for a few seconds.

"Ah!"

Caught off guard, she let out a series of screams.

Her voice woke Fu Mingxu up, and he opened his eyes.

At this moment, Ye Yutong had already pulled the blanket over her body. Her face was pale as she questioned, "Fu Mingxu, why is it you? As for Fu Hanchuan, I remember that the person who had s*x with me was Fu Hanchuan, not you!"

Fu Mingxu frowned when he heard Ye Yutong's words. He thought of the red stain and answered patiently, "Fu Hanchuan left. I was worried about you, so I came in. You had already lost your mind at that time."

"Yutong, I'm also a man and I like you. I can't be indifferent to your seduction."

Ye Yutong bit her lip.

She didn't believe Fu Mingxu's words at all. She glared at Fu Mingxu and completely lost her elegance and generosity.

Her voice was very sharp. "Fu Mingxu, you don't have to lie to me. I know what you're thinking. I've been rejecting your advances all these years. You must have wanted to do

this to me for a long time. Fu Mingxu, you're a despicable person. You've had countless women, but I actually gave my first time to you!"

Her first time should have been for Fu Hanchuan.

And not Fu Mingxu, this good-for-nothing.

Fu Mingxu's gaze was sharp. "Ye Yutong, if you don't give it to me, do you want to give it to Fu Hanchuan?"

Ye Yutong sneered. "Fu Mingxu, don't think that I don't know that you've been sleeping with other women all these years you've been pursuing me. Are you worthy? You can't compare to Fu Hanchuan at all!"

Fu Mingxu's patience was worn down by Ye Yutong.

What he hated the most was people saying that he couldn't beat Fu Hanchuan.

The pity in his heart had also disappeared. Previously, even when Ye Yutong mocked him for not liking him, he spared no effort to treat her well.

It was because he did not get her.

Now that he had gotten her, Ye Yutong was destined to become his wife in the future. Fu Mingxu did not treat Ye Yutong kindly anymore.

At this moment, his mind was filled with images of Ye Yutong rejecting him time and time again.

Fu Mingxu grabbed Ye Yutong's wrist and sneered, "Ye Yutong, don't make yourself sound so high and mighty. You're no better than me. You know that Fu Hanchuan doesn't like you and has a girlfriend, but you still want to get close to him."

"Do you really think you're the high and mighty young lady from a wealthy family? Your Ye family has already begun to decline, and your reputation in China has already been ruined. If I don't want you, who will?"
