

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1291 Fu Hanchuan Will Definitely Marry Your Daughter

"Hehe, if you want to be with Fu Hanchuan, why don't you take a look at your status? Qin Sheng is a hundred or ten thousand times better than you! Will Fu Hanchuan choose you?"

"Ye Yutong, you're just a sl*t. Otherwise, you wouldn't have drugged Fu Hanchuan to get him."

Fu Mingxu's words were heard by Ye Yutong.

Ye Yutong was so angry that her entire body was trembling.

"Fu Mingxu, you!"

Ye Yutong raised her hand and slapped Fu Mingxu.

Pa!

The voice was very loud, and Fu Mingxu's face was tilted to one side.

He sneered.

He turned around, his eyes dark and gloomy. "Ye Yutong, you're the first one who dared to hit me. I'll remember this slap."

Ye Yutong used the blanket to cover her body and pointed at the door.

"Fu Mingxu, get lost!"

"Also, you can't tell anyone about what happened today. We have nothing to do with each other in the future!"

Fu Mingxu smiled mysteriously. "Ye Yutong, that's not up to you."

Fu Mingxu entered the bathroom and pulled a bathrobe over himself.

He did not have the habit of revealing his body in public.

Ye Yutong's face was ashen as she sat on the bed, stunned.

Outside the door, Mother Ye came in with a group of reporters.

"Fu Hanchuan is the grandson of the Lu family. How can he treat my daughter like this just because he has a relationship with the Lu family?" she cried. "His marriage with Tong Tong had already been annulled, and he is also a person with a girlfriend. How dare he do such a thing?"

The reporters' eyes were filled with excitement.

This was big news.

The noise outside caught Ye Yutong's attention, and her face turned completely pale.

Fu Mingxu, who was wearing a bathrobe, sat down and put it on. His lips curled into a cold smile. "Ye Yutong, you arranged all these reporters. If this gets out, you have no choice but to be with me."

Ye Yutong's mind went blank.

She curled up into a ball.

Mother Ye somehow got a room card and opened the door.

The living room entered her sight. Mother Ye looked at the clothes on the floor and immediately became excited.

"The evidence is conclusive. These are Fu Hanchuan and Yutong's clothes. Fu Hanchuan actually forced my daughter to have s*x with him."

"Madam Ye, don't worry. If Fu Hanchuan really did this, he'll definitely marry your daughter," a reporter comforted her.

Mother Ye's hand that was covering her eyes paused and she let go. The reporters could see that her eyes were very red.

Mother Ye continued to cry. "But Fu Hanchuan's girlfriend is Qin Sheng. Qin Sheng has the Qin family and the Lin family behind her. Our Ye family is just a small wealthy family. How would we dare to go against them? I'm afraid this matter will be suppressed."

"Madam Ye, don't worry. Everyone is watching. No matter how powerful they are, they wouldn't dare to be so brazen."

Generally speaking, in terms of strength, boys usually had the advantage.

If Fu Hanchuan forced her, Ye Yutong wouldn't be able to resist.

Furthermore, the girls were usually the ones at a disadvantage in such matters.

Therefore, they were all biased toward Ye Yutong and thought that Fu Hanchuan had forced himself on Ye Yutong.

Mother Ye wiped the tears from her eyes and said gratefully, "Alright, I'll have to trouble you guys. You must help my daughter get justice. I only have one daughter, Yutong, and I don't want anything to happen to her."

"Don't worry, Fu Hanchuan will definitely marry your daughter," the reporter comforted her again.

C 1292

"Who will Brother Fu marry?"

Qin Sheng's voice came from behind. The reporters and Mother Ye looked behind them and saw Qin Sheng holding Fu Hanchuan's arm as they stood at the side.

Mother Ye's pupils constricted as she exclaimed, "Fu Hanchuan, why are you here?"

"If I'm not here, where else can I be?" Fu Hanchuan asked with a smile.

"Then who are the couple in the room?"

These reporters had a keen sense of smell, and a thought appeared in their minds.

Their appearance here was informed by someone, and Mother Ye just happened to appear here. It was obvious that someone had planned this.

They thought about what Ye Yutong had done back then.

They had always felt that this was Ye Yutong's plan to use the internet and public opinion to force Fu Hanchuan to marry her.

She wanted to marry Fu Hanchuan.

They did not expect that she would have s*x with another man.

The reporters rushed into the bedroom impatiently.

They were worried that Fu Hanchuan would take revenge on them if this matter was exposed.

Since the man inside was not Fu Hanchuan, they had nothing to worry about. This was big news. If it was exposed, it would definitely win a lot of traffic. Mother Ye reacted and stopped the reporters. "No, you can't go in. All of you, leave!"

However, some reporters had already entered.

The smell of s*x in the bedroom had yet to dissipate.

The first thing they saw was Ye Yutong and Fu Mingxu sitting on the bed.

It really was Ye Yutong!

The reporters were excited. This was going to be a big deal!

The cameras kept shooting at Ye Yutong and Fu Mingxu.

Ye Yutong tugged at the blanket in her hands and cried, "Get out, all of you."

The reporters did not listen to her at all.

Ye Yutong had no way to stop them, so she could only cover her face with the blanket.

And Fu Mingxu openly allowed them to film.

He was a man, so being left and right wouldn't hurt him much. At most, he would be given the title of a casanova.

Mother Ye also rushed in.

She blocked Ye Yutong's body. "You can't take pictures of my daughter!"

Fu Hanchuan and Qin Sheng did not enter the bedroom. They were not interested in seeing others naked.

"Brother Fu, they will definitely get married in the future. Ye Yutong is a proud person, so she naturally won't be willing to marry Fu Mingxu. Fu Mingxu won't treat Ye Yutong very well either. It seems that they will torture each other after they get married."

Fu Hanchuan nodded in agreement.

Fu Mingxu and Ye Yutong weren't good people. They didn't really like each other, which was why Fu Hanchuan took the initiative to help Fu Mingxu complete his plan.

Fu Hanchuan lowered his eyes and slowly whispered into Qin Sheng's ear, "Sheng Sheng, don't worry. I won't be schemed against by others. I won't let any woman get close to me except you. I only belong to you."

Fu Hanchuan's sudden words made Qin Sheng's ears turn red.

She coughed lightly, not daring to look at Fu Hanchuan anymore. "Brother Fu, let's go back."

Fu Hanchuan smiled and stopped teasing Qin Sheng.

He tidied Qin Sheng's hair and left with her.

On the other side, Fu Mingxu smiled and said, "Why did you guys barge in? Isn't it normal for fiancées to sleep together? This is my private life with Yutong."

"I'm not!" Ye Yutong retorted loudly.

She couldn't marry Fu Mingxu.

In order to protect Ye Yutong's reputation, Mother Ye scolded, "Yutong, I know that you have a conflict with Mingxu and you don't want to talk to him. That's why you retorted like this. You are indeed engaged."

Chapter 1293 The Last Person To Marry Was Him

Fu Mingxu narrowed his eyes and gleamed with pride.

Didn't Ye Yutong like Fu Hanchuan? In the end, wouldn't she still have to marry him?

How could the reporters not know that this was just a last-minute excuse? They had taken enough photos and finally let Ye Yutong go. They rushed back with the video and photos. At the same time, they received a message that they could not mention Fu Hanchuan.

These reporters didn't dare to disobey Fu Hanchuan.

The guests soon heard about the farce.

They pointed at Father Ye.

Father Ye's face was livid with anger. He could not complain more about Ye Yutong.

He had thought that his daughter was someone who knew her limits. She had actually done such a thing. Not only that, but she had also been calculated by others.

He couldn't be bothered to think about anything else. This was the Xie family's banquet, and he couldn't offend them.

He quickly went to Father Xie and apologized respectfully, "I'm sorry. I really didn't expect this to happen. Don't worry, I'll definitely bring Yutong back and discipline her."

Xie Hen was standing beside Father Xie. He had also heard about this matter.

He only needed to think for a moment to understand Ye Yutong's plan. Ye Yutong would not fall for Fu Mingxu. With her obsession with Fu Hanchuan, it was very likely that her target was Fu Hanchuan.

However, Fu Hanchuan knew about it in advance. In the end, something happened and Ye Yutong and Fu Mingxu had sex.

Xie Hen's heart sank.

If Fu Hanchuan was really involved, what would Xiao Sheng do?

Xie Hen sneered. Even though Father Ye was very sincere in admitting his mistake, he did not give Father Xie a good look.

"I think your Ye family doesn't take my Xie family seriously. Since that's the case, you don't have to attend our banquet. In the future, you don't have to attend our Xie family's banquet anymore."

Father Ye looked embarrassed.

He looked at Father Xie. "Chairman Xie, isn't President Xie's punishment too much?"

Father Xie waved his hand and said nonchalantly, "Hen'er is in charge of the company and family matters now. I won't be involved. I have to give him some room to grow as long as the company doesn't go bankrupt."

Father Ye's face turned green and white. It was unknown whether he was embarrassed or angry.

Xie Hen smiled and extended his hand. He politely made a gesture of invitation. "President Ye, please leave. Oh right, don't forget to bring your wife and daughter away."

"Let's go!"

Father Ye waved his hand and left.

Of course, he didn't bring Ye Yutong and Mother Ye along. He felt embarrassed, so when he walked out of the hotel, his face was extremely dark.

He called Mother Ye.

"Bring that unfilial daughter home immediately!"

"Li'an, calm down first. When you go back, don't blame Tong Tong. This matter has hurt her a lot."

Father Ye ignored Mother Ye and hung up the phone.

Ye Yutong had already changed her clothes.

She followed behind Mother Ye and left the hotel. The banquet was not over yet. Ye Yutong did not raise her head the entire time as she left, afraid that she would see the strange look in other people's eyes.

Even so, there were still people who noticed her.

Ye Yutong heard some unpleasant words. She bit her lower lip tightly and her expression was extremely ugly.

The reporters were very fast. After they returned, they reported Ye Yutong and Fu Mingxu's matter in less than ten minutes.

With Fu Hanchuan's instructions, they did not dare to mention Fu Hanchuan at all.

All-Mighty Girl Gets Spoiled by A Bigshot

With the reposts of marketing accounts and Weibo's big V, the popularity of this topic rose very quickly.

There was a lot of abuse and schadenfreude on Weibo.

[Hahaha, I'm dying of laughter. She even said that she liked Prince Charming Fu and turned around to sleep with another man.]

[I know this Fu Mingxu. He's Prince Charming Fu's half-brother. As expected, when a scumbag and a b*tch get together, they won't have to harm others.]

[Thank you, Fu Mingxu, for helping Sister Sheng and Prince Charming Fu get rid of a big problem. I have a feeling that Ye Yutong still hasn't given up and is still lusting after Prince Charming Fu.]

[Ye Yutong has lost a lot of face this time. Fu Mingxu said that he and Ye Yutong are engaged. I guess they're just using their rights. However, this is good too. The entire internet is monitoring Ye Yutong. She has to marry even if she doesn't want to.]

[...]

No one sympathized with Ye Yutong.

Father Ye scrolled through Weibo with a dark expression. After reading more than ten comments, he simply threw his phone on the coffee table and stopped reading.

Ye Yutong and Mother Ye returned 30 minutes later.

Ye Yutong lowered her head and did not dare to look at Father Ye. She called out softly, "Dad."

"Ye Yutong, who taught you to drug Fu Hanchuan?" Father Ye asked expressionlessly.

Ye Yutong bit her lip. "I just can't accept it."

Father Ye sneered. "Do you know how the outside world looks at the Ye family now? I've always been proud of you. I didn't expect you to do such a thing for me! You've disgraced me and the Ye family."

Ye Yutong straightened her neck. "If it weren't for Fu Mingxu, this incident wouldn't have happened."

It was obvious that Fu Hanchuan did not take the medicine. There was something wrong with that glass of red wine.

That was right, Fu Mingxu must have told Fu Hanchuan about her plan and then worked with Fu Hanchuan to set her up so that she would marry him.

Ye Yutong clenched her fists so tightly that her nails almost dug into her flesh.

She hated Fu Mingxu to the extreme.

That must be the case!

She regretted trusting Fu Mingxu so much.

Father Ye was so angry that he laughed when he saw Ye Yutong's stubborn look. He was too lazy to explain to Ye Yutong and said directly, "Prepare to marry Fu Mingxu."

His tone was firm.

"Dad, I'm not getting married!" Ye Yutong retorted loudly.

Father Ye sneered. "You don't have a choice. Now that everyone knows that you're engaged and the reporters have found out that you're in the same bed, who else can you marry if you don't marry him? Only in this way could he restore some of the Ye family's reputation."

Mother Ye wanted to stand up for Ye Yutong again.

Father Ye looked at Mother Ye and warned, "If you side with Ye Yutong, then get out of the Ye family and we'll get a divorce."

This was the first time Father Ye had mentioned the word divorce.

The words were stuck in her throat. Mother Ye didn't dare to speak anymore. She could only hug Ye Yutong's shoulder and comfort her, "Tong Tong, don't worry. You'll be fine."

Ye Yutong lowered her head and didn't say anything.

There was disappointment in Father Ye's eyes. He had pushed her out for the sake of benefits.

Father Ye continued, "I'll discuss it with the Fu family and arrange your wedding."

Ye Yutong didn't say a word. She went back to the bedroom and slammed the door hard.

Bang!

The sound entered Father Ye's ears. Father Ye sneered. "Let her be."

Ye Yutong was regarded as a goddess by Fu Mingxu. However, after Ye Yutong dealt with Qin Sheng time and time again, her image in Fu Mingxu's heart had been destroyed. He still pursued Ye Yutong because of that obsession in his heart.

All-Mighty Girl Gets Spoiled by A Bigshot

After getting her, he naturally lost his patience for Ye Yutong.

The two of them got married a week later. After the marriage, Fu Mingxu did not treat Ye Yutong well.

However, in front of Fu Mingxu, Ye Yutong often compared him to Fu Hanchuan, causing Fu Mingxu to beat and scold her again and again.

At first, Fu Mingxu would restrain himself a little when he was concerned about the Ye family.

However, after the Ye family declined step by step, Fu Mingxu could no longer tolerate it. He would often openly flirt with other women in front of Ye Yutong.

Of course, this was all later.

--

Old Master Qin felt that there was something fishy about Fu Mingxu and Ye Yutong, so he asked Qin Yufei to arrange for someone to investigate.

After the results of the investigation came out.

Old Master Qin slammed the document on the coffee table. "Does the Ye family really think that the Qin family is easy to bully?"

The Qin family was very protective.

Since Fu Hanchuan and Qin Sheng had already gotten their marriage certificate, Fu Hanchuan was also someone the Qin family had to protect.

They could bully Fu Hanchuan, but they couldn't allow others to bully them.

Moreover, if Ye Yutong's scheme succeeded, what would happen to Sheng Sheng?

Old Master Qin's face darkened. He instructed Qin Yufei, "From tomorrow onwards, Yufei, go bankrupt them regardless of the price."

It was rare for him to be able to do something for Qin Sheng, so Old Master Lu and Old Master Lin naturally did not want to fall behind.

They echoed, "Add me in!"

Old Master Qin did not refuse.

Qin Yufei nodded. "Okay."

However, the Ye Corporation was a well-funded company. It was impossible for them to go bankrupt completely in a short period of time. They could only go bankrupt in three weeks.

Qin Sheng did not reject them from dealing with the Ye Corporation.

She lowered her eyes. It was time for the Ye Corporation to go bankrupt.

The last thing Ye Yutong should have done was set her sights on Fu Hanchuan.

On the second day, the Qin Corporation, Lin Corporation, and Lu Corporation began to deal with the Ye Corporation and compete for business with them.

On the third day, his subordinate reported the matter to Father Ye.

It was eerily quiet in the chairman's office of the Ye Corporation.

Father Ye sat in front of his desk with a dark expression. His subordinate lowered his head and was trembling in fear. He did not even dare to breathe loudly.

Father Ye gritted his teeth.

As expected, they were called to deal with the Ye Corporation together. This time, it was obvious that they were ruthless. Their goal was to bankrupt the Ye Corporation.

"Arrange for all the managers to have a meeting immediately."

"Yes."

This sentence was a special pardon for his subordinate. He heaved a sigh of relief and left the office in a hurry.

In fifteen minutes, all the managers of the Ye Corporation gathered in the meeting room.

"Tell me, how should we resolve this matter? Otherwise, our Ye Corporation will face bankruptcy."

There was silence.

"We can only find a company that isn't affected by them to acquire. Perhaps, they won't dare to attack the Ye Corporation."

"Oh?" Father Ye sat up straight. "Do you have any good ideas?"

"Acquire Shengshi Technology." The higher-ups voiced their thoughts.

Father Ye frowned and denied it. "That won't work. Even G Country wanted Shengshi Technology's technology, but Shengshi Technology has taken them down. Longyue Technology, an old gaming company, was no match for Shengshi Technology, which had just been established for half a year. Besides, Hong Yuan said that Shengshi Technology and Shenghe Entertainment have the same boss behind them. There are also rumors that Shenghe Entertainment's boss is Fu Hanchuan."

If he really wanted to acquire Shengshi Technology, wouldn't they be running into a gun?

Now, it had become the consensus of all companies not to provoke Shengshi Technology and Shenghe Entertainment.

Father Ye naturally didn't dare to get into trouble.

All-Mighty Girl Gets Spoiled by A Bigshot

"This is just a rumor. Perhaps Shengshi Technology has nothing to do with Fu Hanchuan."

Father Ye fell silent.

"Chairman," the higher-up continued, "we don't have a choice. Maybe we can take a gamble. Otherwise, our company will have to go bankrupt."

Acquiring Shengshi Technology was a risky path, but if they really did acquire it, they could definitely go up against those three companies.

Shengshi Technology's technology was very strong. If they implanted the virus into Qin's computer and obtained some of their documents, Qin Yufei and the others would have no choice but to compromise.

Father Ye, who was sitting in the high seat, frowned. It was obvious that he was considering the words of the higher-ups.

The higher-ups continued, "And Chairman, if we really acquire Shengshi Technology, we won't have to do things according to the other companies. Moreover, the Qin family, the Lu family, and the Lin family will have to be on good terms with us."

Hearing this, Father Ye was finally relieved. "What do you have in mind?"

"Shengshi Technology is now listed. We can short their stock price," the higher-ups said confidently, "I know a Wall Street expert. He should have a way."

"Alright, contact him quickly."

Father Ye was going all out. The company would go bankrupt anyway, so he might as well take a gamble.

The higher-up nodded. "I'll contact him immediately."

Soon, the higher-ups hung up. "He'll be free in about a week."

"That's fine. Our company should be able to hold on until then."

Father Ye heaved a sigh of relief.

A week later, the Wall Street expert came over and Father Ye welcomed him into the company.

"You really have a way?"

Liu Dasheng said confidently, "Don't worry. My reputation on Wall Street isn't undeserved. Shengshi Technology and Shenghe Entertainment will definitely lose a lot. You can buy them."

"Alright." Father Ye was satisfied with his answer. "I'll definitely reward you well after this is done."

"I'm not afraid that you'll go back on your word. After all, if I can mess with Shengshi Technology and Shenghe Entertainment, I can also mess with the Ye Corporation."

Father Ye wiped his sweat. "Yes, yes, yes. You're right."

Liu Dasheng glanced at Father Ye. "Let's go. I don't want to waste time."

Father Ye didn't dare to neglect Liu Dasheng. He brought Liu Dasheng to the Technical Department. The computer configuration in the Technical Department was excellent, and it was very suitable for Liu Dasheng to operate.

Three hours later, Liu Dasheng stopped.

Father Ye was stunned. "That's it?"

"Yes, didn't you see that Shengshi Technology and Shenghe Entertainment's stocks are declining step by step? In three days, Shengshi Technology and Shenghe Entertainment's stock prices will hit rock bottom. The prices will be very low. I believe many investors will panic and sell Shengshi Technology's shares. You can take the opportunity to buy them. I'll make more moves after that."

When Father Ye heard Liu Dasheng's words, he was completely relieved.

The people from Wall Street had a different reaction.

Father Ye could already imagine the scene of Shengshi Technology becoming a company under his name. He could not help but smile smugly.

Previously, he had to act according to the Qin Corporation from time to time. If he acquired Shengshi Technology, he would no longer have to be afraid of them. Moreover, his Ye Corporation would very likely be able to replace the Qin Corporation and become the largest company in China...

Three days later.

Father Ye, Liu Dasheng, and the senior executive from before were all gathered in the meeting room.

Liu Dasheng looked at the big screen. Shengshi Technology and Shenghe Entertainment's stocks were sliding down step by step, and his lips curled into a smile.

"In another half an hour, Chairman Ye, you can buy Shengshi Technology's shares wantonly."

C 1297

"Alright, Mr. Liu, I'll have to trouble you this time. You're indeed very strong," Father Ye praised.

Liu Dasheng waved his hand, "This is just a small matter. Don't worry, this will be foolproof. I have never failed before."

Liu Dasheng thought that he could easily deal with Shengshi Technology.

He was very confident that none of the companies that he had dealt with would have a good ending.

He did not believe that Shengshi Technology could resist him.

Liu Dasheng stopped looking at the real-time chart of the stock price.

Father Ye stared nervously.

However, ten minutes later, the stock price that was still falling rose sharply and returned to the level of three days ago.

Father Ye was stunned.

"Mr. Liu, what do you think is going on with the stock price now? Why did it go back?"

Liu Dasheng thought that the higher-ups were mistaken. He said nonchalantly, "How is that possible?"

However, the moment he raised his head, he was stunned and his eyes widened.

"Impossible, how could this happen? This must be an accident."

Liu Dasheng ran to the computer and started typing. His speed was very fast.

The only sound in the meeting room was the tapping of the computer keyboard.

Father Ye's heart was in his throat. He had a feeling that things weren't that simple. Could it be that this was done by Shengshi Technology?

At the thought of this, Father Ye suddenly had a bad feeling.

Half an hour later, although the air conditioner was on in the conference room, there were still layers of sweat on Liu Dasheng's forehead.

On the big screen, the stock prices of Shenghe Entertainment and Shengshi Technology were still stable.

"Mr. Liu, can you solve it?" Father Ye asked nervously.

Liu Dasheng stopped what he was doing and stopped typing on the computer keyboard.

He knew that if he continued like this, it would be futile and a waste of time.

He let out a breath. "It seems like we were discovered manipulating their company's stocks, and they retaliated. This is the first time I've encountered such an opponent. I have to admit that the other party is very strong."

Father Ye was stunned. "Is there any way?"

Liu Dasheng answered truthfully, "No, they stopped the first step, let alone the rest."

Liu Dasheng never thought that he, who had always been successful, would one day run into a wall.

Father Ye sat on the chair, his face pale.

It was over. If he was discovered, wouldn't Shengshi Technology turn around and deal with him?

Father Ye's mind went blank, and an unprecedented sense of powerlessness swept over him.

At this moment, a few figures appeared in the meeting room.

It was Qin Sheng and Hong Yuan.

"How did you get in here?" Father Ye asked.

They did not answer Father Ye's question and went straight to the conference table to sit down.

Father Ye's gaze fell on Qin Sheng, and his pupils constricted. "Qin Sheng, it's you!"

Qin Sheng curled her lips. "Chairman Ye, Shengshi Technology didn't provoke you, right? Why did you come to deal with Shengshi Technology?"

Father Ye heard Qin Sheng's words and Hong Yuan's respectful attitude toward Qin Sheng.

A thought appeared in his mind. "Qin Sheng, you're the mastermind behind Shengshi Technology?"

Qin Sheng smiled. She did not deny it. "Indeed, Chairman Ye. Longyue Technology, Star Creator Entertainment, and G Country once wanted to deal with our company. You've seen what happened to them. I have to say, you're very bold."

All-Mighty Girl Gets Spoiled by A Bigshot

Qin Sheng originally wanted to hand the Ye Corporation over to Qin Yufei and the others to deal with.

However, Ye Li'an had set his sights on her company, so she didn't have to be polite to him.

Father Ye's heart sank. He had never thought that the person behind Shengshi Technology was Qin Sheng.

If he had known, he would never have thought of acquiring Shengshi Technology.

Qin Sheng would not go against her own company.

Father Ye glared at the higher-ups. It was all this idiot's fault.

Qin Sheng smiled and continued, "Chairman Ye, I'll return the methods you used against me to you. Your Ye Corporation could have endured for a few more weeks. You could have saved some money in this time."

Father Ye's heart was beating very fast. He had a feeling that Qin Sheng would not let him off so easily.

Sure enough, the next second, he heard Qin Sheng say, "Unfortunately, your company is going bankrupt now, and you're going to be imprisoned. Your family assets will be seized."

Father Ye's heart sank completely, and he was also a little afraid.

Back then, he did not consider that manipulating the stock market was an illegal act..

He was hoping that even if he failed, he wouldn't be discovered.

Liu Dasheng had also failed miserably this time. Although he was used to doing illegal things, he was also afraid of the police.

When he heard the words 'imprisoned', his pupils constricted and his voice rose. "Qin Sheng, you called the police?"

Qin Sheng only smiled and said nothing.

A minute later, six police officers came over. One of them showed his police officer ID and said, "You manipulated the stock market at will. The evidence is conclusive. Come with us to the police station."

They didn't give Father Ye and Liu Dasheng a chance to react. They went forward and handcuffed them.

The higher-ups were also taken away.

The police officer who showed his police ID took the computer in the conference room and left with them.

When Father Ye was stuffed into the police car, many reporters took pictures of him.

They posted it online.

Without a doubt, it caused a huge sensation.

They were all guessing what Father Ye had done.

Ye Family.

Ye Yutong and Fu Mingxu had a fight. Old Master Fu had a grudge against the Ye family. He also thought that a wife should let her husband be. He didn't like Ye Yutong's resistance against Fu Mingxu, so he let Fu Mingxu beat and scold Ye Yutong.

Ye Yutong did not want to suffer this grievance, so she moved back to the Ye Residence.

Soon, she saw the top trending topic on Weibo. Her hands trembled and she quickly ran over to Mother Ye.

"Mom, Dad was taken away by the police and he's handcuffed."

Ye Yutong did resent Father Ye for marrying her to Fu Mingxu.

However, she didn't want anything to happen to Father Ye. After all, the Ye family was her backing. If the Ye family really declined, Fu Mingxu would probably treat her even worse.

"What?!"

Mother Ye panicked and quickly turned on her phone. As expected, she saw the news that Father Ye had been arrested.

She called Father Ye, but no one picked up.

Ye Yutong's face was very pale. "Mom, what should we do now?"

Mother Ye hugged Ye Yutong and patted her back, comforting her, "Tong Tong, don't worry. It'll definitely be fine. This matter will pass. They probably misunderstood your father. Your father hasn't done anything illegal all these years."

Even though Mother Ye said that, Ye Yutong's worry and fear did not fade.

At this moment, several police officers barged in.

All-Mighty Girl Gets Spoiled by A Bigshot

Mother Ye let go of Ye Yutong and asked anxiously, "What are you doing?"

A policeman said expressionlessly, "Madam Ye, your house is about to be closed down. Pack up your necessary things and leave. Also, you can't use the valuables and money in the house."

Mother Ye's face turned pale. She had not expected things to be so serious.

She asked anxiously, "Officer, may I ask what crime my husband committed?"

The policeman glanced at her but did not answer.

He looked at his watch. "You only have fifteen minutes."

Mother Ye had no choice but to drag Ye Yutong over to pack her things. With the police supervising them, they did not dare to take anything valuable.

Fifteen minutes passed.

The police checked their luggage and let them leave.

Ye Yutong and Mother Ye watched as the Ye Residence was sealed.

Ye Yutong did not have much money on her, so she could only bring her mother back to the Fu family.

Without a doubt, Fu Mingxu was even more disdainful of Ye Yutong after he found out about Father Ye's accident.

Ye Yutong could only endure it and did not dare to argue with Fu Mingxu anymore.

She was very open-minded about her situation.

After all, she did not know how the Ye family was doing now. If they were really down and out and Fu Mingxu divorced her, she would really have nowhere to go.

Father Ye was imprisoned and sentenced to five years in prison.

Qin Sheng also began to deal with the Ye Corporation, bringing forward the bankruptcy of the Ye Corporation by a week.

The company that was once at the height of its power had gone bankrupt. It was inevitable that people would sigh.

Many marketing accounts and verified accounts on Weibo made various speculations and investigations on the reasons for the Ye Corporation's bankruptcy. In the end, they found out that the decline of the Ye Corporation started when Ye Yutong spread rumors that she was Fu Hanchuan's fiancée.

Later on, the scene of Fu Mingxu and Ye Yutong in the hotel happened. The Qin family had officially started to deal with the Ye Corporation.

They finally had some clarity of thought.

So the Ye Corporation's bankruptcy was Ye Yutong's doing?

The netizens couldn't help but sympathize with Father Ye. He was really unlucky to have such a daughter.

After these things were exposed, the Fu family found Ye Yutong an eyesore.

Their family had been ridiculed many times because Fu Mingxu married Ye Yutong.

The Fu family was also very proud. If they could, they would really let Fu Mingxu and Ye Yutong divorce.

It was a pity that everyone was staring at their family. If they really got a divorce, all kinds of public opinion would probably rise again and criticize their family.

They could only endure it.

However, they made things difficult for Ye Yutong.

Ye Yutong had been living a miserable life in the Fu family. However, the Fu family's conditions were very good, and she did not want to give up just like that. Ye Yutong could only endure it every day.

She hated Qin Sheng to the extreme.

If it wasn't for Qin Sheng, she wouldn't have ended up in this state.

Ye Yutong would often look through the news on the internet just to see when Qin Sheng would be in trouble. Unfortunately, she could not find any news about Qin Sheng being in trouble...

--

Another two months passed. Qin Sheng looked at Qin Churou's Weibo. There was a Weibo post that said Qin Churou had become the female lead of a blockbuster.

Qin Sheng curled her lips and did not mind.

Her gaze fell on a document on the table. Then, she picked it up and rushed to HD Group.

Recently, Qin Sheng had been coming to HD Group to look for Fu Hanchuan. She did not hide her identity anymore. Everyone knew that Qin Sheng and Fu Hanchuan were a couple.

All-Mighty Girl Gets Spoiled by A Bigshot

The employees of HD Group had guessed that Fu Hanchuan was their mysterious president.

Other than being a little surprised, they quickly accepted this fact.

Fu Hanchuan indeed had the ability to do so.

Fu Hanchuan had just come out of the meeting when he saw Qin Sheng walking out of the elevator.

"Sheng Sheng."

Fu Hanchuan strode over and took the women's bag and file from Qin Sheng's hands.

Then, he held Qin Sheng's hand and walked into the office.

The higher-ups behind couldn't help but discuss.

"President and Miss Qin are indeed a good match. Seeing them get along, I feel like I've returned to my youth."

"I hope they can continue to be well. With Miss Qin by his side, the President is obviously in a good mood. As his subordinates, we can avoid some punishment."

"I wonder when they will get married?"

"It should be soon. After all, they have been together for more than two years and their relationship is so good."

"I don't think so. The Qin family and the Lin family seem to care a lot about Miss Qin. They definitely don't want their daughter to marry so early."

"..."

Meanwhile, Fu Hanchuan and Qin Sheng returned to the office.

"Brother Fu, have you been investigating your mother?" Qin Sheng asked.

Fu Hanchuan was stunned. He did not expect Qin Sheng to ask this question. He did not tell Qin Sheng about this because he was worried that Qin Sheng would worry too.

After all, even he might not be able to find out about this matter. He did not want Qin Sheng to worry.

Fu Hanchuan did not hide anything from Qin Sheng. He nodded. "Yes, but we only have a little clue now."

Qin Sheng smiled. "Brother Fu, this might be very helpful to you."

It had been more than twenty years since this incident. It was too long ago. It was very difficult to investigate.

In her previous life, Fu Hanchuan only found out about it three years later. Qin Sheng had also learned a lot about it.

She was able to find out in such a short time because she had the advantage of being reborn.

Fu Hanchuan was stunned. He opened the document in his hand.

His eyes moistened when he saw the contents, and he pulled Qin Sheng into his arms.

His throat was stuck. "Sheng Sheng, thank you. Thank goodness I have you."

Qin Sheng also reached out and hugged Fu Hanchuan's waist. "Brother Fu, actually, you've already found out about it in your previous life. I was just following your clues. Fortunately, I found that servant. Also, Fu Mingxu isn't Fu Hongyi's biological son."

Qin Sheng spent the entire day with Fu Hanchuan.

Fu Hanchuan arranged for Lin Te to further investigate the information Qin Sheng had given him.

At noon, many employees were walking back and forth outside the office, their eyes constantly glancing into the president's office.

They could not help but discuss in low voices, "Sigh, what do you think the President and his wife are doing? It has been so long, and they still haven't come out. Moreover, they didn't allow others to enter?"

"Maybe they're... Ahem, they are all adults. It's normal."

"Actually, I really want to see them hold a wedding. After all, I'm a fan of the ShengChuan CP. Why do I feel that with President's personality, he can't wait to kidnap Miss Qin and get married when she's in her twenties?"

"Marriage certificate? It can't be that fast, right? What if they really got their marriage certificate? The President will definitely want the whole world to know that they're married. Also, have you seen the wedding rings on their hands?"

"That makes sense."

"..."
