

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1301 Identity Revealed

What they didn't know was that Old Master Qin had kept their wedding rings and marriage certificates away because he was worried that Fu Hanchuan would show off their marriage to others.

They were still discussing, and the more they talked, the more excited they became.

The door to the CEO's office opened, but they did not notice it.

Their voices were not soft, and they reached Qin Sheng's ears very clearly. Her face was a little red. Fu Hanchuan lowered his eyes and looked at Qin Sheng's red earlobes. He could not help but smile.

"Isn't it time to get off work now?" Lin Te kindly reminded. "Why are you still here?"

An employee waved his hand. "Wait, I'm waiting for the CEO and Miss Qin to come out."

"What are you looking for me and Sheng Sheng for?"

Fu Hanchuan's faint voice came from behind them. Their backs stiffened and they turned around stiffly.

They forced a smile. "It's nothing."

One of the employees had an idea. "President, I wish you a happy marriage for a hundred years. Get married soon. Yes, get married tomorrow."

It would have been fine if he hadn't mentioned it, but the moment he did, Fu Hanchuan thought of the three conditions Lin Haoyu had proposed to him.

Cold air was gushing out.

"Your bonus for this month will be deducted."

Then, Fu Hanchuan left with Qin Sheng.

The employee was stunned. He didn't expect Fu Hanchuan to say that.

Shouldn't he get a pay raise?

Lin Te walked over and kindly reminded him, "Don't mention marriage in front of the CEO."

The employee was confused, but in order to protect his bonus, he still obediently did as he was told.

They walked into the elevator.

Qin Sheng coughed lightly. "Brother Fu, we'll probably be able to hold our wedding in a year or so. Bear with it."

Actually, when she said this, she did not have much confidence.

She had a feeling that Old Master Qin and the others would find another reason to stop them from holding the wedding.

Fu Hanchuan felt helpless. "Sheng Sheng, I regret making you two reunite."

Qin Sheng looked at Fu Hanchuan's indescribable expression and couldn't help but laugh.

After collecting all the evidence.

Fu Hanchuan arranged for Lin Te to hold a press conference.

There were many reporters below.

Before the press conference even started, they were already discussing, "I heard that the CEO of HD Group will be making an appearance this time. I'm really curious about who the genius is."

"Yes, HD Group is probably one of the top ten companies in the country now. It's been established for only four to five years, and it's already developed to its current scale."

"I don't even dare to imagine his and Qin Sheng's brains. Sometimes, I even want to know what exactly is inside their brains."

"The CEO of HD Group should be like what the internet has guessed. He's not young anymore. He should be a middle-aged man."

"..."

Three minutes later, Fu Hanchuan appeared at the press conference.

It was very quiet below the stage. Everyone's gaze fell on Fu Hanchuan, and a thought rose in their hearts.

Could it be that Fu Hanchuan was the mastermind behind HD Group?

If that were the case, then all of this would fit.

No wonder Assistant Lin Te was so respectful to Fu Hanchuan. Also, HD Group even stood up for Fu Hanchuan and Qin Sheng. This was just a personal matter...

As if to confirm their thoughts, Fu Hanchuan said, "I'm the CEO of the HD Group, Fu Hanchuan."

As soon as he finished speaking...

The audience was in an uproar.

The reporters started to ask questions. "President Fu, why did you hide your identity? Why did you choose to announce it now? Is there something hidden behind this?"

"President Fu, in less than five years, the company has become a big company with hundreds of billions of dollars. Do you have any secret to success?"

"..."

Chapter 1302 The Debts From Twenty Years Ago

Fu Hanchuan's lips curled up. "I didn't like the trouble before, but now that I've announced it, I want to be a good match for Sheng Sheng."

The press conference this time was broadcast live.

Many netizens were watching.

Hearing Fu Hanchuan's words...

Netizens: "..."

The reporters: "..."

There was indeed some news on the internet that Fu Hanchuan was not worthy of Qin Sheng. The main reason was that Qin Sheng's family background was too prominent, and Qin Sheng's abilities in all aspects were ridiculously strong.

Fu Hanchuan was only the grandson of the Lu family. In the future, the Lu family's assets would definitely not be passed to Fu Hanchuan.

Furthermore, he was only a manager of the HD Group.

Therefore, there were some comments that Fu Hanchuan was not worthy of Qin Sheng, and now it was intensifying.

And Fu Hanchuan revealed his identity just to get rid of this rumor?

Fu Hanchanchuan continued, "I'm holding this press conference today mainly to answer some of your questions."

Fu Hanchuan's gaze turned sharp. "My main purpose is to remind the Fu family in H City, my good father, and stepmother, that I'm going to start settling the score from more than 20 years ago."

At the Fu family's house in H City.

Old Master Fu was watching the live broadcast of the HD Group on his computer.

They had suffered a lot in the hands of the HD Group. When he heard that the press conference was hosted by the CEO of the HD Group, he had been waiting in front of the computer for a long time.

He wanted to see who the CEO of the HD Group was who was going against the Fu Corporation.

Fu Hongyi and the others were all there.

Old Master Fu was stunned when he heard Fu Hanchuan's words. His eyes widened.

The CEO of the HD Group was Fu Hanchuan?

Fu Hongyi also couldn't believe that Fu Hanchuan was so outstanding.

Old Master Fu came back to his senses and looked excited. "Great, this Hanchuan is indeed outstanding. He's actually the CEO of the HD Group. If word gets out, there will definitely be many people who will work with us. He can also help us, and the Fu Corporation can avoid the risk of continuing to decline."

At this moment, Old Master Fu had completely forgotten Fu Hanchuan's attitude toward him.

Fu Hongyi reminded him, "Dad, that unfilial son, Fu Hanchuan, will never help us. Have you forgotten that he was the one who used the HD Group to deal with us back then? He even played with us time and time again. Fu Hanchuan is partly to blame for the Fu Corporation's current state."

Old Master Fu frowned.

Fu Hongyi added, "If he really wanted to help, he would have done so long ago. Besides, when you found out about Qin Sheng's identity, didn't you want to ask Fu Hanchuan to help the Qin Corporation and Lin Corporation? Didn't he reject it too?"

The excitement in Old Master Fu's eyes disappeared.

His expression was very ugly. "That's an unfilial grandson!"

Ye Yutong, who was trying to reduce her presence, heard Old Master Fu's words. She quickly took out her phone and opened Weibo. As expected, the top trending topic on Weibo was that Fu Hanchuan was the CEO of the HD Group.

Ye Yutong gripped her phone tightly, her eyes filled with unwillingness.

Fu Hanchuan was actually the head of a company!

Even someone like Ye Yutong, who rarely understood the business world, had heard of the HD Group. The HD Group could be said to be a legend in China. It was rare for it to develop to its current scale in such a short period of time. Currently, other than the HD Group, only Shengshi Technology had the ability to do so.

Ye Yutong bit her lip. Qin Sheng had really gotten off easy.

If she had become Fu Hanchuan's wife, she would be above everyone else now. Why would she have to stay in the Fu family and be abused by them?

"Ye Yutong, are you thinking about being Fu Hanchuan's wife again?"

Fu Mingxu's faint voice came from behind.

Chapter 1303 Fu Mingxu Is Not His Son

Ye Yutong subconsciously wanted to deny it, but when she thought of how Fu Mingxu had abused her, she kept quiet.

It was obvious that Ye Yutong had tacitly agreed.

Fu Mingxu sneered. "Ye Yutong, what kind of background does Qin Sheng have? She's Qin Yufei's only daughter, and even Old Master Lin is her grandfather. She's also very capable, and your Ye family is bankrupt. Now, you're relying on the living expenses given by the Fu family."

"What right do you have to compare yourself to Qin Sheng? Are you worthy of Fu Hanchuan? Even if you stripped naked and stood in front of him, he wouldn't even look at you."

Ye Yutong clenched her fists tightly. Her sharp nails dug into her flesh, but she did not feel any pain.

Fu Mingxu had hit a sore spot in her heart.

Fu Mingxu pinched Ye Yutong's chin and warned her, "Ye Yutong, let me tell you, I'm your husband, not Fu Hanchuan. If you dare to mention Fu Hanchuan in front of me again, don't blame me for being rude to you."

After saying that, he flung Ye Yutong away.

Fear welled up in Ye Yutong's heart.

Fu Mingxu was a devil. He loved torturing her the most. The methods he used in bed...

On the other side, Old Master Fu heard what Fu Hanchuan said. When he said he would look for Fu Hongyi and the others to settle the score from more than twenty years ago, he frowned and asked, "Twenty years? Fu Hongyi, what happened?"

Fu Hongyi panicked. He glanced at Zhou Sihui, who was extremely pale.

"I don't know," he denied.

Even if Fu Hongyi didn't say anything, Old Master Fu could roughly guess what was going on.

Fu Hanchuan didn't care about many things. Since he had been investigating for more than 20 years, it was most likely related to Lu Yun.

Fu Hongyi was a good-for-nothing. Old Master Fu was very dissatisfied with him. But after all, he was his son. Old Master Fu did not want anything to happen to him.

As for Zhou Sihui, he would be happy to see that happen.

"Fu Hongyi, I hope this has nothing to do with you," Old Master Fu warned with narrowed eyes.

Old Master Fu was no longer interested in what Fu Hanchuan said next.

He didn't want Fu Hanchuan to have such a great future. Fu Hanchuan wouldn't help the Fu family, but he always went against the Fu family.

At this moment, a servant came in with a document.

Old Master Fu's brows were tightly knitted together. "What is this?"

"A man said that Young Master Fu, Fu Hanchuan, wanted to show you this," the servant replied respectfully.

Old Master Fu took it. He had a feeling that Fu Hanchuan was not giving him anything good.

He had a bad feeling about this.

Old Master Fu took out the documents and looked at them.

When he saw the contents inside, his expression suddenly changed.

Fu Hongyi sensed that something was wrong. He took the document from Old Master Fu's hand. As expected, Fu Hongyi's expression changed.

He threw the document in front of Zhou Sihui.

For the first time since they got married, he was angry with Zhou Sihui. He questioned, "What's going on? Fu Mingxu is not my son! Whose is he?"

Zhou Sihui's face turned pale. She hurriedly grabbed the document and read it.

She kept denying it. "Impossible! Hongyi, he's our son."

Zhou Sihui grabbed Fu Hongyi's hand and looked at him pleadingly. "Hongyi, didn't you test your DNA with Mingxu? You are indeed father and son. This is just Fu Hanchuan's scheme. He did it on purpose to sow discord between us."

Chapter 1304 Go And Do A Paternity Test

Fu Hongyi shook Zhou Sihui off. If it was a normal matter, he could let it go, but Fu Hongyi couldn't tolerate the son he valued being someone else's.

"Since you're so sure, I'll do a paternity test with Fu Mingxu another day in order not to slander you," he said in a deep voice.

"No!" As soon as she finished speaking, Zhou Sihui vehemently objected.

Fu Hongyi's face darkened. From Zhou Sihui's attitude, it was obvious that Fu Mingxu was really the son of Zhou Sihui and another man, not his.

He, Fu Hongyi, had been cuckolded for more than 20 years and had even helped raise someone else's son for more than 20 years!

All these years, he had been trying his best to nurture Fu Mingxu.

He treated Fu Mingxu far better than Fu Hanchuan.

Now, he was actually telling him that Fu Mingxu was not his son!

Zhou Sihui reacted and quickly put on a pitiful expression. "Hongyi, I've been with you for more than twenty years. Can't you see how much I care about you? Hongyi, don't doubt me out of thin air."

Fu Hongyi was so angry that he slapped Zhou Sihui. This was the first time Fu Hongyi had slapped Zhou Sihui in all these years.

He was so angry that his entire body was trembling.

"Zhou Sihui, you're just a bar dancer. I ignored my family's objections and insisted on bringing you back. Is this how you treat me? You said I was the only man, but what about now? You actually used someone else's son to fool me."

Fu Hongyi's strength was so great that Zhou Sihui's face was tilted to the side. Half of her face started to swell up at a speed visible to the naked eye.

Zhou Sihui was still unwilling to admit it. "Hongyi, it's true. Mingxu is really your son."

Fu Shihan also spoke up for Zhou Sihui. "Dad, Mom definitely won't lie. Don't be led astray by others."

Fu Shihan was also afraid that Fu Mingxu was not Fu Hongyi's son.

Fu Hongyi ignored Fu Shihan. He looked at Zhou Sihui and said in a deep voice, "Alright, since you're so sure, let's go and do a paternity test."

Zhou Sihui tugged at her clothes tightly.

All she could think about was that he couldn't do a paternity test. Otherwise, everything would be exposed.

Old Master Fu didn't like her, but she could live so comfortably in the Fu family because Fu Hongyi had always protected her. If she was really found out, Fu Hongyi would no longer stand on her side.

Fu Mingxu also reacted.

He walked over and asked nervously, "Mom, tell me. I'm yours and Dad's son, right?"

Zhou Sihui averted her gaze, not daring to look at Fu Mingxu.

Fu Mingxu's face was ashen.

The only thing he could rely on was his identity as the young master of the Fu family. Other than that, he only had 15% of the shares. However, the dividends he received from the Fu Corporation every year were very little.

If he was not a member of the Fu family, Fu Hongyi and the others would definitely chase him out.

Leaning against the wall, Ye Yutong's lips curled into a smug smile.

Fu Mingxu finally got his retribution.

But on second thought, Ye Yutong clenched her fists again. She was Fu Mingxu's wife, and their interests were related. If Fu Mingxu was really kicked out of the Fu family, she would be no exception.

Where else could she go other than the Fu family?

Her reputation in China was already ruined, and the Ye family had gone bankrupt.

"Go and do a paternity test. Go now. If you don't go, it will prove that Fu Mingxu is not Hongyi's biological son!!" Old Master Fu, who had been silent all this while, ordered. His expression was very ugly.

All-Mighty Girl Gets Spoiled by A Bigshot

Old Master Fu was the most authoritative person in the Fu family.

Fu Hongyi and the others did not dare to disobey him.

Zhou Sihui's legs gave way and she knelt on the ground. She grabbed Fu Hongyi's pants and cried pitifully. "Hongyi, I was wrong. I lied to you back then. I didn't expect Hongyi to not be your son. It was just an accident back then."

Fu Hongyi sneered. "Then what about the paternity test we did when you brought him to me?"

Zhou Sihui deliberated for a moment before replying, "The main reason is that I love you too much. If this son wasn't yours, you definitely wouldn't be with me, so I had no choice but to forge this paternity test."

"What about her?"

Fu Hongyi pointed at Fu Shihan.

Zhou Sihui's tone was firm. "Hongyi, Shihan is indeed your daughter. I'm not lying to you."

"Ha!" Fu Hongyi sneered. "Zhou Sihui, can I believe your words?"

Zhou Sihui's face turned pale.

The way Fu Hongyi looked at her was so strange that it was scary. In the past, as long as she pretended to cry, Fu Hongyi would put down what he was doing to comfort her.

But now...

Zhou Sihui fell to the ground.

Old Master Fu had been staring at Fu Mingxu. The grandson he had high hopes for was actually not a member of the Fu family!

Fu Mingxu noticed Old Master Fu's gaze and thought of how biased Old Master Fu was toward him. Fu Mingxu's heart lit up with hope.

He sat beside Old Master Fu.

"Grandpa, although I'm not your biological grandson, I was raised by you. I'll treat you as my biological grandfather in the future."

Old Master Fu sneered. "You're not related to me by blood. How can I have a grandson?"

Old Master Fu cared about benefits the most. He treated Fu Mingxu well because he was obedient and would not disobey him like Fu Hanchuan did. He would also not take away all of Fu Mingxu's power.

However, Fu Mingxu was not the biological son of the Fu family. He was the son of Zhou Sihui and a wild man. He would definitely not let the Fu family's assets fall into the hands of outsiders.

Fu Mingxu clenched his fists.

As expected!

His lowered eyes were filled with hatred for Old Master Fu.

He had been treating Old Master Fu very well for more than 20 years.

Now that he was not Fu Hongyi's biological son, Old Master Fu wanted to cut ties with him!

Thinking of something, Old Master Fu ordered in a deep voice, "Fu Mingxu, since you still treat me as your grandfather, then hand over the 15% of the Fu Corporation's shares that you have."

Fu Mingxu hesitated.

Old Master Fu would not keep him. If he really handed over the shares, he would really have nothing.

"Grandpa, let me take care of these shares."

Old Master Fu's face darkened when he saw Fu Mingxu rebut him. "I told you to hand it over. You're an outsider. What right do you have to hold onto the Fu Corporation's shares?"

Fu Mingxu knew that Old Master Fu would not let him stay in the Fu family.

He did not give Old Master Fu any face. "Grandpa, these shares are already under my name. There's no reason for me to give back the shares you gave me."

"You! You!"

Old Master Fu's blood boiled, and he felt a dull pain in his heart.

In less than ten seconds, Old Master Fu had already fainted on the sofa.

"Dad!"

Fu Hongyi's anxious voice sounded in his ears.

Chapter 1306 Giving The Company To Fu Hanchuan

When Old Master Fu woke up, it was already two days later. His face was sickly pale, and even his hair was white.

The moment he opened his eyes, he asked Fu Hongyi, "Is Fu Shihan the granddaughter of the Fu family?"

Fu Hongyi nodded. "Yes, we did a paternity test. She is indeed a member of the Fu family."

Fu Hongyi did not give up and did a paternity test for Fu Mingxu. As expected, there was only a 1% chance that they were father and son.

Old Master Fu blinked his sore eyes.

His words were filled with blame for Fu Hongyi. "I told you to treat Lu Yun well back then and not go out and fool around. If you were with an innocent woman, I wouldn't have said anything. But what about you? You actually went to hook up with a bar dancer! Now, she even has a fake son."

It was rare for Fu Hongyi not to refute Old Master Fu.

He also regretted it.

In the past two days, Lu Yun and Zhou Sihui's faces had been switching back and forth in his mind. Zhou Sihui was gentle and kind, while Lu Yun was the typical daughter of a wealthy family.

He always despised Lu Yun for being like a log in bed.

But now, Fu Hongyi felt that Lu Yun was very real, and Zhou Sihui had slept with countless men to cultivate her skills.

For the past twenty years, he had been living a huge lie.

Old Master Fu leaned against the headboard and finished his sentence. He did not reprimand Fu Hongyi anymore.

He felt a deep sense of powerlessness in his body.

He didn't want to mess around with the company and his family anymore.

He opened his mouth. "Where's Fu Hanchuan? Contact him for me quickly."

Fu Hongyi was stunned. "Dad, what are you doing?"

"Pass the company to him."

"But Shihan..."

Old Master Fu sneered. "You're still thinking about Fu Shihan? Putting aside the fact that her brother is not a member of the Fu family, she's also a girl. How can she inherit the Fu Corporation? She will get married sooner or later. Isn't this asking me to hand over the company to an outsider? Moreover, Fu Hanchuan is very capable. With him in charge, the Fu Corporation's current decline will be reversed."

Fu Hongyi did not dare to speak.

Fu Hongyi didn't know how to face Fu Hanchuan. After calling Fu Hanchuan, he passed the phone to Old Master Fu.

Fu Hanchuan picked up very quickly.

"What's the matter?" Fu Hanchuan's voice was very cold.

If it were any other time, Old Master Fu would definitely lose his temper. However, at this moment, his attitude toward Fu Hanchuan was extremely good. "Hanchuan, how have you been recently?"

"En," Fu Hanchuan replied coldly.

Old Master Fu choked on Fu Hanchuan's words.

"I'm in the hospital now. Can you come and see me?" he asked.

"I'm in the capital. I don't have time."

He raised his hand to look at the time. He had to pick up Qin Sheng later and did not want to waste time with Old Master Fu. "Tell me your purpose."

Old Master Fu rubbed his hands. "Hanchuan, didn't you say that you would come back to the company as long as I gave it to you?"

Fu Hanchuan raised an eyebrow with interest.

Old Master Fu only remembered him after he found out that Fu Mingxu was not Fu Hongyi's biological son.

Old Master Fu did not hear Fu Hanchuan's voice for a long time. He took the initiative to say, "Hanchuan, um, I've given you the company. When are you coming back?"

Fu Hanchuan smiled. "Do you think I'll be interested in your Fu Corporation?"

Old Master Fu choked again. Fu Hanchuan was the head of the HD Group. Now that the HD Group had become one of the top ten companies in the country, it was only natural that he would not take a fancy to a small Fu Corporation.

C 1307

Old Master Fu suppressed his dissatisfaction with Fu Hanchuan and held back his temper. "Hanchuan, what you said back then doesn't count?"

Fu Hanchuan sneered. "Old Master Fu, I said that three years ago. Times have changed. You should understand this."

Old Master Fu's face darkened. "Fu Hanchuan, are you really not going back to the company?"

Fu Hanchuan only smiled and did not say anything. The answer was obvious...

Fu Hongyi took the phone. Just like before, he ordered Fu Hanchuan the moment he spoke, "Fu Hanchuan, come back immediately! The company gave you this benefit, but you don't want it?"

From her tone, it seemed like letting Fu Hanchuan come back to inherit the company was a great gift.

"I don't care." Fu Hanchuan narrowed his eyes, which flashed dangerously. "Not only that, but it can also be destroyed."

"You!"

Fu Hongyi remembered Fu Hanchuan saying that he wanted to settle scores from more than twenty years ago.

"What do you want?" he asked warily.

It was already 11:30.

Fu Hanchuan closed the document and walked out with his phone. "Fu Hongyi, what did Zhou Sihui do? You don't know? My mother's life is a debt you will have to pay."

Fu Hongyi's face turned pale.

He knew.

Fu Hanchuan smiled. "Fu Hongyi, I won't let you off. And Zhou Sihui..."

Fu Hongyi's hand tightened around his phone, his heart beating rapidly. "Do you have any evidence?"

"What do you think?" Fu Hanchuan asked.

Fu Hongyi panicked. "You can deal with Zhou Sihui however you want, but you can't touch the Fu Corporation."

"Heh-"

Fu Hanchuan sneered and hung up the phone, ignoring Fu Hongyi.

Fu Hongyi's face turned green and white with anger. It was as if he was looking at a flower on horseback.

He threw his phone on the table.

Fu Hongyi gritted his teeth. "Fu Hanchuan is an unfilial son. It's really my bad luck to have him!"

Old Master Fu was silent.

Fu Hongyi looked at Old Master Fu. "Dad, do you know what Fu Hanchuan said? He actually wanted to shut down the Fu Corporation!"

"What?!"

Old Master Fu's face turned pale.

Fu Hanchuan would definitely do what he said. He never expected Fu Hanchuan to actually think of bringing down the Fu Corporation.

"Dad, nothing can happen to the Fu Corporation. Can we think of a way? Stop Fu Hanchuan?"

Old Master Fu looked at Fu Hongyi weakly. "Does he listen to me?"

Fu Hongyi choked.

He clenched his fists. "So we can only sit and wait for death?"

Old Master Fu lay back on the bed, covered himself with the blanket, closed his eyes, and didn't say anything else.

Fu Hongyi went back to the company to settle some matters.

He was in a bad mood and scolded the manager.

He threw the document on the ground. "Take it back and redo it. Is this the standard of a Master's student who returned from overseas?"

Manager Li picked up the document and hurriedly answered, "Yes."

Fu Hongyi sat back in his office chair. His heart was beating fast. He had a feeling that something bad was going to happen today, but he couldn't put his finger on it.

Outside, Manager Li was holding a document and was about to walk down the stairs when he saw another department manager and stopped him.

"Are you looking for the General Manager?"

"Yes, I have a proposal for him to review."

Manager Li advised, "You'd better not go over and provoke the General Manager now. He seems to have eaten explosives now. You'd better come back another day."

All-Mighty Girl Gets Spoiled by A Bigshot

The manager did not doubt his words. He was not in a hurry to write the proposal.

He left with the proposal.

It was 5 o'clock in the afternoon when Fu Hongyi was about to leave the office and arrived at the lobby.

Two police officers came up to him.

One of the policemen showed his police officer ID and said expressionlessly, "Fu Hongyi, someone reported that you were involved in a murder case. Please come with me."

Fu Hongyi was stunned. He quickly denied, "I didn't kill Lu Yun. This was all done by Zhou Sihui alone."

"If you didn't participate, your innocence will naturally be returned."

The police ignored Fu Hongyi's struggle and pushed him into the police car.

It was time to get off work. When Fu Hongyi was arrested, many employees had seen it, and it caused quite a stir.

"What did the General Manager do?"

"Even the police are here. He must have committed a serious crime."

"It's over. Won't the company be in big trouble?"

"So what? Didn't you notice? The Fu Corporation is getting worse by the day. I'm afraid it won't last for a few years before it closes down. This kind of company doesn't have much future. I'm even prepared to jump ship."

"..."

Many employees began to think about leaving the Fu Corporation.

After Fu Hongyi was taken to the police station, he bumped into Zhou Sihui.

Fu Hongyi started to complain. Back then, it was this woman who killed Lu Yun. His family was also destroyed by Zhou Sihui. If it weren't for Zhou Sihui, his family of three would still be able to stay together and the company wouldn't be in danger.

He was not a cuckold who had been wearing a green hat for decades.

Fu Hongyi broke free from the police's grip with some strength that came from nowhere.

He went up and slapped Zhou Sihui across the face. "You b*tch, who told you to harm Lu Yun?"

Zhou Sihui was stunned. She reacted and quickly understood Fu Hongyi's intentions.

Fu Hongyi was clearly trying to clear his name.

He pushed everything onto her.

Zhou Sihui's eyes flashed with ruthlessness.

Since Fu Hongyi was heartless, he couldn't blame her. If she couldn't escape punishment, she might as well drag Fu Hongyi over to accompany her.

"Fu Hongyi, you dare to say that you don't know about this?" Zhou Sihui turned around and sneered. "You're just pretending that you didn't see it and acquiesced to my actions. Moreover, what I did was all hinted by you. Why are you pretending to be innocent?"

Zhou Sihui revealed everything.

Fu Hongyi's face turned pale. "Don't spread rumors!"

He was furious and wanted to hit Zhou Sihui, but he was stopped by the police. "Be careful!!"

Next.

The police interrogated the two of them separately.

Fu Hongyi was naturally trying his best to distance himself from this.

Zhou Sihui admitted that she was the one who did it and insisted that Fu Hongyi was also involved.

This matter concerned Fu Hanchuan, who was very popular on the internet. This matter had always been followed by netizens.

The police station did not dare to delay and quickly made a verdict.

Zhou Sihui was sentenced to life imprisonment!

As for Fu Hongyi, because he was not personally involved in this matter, he was not considered to be the instigator. He was only sentenced to five years in prison.

With Fu Hanchuan's arrangements, the two of them did not have a good time in prison. They were worse off than dead.

After Fu Hongyi was released from prison, the Fu family had completely declined.

He went to look for a better job, but no one wanted him.

He wanted to look for Fu Hanchuan, but Fu Hanchuan's subordinates were strictly guarding him. Fu Hongyi could not even see Fu Hanchuan.

1309

Fu Hongyi lived a miserable life for the rest of his life.

Every night, when he was alone, he regretted falling for Zhou Sihui.

If he had not allowed Zhou Sihui to harm Lu Yun, would his fate have developed differently?

He wouldn't have fallen to such a state.

Of course, there was no medicine for regret in this world...

The news of Fu Hongyi's arrest quickly spread. When Old Master Fu saw this news, his eyes darkened and he spat out a mouthful of blood.

In just a week, the police announced the case.

There was an uproar online.

This was too dark.

[My heart aches for Prince Charming Fu. He actually has such a father.]

[I finally know why Prince Charming Fu insisted on cutting ties with the Fu family. I can't stay in such a family.]

[My goddess' husband is so pitiful. Fortunately, he's capable. Otherwise, he might have been bullied in the Fu family.]

[As expected, with a stepmother, there will be a stepfather.]

[Goddess, you must comfort your boyfriend.]

Many netizens ran to Qin Sheng's Weibo to ask her to accompany him.

When Qin Sheng saw Weibo, she couldn't help but laugh. She replied with a 'good' under a netizen's Weibo.

For the next three days, Qin Sheng accompanied Fu Hanchuan to the company during the day.

The three old men were jealous.

However, Qin Sheng had volunteered, so they could only let him be.

In the following month.

The Fu Corporation had completely closed down, but the Fu residence was still preserved. Old Master Fu still had 50 million yuan in savings.

However, Old Master Fu had to stay in the ward every day, and it would cost a lot of money.

Fu Shihan saw that the Fu family was in dire straits and began to plan for herself.

After she stole more than 10 million yuan from the Fu family, she disappeared.

Fu Hongyi was already in prison.

With no one to take care of Old Master Fu, he could only hire a nurse.

Old Master Fu had been lying on the hospital bed the whole time. His face was ashen and his temper was getting worse by the day.

On this day, Fu Hanchuan and Qin Sheng returned to H City to settle some matters.

Qin Sheng held Fu Hanchuan's hand. "Brother Fu, why don't we go and see Fu Hanyi?"

Fu Hanyi referred to Old Master Fu.

Fu Hanchuan frowned. It seemed that he really had to make a trip over.

That day, Fu Hanchuan and Qin Sheng appeared in Old Master Fu's ward.

Old Master Fu opened his turbid eyes.

A smile appeared on his face. "Hanchuan, you're finally back to see an old man."

Fu Hanchuan only frowned for a moment, but his expression did not change.

Tears rolled down Old Master Fu's eyes. "I've been thinking a lot these days. Hanchuan, it's true that the Fu family has let you down. It's only right for you to hate the Fu family like this. I'm too old to be sensible. I turned a blind eye to Fu Hongyi and Zhou Sihui's abuse of you back then and never stopped them."

Old Master Fu's tone was full of regret.

Fu Hanchuan found his words laughable. Old Master Fu was still trying to distance himself from this.

The things he had done were not inferior to Fu Hongyi.

Fu Hanchuan sneered. "Old Master Fu, I don't blame you. I can only say that being a descendant of the Fu family is a very sad thing. You only have interests in your eyes."

"Don't worry, you're sick now. I won't leave you alone. I'll get the best doctor to treat you."

Chapter 1310 You're The CEO Of Shengshi Corporation?

Qin Sheng might have a way to save Old Master Fu.

However, Fu Hanchuan did not want to dirty Qin Sheng's hands. Besides, Old Master Fu was not worthy of Qin Sheng's help.

Saving Old Master Fu was just his last responsibility.

As for whether he could save Old Master Fu, it had nothing to do with him.

Fu Hanchuan's eyes were filled with mockery. He did not stay any longer and left the ward while holding Qin Sheng's hand.

Qin Sheng did not mention this matter again.

She suggested that Fu Hanchuan come over to see Old Master Fu because she wanted to settle the matter with Fu Hanchuan in the Fu family.

Fu Hanchuan was silent the entire way.

Back in the car, Qin Sheng moved her lips. "Brother Fu, you still have me and Grandpa Lu."

Fu Hanchuan met Qin Sheng's distressed gaze.

He pulled Qin Sheng into his arms. "En."

Before meeting Qin Sheng, he had lived like a walking corpse.

After Qin Sheng appeared, his life seemed to have some color. She was like a ray of light that drove away the darkness in his heart...

--

Fu Hanchuan revealed his identity as the CEO of the HD Group.

Under Hong Yuan's repeated requests, Qin Sheng merged Shengshi Technology, Shenghe Entertainment, and Shenghua Real Estate to form Shengshi Corporation.

Qin Sheng originally wanted Su Yixiu to be the CEO of Shengshi Corporation, but Su Yixiu was unwilling no matter what.

Qin Sheng had no choice but to temporarily take on the role of Shengshi Corporation's CEO.

Hong Yuan was relieved. With Qin Sheng around, he could relax a lot.

However...

After Qin Sheng had been the CEO for a year, she got tired of it and hired a very capable person to take over. She continued to be a hands-off manager and he did not see her come to the company for a month.

Those who didn't know better would think that this wasn't Qin Sheng's company.

Hong Yuan: "..."

The newly appointed CEO was also very impressed with Qin Sheng and often praised her.

But later on, it slowly turned into complaints.

He, Hong Yuan, Yu Bei, and the others felt like they were brothers in distress.

Of course, this was all for later.

When they announced that the three companies would be merged into Shengshi Corporation, Qin Sheng appeared. Hong Yuan, Su Yixiu, and Fang You were all very respectful to Qin Sheng.

How could those reporters not see that Qin Sheng was the person in charge of Shengshi Corporation!

"Qin Sheng, are you the CEO of Shengshi Corporation?" a reporter asked nervously.

Qin Sheng did not deny it. She replied softly, "Yes."

The moment Qin Sheng nodded, the reporters present began to boil.

They were no less surprised by this than when Fu Hanchuan's identity was exposed.

Shengshi Technology, Shenghe Entertainment, and Shenghua Real Estate had all developed into leading companies in their fields in a short period of time.

The combined strength of the three companies could not be underestimated.

According to the timeline, Qin Sheng was only 18 years old when she founded Shengshi Technology. At that time, she was in high school.

In just four months, Shengshi Technology successfully developed an all-intelligent mobile game. Later on, they invented 5D technology and holographic virtual online games.

Qin Sheng's talent was truly unimaginable...

The reporters sized up the girl who was used to creating miracles.

Qin Sheng was surrounded by countless halos.

She was a darling and a winner in life.

It would probably be very difficult to find someone as happy as Qin Sheng in this world.

There were rumors in the upper-class circle that Qin Sheng was Qin Yufei's biological daughter and they did not do anything to clarify. Moreover, Qin Sheng's grandfather was Old Master Lin.

Regardless of which of these two families was brought out, it was enough for Qin Sheng to do whatever she wanted in China.
