

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1311 In Order To Be Compatible With Brother Fu

Everyone knew how much Qin Sheng's boyfriend, Fu Hanchuan, doted on Qin Sheng. He even founded the HD Group at such a young age.

She was also very outstanding. At a young age, she was a painter, a medical scientist, a computer scientist, and had countless reputations. She also owned such a large corporation.

The reporter couldn't help but look envious.

Shengshi Corporation's press conference was also broadcasted live.

Many people were sitting on their computers or watching on their phones.

Three Realms' all-intelligence mobile games and holographic online games had become popular all over the world. One-third of the people in China were players of the games developed by Shengshi Corporation.

When they found out that Qin Sheng was the CEO of Shengshi Corporation, although some people had already guessed it, it was far less shocking than seeing it with their own eyes.

They could no longer use words to describe their feelings.

In the live broadcast room, there were rows of 'f*ck's, very neat.

The reporters reacted and began to ask questions.

All the cameras were focused on Qin Sheng.

"Miss Qin, may I ask why you hid your identity? Isn't this a glorious thing?"

"Miss Qin, you've hidden your identity for so many years. Why did you choose to reveal your identity today?"

"Miss Qin, may I ask..."

Qin Sheng tilted her head and thought for a moment before answering, "The first problem is that after my identity is exposed, many people will come looking for me."

"Secondly, to be compatible with Brother Fu."

It was the same answer as Fu Hanchuan's.

The reporters: "..."

Netizens: "..."

One of the reporters smiled. "Miss Qin is indeed a good match for President Fu."

The reporters then asked Qin Sheng a lot of questions, and she answered them all.

Then, a reporter asked curiously, "Then I heard that you are Qin Yufei's biological daughter. Is this true?"

Old Master Qin loved to show off. The fact that Qin Sheng was his biological granddaughter had spread throughout the upper-class circle.

Meanwhile, Old Master Lin secretly blocked the news from leaking out.

He was unwilling to accept it. He had always used his identity as Qin Sheng's in-law grandfather to suppress Old Master Qin, her god-grandfather.

He did not expect Qin Sheng to be Qin Yufei's biological daughter!

That was why Old Master Lin did this.

Qin Sheng did not hide anything. "Yes."

The reporter wanted to ask Qin Sheng about her and Qin Yufei.

"Today is Shengshi Corporation's press conference. Please return to the topic of Shengshi Corporation." Qin Sheng nodded.

After the press conference, the reporters went back to write their articles in satisfaction.

Weibo was already in an uproar.

Qin Sheng's topic occupied the top three trending topics.

There were more than 100,000 comments.

[Who is the Truth Emperor? Qin Sheng is really the behind-the-scenes helmsman of Shengshi Corporation. How can a man like me live? As expected, I came to this world to make up the numbers.]

[Fu Hanchuan is the CEO of the HD Group. As expected, geniuses and perverts are a good match.]

[Sister Sheng is so awesome! I feel that other than Fu Hanchuan, no other man is worthy of her.]

[Do you see it? Qin Sheng is actually the Qin family's biological granddaughter.]

[...]

There were inevitably some haters among them, but they were all refuted by Qin Sheng's hardcore fans and passersby.

Now, Qin Sheng's diehard fans had reached 20 million.

Under the leadership of Old Master Lu, the president of the fan club, everyone was famous for their strong combat strength. Almost all the haters were scolded.

Moreover, Old Master Lu had a lot of power. They really couldn't take it if he gave them a title without a word of disagreement.

Slowly, they rarely dared to show themselves under Qin Sheng's Weibo.

All-Mighty Girl Gets Spoiled by A Bigshot

Qin family.

Old Master Qin and the rest were all watching Shengshi Corporation's press conference intently.

The eyes of the three grand-spoiling demons were filled with pride as they sighed in succession.

"Look, this is my granddaughter. The Qin family's genes are indeed strong. Look at the comments on the bullet screen. They're all worshipping Sheng Sheng."

"She's your granddaughter, but Sheng Sheng is also my granddaughter. I'm partly responsible for Sheng Sheng's excellence."

When Old Master Lu heard their words, he scoffed coldly. "Although Sheng Sheng is your granddaughter and maternal granddaughter, won't she still have to marry into our Lu family in the end?"

As soon as he finished speaking, Old Master Lin and Old Master Qin looked at him at the same time. Their eyes were filled with the desire to swallow Old Master Lu alive.

Old Master Lu continued slowly, "There's only a year left. Sheng Sheng will be leaving the Qin family. If you want to live in Fu Garden, you'll have to ask Fu Hanchuan for permission. I'm different. I'm Fu Hanchuan's grandfather, so I can move in as I please."

The two of them could already hear the sound of their teeth grinding.

Old Master Lin sneered. "We'll talk about it when you can get in. Fu Hanchuan, that kid. Even if you're his grandfather, will he compromise?"

Old Master Lu choked, and his expression turned ugly.

Indeed, Fu Hanchuan wouldn't give him any face.

He could find all kinds of reasons not to disturb their private time.

Old Master Lin and Old Master Qin were in a much better mood when they saw Old Master Lu's expression.

They looked at Qin Sheng on the television happily.

Then, all kinds of compliments came out of their mouths.

If Qin Sheng heard this, she would definitely be speechless.

Lu Ming was holding an apple. His eyes were fixed on the TV, and his mouth was wide open. He did not close it for a long time.

After a long while, he spat out the word "f*ck".

The apple also fell to the ground.

He originally thought that Qin Sheng had only used Fu Hanchuan to invest in companies like Shenghe Entertainment. He did not expect that the person behind the scenes was actually Qin Sheng!

F*ck, what kind of suffering was this?

How could Qin Sheng be so outstanding?

Lu Ming always felt that he had come to this world to set off Qin Sheng's existence.

He began to doubt his life again.

Lu Ming was noticed by Old Master Lu. He frowned and berated, "Lu Ming, you brat, can't you see that we're looking at Sheng Sheng? Why are you here to spoil the fun?"

Lu Ming's mind was spinning quickly, thinking about how to avoid Old Master Lu's ridicule.

Very quickly, he had a flash of spiritual light in his head and quickly thought of a countermeasure.

Lu Ming's expression became fawning. "Grandpa, I'm shocked by Sister-in-law's talent. She's really amazing. I was just sighing."

Lu Ming secretly wiped his sweat.

He had been by his grandfather's side since he was young. In order to avoid being scolded, he would occasionally compete with Old Master Lu in acting. Now, his acting skills were comparable to that of an Oscar winner.

However, Lu Ming still couldn't escape Old Master Lu's ridicule.

Old Master Lu looked at Lu Ming with disdain. "Look at you, you're really useless. Sheng Sheng is just a girl, yet she knows so many things. She's even the head of Shengshi Corporation. What about you? How much money do you earn now? Can't you be half as capable as Sheng Sheng?"

His tone also carried a strong sense of pride toward Qin Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

Lu Ming: "..."

How could he compare to a pervert like Qin Sheng?

Forget about half, even if he had one-tenth of her ability, it could already make him soar to the heavens, okay?

Lu Ming obediently stood behind the sofa and allowed Old Master Lu to scold him. He did not refute.

He knew Old Master Lu's temper very well. As long as he didn't retort, it would only take two minutes for him to stop.

However, Lu Ming had forgotten that Old Master Qin and Old Master Lin were sitting in the living room. These two people were not frugal.

They echoed one after another.

"Yes, Lu Ming, you can't be so decadent. Sheng Sheng will be your sister-in-law in the future. As her brother-in-law, you can't be too inferior to Sheng Sheng."

"Old Lu, you have a point. Lu Ming, go back and work hard. Look, your sister-in-law has already graduated from Imperial Capital University with a PhD, and you're still in your third year."

The three of them began to discuss this matter for a full ten minutes without stopping.

Lu Ming: "!!!"

He really regretted coming to the Qin family for a meal today. Wasn't he suffering?

Their discussion continued.

Old Master Lin: "However, you can't blame Lu Ming. Sheng Sheng is so outstanding. Few people can compare to her."

Old Master Qin nodded in agreement. "Indeed, it's already good enough that Lu Ming has one percent of Sheng Sheng's ability. We can't expect too much from him. After all, the Qin family's genes are only passed on to Sheng Sheng alone. It's not something that can be possessed by just anyone."

Old Master Lu: "Yes, yes, yes. Although the Lu family's genes are strong enough, it can also be skipped from generation to generation. This is just nice. Lu Ming is the generation that was skipped."

It was rare for the three of them to be united against the outside world.

Lu Ming was speechless again.

So why did they make him work hard in Qin Sheng's direction just now?

Was he being dragged out to be used as a negative example to say that Qin Sheng was amazing?

Lu Ming stood there helplessly. He looked up at the ceiling, hoping that time would pass quickly.

He should come to the Qin family less often in the future.

If this happened a few more times, he would definitely lose his mind.

--

Qin Churou was from the entertainment industry and she often followed Weibo.

On this day, she had just finished filming a scene and was about to take a break.

Qin Churou was very popular now. With Qin Sheng's deliberate promotion and the fact that she had slept with many directors and investors, Qin Churou had already accepted many female leads in big movies.

Qin Churou sat on the chair and took out a bottle of mineral water to drink.

Beside them, two crew members were discussing Qin Sheng's matter.

When she saw a message, a girl said in surprise, "Oh my god, Qin Sheng is actually the person behind Shengshi Corporation? Shengshi Corporation is a combination of Shengshi Technology, Shenghua Real Estate, and Shenghe Entertainment. Is Qin Sheng trying to go to heaven?"

"No way, Qin Sheng is... Shengshi Corporation's leader? Are you kidding me? How old is Qin Sheng? She hasn't even reached 21 yet."

"If you don't believe me, you can take a look at Weibo. It's the number one trending topic. Qin Sheng is also Qin Yufei's biological daughter. What kind of good luck is this?"

Hearing this, another girl took out her Weibo to take a look.

Seeing the content of the trending search, she exclaimed, "As expected! This Qin Sheng is the favored child of the heavens."

Their voices were not soft and they were not far away from Qin Churou. Every word they said entered Qin Churou's ears.

All-Mighty Girl Gets Spoiled by A Bigshot

Qin Churou's face stiffened.

She quickly took out her phone to take a look. The first thing she saw after entering Weibo was the top three trending searches.

She was not surprised that Qin Sheng was the person behind Shengshi Corporation, but her mind was in a mess.

If Qin Hai found out that Qin Sheng was not his daughter and that Lin Shuya had given him a green hat, he would definitely divorce Lin Shuya. At that time, Qin Churou would inevitably receive Qin Hai's wrath.

Lin Shuya would also protect her.

Furthermore, if another woman were to marry Qin Hai, those women would inevitably sow discord in front of Qin Hai.

Qin Churou did not want Lin Shuya and Qin Hai to get a divorce.

She gripped her phone tightly, wanting to call Qin Hai to understand the situation. However, the director was about to start the next scene, so Qin Churou had no choice but to put down her phone.

Qin Churou was absent-minded in this scene.

After eight bad takes, the director frowned and said, "One more time."

As expected, Qin Churou made another mistake.

"Cut, cut, cut!"

The director stood up and said in a very unpleasant tone, "Qin Churou, why are you in such a bad state? You can take nine bad takes for such a simple scene!"

Qin Churou lowered her head and apologized sincerely. "I'm sorry, Director. I'm not in a good state. Can I take an hour off?"

The director was too embarrassed to say anything else.

He could only say, "Alright, go and rest first."

The director turned to the others and said, "Let's start the next scene. The second female lead and the male lead's scenes will start first."

Qin Churou returned to the nanny car. The driver was not in the car, and she was the only one in the car.

Qin Churou called Qin Hai.

"Daddy, are you free now?"

Qin Hai's eyes were dark green. Clearly, he had not rested well.

He rubbed the space between his eyebrows. "There was an accident at work these few days, so I've been busy."

Qin Churou heaved a sigh of relief. As long as Qin Hai did not have the time to read the news, it would be fine.

"Rou'er, is something the matter?" Qin Hai asked.

Qin Churou shook her head. "It's nothing. I just thought that we haven't contacted each other for a week, so I called you. Dad, since you're so busy, you should go over first."

Qin Churou hung up.

Later on, Qin Churou spent a lot of money to suppress the fact that Qin Sheng was Qin Yufei's biological daughter. It was even harder for Qin Hai to find out.

Qin Sheng naturally knew that this was Qin Churou's doing.

However, she did not care.

Sooner or later, Qin Hai would find out. What she wanted was for the Qin family to suffer a fate worse than death...

In less than two years, she would turn Qin Churou into a smelly sewer rat.

It was not easy for her to succeed, but she would realize that everything was just a bubble. Qin Churou had always been living in her plan. The moment her dream was shattered, it was undoubtedly the most painful torture for Qin Churou.

Time passed very quickly. In the blink of an eye, another year had passed.

Fu Hanchuan counted the time every day.

On the third day, it was the two-year deadline that Qin Yufei and the other party had agreed on.

Old Master Qin and the others had been thinking of countermeasures for the past week.

In the living room of the Qin family's villa.

Old Master Qin had already sighed countless times. "Am I really going to watch Sheng Sheng marry Fu Hanchuan like this?"

Old Master Lin frowned as well. "That won't do. If Sheng Sheng really marries Fu Hanchuan, Fu Hanchuan definitely won't let us live in Fu Garden. Our current life with Sheng Sheng will be gone."

"Yes, yes, yes." Old Master Lu echoed, "I understand that grandson of mine. He'll definitely find all sorts of excuses to stop me."

All-Mighty Girl Gets Spoiled by A Bigshot

"Is there any way to postpone it?"

Old Master Qin had promised to marry Qin Sheng to Fu Hanchuan after two years.

At this time, he regretted it.

Why did he only mention two years back then? If he had known earlier, he would have made it five years.

Thinking of this, Old Master Qin felt uncomfortable.

He glared fiercely at Lin Haoyu.

Back then, Lin Haoyu had said that it would be two years. Wasn't this brat the one who doted on his little sister the most? Why was he willing to marry his sister to an outsider so early?

Lin Haoyu sensed the gaze of Old Master Qin and naturally understood what he meant.

He looked away.

To be honest, he regretted not saying it for a longer time.

Lin Haocheng frowned and said, "Fu Hanchuan must be impatient to marry Sheng Sheng. If we delay it, he won't be happy. Maybe he'll kidnap Sheng Sheng and spend time alone with her. He's also worried that we'll ruin their wedding and might come back after they get married."

"No, I'm Sheng Sheng's grandfather. How can I not be present for such an important event in Sheng Sheng's life?"

Old Master Lin's expression was very ugly. Lin Haocheng was not talking nonsense. Fu Hanchuan might really do that. For example, last time, they had long seen through Fu

Hanchuan's motive and were already prepared to stop Fu Hanchuan from bringing Qin Sheng to register their marriage.

They did not expect Fu Hanchuan to kidnap Qin Sheng a few days earlier.

Old Master Qin also sneered. "My Qin family is now the number one wealthy family in China. I have power both domestically and abroad. Isn't it easy to find someone?"

Obviously, Old Master Qin had forgotten what happened two years ago.

Lin Haocheng kindly reminded him, "Didn't the Lin and Qin families send people to look for Fu Hanchuan and Sheng Sheng when Sheng Sheng was kidnapped to get their marriage certificate? Didn't Fu Hanchuan get married to Sheng Sheng as he wished in the end?"

Old Master Qin choked.

Fu Hanchuan was indeed very strange, and his abilities were terrifyingly powerful. It seemed that as long as he wanted to do it, there was basically nothing he couldn't do.

Old Master Qin sat on the sofa weakly.

He waved his hand. "I'm old and my brain isn't working. I'll leave the matter of delaying the wedding to the younger generation. In short, I'll just say this. Their wedding can be postponed as long as possible."

He wasn't trying to stop Fu Hanchuan and Qin Sheng from getting married. Old Master Qin was very satisfied with Fu Hanchuan. With Fu Hanchuan as her husband, Qin Sheng wouldn't suffer.

However, Fu Hanchuan was a troublemaker. He had wanted to kidnap her since a long time ago.

Qin Yufei was also silent for a long time. He kept frowning and thinking about countermeasures.

After a while, he finally said, "Maybe we can find a fortune-teller and ask them to help pick a good day for the wedding."

Hearing this, Old Master Qin was anxious. He glared at Qin Yufei and said, "I told you to think of a way to postpone the wedding, not to facilitate their wedding. As a father, you can't wait to marry Sheng Sheng off, right?"

Qin Yufei was helpless. "Dad, let me finish first. Naturally, the later the wedding, the better. Isn't it up to us to decide the time? Fu Hanchuan thinks highly of Sheng Sheng, so he will definitely agree."

This was the only way.

Old Master Qin's eyes lit up.

However...

As he thought of something, Old Master Qin's eyes dimmed again. "It's still not possible. We can't delay it for too long. In the end, they still have to hold the wedding within a year."

However, they couldn't think of any other way.

They could only follow Qin Yufei's suggestion.

Chapter 1316 It's All Under Fu Hanchuan's Control

The next day, Fu Hanchuan sat on the sofa in the living room. Old Master Lin, Old Master Lu, Old Master Qin, Qin Yufei, and the Lin brothers were all there.

Lin Haocheng saw Qin Sheng and Fu Hanchuan sitting together intimately.

Without thinking, he squeezed in between them and sat down, muttering, "Sheng Sheng, I'll be leaving home tomorrow to film for more than a month. I want to spend more time with you."

Fu Hanchuan's cold gaze landed on Lin Haocheng.

Lin Haocheng pretended not to know Fu Hanchuan's jealousy and sat there without moving. He only shrunk his neck and suppressed his fear.

Fu Hanchuan's gaze was too cold. Fortunately, he was mentally strong enough, or else he would have compromised a long time ago.

Old Master Lin gave Lin Haocheng a thumbs up. Well done.

"Today is exactly two years," Fu Hanchuan said expressionlessly.

Qin Yufei: "..."

Everyone else in the living room: "..."

As expected, the timing was so accurate. It seemed that Fu Hanchuan had been waiting for this day for a long time.

Fu Hanchuan continued, "It's time for Sheng Sheng and my wedding. You were the ones who said that we couldn't tell anyone within two years of getting our marriage certificate. We're married, and we can't hold a wedding. We can't sleep together either. I think you're all elders, so you won't go back on your words."

Fu Hanchuan picked up a cup of tea and drank it, ignoring the ugly expressions of the Qin and Lin family members. His actions were very pleasant.

His words hit the nail on the head.

Old Master Qin and the others naturally did not dare to go back on their words. Otherwise, how would Qin Sheng look at them?

Qin Yufei considered his words for a while and then said, "Hanchuan, don't worry. We all agree to your marriage with Sheng Sheng, but..."

Speaking up to this point, Qin Yufei's words stopped.

"But what?" Fu Hanchuan asked with raised eyebrows.

Qin Yufei replied, "However, your marriage with Sheng Sheng is very important. We have to pick a good day for you to get married."

"Yes." Fu Hanchuan nodded in agreement. His marriage with Qin Sheng could not be sloppy.

Qin Yufei heaved a sigh of relief. Then, he said, "Find a fortune-teller and let them calculate the time of the wedding."

Fu Hanchuan nodded without hesitation. "Alright."

Qin Yufei: "..."

He didn't expect Fu Hanchuan to agree so readily.

He felt that there was something fishy about this, but he could not tell what was wrong.

Qin Yufei rubbed the space between his eyebrows. He should be thinking too much.

The next second, Fu Hanchuan took the initiative and said, "Fortune teller, you guys go and look for him."

Qin Yufei was speechless again.

That strange feeling came again.

Would Fu Hanchuan be so kind?

Wasn't Fu Hanchuan worried that the fortune-teller was on his side?

This wasn't Fu Hanchuan's personality at all.

He should have interfered in this matter instead of taking the initiative like he was now.

Qin Yufei frowned.

A thought arose in his mind. Could it be that all their plans were under Fu Hanchuan's control?!

However, this thought was quickly thrown away by Qin Yufei.

He was the one who found this fortune-teller, and he had always sent people to take care of him. Fu Hanchuan had probably never seen him before.

Qin Yufei replied, "I've already found him. Butler, bring him in."

Soon, the butler brought in a person in Taoist robes.

What Qin Yufei didn't see was that the fortune-teller deliberately looked at him when he passed by Fu Hanchuan.

Chapter 1317 Backstabbed

"Master, I'll have to trouble you to calculate when my daughter and Fu Hanchuan's wedding can be held," said Qin Yufei.

The fortune-teller asked Qin Yufei for the exact time of Qin Sheng and Fu Hanchuan's birth.

Then, he pinched his fingers and began to count.

After a while, he opened his eyes and sighed. "These two people are really compatible. No matter which one of them is missing the other, they are incomplete."

Hearing this, the veins on Qin Yufei's forehead throbbed. He did not let the fortune-teller say this back then.

He glanced at Fu Hanchuan and felt that this matter had something to do with Fu Hanchuan.

However, when he saw that Fu Hanchuan's expression did not change at all, he stopped thinking about it.

He rubbed the space between his eyebrows again, hoping that he was thinking too much.

"Then, Master, when can they hold their wedding?" Old Master Qin asked impatiently.

"Have you registered your marriage?" the master asked.

Old Master Qin nodded and answered truthfully, "They've already received it."

"Alright." The master frowned and pondered for a moment, then said, "Only two months' time is needed. On May 13th, they can hold the wedding."

As soon as he finished speaking-

Qin Yufei: "..."

Old Master Qin: "..."

The others in the living room: "..."

Fu Hanchuan smiled. "Alright, I'll wait for another two months."

In fact, Fu Hanchuan had specially gone to the Qingyun Temple in the capital to get the master there to calculate the time. Then, he gave it to the fortune-teller that Qin Yufei had hired.

How could Qin Yufei not understand that he had fallen into Fu Hanchuan's trap again?

The expression on his face was indescribable. "Fu Hanchuan, how did you know about our plan?"

Fu Hanchuan did not hide anything. "There are surveillance cameras in the living room, and I prepared this fortune-teller for you in advance."

Old Master Qin glared at Qin Yufei. "You little brat, you're already in your forties. How could you be tricked by Fu Hanchuan?"

Qin Yufei allowed Old Master Qin to scold him. He did not refute. He was indeed careless in this matter.

After this incident, it was impossible for them to stop them from holding a wedding.

Qin Sheng was still too young to marry Fu Hanchuan at the age of 22...

Old Master Qin turned to look at Fu Hanchuan. When he faced Fu Hanchuan, his face turned even darker. "And you, Fu Hanchuan. How can you scheme against your elders like this?"

When Old Master Qin thought that after two months, Qin Sheng and Fu Hanchuan were going to hold a wedding, his heart was filled with panic. However, they couldn't find a reason to stop it.

The more he looked at Fu Hanchuan, the more he disliked him.

Fu Hanchuan glanced at him slowly and smiled. "Same here. We're on par when the elders scheme against the younger generation. Moreover, if I hadn't done this, you would probably have delayed it again and again."

Old Master Qin said angrily, "Sheng Sheng is only 22 years old!"

Fu Hanchuan smiled. "I've been with her for four years."

Old Master Qin couldn't find an excuse and scoffed. "You're an old cow eating young grass. You're five years older than Sheng Sheng."

Old Master Lu nodded in agreement.

However, Old Master Lu had forgotten that in order to get Fu Hanchuan to kidnap Qin Sheng back to the Lu family, he had thought that a five-year age gap was very suitable.

Fu Hanchuan did not deny it. "Two months. I'll hold the wedding when the time is up."

Old Master Qin was so angry that he could not say a word.

Chapter 1318 They're Getting Married

Qin Sheng's lips curled into a smile.

Old Master Qin wanted comfort from Qin Sheng.

However, when he turned around, he saw the smile on Qin Sheng's face.

Old Master Qin: "..."

The words he wanted to say were stuck in his throat. It seemed that Qin Sheng was willing to marry Fu Hanchuan.

Old Master Qin did not want to be snubbed anymore, so he could only sulk alone.

The other two old men had the same thoughts as Old Master Qin.

Fu Hanchuan narrowed his eyes and warned, "I hope you don't come up with any other schemes to stop us from getting married. Otherwise, don't blame me for leaving with Sheng Sheng and coming back after we get married."

Old Master Qin: "..."

Everyone else in the living room: "..."

Lin Haocheng was in a terrible mood. He stood up from the sofa with a sullen face. "Brother, let's go for a drink."

Lin Haoyu didn't refuse.

"I'm going too," Qin Yufei added.

Old Master Qin, Old Master Lu, and Old Master Lin followed him.

Only Qin Sheng and Fu Hanchuan were left in the living room.

Fu Hanchuan sat closer to Qin Sheng. He held Qin Sheng's hand and smiled. "Sheng Sheng, I will definitely give you the grandest wedding."

"Brother Fu, you've suffered these two years."

Fu Hanchuan rubbed the top of Qin Sheng's head lovingly. When he heard this, he could not help but laugh. "Sheng Sheng, do you think they can threaten me if I don't want to? After all, you're on my side."

This was his greatest asset.

Fu Hanchuan could guarantee that he would be the one Qin Sheng would be standing with when he, Old Master Qin, and Qin Yufei competed.

However, Fu Hanchuan did not want to put Qin Sheng in a difficult position.

Qin Sheng couldn't help but smile, her eyes curved into crescents.

Fu Hanchuan went to the company in the afternoon because he had some matters to attend to.

The corners of his lips curled up from time to time.

Obviously, he was in a good mood.

Lin Te couldn't help but ask curiously, "President, did something good happen to you?"

Fu Hanchuan's lips curled into a smile. He didn't hide anything. "Sheng Sheng and I will have our wedding in two months."

Lin Te was speechless. "So fast?"

Fu Hanchuan chuckled. "I've already registered with Sheng Sheng for two years."

Assistant Lin was even more surprised. "You two have been married for two years? President, you actually didn't publicize it?"

This really didn't suit Fu Hanchuan's personality.

Since they had gotten their marriage certificate, Fu Hanchuan must have wanted the whole world to know that he and Qin Sheng were married. Why had he hidden it for more than two years?

Fu Hanchuan frowned and shot a displeased look at Assistant Lin Te.

Lin Te quickly made a gesture of sewing his mouth.

"Get ready for the meeting."

"Yes."

While Lin Te was packing up the documents, he kept wondering why Fu Hanchuan did not publicize his marriage with Qin Sheng.

Five minutes later, he finally had some clues.

Fu Hanchuan must have been stopped by someone to keep it a secret.

Old Master Qin, Qin Yufei, and Old Master Lin would definitely stop Fu Hanchuan from marrying Qin Sheng.

If they joined forces, his CEO would not be able to take it.

Lin Te felt that he was close to the truth.

It seemed that he couldn't mention this matter in front of Hanchuan anymore.

At this meeting.

Fu Hanchuan was very easy to talk to. As long as there were no major problems, most proposals would be approved. Perhaps Fu Hanchuan would suggest some specific requirements for his subordinates to change.

Chapter 1319 Announce The Wedding

Fu Hanchuan's stern expression also changed, and his lips curled up into a smile from time to time.

Those subordinates could clearly sense that Fu Hanchuan was in a good mood.

They only needed to think for a moment to know that this was related to Qin Sheng. Only Qin Sheng could affect Fu Hanchuan's emotions.

Although they were curious, they didn't dare to ask Fu Hanchuan for the specific reason.

They could only stop Lin Te after Fu Hanchuan left the meeting room.

"Assistant Lin Te, what happened between the CEO and Miss Qin? Is there anything good?"

Lin Te helped them: "The President is holding a wedding with his wife in two months."

The subordinates were stunned. "A wedding? Assistant Lin Te, are you sure?"

Assistant Lin replied with certainty, "Of course, this is what the CEO said himself."

The subordinates were all excited. They had finally waited for the day of Fu Hanchuan's wedding.

For the past two years, Fu Hanchuan had always looked like he was not satisfied with what he wanted. They had been praying that Fu Hanchuan and Qin Sheng would get married soon. Now, they finally got what they had been waiting for.

After Fu Hanchuan got married, his temper would definitely improve a lot.

"Mr. Lin, you have to be by the President's side," one of his subordinates said. "You must keep an eye on him. Don't let anything happen to his marriage with Miss Qin."

Assistant Lin Te smiled. "With the President's ability, there shouldn't be any changes."

Hearing this, the subordinates looked suspicious.

That might not be the case.

Qin Sheng was twenty years old two years ago. If Fu Hanchan really had such ability, wouldn't he have gotten married a long time ago?

Assistant Lin Te added, "Also, you can tell everyone to double the bonus for each employee this month."

The subordinates cheered.

As expected, Fu Hanchuan, who was about to get married, was different.

The news of Qin Sheng and Fu Hanchuan's wedding spread.

The media and marketing accounts reported on it wantonly.

In just ten minutes, the topic of their marriage became the top trending topic on Weibo.

The netizens were discussing this matter intensely.

Beneath it was a sea of blessings.

[F*ck, they actually got married so quickly! President Fu is so fast!]

[Prince Charming Fu has finally returned with a beauty. It wasn't easy!]

[Two months, wait and see.]

[Sob, sob, sob, Sister Sheng is actually married. I, I'm heartbroken.]

[...]

Qin Sheng's fans were worried that this news was just a publicity stunt, so they ran over to Old Master Lu to verify it.

Old Master Lu ridiculed Fu Hanchuan in all sorts of ways.

The comments were posted in the group.

[Fu Hanchuan, that brat, is really sinister. He deliberately found a fortune-teller and said that the wedding would be most suitable to be held in two months.]

[He's five years older than Sheng Sheng, yet he still wants to marry Sheng Sheng. Isn't he an old cow eating young grass? He has the nerve?]

[If Sheng Sheng didn't like Fu Hanchuan and had her heart set on him, I would definitely introduce other young talents to her.]

[This Fu Hanchuan has been eyeing Sheng Sheng for a long time.]

[...]

Qin Sheng's fans: "..."

You must be mistaken. Fu Hanchuan is your biological grandson.

Why do you make it seem like Sheng Sheng is your granddaughter? And Fu Hanchuan is the stinky pig who stole your Qin Sheng?

The fans were speechless.

However, through Old Master Lu's words, they were also certain that Qin Sheng and Fu Hanchuan were indeed going to hold a wedding in two months!!

Qin Churou also saw the post.

All-Mighty Girl Gets Spoiled by A Bigshot

The Weibo post was attached with a picture of Fu Hanchuan and Qin Sheng holding hands. The sweetness between the two was almost overflowing from the screen.

Qin Churou gripped her phone tightly, her eyes filled with unwillingness.

In the past two years, Qin Churou had been busy filming and had not seen Qin Sheng in private. However, her hatred for Qin Sheng had not decreased at all.

She would often watch Qin Sheng and Fu Hanchuan's interaction on the internet as if she was torturing herself.

Qin Sheng was living a blissful life. There were still so many people doting on her.

Qin Churou could not accept this. She was busy filming every day. Even if she became the Best Actress in the future, she could only look up to Qin Sheng.

Qin Sheng's achievements could not be achieved even if she worked hard for several lifetimes.

"Qin Sheng!"

Qin Churou squeezed out these two words from between her teeth.

"Just you wait! I must be better than you!"

Qin Churou had been having the same dream for the past two years.

In the dream, she was glamorous, a master painter, and a world-famous movie queen.

The Qin Corporation became one of the top 50 companies in the world.

And Qin Sheng had always been used by her, working under her.

Qin Sheng had always been single and had not been with Fu Hanchuan.

Qin Churou had a feeling that something was wrong. Her life should be like in her dreams, not like this.

That dream was very real.

When she woke up, she was pulled back to reality.

However, Qin Churou stubbornly believed that it was a hint from the heavens that she would be able to live as comfortably as she had dreamed in the future...

Qin Churou's eyes darkened.

She would definitely take back everything that belonged to her in her dreams!

A call came in. It was Qin Churou's manager, Li Xueyun.

Qin Churou was now an A-list celebrity in the country and was very famous in China.

Li Xueyun's attitude toward Qin Churou was very good, and her tone was filled with unconcealable happiness. "Churou, as the female lead of 'The Harmony,' you've already been nominated for the Best Actress Award at the Hundred Flowers Awards. You have a very good chance of becoming the Best Actress."

Qin Churou stood up.

Her hands were trembling with excitement. "Sister Yun, is this true?"

Li Xueyun nodded with certainty. "Of course. I know the judges for the awards. I've compared the other nominees. You're the most likely to win Best Actress in Hundred Flowers Awards. In the future, your fame will definitely double. It shouldn't be too far away for you to win an international Oscar for Best Actress."

Li Xueyun was very confident in Qin Churou.

Qin Churou's acting skills were excellent, and she was a daring person. She had a good appearance and was willing to go all out for her own goals.

Such a person could do very well in the entertainment industry.

As expected, Qin Churou was only twenty-two years old, but she was able to become the Best Actress. She was the first person in the history of the entertainment industry to become the Best Actress at such a young age.

For the past two years, Qin Churou had been filming almost every day and had been the female lead of countless blockbusters.

Many of the viewership ratings were good.

Qin Churou already had 50 million fans.

If nothing unexpected happened, Qin Churou would very likely win an Oscar for Best Actress soon.

Li Xueyun was glad that she had chosen Qin Churou.

Qin Churou smiled smugly when she heard that.

However, she was still very humble on the surface. "Sister Yun, perhaps the other female leads are also very capable."

Li Xueyun smiled and said, "Churou, you shouldn't be so humble. How can those people compare to you? I can guarantee that this award will definitely be yours."
