

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1321 She's The Qin Family's Lucky Star

After Qin Churou and Li Xueyun hung up, she immediately contacted Qin Hai and told him the news.

Qin Hai was having a meeting with his subordinates.

In the past two years, because of Qin Churou, the company had developed very well.

Qin Entertainment was considered a relatively large entertainment company.

A phone rang.

Qin Hai picked up his phone and saw that it was Qin Churou.

He immediately raised his hand and interrupted his subordinate's report.

He picked up Qin Churou's call and was very nice to her. "Rou'er, aren't you filming at this hour?"

"Daddy." Qin Churou sounded very excited. "I've been nominated for the Best Actress Award at the Hundred Flowers Awards, and Sister Yun said that there's a high chance that I'll be the winner."

Qin Hai was stunned. He thought that he had misheard.

At Qin Churou's age, how could she be nominated for the Best Actress Award?

His voice trembled slightly. "Rou'er, is what you said true?"

Qin Churou nodded.

"Good, good, good."

Qin Hai stood up from his seat. "Rou'er, you are indeed as Master said. You are the lucky star of our Qin family!"

If their company produced a Best Actress Award for the Hundred Flowers Awards...

In the future, her reputation would definitely increase by a lot.

It would be very helpful to the development of Qin Entertainment.

Qin Churou smiled. "Dad, this is what I should do. I'm happy that the company can achieve great development."

"Rou'er, you don't have to work so hard normally. You need to rest well so that you can have a good body." Qin Hai suppressed the joy in his heart and asked with concern.

Qin Churou's lips curled into a disdainful smile.

How could she not tell that these words were not from Qin Hai's heart?

If he really cared about her, why didn't he mention anything about her acting and variety shows every day?

He only showed concern for her now. Did he really think that she was easy to fool?

In Qin Hai's eyes, there was only profit.

Qin Churou felt disgusted and did not want to continue talking to Qin Hai. "Daddy, I still have a scene to shoot."

"Okay, okay, okay. You go ahead and do your work."

After hanging up, the subordinates in the meeting room looked at Qin Hai curiously.

"Chairman, what happened?"

Qin Hai could not hide the smile on his face. "Churou has been nominated for the Best Actress Award for the Hundred Flowers Awards. It's very likely that she'll become the Best Actress Award for the Hundred Flowers Awards."

The subordinates were all surprised.

Wasn't Qin Churou only 22 years old? Would she be able to win this award?

However, if Qin Churou really became the Best Actress, it would be great for the company.

They started to congratulate him.

"Congratulations, Chairman. You really gave birth to a good daughter."

"That's great, Chairman. Our company will grow even faster in the future. If Miss Qin Churou really wins the Best Actress Award, our company won't have to worry about resources in the future."

"Yes, yes, yes. Miss Qin Churou is very capable and has good acting skills. She's also very good at picking out scripts that are very suitable for her. Miss Qin Churou is indeed born to be in the entertainment industry. All these years, the Best Actress Award has always been dominated by Shenghe Entertainment's artistes. We can finally get it once. Even Jiaxun Entertainment doesn't have the ability to do so."

"..."

Hearing their praise, Qin Hai could not help but feel proud.

Qin Churou was indeed a lucky star.

All these years, Qin Churou had contributed greatly to the development of Qin Entertainment.

Qin Hai was very satisfied with Qin Churou. The dissatisfaction he had with Qin Churou earlier had also disappeared.

He smiled and said, "This is all Rou'er's own credit."

All-Mighty Girl Gets Spoiled by A Bigshot

Many brands and directors had heard about it.

They also thought that Qin Churou was very likely to win the Best Actress Award at the Hundred Flowers Awards. Qin Churou's external image was indeed very good, and in the past two years, she had not had any scandals.

They were worried that Qin Churou's endorsements and movie variety shows would be full in the future.

They sent all kinds of invitations to Qin Churou in advance.

In an instant, Qin Churou had a lot of resources. Some of them were endorsers for big brands overseas, and the pay was generous.

Qin Churou followed Li Xueyun's suggestion and chose six brands, a variety show, and three movies to endorse.

The following year's schedule was packed.

Qin Sheng also saw the Weibo post about Qin Churou being nominated for the Best Actress Award at the Hundred Flowers Awards. The corners of her lips curled up.

Qin Churou was filming the script that she had written.

Qin Sheng couldn't wait any longer. She wanted to see Qin Churou become the Best Actress and lose her reputation.

Therefore, she decided to give Qin Churou an award-winning script as the female lead.

She only needed four days to write a script.

Her phone rang. Qin Sheng picked it up and saw that it was Qin Churou.

Qin Sheng narrowed her eyes. She could guess that Qin Churou was trying to show off to her.

Qin Sheng smiled and picked up Qin Churou's call.

"Qin Sheng," Qin Churou's call came from the other end of the phone.

Qin Sheng chuckled. "Qin Churou, long time no see."

Qin Churou didn't bother to be polite with Qin Sheng. She said directly, "Qin Sheng, I'm going to be the Best Actress soon. I'll be the youngest Best Actress in China to win the Hundred Flowers Awards."

Her voice was full of pride.

Qin Sheng raised her eyebrows. "Oh, and then?"

Qin Churou gritted her teeth. Why didn't Qin Sheng show any jealousy?

She was always like this. No matter what she faced, she was always calm.

Qin Churou took a deep breath and suppressed her hatred for Qin Sheng. She said mockingly, "Qin Sheng, with my own hard work, I can still succeed. There's no need for you to be high and mighty in front of me. One day, I'll surpass you."

Qin Sheng sneered. "Really? Qin Churou, I'm the CEO of Shengshi Corporation. You'll never be able to surpass me in your entire life."

Qin Churou choked.

She tightened her grip on her phone.

Qin Sheng did not want Qin Churou to have it easy, so she continued, "Qin Churou, do you really think you can hide the fact that you had plastic surgery, did all those things in H City, and slept with many men?"

Qin Churou had a bad premonition. She asked warily, "Qin Sheng, what do you want to do?"

Qin Sheng's gaze was ambiguous. "You'll know soon enough."

After saying that, Qin Sheng hung up the phone and didn't say anything more to Qin Churou.

Qin Sheng called Hong Yuan. "Uncle Hong, is the evidence ready?"

Hong Yuan replied respectfully, "Boss, don't worry. Everything has been arranged properly. There won't be any accidents."

When Hong Yuan found out that Qin Sheng was going to prank someone again, his face was filled with excitement. He couldn't wait to see the day of the Hundred Flowers Awards.

Ever since Qin Sheng's identity was exposed, very few people dared to provoke her.

After Shengshi Technology caused the Ye Corporation to go bankrupt, other companies did not dare to provoke Shengshi Technology.

Hong Yuan felt that it was a little boring without these scums coming up to be abused by Qin Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

Therefore, now that Qin Sheng wanted to mess with Qin Churou, he was full of energy again.

"Alright, then I'll have to trouble Uncle Hong." Qin Sheng nodded.

Just as she was about to hang up, Hong Yuan's anxious voice sounded again. "Boss, wait a moment."

Qin Sheng frowned. "Uncle Hong, is there anything else?"

Hong Yuan coughed lightly and asked without much hope, "Well, the CEO asked you when you'll come to the company. There are some contracts that need you to handle."

"If you really need my signature, get your secretary to send it over."

Hong Yuan: "..."

As expected, he knew that Qin Sheng would give this answer.

Hong Yuan agreed weakly. "Alright, I'll tell the CEO your answer later."

He spoke through gritted teeth.

Previously, Qin Sheng would use the excuse that she did not have time as an excuse, saying that she was very busy. A year after Qin Sheng graduated, she even became a CEO for a year. He originally thought that Qin Sheng had changed and became more diligent.

He did not expect that after only a year, she would hire another CEO to handle the company's affairs.

After that, she almost never came to the company anymore. She had all kinds of reasons to avoid it.

Hong Yuan's veins were bulging. How did he meet such a boss?

"Uncle Hong, do you have any other questions?" Qin Sheng asked with a smile.

Hong Yuan didn't want to talk to Qin Sheng anymore. "No."

After hanging up, Hong Yuan looked at his phone.

Three minutes later, he called Qin Sheng again. Sure enough, he heard a robotic female voice telling him that the other party had turned off her phone.

Hong Yuan was speechless again.

As expected, Qin Sheng had blacklisted him again.

Every time Qin Sheng needed him, she would drag him out of the blacklist. After using him, she would conveniently throw him back into the blacklist.

He really did not know who Qin Sheng had learned this behavior from!

It wasn't like they hadn't thought of resisting.

Once, Yu Bei had blacklisted Qin Sheng's phone number. Who knew that Qin Sheng would easily use hacking techniques to drag out the blacklist from Yu Bei's phone.

She even changed Yu Bei's computer wallpaper from a beautiful woman to a half-naked man.

He still couldn't change it.

There were a lot of important things inside, so Yu Bei couldn't change the computer.

He went to apologize to Qin Sheng, but Qin Sheng said it was troublesome and did not make a move.

When it was time, the computer wallpaper automatically changed back.

In the end, Yu Bei endured for more than a month.

For the past month, Yu Bei had been ridiculed by his colleagues because of this wallpaper.

After that, they would bring up this matter from time to time.

Although Yu Bei was a thick-skinned person, he couldn't stand such mockery.

From then on, they were all obedient and did not dare to resist Qin Sheng.

They couldn't do anything to Qin Sheng, but they would be the victims in the end.

They could not stand Qin Sheng's methods of dealing with people.

The Hundred Flowers Awards would officially begin in a week.

The Hundred Flowers Awards were very valuable.

Those artistes and directors were all proud of winning the Hundred Flowers Awards.

Those who could win the Hundred Flowers Award would receive a lot of resources in a short period of time.

Among them, the highest level of the Hundred Flowers Awards was the Best Actor and Best Actress awards.

Qin Sheng's status was very high. She was also the boss of the leading entertainment company in the country. Every year, she would be invited by the person in charge of the Hundred Flowers Awards to participate.

However, Qin Sheng rejected them all.

This year, the person in charge of the Hundred Flowers Awards invited Qin Sheng again. Initially, the person in charge did not have much hope for this matter.

Chapter 1324 The Blood-Sucking Worms On Qin Churou

Unexpectedly, Qin Sheng actually agreed.

Qin Sheng even asked the person-in-charge for a spot for Fu Hanchuan, so the person-in-charge was naturally very happy.

With these two big shots around, he had already expected the viewership ratings for this year's Hundred Flowers Awards to explode.

After getting Qin Sheng's approval, the person-in-charge began to publicize Qin Sheng's appearance at the Hundred Flowers Awards.

Qin Sheng was an internet celebrity with hundreds of millions of fans.

However, she was not a public figure after all. She rarely appeared in public.

Therefore, Qin Sheng rarely attended a live broadcast of the award ceremony.

The netizens were very excited.

Qin Churou gritted her teeth when she saw that Qin Sheng's popularity had surpassed hers.

She was very unwilling.

Why was this Qin Sheng always haunting her?

She wasn't a public figure, yet she came here to ride on the popularity!

Qin Churou stared at her phone. Soon, she received a call from Shen Mei.

"What's the matter?" Qin Churou picked up the call. Her tone was very unpleasant.

Shen Mei smiled and said, "Rou'er, I saw you on the internet. It's very likely that you'll become the Best Actress at the Hundred Flowers Awards. Your net worth will double. In the future, if you take on a variety show or TV series, you'll probably get tens of millions of dollars in salary."

Qin Churou narrowed her eyes. "What's your motive?"

Shen Mei said while eating melon seeds, "Nothing. I just feel that 500,000 yuan a month is too little. Now that your brother needs to spend money to go to school, and the expenses of the family are not high, we are your biological parents. We can't be too shabby, right? Otherwise, how will they look at you? This will embarrass you."

Qin Churou was already in a bad mood, and now her face was livid with anger. "Shen Mei, do you think 500,000 a month is not enough?! Where do you want me to get so much money for you?"

Over the past two years, Churou had been sending money to the Feng family every month.

However, Shen Mei's appetite was getting bigger and bigger. From 80,000 yuan a month to 500,000 yuan now.

Qin Churou could tell that Shen Mei was a blood-sucking worm that could not be fed.

Shen Mei said disapprovingly, "Rou'er, how can you talk so much? You'll be able to earn 6 million a month in the future, right? This 500,000 is nothing from that!"

Qin Churou took a deep breath and tried to calm her voice. "Tell me, how much do you want?"

Shen Mei didn't hesitate and directly said a number, "1.5 million."

Qin Churou's face darkened. "I have other things to do. I don't have that much money."

Shen Mei was unhappy. She scolded her with saliva flying everywhere, "This Qin Churou, I gave birth to you and raised you. You're not even going to give me 1.5 million a month, right? I thought you were a good person, but I didn't expect you to be an ingrate."

"If I hadn't swapped you with Qin Sheng, would you be able to enjoy such a good life? You would still doing farm work at home!"

"Let me tell you, if you don't give me the money, I'll expose what you've done!"

"I'll give it to you," Qin Churou said through gritted teeth.

Seeing that Qin Churou had agreed, Shen Mei smiled. "Alright, isn't that right? Rou'er, I'm doing this for your own good. If our Feng family becomes rich, everyone will think that you're filial. This will be very good for your reputation as a celebrity."

Qin Churou didn't say anything else and hung up the phone.

Her face darkened.

Shen Mei didn't mind Qin Churou's attitude. In her eyes, it was fine as long as Qin Churou gave her money.

Chapter 1325 Blame And Curse Qin Sheng

On the day of the Hundred Flowers Awards selection, netizens were waiting in front of their televisions and computers to watch the live broadcast.

Qin Sheng and Fu Hanchuan sat down in the first row in the middle.

Qin Churou stepped onto the red carpet and walked in. She was wearing a red gown, which made her look noble and elegant.

Many cameras were focused on her.

Qin Churou could feel everyone's gaze on her, and a smile appeared on her lips. She enjoyed being looked up to by others.

After Qin Churou signed her name on the wall, the staff led her to her seat.

The seat arranged for her was beside Qin Sheng.

Qin Churou could tell that Qin Sheng was sitting in the best seat in the room!

Her eyes were instantly filled with unwillingness.

Qin Sheng was not an artiste, so why did the organizers arrange such a good spot for her?

She was the one who was going to win the Best Actress Award this year, but she was still below Qin Sheng.

Even Fu Hanchuan had accompanied Qin Sheng over.

Fu Hanchuan, a proud son of heaven, was charmed by Qin Sheng.

Qin Churou retracted her thoughts. She knew that now was not the time to provoke Qin Sheng.

She was not strong enough.

She forced a smile and extended her hand to greet her. "Hello, Qin Sheng."

Qin Sheng glanced at her indifferently and ignored her.

Qin Churou's face stiffened.

She could only retract her hand and hide her embarrassment with a smile.

"Qin Sheng, are you dissatisfied with me?"

Qin Sheng didn't give Qin Churou any face. She smiled and said, "Are you worthy of talking to me?"

Qin Churou could already feel the strange gazes from the other artistes around her.

Qin Churou clenched her fists by her sides and smiled awkwardly. "Miss Qin Sheng, you have a personality."

Qin Sheng embarrassed her, so Qin Churou did not provoke Qin Sheng anymore.

She cared about her reputation and did not want to give her face to Qin Sheng.

Qin Sheng sat there like a huge glowing object.

Her fans couldn't take their eyes off her sitting there.

There were three cameras in the venue that were specifically filming Qin Sheng.

Moreover, the person in charge of the Hundred Flowers Awards thought highly of Qin Sheng, so he instructed the staff to give Qin Sheng more shots.

The scene between them just now was broadcast live on the internet.

Qin Churou's fans exploded with comments.

[How shameless is this Qin Sheng to treat Churou like this? She had taken the initiative to greet her, yet she still dared to say that Churou was not worthy of talking to her. Is Qin Sheng really using her status to act so lawlessly?]

[Hehe, this is Qin Sheng's character? I vomited.]

[All of you are sucking up to Qin Sheng's smelly feet. Is a person of Qin Sheng's caliber worthy of you sucking up to her?]

[...]

There were fans of Qin Churou and haters of Qin Sheng who criticized her.

There was almost no dirt on Qin Sheng.

This time, they had finally gotten the chance to criticize Qin Sheng. Naturally, they were not willing to let it go.

Qin Churou looked at the comments and smiled.

She was in a good mood.

Qin Churou enjoyed watching Qin Sheng being criticized and scolded.

In the beginning, they were all cursing Qin Sheng. In less than two minutes, Qin Sheng's fans had all moved out.

Qin Sheng had hundreds of millions of fans on Weibo. Most of them were live fans and diehard fans. On the internet, Qin Sheng's fans were the most powerful.

Seeing these people criticize and curse Qin Sheng, they immediately retorted.

All-Mighty Girl Gets Spoiled by A Bigshot

[Bullsh*t! How dare you say that Sister Sheng's character is bad? My Sister Sheng has the right to be arrogant. What, you're not convinced? If you're not convinced, hold it in!]

[Qin Churou is just an artiste, but our Sister Sheng comes from a good family. She's also a world-class artist, a medical expert, an entrepreneur, and almost forgot, a computer scientist. Which of these achievements can Qin Churou compare to?]

[Right, right, right. Qin Churou can't even compare to Sister Sheng's toe. She didn't even say anything, so why are you fans having an climax here?]

[Qin Churou should reflect on herself. Sister Sheng has always been polite to others, but she's treating her like this.]

[Sister Sheng is indeed domineering!]

[Sister Sheng has such a temperament!]

[...]

This time, Qin Sheng's fans once again demonstrated their combat effectiveness.

Their comments filled the bullet screen.

Meanwhile, Qin Churou's fans and Qin Sheng's haters' comments were squeezed into the comments that were criticizing them, so they were not eye-catching.

Qin Churou was so angry that her face turned green.

She took a deep breath and forced herself to calm down.

Qin Churou bit her lips again when she looked at Qin Sheng. Her eyes were filled with hatred.

Qin Sheng noticed Qin Churou's gaze and returned her a smile.

In Qin Churou's eyes, this smile was provocative and smug.

Qin Churou was furious again, but she didn't dare to show any signs of abnormality as the cameras were all over the place.

Qin Churou's appearance was considered a beauty in the entertainment industry, especially her soft and weak temperament, which made people want to protect her.

However, sitting next to Qin Sheng...

Qin Churou was completely outshone. Her originally pretty face was now accentuated by Qin Sheng, making her look like an ordinary person.

That soft and weak appearance also seemed a little pretentious.

The cameramen who were still taking pictures of Qin Churou silently shifted their cameras to Qin Sheng.

The director did not stop him.

Soon, the awards had passed one by one.

Among them, Qin Sheng's Shenghe Entertainment won two-thirds of the awards. Best Supporting Actor, Best Supporting Actress, Best Film, Best Actor, and other major awards all fell into Shenghe Entertainment's hands.

Qin Hai sat in the middle of the hall.

His expression was ugly.

Qin Sheng was indeed a scourge.

At that time, Qin Real Estate was in a crisis mainly because of Qin Sheng.

Now that he had opened an entertainment company, Qin Sheng wanted to get involved.

Without Shenghe Entertainment, Qin Entertainment would not have developed so slowly.

When Qin Hai's gaze landed on Qin Churou, his gaze softened.

Fortunately, their company had Qin Churou. Otherwise, they wouldn't have been able to develop.

Over the years, Qin Churou had fought for a lot of resources for the Qin Entertainment to grow bigger and bigger.

If Qin Churou really won the Best Actress Award today, she would definitely get more resources in the future.

Qin Hai was very confident.

There were two hosts on the stage, a man and a woman.

The female host announced, "Next up, we will be presenting the Best Actress Award for the Hundred Flowers Awards. Who are the female leads nominated? Now, please look at the big screen..."

The names of several female leads and their movies quickly appeared on the big screen.

Qin Churou sat on the chair, her heart almost jumping to her throat.

Even though she knew that the Best Actress Award would be hers if nothing unexpected happened, she was still very nervous. Even her palms were sweating.

All-Mighty Girl Gets Spoiled by A Bigshot

"Now, let's reveal the winner of the 23rd Hundred Flowers Awards. It's..."

At this point, the female host deliberately kept them in suspense.

The male host held the microphone and smiled. "Don't keep us in suspense. Tell us quickly. Everyone is waiting."

"Since you won't say it, then let me do it."

The male host took the card from the female host's hand. When he saw the name on it, he pretended to be surprised. "Oh, it's her?"

"Yeah, you must be surprised. This is the first time such a young actress has been crowned Best Actress since the Hundred Flowers Awards was held. She's very capable and her acting skills have been praised by many older artists. She's still in her fourth year and she already has such achievements."

The female host's words had already made it very clear.

Most of the cameras were focused on Qin Churou. A smile appeared on her face.

"I really won't keep you in suspense this time. The winner of this year's Best Actress Award is the actress of 'The Harmony', Qin Churou."

As soon as the female host finished speaking, thunderous applause erupted from the venue.

"Now, let's welcome Qin Churou to the stage to receive the award."

Qin Churou smiled gently. She got up from her seat and deliberately glanced at Qin Sheng with a smug look in her eyes.

She was thinking that Qin Sheng would definitely feel terrible when she saw that she had become a movie queen.

Even if Qin Sheng acted like she didn't care, she might feel terrible inside.

Qin Churou lifted the hem of her dress and walked onto the stage.

Qin Hai heaved a sigh of relief. Qin Churou was indeed the winner of the Best Actress Award.

He could not help but show off to the others, "I didn't expect my daughter to be so outstanding. She actually won the Best Actress Award before she graduated."

His tone was full of pride.

Most of the people sitting next to Qin Hai were B-list actors. They recognized Qin Hai as the chairman of Qin Entertainment.

Qin Entertainment was still an inconspicuous entertainment company, but with Qin Churou's reputation, it would not be too bad in the future.

All of these actors had the intention to curry favor with Qin Hai.

They began to flatter her.

"Indeed, Miss Qin Churou is now a famous A-list celebrity. It only took her four years to become the Best Actress. It's difficult for an ordinary celebrity to achieve this. Of course, Miss Qin Churou's hard work is also a big reason."

"Chairman Qin, with Best Actress Qin around, the future of Qin Entertainment is limitless."

"..."

Qin Hai's lips curled up as he listened to their praises. Clearly, he was in a good mood.

Qin Churou's fans were also excited.

They started to spammer on the bullet screen.

[Hahahaha, I told you that our goddess was the Best Actress, and she really is. If it were up to me, with our goddess' acting skills, if she wasn't this year's Best Actress, I'm afraid I would have thought that there was something going on at the Hundred Flowers Awards.]

[Qin Churou is so awesome. She won the Best Actress Award at the age of 22, becoming the youngest Best Actress. I'm afraid she'll be able to win an international Oscar in a few years.]

[I'm cheering for Goddess Qin Churou like crazy. For the past few years, Goddess Qin Churou has been busy filming without a single day of rest. Goddess Qin Churou has been working hard, and all of us fans have seen it. Goddess Qin Churou deserves to win the Best Actress Award.]

[...]

Qin Churou's fans were all proud of Qin Churou and felt that they had followed the right idol.

Qin Churou was very positive.

At least in the eyes of these fans, Qin Churou was like this.

All-Mighty Girl Gets Spoiled by A Bigshot

Chapter 1328 Qin Sheng Is the Scriptwriter

Qin Churou stood on the stage as a prestigious veteran actor presented her with an award.

"Qin Churou, you've become the youngest Best Actress of the Hundred Flowers Awards. Do you have anything to say?" the female host asked with a smile.

Qin Churou walked to the microphone and gave her acceptance speech.

"I'm very surprised to be able to receive the Best Actress Award this time. Here, I would like to thank my manager, father, and all the fans who have supported me..."

Qin Churou was giving her acceptance speech.

Some of the celebrities felt bored and had already taken out their phones to watch.

The topic about Qin Churou had already become the top trending topic on Weibo, suppressing the topic of Qin Churou becoming the youngest Best Actress at the Hundred Flowers Awards.

They saw the contents inside.

They widened their eyes in disbelief.

After a short while, the crowd started to chatter. Very few people were listening to Qin Churou anymore.

Qin Churou was so immersed in her joy that she didn't notice the change in the venue.

After giving her acceptance speech for nearly five minutes, Qin Churou returned to her seat.

Qin Churou lowered her voice so that the two of them could hear her. "Qin Sheng, I, Qin Churou, will never lose to you."

Her voice was full of pride.

Qin Sheng waved her phone and reminded her kindly, "Qin Churou, do you want to calm.

"Qin Sheng, what could happen to me? I know you don't want to live a good life, but take a look at Weibo? There should be something you're interested in on the trending searches."

Qin Churou suddenly had a bad feeling.

The people sitting next to her were all A-list celebrities.

Everyone's words and actions were noticed.

They were worried that someone would catch them, so they didn't dare to discuss Qin Churou's matter.

However, they kept casting strange looks at Qin Churou.

Qin Churou was very sensitive. She could feel the difference, so she pretended to be calm.

"Qin Sheng, what could happen to me? I know you don't want to live a good life, but what good will it do you to lie like this?"

Qin Sheng only smiled and said nothing.

Qin Churou was restless and her fists on her legs were clenched tightly.

Every minute and every second was torturous.

Qin Churou really wanted to take out her phone to take a look, but because Qin Sheng was here, she did not want to look at her phone. This would show that she had compromised.

Qin Churou lasted for half an hour.

The awards ceremony finally ended.

Qin Sheng looked at Qin Churou meaningfully and smiled. "Qin Churou, it's time for you to pay me back for everything you've done to me. Oh, right, I'm Sheng. I specially wrote the 'The Harmony' for you so that you can become the Best Actress sooner."

Qin Churou's heart tightened.

She couldn't help but exclaim, "Qin Sheng, you're the scriptwriter Sheng!!"

The other celebrities who hadn't left were stunned. The screenwriter Sheng... Was it what they were thinking?

Sheng was very famous in China and could be considered a top screenwriter.

All the scripts that she wrote and filmed were popular. Of course, these scripts were handed over to Shenghe Entertainment to decide.

No other entertainment company had the chance to film Sheng's script.

Sheng was very mysterious.

Many people thought that Sheng was Qin Sheng. Some people even went to Qin Sheng's Weibo to ask her, but Qin Sheng never responded.

However, Sheng's first novel was eight years ago.

If Qin Sheng was Sheng, wouldn't she have written a popular novel when she was fourteen?

It was almost impossible.

Therefore, those people no longer thought that Qin Sheng was the scriptwriter, Sheng.

All-Mighty Girl Gets Spoiled by A Bigshot

Chapter 1329 Breaking News and a Scandal

As for the 'The Harmony,' it was indeed a novel written by Sheng.

The reporter asked why Qin Churou was chosen to be the female lead of the novel and not an artiste from Shenghe Entertainment.

Shenghe Entertainment's answer was that Qin Churou's image was more suitable for the female lead.

Unexpectedly, Qin Churou would mention that Qin Sheng was the screenwriter...

Those celebrities all looked at Qin Sheng, waiting for her answer.

Qin Sheng smiled. "That's right."

She lowered her voice and whispered into Qin Churou's ear like a demon, "Qin Churou, please enjoy my arrangements."

With that, Qin Sheng straightened her body and left the venue with Fu Hanchuan.

Those celebrities, both A-listers and B-listers, started discussing. "Qin Sheng is really the scriptwriter Sheng. No wonder she gave the script to Shenghe Entertainment."

"Qin Sheng wrote a blockbuster novel when she was fourteen. That's amazing."

"Qin Sheng is only 22 years old now. I'm very curious. How did she have the time to learn so many skills? No matter which honor she has, it is an achievement that we will never be able to achieve in our lifetime."

"She's a genius, right? We ordinary people can't compare to her."

"..."

After that, these celebrities were all chatting happily. Now that the cameras in the venue had basically been removed, they had no more scruples.

"I heard Qin Sheng say that she was the one who pushed Qin Churou to become the Best Actress today? Didn't Qin Sheng have a grudge against Qin Churou? Why did she help her?"

"I'm wondering if Qin Sheng was the one who set up Qin Churou's scandal today."

"As long as it's not to slander Qin Churou, so what if Qin Sheng designed it? It's just that Qin Churou hasn't even gotten her position as the Best Actress yet, and this happened. Her future is ruined. There are even marketing accounts saying that Qin Churou has a chance of becoming an Oscar-winning Best Actress. Heh, isn't this a dream?"

"I didn't expect Qin Churou to have such a chaotic private life and be so vicious. It's a new understanding of her."

"Jade girl? I think it's more like a lustful girl."

"..."

Qin Churou's face turned green with anger when she heard their conversation.

At the same time, she sensed that something was wrong.

What Qin Sheng said just now...

Qin Churou's heart skipped a beat. She quickly took out her phone, but before she could unlock it...

A phone smashed into Qin Churou's body!

Qin Churou was stunned. Her hand froze. She raised her head and saw Qin Hai's ashen face.

"Daddy, you?"

Qin Churou's heart skipped a beat. She had a bad feeling.

Qin Hai's face darkened. "Qin Churou, look at what you've done. Now, the company is going to be implicated by you!"

Qin Churou lowered her head to look at the phone on the floor.

Her heart was beating very fast.

She crouched down and picked up the phone with trembling hands.

It showed the top trending post on Weibo, which was exposed by a big account on Weibo.

Before Qin Churou could read the content, she saw a photo and her face turned pale.

This was a photo of her in bed with a director...

Her actions were unsightly.

She was very loose in the photo.

There were also many photos from various angles, investors, and actors... All kinds of men.

There were also a few men, a few women, a man and a woman...

Chapter 1330 Breaking News And A Scandal

2

Qin Churou didn't dare to read the comments on Weibo anymore.

With just a little thought, one could know what the contents were.

Qin Churou's face was as pale as a sheet.

Her mind was blank.

Her mind was filled with...

How was this possible?

How did these photos of her leak out?

She had done it very secretly. It had been more than two years, and these scandals had never appeared. How could they be exposed now?

Qin Churou didn't want to sleep with these men.

It was just that Qin Hai was incompetent. In addition, the company was small, and Qin Churou was anxious for success. She did not want to climb up step by step.

She couldn't wait to achieve success and then suppress Qin Sheng under her feet.

Therefore, she could only obtain all sorts of resources by sleeping with others.

In the past three years, she had achieved very good results.

Qin Churou had never thought that when she was sleeping with them, she would be exposed. Furthermore, there were all kinds of photos of her sleeping with men!

At that moment, Qin Churou remembered the meaningful smile Qin Sheng gave her when she left.

It must be her! Qin Sheng!

Qin Churou was anxious to shake the pan. She grabbed Qin Hai's hand. "Daddy, this must be Qin Sheng's scheme. It must be!"

Qin Hai's expression was very ugly. "Qin Churou, Qin Sheng wouldn't do such a stupid thing. She won't take out photoshopped photos out of thin air. Do you dare to say that the photos here are fake?"

Qin Churou gritted her teeth and didn't say anything.

It was indeed true...

If she dared to lie, her lie would definitely be exposed once it was verified.

She could not hide it for long...

"Qin Churou, you have disappointed me." Qin Hai shook off Qin Churou's hand.

Qin Churou was still pleading. "Daddy, I'm the Best Actress and I'm going to win the Oscar in the future. My future can't be ruined by these photos. If I'm done for, the company will be done for as well. Quickly arrange for someone to delete these photos and get the public relations department to suppress this matter."

"This incident has already happened for half an hour and has already spread all over the internet. How can I suppress it? There must be a lot of screenshots from those netizens. Even if they were deleted, they would still pop up."

Doing so was undoubtedly a waste of money.

All of this was obviously arranged by Qin Sheng. Qin Sheng must have made ample preparations.

Qin Entertainment going up against their company was akin to hitting a rock with an egg.

No matter how much money was invested, it would all go down the drain.

Qin Hai's business acumen was very poor, but he was very clear on this matter.

Qin Churou's face was extremely pale.

If she allowed this matter to ferment, her future in the entertainment industry would definitely be ruined...

Qin Churou's tone was almost pleading. "Daddy, you have to help me. I'm your daughter. I'm the one who's supporting the development of Qin Entertainment! If something happens to me, Qin Entertainment will also go bankrupt."

Hearing this, Qin Hai felt extremely uncomfortable.

Wasn't Qin Churou saying that he was powerless and that he was relying on a woman to develop the company?

This was indeed the case.

However, Qin Churou had said it out loud in front of so many people. Wasn't she throwing his face onto the ground and stepping on it?

Qin Hai looked at Qin Churou with a heavy gaze. His tone did not soften. "Churou, let's go back first and discuss this."

However, it was uncertain if he would help Qin Churou clarify things when they went back to discuss it.
