# All-Mighty Girl Gets Spoiled by A Bigshot

1341 Interrogating Lin Shuya

A minute later.

His face was ashen, and his hands were trembling in anger. Lin Shuya had really lied to him. Qin Sheng was really not his daughter, so he only had one biological son.

Li Yan had already taken him away.

He might not be able to see his son for the rest of his life.

Qin Hai's hands were tightly gripping the document in his hands, his eyes bloodshot.

Qin Sheng looked at Qin Hai's expression in a good mood. "Qin Hai, I'm Qin Yufei's biological daughter. Actually, this matter has long been exposed, but it was suppressed by Qin Churou."

Qin Hai's gaze was heavy. No one knew what he was thinking.

Qin Sheng smiled and continued, "Before I met Qin Yufei, Qin Churou already knew about my relationship with Qin Yufei. Lin Shuya and Qin Churou joined forces to acknowledge Qin Yufei as their father, but we saw through it in time."

"So, you have no right to order me to do anything as my father."

After saying this, Qin Sheng picked up a cup of tea and sipped it carefully.

Qin Hai gritted his teeth and stood up. He did not continue to stay in the HD Group and walked out of the building.

If he was really Qin Sheng's biological father, Qin Sheng might not even help him, let alone not.

He would not give his face to Qin Sheng.

It was mainly Lin Shuya!

Qin Hai's face was so dark that ink could drip out. He came to Qin Churou's apartment. Lin Shuya lived here, and Qin Churou had given him the key.

Qin Hai immediately opened the door to her apartment.

Lin Shuya was watching television in the living room. When she saw Qin Hai, she was surprised. “Brother Hai, why are you here?”

She went up to him.

Qin Hai’s expression was extremely ugly. Without saying a word, he entered the living room.

Lin Shuya thought about Qin Churou and advised, “Brother Hai, Rou’er is your daughter and has contributed a lot to the company. Now that something has happened to Rou’er, you can’t just ignore it.”

Qin Hai sneered. “Lin Shuya, let me ask you. Is Qin Sheng my daughter?”

Lin Shuya was stunned and nodded subconsciously. “Brother Hai, she is indeed your daughter. You are my only man.”

Qin Hai threw the paternity test report that Qin Sheng had given him at Lin Shuya’s face.

“Lin Shuya, look at this,” he said in a deep voice.

Lin Shuya lowered her head. She had already realized what Qin Hai was talking about.

Wasn’t this already arranged?

How did Qin Hai know?

Lin Shuya picked up the report shakily.

After reading the content, Lin Shuya was completely flustered. Although she did not like Qin Hai now, she had been relying on Qin Hai’s money to survive. She was still very dependent on Qin Hai.

Moreover, she had hidden this matter for so many years.

Lin Shuya couldn’t suppress the panic in her heart when she was suddenly exposed. She threw the document away like she was avoiding the plague.

Lin Shuya explained in a panic, “Brother Hai, you listen to me, I was forced to do it, I treated him as you, I had s\*x with him. After I got pregnant, I thought she was your child. Really, Brother Hai, you believe me, I’ve never had s\*x with another man except for that man.”

Qin Hai sneered. “Lin Shuya, can I still trust you?”

Lin Shuya still held onto Qin Hai's arm tightly, unwilling to let go.

Qin Hai tried his best to suppress the anger in his heart. "Lin Shuya, I can let bygones be bygones, but I have one condition."

## Chapter 1342 Qin Sheng Is The Lucky Star

"What condition? Tell me."

"Contact the Lin family and ask them to help our company tide over this crisis."

Lin Shuya released Qin Hai, her face pale.

Qin Churou had mentioned this to her before, asking her to return to the Qin family. She had thought about it for two whole days, but she still could not make up her mind.

She was mainly afraid of losing face in front of the Lin family.

Furthermore, Qin Hai wanted her to go back to the Lin family and ask them to help the Qin Corporation. Wasn't this telling the Lin family that she would only go back because she couldn't live outside?

Qin Hai's gaze was dark as he warned, "If you don't help me, then we'll get a divorce. Lin Shuya, our entire family is relying on Qin Entertainment to survive. If you don't go, then you can just wait to sleep on the streets."

Lin Shuya gritted her teeth and finally made up her mind.

"Okay, Brother Hai, I'll go to the Lin family tomorrow."

"I hope so. Also, Lin Shuya, you don't have to be too nice to Qin Churou. I've asked that Master from the Qingfeng Temple. Qin Churou isn't a lucky star. Qin Sheng is the lucky star. Don't be cheated by Qin Churou!"

After saying that, Qin Hai slammed the door and left. Qin Churou's apartment was very big, and Qin Hai could stay there. However, he did not want to see Lin Shuya.

Lin Shuya constantly reminded him that he had been cheated on by a woman for more than twenty years!

As soon as he returned to the car, Qin Hai received a call.

It was his subordinate.

"What's the matter?" Qin Hai frowned.

"Chairman," the subordinate replied anxiously, "the deadline for paying the penalty to those companies is tomorrow. We're still short of 30 million."

"Chairman, um, have you prepared the money?" he asked carefully.

Qin Hai gritted his teeth. "Let's wait for a while. If nothing goes wrong, we'll get the money tomorrow."

It really couldn't work...

He had to mortgage the Qin Residence.

"Alright." The subordinate was relieved.

Qin Hai hung up the phone and casually threw it onto the sofa.

He closed his eyes and massaged his forehead.

A deep sense of powerlessness welled up in his heart.

Lin Shuya was stunned.

Qin Churou was not the lucky star, but Qin Sheng was?

Lin Shuya's mind was in a mess.

How could that bastard Qin Sheng be the lucky star?

Half an hour later, Lin Shuya was still sitting on the sofa when Qin Churou returned. She sat down beside Lin Shuya and hugged her arms. She said coquettishly, "Mom, what are you thinking about? You didn't even know that I was back."

Lin Shuya's gaze slowly shifted to Qin Churou.

She hesitated for a moment before asking, "Rou'er, um, your father said that Qin Sheng is the lucky star that the Master of Qingfeng Temple mentioned."

Qin Churou's pupils constricted.

Qin Hai had really gone to Qingfeng Temple to ask?

Qin Churou quickly thought of a countermeasure in her mind.

If Qin Hai knew that there was nothing wrong with this, Qin Entertainment would be half-dead by now.

But she couldn't let Lin Shuya have a problem with her because of this.

Behind Lin Shuya was the Lin family.

If Lin Shuya returned to the Lin family, she would have a chance to make a comeback. However, if Lin Shuya gave up on her, she would have nothing left.

Qin Churou bit her lip and stuttered, "Mom, actually, I asked the master of Qingfeng Temple two years ago. At that time, I already knew, but I didn't dare to tell you."

Qin Churou looked at Lin Shuya with reddened eyes.

"Mom, I'm the lucky star. That's why Qin Hai has always been so good to me. I also know that you truly like me, but I'm still worried that you'll hold a grudge against me because of this matter, so I didn't dare to mention it to you. Mom, I don't want you to have any opinions about me."

## Chapter 1343 Going To Look For Old Master Lin

Qin Churou then pinched the corner of her clothes. "Qin Sheng is the lucky star. Mom, I don't think I can be so selfish. Why don't you go back to Qin Sheng's side and stop interacting with me?"

"You're Qin Sheng's biological mother. I think she's willing to forgive you. I don't have any other requests. Mom, I just hope that you can remember our mother-daughter relationship."

Lin Shuya's heart softened when she heard Qin Churou's words.

She hugged Qin Churou and patted her shoulder. "You silly child, what are you saying? It doesn't matter if you're the lucky star or not. You'll always be my good daughter."

"As for Qin Sheng, I, Lin Shuya, can't afford to have a daughter like that."

Qin Churou nodded with red eyes. She was touched. "Thank you, Mom."

"Rou'er, don't worry," Lin Shuya said. "Mommy will return to the Lin family and ask them to clear your name."

"Yes."

Qin Churou's eyes flickered.

Even if Lin Shuya returned to the Lin family, she would still make Lin Shuya divorce him.

Qin Hai had treated her like this. Qin Churou did not want Qin Hai to get any benefits from the Qin family.

--

The next day, Lin Shuya dawdled out of the house and went to the Lin family's house.

She stood in front of the Lin family's villa and kept looking inside.

She did not dare to enter.

The guard frowned and went forward. "What's the matter?"

Lin Shuya moved her lips. She hesitated for a long time before answering, "Um, I'm Lin Shuya, your master's daughter. Can you let me in to look for my father?"

It had been more than twenty years since Lin Shuya left the Lin family.

The guard was new and had never seen her before.

He thought that Lin Shuya was here to build a relationship and impatiently chased her away. "Go, go, go. You'd better not block the way here. I've never heard that my master has a daughter or anything. If you want to curry favor with the Lin family, you'd better give up."

The Lin family was a wealthy family in the capital. There were often people who brought gifts to curry favor with the Lin family or begged the Lin family to do anything.

It was obvious that the guard had taken Lin Shuya as this type of person.

The security guard wouldn't let her in, so Lin Shuya could only wait outside.

She gritted her teeth and glared at the guard.

She was the eldest daughter of the Lin family. A small guard dared to stop her from entering the Lin family.

What was he?

When she returned to the Lin family, she would definitely fire him.

The security guard did not know what Lin Shuya was thinking. Of course, even if he knew, he would not let Lin Shuya in.

Old Master Lin lived in the Qin family and rarely returned to the Lin family. Naturally, Lin Shuya did not see Old Master Lin in front of the Lin family villa.

Lin Haocheng was filming outside.

Lin Haoyu and Father Lin were also in the company. They had urgent matters to deal with, so they came back very late.

It was the end of the day.

The sky gradually darkened.

Lin Shuya was getting impatient from waiting. If Qin Hai had not been urging her on the phone, she would have gone back a long time ago.

She looked at the time again. It was already 6 o'clock. She had not even eaten lunch.

At this moment, Lin Shuya was starving.

She gritted her teeth and left. She returned to Qin Churou's apartment.

The moment Lin Shuya entered, Qin Churou went up to her. "Mom, have you seen Grandpa?"

Lin Shuya took off her shoes and went straight to the dining room.

Hearing Qin Churou's words, Lin Shuya was furious. "I didn't see him. Instead, it's that guard who doesn't care about me. When I return to the Lin family, I won't let him off."

## All-Mighty Girl Gets Spoiled by A Bigshot

1344 I'm Dad's Daughter

"Why is the guard's attitude so bad?" Qin Churou frowned.

"Mom, will you go again tomorrow?" she asked again.

Her eyes were filled with hope.

Lin Shuya's hand paused. She wanted to deny it. She had already mustered up all her courage today.

However, when she met Qin Churou's gaze, she thought of how Qin Churou had been slandered on the internet. She could only nod her head.

Qin Churou heaved a sigh of relief.

She thought of something and reminded her again, "Mom, if you get money from the Lin family, don't tell Dad yet."

Lin Shuya had always trusted Qin Churou.

She nodded without hesitation. "Alright."

On the other side, when Qin Hai found out that Lin Shuya had not met with the Lin family, he was furious. As expected, she was useless!

His subordinate called again to urge him. "Chairman, the penalty for breach of contract..."

Before he could say anything, Qin Hai interrupted him. "Use my house as collateral to get a loan from the bank."

With the current situation of Qin Entertainment, those banks would not dare to lend money to Qin Hai casually.

He could only use his house as collateral.

It was not that Qin Hai had not asked for money from companies that he had once been on good terms with, but when they saw that Qin Entertainment was in a crisis, and the main reason was because of Qin Sheng, how could they dare to help Qin Hai?

Each and every one of them wished they could sever all ties with Qin Hai, let alone lend him money.

"Yes." The subordinate agreed.

Qin Hai placed his phone on the table and rubbed his forehead once more. He was having a terrible headache.

The company's crisis this time was too quick. He could not count on Qin Sheng. He could only see if Lin Shuya could repair her relationship with the Lin family.

As long as Lin Shuya could return to the Lin family, he would be able to reap endless benefits.

For a wealthy family like the Lin family, as long as he had a little money under their fingernails, it would be enough for him to squander.

However, could Lin Shuya really return to the Lin family?

The next day, Lin Shuya came to the Lin family's villa again, but she still didn't see him.

There was nothing on the third day either.

On the fourth day, Lin Shuya finally managed to stop a car.

The driver in front quickly stepped on the emergency brake.

His heart was beating so fast because he almost bumped into someone.

He got out of the car and scolded Lin Shuya. "What's wrong with you? Do you want to die?"

Lin Shuya thought that this driver was in his forties and should know that she was the young lady of the Lin family.

Lin Shuya suppressed her dissatisfaction with the chauffeur and said good-naturedly, "Um, I'm Lin Shuya, the eldest daughter of the Lin family. I want to see Chengye or my father."

The driver frowned. "Lin Shuya?"

In the car, Lin Haoyu heard what the driver said. He rolled down the window and frowned when he saw Lin Shuya.

Qin Sheng sat beside Lin Haoyu. When she heard Lin Haoyu's words, she put down her phone and looked out the window. Indeed, she saw Lin Shuya.

She had expected Lin Shuya to come over.

Now that Qin Entertainment was in danger and Qin Churou was involved in the scandal, only the Lin family could help them.

Qin Churou and Qin Hai would definitely ask Lin Shuya to return to the Lin family so that they could solve their problems through the Lin family.

Lin Haoyu frowned.

He was worried that Qin Sheng would overthink things. "Sheng Sheng, don't worry. We won't let Lin Shuya come back. Grandfather won't be senile. There's no one like Lin Shuya in the Lin family."

Qin Sheng nodded. "I'm not worried."

Lin Haoyu was relieved.

## Chapter 1345 - 1345 I Really Want to Strangle You to Death

1345 I Really Want to Strangle You to Death

When Lin Shuya saw Lin Haoyu, she recognized him.

Lin Haoyu had been in charge of the Lin Corporation for many years and would often appear on television and various business magazines. Lin Shuya would also often pay attention to the Lin family's affairs.

Lin Shuya naturally knew that Lin Haoyu was the son of her younger brother, Lin Chengye.

After waiting for four whole days, she finally got what she wanted.

She stepped forward and said, "Haoyu, I'm your aunt. Let's talk."

Lin Haoyu got out of the car, and Qin Sheng also got out from the other side of the car.

Lin Shuya frowned when she saw Qin Sheng. How unlucky to bump into Qin Sheng everywhere!

Lin Shuya completely ignored Qin Sheng.

She smiled ingratiatingly. "Haoyu, where are your father and grandfather?"

Lin Shuya wasn't stupid. She didn't have any feelings for Lin Haoyu and Lin Haocheng, so they definitely wouldn't allow her to return to the Lin family.

At that time, Lin Chengye and Old Master Lin loved her very much.

They would definitely accept her when she lowered her pride and came back.

"Dad is on a business trip. As for Grandpa, he's not staying at the Lin Residence either," Lin Haoyu answered honestly.

"Where is your grandfather now?" Lin Shuya asked hurriedly.

Lin Haoyu smiled. "Who are you? Do I need to tell you?"

Lin Shuya frowned unhappily. She did not expect Lin Haoyu to say that. "I'm your aunt."

“Aunt?” Lin Haoyu still had a very formal smile on his face. “I remember that my dad doesn’t have a younger sister.”

Lin Shuya was not happy. She was very dissatisfied with Lin Haoyu’s attitude. “Haoyu, when I left, you were already six years old. You must have some impression of me.”

Lin Haoyu did not continue pretending with Lin Shuya. “I’m sorry, Lin Shuya. Ever since you left the Lin family, you were no longer a member of the Lin family. If I remember correctly, you said that you would never step into the Lin family again. So, what do you mean by this?”

Lin Haoyu narrowed his eyes and looked at Lin Shuya with a mocking gaze.

Lin Shuya gritted her teeth. “Lin Haoyu, you’re just a junior. Who allowed you to talk to me like this?”

Lin Haoyu scoffed coldly. “I’ve never been polite to people who try to gain connections. Lin Shuya, I’m afraid your plan to return to the Lin family is going to fail.”

Lin Shuya was so angry that her entire body trembled.

Logically speaking, she and Lin Haoyu didn’t have any grudges against each other, so Lin Haoyu shouldn’t have such an attitude toward her.

Lin Shuya thought of something and glared at Qin Sheng.

Qin Sheng must have badmouthed her in front of the Lin family.

So what if she was a lucky star? Wasn’t she still an ingrate?

She was her biological mother, yet she treated her so badly?

“Qin Sheng, was it you?” Lin Shuya gritted her teeth.

Qin Sheng naturally understood what Lin Shuya was referring to. She did not deny it. “So what if it’s me?”

Lin Shuya was furious. She finally had the courage to come to the Lin family to acknowledge her family, but she was mocked by Lin Haoyu.

At this moment, she was venting all her anger on Qin Sheng.

She didn’t care about Lin Haoyu’s presence anymore. “Qin Sheng, I really regret giving birth to you. I didn’t ask you to help me with anything, but I didn’t expect you to speak ill of me in front of the Lin family! If I could, I would have strangled you to death when you were just born!”

Lin Haoyu looked at Qin Sheng worriedly.

Qin Sheng did not take Lin Shuya's words seriously. After all, Lin Shuya had said this countless times.

"Lin Shuya, there's no need for you to emphasize these words in front of me over and over again. It's impossible for you to return to the past and strangle me to death."

## All-Mighty Girl Gets Spoiled by A Bigshot

Lin Shuya choked.

Qin Sheng was not affected by Lin Shuya, and Lin Haoyu heaved a sigh of relief.

He frowned and said, "This place still belongs to the Lin family. I'm sorry, but we don't welcome you. Get lost. Besides, Sheng Sheng has never said anything bad about you in front of us. Don't think too highly of yourself."

"No, ha, Lin Haoyu, your Lin family shouldn't side with her! Qin Sheng is an ingrate. She even treats me, her biological mother, like this, let alone your Lin family!"

Lin Shuya pointed at Qin Sheng and said mockingly, "I can guarantee that one day, Qin Sheng will treat the Lin family like how she treats me!"

Lin Haoyu could only laugh mockingly.

If Lin Shuya had not treated Qin Sheng so badly, would Qin Sheng have treated her like this?

Lin Haoyu believed that Qin Sheng was a person who valued relationships.

He made a phone call, and soon, two bodyguards appeared.

"Take her away," Lin Haoyu instructed.

Lin Shuya's eyes widened in disbelief. "Lin Haoyu, you really dare to treat me like this? I am your elder! I'll return to the Lin family sooner or later. Dad has loved me the most since I was young."

Lin Haoyu chuckled softly, his voice filled with ridicule, "What's there to be afraid of? As for returning to the Lin family, you'll have to wait for the opportunity."

"Take her away," Lin Haoyu instructed once more.

"Wait a minute."

Qin Sheng stopped the bodyguard.

Lin Shuya broke free from the bodyguard and straightened her clothes. "Qin Sheng, you're smart."

"Lin Shuya, were you pregnant before?" Qin Sheng asked with a smile.

Lin Shuya's pupils constricted. "Qin Sheng, how did you know?"

She only told Qin Hai and Qin Churou about this.

Qin Sheng did not answer Lin Shuya's question. She continued, "Not only were you pregnant, but you also had a miscarriage."

Lin Shuya was stunned. She did not expect Qin Sheng to be so clear about this.

She met Qin Sheng's mocking gaze.

A thought arose in her mind. She widened her eyes and questioned, "Qin Sheng, is it you? You were the one who caused my miscarriage!"

The more Lin Shuya thought about it, the more she felt that this matter had something to do with Qin Sheng.

It must be Qin Sheng. This matter had something to do with Qin Sheng.

If it wasn't for Qin Sheng, how would she know everything?

Moreover, Qin Sheng had never been on good terms with her. Such a vicious person was very likely to hurt her child.

Other than Qin Sheng, she couldn't think of anyone else.

At that time, she thought that there was something fishy about this matter. Her son was originally safe and sound. Why would she suddenly have a miscarriage?

Lin Shuya's eyes were bloodshot as she glared at Qin Sheng.

She clenched her fists tightly, looking as if she wanted nothing more than to tear Qin Sheng apart.

Seeing her like this, Lin Haoyu frowned. Worried that Lin Shuya would harm Qin Sheng, he raised his hand and had the two bodyguards grab Lin Shuya again, preventing her from getting close to Qin Sheng.

Lin Shuya struggled desperately and shouted, "Qin Sheng, you're so vicious! What grudge does my son have with you? You actually sent someone to kill him before he was born!"

Qin Sheng looked at Lin Shuya mockingly.

She sneered. "It has nothing to do with me."

Lin Shuya did not believe Qin Sheng's words at all. "Who else could it be if not you? Otherwise, how would you know so clearly? Qin Sheng, if you have anything to do, come at me. Why did you have to be so ruthless to my son?"

## Chapter 1347 Thinking That Qin Churou Was The One Who Did It

Lin Shuya thought highly of her son.

She had deep feelings for him.

Moreover, that son was her hope. As long as she gave birth to him, Qin Hai would definitely treat her very well.

She had been waiting for that child to arrive.

She had never thought that she would have a miscarriage one day.

That child had left before he could even take a look at the world.

Lin Shuya had been dispirited for a long time because of this incident and had yet to let it go.

At this moment, she guessed that her son might have been harmed by Qin Sheng. She could not control her feelings at all.

If there were no bodyguards to hold her back, she would definitely go up and slash Qin Sheng's face.

Upon hearing this, Qin Sheng tilted her head and her gaze was mocking. "Lin Shuya, I didn't expect you to value your own son so much. I thought you were cold-blooded by nature."

"Can you compare to him? Qin Sheng, you're a b\*stard!" Lin Shuya shouted.

"Is that so?" Qin Sheng said in a low voice, her eyes extremely cold.

She didn't want to waste any more time with Lin Shuya, so she said directly, "Lin Shuya, your son's death was indeed not my doing. What good would it do me to kill him?"

Qin Sheng would never do such a thing.

She would not waste time dealing with people who had not provoked her.

However, even if she knew that Qin Churou was plotting against Lin Shuya's son, she would not stop her.

Of course, Qin Sheng did not know Qin Churou's plan beforehand.

It was only after Lin Shuya's miscarriage and the bodyguard's report that she realized that something was wrong and arranged for someone to investigate further.

As expected, she found out that the medicine Qin Churou gave Lin Shuya had the effect of abortion.

It was just that the dosage was small and it needed to be taken for a long time to have an effect.

Lin Shuya trusted Qin Churou. She would definitely not suspect Qin Churou in this matter. Qin Churou probably thought that she could deceive everyone. Little did she know that all of this had fallen into Qin Sheng's eyes.

Qin Sheng smiled faintly. "Lin Shuya, this matter has no conflict of interest with me. There's no need for me to be ruthless to him."

Lin Shuya straightened her neck. Her eyes were bloodshot. "Qin Sheng, you attacked my son because you can't stand me. That way, you can destroy my relationship with Brother Hai. You just don't want me to live well."

The more Lin Shuya said, the more she felt that her words made sense.

Qin Sheng: "..."

Lin Shuya's brain was really weird.

Qin Sheng massaged her eyebrows and said with a headache, "Lin Shuya, don't think too highly of yourself."

In her eyes, Lin Shuya could only be considered a clown. Qin Sheng would not waste too much time dealing with her.

Of course, if Lin Shuya took the initiative to provoke her, it might not be the case.

Qin Sheng did not want to talk to her anymore, but there were some things that she had to tell Lin Shuya. "Lin Shuya, there aren't many people who know that you're pregnant. Think about it carefully. Who will be affected by the child you gave birth to?"

When Lin Shuya heard Qin Sheng's words, Qin Churou and Qin Hai appeared in her eyes.

Other than them, there were only doctors and some servants of the Lin family.

The most likely person inside was...

Qin Churou...

Just as Qin Churou's name popped up in her mind, Lin Shuya shook it off.

It couldn't be Qin Churou.

Her daughter was so obedient and filial to her. How could she harm her son?

Moreover, Qin Churou was looking forward to the birth of her younger brother. She even took a few days off to accompany her.

### Chapter 1348 Disrupting Their Relationship

Lin Shuya glared at Qin Sheng. "Don't even think about sowing discord between Rou'er and me!"

Qin Sheng laughed mockingly. "Ms. Lin, I didn't say that this person was Qin Churou."

Lin Shuya's hands slowly tightened.

Qin Sheng continued, "Lin Shuya, I advise you to throw away the filter on the surface and look at a person. You might get an unexpected surprise."

After saying that, Qin Sheng did not say anything else.

She didn't say anything, and she made it clear that Qin Churou was the one who did it.

Lin Haoyu's lips curled into a smile as he watched Qin Sheng tease others in a good mood.

He did not expect his sister to be so cute when she was teasing people...

"Sheng Sheng, do you have anything else to tell Lin Shuya?" Lin Haoyu asked softly.

Qin Sheng shook her head. "No, Big Brother. Get the bodyguards to take her away."

"Alright." Lin Haoyu followed Qin Sheng's instructions and gave his orders.

Lin Shuya was still struggling. She stubbornly thought that Qin Sheng was the one who did it. "Qin Sheng, you did this. Don't think that you can fool me with a few words. One day, I will find out the truth and send you to jail. Yes, to jail!"

Lin Shuya's voice was getting further and further away.

Lin Haoyu asked the question in his heart, "Sheng Sheng, was Qin Churou the one who caused Lin Shuya's miscarriage?"

Qin Sheng did not hide anything. She nodded. "Yes, I've arranged for someone to keep an eye on Qin Churou."

"Then why didn't you say it directly?" Lin Haoyu had a smile in his eyes.

"Because I don't want Lin Shuya to have it easy. Isn't it better to let her have her own suspicions? When it's almost time, I'll tell her the truth."

At that time, Lin Shuya would probably collapse.

Her most beloved daughter had become the murderer of her own child in the end.

Lin Haoyu saw the cunning look in Qin Sheng's eyes and couldn't help but smile dotingly.

Lin Haoyu didn't think that Qin Sheng was scheming or scary by doing this. Instead, he found Qin Sheng extremely adorable.

Qin Sheng tilted her head and asked, "Brother, there's something wrong with the medicine Qin Churou gave Lin Shuya. I knew about it but didn't stop it. Do you think I'm evil?"

"How could that be? It's your choice to do whatever you want. Besides, if you didn't know, wouldn't Lin Shuya also have a miscarriage?"

In the eyes of Lin Haoyu, a crazy sis-doting demon, even if Qin Sheng was wrong, he would still think that Qin Sheng was not wrong.

If Qin Sheng made a mess, he would help to fix it.

When Qin Sheng heard Lin Haoyu's answer, she could not help but smile.

However, she didn't want Lin Haoyu to misunderstand.

"Big Brother," she explained, "I didn't know that Qin Churou would do something to Lin Shuya's child. I only found out after the accident."

Qin Sheng thought that Qin Churou would have feelings for her since Lin Shuya treated her so well.

No matter how vicious Qin Churou was, she would never hurt Lin Shuya's son.

In the end, Qin Sheng thought too highly of Qin Churou. Qin Churou only had her own interests in her eyes. Lin Shuya was probably just a chess piece in her eyes.

Qin Sheng's lips curled into a mocking smile.

She really wanted to see Lin Shuya's expression when she found out the truth.

Lin Haoyu naturally knew that Qin Sheng was not such a vicious person.

He was worried that Qin Sheng would feel uncomfortable because of Lin Shuya.

He changed the topic. "Sheng Sheng, let's go in first."

## All-Mighty Girl Gets Spoiled by A Bigshot

"Alright." Qin Sheng nodded.

After Lin Haoyu and Qin Sheng took the things, they sent Qin Sheng back to the Qin family.

He told Old Master Lin about Lin Shuya.

"Grandpa, Lin Shuya is here."

Old Master Lin frowned. "Lin Shuya? She came to the Lin family?"

"Yes." Lin Haoyu nodded, his brows furrowed slightly. "From the looks of it, she wants to return to the Lin family."

"Didn't Lin Shuya say that she would never come back to the Lin family?" Old Master Lin did not have much of a reaction when he learned that Lin Shuya wanted to come back.

He had indeed loved Lin Shuya back then.

However, Lin Shuya had ignored the crisis the Lin family was facing and chose to be with Qin Hai. She had even taken away the last bit of money the Lin family had.

Old Madam Lin was so angry that her condition became even worse.

Old Master Lin had long let go of his daughter, Lin Shuya. Since Lin Shuya had chosen to cut ties with them back then, there was no reason to repair it.

Moreover, he had to consider Qin Sheng's feelings.

If he let Lin Shuya return to the Qin family and his precious granddaughter ran away, wouldn't Old Master Qin benefit too much?

Old Master Lin knew that he could only choose one.

If Lin Shuya really came back, Qin Sheng would leave the Qin family without hesitation.

Old Master Lin did not dare to take the risk.

Between Lin Shuya and Qin Sheng, he would naturally choose Qin Sheng.

Lin Haoyu guessed, "Now that Qin Entertainment is in a crisis and Qin Churou is surrounded by scandals, I think Lin Shuya wants to return to the Lin family because of this."

Old Master Lin's expression was very ugly. "She's only thinking about the Lin family now that something has happened. Does Lin Shuya really think that she has a lot of face? How could I have such a daughter?"

"Old Lin, how could you have such a daughter? Isn't she your own daughter?" Old Master Qin gloated.

Old Master Lin glared at Old Master Qin.

Old Master Qin was not angry. He said in a good mood, "Old Lin, how are you going to deal with Lin Shuya? She's your daughter. You can't possibly reject her outside the door, right?"

He looked like he was watching a good show.

Old Master Lin gritted his teeth. "Old Qin, don't think that I don't know what you're thinking. You're still thinking of taking advantage of the grudge between Sheng Sheng and me when Lin Shuya comes back."

"Let me tell you, Old Qin, you won't have such a chance."

Old Master Qin pursed his lips. "You saw through me. Boring."

Old Master Lin ignored Old Master Qin and turned to Qin Sheng. "Sheng Sheng, don't worry. As long as I'm alive, Lin Shuya won't have a chance to return to the Qin family."

Qin Sheng nodded. "Grandpa, I believe you."

She did trust Old Master Lin.

However, if Old Master Lin really accepted Lin Shuya, she would leave the Lin family without hesitation.

She felt disgusted being in the same family as Lin Shuya.

Qin Sheng hated Lin Shuya to the extreme.

Meanwhile, Lin Shuya took a taxi back to Qin Churou's apartment.

She had been in a daze the entire way and kept thinking about Qin Sheng's words.

According to Qin Sheng, Qin Churou was the most suspicious person.

Moreover, she had been drinking the medicine Qin Churou gave her.

Yes, medicine...

Lin Shuya was stunned, and her face turned pale.

She clenched her sleeves tightly.

Impossible! Qin Churou was so filial to her! How could she be so cruel to her son?

Soon, Lin Shuya arrived at Qin Churou's apartment.

"Mom." Qin Churou opened the door and saw Lin Shuya's pale face. She frowned and quickly held Lin Shuya.

"Mom, what happened to you?" she asked with concern. "Did the Lin family make things difficult for you?"

Lin Shuya's gaze fell on Qin Churou.

Her face was pale and she did not speak.

Qin Churou helped Lin Shuya to sit on the sofa. "Mom, did you see the Lin family today?"

Lin Shuya nodded.

"What did they say?" Qin Churou asked.

Qin Churou waited nervously for Lin Shuya's answer.

Lin Shuya moved her lips. "I only saw Lin Haoyu and Qin Sheng. They didn't take me seriously."

"Qin Sheng?" Qin Churou frowned.

She had forgotten about Qin Sheng. If Qin Sheng were to interfere, it would not be so easy for Lin Shuya to return to the Lin family.

"Rou'er, when I was pregnant, were the pills you gave me really pregnancy pills?" Lin Shuya asked.

Qin Churou didn't expect Lin Shuya to ask such a question.

She panicked for a moment. Could it be that Qin Sheng and Lin Shuya had said something?

Qin Churou didn't show any change in her expression. She looked confused. "Yes, Mom. Is there a problem? Why did you suddenly mention this?"

Seeing Qin Churou's reaction, Lin Shuya's suspicion disappeared a little.

After hesitating for a while, she finally told Qin Churou what Qin Sheng had said.

"Rou'er, Qin Sheng said that I had a miscarriage. It's very likely that someone close to me did it. I keep feeling that she wants me to pay attention to you."

Qin Churou's heart skipped a beat.

She quickly thought of a countermeasure in her mind.

Qin Sheng probably did not have any evidence. Otherwise, with Qin Sheng's personality, she would definitely throw the evidence out for Lin Shuya to see.

Thinking of this, Qin Churou heaved a sigh of relief.

Between her and Qin Sheng, the only person Lin Shuya trusted was her. In this situation, as long as she said a few words, Lin Shuya would not suspect her.

Qin Churou grabbed Lin Shuya's hand and asked, "Mom, did you tell Sister that you're pregnant? How did she know that you were pregnant and that you had a miscarriage?"

"I'm not sure."

"Mom, do you believe me?"

Qin Churou's eyes were locked on Lin Shuya, her eyes filled with desire.

Lin Shuya's heart was moved. "Rou'er, of course I believe you."

Qin Churou smiled and analyzed, "Mom, I'm thinking that Qin Sheng is probably trying to sow discord between us. Moreover, she knows everything so clearly. I'm afraid this matter has something to do with Qin Sheng."

Lin Shuya frowned. "Rou'er, what should we do?"

"Mom, I still have some money on hand," Qin Churou replied. "I can use this money to secretly hire people to investigate this matter and see if Qin Sheng was the one who did it."

Lin Shuya was very pleased. "Rou'er, sorry to trouble you. Thank goodness I have you."

"No trouble at all." Qin Churou shook her head. "He's my younger brother. I can't let him die in vain. But, Mom, should we give up on the Lin family?"

"Your grandfather will agree to let me return to the Lin family," Lin Shuya said confidently.

However, Qin Churou still felt uneasy.

She had a feeling that with Qin Sheng around, this matter would not be so simple.
