

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1351 Our Lin Family Doesn't Welcome Welcome You

At night, Lin Shuya sat on the bed in the bedroom. The suspicion she had toward Qin Churou had not completely disappeared.

She picked up the phone and called a servant in the villa. She instructed, "Take the medicine in my bedroom drawer and test it to see what's in it."

"Alright," the servant agreed.

Qin Churou stood in front of the bedroom and heard Lin Shuya's words.

The corners of her lips curled into a mocking smile.

As expected, Lin Shuya still did not believe her.

However, so what? She had already thrown the medicine away. Lin Shuya would not be able to find it.

--

The next day, as expected, Lin Shuya went to the Lin Residence again.

This time, Old Master Lin specially made a trip back to the Lin family.

This time, the guard did not chase Lin Shuya away. He went back to report to Old Master Lin and then came over to bring Lin Shuya into the Lin family villa.

Lin Shuya suppressed her excitement.

She thought that Old Master Lin was planning to let her return to the Lin family.

Lin Shuya sized up the Lin family's villa.

The Lin family's villa was very luxurious and spectacular. It was ten times more luxurious than the Qin family's.

Soon, she would be able to move in.

"Master, I brought Lin Shuya in."

Old Master Lin sat on the sofa with a serious expression and did not say a word.

"Dad!" Lin Shuya called out nervously.

Old Master Lin glanced at Lin Shuya. "Don't call me dad. I don't have a daughter like you. My daughter died 23 years ago."

Lin Shuya's hands slowly tightened.

She bit her lip. "Dad, I know I was wrong. I shouldn't have abandoned you and left the Lin family. Back then, I was bewitched by Qin Hai. All these years, I knew that I was wrong. I was too ashamed to come back and see you."

"Oh, then why are you back now?" Old Master Lin asked.

Lin Shuya choked.

"If you don't tell me, I'll answer on your behalf." Old Master Lin sneered. "You came back because Qin Churou was caught in a scandal and Qin Entertainment is in a crisis, so you asked the Lin family to help you solve the problem."

"I, I..." Lin Shuya stammered.

"Lin Shuya, do you really think our Lin family is some kind of place?" Old Master Lin continued. "Do you think you can come and go as you please?"

Lin Shuya bit her lip and lowered her head, not daring to speak.

Old Master Lin stood up from the sofa and said, "Go back. The Lin family doesn't welcome you. You have nothing to do with the Lin family. Once you break off your relationship, you can't take it back. Back then, it was your choice. No one forced you."

"Dad, didn't you ask Qin Sheng to come back? Why can't you accept me?"

Lin Shuya almost shouted this sentence out loud. Her eyes were bloodshot.

Old Master Lin glanced at Lin Shuya and said, "Because Sheng Sheng is not like you. Our Lin family will not raise an ingrate."

"Qin Sheng is an ingrate!!"

Upon hearing this, Old Master Lin's expression turned completely cold. "Lin Shuya, you're Sheng Sheng's mother!"

"I don't have such a daughter," Lin Shuya said stubbornly. "Qin Sheng must have instigated you to refuse to acknowledge me!"

Old Master Lin was so angry that he laughed.

From the information he had, he knew that Lin Shuya was not good to Qin Sheng.

However, seeing it with his own eyes, he could not help but feel a chill in his heart.

How could a biological mother treat her own daughter like this?

It was hard for Old Master Lin to imagine how much Qin Sheng had suffered when she was in the Lin family.

All-Mighty Girl Gets Spoiled by A Bigshot

He did not want to see Lin Shuya again.

He sat back down on the sofa, closed his eyes, and rubbed the space between his eyebrows. "Lin Shuya, let's stop here. I called you here today to make things clear to you. You shouldn't come to the Lin family in the future. We're just outsiders. I'll also instruct the servants and guards not to let you in in the future."

"Dad, I'm your daughter!" Lin Shuya's voice was filled with disappointment. "Are you that heartless?"

Old Master Lin's expression was still unmoved.

Lin Shuya knew that she could not return to the Lin family. She gritted her teeth and could only settle for the next best thing. "Dad, if you want me not to disturb you, I can, but I have a condition."

Old Master Lin did not say anything.

Lin Shuya stated her conditions. "Help Rou'er clear up the scandal. Also, give me 300 million, no, 500 million. Dad, 500 million shouldn't be difficult for you."

A mocking smile appeared on Old Master Lin's face. "Lin Shuya, are you trying to buy out our relationship?"

Lin Shuya bit her lip and didn't say anything.

But it was obvious that she meant it.

Old Master Lin sneered. "Lin Shuya, you're no longer a member of the Lin family. How can you buy out the relationship? More than 20 years ago, you took away all of the Lin family's funds, and that was already considered buying it out."

Lin Shuya choked.

Old Master Lin closed his eyes and did not want to see Lin Shuya again.

"Take her out. Don't let her in again.""

"Dad, Dad, you can't be so cruel. This is just a small matter for the Lin family. Dad, I'm your daughter!"

Old Master Lin said coldly, "Take her away."

Hearing this, the servant did not hesitate and dragged Lin Shuya away.

Old Master Lin heaved a sigh of relief and said to the butler, "If I really helped Lin Shuya, Sheng Sheng might have a grudge against me. I can't hurt Sheng Sheng for an outsider."

The butler had been with Old Master Lin for decades. He had been with the Lin family since Lin Shuya was young.

He couldn't help but feel a little emotional. Back then, the old man had seen through Qin Hai's relationship with Lin Shuya because of the Lin family's money. However, she was stubborn and even stole the last bit of money from the Lin family when the Lin family was in danger.

"She should be regretting it now. Moreover, she treated Miss Qin Sheng like that. She really doesn't seem like a mother."

Old Master Lin rubbed his brows. "Let's not talk about her anymore. Lin Shuya will have nothing to do with the Lin family in the future."

--

Meanwhile, Lin Shuya returned to Qin Churou's apartment.

Qin Churou asked nervously, "Mom, how are things now?"

Lin Shuya told her everything.

Qin Churou gritted her teeth. "It must be Qin Sheng, Mom. Qin Sheng must have blinded Grandpa and the others."

Lin Shuya also hated Qin Sheng to the extreme.

She thought so too. Otherwise, Old Master Lin would not be so determined. After all, he loved her so much back then, and she was the only daughter of the Lin family.

Qin Churou's face started to turn pale. She sat on the sofa dispiritedly.

If the Lin family did not help her, there was basically no hope for her to clear her name.

Many people knew that Qin Sheng was the one who dealt with her. Those people did not dare to provoke Qin Sheng. They were all mocking her coldly, let alone helping her.

"Mom, what should we do? The company is going to be gone, and my career is ruined."

All-Mighty Girl Gets Spoiled by A Bigshot

Lin Shuya's mind was blank, not knowing how to deal with it.

She could only hug Qin Churou's shoulders and comfort her. "Rou'er, you'll be fine."

"I can't, Mom. Qin Sheng clearly wants to kill me this time. Other than the Lin family, no one else can help me."

Qin Churou kept shaking her head. Her face was pale, almost losing all color.

At this point, Qin Churou couldn't help but complain to Lin Shuya. "Mom, you should suck up to a wealthy family like the Lin family. Otherwise, how would we end up in this situation?"

Qin Churou's expression was very ugly. Upon closer inspection, it was a little twisted.

Lin Shuya was stunned. "Rou'er, are you blaming me?"

Qin Churou tried her best to suppress the anger in her heart. She said weakly, "I'm sorry, Mom. I just couldn't control myself for a moment. I was worried that I wouldn't be able to give you a good life in the future."

There was still a need for Lin Shuya now.

She couldn't fall out with Lin Shuya yet.

The doubts in Lin Shuya's heart disappeared. "Rou'er, I don't blame you. In the future, we'll depend on each other and we can survive. If it really doesn't work, Mom will go find a job."

Qin Churou felt disdain in her heart.

Lin Shuya had never graduated from university and had been a housewife at home. What kind of good job could she find?

A few thousand yuan a month?

She had to spend tens of thousands of yuan a month. Not to mention raising her, Lin Shuya could not even support herself.

Qin Churou thought so but didn't show it.

A smile appeared on her lips. "Mom, I believe you."

After saying that, she stood up. "I'll go back to my room first."

Lin Shuya looked at Qin Churou's back and felt that Qin Churou had become a stranger.

She also returned to her room. She was tired and needed a good sleep.

That night, perhaps affected by what Qin Sheng said that day, Lin Shuya had a nightmare. She dreamed that Qin Churou's face was twisted as she stabbed her stomach.

"You deserve to die. You shouldn't have come to this world!"

Lin Shuya was sent to the hospital and a stillborn child was taken out of her stomach.

In her dream, Lin Shuya saw a bloody fetus and woke up in shock.

Her forehead was covered in sweat.

Lin Shuya's face turned pale. Impossible! How could Qin Churou have killed her son?

After that, Lin Shuya did not sleep for the entire night.

Even though she did not say it, Lin Shuya was reminded of the baby that had died in her womb when she saw Qin Churou.

Qin Churou had been thinking about how to clear her name, so she didn't notice Lin Shuya's strange behavior.

This situation lasted for three days.

On the fourth day, Lin Shuya received a message from Qin Sheng on her phone. [Your son was killed by Qin Churou. The medicine she gave you contains abortion ingredients. If you take it for three months, you'll have a miscarriage. This is evidence.]

After that, Qin Sheng sent Lin Shuya some pictures.

When she saw the contents, Lin Shuya trembled.

It was really her. Her son was really killed by Qin Churou, not Qin Sheng...

When she asked Qin Churou about this, Qin Churou calmly explained to her that it was all Qin Sheng's scheme and that her son was mainly killed by Qin Sheng.

Lin Shuya suddenly felt a chill run down her spine. She felt that Qin Churou was extremely terrifying.

All-Mighty Girl Gets Spoiled by A Bigshot

Her child was killed by Qin Churou. How could Qin Churou say those words without any flaws?

At this moment, Lin Shuya still had some hope that all this evidence was forged by Qin Sheng to drive a wedge between the mother and daughter.

At this moment, Qin Churou came in. She pushed the door open and said, "Mom, I've already ordered takeout."

Lin Shuya looked at Qin Churou coldly.

Qin Churou had never seen Lin Shuya's gaze like this before. She suddenly had a bad feeling.

A smile appeared on her lips. "Mom, what's wrong?"

"Rou'er, you didn't kill my child, right? That tocolopy medicine didn't contain any abortion ingredients, right?"

Lin Shuya grabbed Qin Churou's arm. She really hoped that Qin Churou wasn't the one who did it. She really couldn't accept that the daughter she had doted on since she was young would kill her son.

Hearing this, Qin Churou's gaze was calm. "Do you have evidence?"

Lin Shuya showed Qin Churou the contents of the phone.

"Rou'er, this evidence was forged by Qin Sheng, right? What? You know how much Mom values this child. Why would you kill him?"

Qin Churou ignored Lin Shuya. She quickly read through the content that Qin Sheng had sent to Lin Shuya.

Normally, she would have denied it.

However, these days, she had been trying to clear her mind, but she had run into a wall again and again. Her mood was very unstable.

Moreover, Lin Shuya had most likely believed the evidence. Even if she denied it, Lin Shuya would not completely believe her. Qin Sheng would let Lin Shuya find out about this.

She could not be bothered to pretend with Lin Shuya anymore.

Qin Churou put down her phone. The gentleness on her face disappeared and was replaced by a gloomy look. "That's right, I did it. I killed him. I gave it to you. It's more appropriate to describe it as abortion medicine."

Lin Shuya's face turned completely pale. Her lips trembled. "Rou'er, you're lying to me, aren't you? You're talking nonsense. Why would you kill my child? Don't you also value this younger brother of yours?"

Qin Churou shook off Lin Shuya's hand.

She laughed coldly. Her face was distorted and looked very scary.

"Lin Shuya, what are you still pretending for? Heh, if you don't want to believe that I'm lying to you, then why are you questioning me with these? Also, just based on what Qin Sheng said, you started to suspect me and even asked the servants to take those drugs for testing! You'd better not be hypocritical here."

Lin Shuya staggered back a few steps.

She stared at Qin Churou in disbelief. Qin Churou was the one who said those words...

She was clearly the most considerate and filial...

Lin Shuya suddenly felt that Qin Churou was a stranger. It was as if she had never met Qin Churou before.

Lin Shuya kept shaking her head and muttered, "Rou'er, why did you do this? He's your younger brother!"

"Heh-"

Qin Churou smiled disdainfully. "What kind of brother is he? He's only your son, Lin Shuya. I'm not related to him by blood."

"We're clearly mother and daughter!" Lin Shuya's breathing quickened, and her chest heaved up and down. She almost shouted, "Qin Churou, all these years, I've always treated you like my own daughter. Between you and Qin Sheng, I chose you. How could you have the heart to treat my child like this?"

All-Mighty Girl Gets Spoiled by A Bigshot

"Mother and daughter?" When Qin Churou heard the two of them, she started laughing. Her laughter was very sarcastic. "I'm just an adopted daughter. Don't pretend to be a mother and daughter here."

"If you really treat me as your daughter, why did you give birth to that b*stard and let him compete with me for the Qin family's inheritance? I've done so much for the Qin family. Why should I give the Qin family to him?"

After Qin Churou finished speaking, she thought that she had seen through Lin Shuya's thoughts.

"Lin Shuya, you've been thinking about him day after day before you gave birth to him. When he's born, will you still take me, your adopted daughter, seriously?" she questioned. "I'm afraid I'll end up like Qin Sheng. Qin Sheng is your biological daughter, yet you treat her like this, let alone an adopted daughter like me."

Qin Churou had lived in the Qin family since she was young and enjoyed everything that should have belonged to Qin Sheng.

She treated everything in the Qin family as hers.

Therefore, she did not allow anyone to come and compete with her for the Qin family's assets. After learning that Lin Shuya was pregnant, her first reaction was to kill the fetus in Lin Shuya's stomach.

Lin Shuya's face was pale. She looked at Qin Churou and her body trembled like a sieve.

Perhaps Qin Churou had always been like this, but she had never seen it clearly.

Qin Churou laughed cruelly. "Lin Shuya, that's why I have to take precautions and kill him in advance. That way, I won't let him steal my things. He's a b*stard and shouldn't have been born."

"Qin Churou!"

Lin Shuya angrily slapped her across the face.

Lin Shuya's entire body was trembling. "Qin Churou, I really regret treating you as my biological daughter!"

Lin Shuya's strength was not light. Qin Churou's face tilted to the side and her face swelled up at a visible speed.

Blood seeped out from the corner of her lips.

"Qin Churou, your heart is really ruthless and vicious! Have you always treated me as your mother?" Lin Shuya's voice was hoarse and her eyes were bloodshot.

Qin Churou looked at Lin Shuya nonchalantly and wiped the blood off the corner of her lips.

She did not deny it. "I've always been vicious. It's just that you and Qin Hai were too stupid to realize it. As for my mother, you and I are not related by blood. Why should I treat you as my biological mother? If I wasn't smart and knew how to please others, would you treat me well if I had Qin Sheng's personality?"

Lin Shuya clenched her fists so tightly that her nails almost dug into her flesh.

She really could not accept that her daughter, whom she had always doted on, would have such a vicious heart.

Qin Churou's face was full of disdain.

"However, Lin Shuya, you're really stupid. You've been kept in the dark by me for so many years, and you've been fooled by me with just a few words. I remember that I've revealed countless flaws, but you never suspected me."

"You're really ruthless. Qin Sheng is your biological daughter, but you can still use her time and time again. You've never treated her as your own daughter. I don't believe that you didn't notice when I dealt with her, but you never stopped me. In terms of ruthlessness, Lin Shuya, I'm no match for you. A vicious tiger will not eat its cubs."

"Qin Sheng is quite pitiful. With a mother like you, she has such an arrogant personality, but you think she doesn't respect you. In front of her, you and I act like we're deeply in love. I think Qin Sheng doesn't feel good in her heart."

All-Mighty Girl Gets Spoiled by A Bigshot

After hearing Qin Churou's words, Lin Shuya was overwhelmed with regret.

Only then did she realize that she had indeed gone too far with Qin Sheng.

It was only natural that Qin Sheng had a bad attitude toward her...

Lin Shuya couldn't even stand properly. She held onto the table and barely managed to steady herself.

"Qin Churou, I've been treating you well all these years. I've really treated you like my own daughter. Even though I knew that I had the wrong child back then, I still treated you the same. I really regret it. An ingrate like you isn't worth my treatment at all!"

Qin Churou ignored Lin Shuya's words.

She continued to poke at Lin Shuya's heart. "You must be regretting it now. It's a pity that your son is dead, and Qin Sheng will no longer care about you. The Lin family also doesn't acknowledge you as their daughter."

Lin Shuya clenched her fists tightly.

Qin Churou's words made Lin Shuya lose her rationality.

She had nothing left, and it was all Qin Churou's fault.

Lin Shuya's gaze fell on the fruit knife on the table. She grabbed it and was about to stab Qin Churou. "Qin Churou, we were mother and daughter when we were born. Let's be mother and daughter after we die."

Lin Shuya's voice was cold.

Qin Churou's pupils constricted.

She was very fast, but she still could not dodge Lin Shuya.

The fruit knife stabbed into her arm. Qin Churou frowned and immediately snatched the knife away. She pushed Lin Shuya away.

She lost her rationality for a moment.

Qin Churou wanted to stab Lin Shuya's abdomen as well, but at this moment, the scenes of Lin Shuya protecting her flashed across her mind. She hesitated.

She threw away the fruit knife.

She looked at Lin Shuya coldly and said, "I won't kill you, but don't let me know that you called the police. I'll let you off on account of your past relationship, but I hope you'll let me off. We'll have nothing to do with each other in the future."

Qin Churou was not sure if Lin Shuya would call the police.

She did not dare to stay in the apartment anymore. She packed her things and left.

Lin Shuya sat in her room and did not move for the entire afternoon.

At 7 o'clock in the evening.

Only then did she pick up her phone and call Qin Sheng.

Qin Sheng recognized the number as Lin Shuya. She raised her eyebrows and picked up the call. "Lin Shuya, what's the matter?"

"Sheng'er." Lin Shuya hesitated for a moment, her voice choked with sobs. "I'm sorry. I've let you down."

Qin Sheng's expression did not change at all. She asked calmly, "You already know?"

Lin Shuya wiped her tears. "Yes."

Qin Sheng fell silent.

"Sheng'er, can I hear you call me Mom?"

Lin Shuya's eyes were filled with anticipation.

Qin Sheng rejected her without hesitation. "Lin Shuya, we've already severed all ties. I won't forgive you either. We're related by blood after all. I won't do anything to you. It's just that we don't need to keep in touch anymore."

In his previous life, as well as in this one, there was no way to erase the injuries she had suffered.

Qin Sheng was not a saint. Even if Lin Shuya regretted it, she would never forgive her.

With that, Qin Sheng hung up.

Lin Shuya clutched her heart and squatted on the ground, crying.

Over there.

Over the years, Qin Churou had saved up more than 20 million yuan.

She rented a rented apartment.

In the next few days, Qin Churou was still trying to find a way to clear her name, but she still had no clue.

All-Mighty Girl Gets Spoiled by A Bigshot

She had already fallen out with Lin Shuya. She could no longer count on the Qin family and the Lin family.

Even now, the internet was still cursing her.

Qin Churou looked through the comments again and again as if she was torturing herself.

It almost drove her crazy.

At night, she had been dreaming.

In her dream, her situation was the complete opposite of what she was experiencing now.

Qin Sheng had always been used by her. She had helped her develop her company and gave her all the paintings she drew. She was the Best Actress and the world's top artist. She had boundless glory, unlike now, when she was being scolded by everyone.

The dream was beautiful, but when she woke up, she would have to face the insults directed at her.

Qin Churou was tortured to the point of losing her mind.

For the next week, she had been camping near Shengshi Corporation. Coincidentally, Su Yixiu discovered her and told Qin Sheng about it.

"Sheng Sheng, how are you going to prepare?" Su Yixiu asked.

Qin Sheng's lips curled up. "Doesn't Qin Churou want to meet me? Then I might as well go and see her."

Su Yixiu frowned. "But Sheng Sheng, given Qin Churou's current state, will she harm you?"

"She can't do anything to me."

On the day she ended the call with Su Yixiu, Qin Sheng appeared near Shengshi Corporation.

Sure enough, Qin Churou appeared and stopped Qin Sheng.

Qin Sheng raised her eyebrows. "What's the matter?"

Qin Churou glared at Qin Sheng. "How did you know about Lin Shuya's son?"

Qin Churou could not understand how Qin Sheng had found out about this.

She had done it very discreetly back then.

Qin Sheng chuckled. "Because I sent someone to follow you. Everything you did was under my watch."

Qin Churou was stunned. She never expected Qin Sheng to give such an answer.

It turned out that Qin Sheng had been sending people to follow her.

No wonder Qin Sheng knew everything about her in the entertainment industry.

Qin Churou gritted her teeth. "Qin Sheng, that's why you've been playing with me. You could've done it a long time ago, but you didn't. You had to wait until the day I won the Best Actress Award!"

Qin Sheng did not hide her purpose. "Qin Churou, isn't it more satisfying to watch your prey fall from a high place like this? What I like the most is to see you being tortured. It's really boring to see you being directly exposed."

Qin Churou was so angry that her entire body was trembling.

"Qin Sheng, what did I do to offend you? Do you have to treat me like this? Ever since you returned to the Qin family, you've been treating me badly."

She really could not understand. Back then, Qin Sheng clearly only met her for the first time, but she already had a strong hatred for her.

She thought about the dreams she had every night.

She had some doubts.

Was that dream real?

However, Qin Churou couldn't believe it. After all, it was just an illusion.

"Qin Churou." Qin Sheng's gaze turned cold as she walked toward Qin Churou.

When Qin Churou saw Qin Sheng's expression, she couldn't help but feel a chill in her heart. She kept retreating.

Qin Sheng sneered and continued, "You took over my identity, blinded Lin Shuya and the others, and used me all along. You even tried to steal my identity and pretend to acknowledge me as your family. Any of these reasons are enough for me to deal with you and make you unable to turn over a new leaf."

Use her?

Qin Churou's pupils constricted when she heard those words. "Qin Sheng, have you been reborn?"

Chapter 1358 You Must Give Me 1 Million!

If Qin Sheng had really been reborn, then everything would make sense.

The Feng couple treated Qin Sheng badly. Logically speaking, Qin Sheng would be very happy to have her biological parents back. She would do everything she could to gain Qin Hai and Lin Shuya's love.

However, Qin Sheng acted as if she did not care.

Qin Sheng smiled but did not say anything.

Qin Churou knew that she was right.

She instantly lost control of her emotions and shouted, "Qin Sheng, everything you enjoy should be mine. What right do you have to take my life away?!"

Qin Sheng smiled and leaned closer to Qin Churou.

Only a voice that the two of them could hear said, "Qin Churou, this has never been yours. Even in your previous life, didn't I give you everything you enjoyed? Even if you were famous for a while, in the end, you would still become a street rat that people shouted to kill."

In her previous life, Qin Sheng had been deceived by Qin Churou. In the end, she had taken back all the things she had given Qin Churou.

In this life, Qin Churou had fallen from the top.

The things she had enjoyed were gone. This was undoubtedly the biggest blow to Qin Churou.

"No, it isn't." Qin Churou kept shaking her head. "Qin Sheng, it's you. It's you who stole my things. I'm supposed to be a highly sought after Best Actress and an artist. If it weren't for you, I would still be able to enjoy these things. Why would the heavens be so good to you and let you be reborn?"

Qin Sheng coldly looked at Qin Churou who was deceiving herself.

"Qin Churou, you can think whatever you want. I've said it before, things that don't belong to you will never belong to you."

After that, Qin Sheng ignored Qin Churou and walked past her.

"Qin Sheng, I won't let you off!" Qin Churou shouted from behind Qin Sheng.

Qin Sheng stopped in her tracks. "Qin Churou, you should take care of yourself first. If I'm not wrong, Lin Shuya is about to call the police."

Qin Churou clenched her fists.

She squatted on the ground, her eyes bloodshot.

If she really entered the prison, how could she compare to Qin Sheng? Moreover, Qin Sheng's status was very high. As long as she suppressed her slightly, she would probably never be able to turn things around.

At this moment, Qin Churou's phone rang.

She ignored it. When it rang for the third time, she took out her phone and looked at the caller ID. It was Shen Mei.

Qin Churou smiled mockingly. She did not need to think to know that Shen Mei was asking her for money again.

Qin Churou answered Shen Mei's call.

Shen Mei reprimanded Qin Churou. "Qin Churou, what's wrong with you? You only picked up after making three calls?"

"What's the matter?" Qin Churou asked expressionlessly.

Shen Mei then remembered the important matter. "Qin Churou, didn't you say that you would give me 1.5 million yuan a month? Where's the money? Do you want to refuse?"

Qin Churou's voice was full of mockery. "Shen Mei, do you know about my current situation in the entertainment industry?"

Ever since she found out that Qin Churou was doing well as an actress, Shen Mei had been following her Weibo.

Qin Churou's matter was still on Weibo.

She naturally knew.

However, Qin Churou must have saved up quite a lot of money in the past few years. She also had a big company at home. 1 million yuan should be a simple matter for Qin Churou.

"Qin Churou, don't find any excuses. You have to give me 1 million," Shen Mei said loudly.

All-Mighty Girl Gets Spoiled by A Bigshot

Qin Churou's lips curled into a mocking smile. "Shen Mei, my reputation is already so bad. If I don't give you money, what can you use to threaten me?"

Shen Mei choked for a moment and did not know how to answer.

Her brain was spinning rapidly. Just as she was thinking of a solution, Qin Churou's voice came through again. She had compromised. "I can give it to you, but you know that my reputation is very bad right now. I need to find a place to hide. I'll go to your house first."

Qin Churou's words were flawless. Shen Mei did not suspect anything and agreed. "Okay, you can go home tomorrow, but remember to bring the money."

"Alright."

Qin Churou smiled meaningfully. Since her life was ruined, her biological parents had to be with her.

Qin Churou returned to the Feng family.

She secretly drugged and poisoned the entire Feng family, then prepared to escape abroad.

On the plane, Qin Churou was detained by the police.

At this moment, Qin Churou's mind was already a little out of control.

She kept repeating that Qin Sheng was reborn and had taken everything that belonged to her. She asked the police to arrange for someone to capture Qin Sheng for research.

But how could the police believe her?

They brought her over for a checkup.

Under Qin Sheng's arrangement, Qin Churou was diagnosed with mental illness. Qin Churou had killed the Feng family because she had acted irrationally when her mental illness flared up.

Hence, the police sent her to a mental hospital.

In fact, Qin Churou was still in good spirits. It was just that she had an obsession that Qin Sheng had stolen everything she had. That was why she kept repeating these words.

A normal person like Qin Churou was locked up with a group of mental patients for the entire day.

Naturally, she was tormented to the point of insanity.

Under such circumstances, most people would lose their minds completely.

However, Qin Sheng had specially developed a drug for Qin Churou so that even if Qin Churou interacted with these mental patients every day, she would not be able to become a real mental patient.

There were also people keeping an eye on Qin Churou to prevent her from committing suicide.

Qin Churou fell into endless torture day after day.

Qin Hai had already pawned Qin Entertainment, and Lin Shuya could not return to the Lin family, nor could he get the money to redeem the house.

After Qin Hai paid the penalty, the capital chain of Qin Entertainment broke.

The crisis that the company was in was not something that could be resolved in a short period of time. In order to maintain the company's operations, they could not borrow money from the bank.

Qin Hai could only run over to borrow from the loan sharks.

A year later, Qin Entertainment officially declared bankruptcy. Although the loan sharks had been paid off, Qin Hai had already become a pauper. He no longer had any money on him.

He could only run over to Old Madam Qin for help.

Although Old Madam Qin pitied him, she still felt sorry for her second son. Under the instigation of her second son, she only gave Qin Hai 300,000 yuan.

Qin Hai had already gotten used to living a life of luxury. This 300,000 was simply not enough to spend.

In less than a month, he had spent all of it.

For the next half of his life, Qin Hai lived a destitute life.

As for Lin Shuya, Qin Hai had pestered her for a period of time.

He wanted her to think of a way to return to the Lin family again.

Lin Shuya was not willing. Qin Hai abused Lin Shuya. Lin Shuya was seriously injured and was sent to the hospital.

This matter reached Old Master Lin's ears.

Old Master Lin's mood was complicated.

If it was Lin Shuya's usual matters, he wouldn't have cared. However, Lin Shuya was in such a situation.

After all, she was his daughter.

After getting Qin Sheng's approval, he arranged for Lin Shuya to file for divorce.

Then, he gave Lin Shuya 1 million yuan.

He left her to fend for herself.

Of course, this was a story for the future.

--

Qin Churou and Lin Shuya's matter had come to an end.

In the blink of an eye, it was time for Qin Sheng and Fu Hanchuan's wedding the next day.

Old Master Qin chased Fu Hanchuan back to Fu Garden.

As Fu Hanchuan's grandfather, Old Master Lu was the one who had arranged for Qin Sheng and Fu Hanchuan to meet.

Although Old Master Lu was on their side, Old Master Qin and the others still disliked Old Master Lu.

They also chased him back.

On the sofa in the Qin family's living room.

Old Master Qin held Qin Sheng's hand and sighed countless times throughout the day.

"Sheng Sheng, of all people, you have to like that big bad wolf Fu Hanchuan. You're only twenty-two years old and you're going to marry him."

"That's right, Sheng Sheng," Old Master Lin agreed. "If you ask me, you can run away from the wedding this time. It won't be too late to marry Fu Hanchuan in a few years."

Lin Haocheng: "Sister, that Fu Hanchuan is a two-faced person. Look at you. You've only known him for less than a month, and you've already been targeted by him. In less than half a year, you've become his girlfriend. Look, isn't he scheming?"

Lin Haoyu also spoke up, which was a rare occurrence. "Sheng Sheng, if you stay in the Lin family, we can always support you. In the future, I'll give you all the shares of the Lin Corporation under my name."

Qin Sheng could hear the reluctance in their words.

She felt helpless. "Grandfather, Grandfather, Eldest Brother, Second Brother, don't worry. I'll be staying in the capital from now on. We can meet anytime in the future."

"Who knows what kind of tricks Fu Hanchuan will use just to enjoy the two of you alone?" Lin Haocheng muttered.

Lin Haocheng always felt that marrying Qin Sheng to Fu Hanchuan was like throwing a sheep into a tiger's den.

However, Qin Sheng did not hear this.

Qin Yufei came to Qin Sheng's side and sat down. He instructed, "Sheng Sheng, if Fu Hanchuan doesn't treat you well in the future, you can always return to the Qin family. You're Father's daughter, so you don't have to suffer like this."

Qin Sheng obediently agreed. "Alright."

Qin Yufei continued, "Sheng Sheng, I only have one daughter. You won't have a stepmother or other siblings. The Qin family will be handed over to you in the future. You don't have to work so hard to do so many things."

Qin Sheng was involved in various fields.

At the age of 22, she had become a top figure in the scriptwriter, medical, computer, painting, and business worlds.

Although Qin Sheng was very talented, she must have put in a lot of effort in these areas.

Qin Yufei's heart ached for Qin Sheng.

As a father, he only hoped that Qin Sheng could enjoy everything that he had given her and not painstakingly create these things himself.

Qin Sheng blinked and was puzzled. "Dad, it's actually not hard for me. I don't need to interfere with the company's matters now. My subordinates can handle it perfectly. As for the rest, I don't have to spend much on it."

Qin Sheng also had a headache.

Her father and grandfather had always thought of her as a delicate and weak girl.

Actually, she was not that fragile.

Hearing Qin Sheng's words, Qin Yufei was speechless.

In the end, he laughed helplessly. "Alright, I'll do as you wish."
