

ALL-MIGHTY GIRL GETS SPOILED BY A BIGSHOT

Chapter 1361 Wedding (2) (Ending)

At night, after Qin Sheng returned to her room, Old Master Qin, Old Master Lin, the Lin brothers, and Qin Yufei created a group chat and began to think about how to make things difficult for Fu Hanchuan on the day of the wedding. They couldn't let Fu Hanchuan marry their baby so easily.

Not only were the Lin family and the Qin family very reluctant to part with Qin Sheng.

Qin Sheng's fans are all very supportive of the two people getting married, but the wedding was approaching. This day, they were all very reluctant to give up.

They even went to Weibo to post and use some twisted logic.

[Sister Sheng, let's not get married. Let's call it off first and see how sincere Fu Hanchuan is. The easier it is for a man to get her, the less he will cherish her.]

[Upstairs, you're right. Sister Sheng, as long as you nod your head, we fans will immediately help you escape from your marriage perfectly.]

[F*ck! Fu Hanchuan was indeed fast. Sister Sheng, you're only 22 years old? You shouldn't waste your youth on getting married and having children. You should call off the engagement.]

[...]

When Fu Hanchuan saw these comments, the veins on his forehead bulged.

However, after thinking it through, he felt relieved. No matter how unwilling these netizens were, Sheng Sheng would marry him tomorrow.

As for Old Master Qin and the others, they couldn't do anything to stop it.

He was already fully prepared.

The next day, the wedding began.

The wedding was held in the Qin Hotel. The venue was huge and all the famous families in the country were invited.

The entire wedding was broadcast live.

When the netizens saw the decorations on the bridal path, it was all very luxurious.

They could not help but sigh.

[This Prince Charming Fu must have been ruthless at the wedding. Tsk, tsk, tsk, he's really spoiling her.]

[This is the grandest wedding I've ever seen.]

[Prince Charming Fu is going to pick up the bride now, right? I want to see my goddess in a wedding dress. She must be so beautiful!]

In the mental hospital.

Qin Churou also saw the livestream and her eyes widened.

Her face twisted. "Qin Sheng! What right do you have to live like this? Everything you enjoy is clearly mine, mine!! No, I'm going to kill you. Will my life return to normal if you're dead?"

"Qin Sheng, I'm going to kill you."

The doctor heard Qin Churou's words the moment he entered the room.

He frowned.

He picked up a needle and walked over to Qin Churou.

Qin Churou panicked when she saw the needle in the doctor's hand. She kept retreating. "I'm not crazy. I'm not mentally ill. You can't do this to me. This is all Qin Sheng's scheme."

The doctor frowned and ordered the two assistants behind him, "Catch her."

Soon, Qin Churou was stopped.

After the doctor injected a tranquilizer into her body, Qin Churou fainted.

Qin family.

Mother Lu was putting makeup on Qin Sheng. She put down the makeup and looked at Qin Sheng in the mirror.

Even a woman like her was amazed by Qin Sheng's appearance.

However, the more she thought about it, the more she felt that a fresh flower like Qin Sheng had been inserted into cow dung.

Mother Lu had already sighed countless times. "Sheng Sheng, I told you to pay attention to Fu Hanchuan back then. I didn't expect you to marry him so quickly."

She was also cursing Fu Hanchuan in her heart. He was really fast.

He had probably been waiting for this day for a long time.

Huang Xiaoyan was eating wedding candies. She stood on Fu Hanchuan and Qin Sheng's side, so she naturally would not follow Mother Lu and criticize Fu Hanchuan.

"Aren't Sheng Sheng and Teacher Fu a good match?" she muttered.
