

Bigshot 141

Chapter 141: QS Online

Fu Hanchuan put down the test paper and his light gaze landed on Lu Ming.

Lu Ming took a step back. He had a bad feeling.

He braced himself and said, "Brother... No, it's teacher. Reporting to Teacher, I'm Lu Ming, transferred from Class 1."

Fu Hanchuan raised his hand and looked at his watch.

"You're already ten minutes late. Just stand outside."

Lu Ming: "..."

It was too difficult for him.

Therefore, Lu Ming stood outside for the entire lesson.

Chen Fang placed his desk on the ground. "Brother Lu, I'll be leaving first. This lesson is for Liang Hua, so I won't be accompanying you."

"Get lost."

Lu Ming kicked Chen Fang.

—

At night, Fu Hanchuan was the one who brought Qin Sheng back to the Qin family.

Wu Chong called Qin Sheng, naturally to recruit Qin Sheng into the Painting Association.

"Is this Qin Sheng?" Wu Chong asked with a smile on his face. He looked rather wretched.

Qin Sheng furrowed her brows slightly. "Yes."

"Student Qin Sheng, on behalf of H City's Painting Association, I would like to sincerely invite you to join our Association."

Wu Chong really wanted to invite Qin Sheng to join the Association.

In the future, when Qin Sheng became famous, it would be beneficial to the Association. The Association could benefit from Qin Sheng.

Would A City dare to look down on their Association?

Qin Sheng had never liked trouble, so she rejected without even thinking. "I don't want to go."

Wu Chong: "..."

Couldn't she be more tactful?

Wu Chong still looked good. "Qin Sheng, may I ask why you don't want to join?"

“I have too many things to do, so it’s troublesome.”

Wu Chong fell silent for a moment.

He even wanted to nod his head.

There were really a lot of things to do in H City’s Painting Association.

Every time, he had to recruit members, arrange for people to participate in various painting competitions, teach the Association members how to draw, and have all sorts of social events.

He was so busy that his feet could not touch the ground almost every day.

However, since it was Qin Sheng who made this request, and Qin Sheng was a painting genius, as long as he could recruit her into the Association, he had to try his best to meet her conditions.

Wu Chong said with a smile, “It’s no trouble. It’s definitely no trouble. It’s just a name. You don’t have to do anything.”

“I’m not going.”

Qin Sheng had not relented when she hung up the phone.

A beeping sound came from the phone.

Wu Chong took a deep breath. If he could forgive, he could forgive. All geniuses had tempers.

This Qin Sheng, even if he had to visit the cottage three times, he had to recruit her into the Association.

On this side, Qin Sheng put down her phone and turned on her computer.

Her fingertips lightly clicked the mouse.

She logged into the Black Emperor’s web page.

After scrolling through the forum, she arrived at the competition arena and did some small missions.

Nowadays, very few people dared to compete with QS, and they did not want to go up there to be abused.

At the same time, many hackers sent private messages to Lu Ming.

[Handsome, QS is online.]

[Handsome, your chance to take revenge is here.]

[Handsome, help me torture QS to vent my anger.]

These hackers also had the mentality of watching a show without thinking too much about it. They hoped that Lu Ming could win, but even if QS won, they would just treat it as watching a battle between experts.

Thus, once Lu Ming went online, he saw a bunch of messages, 99+.

Lu Ming clicked on it and was happy when he saw the messages.

This QS was finally online. Otherwise, he would really think that he was a coward.

Lu Ming publicly announced in the world that he wanted to compete with QS.

[The Most Handsome In the Universe: Come, QS, let's have another match. This time, I won't lose again. If I lose again, I'll be a bastard.]

Qin Sheng narrowed her eyes as she looked at the message box that popped up. She typed these two words on the keyboard. "No match."

Chapter 142: You Are a Noob

[The Most Handsome In the Universe: Hey, you don't dare to compete with me? Are you afraid of losing?]

After waiting for a minute, there was no response from Qin Sheng.

Lu Ming was impatient.

[The Most Handsome In the Universe: QS, no matter what, you have to compete with me today!]

Lu Ming was determined to compete with Qin Sheng so that he could regain his lost face.

At this moment, a hacker said weakly, "Handsome, QS is challenging the fifth trial."

Lu Ming: "..."

When did QS run away?

Then who was the person in front of him?

A few minutes later, the QS logo disappeared in front of his eyes. Then, he saw QS appear in the trial that was challenging the fifth trial.

Lu Ming was furious. It turned out that the logo he saw was fake.

By the way, no one cared about QS tampering with Black Emperor's program and making fake logos, right?

Black Emperor's technical staff expressed their grievance.

The other party was too strong. They could not stop it.

Lu Ming's hand quickly typed on the keyboard, provoking QS.

[The Most Handsome In the Universe: QS. What's the point of hiding like this every day? You're really like a coward. If you're really a man, come out and compete with me.]

Qin Sheng held her chin with one hand as she read the message. She was thinking that since she was a woman, she would not compete with him.

[QS: Your skills are too weak.]

Her disdain was very obvious.

Lu Ming: "..."

The top of his head was about to start smoking. He was just short of lighting a fire in his hair.

[The Most Handsome In the Universe: You're weak, your family is weak!]

Before he could send out this message, he saw the QS symbol go dark. Dark...

QS went offline.

He had waited so long for him to go online, and this sentence was given to him.

Lu Ming was not convinced. He was ranked ninth in a place where hackers gathered. Before this, there were many people who called him an expert.

However, Lu Ming felt that the name of an expert was too high-profile, so he let others call him handsome.

If his computer skills were bad, then not many people would be good at it.

In order to prove that his skills were very good, Lu Ming sent a message to the world.

[The Most Handsome In the Universe: Do you guys think that my computer skills are good?]

Soon, a large group of people was comforting him.

[Spicy Chicken: Handsome, if you aren't good, then aren't us small fries trash?]

[VVVV: Handsome, this is the expression of saying that grapes are sour when you can't eat them. QS is worried that they won't be able to beat you in a competition, so they say that you are a noob.]

[Love: Handsome, believe in yourself. You really aren't a noob. Come, everyone, is our Handsome's skills noob?]

[Nail: Not noob +1]

[I Am An Expert: Not noob +10086]

...

On the surface, they were comforting Lu Ming, but many people felt that QS was right.

QS's hacking skills were really good, setting records one by one.

If it was on Lu Ming, he wouldn't be able to do it.

QS was better than Lu Ming, so it was normal for them to say that Lu Ming was a noob.

However, in order to comfort Lu Ming's little heart, they could only agree with him. After all, last time, Lu Ming was tortured by QS, and he was about to go into seclusion.

As for Lu Ming, he had learned hacking skills during this period of time. However, there was a huge gap in their skill level. It was unlikely that he could surpass QS in a short period of time.

When Lu Ming saw these words, his heart almost flew up.

He crossed his legs.

He said that his skills couldn't be weak.

If even he was weak, how could there still be experts?

Suddenly, a message floated across the computer screen. Even the world's news came out. It was red in all caps.

Black Emperor's Number 1 Expert C comments on The Most Handsome In the Universe's post!

[C: You are really bad.]

Chapter 143: The Same Operation

"F*ck!"

Lu Ming almost fell from his chair.

It was his brother who appeared.

Moreover, he even commented that he was a noob?!

Lu Ming was extremely resentful. Was he really his younger brother? Although he wasn't the younger brother of the same father and mother, he was still a younger brother who was related by blood.

The appearance of Hacker C.

The whole world was in an uproar.

When he answered, all the hackers agreed. Lu Ming's skills were indeed lacking.

[Spicy Chicken: Yes, compared to You, God, and QS, Handsome's skills are really not good enough.]

[Love: Yes, we were just worried that Handsome would take things too far. That's why we said those words.]

[VVVV: I didn't mean what I said just now, I believe everyone was comforting Handsome.]

[Spike: Same +1314520]

"..."

Just now, everyone was saying that Lu Ming's skills were good, but now, they were all talking about Lu Ming's skills.

They were the ones who were the ones who were the most indignant for Lu Ming just now.

Lu Ming: "..."

They were really a bunch of people who were used to following the trend. Could they be a little more assertive?!

When they saw who was more powerful, they would lean towards the other without any integrity.

His brother was indeed powerful, but he had not slept with them once in 800 years, unlike him. No matter what happened, he would always go online to take a stroll. In this way, it was better to follow him well.

Lu Ming quickly typed on the keyboard, wanting to accuse Fu Hanchuan of something.

However, next, he saw —

Fu Hanchuan's logo was also dark, dark...

Lu Ming: "..."

He didn't know how many times he was speechless.

It was really the same as QS.

Lu Ming typed on the keyboard with a crackling sound.

[The Most Handsome In the Universe: I, The Most Handsome In the Universe, have finally seen you clearly.]

When the hackers saw that the Hacker C logo was dark, they saw Lu Ming's words and leaned towards Lu Ming again.

[Love: Handsome, don't be like that. Didn't I just say that because Hacker C was online? What I said just now was all fake. What lies are also fake.]

Below, a bunch of hackers echoed.

Lu Ming: "I don't believe you guys."

After saying this, Lu Ming went offline.

Once he turned off the computer, Lu Ming called Fu Hanchuan.

"Brother, my skills are not that good? What you said just now in the world made me lose all my face. Brother, I'm your disciple. Isn't calling me a loser also a loss of face for you?"

As soon as Fu Hanchuan picked up, Lu Ming complained.

After he finished speaking in one breath, a beeping sound came from Lu Ming's phone.

Obviously, Fu Hanchuan hung up.

"QS, I'm not done with you! Just you wait!"

Lu Ming was really angry. He had never been wronged like this before. He had lost all his face to this QS.

Sooner or later, he would teach this QS a good lesson.

—

The days that followed were peaceful. Class 4 did not have Liang Hua as an English teacher, so their mood was much better, not to mention having Fu Hanchuan as their teacher.

Fu Hanchuan did not have many skills in teaching, but he spoke good English, was handsome, and had a pleasant voice. People would fall in love with him unconsciously.

The people in Class 4 listened to the lesson attentively, which led them to discover a phenomenon.

Fu Hanchuan's gaze would occasionally fall on Qin Sheng. When he saw Qin Sheng, his eyes would soften.

Fortunately, they knew that Qin Sheng was Fu Hanchuan's sister. Otherwise, they would have thought that Fu Hanchuan liked Qin Sheng, the kind of relationship between a man and a woman.

As for Class 1, the atmosphere was very gloomy every day.

Chapter 144: Grandpa Wants To See You

Liang Hua did not have anything to be afraid of anymore. She scolded the students of Class 1 even more.

Now, the students of Class 1 did not want to have any more English lessons.

In Class 1, only Su Yixiu was not affected by Liang Hua's scolding.

Qin Churou was scolded by Liang Hua in front of the entire class. In the past, she would have definitely told Lin Shuya.

However, she was worried that Lin Shuya would know that she lied and that Qin Sheng did not cheat. This was something that the entire school knew.

Qin Churou did not dare to take this risk.

A malicious thought slowly formed in her heart.

Not only would she destroy Qin Sheng, but she would also teach Liang Hua a lesson.

In the blink of an eye, two months had passed since Qin Sheng returned to the Qin family.

On this day, Fu Hanchuan finished his English class in the morning and drove over to pick up Qin Sheng in the afternoon.

When Fu Hanchuan had no classes in the afternoon, Qin Sheng didn't let him pick her up either.

In the eyes of others, Fu Hanchuan was very free every day.

However, Qin Sheng had experienced a lifetime and knew that Fu Hanchuan was managing a company. In her previous life, HD Group had become the largest group in the world.

The company had only been established for four years and was still developing. Fu Hanchuan had a lot of things to deal with.

Qin Sheng didn't want Fu Hanchuan to pick her up every day since he was very busy.

Fu Hanchuan parked his car in the school parking lot and returned to his office.

After Qin Sheng finished her last class, he came to pick Qin Sheng up from Class 4.

"Sheng Sheng, Teacher Fu is here to see you." Huang Xiaoyan winked at Qin Sheng.

A few days after Fu Hanchuan came to be an English teacher, Huang Xiaoyan began to ship Qin Sheng and Fu Hanchuan in her heart.

There was nothing she could do. Fu Hanchuan looked at Qin Sheng too dotingly.

They both felt very loving although Qin Sheng didn't have such a reaction to Fu Hanchuan.

Fu Hanchuan and Qin Sheng were brother and sister, but it didn't stop Huang Xiaoyan from making them a couple in her heart.

Qin Sheng looked up in surprise and saw Fu Hanchuan walking toward her step by step.

"Brother Fu, why are you here?" Qin Sheng asked in surprise.

"Grandpa wants to see you."

Fu Hanchuan put Qin Sheng's test paper on the table into her schoolbag. During this time, Huang Xiaoyan consciously stepped aside.

She went to Lin Feng's seat at the back and pushed Lin Feng aside. She held her chin and looked at them.

Her eyes were filled with red hearts.

No, this was too adorable.

How could they be brother and sister?

They were a perfect match.

Qin Sheng nodded. When she heard that Old Master Lu wanted to see her, she could no longer refuse.

Fu Hanchuan had already packed all the things that Qin Sheng wanted to bring.

He held Qin Sheng's schoolbag in his hand.

"Sheng Sheng, let's go."

"Okay."

Qin Sheng nodded. However, when they reached Old Master Lu's house, they passed by Huang Xiaoyan's house on the way.

Qin Sheng looked at Huang Xiaoyan. "Xiaoyan, do you want to come with us?"

Huang Xiaoyan shook her head like a rattle-drum. "There's no need, Sheng Sheng. You guys go first."

It was better for her not to disturb the two of them.

Moreover, she could not bear the strong aura of their English teacher in the same car.

Seeing that Huang Xiaoyan refused, Qin Sheng did not force her. Previously, she had invited Huang Xiaoyan to take the car with her. Many times, Huang Xiaoyan had not agreed.

Huang Xiaoyan went back and squeezed into the bus.

Fu Hanchuan and Qin Sheng came to the Lu family together.

This time, it was different from before. Knowing that Qin Sheng was coming, Old Master Lu would wait for them in front of the villa early.

Chapter 145: Biggest Birthday Party

However, Qin Sheng didn't see Old Master Lu today, and there weren't many servants around the villa.

It was very quiet.

Qin Sheng frowned slightly, and Fu Hanchuan explained, "Maybe Grandpa has something to do at home."

"Okay." Qin Sheng nodded.

Fu Hanchuan parked the car in front of the villa and escorted Qin Sheng out of the car.

Fu Hanchuan said dotingly, "Sheng Sheng, you go in first. I need to get something."

"Okay."

Qin Sheng knocked on the door.

However, no servant came to open it.

Qin Sheng frowned slightly. The door was ajar. She hesitated for a moment before pushing the door open. Fu Hanchuan followed behind her.

Bang bang bang!

"Sheng Sheng, Happy Birthday!"

With a bang, countless petals fell down.

Old Master Lu held a salute cannon and said with a smile.

This was a custom-made salute cannon. Was it a real flower or a peach blossom?

Hearing Old Master Lu say 'Happy Birthday', Qin Sheng was stunned for a moment.

In her previous life, after Old Master Lu passed away, she did not celebrate her birthday again. Only on her birthday would she receive a gift. That gift did not have a signature nor an address.

Qin Sheng's eyes were teary. She resisted the urge to cry and smiled. "Thank you, Grandpa Lu."

Fu Hanchuan looked at the peach blossoms on Qin Sheng's hair and the decorations around the villa. The ceiling on the wall was hung with all kinds of colorful ribbons. There were also many flowers around, and the entire villa was filled with the fragrance of flowers.

Fu Hanchuan rubbed the space between his eyebrows, feeling a headache.

Old Master Lu said that he wouldn't let Fu Hanchuan worry about it, so he let him organize Qin Sheng's birthday on his own.

Fu Hanchuan was worried, so he asked Old Master Lu about his plan. Old Master Lu replied with a smile, saying that he wanted to arrange the biggest birthday party for Qin Sheng in the entire city, inviting all the wealthy families and students from Class 4 to come over.

He also wanted to tell them that Qin Sheng was someone that he, Lu Zhongguo, was protecting. That way, he would not have to worry about people bullying Qin Sheng.

He also wanted to let them know that if they treated Qin Sheng badly, they would have to see if they could bear the consequences.

At that time, Fu Hanchuan stopped them.

Not to mention that Qin Sheng would not agree, Fu Hanchuan also knew that Qin Sheng was planning to leave the Qin family.

If Qin Hai knew about the relationship between Grandfather Lu and Qin Sheng, he would not let go of Qin Sheng. He would also want to get to know those people in the upper circles through Qin Sheng.

This would bring a lot of trouble to Qin Sheng.

When Fu Hanchuan stopped him at the beginning, Grandfather Lu was displeased. His grandson had always been against him on the matter of Qin Sheng, limiting the number of times he saw Qin Sheng. Even helping Qin Sheng was snatched by him.

Tsk tsk, he even went to H City High School to be a little English teacher.

At this moment, Fu Hanchuan must have thought that Lu Zhongguo's idea was too good.

He was even jealous of his grandfather. This was outrageous. If not for him, would Fu Hanchuan have known Qin Sheng?

Therefore, Old Master Lu straightened his neck and said, "Let's do this. Fu Hanchuan, you have to respect the old and love the young. You have to be filial, understand?"

Fu Hanchuan had a headache, so he told Old Master Lu about the pros and cons.

The originally confident Old Master Lu instantly became like a radish, his entire face scrunched up.

"That Qin family really doesn't treat Sheng Sheng as their daughter." Old Master Lu was very depressed, but at the same time, he was also very angry.

Look! Was this what biological parents should do?

They pampered an adopted daughter who did not have any blood relations to the bone, but they did not care about their own biological daughter.

Chapter 146: Spoiled Like a Princess

This plan that he had thought about for a long time was rejected. Grandfather Lu said that he would not tell Fu Hanchuan his plan no matter what.

Fu Hanchuan could only let him be.

He did not expect Grandfather Lu to arrange this birthday party to be so fancy.

When Fu Hanchuan's gaze met the smile on Qin Sheng's face, his eyes softened.

Forget it, as long as his little girl was happy.

Fu Hanchuan stretched out his hand and lowered his eyes, removing the flower petals that fell on Qin Sheng's hair.

A clear scent entered Qin Sheng's nostrils. Qin Sheng's face turned red for a moment, but Fu Hanchuan did not notice it.

Old Master Lu was also immersed in preparing Qin Sheng's birthday. He did not notice Qin Sheng's abnormality.

"Aiyo, I'm really old. I forgot about such a small matter."

Old Master Lu patted his head and quickened his pace. He did not forget to turn off the lights.

The villa instantly darkened. Fu Hanchuan rubbed his brows with a headache.

He should have interfered in the beginning.

Old Master Lu stayed in the living room for a long time. He lit all eighteen candles on the cake on the table.

When the candles lit up, Old Master Lu nodded in satisfaction.

Fortunately, nothing bad happened.

"Sheng Sheng." Old Master Lu waved at Qin Sheng. "Come here, make a wish and blow out the candles."

Qin Sheng walked over.

She put her palms together and closed her eyes.

After making three wishes, she opened her eyes and blew out the candles one by one.

"Sheng Sheng's wish will definitely come true," Old Master Lu said with a smile. He handed the knife to Qin Sheng. "Sheng Sheng, come, cut the cake."

Fu Hanchuan looked at the cake that was half the size of the dining table and felt a headache again.

It would take at least 20 minutes to cut this piece of cake.

Fu Hanchuan reminded her, "Sheng Sheng, you don't have to cut all of it. Just cut a small piece."

"Okay."

However, as soon as Qin Sheng inserted the knife into the cake, Fu Hanchuan took the knife and said gently, "Let me do it."

Fu Hanchuan really didn't want Qin Sheng to do this kind of work. She should be well-cared for and pampered like a little princess.

Old Master Lu looked at this scene and snorted coldly.

'You little brat.'

Fu Hanchuan's concern for Qin Sheng was out of Old Master Lu's expectations. Old Master Lu was both pleased and angry.

Fu Hanchuan liked Qin Sheng and cared about her. He was happy to see that. If Fu Hanchuan took a fancy to her, Qin Sheng would most likely be his granddaughter-in-law, and he wouldn't let other people's little brats get away with it.

Fu Hanchuan could take good care of Qin Sheng.

However, he was angry. His grandson was actually jealous of him.

He tried to stop him from getting along with Qin Sheng.

Everyone ate a small piece of cake.

Old Master Lu took out a bowl of longevity noodles from the kitchen. There was an egg lying on it.

"Sheng Sheng." Old Master Lu handed a bowl of noodles to Qin Sheng. "I made this. I haven't made it for more than 20 years. My cooking skills may not be very good."

Qin Sheng took it and took a bite.

She smiled and said to Old Master Lu, "Grandpa Lu, it's very delicious."

Qin Sheng didn't know how to cook. She was a kitchen killer.

Old Master Lu's cooking skills were top-notch, and so was Fu Hanchuan's. He usually cooked alone at home and didn't ask the maids to come.

His house was quite deserted. Usually, the maids would come to Fu Hanchuan's villa at the time of the day and clean it before going back.

Hearing this, Old Master Lu smiled and said, "It's good that you like it."

He looked at Fu Hanchuan proudly.

In Sheng Sheng's heart, he, Lu Zhongguo, was definitely the one that Sheng Sheng cared about the most.

'Brat, you still want to compete with me!'

Chapter 147: The Wronged Lu Ming

Fu Hanchuan felt helpless when he received Grandfather Lu's smug look.

Then, his gaze returned to Qin Sheng, gentle and affectionate.

This bowl of noodles was not much, but after Qin Sheng ate it, she was already a little stuffed.

Grandfather Lu took out a birthday gift for Qin Sheng. It was a painting of Grandfather Lu's, which was his favorite.

There was once someone who wanted to buy this painting at a sky-high price of more than 200 million, but Old Master Lu refused no matter what.

“Sheng Sheng, this is your birthday gift. Take it.”

Old Master Lu didn't feel sorry at all for giving this painting to Qin Sheng.

Qin Sheng looked at it. It was the same as the painting from her previous life. She didn't refuse and took it. “Thank you, Grandpa Lu.”

“Sigh.”

Seeing Qin Sheng take the painting, Old Master Lu smiled even more happily.

He liked Qin Sheng's free and easy attitude. She was not shy at all, unlike other socialites who pretended to reject gifts.

“Grandpa, what is this?” Lu Ming, who had just returned from playing basketball, squeezed his head out and asked.

Old Master Lu glared at him impolitely. “It's none of your business.”

Lu Ming saw the painting before he could put it away.

He opened his mouth wide. “Grandpa, isn't this your most precious painting?”

Thinking of the ‘thank you’ Qin Sheng had just said, Lu Ming looked at Old Master Lu in disbelief.

“Grandpa, back then, I was coaxed into doing a month's worth of work by you. In the end, you still refused to agree. Now, are you willing to part with it?”

Lu Ming was only thirteen years old when he wanted the painting. He had heard that his grandfather's painting was very valuable.

At that time, Lu Ming's monthly allowance was pitifully low. He only had a hundred yuan, and he had already set his sights on Old Master Lu's painting.

After asking Old Master Lu, he also knew that this painting was the most valuable.

Lu Ming asked Old Master Lu for it, but Old Master Lu did not immediately refuse. Instead, he said that Lu Ming had to listen to him for a month, and that he had to go east and never go west. Then, he would think about it carefully.

Lu Ming often went against Old Master Lu. For the sake of painting, he had to endure for a month.

During this month, Old Master Lu used all his strength to order Lu Ming around.

He even wore all kinds of princess dresses and allowed Old Master Lu to dress him up as a girl.

After a month, Lu Ming once again opened his mouth to ask for the painting. Old Master Lu smiled and said that he had already thought about it and wouldn't give it to him.

However, Lu Ming was furious and helpless.

Old Master Lu indeed did not agree. He only said that he would consider it and did not say that he would give it to him.

Lu Ming had never thought of this verbal trap.

Thinking of this dark history, Lu Ming's tone was very grumpy. "Grandfather, those who don't know would think that Qin Sheng is your biological grandchild."

Once again, it proved that Lu Ming was indeed picked up by the Lu family.

"You stink." Old Master Lu frowned in disgust. "Go take a shower."

Lu Ming was now covered in the stench of sweat. He picked up the clothes on his chest and took a sniff, but he didn't find it smelly. It was a normal smell.

"Is it smelly?" Lu Ming was very confused.

"Hurry up and go." Old Master Lu gave Lu Ming an excuse.

Lu Ming agreed. He saw the decorations in the living room, and because of the painting, he probably thought that today was Qin Sheng's birthday.

Before he left, Lu Ming did not forget to say: "Happy Birthday."

Lu Ming was also quite impressed by Qin Sheng. She was better than Su Yixiu in the exam.

She even managed to make the people in Class 4 submit to her.

Of course, the most amazing thing was that Qin Sheng had captured Fu Hanchuan's heart. Qin Sheng had only known Fu Hanchuan for two months, but she had already taken down Fu Hanchuan, who was not close to women.

Too awesome!

Chapter 148: Leaving the Qin family

After dinner, Fu Hanchuan sent Qin Sheng back to the Qin family.

As soon as he got into the car, Fu Hanchuan gave Qin Sheng a red gift box. "Happy Birthday, Sheng Sheng."

She opened the gift box.

What greeted her eyes was a woman's watch. Under the headlights of the car, it emitted a warm white light.

Fu Hanchuan's hand had also changed into a watch of the same style. Qin Sheng's was a couple's watch, which was unique in the world. It was custom-made by Fu Hanchuan. One was white, and the other was black.

Fu Hanchuan held the gift box like this, and his palms were sweating.

It could be seen that he was very nervous.

Qin Sheng looked down. She also liked this watch very much. "Thank you, Brother Fu. I like it very much."

Seeing that Qin Sheng liked it, Fu Hanchuan let out a sigh of relief.

He took off the watch. "Sheng Sheng, let me put it on for you."

Qin Sheng and Fu Hanchuan had gotten along like this in her previous life. She didn't feel that something was wrong, so she reached out her hand.

"Okay."

Fu Hanchuan smiled and picked up Qin Sheng's hand. He carefully put the watch on Qin Sheng's wrist and buttoned it up.

The watch was very suitable.

Qin Sheng's skin was naturally white. When she wore the watch, she looked even fairer.

Fu Hanchuan's watch was very close to Qin Sheng. Fu Hanchuan looked at it, and his eyes seemed to be shining with starlight.

After he put the watch on Qin Sheng, Fu Hanchuan couldn't bear to let go of it.

After all, he was worried that Qin Sheng would notice, so he could only let go reluctantly.

"Sheng Sheng, the Qin family won't celebrate your birthday. Grandpa and I are here, so you don't have to care too much about them."

According to Qin Hai and Lin Shuya's attitude, they might have even forgotten Qin Sheng's birthday, not to mention celebrating her birthday.

Fu Hanchuan had also investigated. When she was in the Feng family, Shen Mei and the others all disliked Qin Sheng, not to mention celebrating Qin Sheng's birthday.

On the contrary, Shen Mei abused Qin Sheng even more on the day of her birthday.

It was because Qin Sheng caused her to be separated from Qin Churou, her flesh and blood.

However, Shen Mei did not think that she was the one who switched the two children back then so that Qin Churou could enjoy the life of a rich person in the city so that they could also enjoy life together in the future.

Qin Sheng nodded and said indifferently, "It's enough that I have you guys. I won't care about them."

Qin Sheng had made up her mind that she would not be soft-hearted towards them anymore.

After a lifetime, she had already developed a heart of stone.

Some stupid things were enough to be committed once.

"Sheng Sheng, when will you leave the Qin family?" Fu Hanchuan asked with concern.

Qin Sheng tilted her head and thought for a moment. Then, she opened her red lips and said, "Soon."

She was already an adult, so some things could be put on the agenda.

This time, she wanted to sever her relationship with the Qin family completely.

“Is there anything I can help you with?”

“No need.”

Hearing this, Fu Hanchuan felt a headache coming on.

His Sheng Sheng seemed to be too powerful, so he couldn't get involved.

Forget it, he could be her backup.

Fu Hanchuan drove Qin Sheng back to the Qin family.

Fu Hanchuan watched Qin Sheng enter the villa before leaving.

Qin Hai and the others were not at home.

A servant saw Qin Sheng, and according to Qin Churou's instructions, she specifically told them where she went. “Miss, Master and Madam went to the hotel to hold a birthday party for Miss Churou.”

Qin Churou's intention to show off was obvious.

Qin Churou and Qin Sheng had the same birthday. Qin Churou was only born an hour later than Qin Sheng.

Now, Qin Hai and the others only held a birthday party for Qin Churou. They didn't care about Qin Sheng and didn't even prepare a small birthday cake.

Chapter 149: Solving the Crisis

Qin Sheng naturally did not care about these things. Without saying anything, she went straight upstairs.

The other servant who was cleaning came over and discussed with the servant from before.

“I think that Master and Madam don't value Miss Qin Sheng at all. Otherwise, why would they not have any preparations for her birthday?”

“Miss Qin Sheng's attitude is also unlikable. Who is she showing her cold face to every day?”

“Yes, Miss Churou is still the best. She cares about us servants very much, unlike someone who keeps her nose up all day.”

“We don't have to be too attentive to serve Qin Sheng. There's no benefit. Who knows, Qin Sheng might be driven out of the Qin family one day. I heard from Madam that day that Qin Sheng can't stay in the Qin family.”

“There's such a thing?”

“How can I lie to you?”

The servants also acted based on their employer's attitude. Lin Shuya and Qin Hai's attitude toward Qin Sheng was not good, so they naturally learned from it.

On the day Qin Sheng returned, the servant whom she had taught a lesson walked over and heard their conversation.

She sneered and said in a very strange tone, "You guys better not offend her. Who knows when she will report us to Sir and we will be fired?"

When the servants heard that, it made sense.

They nodded. "We can look down on her, but we cannot offend her. I think this Qin Sheng is not a good person. We have to be careful."

Qin Sheng returned to her room. She did not know what the servants downstairs were thinking.

She turned on her computer and typed on the keyboard. She was editing a document.

She wrote very quickly, as if she was not thinking.

Chen Corporation. She knew about the situation of this company in her previous life. It was similar to the situation of Feng Corporation. Due to the unfair suppression of the rival company, they were facing a serious crisis.

Originally, the public relations crisis this time was not very serious. However, due to the wrong operation and the encouragement of the rival company, it had now reached a point where it could not be stopped.

Qin Sheng planned to do the same as before and use the conditions to exchange for the help of the Chen Corporation.

Even if the Chen Corporation helped her to suppress the Qin Corporation's real estate, it would not do her any harm.

However, if it were not for Qin Sheng helping them through this crisis, they would not have been able to free up their hands.

In less than an hour, Qin Sheng had written down a document with more than three thousand words.

Then, her fingertips quickly typed on the computer, clicking the mouse from time to time. After a while, she got the basic information of the Chen Corporation's chairman and president.

With a glance, she remembered Chen Quan's email number.

Qin Sheng wrote a sentence and wrote down her phone number, then sent the email.

"Tomorrow at 6 pm, I will come to your company. If you want to completely solve this crisis, see me."

Chen Quan saw this sentence when he was looking at his mailbox at night.

Chen Quan was stunned for a moment.

This was the company's internal mailbox. How did they know?

He did not think about this for long. His gaze landed on the words 'completely resolve this crisis'.

A glimmer of hope appeared in Chen Quan's heart.

The crisis this time had come in waves. He had thought of many ways but could not resolve it. Now, it had become even more serious.

If the crisis was not solved, the company would suffer a great loss. If the rival company stepped on it, the company would not be far from bankruptcy.

Chen Quan had been worried these days. He had been thinking of ways every day.

After ten days, his hair had turned a little white.

Staring at the message sent by Qin Sheng on the mailbox, Chen Quan's mind moved slightly. He asked tentatively, "Why are you helping me?"

Click the confirmation button, the message was sent over.

Chapter 150: You Are My Sister

Chen Quan waited for ten minutes, but no one replied.

An hour later, there was still no reply.

Chen Quan turned off his computer. Did they really have a way?

The next morning, Qin Hai and the rest had breakfast downstairs. Qin Sheng also went downstairs.

When Qin Hai saw Qin Sheng, he suddenly remembered that yesterday was also Qin Sheng's birthday.

He did not feel the slightest bit of guilt.

It did not matter whether he celebrated her birthday or not.

Qin Churou's eyes flashed slightly, and she was the first to speak. "Sister, why didn't you come over last night? Father and Mother held a birthday party for me."

Qin Sheng picked up a piece of toast and did not answer.

Qin Hai also frowned, he explained, "Sheng'er, we did not hold a birthday party for you this time because we did not have the energy to do it. Now that the company is busy with matters every day, I have no way to prepare for your birthday. You didn't have a birthday party in the countryside either. It doesn't matter this time."

Qin Hai found an excuse not to prepare for Qin Sheng's birthday.

The corner of Qin Sheng's lips curled into a mocking smile, directly exposing the truth. "Since you don't have the time, why are you holding a party for Qin Churou, this adopted daughter of yours? Don't you care about your biological daughter? It would probably take a lot of time to hold a party. If you don't have the time, don't hold it. Besides, isn't my mother a housewife who's always at home? She doesn't have time?"

Qin Sheng's words almost said that Qin Hai and Lin Shuya were biased.

Qin Sheng didn't mind that Qin Hai and the others didn't prepare her birthday, but it was good to annoy them.

Qin Hai's face turned green and white from what was being said, and he was very embarrassed.

After Lin Shuya heard Qin Sheng's words, she immediately frowned. "Qin Sheng, can you be sensible? You're the elder sister. Can't you let your younger sister go? You want to snatch everything from Rou'er!"

"She's only an hour younger than me," Qin Sheng said unhurriedly.

Lin Shuya straightened her neck. "No matter how much younger she is than you, she's still your younger sister!"

Qin Sheng didn't say anything. Lin Shuya must have a hole in her brain.

Qin Hai also frowned. During the days when Qin Sheng came back, Lin Shuya often acted like a shrew in the marketplace. Even though she was a little old, she was still dignified and elegant. Now, he only saw Lin Shuya throwing a tantrum from time to time, and she also said some unreasonable words.

If Lin Shuya was also like this outside, he would have lost all face.

Qin Churou lowered her head and ate a small piece of bread, and there was a trace of pride in her eyes.

Qin Churou was very happy to see Qin Sheng and Qin Hai go against each other. In this way, Qin Hai and Lin Shuya would be very dissatisfied with Qin Sheng's biological daughter, and her position in the Qin family would also be firm.

However, she raised her head and saw Qin Sheng eating breakfast. She didn't seem to be affected by Qin Hai and Lin Shuya.

Qin Churou was extremely unwilling.

Qin Sheng would always be like this, as if she didn't care about anything. Even when her biological parents were talking about her, she still looked indifferent.

What was she thinking in her heart?

Qin Churou ate a piece of bread and saw that Qin Sheng was almost full, she said again, "Sister, I heard from the servants yesterday that you came back at 9 o'clock in the evening. After school, I saw you get into a man's car. Sister, there are many bad people in H City. You are also beautiful, so it's easy for you to become their target. In the future, it's better for you not to casually interact with men outside."

Qin Churou looked like she was doing Qin Sheng a favor.

Men?

Qin Hai frowned. This Qin Sheng was too outrageous. She was thinking about men at such a young age.
