

## Bigshot 211

### Chapter 211: The Two of Them Fell Out

Liang Hua stood up and grabbed the Principal's arm. She pleaded, "Principal, I know I'm wrong. I've taught in H City High School for so many years. Even if I haven't contributed much, I've worked hard. If you let me stay in the school, I'll change!"

The Principal pulled away Liang Hua's hand and said without hesitation, "I'll report the truth."

Liang Hua fell to the ground weakly. Her face was pale.

It was gone. Everything was gone.

Cui Qingsheng hated her. Her job was gone, her qualification certificate was gone, and everything was gone.

Liu Cui took one last look at Cui Qingsheng and Liang Hua, who was sitting on the ground. She sneered and left in her high heels.

Liu Cui was now in her thirties. She was used to taking care of herself. She was very young and could not be considered beautiful, but she had some temperament.

Cui Qingsheng looked at Liu Cui's back as she left. He was extremely regretful.

No matter how Liang Hua pretended, she had a petty temperament.

Liu Cui was different. She had received a good education since she was young and was very elegant.

Why did he fall in love with Liang Hua in the first place?

Cui Qingsheng looked at Liang Hua. His usually tender and affectionate eyes were filled with gloom.

He walked towards Liang Hua step by step.

Liang Hua saw the look in Cui Qingsheng's eyes and felt some fear in her heart. She pushed back and asked warily, "What are you going to do?"

Cui Qingsheng squatted down and pinched Liang Hua's chin. In a deep voice, he said, "Now that my position as Dean of the Academic Affairs Office is going to be gone, I'm leaving with nothing. Are you satisfied? Brainless woman, if it weren't for you making such a scene, how would I have ended up in this situation?"

Usually, Cui Qingsheng spent money lavishly and basically didn't have any savings.

Right now, he only had 10,000 yuan on him. This amount of money wasn't enough for Cui Qingsheng to spend for 10 days.

Cui Qingsheng was now almost forced into a dead end.

Liang Hua also had no way out. Her feelings for Cui Qingsheng had disappeared completely. Instead, she was very resentful towards Cui Qingsheng.

When disaster struck, they would fly off on their own. This was how it was.

Liang Hua straightened her neck. "Cui Qingsheng, I've been kicked out of the school and my teacher qualification certificate is about to be lost. Do you think I'm having an easy time?"

Slap! Cui Qingsheng gave Liang Hua a heavy slap on the face. He gritted his teeth. "B\*tch!"

"Ah — Cui Qingsheng, I'm not done with you."

Liang Hua pounced on Cui Qingsheng and started to fight.

Actually, Liang Hua didn't really like Cui Qingsheng. It was just that Liang Hua saw that Cui Qingsheng had become the Dean of the Academic Affairs Office and his family was rich, so Liang Hua followed him.

However, Cui Qingsheng had nothing now, so Liang Hua didn't need to curry favor with him anymore.

Now, they had turned hostile.

The two of them were fighting fiercely. The Principal was rubbing his forehead, feeling a headache.

It was embarrassing. It was really too embarrassing.

If word got out, H City High School would be laughed at by many people.

The Principal went up to stop them. "Liang Hua, Cui Qingsheng, stop right now!"

However, the two of them were so angry that their eyes turned red. They completely ignored the Principal's words.

It was already time for class to end. Many students were watching from the side.

Liang Hua was from the third grade of H City High School. She was one of the teachers that the students hated the most.

At this moment, when they saw Liang Hua being beaten up, they did not stop Cui Qingsheng. Instead, the excitement in their eyes was obvious.

"This is too satisfying. Let's see if Liang Hua still dares to be arrogant."

"This must be the Dean of the Academic Affairs Office. He usually has his eyes high up and a big head. Even when we went to look for him, he did not have a good expression."

"By the way, why did the two of them start fighting?"

"I guess Liang Hua and the Dean of the Academic Affairs Office have a deep relationship.. Now they are on bad terms."

### **Chapter 212: She Was a Lucky Star**

The students in Class 1 who knew the inside story explained to them, "Liang Hua and the Dean of the Academic Affairs Office were having an affair. They were discovered by the wife of the Dean of the Academic Affairs Office. They found Liang Hua to settle the score. They must be having a hard time."

"F\*ck, this is too explosive!"

“Liang Hua looks serious. I didn’t expect her to be a mistress!”

Zhao Jia and Qin Churou also came over.

The corners of Qin Churou’s lips curled up in disdain. She felt a sense of satisfaction from getting her revenge.

It seemed that she was a lucky star. Liang Hua had offended her, so she had received her retribution.

Zhao Jia also felt a little happy as she watched, but she wasn’t happy at all.

She had a feeling that the next person to be dealt with would be... her.

The Principal looked at the students around him who were pointing at Liang Hua and whispering to each other. He felt even more troubled.

He took out his cell phone and made a call. “Get the security guards over here.”

The security guards quickly rushed over.

“Pull them away,” the Principal instructed.

The security guards pulled them away. The two of them were in a sorry state.

The corner of Liang Hua’s lips swelled up high, and there were bruises on her forehead.

Cui Qingsheng was not much better. There were countless nail marks on his face, and blood oozed out from the wounds. He looked very terrifying. Liang Hua had just pulled his hair, and it was very painful.

The two of them were pulled by the security guards, and they didn’t forget to scold each other. “Liang Hua, I’m not done with you!”

“Cui Qingsheng, I should be the one telling you this. You’re the one who went out to look for a mistress and cheated on her. Are you blaming me?”

The Principal had a headache. “Chase them out of the school.”

The two of them were dragged out of the school by the security guards. From afar, they could still be heard cursing and swearing.

The Principal said to the surrounding students, “This matter cannot be spread outside the school.”

The students obediently agreed. However, this did not prevent them from spreading the news within the school and treating it as a joke.

After Lin Feng and Lu Ming finished watching this good show, they ran back to Class 4.

“Sister Sheng.” Lin Feng ran faster than Lu Ming. He was the first to return to the classroom. He did not even bother to catch his breath as he gossiped, “Liang Hua has been taken away. I reckon that she won’t be able to come to our school to be a teacher in the future.”

Lu Ming also rushed back. “Sheng Sheng, let me tell you...”

Lin Feng and Lu Ming spoke one sentence after another, completely explaining their understanding of the situation. They even made some movements.

Huang Xiaoyan widened her eyes. "Why didn't you guys let me watch such a good show?"

Lin Feng scratched his head. "Didn't we forget about it?"

Huang Xiaoyan was in a good mood when she heard the news, so she did not argue with Lin Feng.

She smiled and said, "This is great. Liang Hua has left. This is so f\*cking satisfying. Back then, Sheng Sheng was vilified by her. She slandered Sheng Sheng for cheating and deliberately made things difficult for her. I was so angry. This bad person has bad karma."

Qin Sheng did not say anything. Her heart was very warm.

She could roughly guess who did this.

Who else could it be other than him?

Lin Feng wrapped his arms around Lu Ming's neck. "Lu Ming, don't tell me you want to go back to Class 1?"

Lu Ming and Lin Feng's personalities were similar. They were both temperamental, and the two of them could be considered to have similar interests.

As a result, once Lu Ming reached Class 4, he started hanging out with Lin Feng.

If Lu Ming had not transferred from Class 1, Lin Feng would not have known that Lu Ming had such a personality. He had f\*cking thought that Lu Ming was a cold and aloof top student. He did not expect that he was also someone who liked to play and joke.

If Lu Ming returned to Class 1, Lin Feng would be a little reluctant to part with him.

Lin Feng had always thought that Lu Ming came to Class 4 because of Liang Hua and that if Liang Hua left, Lu Ming would naturally return.

Chapter 213: The Flustered Zhao Jia

Hearing this, Lu Ming kicked Lin Feng, and Lin Feng almost fell to the ground.

"Why did you kick me?" Lin Feng glared at him.

Lu Ming rolled his eyes at him. "Are you stupid? It wasn't easy for me to get out of Class 1. Why would I go back?"

Lu Ming first came to Class 4 because of Qin Sheng and Fu Hanchuan.

But over the past few days, he had fallen in love with the atmosphere of Class 4.

There was no infighting in the study. Everyone was quite united.

Usually, when it was time to make a fuss, they would go crazy. But when it was time to study, the study atmosphere was no worse than Class 1.

Now, even if Fu Hanchuan and Qin Sheng were not in Class 4, Lu Ming would not leave.

Hearing Lu Ming's words, Lin Feng heaved a sigh of relief and said, "Isn't it because Liang Hua has been kicked out of the school? I'm worried that you will return to Class 1. After all, Class 1 is the best class in H City High School. If word gets out, they will also give you face, right?"

Lu Ming chuckled. "Liang Hua doesn't have the ability to make me leave Class 1."

Lin Feng threw a punch at Lu Ming's shoulder. "Brother, you're so loyal."

Lu Ming rolled his eyes, indicating that he didn't want to talk to Lin Feng anymore.

"Sister-in-law." Lu Ming moved closer to Qin Sheng. Just as he said these two words, Qin Sheng looked over and Lu Ming realized that he had said something wrong.

He quickly changed his words. "Sheng Sheng, I'll bet a human head that this was done by my brother. Do you believe it?"

Lu Ming also understood Fu Hanchuan very well.

This big show must have been pushed by someone. In the school, there were not many people who had such ability. Fu Hanchuan was one of them.

Lu Ming had reported to Fu Hanchuan many things about Liang Hua bullying Qin Sheng.

According to Fu Hanchuan's character, he would definitely not let Liang Hua off.

Lu Ming was smart. As long as he thought about it, he would know who did it.

Qin Sheng glanced at Lu Ming and nodded. "Yes."

Lu Ming said, "Sheng Sheng, this is the first time I've seen my brother so devoted to someone. My brother usually despises people."

Lu Ming had always been the most despised person in the Lu family. If it weren't for his nature, he wouldn't even be comparable to a servant in the family.

His parents did not love him.

Fortunately, Lu Ming was already used to it. Otherwise, he would have a heart attack every day.

Qin Sheng's heart throbbed.

However, she also had a low EQ. She did not notice that something was wrong with her and only frowned.

Huang Xiaoyan also finished the snacks in her hands. She came over and asked curiously, "What brother?"

Huang Xiaoyan was just eating snacks. Lu Ming's voice was soft, so she only heard a few words.

Lu Ming denied, "No, you heard wrong."

What a joke. If he dared to tell others about his relationship with Fu Hanchuan, would he still be alive?

Huang Xiaoyan was a little suspicious, but she didn't ask anymore.

On the other side, Zhao Jia saw that Liang Hua had an accident, so she had been absent-minded.

It wasn't easy for her to make it to the end of school, but she didn't stay at school.

When she left the school gate, she saw a police car in the distance.

Zhao Jia's heart skipped a beat, and she quickly ran far away.

Not long after, she saw on her phone that someone had said on the forum that the police were looking for her.

Cold sweat broke out on Zhao Jia's forehead. She probably understood why the police were looking for her.

Other than last Friday, when she asked the gangsters to threaten Qin Sheng, she could not think of any other reason.

Afraid that the police would find her, Zhao Jia went to change her phone card.

After taking down Qin Churou's number, she called her.

"Churou, I've been discovered. What should I do?"

Zhao Jia panicked. She had done a lot of things, but this was the first time she had been discovered by the police.

She didn't dare to go to jail.

Now that she was an adult, if she went in, it would be a matter of going to jail.

#### **Chapter 214: Zhao Jia Looking For Qin Churou**

After school, Qin Churou didn't pay attention to the school forum. Naturally, she didn't know that the police were looking for Zhao Jia.

Qin Churou frowned. "I got it. I'll help you."

Zhao Jia's worried heart was slightly relieved, but she was still worried. She urged, "Churou, hurry up."

Qin Churou was impatient. "Got it."

Qin Churou hung up the call with Zhao Jia and casually threw her phone on the bed.

Her heart couldn't calm down for a long time, and her hands trembled slightly.

She was also involved in this matter. Would it be traced back to her?

No, it wouldn't be. She had done it very secretly. No one would know!

Qin Churou had always indicated to Zhao Jia to help her do things, and this was the first time Qin Churou had personally acted.

Qin Churou was quite afraid. If they found out that she was involved in this matter, she was afraid that others would hate her, and that Qin Hai would also find out.

However, with a glimmer of hope in her heart. She barely suppressed her fear.

Qin Churou turned off her phone because she didn't want Zhao Jia to call her again.

Back then, Qin Churou had said that if anything happened to Zhao Jia, she would protect her, but that was just a lie.

The Qin family did have some money, but the Qin family couldn't reach out to solve the case.

Even if the Qin family had the ability, she wouldn't let Qin Hai help Zhao Jia avoid this matter.

Qin Churou didn't dare to expose herself in front of Qin Hai.

Qin Churou was an obedient girl in front of the Qin family. If she protected Zhao Jia, it would inevitably make them suspicious.

Qin Churou was very cautious and wasn't willing to take this risk.

If Zhao Jia was caught and dragged her out, Qin Churou was confident that she would be fine. If she didn't admit it, they wouldn't be able to find any evidence.

So, Qin Churou didn't bother with Zhao Jia anymore.

Zhao Jia hid for a few days. Seeing that the police were still looking for her, they didn't come to clarify anything.

Zhao Jia wasn't stupid. She probably understood that Qin Churou didn't want to care about her at all.

Zhao Jia took a retractable knife, put on a mask, and went out.

When she arrived near the Qin residence, she happened to see Qin Churou going out alone.

Zhao Jia ran over and pulled Qin Churou's hand to a remote place where few people passed by.

Qin Churou panicked. "Who are you?"

Zhao Jia took off her mask. "Churou, I'm Zhao Jia."

Qin Churou heaved a sigh of relief and asked in confusion, "Why did you drag me here?"

"Churou, did you help me?" Zhao Jia asked anxiously.

She had been hiding for the past two days, afraid that the police would find her.

She had been staying in a small rented house all day, eating instant noodles, and having nightmares at night.

This kind of life was driving her crazy.

Zhao Jia also understood that she wasn't pretty and her family was quite poor. If she wanted to have a good future, she had to study hard. Getting into a good university was her only way out.

Now she didn't dare to go to school, and she had fallen behind in her studies. Zhao Jia was very anxious. She followed the news on the school forum every day.

She found that the police had been looking for her. Zhao Jia suspected that Qin Churou had lied to her and wasn't helping her at all!

Qin Churou's gaze flickered for a moment, and she quickly adjusted herself.

Qin Churou looked troubled. "Jia Jia, I've asked my dad to help you, but this matter is a little tricky. I'm afraid I'll have to wait a little longer."

Zhao Jia had been paying attention to the emotions in Qin Churou's eyes. She didn't miss the flicker in her eyes.

When she heard Qin Churou's words, Zhao Jia couldn't control her emotions. "Qin Churou, it's not tricky. You just don't want to help!"

Chapter 215: Disfigurement of Qin Churou 1

Qin Churou couldn't believe it. "Jia Jia, don't you trust me?"

"I trust no one. I can't trust you, Qin Churou." Zhao Jia was forced into a corner. She might as well throw caution to the wind, "Qin Churou, stop pretending in front of me. I've been following you all this time. How can I, Zhao Jia, not know who you are?"

Qin Churou's expression gradually turned cold.

Zhao Jia continued, "You, Qin Churou, are like a big white lotus in the golden age. You pretend to be soft and weak in front of others. You're very magnanimous, but in private, you can't wait for the people who oppose you to get into trouble!"

"Qin Churou, this time, it was you who instigated me to let those hooligans threaten Qin Sheng! You hate Qin Sheng. You hate her because she's prettier and better than you. She trounced you in the monthly exam and got first place. She also participated in the math competition. Because of her, your only chance to participate in the national competition is gone."

"Also, you like Fu Hanchuan, but Fu Hanchuan likes Qin Sheng. You probably hate Qin Sheng to the bone," Zhao Jia said sarcastically.

Qin Churou looked at Zhao Jia with a heavy gaze, and Zhao Jia looked straight at Qin Churou. She was no longer afraid of Qin Churou.

"Qin Churou, what about you? You've been using me and hiding at the side. If you don't like someone, then you let me deal with them. I'll bear all the danger alone. When something happens, push all the responsibility onto me alone."

Zhao Jia gritted her teeth and said, "You said that if the matter was exposed, you'd save me. You're just lying to me."

Qin Churou tried her best to endure her temper.

She said in a good tone, "Zhao Jia, you've misunderstood me. You also know that Fu Hanchuan has a strong background. If he makes a move, there's nothing we can do."

"Don't lie to me anymore!" Zhao Jia was no longer deceived by Qin Churou.

Seeing Zhao Jia like this, Qin Churou's expression turned ugly. She sneered, "Zhao Jia, I won't help you. The police should be looking for you now. If I were you, I wouldn't dare to come out. Hide well."

As she said that, she took out her phone. "Zhao Jia, if you dare to continue pestering me, I'll call the police."

Zhao Jia was so angry that her entire body was trembling.

She clenched her fists. "Qin Churou, aren't you afraid that I'll give you up?"

Qin Churou smiled nonchalantly and said, "You try."

Hearing this, Zhao Jia remembered that Qin Churou had always asked her to do those things verbally. She didn't record it.

Qin Churou's impression in front of others was that she was gentle and generous.

Even if she said it, they wouldn't believe it.

Zhao Jia's face alternated between red and white, and her body trembled even more.

Qin Churou moved closer to Zhao Jia and spoke softly. Her words were extremely vicious. "Zhao Jia, if you want to be fine, then hide obediently. Otherwise, don't blame me for being impolite."

"Qin Churou, are you sure you won't help me?" Zhao Jia gritted her teeth. These words were practically squeezed out from the gaps between her teeth.

Qin Churou shook her head with certainty. "I won't."

Zhao Jia lowered her head. A hint of viciousness flashed in her eyes.

When Zhao Jia raised her head again, Qin Churou sneered and knocked heavily on Zhao Jia's shoulder.

The mockery in Qin Churou's eyes pierced deeply into Zhao Jia's heart.

Zhao Jia hated Qin Churou and herself.

She was very regretful. Why did she help Qin Churou to do so many illegal things back then and become her shield?

Zhao Jia took out a retractable knife from her pocket.

"Qin Churou, wait!"

Qin Churou stopped in her tracks.. She turned around and the ridicule in her eyes grew. “Zhao Jia, what’s the matter?”

### **Chapter 216: Disfigurement of Qin Churou 2**

Zhao Jia curled her lips and raised her hand.

Qin Churou only saw a knife stabbing at her. Qin Churou’s eyes widened.

Before she could react, the knife cut across her face.

“Ah—”

Qin Churou felt the sharp pain on her face. She pushed Zhao Jia away and covered her face.

Zhao Jia sneered and said, “Qin Churou, evil has its retribution.”

Under the light, the bloody knife was especially dazzling.

“You’re courting death, Zhao Jia!”

Qin Churou’s mind was full of thoughts. She was disfigured. She was disfigured!

Her ears were buzzing, and she could no longer hear the sounds of insects at night.

Qin Churou pounced forward. Suddenly, a knife was pressed against her chest again.

Qin Churou didn’t dare to move.

Zhao Jia had no way out now. There was nothing to be afraid of. Her face was full of gloom. “Qin Churou, if you come any closer, I’ll kill you. We’ll die together.”

Qin Churou cared about her appearance, but she valued her life even more.

She took a step back.

Zhao Jia didn’t care about Qin Churou anymore. She took the knife and walked towards the police station.

On the other side, Qin Churou’s hands were shaking as she picked up her phone.

“Mom.”

Qin Churou’s sobbing voice was heard. Lin Shuya panicked. “Rou’er, what’s wrong?”

“I... I’m disfigured.” Qin Churou’s tears kept falling.

Her face was still stained with fresh blood from the knife marks on her face.

“Disfigured!?”

Lin Shuya’s heart instantly tightened. She couldn’t care less about what happened to Qin Churou.

She asked anxiously, “Rou’er, where are you now? I’ll go pick you up.”

“It’s near our house,” Qin Churou said while crying.

“Okay, okay, okay. I’ll be there right away.”

Lin Shuya wore a pair of slippers and ran out.

Qin Sheng had just come down from upstairs with a glass of water. Her hearing was very good, and the conversation between Lin Shuya and Qin Churou entered her ears without missing a word.

Qin Sheng raised his eyebrows with great interest.

It seemed like there was a good show to watch.

Qin Churou valued her looks very much. After being disfigured, she probably wished she was dead.

That night, Qin Churou and Lin Shuya didn’t come back.

The next day, the news of Zhao Jia surrendering came out from the school.

Thinking of Qin Churou’s disfigured face, Qin Sheng quickly guessed that this was done by Zhao Jia.

Qin Sheng didn’t feel happy, nor did she have any other emotions.

She picked up her phone and opened Penguin.

Her Penguin didn’t have many friends, so she immediately saw Fu Hanchuan’s comment.

Qin Sheng’s fair and slender fingers lightly tapped on the phone screen and edited a message to Fu Hanchuan.

It was mainly about Qin Churou and Zhao Jia’s situation.

Finally, Qin Sheng tilted her head and thought for a while, then found an emoji and sent it over.

It was a pink piglet... an emoji that was acting cute.

Fu Hanchuan was watching the video conference at home. He only had one friend on QQ, Qin Sheng. When he received the notification from QQ, he knew it was from Qin Sheng.

“Wait a moment,” Fu Hanchuan said and took out his phone.

The company’s higher-ups looked at each other.

When Fu Hanchuan was in a meeting, he would only turn on his phone unless it was something very important.

Did something happen?

Fu Hanchuan opened Penguin and clicked on the message box. The first thing he saw was the emoji sent by Qin Sheng.

Fu Hanchuan’s lips curled up happily.

He had been looking at that emoji for a few minutes.

The higher-ups saw Fu Hanchuan staring at the phone screen intently, as if... he was still smiling.

They looked as if they had seen a ghost.

In their impression, Fu Hanchuan had never smiled, but now he was actually smiling so happily.

Was there something on this phone?

Could it be that he had gotten a big deal worth one billion yuan?

Thinking of this, they shook their heads.

It was impossible. The last time they took a billion-dollar deal, they didn't even see their CEO smile.

Chapter 217: Rou'er Is Your Sister

The higher-ups were confused.

Fu Hanchuan finally shifted his gaze away from the emoji package and finished reading Qin Sheng's message.

His finger poked at the screen of his phone and sent two words. "It's alright."

Fu Hanchuan did not put down his phone after sending the message. He was waiting for Qin Sheng's reply.

A minute later, Qin Sheng still had not sent a message. Fu Hanchuan's eyes were a little dim.

He turned off his phone and said, "Continue."

A higher-up plucked up his courage and asked, "President, who were you looking at just now?"

The other higher-ups all silently gave him a thumbs up. He really had guts.

Fu Hanchuan didn't get angry. Instead, the corners of his lips curled up gently. "A little pig."

The higher-up: "..."

Little pig?

The higher-ups looked at each other. They could see the confusion in each other's eyes.

Was the CEO in love?

If Fu Hanchuan was in love, then everything could be explained.

Fu Hanchuan was clearly in love.

The higher-ups were very curious. What kind of woman could handle a person like Fu Hanchuan?

There had never been a woman by Fu Hanchuan's side. Even his secretary was a male.

Fu Hanchuan was famous in the company for his good behavior.

Although no one had seen Fu Hanchuan before, because of his ability and money, many women had thoughts about him.

Some of the female employees in the company wanted to see Fu Hanchuan in the president's office. After Assistant Lin found out, they were all fired.

After a long time, everyone stopped having these thoughts.

HD Group's treatment was good. To be able to work here was also a matter of pride.

Choosing between a career and a vague hope, they naturally chose the position.

Moreover, the CEO of HD Group might be a man in his forties or fifties.

Only the higher-ups who often interacted with Fu Hanchuan knew that Fu Hanchuan was young, handsome, and single.

Naturally, they did not dare to tell others about this.

Fu Hanchuan was in the company, and these higher-ups were not allowed to reveal his identity to others. Therefore, very few people outside knew that the CEO of HD Group was Fu Hanchuan, and even the Fu family was kept in the dark.

As for the Lu family, only Old Master Lu knew about it.

Of course, Fu Hanchuan would not hide it from Qin Sheng. Although he did not openly say that he was the CEO of HD Group, he had never avoided it in front of Qin Sheng.

—

At around 9 o'clock in the morning the next day, Qin Sheng went downstairs to eat breakfast.

Not long after Lin Shuya returned from the hospital, she was cooking porridge in the kitchen.

The maid went to the kitchen to fetch breakfast for Qin Sheng.

Lin Shuya frowned and asked, "Brother Hai is back?"

The maid answered respectfully, "Miss Qin Sheng asked me to cook it for her."

Lin Shuya frowned even more and her face darkened. "You don't have to bring it to her."

As she spoke, she walked out of the kitchen. When she reached the kitchen door, she reminded her worriedly, "Help me take a look at the porridge."

Lin Shuya walked over and saw Qin Sheng sitting at the dining table playing with his phone,

Lin Shuya thought of Qin Churou, who was still in the hospital, and was furious. "Qin Sheng, your sister's face was cut last night. She's still in the hospital. Do you still have the mood to play with your phone?"

Last night, Zhao Jia had been ruthless. The knife had stabbed deeply, and even if it was cured, it would still leave a scar.

Qin Sheng didn't even raise her head. She said casually, "She's not my sister."

"Qin Sheng, how can you say that? Unless you're not a member of the Qin family, Rou'er is your sister," Lin Shuya yelled at Qin Sheng.

## Chapter 218: Leaving the Qin Family

Qin Sheng finally raised her head and glanced at Lin Shuya. Her eyes were cold and her lips slowly spat out, "Soon."

Soon, she would leave the Qin family.

In the future, she would have no relationship with the Qin family.

She didn't care about this family anymore.

"Soon?" Lin Shuya frowned and didn't understand Qin Sheng's words.

Qin Sheng didn't want to have breakfast in the Qin family either. She stood up and said with a smile, "As you wish, I, Qin Sheng, will leave the Qin family. I won't bother you anymore."

"You!" Lin Shuya didn't know what to say. She just felt very uncomfortable.

But soon, Lin Shuya suppressed the discomfort in her heart and asked excitedly, "You said you want to leave the Qin family?"

Lin Shuya couldn't wait for Qin Sheng to leave the Qin family. Ever since Qin Sheng was brought back, there hadn't been a peaceful day in the family.

All kinds of unlucky things often happened in the Qin family.

In Lin Shuya's eyes, Qin Sheng was a Jinx, born to counter the Qin family.

Without Qin Sheng, the Qin family would have a smooth future.

At this moment, hearing Qin Sheng say that she wanted to leave the Qin family, Lin Shuya was excited.

Of course, Qin Sheng could hear Lin Shuya's excited tone. She smiled mockingly and said, "Yes."

"Qin Sheng, remember what you said today." Lin Shuya was still worried.

The Qin family could not step into the upper-class circle in H City, but they were well-off. Qin Sheng had enjoyed such a good life for so long. Would she be willing to part with it?

"I'm a woman of my word." Qin Sheng curled her lips. Today, she could go to Chen Quan and give the Qin Real Estate one last dose of medicine.

After she finished speaking, she did not waste any more time with Lin Shuya. She went back to her room to get some cash.

After Lin Shuya received a satisfactory answer, she did not bother with Qin Sheng anymore.

When she returned to the kitchen, Qin Hai happened to call her.

"Brother Hai, when will you come to the hospital to see Rou'er?" Lin Shuya answered the phone and asked anxiously.

Qin Hai's voice came from inside, "The company is busy, so I won't go over. Rou'er has you to take care of her."

Lin Shuya raised her voice. "Rou'er is your daughter. Is the company more important than Rou'er?"

"Didn't I say that I can't leave?" Qin Hai was getting impatient.

"Qin Hai, I don't care. You have to come to the hospital today!"

"You're being unreasonable!" Qin Hai hung up the phone.

Lin Shuya called again. At this moment, Qin Hai hated Lin Shuya to the extreme.

No matter how badly Qin Churou's face was injured, it was not as important as the company.

If her face was injured, she could go for plastic surgery.

But if the company went bankrupt, then there would really be nothing left.

Qin Hai did not pick up. Lin Shuya called again.

Qin Hai's face was dark as he turned off his phone.

"Chairman, you must be tired." Li Yan walked over and massaged Qin Hai's temples from behind.

Qin Hai closed his eyes and was quite annoyed. "It's all because of that insensible person in my family. Rou'er's face was cut and she insisted that I go to the hospital to see her."

Li Yan had followed Qin Hai for so many years and was also a meticulous person. Naturally, she knew what Qin Hai wanted to hear the most.

Li Yan frowned slightly, "The company is in a crisis now. You are busy dealing with the company's matters every day. How can you be in the mood to care about anything else? It's just that her face is injured and her life isn't in danger. Wouldn't it be fine if she just went to get it fixed? But the company is different. If something were to happen, it would be troublesome."

"Chairman, you are the one who earns the living expenses of the entire family. If the company is gone, won't they have to drink the wind in the northwest? This sister-in-law's way of doing things is really inappropriate."

### **Chapter 219: 5% of the Shares**

Li Yan's words just happened to go along with Qin Hai's thoughts. Qin Hai felt extremely comforted.

He grabbed Li Yan's hand and sighed. "You're still the most thoughtful."

The contrast between Li Yan and Lin Shuya was very obvious.

In the past, he didn't think much of it. Now, Qin Hai was getting more and more annoyed with Lin Shuya.

Lin Shuya had never shared his work. Instead, she had always let him take care of his family.

Now that the company was expanding, there were more things to deal with.

Lin Shuya would not consider his difficulties.

Compared to Lin Shuya, Qin Hai felt that Li Yan was the right woman to have as a wife.

Hearing that, Li Yan smiled. "Chairman is very busy. Everyone in the company saw it. I just told the truth."

"Yan'er, don't worry. I will make you my legitimate wife," Qin Hai said.

Li Yan said nonchalantly, "It doesn't matter if I can be your wife or not. As long as I can stay with Chairman, it will be fine."

A hint of pride appeared in her eyes.

It had always been her wish to be the wife of a wealthy family.

—

"Hello, the number you have dialed is switched off."

When Lin Shuya called Qin Hai again, she heard this robotic female voice.

She angrily threw her phone away.

When Qin Sheng, who had just arrived at the entrance of the villa, heard this movement, she laughed mockingly. If she added to the fire, the Qin family would probably be even more restless.

Qin Sheng was very happy to see this result.

Because of Lin Shuya, Qin Sheng did not eat breakfast at the Qin family. She found a place to buy some buns and a cup of soy milk and came to the Chen Corporation.

Now, the Chen Corporation's crisis had not only been resolved, but the company had also reached a new height.

Especially the Chen Corporation's real estate industry, which was developing at a rapid speed. Now, it was faintly surpassing the Qin Real Estate.

Chen Quan was very happy and admired Qin Sheng even more.

As soon as the front desk told him that Qin Sheng had come, he personally ran downstairs to pick her up.

When Chen Quan saw Qin Sheng, he smiled with a rather... wretched smile.

"Sheng Sheng." Chen Quan even called out the nickname 'Sheng Sheng'. His eyes almost narrowed into a line. "Thank you for your plan. The crisis has now been resolved."

As Chen Quan said this, he led Qin Sheng to the VIP reception room.

"Okay." Qin Sheng replied faintly. She was not surprised by this result. This was already in her control.

Chen Quan was stunned by Qin Sheng's cold voice. Shouldn't she be very curious about the process of the solution and the reaction of the rival company?

Soon, he felt relieved.

When Qin Sheng first talked to him, she was already confident.

This result was also within her expectations.

Qin Sheng was very confident, but she had the capital.

After bringing Qin Sheng to the VIP reception room, Chen Quan asked his secretary to bring him a document.

He pushed the document in front of Qin Sheng. It was a share transfer agreement.

“Sheng Sheng, thank you for your investment last time. Thanks to your money, our emergency has been solved. The bank and other companies had not been willing to lend me the money. If not for this money, even if there was a good plan, it would not work. This is the shares I give to you.”

Qin Sheng quickly flipped through the contract. When her gaze fell on the number on it, she paused.

That was 5% of the shares of the Chen Corporation.

Logically speaking, the money Qin Sheng invested in the Chen Corporation was only 90 million. Now that the market value of the Chen Corporation was high, this 90 million could only get 2% of the shares at most.

## **Chapter 220: Snatching the Business Partner Away**

Chen Quan took the initiative to explain, “Sheng Sheng, these shares are nothing. If it weren’t for you, my company would have gone bankrupt soon.”

Chen Quan was a person who knew how to repay kindness. Qin Sheng had helped him at a crucial time, so he was naturally very grateful to Qin Sheng.

However, he also had another consideration.

Qin Sheng was very smart. She was so smart that people were afraid of her. As long as Qin Sheng wanted to, she could drag many wealthy families into the water.

This kind of person could not be offended.

Of course, if he could be protected by Qin Sheng, the benefits he would receive would be unimaginable.

Chen Quan wanted to use this 5% of the shares to keep Qin Sheng.

When the Chen Corporation was in trouble, he could still ask Qin Sheng for help.

It was a good deal to give this 5% of the shares to Qin Sheng.

Qin Sheng naturally saw through Chen Quan’s thoughts. However, as long as the Chen Corporation did not seek death, she would naturally protect the Chen Corporation. This was not a big deal to her.

Qin Sheng accepted these shares with peace of mind.

Seeing this, Chen Quan heaved a sigh of relief.

He thought of something and sighed again. “Sheng Sheng, the firewall you built for the company is very impressive.”

Chen Quan specially hired some technical experts to attack the firewall made by Qin Sheng, but they did not manage to break through even a single line of defense.

Those experts were all sighing at Qin Sheng's power.

They even asked Chen Quan about the identity of the person who made the firewall, so Chen Quan naturally would not tell them.

After being coaxed for a long time, Chen Quan kept his mouth shut, so they just let it go.

Chen Quan really admired Qin Sheng. Not only could she handle the business world with ease, very few people could compare to her. She also crushed a large group of experts in computer technology.

Just by relying on one of these two things, she was able to stand at the top of the world.

However, Qin Sheng had both of these things.

Suddenly, Chen Quan thought that if Qin Sheng used this hacking technology to attack other companies, it would be a fatal blow.

Chen Quan's heart trembled slightly.

It was better not to offend Qin Sheng.

Chen Quan's attitude became even more respectful. "Sheng Sheng, thank you for creating the firewall."

Qin Sheng said coldly, "It's only a matter of two days. It didn't take much time."

Chen Quan: "..."

A matter of two days?

Other people had to work hard for a year or even a few years to accomplish something, but she only used two days?

If Chen Quan had been drinking water, he would have spat it out at this moment.

He coughed twice. "Sheng Sheng, why are you here today?"

Qin Sheng took out the document and pushed it in front of Chen Quan.

"Next, you need to do this."

When Chen Quan saw the document given by Qin Sheng, his eyes lit up and he quickly took it over.

As long as it was given by Qin Sheng, it was all good stuff.

As soon as he got it, Chen Quan could not wait to open it.

Qin Sheng said: "I want you to snatch the largest partner company of Qin Real Estate."

Chen Quan's little heart trembled.

Snatching the largest partner company would be a great blow to Qin Real Estate.

Before this, he had already snatched a few partner companies of Qin Real Estate.

If he robbed again, Qin Real Estate would fall into a very troublesome situation.

It was not that Chen Quan had not thought about the biggest partner company of Qin Real Estate, but he had no idea where to start.

Since Qin Sheng had said it, then he was very confident.

Chen Quan opened the document and was quite excited.

He read it carefully. When he put down the document, ten minutes had already passed.

This document only had two pages, but it took a long time to read.

Chen Quan's heart was already itching to give it a try.

"Alright, I'll arrange it later."

Qin Sheng nodded and did not stay any longer. She only said, "Alright, I'll go back first."

Chen Quan stood up and was about to send Qin Sheng off.

However, he was stopped by Qin Sheng. "There's no need to send me off."

Qin Sheng left the Chen Corporation alone.
