

Bigshot 251

Chapter 251: You Are Very Good

On the other side, Qin Sheng stopped what she was doing. This was the first time she had been so happy during the match with C. The bad mood caused by the incident today had completely disappeared.

Qin Sheng edited a message and sent it over. They were privately chatting.

“C, you are very good.”

Fu Hanchuan’s eyes were filled with a smile. He quickly replied, “You’re very good too.”

Qin Sheng felt an inexplicable sense of familiarity towards C.

Normally, she would not say anything more and directly quit.

At this moment, she wrote another message and sent it over. “Thank you. I’m in a much better mood today.”

Fu Hanchuan frowned. Qin Sheng’s performance today was no different from before.

He did not notice that she was in a bad mood.

Fu Hanchuan quickly realized that it was because Qin Sheng did not want him to worry, so she did not appear abnormal on the surface.

Today, she was competing with Lu Ming. It was probably a way for her to vent her emotions.

“What happened?” Fu Hanchuan quickly replied.

Although Qin Sheng had a sense of familiarity with C, she would not reveal her past to him.

She thought for a moment and typed on the keyboard, “It’s nothing.”

Fu Hanchuan looked at Qin Sheng’s reply and knew that he would not be able to get anything out of her. He was worried that Qin Sheng would become impatient, so he did not continue asking.

“How about we follow each other for a while?” Fu Hanchuan finally sent this sentence.

“Okay.”

After Qin Sheng replied to the message, she casually clicked on the ‘follow’ button and went offline.

Fu Hanchuan saw that he was the only person Qin Sheng paid attention to in Black Emperor, and the corners of his lips could not help but curl up.

“Sheng Sheng,” Fu Hanchuan called out in a low voice.

His eyes were locked on the QS logo on the computer screen, and his eyes were full of smiles.

—

The next day, HD Group.

Fu Hongyi came to the front of the HD Group building. He checked his clothes and asked the driver, "Is there anything wrong with me doing this?"

The driver answered respectfully, "No."

Fu Hongyi was satisfied. He took a few deep breaths before he managed to suppress his nervousness.

Although the Fu family was a family that had developed for many years and had a deep foundation, it was slowly declining.

If it continued to develop like this, the upper-class circle of H City would probably remove the Fu family's spot.

In the past, Fu Hongyi would not have come to work with HD Group on his own accord, especially when the other party had repeatedly rejected him.

But now HD Group was the new upstart in H City. Although it had only been established for five years, who would dare to look down on it?

HD Group's current valuation had already reached tens of billions. It had a unique vision, and the companies it invested in had never made a mistake.

In just five years, the company had developed to such a scale, and very few people dared to look down on it. Who would not lick their lips to curry favor with HD Group?

Seeing that HD Group was growing fast, many companies were envious. They tried to trip up HD Group in the open and in the dark. In the end, they were all retaliated and suffered great losses. There were even a few companies that went bankrupt.

In the end, no one dared to offend HD Group anymore.

After all, they didn't want anything to happen to their company.

Fu Hongyi didn't dare to look down on HD Group anymore. It was Old Master Fu who asked him to come this time.

1

Fu Hongyi brought a project of the Fu Corporation. This project was very important to the Fu Corporation. He wanted to cooperate with HD Group.

With HD Group, he didn't have to worry about failure.

Fu Hongyi looked up at the tall building in front of him.. He took a deep breath again and walked into the company.

Chapter 252: Fu Hanchuan Is the Manager?

"Hello, I'm here to work with your president," Fu Hongyi came to the front desk and said.

Fu Hongyi usually treated others with a superior attitude.

However, facing the receptionist of HD Group, he lowered his attitude.

“May I know your name?”

“Fu Hongyi, the general manager of Fu Corporation,” Fu Hongyi replied.

The receptionist nodded. “Please wait a moment. I will contact Assistant Lin now.”

The receptionist quickly replied to Fu Hongyi, “Assistant Lin will be here soon.”

Fu Hongyi stood there and waited for Assistant Lin.

Without Assistant Lin’s instructions, the receptionist did not know that Assistant Lin looked down on Fu Hongyi and treated him very well.

A receptionist poured Fu Hongyi a cup of tea.

Fu Hongyi held the cup of tea and looked around. This was his first time coming to HD Group.

He had to admit that it was very stylish. Just the decorations on the first floor were much more stylish than the Fu Corporation’s headquarters.

HD Group was indeed rich and powerful.

Fu Hongyi took a sip of tea and suddenly, his gaze stopped.

Fu Hongyi saw a person who couldn’t possibly appear in HD Group, Fu Hanchuan.

Fu Hanchuan was wearing a white casual suit and looked out of place with the people around him who were wearing formal suits.

Of course, that wasn’t important.

What was important was... Why Fu Hanchuan was here?

Fu Hongyi asked the receptionist, “Excuse me, who is he?”

The receptionist looked at him and replied, “He is a manager of our company, Manager Fu.”

In order to avoid suspicion, Fu Hanchuan had an identity in HD Group, and that was as a manager. However, everyone in HD Group knew that Fu Hanchuan’s position as manager was just for show.

They didn’t think too much about it. They only thought that Fu Hanchuan had a relationship with the company’s president.

Fu Hongyi’s face darkened when he heard that. Fu Hanchuan had actually come over to be HD Group’s manager!

Fu Hongyi had always looked down on Fu Hanchuan and disliked him even though Fu Hanchuan was very capable.

At this moment, when he found out that Fu Hanchuan had become HD Group's manager, he felt very uncomfortable. He thought that without the protection of the Fu family, Fu Hanchuan would be very unhappy.

Fu Hongyi put down his teacup and stood in front of Fu Hanchuan.

"Fu Hanchuan."

Fu Hanchuan glanced at Fu Hongyi expressionlessly. "What's the matter?"

Fu Hongyi's face was dark. "Fu Hanchuan, quit your job and go back immediately. If you don't go back to your own company, why did you come to someone else's company?"

Fu Hanchuan laughed mockingly. "You don't have to worry about that."

"Fu Hanchuan, I'm your father. I have the right to control you!" Fu Hongyi really wanted to yell at Fu Hanchuan, but this was HD Group, so he could only lower his voice and scold Fu Hanchuan.

Assistant Lin had just come down from upstairs. He was closer to Fu Hongyi, so he heard Fu Hongyi's words clearly, and his face turned black.

"My father is dead." Fu Hanchuan looked at the time and did not waste any more time with Fu Hongyi. He took a step forward.

Fu Hongyi was so angry that his whole body was trembling. "Fu Hanchuan, I advise you. If you don't appreciate my kindness, don't blame me for not remembering the relationship between father and son."

"Whatever." Fu Hanchuan's footsteps did not stop.

Fu Hongyi wanted to say something else, but Assistant Lin called out, "CEO Fu."

Fu Hongyi looked over and saw Assistant Lin.

Although Assistant Lin was only Fu Hanchuan's assistant, Fu Hanchuan had never appeared in public in front of outsiders. Assistant Lin had always appeared and handled things according to Fu Hanchuan's wishes.

Assistant Lin represented Fu Hanchuan.

Chapter 253: Bad Character

Fu Hongyi naturally did not dare to look down on Assistant Lin.

He immediately changed to another expression and smiled very ingratiatingly. "Assistant Lin."

"Okay," Assistant Lin replied faintly. "Come with me."

"Okay, okay."

Assistant Lin brought Fu Hongyi to the reception room.

He sat on the sofa. "Tell me, what kind of cooperation?"

Fu Hongyi handed the contract to Assistant Lin. "This is a project of our Fu Corporation. It took our company a year of hard work to come up with. Assistant Lin, take a look. Isn't it very good?"

"Do you want our company's investment quota?" Assistant Lin asked.

"Yes, yes." Fu Hongyi didn't refute.

Fu Corporation wanted HD Group to invest in their company. This project could let Fu Corporation soar to a new height, but it required a lot of investment. In H City... very few companies could take out such a large sum of money in one go.

HD Group was one of the few.

Being able to work with HD Group could be considered as having a big backer. The success rate could reach over 90%.

Assistant Lin flipped through the contract and asked casually, "CEO Fu, do you know Manager Fu?"

When Fu Hanchuan was mentioned, Fu Hongyi's face darkened.

"Why? Is there a problem?" Assistant Lin asked.

Fu Hongyi sighed. "Assistant Lin, to be honest, Fu Hanchuan is my son."

"Oh?" Assistant Lin raised his eyebrows with interest.

Fu Hongyi looked like he hated the fact that he didn't meet his expectations, "He is a worrisome person. Since he was young, he didn't want to stay at home. He looked down on me and his grandfather. His grandfather wanted him to enter the company and train him well. As for Fu Hanchuan, he would rather leave the Fu family than enter the company."

"I didn't expect President Fu to be such a person." Assistant Lin adjusted his glasses and smiled.

The meaning in his eyes was unclear.

After following Fu Hanchuan for a long time, Assistant Lin had learned some black-bellied tricks from Fu Hanchuan.

Fu Hongyi thought that Assistant Lin agreed with him. He continued, "If it were possible, I really don't want to have a son like Fu Hanchuan."

Assistant Lin only nodded slightly and didn't say anything.

"Assistant Lin," Fu Hongyi continued, "This son of mine is quite capable, but as a manager, his character needs to be good. If he does something bad to your company, I really feel bad."

"Oh? Do you have any suggestions?" Assistant Lin asked.

Fu Hongyi sighed. "Assistant Lin, I suggest that your company fire him."

Assistant Lin closed the contract. He didn't want to act with Fu Hongyi anymore.

"President Fu, it seems that there is no need for us to cooperate."

Fu Hongyi was stunned. "Why? Aren't we having a good talk?"

The smile on Assistant Lin's face disappeared completely, "President Fu is the manager of our company. Our HD Group is protective of our shortcomings. No matter how bad Manager Fu is, we don't like people insulting and slandering him. If it weren't for Manager Fu, you wouldn't have seen me today, let alone talk about cooperation."

Assistant Lin was saying that he was using this cooperation to teach Fu Hongyi a lesson.

However, Fu Hongyi was thinking that the Fu Corporation was able to obtain this cooperation because of Fu Hanchuan.

Now that he had slandered Fu Hanchuan, this cooperation would be nullified.

Fu Hongyi panicked. "Assistant Lin, I'm doing this for the good of your company. If someone like Fu Hanchuan were to leak the company's secrets, it would be a serious blow to your company."

Chapter 254: Protecting the Weak

Assistant Lin raised his hand and interrupted Fu Hongyi.

"You don't have to worry about how our company is doing. Manager Fu is capable, and that's what we're aiming for."

Fu Hongyi's face turned pale.

Assistant Lin stood up and gestured for him to go. "President Fu, our company is not suitable for cooperation. Please go ahead."

Fu Hongyi clenched his fists. "Assistant Lin, do you want to consult your CEO?"

Fu Hongyi despised him in his heart. He was just a small assistant. Why was he so arrogant when he was just a lackey by the side of the CEO of HD Group?

Assistant Lin smiled. "The CEO has already given full authority to me for this cooperation."

Fu Hongyi was still unwilling. This time, Old Master Fu had insisted on getting this cooperation with HD Group.

If he knew that he had messed up, Old Master Fu would not let him off easily.

Fu Hongyi still wanted to salvage the situation. "No, Assistant Lin, actually, my son..."

Assistant Lin was already impatient. He frowned. "If President Fu doesn't leave now, I'll have to call security over."

Assistant Lin looked at his watch.

More than half an hour had passed, and Fu Hanchuan had been here for a long time. He had to go back and report to Fu Hanchuan about his work.

Assistant Lin ignored Fu Hongyi and left.

Although Fu Hongyi really wanted to meet the president of HD Group, Assistant Lin had already given him the order to leave, so he could only leave first.

If he was chased out by the security guards and watched by so many people in the company, where would his face go?

Fu Hongyi came to the front of the HD Group building, and the more he thought about it, the more unwilling he was.

Holding the project proposal, Fu Hongyi didn't dare to return to the company immediately.

He simply waited near the door to see if he could run into the president of HD Group.

After Assistant Lin left the meeting room, he went straight to Fu Hanchuan's office.

"President." Assistant Lin knocked on the door and came in.

Fu Hanchuan was processing documents and didn't raise his head.

Assistant Lin said, "Fu Hongyi is still at the entrance of the company. It seems that he is waiting for the president to appear."

"It's just an insignificant person. Don't worry about him." Fu Hanchuan raised his head.

He threw the documents in his hand to Assistant Lin. "Print these and distribute them to all the departments. Then, arrange for the higher-ups to come to the office."

Fu Hanchuan didn't take Fu Hongyi seriously.

He didn't care about the Fu family anymore.

Only the Lu family was his family.

"Yes." Assistant Lin knew that Fu Hanchuan didn't care about the Fu family, so he nodded and agreed.

However, he couldn't vent his anger.

"Go out," Fu Hanchuan ordered.

In the past, Fu Hanchuan was a workaholic. He worked all day and wished that he could spend all his time on work. Occasionally, he would find time to accompany Old Master Lu.

But now, he wanted to accompany Qin Sheng all the time.

But Fu Hanchuan knew that Qin Sheng was very powerful. He could not fall behind.

Fu Hanchuan thought of Qin Sheng and smiled gently.

—

It was already past 5 o'clock in the afternoon when Fu Hongyi returned to the Fu family home.

He waited for five hours, but he did not see the president of HD Group.

He only saw Fu Hanchuan.

Seeing that he was about to get off work, Fu Hongyi could only go back first.

When Grandfather Fu saw Fu Hongyi, he asked, "How's the situation?"

"Dad." Fu Hongyi's gaze was a little evasive.

Seeing Fu Hongyi like this, how could Grandfather Fu not understand that this matter was messed up?

His face immediately darkened. "Tell me, what happened?"

Chapter 255: Lies

Fu Hongyi rolled his eyes.

"Dad, do you know who I met at HD Group?" Fu Hongyi deliberately kept him in suspense.

"Who?" Old Master Fu frowned slightly.

"Fu Hanchuan," Fu Hongyi answered.

Old Master Fu frowned even more. "What is he doing at HD Group?"

Fu Hongyi's face didn't look too good. "He is the manager, and it seems that the CEO of HD Group holds Fu Hanchuan in high regard."

"Manager?" Old Master Fu's face darkened as well.

Back then, he had threatened Fu Hanchuan to return to the Fu Corporation, but Fu Hanchuan wasn't willing. He had chased Fu Hanchuan out of the Fu family.

He was just waiting for Fu Hanchuan to leave the Fu family and come back on his own accord when he didn't do well.

He didn't expect that he would become the manager of HD Group!

Wasn't this slapping his face?

Old Master Fu thought of something and frowned again. "Since he's the manager of HD Group and the company holds him in high regard, with the relationship between the Fu Corporation and him, why can't we work together?"

"It's all because of Fu Hanchuan!"

"Him?" Old Master Fu looked at Fu Hongyi suspiciously.

Fu Hongyi said the excuse that he had prepared beforehand, "It's Fu Hanchuan. We were having a good talk, but Assistant Lin fell out with me after meeting Fu Hanchuan. Didn't Fu Hanchuan say something to him?"

Old Master Fu thought of Fu Hanchuan's unruly appearance. Fu Hanchuan had long treated the Fu family as his enemy. It wouldn't be strange if he did such a thing.

"Fu Hanchuan has really rebelled against the heavens!" Old Master Fu's face was so dark that ink could drip out.

Fu Hongyi saw that Old Master Fu believed his words and let out a heavy sigh.

“Dad, I’ll go back to my room first.”

Old Master Fu was in an agitated mood. He waved his hand and said, “Go.”

After Fu Hongyi left, Old Master Fu called Fu Hanchuan.

Fu Hanchuan answered the call expressionlessly, “What’s the matter?”

Hearing Fu Hanchuan’s impatient tone, Old Master Fu’s anger rose. In the end, he had something to ask Fu Hanchuan, so he didn’t lose his temper.

“Hanchuan.” Old Master Fu tried his best to make his voice as amiable as possible. “I heard that you became the manager of HD Group.”

Fu Hanchuan didn’t answer.

Old Master Fu choked for a while and then said, “Hanchuan, no matter what, you are the son of the Fu family. You are related by blood. You should do something for the Fu family.”

Fu Hanchuan was sitting in the car. He looked at his watch. It was not time to end class yet.

Old Master Fu did not get an answer from Fu Hanchuan. He frowned and looked at his phone. Fu Hanchuan did not hang up the phone.

Old Master Fu suppressed his temper and told him his purpose. “Recently, the Fu family has a project that requires cooperation with HD Group. You are the manager of HD Group. Please help and get your president to agree to cooperate.”

Fu Hanchuan finally spoke. His voice was very mocking. “Is this why you came to me?”

Fu Hanchuan understood the Fu family very well. In their eyes, there was only profit.

On the surface, Old Master Fu treated him well, but from the beginning, it was all for profit. When he was young, he was worried that he would take revenge on the Lu family. When he grew up, he saw his ability again.

Old Master Fu asked Fu Hanchuan to work in the company and gave him an important position. Wasn’t it just to make Fu Hanchuan work for the company for free?

Old Master Fu held onto the shares in his hands very firmly.

Old Master Fu was choked by Fu Hanchuan’s words and could not speak for a long time.

Wasn’t Fu Hanchuan saying that Old Master Fu would call Fu Hanchuan when Fu Hanchuan had profit value? He was obviously mocking Old Master Fu.

Chapter 256: Investigation

Old Master Fu was unable to refute.

He said in an embarrassed tone, “Hanchuan, I’m doing this for your own good. You’re Hongyi’s eldest son. In the future, you will inherit the Fu family’s wealth. If the Fu family develops well, you can also benefit from it, right?”

Old Master Fu’s words were very beautiful. If it was an ordinary person, they would inevitably be tempted.

However, Fu Hanchuan owned an HD Group with a net worth of tens of billions. Even the Fu family had to suck up to him. Naturally, Fu Hanchuan looked down on this small Fu Corporation.

“There’s no need. You can leave all your assets to Fu Mingxu.”

“Fu Hanchuan!” Old Master Fu was obviously furious. He did not care if he had to beg Fu Hanchuan.

“You’re a descendant of the Fu family. It’s only right and proper for you to help the Fu Family!”

Fu Hanchuan placed his phone by his ear and looked at the time from time to time. It was obvious that he wasn’t paying attention to the call with Old Master Fu.

“Not only did you not help the Fu family, you even slandered the Fu Corporation outside, making it impossible for us to get the cooperation this time.” Old Master Fu was furious. If HD Group had participated in that project... Their Fu Corporation would have changed its previous decline.

But now, it was all ruined by Fu Hanchuan.

Fu Hanchuan narrowed his eyes. “Did Fu Hongyi tell you this?”

“What do you mean?” Old Master Fu frowned.

“You’d better go and check if Fu Hongyi’s words are true.”

Fu Hanchuan hung up the phone and called Assistant Lin. “If the Fu family comes over to check the reason why Fu Hongyi didn’t sign the contract with our company, don’t stop them. Tell him.”

Old Master Fu put down his phone. After hearing Fu Hanchuan’s words, he became suspicious.

He knew Fu Hanchuan’s personality better than anyone else.

Fu Hanchuan wouldn’t interfere with the Fu family’s matters.

Old Master Fu’s face darkened. He asked his subordinates to investigate this matter.

On the other side, Fu Hanchuan saw that it was about time and got out of the car.

The bell had already rung for the end of school. The students of H City High School also came out one after another. Fu Hanchuan just happened to come to the teaching building. He stood aside and swept his gaze across the faces of the students. He was looking for Qin Sheng.

Qin Sheng and Huang Xiaoyan only came down after the students had almost left.

Huang Xiaoyan hugged Qin Sheng’s shoulders, chatting and laughing.

Fu Hanchuan’s gaze fell on Huang Xiaoyan’s hand, and Huang Xiaoyan felt a chill down her spine.

Why was the weather a little cold?

“Brother Fu,” Qin Sheng’s voice sounded.

Huang Xiaoyan followed Qin Sheng’s gaze and looked over. As expected, she saw Fu Hanchuan walking towards them.

She finally knew why she felt cold just now.

She was closer to Qin Sheng. If Fu Hanchuan found out, she would be attacked by the cold air.

Fu Hanchuan didn’t seem to like others being close to Qin Sheng.

If she did not know that Fu Hanchuan and Qin Sheng were brother and sister, she would probably think that Fu Hanchuan liked Qin Sheng and was jealous.

Huang Xiaoyan let go of Qin Sheng’s hand very consciously and waved her hand. “Sheng Sheng, I’m leaving first.”

She left quickly without waiting for Qin Sheng to speak.

After Huang Xiaoyan left, she didn’t leave immediately. Instead, she flashed to a place where Qin Sheng couldn’t see her. Her small eyes kept glancing at Fu Hanchuan and Qin Sheng.

Qin Sheng stood in front of Fu Hanchuan and raised her head slightly. “Brother Fu, why are you here today?”

Qin Sheng was several centimeters taller than when she had just returned to the Qin family, but she was still far from Fu Hanchuan’s height. When he was close, he could only be seen clearly when she raised her head.

Fu Hanchuan reached out to rub Qin Sheng’s hair and said dotingly, “I just came back from the company.”

“Oh.” Qin Sheng didn’t ask any more questions.

“Let’s go.” Fu Hanchuan smiled.

The two of them walked side by side, only a fist’s distance away. Fu Hanchuan tilted his head from time to time and said something to Qin Sheng. The corner of Qin Sheng’s lips also revealed a smile from time to time.

Chapter 257: Boyfriend and Girlfriend

Watching from the side, Huang Xiaoyan covered her mouth and almost let out a groundhog’s scream.

Ahhhh, so sweet!

It was a pity that they were brother and sister, otherwise she would make them her CP.

Then, Huang Xiaoyan saw Fu Hanchuan open the car door for Qin Sheng and put his hand on the roof to protect Qin Sheng’s head as she got into the car.

Huang Xiaoyan’s heart was in her eyes again.

Oh my god, so considerate, so compatible!

Lin Feng walked over and saw that Huang Xiaoyan was so excited that she was about to cry. He walked over and knocked on Huang Xiaoyan's head.

"Huang Xiaoyan, what are you looking at?"

Huang Xiaoyan did not have time to care about Lin Feng. She waved her hand behind her and said, "Get lost, get lost, don't disturb me."

"Oh."

Lin Feng followed Huang Xiaoyan's gaze and looked over. All he saw was a luxury car.

Lin Feng thought that Huang Xiaoyan had taken a fancy to that car. With his hands in his trouser pockets, he said generously, "Huang Xiaoyan, if you like it, how about I give you one?"

Seeing that Qin Sheng and Fu Hanchuan had left, Huang Xiaoyan turned around and glared at Lin Feng. She unceremoniously exposed him. "You have money? This car is a limited edition, 40 million. Do you have it?"

Huang Xiaoyan had only seen the price of Fu Hanchuan's car by chance. She had been shocked for quite a while back then.

Being exposed by Huang Xiaoyan like this, Lin Feng touched his nose embarrassedly. "Won't I have it in the future?"

It was not that Lin Feng did not know the price of this car. As a boy, he also loved cars. When he had nothing to do, he would go window shopping for those cars. Naturally, he saw Fu Hanchuan's car.

Huang Xiaoyan clicked her tongue and left with her backpack.

Lin Feng quickly chased after her.

Over here, Fu Hanchuan did not immediately bring Qin Sheng back to the Lu family. Instead, he brought Qin Sheng to the market to buy vegetables.

In the past, it was the servants who sent the vegetables to Fu Garden. However, Fu Hanchuan wanted to experience this simple life with Qin Sheng.

"Sheng Sheng." Fu Hanchuan passed his wallet to Qin Sheng. "Help me pay later."

"Okay." Qin Sheng took it and nodded obediently.

Thus, this scene appeared in the market.

A man and a girl, one buying groceries, one paying for groceries.

Although the girl was wearing the school uniform of H City, the man looked like he had already stepped out into society. The scene was strangely harmonious.

Perhaps the two of them were too eye-catching, attracting the attention of many people.

However, most of the people who came to the market to buy vegetables were people like mothers. They only looked at them in amazement and did not do anything else.

When the auntie who sold vegetables at the market saw these two eye-catching people, she almost smiled like a flower.

There were very few people in this world who did not like beautiful things.

The auntie who sold vegetables specially gave Fu Hanchuan and Qin Sheng some vegetables, stuffing the bags full.

She handed the vegetables to Fu Hanchuan and said with a smile, "Young man, is this your girlfriend? Oh, you two are so compatible."

Fu Hanchuan smiled. Qin Sheng looked at Fu Hanchuan and wanted to deny it.

Fu Hanchuan nodded and said, "Yes."

Qin Sheng pinched the wallet in her hand and felt a strange feeling in her heart.

"Auntie, here." Qin Sheng took out the money from the wallet and gave it to the vegetable seller.

The vegetable seller gave Fu Hanchuan a thumbs up. "Young man, you love your girlfriend so much. Give the money to your girlfriend for safekeeping."

Fu Hanchuan looked at Qin Sheng with a smile in his eyes. The love in his eyes was self-evident.

Qin Sheng also heard what the vegetable seller said and felt her face burn.

After finding the money, Fu Hanchuan and Qin Sheng left together.

"Take care." The vegetable aunt in their back happily waved.

Chapter 258: Surgery

When they passed by a stall, an uncle smiled and said, "Young man, come and buy vegetables with your girlfriend. Do you want to take a look at my beautiful white radishes?"

This place was also selling vegetables.

Fu Hanchuan had just bought them, so there was no need for them.

But at this moment, he stopped and picked a few radishes.

Next, as long as anyone said that Fu Hanchuan and Qin Sheng were boyfriend and girlfriend, Fu Hanchuan would stop to buy them.

This time, Fu Hanchuan was carrying all kinds of vegetables and meat.

He couldn't carry any more, so Fu Hanchuan went back.

Sitting in the car, Qin Sheng wanted to say something but stopped. "Brother Fu, they said that we were boyfriend and girlfriend."

Fu Hanchuan tilted his head and said with a smile, "Sheng Sheng, don't take it to heart."

Fu Hanchuan restrained his expression very well and didn't let Qin Sheng notice his abnormality.

“Okay.” Seeing that Fu Hanchuan didn’t take it to heart, Qin Sheng let out a slight sigh of relief.

Fu Hanchuan’s gaze swept across Qin Sheng’s face, and his gaze was deep.

He couldn’t wait to admit that he liked her and wanted to be with her for the rest of his life.

However, Qin Sheng did not completely like him yet. She only treated him as a friend and a relative.

If she knew that he liked her, she would run away.

Fu Hanchuan did not dare to gamble.

—

Su Yixiu’s grandmother’s surgery began very soon.

Qin Sheng took a leave of absence to come to the hospital. Fu Hanchuan took time to accompany her.

The words ‘in surgery’ were written on the door of the operating theater.

Su Yixiu looked at the operating theater nervously, his expression tensed.

“Sheng Sheng, do you want to sit down for a while?”

Qin Sheng had already been standing there for an hour, and Fu Hanchuan spoke with a heartache.

Qin Sheng shook her head.

Fu Hanchuan could only let her be.

After four hours, the surgery finally ended.

Doctors and nurses came out of the ward one after another.

“Doctor, how is my grandmother?” Su Yixiu’s palms were filled with sweat. He was nervous.

The doctor took off his mask and smiled. “The surgery was very successful.”

Su Yixiu heaved a sigh of relief.

The doctor’s expression changed to one of solemnity, “Next, you have to bring her to the hospital for a checkup every month. Also, the surgery this time is only to curb the cancer. It might come back three years later. You have to be mentally prepared. At that time, it might be...”

The doctor shook his head and did not say anything else.

Su Yixiu’s expression froze. He slowly clenched his fists and said with difficulty, “Okay, thank you, Doctor.”

Qin Sheng’s mood did not seem too high.

Su Yixiu turned around and said to Qin Sheng, “Qin Sheng, do you want to go and see my grandmother?”

Fu Hanchuan lowered his head and looked at Qin Sheng.

Images of Old Master Lu lying on the hospital bed flashed in Qin Sheng’s mind. She retreated.

“There’s no need.”

“Okay.” Su Yixiu pushed the door open and walked into the ward.

The scene of Grandma Su lying weakly on the hospital bed flashed across Qin Sheng’s eyes. Her face was a little pale.

“Sheng Sheng,” Fu Hanchuan called out worriedly.

Qin Sheng retracted her gaze. “Brother Fu, let’s go.”

Fu Hanchuan and Qin Sheng walked out of the hospital together. Qin Sheng suddenly stopped in her tracks. “Brother Fu, I want to study medicine.”

Qin Sheng did not want to look at the people around her. She did not want to be helpless in the face of illness.

Grandfather Lu had passed away early in his previous life because of illness.

Qin Sheng did not have the heart to save all the patients. She was very selfish and only wanted to protect the people around her.

In her previous life, Qin Sheng had studied economics and management. In this life, she wanted to study medicine.

Chapter 259: The Results of the Youth Painting Competition

Fu Hanchuan was a little surprised when he heard this. He had never thought that Qin Sheng’s future plan would be to study medicine.

However, he would support all of Qin Sheng’s decisions.

Fu Hanchuan rubbed Qin Sheng’s head. “Sheng Sheng can learn whatever she wants.”

Qin Sheng smiled.

In this life, she had to protect Grandpa Lu and Brother Fu.

After coming out of the hospital, Qin Sheng didn’t return to school.

Teacher Lin didn’t ask further. She was still very assured about Qin Sheng’s learning.

Early the next morning, Old Master Lu excitedly called Qin Sheng.

“Sheng Sheng, the results of the Youth Painting Competition will be announced today. Your drawing will definitely be in the top three.”

Old Master Lu had a mysterious confidence in Qin Sheng.

If there were no tricks in this competition, Qin Sheng would even be in first place.

The Youth Painting Competition was the highest level of painting competition in China. It was strictly guarded, so the results were naturally fair and just.

The ones who selected the Youth Painting Competition were also high-level painting masters. Naturally, they would not misjudge.

When the results of the competition were announced, Qin Sheng was still in class.

Old Master Lu, on the other hand, was holding a cell phone in his hand. He had been waiting for a long time.

Fu Hanchuan was in a video conference. He looked at the time and saw that it was almost time, so he raised his hand and interrupted a high-ranking employee. "That's all for today. Follow my corrections."

Fu Hanchuan ended the conference and opened the official website of the green drawing competition to look for the results of the competition.

There were not many people who could participate in the Youth Painting Competition. After looking at the results, there was no sign of the website crashing.

Once the results were announced, Fu Hanchuan and Old Master Lu found out.

It was Qin Sheng who won the first prize.

Wei Cheng and another person won the second prize together.

Seeing the results, Old Master Lu smiled. He knew that Qin Sheng would win the first prize. As expected.

At the same time, Qin Sheng and the participants' paintings were published on the official website.

The two winners, Wei Cheng and Qin Sheng, were both from H City. The H City Painting Association could be said to be in the limelight.

The number of calls from the H City Painting Association almost exploded.

"President Wu, do you think you can give me this Sheng's contact number?"

Wu Chong declined with a smile. "I'm sorry. Without her consent, I can't divulge her information."

"Then can you ask her how much the painting is? Give me a price and I'll buy it." The other party seemed to be in a hurry.

Wu Chong said perfunctorily, "Alright, I'll talk to her."

The other party could only hang up reluctantly.

Then, another call came in.

It seemed to be to buy Qin Sheng's painting.

Wu Chong said a few perfunctory words before hanging up again.

An hour later, the calls finally stopped and Wu Chong heaved a sigh of relief.

"Chairman, it seems that this Qin Sheng is amazing." A member of the Association at the side sighed. If he had not heard it, he wouldn't expect that several important figures in the painting world also liked Qin Sheng's painting and wanted to buy it.

“Yeah.” Wu Chong nodded with a smile and took a sip from his teacup.

Wu Chong secretly rejoiced in his heart. Fortunately, he had the foresight to pull Qin Sheng into H City’s Painting Association.

Next, the Capital’s Painting Association would definitely come and snatch her away.

“Then, Chairman, do you want to tell her that many people are paying a high price for her painting?” the Association member asked again.

The smile on Wu Chuang’s face froze, and he looked at the Association member coldly.

When the Association member saw Wu Chuang’s reaction, his head shrunk, and he was very puzzled. Were his words wrong?

Chapter 260: Buying a Painting

Wu Chuang felt uneasy. He had long taken a liking to Qin Sheng’s painting and was waiting to buy it from her after the competition.

He did not expect that so many people would come to snatch it from him?

However, all of them had a higher status than him. Even if they were similar, he did not dare to offend them. He could only agree to it first and tell Qin Sheng about it later.

However...

Wu Chong’s smile was a little... sinister.

Whatever he told Qin Sheng, it would be up to him to decide.

As long as Qin Sheng was willing to sell it, then Wu Chong had a plan in mind for the painting.

However, Wu Chong did not expect that there would be someone who would compete with him, and he was destined not to win.

Afraid that something unexpected would happen, that night, Wu Chong timed Qin Sheng’s end of school and came to Fu Garden. This was the address that he had obtained after grinding Qin Sheng for a long time.

Old Master Lu was already waiting in the villa.

“Old Master Lu, why are you here?” Wu Chong entered the villa and was surprised to see Old Master Lu.

Old Master Lu was the same. He frowned. “Wu Chong, why are you here?”

Wu Chong’s tone was very respectful. “Old Master Lu, I have something to talk to Qin Sheng about.”

Old Master Lu was very doubtful. “What could it be?”

Wu Chong revealed his motive. “Didn’t I take a fancy to Qin Sheng’s painting? I want to buy it. With this price, it’s easy to negotiate.”

“What, buy the painting?” Old Master Lu jumped up from the sofa, his voice very vigilant.

Wu Chong could not understand Old Master Lu's reaction. He asked in puzzlement, "Is there a problem?"

"Sheng Sheng doesn't sell paintings. Wu Chong, you'd better leave."

Old Master Lu spoke calmly. If it were not for the fact that Wu Chong was the chairman of H City's Painting Association, Qin Sheng would not have become a member of the Association.

When Qi Wenshi was making things difficult for Qin Sheng, Wu Chong had also helped Qin Sheng. He had really kicked Wu Chong out.

Old Master Lu had quite a temper.

Wu Chong was very suspicious of Old Master Lu's words, so he asked, "Old Master Lu, is Qin Sheng really not selling paintings?"

Old Master Lu turned his face away. "No!"

Wu Chong was still unwilling to give up. He really liked that painting. When he first saw it, he had already made up his mind to keep it.

It was the first time Wu Chong had seen someone express their grief, pain, and regret so vividly.

"Old Master Lu, I think I'll wait for Qin Sheng to come back and ask her myself."

Old Master Lu's face darkened. "Scram, scram. Sheng Sheng gave the painting to this old man, it's none of your business."

Old Master Lu's words exposed his motive.

Wu Chong heaved a sigh of relief, but he was also worried that if Old Master Lu also wanted the painting, he might not be able to compete with him.

Seeing that Wu Chong did not move, Old Master Lu became even angrier. "Why are you still standing here?"

Wu Chong braced himself and didn't leave.

Wu Chong had made up his mind. If Qin Sheng hadn't said that she wouldn't sell it to him, he wouldn't leave.

Old Master Lu harrumphed and decided not to look at Wu Chong anymore. Out of sight, out of mind.

Half an hour later, Qin Sheng and Fu Hanchuan finally returned.

Seeing Old Master Lu, Qin Sheng was a little surprised. "Grandpa Lu, why are you here?"

Fu Hanchuan knew that Wu Chong had come to look for Qin Sheng, so he told Qin Sheng as well.

However, Old Master Lu had the key to Fu Hanchuan's house, so he came alone.

Old Master Lu said with a smile, "Sheng Sheng, I'm here to celebrate your first place in the exam."

Fu Hanchuan glanced at Old Master Lu indifferently, not exposing him.

Qin Sheng smiled and nodded at Wu Chong. "Chairman Wu."
