Chapter 261: The Painting Is His

Wu Chong had been standing there for more than half an hour. Now that Qin Sheng and the rest had returned, Wu Chong simply sat on the sofa.

“Sheng Sheng, I’m here today to talk to you about your painting.”

Qin Sheng frowned.

Wu Chong continued, “Your painting has won first place in the country. I want to buy that painting from you. You can raise the price however you want.”

Wu Chong’s paintings were very popular in the country now, so he was not short of money.

Old Master Lu was unhappy. “Sheng Sheng, I want to buy your painting too.”

Old Master Lu spoke. Wu Chong had a bad feeling in his heart. He kept feeling that he would use some shameless methods.

Just as he thought of this, it was slapped away by Wu Chong.

Old Master Lu was a well-known figure. He usually appeared in front of everyone with an extremely serious look. Why would he use some shameless methods?

Wu Chong had underestimated Old Master Lu’s thick skin.

Old Master Lu’s face fell, and he looked pitiful. “Sheng Sheng, I like your painting. I don’t have many wishes, and it’s rare for me to come across a painting that I like. Sheng Sheng, just take it as my wish.”

Wu Chong: “...”

He had just seen Old Master Lu look at him with a smug look. Was this an illusion?

Although Old Man Lu was Wu Chong’s senior, Wu Chong didn’t want to let him off this time, so he quickly opened his mouth. “Sheng Sheng, look. You can decide the price. I like your painting too. I saw it during the selection and wanted to buy it. However, you still had to participate in the competition, so I didn’t ask for it.”

Old Man Lu glared at Wu Chong fiercely, then turned his head to look at Qin Sheng.

Wu Chong also looked at Qin Sheng with hope in his eyes.

Qin Sheng: “...”

She rubbed the space between her brows, feeling a headache coming on.

Qin Sheng was trying to organize her words to reject him when Fu Hanchuan spoke first. “Chairman Wu, Grandfather, Sheng Sheng has already promised to give me her painting.”

Old Master Lu: “...”

Wu Chong: “...”

They had been fighting over it for so long. It turned out that Fu Hanchuan had already reserved this painting.

Old Master Lu looked at Fu Hanchuan suspiciously. "When did this happen?"

Qin Sheng answered truthfully, "The day I was selected for the Youth Painting Competition."

Old Master Lu glared at Fu Hanchuan angrily.

He was really smart. Day after day, he only knew how to compete with him.

Old Master Lu had regretted so many times that he had introduced Fu Hanchuan and Qin Sheng to each other so early.

Old Master Lu tried to negotiate with Fu Hanchuan again. "Hanchuan, I'm your grandfather. You can fulfill my little wish, can't you?"

"First come, first served." Fu Hanchuan raised his eyebrows.

Old Master Lu felt suffocated in his heart. He stood up because he didn't want to see Fu Hanchuan anymore.

"I can't have this grandson anymore. He's always going against his grandfather. Really, I can't help it when I'm older."

Old Master Lu muttered as he walked out. His tone was filled with resentment.

Qin Sheng's lips curled into a helpless smile.

Wu Chong was not in a good mood either. The painting that he was confident about had flown away just like that. Wu Chong felt very upset.

After all, he knew that Qin Sheng would not sell the painting to him, so Wu Chong did not ask any further.

"Sheng Sheng, your painting will be exhibited with some master's paintings for a period of time. It will be sent back in about a month. This will greatly increase your popularity."

Qin Sheng nodded her head indifferently. Painting was only one of her interests. She did not care whether she could become famous or not.

## **Chapter 262: Rejected**

"Qin Sheng, many people contacted me and said that they wanted to buy your painting. They also said that they wanted your contact information and so on. I helped you reply them," Wu Chong said.

"Okay." Qin Sheng nodded lightly.

When Wu Chong saw Qin Sheng's reaction, it was obvious that she did not care much about her winning the first prize in the Youth Painting Competition.

If it was an ordinary person, they would definitely be very excited.

As expected, geniuses were indeed different.

Wu Chong sighed in his heart. Qin Sheng was able to produce such an outstanding painting at such a young age. Even he could not compare to her. This showed how talented Qin Sheng was.

After explaining these things, Wu Chong had no reason to stay.

Before he left, he still did not give up. "Sheng Sheng, if you have other paintings to sell, look for me. The price can be negotiated."

Qin Sheng agreed, and only then did Wu Chong leave with satisfaction.

Fu Hanchuan brewed a pot of tea at the moment Wu Chong and Qin Sheng were talking, and poured a cup for Qin Sheng. "Sheng Sheng, why did you agree to him?"

Fu Hanchuan was a little puzzled. Qin Sheng only regarded painting as a small interest. She had started a company now, and she had also decided to study medicine.

It was obvious that she did not treat painting as her focus in the future.

Fu Hanchuan did not expect Qin Sheng to agree to it.

Qin Sheng smiled gently. "I should be able to earn quite a lot from painting."

Money was not enough. Qin Sheng was a little money-grubber. She only needed less than a day to paint a painting from left to right.

Qin Sheng was naturally happy to earn a sum of money in a short period of time.

Hearing that, Fu Hanchuan smiled softly.

It seemed that he had to work hard and hand over the money to his Sheng Sheng for safekeeping in the future.

—

Qin Sheng had not been to the company for more than two months. She had completely become a hands-off manager.

Every few days, Hong Yuan would call Qin Sheng to ask when she would be going to the company.

Qin Sheng would give a vague answer. "I'm not sure."

Hong Yuan couldn't help but feel resentful.

This was the first time he had seen such a Buddhist boss.

She didn't take the initiative to ask about the company.

She also didn't come to the company once a month.

Slowly, Hong Yuan got used to it.

Now that Su Yixiu's matter had come to an end, Qin Sheng finally remembered her company.

Qin Sheng came to the company alone and didn't tell Hong Yuan.

The company had basically recruited all the employees except for the front desk.

The company was still in its infancy and was in the process of developing a game. It had not entered the public's field of vision yet. Basically, it did not have any business dealings with other companies and did not need to receive guests. Naturally, the front desk could be put aside.

Moreover, the entire company was now filled with a group of men. If a girl at the front desk came, it would inevitably appear abrupt. Therefore, the matter of hiring a front desk was put on hold.

When Qin Sheng came over, it was a boy who opened the door.

He looked at Qin Sheng in a daze.

Qin Sheng's appearance was already stunning enough, not to mention in the eyes of the men in the company who spent their days interacting with men and in the eyes of a company that could be called a temple.

When he came to his senses, he quickly asked politely, "Miss, may I know who you are looking for?"

Qin Sheng nodded and replied, "Your general manager."

"General Manager?" The boy frowned. He nodded and said, "Okay, wait a minute."

The boy was recruited by Hong Yuan, so he naturally didn't know Qin Sheng.

Although he found Qin Sheng very pleasing to the eye, he didn't think she was a bad person. In the end, he didn't dare to let her in easily. In the game company, there were many confidential things involved.

If the company's information was stolen, everyone's efforts might be in vain.

### **Chapter 263: Beautiful Little Sister**

The boy did not dare to be careless, so he let Qin Sheng wait for him here.

He entered Hong Yuan's office. "General Manager, a girl is looking for you."

Hong Yuan's eyebrows jumped. Could it be that his boss had come over?

He hurriedly stood up and strode out.

As expected, he saw Qin Sheng.

Hong Yuan's face immediately changed into a smile. He was smiling very, er... lackey-like.

The boy behind him rubbed his eyes. This smiling lackey was their general manager? Could it be that he had been switched?

No wonder the boy was suspicious. Hong Yuan usually had a straight face and was extremely serious.

The boy had been in the company for more than a month. This was the first time he saw Hong Yuan smile, and it was a lackey-like smile.

The male student suspected that he had seen wrongly.

Who was this girl? Was she worthy of the general manager's respect?

The male student scratched his head with a puzzled expression. He did not follow and walked away. His own task had not been completed yet, so he did not have much time left.

“Boss, you’re here,” Hong Yuan said with a smile.

“Yes.” Qin Sheng nodded lightly.

Hong Yuan welcomed Qin Sheng in and brought her to the Art Department. As he introduced, he said, “Sheng Sheng, the Art Department, Video Department, and Special Effects Department of our company have all been set up. This is the Art Department.”

When the people in the Art Department heard Hong Yuan’s voice, they all looked over.

When they saw Qin Sheng, they were all stunned.

A boy who was not afraid of Hong Yuan stood up and said with a smile, “General Manager, is this your sister?”

Qin Sheng being Hong Yuan’s daughter? The two of them looked like they were more than ten years apart. It was unlikely.

Girlfriend? Even less likely.

Therefore, the boy guessed that Qin Sheng was Hong Yuan’s younger sister.

The other boys looked at Hong Yuan and Qin Sheng with gossipy faces.

It had been two months, but this was the first time they had seen a woman in the company. She was a great beauty.

Usually, they were so stifled that the company was like a temple. Usually, not even a female mosquito could fly in, so they could only use a beautiful woman’s picture as wallpaper on their computer screen to satisfy their cravings.

At this moment, when they saw Qin Sheng, they were all very excited.

They also echoed, “General Manager, is this little beauty your sister? Why haven’t we seen her before? You have such a beautiful sister, yet didn’t introduce her to us. General Manager, you’re not being kind.”

Hong Yuan retracted the smile on his face and said with a serious expression, “Let me introduce her to you. This is our boss, Qin Sheng.”

Boss?!

The boys were stunned and widened their eyes in disbelief.

The boss that their general manager often mentioned was actually a young girl who looked like she had just grown up?

Shouldn’t it be a man in his 30s or 40s?

Moreover, she started a company at the age of 18? The scale of the company wasn’t small at all?

Their faces were filled with disbelief.

When Hong Yuan saw their silly expressions, he felt a little disgusted. He turned around and said to Qin Sheng, "Boss, let's go visit other departments."

Hong Yuan and Qin Sheng had left for a long time before the people in the art team finally reacted. They burst into an uproar and gathered around to discuss.

"Heavens, she's our boss? An 18-year-old girl?"

"I thought our boss was at least 30 years old. I didn't expect that a girl who had just become an adult would become our boss. Think about it... When I was that young, I was still playing games in the internet café. It's so frustrating!"

"Just now, I said that I was going to flirt with the boss. Am I going to die?"

"I heard from the general manager that our current game was developed by the boss. Now that I think about it, I feel like I'm in a dream."

#### **Chapter 264: Not Convinced**

The more they talked, the more incredulous they felt.

The other party was just a girl, not even 20 years old. How could they, men in their 20s and 30s, live?

The boys in the Art Department were in a state of doubt.

Hong Yuan brought Qin Sheng to the Video Department for another round of abuse.

When they were in the Special Effects Department, Yu Bei rushed in without waiting for Hong Yuan's introduction.

He had run over here. Before Qin Sheng came over, he had something to do.

As soon as he heard that Qin Sheng had come to the company, he dropped the matter and rushed over.

Yu Bei wanted to see Qin Sheng every day and ask her to help him solve some difficult problems.

However, Yu Bei made countless phone calls. Qin Sheng refused to agree.

After that, Qin Sheng got annoyed and blacklisted him.

Yu Bei was resentful. Was there such a boss? She had not come to the company once in two months.

She had good skills, but she did not come to solve problems for her poor subordinates.

"Boss." Yu Bei wanted to pull Qin Sheng away, but he stopped when he remembered that Qin Sheng was a girl.

"You can't run away this time. I have a lot of things to ask you."

Yu Bei's face was full of vigilance, afraid that Qin Sheng would leave.

Qin Sheng was helpless. She knew that Yu Bei would not let her go back since she did not help him solve the problem.

She could only agree.

Yu Bei was excited. He said impatiently, "Okay, let's go now."

Hong Yuan stayed in the Special Effects Department. The moment Yu Bei and Qin Sheng left, the special effects team could not wait to surround them.

"General Manager, I just heard Brother Bei say that this girl is our boss. Did I hear wrongly?"

The others nodded in agreement. "I heard it too, General Manager. Could she really be our boss?"

Hong Yuan did not hide Qin Sheng's identity. "Yes."

The people from the Special Effects Department: "..."

They looked at each other. Their boss was just a teenage girl?

Hong Yuan and Yu Bei often mentioned Qin Sheng in the company. Everyone in the company admired Qin Sheng.

But they didn't expect that the person they admired was just a young girl?

If Hong Yuan wasn't someone who liked to joke, they would really think that Hong Yuan was playing them.

A boy asked curiously, "General Manager, are you joking? Did she come up with this all-intelligent mobile game that we're making now?"

"Yes." Hong Yuan nodded. His face was solemn now, and he no longer had the gentleness he had when he faced Qin Sheng earlier.

He glanced at the members of the Special Effects Department. "The information about our boss can not be leaked. Those who violate it will be fired."

With Qin Sheng's ability, Hong Yuan was not worried that the news that Qin Sheng was the boss of Glory World Technology would be leaked.

However, Hong Yuan understood Qin Sheng's personality. Qin Sheng was a person who despised trouble. If he avoid causing trouble for her, then he would not cause trouble for her.

As for introducing Qin Sheng to the people in the company, they were from the same gaming company. Qin Sheng would have to interact with them in the future. Her identity could not be hidden.

Therefore, Hong Yuan did not hide Qin Sheng's identity from his employees.

On the other side, Qin Sheng had a headache when she was faced with questions that were three pages long.

Yu Bei smiled and said, "Boss, this little problem is not much to you. You won't spend much time on it."

Yu Bei had some hidden thoughts.

Yu Bei still felt that something was not right about being tricked by Qin Sheng into working for him.

He was the second most powerful hacker in the world, yet he could not compare to an 18-year-old girl. Where should he put his face?

### **Chapter 265: Dealt a Blow**

Yu Bei wanted to make things difficult for Qin Sheng.

He had been thinking about these questions for a few days, but he still could not solve them.

There were more than ten questions on the three-page paper. Even if Qin Sheng could solve them, it would be enough to keep her busy for a while.

Yu Bei smiled smugly.

Qin Sheng happened to see the smile on Yu Bei's lips. Her eyes narrowed, and she knew what Yu Bei was thinking.

The corners of her lips curled up slightly, but she did not say anything else.

After looking at it for a few seconds, she put the paper aside and started typing on the computer. Her hand speed was very fast, leaving only an afterimage.

The program code appeared on the computer line by line.

Yu Bei stood behind Qin Sheng. When he saw Qin Sheng's actions, he thought that she was testing the feel of the computer keyboard.

Wasn't it a joke to say that Qin Sheng was solving those program problems?

Yu Bei had been working on it for a few days, but he still could not solve it. He did not believe that Qin Sheng would know how to solve it just by looking at it.

Yu Bei left temporarily and poured himself a cup of coffee.

When he came back again, it was already three minutes later.

The program code on the screen was already filled to the brim with a page.

Yu Bei realized that something was wrong, so he moved closer.

Qin Sheng's hand on the keyboard paused for a moment. She was now looking at the second question.

Yu Bei was looking at the code very seriously. When he saw the neat and tidy English symbols, he was dumbfounded.

After only looking at five columns, Qin Sheng began to write again.

Yu Bei asked suspiciously, "Boss, did you make it?"

Qin Sheng nodded lightly. "Yes."

Yu Bei: "..."

He coughed a few times and spat out some coffee.

Yu Bei randomly pulled some tissues to wipe his mouth, then asked, "Boss, no, are you sure you didn't make it?"

Qin Sheng did not answer, only focusing on the program.

Yu Bei did not drink any more coffee. He looked at the computer screen behind Qin Sheng... and Qin Sheng's hand.

In fact, Qin Sheng's hand speed was too fast. The page on the computer flashed past, and Yu Bei could not see anything clearly.

He could only read three or four lines when Qin Sheng stopped looking at the questions.

Seeing Qin Sheng's actions, Yu Bei did not think that Qin Sheng was messing around. More importantly, he found some clues from the two or three lines of code.

Yu Bei was also a computer genius. Naturally, he could tell that the code that Qin Sheng had written was the answer to those questions.

Although Yu Bei was not surprised that Qin Sheng could do it, her speed had really shocked him.

He had spent more than three days to solve every question, but he still could not figure it out.

What about Qin Sheng? She had started coding in less than a minute, or even dozens of seconds, without any pause.

Yu Bei was glad that he did not suffer from heart bloating. Otherwise, he would have been sent to the hospital at this time.

However, he did not suffer a terrible blow. He was completely dazed.

In less than forty minutes, Qin Sheng had already stopped. She turned the swivel chair and looked at Yu Bei with a faint smile.

Yu Bei, who was still playing games, noticed Qin Sheng's gaze.

He stopped and quit.

Yu Bei was not surprised that Qin Sheng finished the game at this speed. He stood up and said listlessly, "Boss, are you done?"

Qin Sheng nodded. Yu Bei walked over and looked at the program on the computer.

After reading one question, he was completely shocked.

He spent three whole days but still could not solve it. On the other hand, Qin Sheng only used more than forty minutes to solve all eleven questions. How could this not be a shock?

Yu Bei once again realized the difference between him and Qin Sheng.

He was now very doubtful whether Qin Sheng had gone easy on him in that competition.

**Chapter 266: Are You Convinced**

Qin Sheng stood up from the swivel chair. She glanced at Yu Bei and said with a smile, “Yu Bei, are you convinced?”

Yu Bei nodded frantically. “I’m convinced.”

Did he dare to be unconvinced?

Qin Sheng smiled. “Alright, you can stay in the company at ease. You’re quite capable. I won’t mistreat you with regards to your salary.”

It was rare to have talents. Yu Bei was usually a bit of an oddball, but he was also a person of good character. Qin Sheng was very satisfied with Yu Bei.

Qin Sheng did not linger in Yu Bei’s office and left.

Yu Bei looked at Qin Sheng’s back as she left. His face was flushed red and he was embarrassed.

It seemed that Qin Sheng knew that he was going to make things difficult for her and wanted to vent her anger properly.

—

On the other side, Qin Sheng had just come out of Yu Bei’s office when she met Hong Yuan’s somewhat fawning smile.

“Boss.”

Hong Yuan was still holding a stack of documents in his hands.

Qin Sheng: “...”

She looked at the fist-sized thick documents and felt a headache coming on.

Hong Yuan was afraid that Qin Sheng would refuse, so he hurriedly said, “Boss, these are some more important matters that need you to take a look at.”

If it was in the past, Hong Yuan would not have shown so many documents to Qin Sheng. After seeing Qin Sheng’s speed, Hong Yuan was not worried that Qin Sheng would not be able to finish reading all of them, so he took all the documents that he had accumulated over the past few days.

Qin Sheng sighed. “Give them to me.”

She returned to her office. Although Qin Sheng was a hands-off manager and rarely came to the company, Hong Yuan still prepared an office for her.

Hong Yuan was delighted. He was afraid that Qin Sheng would go back on her word, so he quickly gave the documents to Qin Sheng.

Then, he found an excuse to leave.

Qin Sheng was very helpless, so she could only return to the office to process the documents.

Two hours had passed by the time she finished processing all the documents.

When she had just walked out of the office, she was pulled over by Yu Bei again to solve a procedural problem.

Qin Sheng rubbed her forehead. She did not want to stay in the company anymore.

After Yu Bei let her go, Qin Sheng left the company without saying goodbye to Hong Yuan.

Not long after Qin Sheng left, Hong Yuan wanted to look for Qin Sheng again.

However, when the employee told him that Qin Sheng had left, Hong Yuan had no choice but to give up his thoughts.

He sighed. The next time Qin Sheng remembered that she still had a company, it would probably be another two months.

Qin Sheng was quite thorough in being a hands-off manager.

Yu Bei had already finished looking through Qin Sheng's program. He quickly found a new problem.

He went to Qin Sheng's office but did not see her.

He came to Hong Yuan's place again.

"Are you here to look for Boss?" Hong Yuan asked.

"Yes." Yu Bei nodded. He looked inside and asked, "Where is she?"

"She went back."

Yu Bei almost spat out a mouthful of blood. "She, she went back?"

The two of them looked at each other. They could see the resentment in each other's eyes.

With such a boss, what could they do?

The other party was more capable than them, so they could only accept it.

Qin Sheng had already returned to Fu Garden, so naturally, she did not know the resentment in Hong Yuan and Yu Bei's hearts.

—

At night, the sky was dark.

As usual, Qin Sheng had dinner and sat with Fu Hanchuan for a while before returning to her room.

Around 12 o'clock, it started to rain heavily. Lightning flashed across the sky and thunder rumbled.

Fu Hanchuan woke up. He pulled open the curtains and frowned as he looked at the heavy rain outside.

In his dream, she seemed to be afraid of lightning.

Fu Hanchuan frowned. He picked up the spare key and rushed to Qin Sheng's room.

Qin Sheng and his bedroom were next to each other. Fu Hanchuan soon arrived at the door of Qin Sheng's room.

### **Chapter 267: Don't Be Afraid**

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

"Sheng Sheng." Fu Hanchuan knocked on the door.

After a while, Qin Sheng didn't open the door, and there was no movement from inside.

Fu Hanchuan couldn't wait any longer. He took the spare key and opened the door of Qin Sheng's room.

In the darkness, Fu Hanchuan looked at the bed, but he didn't see Qin Sheng.

Vaguely, he heard a rustling sound.

Fu Hanchuan quickly looked over.

He saw a small figure squatting in the corner.

Qin Sheng hugged her legs, her face buried deep in her arms, and her whole body was curled up.

Qin Sheng was afraid of thunder and lightning, so she did not dare to look up at the streaks of light that streaked across the sky.

Just hearing the thunder beside her ears, Qin Sheng was already very afraid.

In this world, there were very few things that could make Qin Sheng afraid, and thunder was one of them.

Fu Hanchuan felt a pain in his heart. He carefully squatted down and whispered, "Sheng Sheng."

Qin Sheng did not respond.

Fu Hanchuan reached out to cover Qin Sheng's ears and comforted her with a low voice, "It's okay, don't be afraid."

The thunder by her ears became softer, and Qin Sheng only heard Fu Hanchuan's voice.

Her originally panicked and scared heart calmed down slightly.

Her trembling body finally stopped.

Fu Hanchuan silently exhaled. In the darkness, he could still feel Qin Sheng's fear.

What exactly had she experienced?

Half an hour later, the heavy rain stopped, and the thunder and lightning also stopped.

Before this, Fu Hanchuan had always maintained this position.

He looked out of the window. After making sure that everything had stopped, Fu Hanchuan finally let go of Qin Sheng.

He turned on the lights and came before Qin Sheng again. He squatted down.

“Sheng Sheng, it’s okay.”

Qin Sheng raised her head. Fu Hanchuan could see the red blood in her eyes.

Usually, Qin Sheng was very strong. She would not show any signs of being wronged. This was the first time Fu Hanchuan had seen Qin Sheng so fragile.

Qin Sheng’s face was a little pale. She smiled and said, “I’m fine, Brother Fu. Thank you.”

“It’s cold on the ground. Let’s go to the bed first.”

Fu Hanchuan helped Qin Sheng to the bed and sat on the edge of the bed.

“Sheng Sheng, can you tell me what you’ve experienced?” Fu Hanchuan hesitated for a while and spoke.

The room was quiet for a moment.

After a long while, Qin Sheng finally nodded and said in an extremely soft voice, “Yes.”

It turned out that when Qin Sheng was very young, she had made a small mistake and bumped into Shen Mei when she was in a bad mood.

Shen Mei brought Qin Sheng to the mountain. When she came back, there was only one person.

Qin Sheng was left on the mountain just like that.

At the thought of this, Qin Sheng’s entire body hugged together and trembled slightly.

Fu Hanchuan really wanted Qin Sheng to stop thinking about it, but he wanted to know what Qin Sheng had experienced. It was better to say it than to keep it in her heart.

Seeing that Qin Sheng’s emotions were out of control, Fu Hanchuan clenched his fists and pulled Qin Sheng into his embrace.

Suddenly, she fell into a warm embrace, and Qin Sheng struggled.

Fu Hanchuan hugged Qin Sheng tightly. “Sheng Sheng, it’s all in the past. Don’t be afraid.”

Hearing Fu Hanchuan’s comforting words, Qin Sheng’s emotions finally calmed down a little.

Burying her face in Fu Hanchuan’s embrace, Qin Sheng opened her mouth once again.

At that time, Qin Sheng was only eight years old. She stayed on the mountain and looked for Shen Mei. The sky gradually darkened and it started to rain heavily. Lightning flashed and thunder rumbled.

Qin Sheng hid under a big tree.

She saw a wolf running towards her with her own eyes. Under the lightning, she could see the wolf’s green eyes.

Qin Sheng was very scared and ran all the way. The wolf was chasing after her.

Qin Sheng finally fell down from the mountain and dodged the wolf.

## Chapter 268: Don't Want Her Anymore

Later, Qin Sheng found a cave and listened to the thunder outside. She spent the night like this.

From then on, Qin Sheng was very afraid of thunder and lightning.

On the days with thunder and lightning, she hid in a corner alone.

After hearing Qin Sheng's words, Fu Hanchuan's heart felt as if it was gripped tightly by a big hand. It hurt densely.

It was hard for him to imagine what would happen if Qin Sheng could not avoid it.

Fu Hanchuan hugged Qin Sheng tightly.

He would definitely not let Qin Sheng suffer such grievance again, no more.

Qin Sheng told Fu Hanchuan what she had hidden in her heart for a long time and slowly fell asleep.

Fu Hanchuan covered Qin Sheng with the blanket.

Before he left, he planted a gentle kiss on her forehead. "Good night, Sheng Sheng."

—

The next day was Sunday, and Qin Sheng slept very late.

Fu Hanchuan was worried about Qin Sheng, so he didn't go to work and stayed at home to accompany her.

In the afternoon, Huang Xiaoyan called Qin Sheng.

"Sheng Sheng." Once the call was connected, Qin Sheng could clearly hear Huang Xiaoyan's sobbing voice.

Qin Sheng frowned and asked worriedly, "Xiaoyan, what's wrong?"

Huang Xiaoyan's tears fell even harder. "Sheng Sheng, my dad doesn't want me anymore."

"Where are you? I'll go and look for you." Qin Sheng was very worried that something would happen to Huang Xiaoyan.

Huang Xiaoyan rarely made friends with her heart. Qin Sheng was the friend she cared about the most. At this moment, Huang Xiaoyan did not hide anything and told her a location.

She was in a park.

Qin Sheng quickly rushed over. Fu Hanchuan sent her there.

When they arrived, Fu Hanchuan did not go to see Huang Xiaoyan with Qin Sheng. He sat in the car and waited for Qin Sheng.

At this moment, Huang Xiaoyan was sitting on a bench.

Her hand was holding a wet tissue.

When she saw Qin Sheng, her grievance seemed to have an outlet. Tears kept falling from her face. As she cried, she said, "Sheng Sheng, he really doesn't want me anymore. He only trusts Jiang Wangya."

Qin Sheng looked at Huang Xiaoyan's slightly swollen face and didn't know how to comfort her. She just sat beside Huang Xiaoyan and listened to her.

Huang Xiaoyan was crying. Qin Sheng handed her a tissue.

Huang Xiaoyan took it and wiped her face casually.

"Sheng Sheng." Huang Xiaoyan lowered her head, her eyes red. "My dad also said that he would kick me out."

Huang Xiaoyan had a fiery temper, especially when it came to Jiang Wangya. She would explode at the slightest provocation.

Today, Jiang Wangya had deliberately angered Huang Xiaoyan. Huang Xiaoyan could not take it anymore and shouted back at Jiang Wangya.

When Father Huang came back, he saw that Jiang Wangya looked like she had been wronged.

At that time, Jiang Wangya had tugged at Father Huang's clothes and said, "It's not Xiaoyan's fault. It's my fault. I'm not her biological mother. It's normal that she doesn't like me. It's only my fault that Xiaoyan didn't accept me."

Father Huang immediately thought that it was Huang Xiaoyan who was deliberately causing trouble for Jiang Wangya.

In Father Huang's impression, Jiang Wangya had fulfilled her responsibility as a mother. She had even treated Huang Xiaoyan better than her own daughter. As for Huang Xiaoyan, she just couldn't accept Jiang Wangya and was always against her.

Compared to Huang Xiaoyan, Father Huang was more willing to believe in Jiang Wangya.

Father Huang's face darkened, and his expression was serious as he asked Huang Xiaoyan to apologize.

Huang Xiaoyan glanced over disdainfully, unwilling to apologize. From the corner of her eye, she could see Jiang Wangya's smug smile.

Huang Xiaoyan was about to explode again.

She pointed at Jiang Wangya and shouted, "Dad, I don't like her. Kick her out. This family, if it has me, she can't be here! If she stays, then I'll go!"

## **Chapter 269: A Slap**

Father Huang was furious, so he gave Huang Xiaoyan a slap.

He watched Huang Xiaoyan cover her face as she stood to the side. In the end, he regretted it, and his hands were shaking.

However, for the sake of face, he was determined to teach Huang Xiaoyan a lesson. Father Huang suppressed the regret in his heart and put down his hateful words. "Huang Xiaoyan, if you can't control your temper, then get the hell out. Our Huang family doesn't have a daughter like you."

Huang Xiaoyan couldn't believe that her father would lay a hand on her.

Feeling wronged, she straightened her neck and said, "Fine, I'll leave. With Jiang Wangya around, I don't want to stay any longer."

Huang Xiaoyan left the Huang family and ran to the park.

After hearing Huang Xiaoyan's words, Qin Sheng fell silent.

She didn't expect Huang Xiaoyan's father to be so biased.

"Sheng Sheng, I don't want to go back." Huang Xiaoyan grabbed Qin Sheng's hand and cried, "I'm too depressed to stay in that home. Even if my father hates me, but I'm not willing. I don't want to see my father being deceived by Jiang Wangya."

Huang Xiaoyan was conflicted.

She could never forget how good her father was to her. However, Father Huang had always stood by Jiang Wangya's side and never believed in her. Huang Xiaoyan really did not want to go back to the Huang family.

Qin Sheng thought for a while and said, "Xiaoyan, come to my place to sleep tonight. We'll go to school together tomorrow."

Qin Sheng could see the ambivalence in Huang Xiaoyan's heart.

Huang Xiaoyan said that she wanted to leave the Huang family, but in the end, she would not leave.

If Father Huang really loved Huang Xiaoyan, then she could let Father Huang see Jiang Wangya's true colors.

Huang Xiaoyan hugged Qin Sheng. "Sheng Sheng, you're so kind."

Huang Xiaoyan's mood came and went quickly. After talking to Qin Sheng, her mood was not as bad as before. In the end, she still did not want to return to the Huang family. She was very frustrated.

Therefore, the two of them went to Fu Hanchuan's car.

Because Huang Xiaoyan was there, Qin Sheng did not sit in the front passenger seat. She sat in the back seat with Huang Xiaoyan.

It was summer now, but Huang Xiaoyan felt a chill in the car.

She touched her arm and muttered, "The weather isn't cold either."

Qin Sheng tilted her head. "What's wrong?"

Huang Xiaoyan hurriedly shook her head. "Nothing."

She had forgotten that she was in Fu Hanchuan's car, and she was sitting with Qin Sheng.

Fu Hanchuan's gaze was cold when he saw her getting close to Qin Sheng.

Huang Xiaoyan couldn't stand it.

She was originally sitting next to Qin Sheng, but now, she consciously moved to the side.

However, the temperature in the air still seemed a little cold.

Huang Xiaoyan could only pray that she could get off the car earlier.

Twenty minutes later, they finally arrived.

Huang Xiaoyan had just gotten off the car and was finally able to catch her breath. Then, she saw the extremely luxurious villa in front of her.

Huang Xiaoyan was stunned. She could not believe that this was Fu Hanchuan's home.

This was too big and too luxurious!

Huang Xiaoyan had thought that her family's conditions were relatively good. Now that she saw this villa, she could not help but be surprised.

Her family's villa was probably not even half as good as this villa.

Look, this decoration, this garden, this scale!

"Sheng Sheng." Huang Xiaoyan pointed at the villa and asked in disbelief, "Is this where you live?"

Qin Sheng nodded. "This is Brother Fu's. I'm only moving here temporarily."

### **Chapter 270:**

Huang Xiaoyan: "..."

She coughed and clutched her chest. "No, let me calm down."

It was really infuriating to compare people.

Qin Sheng was beautiful, had good grades, and had a rich brother.

Why didn't such a good thing happen to her?

However, she knew that some people were born to be favored by the heavens, and she couldn't be envious of them.

Fu Hanchuan had already parked the car. He came to Qin Sheng's side and said in a low voice, "Sheng Sheng, let's go in."

Fu Hanchuan did not look at Huang Xiaoyan. He directly ignored her.

Fu Hanchuan's personality was like this. He would not pay attention to people who had nothing to do with him.

Fortunately, Huang Xiaoyan was a big-hearted person and did not care about Fu Hanchuan's opinion. Otherwise, she would be in an awkward situation right now.

Qin Sheng nodded. "Okay."

Then, she tilted her head and said to Huang Xiaoyan, "Xiaoyan, let's go."

"Oh, okay." Huang Xiaoyan followed Qin Sheng into the villa.

After entering the living room, she scanned the surroundings and felt her legs go soft again.

Too d\*mn rich.

The interior was more luxurious than the exterior. Although the decorations were simpler, the antiques and a large golden pig were placed on the shelves. It was really not simple.

Huang Xiaoyan's family could also be considered a wealthy family. She thought that she had seen the world.

But now, she was like a country bumpkin who had entered the city.

Qin Sheng let Huang Xiaoyan sit on the sofa. Then, she went into the kitchen.

Huang Xiaoyan glanced at Fu Hanchuan and looked away. She felt uncomfortable everywhere.

She felt that her brain must have been stuck. Why did she agree to come with Qin Sheng?

If she knew that Qin Sheng and Fu Hanchuan lived together, she wouldn't have dared to come even if she was beaten to death.

Fu Hanchuan didn't say anything. After Qin Sheng walked into the kitchen, he followed her in.

Huang Xiaoyan let out a breath.

In the kitchen, Fu Hanchuan took the teapot from Qin Sheng. "Let me do it."

Without waiting for Qin Sheng to speak, he took out the tea leaves and brewed them.

Qin Sheng knew that Fu Hanchuan would not let her do it. She stood by the side and waited for Fu Hanchuan to finish brewing before she brought it out.

Fu Hanchuan also knew what Qin Sheng was thinking, but he was afraid that Qin Sheng would be scalded. He finished brewing without saying a word and walked out.

"Brother Fu, let me do it." Qin Sheng wanted to take the teapot from Fu Hanchuan.

However, Fu Hanchuan dodged to the side. He only said one word. "Hot."

Fu Hanchuan was just like that. He took care of Qin Sheng meticulously and didn't let her do any work.

Qin Sheng's heart warmed slightly, and she followed Fu Hanchuan out.

After placing the tea on the coffee table, Fu Hanchuan said, "Sheng Sheng, I'm going to cook."

"Okay." Qin Sheng nodded.

Fu Hanchuan smiled and walked into the kitchen.

When Huang Xiaoyan saw this, she was stunned again.

Fu Hanchuan was cooking?

This Teacher Fu, who was gentle and otherworldly, should not be in the mortal world. How could he cook?

Huang Xiaoyan turned her head stiffly. "Sheng Sheng, does Teacher Fu know how to cook?"

Qin Sheng nodded.

Huang Xiaoyan sat up straight and asked again, "Sheng Sheng, don't tell me that the meals are cooked by Teacher Fu every day?"

Qin Sheng was a little puzzled. "Is there a problem?"

Huang Xiaoyan clutched her little heart and nodded frantically. "Of course there's a problem."

Huang Xiaoyan saw Qin Sheng's puzzled look and explained, "Sheng Sheng, look, is Teacher Fu the kind of person who should cook? If you have money, shouldn't you hire a servant? Why would you need to cook personally?"

Moreover, Fu Hanchuan was a man!

How could a man be willing to cook every day when he had so much money?
