Chapter 281: Face Smacking

Qin Sheng was the same as Fu Hanchuan. Both of them were very protective of their own shortcomings. Although Fu Shihan had hit Fu Yuan's servant, Fu Hanchuan was the one who had employed this servant. No matter what, it was not Fu Shihan's turn to teach her a lesson.

Fu Shihan walked in front of Qin Sheng and sized her up. She sneered and said, "Where did this woman come from? You still want to kick her out and teach me a lesson? I want to see if you dare to do it."

Fu Shihan raised her head high, looking very arrogant.

Qin Sheng laughed softly. She raised her hand and slapped Fu Shihan heavily on the face.

Fu Shihan screamed and was slapped in the face.

Qin Sheng was very strong, and she hit Fu Shihan hard. Fu Shihan's face was left with a deep red mark, and there was even a trace of blood at the corner of her lips.

"You dare to hit me?!" Fu Shihan stared at her in disbelief.

Qin Sheng's red lips curled up slightly as she returned Fu Shihan's words to her. "So what if I did hit you? You're just a dog who dared to barge in without the owner's permission."

At this moment, Ye Yutong could not help but get angry. "Where's your upbringing? This isn't your home. Would Hanchuan allow you to be so impudent?"

Fu Shihan ran back to Ye Yutong's side, feeling so wronged that she was crying.

Ye Yutong could not care less about Qin Sheng anymore and comforted Fu Shihan.

Fu Shihan kept crying. She had been raised by the Fu family since she was young. How could she have ever suffered such grievance?

Furthermore, Qin Sheng had used a lot of force. Even now, Fu Shihan could feel the pain on her face.

Fu Shihan was someone who would cry for a long time even if she bumped against someone. She could not stop crying. Ye Yutong was also getting impatient as she comforted her.

"Han Han, when Hanchuan comes back, he will help you teach her a lesson."

Ye Yutong gently wiped Fu Shihan's tears.

Fu Shihan nodded. "He will definitely side with me. No, I need to call Brother Hanchuan."

Fu Shihan took out her phone and called him. However, it reminded her that his phone was turned off.

She remembered that her phone number had been blocked by Fu Hanchuan.

Fu Shihan looked a little embarrassed.

Ye Yutong asked with concern, "Han Han, is there a problem?"

Fu Shihan did not dare to let Ye Yutong see through her embarrassment. She smiled and said, "Sister Tong, we don't need to trouble Brother Hanchuan with such a small matter."

Ye Yutong had more or less understood what was going on, but she did not expose Fu Shihan.

At that moment, a few male servants came over.

They went up to Ye Yutong and Fu Shihan and said, "Ladies, please leave."

Fu Shihan could not be bothered to cry anymore. She pointed at herself and said, "You want me to leave? Do you know who I am?"

One of the servants looked at her mockingly and said, "Lady, I know who you are. Young Master specifically told me not to let you enter Fu Garden."

Indeed, Fu Shihan often came here, but most of the time, she did not even take a step into Fu Garden.

Fu Shihan was determined to see Fu Hanchuan today.

She did not want to be chased away, especially when Ye Yutong was with her. It would make her lose face.

Fu Shihan straightened her neck and said, "Brother Hanchuan will definitely not chase me away. I am his sister."

She pointed at Qin Sheng and said, "She's just an outsider, and you actually listen to her? Do you believe that I'll get my brother to fire all of you?"

In the Fu family, almost everyone doted on Fu Shihan, and even Old Master Fu treated her extremely well. Fu Shihan had hit a wall again and again today, and she was furious.

Even if Fu Hanchuan did not punish these servants, she had to tell Old Master Fu.

Fu Hanchuan had to listen to Old Master Fu.

"Please," the servants said sarcastically. They were not afraid of Fu Shihan at all.

Chapter 282: Get Out of Fu Garden

Ye Yutong did not want to stay here and be bullied anymore. "Shihan, let's leave first."

Fu Shihan rejected her. "Brother Hanchuan will come back and support us very soon. How dare a mere outsider treat me like this!"

Fu Shihan was a stubborn person. Even Ye Yutong could not persuade her.

Ye Yutong could only stay here with Fu Shihan. She also wanted Fu Hanchuan to see Qin Sheng's true colors and how she was able to strut around in Fu Garden.

Qin Sheng was so beautiful that even Ye Yutong was jealous.

Fu Hanchuan usually did not get close to women, but now that Qin Sheng was here and living in Fu Garden, Ye Yutong felt a sense of crisis.

It would be best if she could use Fu Shihan to chase Qin Sheng out.

The servants were impatient and wanted to drag Fu Shihan out.

“What are you doing? I am Brother Hanchuan’s sister!” Fu Shihan struggled and scratched a servant’s face.

Fu Hanchuan heard Fu Shihan’s scream from afar and frowned.

Qin Sheng should be back by now.

Fu Hanchuan quickened his steps and quickly entered the villa.

“Young Master.” When the two servants saw Fu Hanchuan, they quickly let go of Fu Shihan and retreated to the side.

Fu Shihan was delighted and called out, “Brother Hanchuan.”

Ye Yutong’s gaze also landed on Fu Hanchuan. They had not seen each other for three years, and Fu Hanchuan was getting more and more handsome. He was even more handsome than in the photo. Her eyes were almost glued to Fu Hanchuan’s body. She could not hide the love in her eyes for Fu Hanchuan.

Fu Hanchuan did not look at Fu Shihan and Ye Yutong. He walked straight to Qin Sheng’s side.

He asked with concern, “Sheng Sheng, are you alright?”

Qin Sheng shook her head. “I’m fine.”

Ye Yutong’s face stiffened when she saw how gentle Fu Hanchuan was towards Qin Sheng.

How could Fu Hanchuan have such a temper? When had he not been cold and indifferent towards any girl?

Ye Yutong had already noticed the difference in Fu Hanchuan’s treatment of Qin Sheng.

So, what was Fu Hanchuan’s relationship with Qin Sheng? Was it a friend, brother and sister, or... a couple?

Ye Yutong clenched her fists tightly, a hint of jealousy hidden deep in her eyes.

After Fu Hanchuan confirmed that Qin Sheng was fine, his gaze landed on Fu Shihan, and his eyes darkened.

Fu Shihan was very afraid of Fu Hanchuan’s gaze, so she shrunk her head.

Perhaps because she thought that Fu Hanchuan would stand on her side, Fu Shihan ran to Fu Hanchuan again, looking very wronged. “Brother Hanchuan.”

She put down her hand, revealing the half of her face that had been beaten by Qin Sheng. It was very red, and even a little swollen.

Fu Shihan covered it again, and her other hand pointed at Qin Sheng. “She was the one who hit me, and she even wanted to chase me out. Didn’t I just teach a little servant a lesson? How dare she hit me so hard!”

Fu Shihan asked Ye Yutong, "Sister Tong, wasn't Qin Sheng the one who hit me?"

Fu Hanchuan finally gave Ye Yutong a look. Ye Yutong noticed it and her face instantly turned red.

She nodded and said, "It was like what Han Han said. She did hit Han Han and even ordered the servants to kick Han Han out."

Ye Yutong's voice was very soft and gentle.

Fu Hanchuan's eyes were rolling and his emotions could not be seen clearly. "What do you want to do?"

Hearing that, Fu Shihan thought that Fu Hanchuan was on her side.

She said smugly, "I want to return this slap. Also, apologize to us and get out of Fu Garden!"

Chapter 283: Was Unknown

"Heh." Fu Hanchuan laughed coldly. He did not reply but walked to Qin Sheng's side.

He held Qin Sheng's hand and examined it. When he saw that her right hand was a little red, he frowned. "Does it hurt?"

Qin Sheng's skin was very smooth and very white. As long as there was a slight bump, it would leave a red mark.

Not to mention that she had hit her quite hard just now.

Qin Sheng answered truthfully, "I did hit her a little, but it's fine now."

Although Qin Sheng said that she was fine, Fu Hanchuan's heart still ached terribly.

When he looked at Fu Shihan again, his expression became even more unsightly.

Fu Shihan and Ye Yutong had just listened to their conversation, and their expressions were extremely unsightly.

Fu Shihan widened her eyes in disbelief.

Qin Sheng had clearly hit her and her face was still swollen. Fu Hanchuan was actually concerned about whether Qin Sheng's hand hurt?

Ye Yutong's face was also pale. She clenched her fists tightly and her nails were almost digging into her flesh.

How could she not understand Fu Hanchuan's feelings for Qin Sheng now?

Fu Hanchuan's eyes were filled with care and adoration. He did not even try to hide it.

Ye Yutong had never thought that Fu Hanchuan would fall in love with a woman. She had also thought that Fu Hanchuan would fall in love with her. In the end, she was also certain that she would become Fu Hanchuan's wife.

She was the most suitable woman for Fu Hanchuan. Even Old Master Fu and the others wanted her to be together with Fu Hanchuan.

Ye Yutong was hit so hard that she was on the verge of collapse.

“Brother Hanchuan!” Fu Shihan shouted anxiously. “She hit me! Why are you only concerned about her? Look at my face!”

Fu Shihan put down her hand once again, revealing the palm print.

Fu Hanchuan sneered. “Fu Shihan, who let you barge in?”

Fu Shihan was anxious. “Brother Hanchuan, I missed you. I haven’t seen you for a month and Sister Tong has returned to H City. I thought that Sister Tong would come and look for you together.”

Fu Shihan pulled Ye Yutong out as well. Ye Yutong could see that Fu Hanchuan was in a rage. Her actions were just adding fuel to the fire.

Ye Yutong cursed in her heart for being an idiot.

She calmed herself down and said, “Hanchuan, do you still remember me?”

Fu Hanchuan did not look at Ye Yutong.

Ye Yutong tugged at her clothes and could only speak again, “I am Ye Yutong. We met many times when we were young. Before the Ye family moved to the Imperial Capital, the Ye family and the Fu family were still neighbors. Hanchuan, I am also from Imperial Capital University. I am your junior sister.”

Fu Hanchuan had no impression of Ye Yutong. In other words, he had never placed any woman in his eyes other than Qin Sheng.

Ye Yutong had indeed done many things in the past. For example, she deliberately went against Fu Hanchuan in order to attract his attention.

However, her plan had failed.

Fu Hanchuan had never noticed Ye Yutong.

If Ye Yutong had not appeared in front of Fu Hanchuan today, Fu Hanchuan would not have noticed Ye Yutong’s existence.

Fu Hanchuan’s tone was cold. “I don’t know you.”

Ye Yutong’s expression instantly stiffened. Fortunately, she was able to control her expression and she managed to adjust herself.

She smiled appropriately. “It’s alright. After all, we haven’t seen each other for a few years. It’s normal that we don’t know each other.”

She reached out her hand to Fu Hanchuan. “I am Ye Yutong. Hanchuan, let’s get to know each other now.”

Fu Hanchuan only glanced at her indifferently and did not shake her hand back.

Ye Yutong’s hand froze in mid-air just like that.

Qin Sheng watched from the side. When she saw that Fu Hanchuan ignored Ye Yutong, she actually felt a sense of relief in her heart.

Chapter 284: Embarrassment

Ye Yutong retracted her hand, her face flushed red in embarrassment.

Ye Yutong never thought that Fu Hanchuan would treat her with such disdain. She was the campus belle of Imperial University, and countless boys would confess to her.

She was also an excellent student and had won many national awards. Ye Yutong thought that she was outstanding enough.

She thought that Fu Hanchuan would treat her coldly. After all, Fu Hanchuan treated everyone with the same attitude. However, she did not expect Fu Hanchuan to treat her with such disdain.

Fu Hanchuan looked at Fu Shihan with deep eyes. "Fu Shihan, I hope that you can find your position. You, Fu Mingxu, and Zhou Sihui are the people who destroyed my family. Don't think of yourself as my sister anymore. We are not brother and sister, but enemies."

Fu Hanchuan rarely said such a long sentence to Fu Shihan.

Fu Hanchuan did not want Fu Shihan to barge in one day and embarrass Qin Sheng.

Qin Sheng could not be bullied.

However, Fu Hanchuan knew that Qin Sheng was afraid of trouble, so he naturally did not want to bring trouble to Qin Sheng.

It was not that Fu Hanchuan had not told Fu Shihan that he did not treat her as his sister.

However, Fu Shihan was a stubborn person. She was unwilling to give up on an older brother like Fu Hanchuan, so she did not listen to Fu Hanchuan's words.

Fu Shihan's eyes turned red from Fu Hanchuan's words.

Tears fell from her eyes. "Brother Hanchuan, my mother did not do it on purpose. Can't you understand her?"

Ye Yutong secretly glared at Fu Shihan. She was indeed an idiot. Even now, she still dared to defend Zhou Sihui!

"Ha." Fu Hanchuan sneered in a low voice.

He did not waste any more time with Fu Shihan and warned her, "Fu Shihan, if you dare to enter Fu Garden again, don't blame me."

Fu Shihan's body trembled.

She knew very well that Fu Hanchuan was very powerful. Otherwise, she would not be flaunting her brother, Fu Hanchuan, outside.

Fu Shihan was quite worried that Fu Hanchuan would teach her a lesson.

It was already 5:50 pm, and Qin Sheng arrived home at around 5:20 pm. Counting the time, she had already been standing there for half an hour.

Fu Hanchuan looked at his watch and said the same thing as Qin Sheng. "Do you want to leave on your own, or do you want to be thrown out?"

Fu Shihan did not dare to disobey Fu Hanchuan.

She could only leave with Ye Yutong.

When they reached the door, they heard Fu Hanchuan's dotting words again.

"Sheng Sheng, don't do it yourself next time. Let the servants do it. Don't hurt yourself."

Fu Shihan and Ye Yutong's expressions were very ugly.

Ye Yutong turned around and looked at Qin Sheng's back. She bit her lip.

She was unwilling to lose to a high school student.

She was very outstanding and Fu Hanchuan was also a very powerful existence. Only she could match up to Fu Hanchuan.

What was this girl?

Just based on her looks alone, she wanted her to give up on Fu Hanchuan?

There were many beautiful women in this world. Even a vase could only bewitch a man for a while.

Ye Yutong was infatuated with Fu Hanchuan. Marrying Fu Hanchuan was an obsession of hers since she was young.

She would not back down just like that.

Fu Hanchuan was hers.

—

On the other side, Fu Hanchuan was still worried about Qin Sheng's hands, so he personally applied medicinal wine on her hands.

There was also a pungent smell of perfume in the living room. It was obvious that it was left behind by Ye Yutong and Fu Shihan.

Fu Hanchuan frowned and ordered the servants, "Change the sofa in the living room. Change everything else that they have touched. Also, air the living room for the smell."

Chapter 285:

If Fu Shihan and Ye Yutong heard Fu Hanchuan's words, they would probably vomit blood again.

Fu Hanchuan looked at Qin Sheng's palm again. After making sure that there were no red marks, his furrowed brows relaxed.

"Sheng Sheng, from now on, you don't have to give the Fu family any face."

Fu Hanchuan did not treat the Fu family as family. He and the Fu family did not have that so-called kinship.

Qin Sheng nodded. "I know. That's why I didn't show any mercy to Fu Shihan."

Fu Hanchuan smiled. There seemed to be starlight in his eyes.

On the other side, after Fu Shihan returned, she cried and complained to Old Master Fu.

"Grandpa." Fu Shihan's eyes were red. "Brother Hanchuan has a b*tch living in his house. When I go over, she wanted to chase me away."

Fu Shihan pointed at half of her face. "Look, I only slapped a servant, and that b*tch hit me."

Grandpa Fu looked at the redness and swelling on Fu Shihan's face, and his heart ached for her.

He frowned. "Where's Hanchuan? Why didn't he protect you?"

"Brother Hanchuan was bewitched by that woman. He threatened me not to enter again, and he's still concerned about whether that woman's hand hurt from hitting me!"

Fu Shihan was furious when she thought about how Fu Hanchuan was concerned about Qin Sheng's hand.

Old Master Fu slammed the coffee table hard. "This is outrageous! He didn't protect his sister, but he actually went to protect an outsider!"

Fu Shihan explained on Fu Hanchuan's behalf again, "Grandpa, it's not Brother Hanchuan's fault. It's that woman's tricks that made Brother Hanchuan help her."

Ye Yutong, who had been sitting quietly by the side, also said, "Grandpa Fu, Hanchuan seems to have fallen in love with that woman."

"What?" Grandpa Fu stood up abruptly.

"She's now a student at H City High School and she's also staying at Fu Garden. I've just asked around and heard that she's from the countryside."

On the way back, Ye Yutong asked someone to investigate Qin Sheng.

Qin Sheng was very famous at H City High School and it was not difficult to investigate. In just twenty minutes, she already knew that Qin Sheng was the first in the examination.

She also obtained the first place in the National High School Mathematics Competition.

Ye Yutong originally thought that Qin Sheng only had a good appearance.

She did not expect her results to be extremely good, even better than hers. Back then, she was only the top scorer in H City and was only ranked in the top dozens of places in the country.

Qin Sheng's results were among the best in the country.

Ye Yutong was not satisfied.

Naturally, she found out about the rumors in school, such as the fact that Qin Sheng was being kept by an old man.

Ye Yutong looked at Grandfather Fu's ashen face and lowered her eyebrows, trying to hide the smugness in her eyes.

"Grandfather Fu, there was a rumor in H City High School that she was being kept by an old man. Her name is Qin Sheng."

Grandpa Fu was so angry that his chest was heaving. "Our Fu family will never take such a woman."

Grandpa Fu was also an elitist. Not to mention that Qin Sheng came from the countryside, Fu Hanchuan's marriage to her was of no use to the Fu family. He would not let Qin Sheng into his Fu family just because of her reputation,

Fu Shihan hugged Grandpa Fu's arm and said coquettishly, "Grandpa, you must avenge me."

Old Master Fu's eyes darkened. "Don't worry. Fu Hanchuan should realize that he is a member of the Fu family. No matter what, we are still related by blood."

"Thank you, Grandpa." Fu Shihan was happy. With Old Master Fu helping her, Qin Sheng would not have an easy time.

Chapter 286: Forbade Entry

Old Master Fu said again, "Yutong, don't worry. Hanchuan will not marry such a disreputable woman. You will be the only daughter-in-law of the Fu family."

His tone towards Ye Yutong was obviously much better.

"En." Ye Yu Tong lowered her head and smiled shyly.

—

Old Master Fu came to Fu Garden the next day to look for Fu Hanchuan.

Fu Hanchuan only had classes this afternoon, so he stayed at home to work in the morning.

Old Master Fu stayed outside Fu Garden and looked at the villa inside from a distance. He frowned when he saw the villa that was even more luxurious than the Fu family's.

This area was also the gathering place of the top-tier rich.

Every inch of land was worth money, but there was no market for it.

Old Master Fu had also thought of buying a piece of land here. A few years ago, the Fu Corporation had developed very well, and Old Master Fu had also thought of buying a villa here.

But he could not find one.

Old Master Fu did not think that Fu Hanchuan lived in this place. If Fu Shihan had not told him, he would not have known.

He sighed. The Lu family was indeed rich and powerful, willing to give Fu Hanchuan a villa like this.

Old Master Fu did not think that Fu Hanchuan had bought it himself.

The maid had already gone in and asked for Fu Hanchuan's permission.

After waiting for a long time, Fu Hanchuan still did not come out.

Old Master Fu frowned and called Fu Hanchuan's cell phone. He ordered, "I'm outside your villa. You're still not letting me in?"

Fu Hanchuan leaned against the chair lazily.

After a long while, he replied, "I'm not free now."

Old Master Fu was even angrier. "You're not free? Can you let me in?"

Fu Hanchuan put down his phone and hung up.

He turned on his computer and saw that there were already many higher-ups sitting in the meeting room. Fu Hanchuan said, "Let's begin."

The higher-ups began to report on their work.

Elder Fu did not receive a reply from Fu Hanchuan. Instead, he heard the sound of the phone hanging up.

Elder Fu was angry, but he had no choice.

He could only return to the car and wait for Fu Hanchuan.

He waited for an hour.

Old Master Fu looked at his phone from time to time. He was almost impatient from waiting.

Old Master Fu had been in the business world for decades. Other than encountering obstacles everywhere at the beginning, when he developed, very few people dared to ignore him. Even the big shots in H City would not treat him this coldly.

And today, Old Master Fu had once again encountered obstacles with Fu Hanchuan.

Fu Hanchuan was indeed not as likable as Fu Mingxu and Fu Shihan.

Although Fu Mingxu and Fu Shihan were Zhou Sihui's children, he was the one who watched them grow up. Their temperaments were not that bad after all.

Fu Hanchuan had never gotten close to him since he was young. Later on, he was even brought to the Lu family.

Old Master Fu had very little contact with Fu Hanchuan, so he naturally did not have many opportunities to teach him.

Old Master Fu was quite regretful. If he hadn't asked Lu Zhongguo to bring Fu Hanchuan over, would he have been able to teach Fu Hanchuan to listen to him obediently and then contribute to the company?

Old Master Fu looked at his phone again before opening the car door and leaving.

A servant was standing inside the iron door.

Old Master Fu shouted, "What are you doing? Locking his grandfather outside and not letting him in? Go get him right away."

"There's no need."

Fu Hanchuan walked out of the villa.

Old Master Fu frowned and scolded Fu Hanchuan, "You're my grandson, but you won't let me in? You made me wait here for more than an hour!"

Fu Hanchuan walked out of the iron bars and Old Master Fu wanted to enter Fu Garden.

Fu Hanchuan ordered the servants, "Close the door."

Old Master Fu turned his head around. "What's going on?"

Chapter 287: Added Fuel To the Fire

Fu Hanchuan said calmly, "We'll talk about it here."

Old Master Fu was furious, but he knew that once Fu Hanchuan decided on something, it was impossible for him to change it.

He could only open his mouth. "I heard that there's a woman living in Fu Garden."

"Is there a problem?" Fu Hanchuan asked in return.

Old Master Fu snorted coldly. "Chase her out."

Fu Hanchuan narrowed his eyes slightly and did not speak.

Old Master Fu continued, "She hit Han Han and even ordered the servants to chase her away. You definitely can't have such an arrogant woman!"

"What position do you stand on to make me chase Sheng Sheng away?" Fu Hanchuan sneered.

Old Master Fu was speechless for a moment.

Soon, he found an excuse. "You are my grandson. I asked you to chase her away for your own good. Fu Hanchuan, a woman like her is rumored to be kept by an old man in school. Her reputation is bad, and she's from the countryside. You're quite capable, but you can't let a woman like her drag you down!"

Fu Hanchuan's fingers moved slightly, and there was a trace of viciousness in his eyes.

Old Master Fu did not notice it. He continued, "Hanchuan, Yutong is not bad. She's beautiful, capable, and comes from a good family background. She's the most suitable candidate for your wife. You should dote her more often in the future, understand?"

Fu Hanchuan mocked, "In the end, it is for your own benefit."

"How can you say that?" Old Master Fu's face turned cold.

Fu Hanchuan's gaze was filled with mockery. "Isn't that the case? You thought that Ye Yutong's family background was not bad and would be helpful to the development of the Fu family. That's why you want me to marry her."

Old Master Fu's thoughts were struck. His face turned dark. "Fu Hanchuan, no matter what, marrying Yutong is beneficial to you. Furthermore, I am your grandfather. You have to marry her even if you don't want to."

Fu Hanchuan did not compromise. His expression was nonchalant. "My matters have nothing to do with you. Don't interfere."

"You're my grandson!"

"Don't forget, the last time you announced to the public that I had nothing to do with you," Fu Hanchuan said mockingly.

Old Master Fu was momentarily silenced. He had indeed mentioned it.

However, no matter what, the Fu family and Fu Hanchuan were still related by blood. This was an indisputable fact.

"Fu Hanchuan, you have to listen to me today." Old Master Fu's voice was unquestionable.

Old Master Fu was stubborn, and Fu Hanchuan didn't want to waste any more time with Old Master Fu. He turned around and wanted to leave.

Old Master Fu shouted behind him again, "Fu Hanchuan, she's a student from H City High School, right? And her name is Qin Sheng!"

Fu Hanchuan stopped in his tracks and narrowed his eyes dangerously.

Old Master Fu sneered. "If you don't chase her out, I'll let those teachers know how shameless Qin Sheng is! She learned to seduce men at a young age and even stayed at home."

Fu Hanchuan turned around. "Try it."

Old Master Fu straightened his neck, "Do you think I don't dare?"

"Heh." Fu Hanchuan sneered and slowly folded his sleeves. "You know my ability too. Isn't the Fu Corporation declining now? I can add fuel to the fire."

"Fu Hanchuan!" Old Master Fu was so angry that his entire body was trembling.

His face flushed red from anger. "I don't beg you to contribute much to the Fu Corporation, but you still dare to deal with the Fu Corporation!? How can I have an unfilial grandson like you!"

This was the first time Fu Hanchuan had said that he wanted to deal with the Fu Corporation in front of Old Master Fu.

Fu Hanchuan did not allow others to touch his bottom line, and this bottom line was Qin Sheng.

Old Master Fu was extremely angry after being threatened.

Chapter 288: Mother Zhao Came Over

Fu Hanchuan sneered, "If I find out that the Fu family is dealing with Sheng Sheng in the future, don't blame me for being impolite."

After saying this, Fu Hanchuan returned to the villa.

Old Master Fu watched helplessly as the iron bars were closed.

His chest heaved up and down vigorously as he kept saying, "Unworthy descendants, unworthy descendants!"

Old Master Fu's heart was not very good. He could feel a faint pain in his chest.

Old Master Fu cherished his life, so he did not dare to stay here any longer. He returned to the car and ordered the driver, "Give me the medicine."

After swallowing the medicine, Old Master Fu leaned against the car seat for a long time before he finally recovered.

He looked at the villa through the car window, and he hated Fu Hanchuan even more.

Fu Hanchuan was not like the son of the Fu family. He was always against them and did not make any contribution to the Fu family. Just like that, the Fu family was on the decline.

He wanted to see how far Fu Hanchuan could go without the help of the Fu family.

Although Fu Hanchuan had become the manager of HD Group, he was still someone else's lackey. He had to always act according to other people's wishes.

Unlike the Fu Corporation, where he was one of them.

When he thought of HD Group and their unsuccessful cooperation, Old Master Fu's heart ached again.

He said in a deep voice, "Let's go."

In the end, Old Master Fu did not dare to go to the school to cause trouble for Qin Sheng.

Fu Hanchuan had always kept his word. Old Master Fu did not dare to gamble.

Old Master Fu was prepared to go and look for Qin Sheng personally. In his eyes, Qin Sheng was just a greedy woman. As long as he gave her enough money, she would leave Fu Hanchuan.

—

In the afternoon, Fu Hanchuan went to the school to teach the students of Class 4.

In Class 4, Lin Feng and the others were studying very seriously. Only Qin Sheng was reading an extra-curricular book.

Qin Sheng was reading a medical book. She intended to study medicine when she was in university.

When Fu Hanchuan passed by Class 4, he saw Qin Sheng sitting by the window.

She had a ponytail and her eyes were lowered. She was reading seriously, her slender white fingers flipping through the paper from time to time.

The sunlight that shone through the window shone on Qin Sheng's body, giving her a layer of radiance.

Fu Hanchuan stopped in his tracks and looked at Qin Sheng, the corners of his lips curling up slightly.

Just one side profile was enough to make Fu Hanchuan unable to shift his gaze away.

He looked at her for nearly two minutes before he retracted his gaze and chuckled softly.

His little girl was very obedient and hardworking.

Fu Hanchuan's mood was originally a little uncomfortable because of Old Master Fu. Now that he saw Qin Sheng, his mood inexplicably became better.

Fu Hanchuan took one last look at Qin Sheng before leaving.

After a class, Mother Zhao came to the school. She looked very anxious.

Because the security guards knew her from the last time Mother Zhao came, they didn't stop her from entering the school.

Mother Zhao went straight to Class 4.

Huang Xiaoyan saw Qin Sheng sitting in her seat every day, so she pulled Qin Sheng out of the corridor to exercise.

"Sheng Sheng, you can't stay in the classroom like this. You have to come out and exercise, understand?" Huang Xiaoyan said as she hugged Qin Sheng's arm.

Qin Sheng raised her eyebrows. "Xiaoyan, do you want to stay and run with me tomorrow morning?"

Huang Xiaoyan shook her head like a rattle-drum. "No, no, no. Don't do that. You always run so many laps. That's a life-threatening thing."

Now, Qin Sheng had also developed a habit. Every morning at school, she would run seven laps on the playground.

She was fast and didn't spend much time. It only took her about ten minutes..

Chapter 289: Pleading For Leniency

It wasn't that Huang Xiaoyan hadn't run with Qin Sheng before, but after running three laps, she lay on the ground and didn't move.

Later, when Qin Sheng was running, Huang Xiaoyan hid far away.

Huang Xiaoyan could be said to be a foodie. She liked to sleep and eat, but she didn't like to exercise.

Seeing Huang Xiaoyan's reaction, Qin Sheng chuckled and didn't make things difficult for her anymore.

“Sigh, who is she looking for?” Huang Xiaoyan pointed at a woman dressed in tattered clothes. “Why does she look so much like Zhao Jia?”

Qin Sheng frowned. She recognized that this woman was Zhao Jia’s mother.

Huang Xiaoyan had been sizing her up just now. Huang Xiaoyan recalled what had happened to Zhao Jia on the forum and was very surprised. “Could she be Zhao Jia’s mother? Wasn’t Zhao Jia taken away by the police?”

When Mother Zhao saw Qin Sheng, her eyes immediately lit up.

She ran over and was very excited. “Are you Qin Sheng?”

Huang Xiaoyan stood in front of Qin Sheng and stopped Mother Zhao. She asked warily, “What are you doing?”

Mother Zhao pointed at herself. “It’s me. I’m Zhao Jia’s mother.”

Huang Xiaoyan still shielded Qin Sheng behind her. “You’re Zhao Jia’s mother? What does it have to do with Sheng Sheng?”

Zhao Jia’s mother bent her knees and knelt down.

“Qin Sheng, I beg you to save my daughter, Zhao Jia. She’s still young. She can’t go to jail like this!”

Qin Sheng frowned slightly.

Huang Xiaoyan was very puzzled. “Why are you looking for Sheng Sheng when Zhao Jia is in jail?”

Zhao Jia’s mother said anxiously, “Qin Sheng is the one who is bullying my daughter. As long as Qin Sheng appears, Jia Jia won’t have to stay in jail.”

Huang Xiaoyan’s eyes widened.

Zhao Jia was looking for thugs... to bully Qin Sheng?

Qin Sheng had been watching from the side. Since Mother Zhao could find her, it could only mean that someone told her about it.

This person would only be Qin Churou.

Qin Sheng’s eyes were cold. Qin Churou’s face was disfigured, yet she was still restless.

Qin Sheng looked up. “If Qin Churou found thugs to bully me, why would I plead for an enemy?”

“Aren’t you fine? You weren’t bullied by them.” Mother Zhao only cared about her daughter. “Qin Sheng, you’re fine anyway, but my daughter is different. She’s only eighteen years old. If she goes to prison for a few years, she’ll have nothing.”

Qin Sheng sneered. “What if I don’t?”

“You can’t be so vicious. Are you trying to ruin Jia Jia?” Mother Zhao widened her eyes. She couldn’t believe that a young girl could be so vicious.

The other students who were watching were discussing in low voices. Other than a few who were jealous of Qin Sheng and would make sarcastic remarks, most of them were still on Qin Sheng's side.

Even Huang Xiaoyan was angered by her words and laughed. "Even if Sheng Sheng is fine, you don't have the face to ask Sheng Sheng to plead for your daughter. What if Sheng Sheng wasn't out of danger?"

"You're clearly fine." Mother Zhao thought that if Qin Sheng was fine, then her daughter wouldn't be guilty.

The more Mother Zhao thought about it, the more she felt that she made sense. She stood up and stopped kneeling in front of Qin Sheng.

"Qin Sheng, you have to plead on behalf of Jia Jia today. If you don't help me, I will tell everyone in the school about your viciousness!"

Seeing that Qin Sheng did not waver, Mother Zhao started to cry again, "Oh my god, I am a country bumpkin. Jia Jia is the only one with good grades in my family. In the future, if she can get into a good university, my family will have to live frugally so that Jia Jia can go to school. Now, there's nothing left.."

Chapter 290: Holy Mother and Holy Father

Mother Zhao was crying her eyes out. Many students were moved. Some of them couldn't stand Qin Sheng and stood up for her.

"Qin Sheng, look at this auntie. It's not easy for her to raise a student like Zhao Jia. The whole family is depending on Zhao Jia. Do you think you can agree to her?"

"Zhao Jia is indeed quite pitiful. Her family is in the countryside. Although her results aren't good enough to get into Imperial Capital University, she can still get a good result. Sigh, everything is over now."

"I also hate Zhao Jia, but who hasn't done something wrong? Isn't it good to know that she's wrong? There's no need to kill her."

"Qin Sheng, Auntie is right. Nothing happened to you, so please forgive Zhao Jia."

"That's right, Qin Sheng. As a human being, you have to leave a line in everything. It's better for you not to be stubborn. Helping Zhao Jia is just a matter of words. It's not that troublesome, right?"

"..."

Many students were helping Zhao Jia.

It seemed that Qin Sheng was being vicious by not helping Zhao Jia.

Huang Xiaoyan's mouth was wide open. She was very surprised. Why didn't she know that there were so many holy mothers and holy fathers in this school?

She wanted to stand up for Qin Sheng, but Qin Sheng held her hand.

Huang Xiaoyan knew Qin Sheng's ability, so she wasn't worried that Qin Sheng would be bullied. Instead, she retreated to the side and watched the show.

Qin Sheng glanced at the students who were talking the loudest. Her eyes were very cold.

Those students all shrank their necks and couldn't help but take a few steps back.

One of the female students couldn't stand Qin Sheng and straightened her neck, "Qin Sheng, did we say anything wrong? Since you're fine, can't you forgive Zhao Jia? You should know that once Zhao Jia goes to prison, it will ruin her life."

Qin Sheng sneered. "Why don't you go to the police station and speak up for Zhao Jia and get her out?"

The female student frowned. "Will it work if I go?"

"Will it work if I go?" Qin Sheng raised his eyebrows and asked.

"Why won't it work? You're the one who bullied Zhao Jia. If you intercede for her, there will be no problem." The female student acted as if it was a matter of course.

Qin Sheng lowered his eyes and sneered. "Don't forget, Zhao Jia once bullied quite a few students. They changed schools and dropped out."

The female student kept quiet and her face turned red. No one knew whether she was angry or embarrassed.

The other students who were still helping Mother Zhao also kept quiet.

They hadn't thought of this. They only remembered that the person Zhao Jia bullied was Qin Sheng.

The female student clenched her fists. She didn't want to be embarrassed in front of so many people. She said again, "If you had pleaded for Zhao Jia, at least she could come out earlier. She wouldn't have been sentenced so severely."

"Ha." Qin Sheng's eyes were very cold. "If I find gangsters to humiliate you and fail to humiliate you, would you excuse me?"

"How is that possible?" The female student subconsciously denied it. "Why should I forgive you?"

"Yes, why should I forgive her?" Qin Sheng followed up.

The female student finally realized what she had said. However, she couldn't deny what she had just said even though she was stared at by a circle of students.

Her face instantly flushed red, and even her ears were red.

The students standing on Qin Sheng's side were all looking at her with very mocking gazes. Some of them were even whispering about her.

This female student was also a thin-skinned person. She could not hold it in any longer and rushed out of the crowd with her head lowered..
