### Chapter 311: Had Designs On the Company

He sorted out his emotions and walked into the villa.

“Grandpa, Yutong.”

Seeing Fu Mingxu, the smile on Old Master Fu’s face disappeared. He said in a deep voice, “You’re back.”

“Yeah.” Fu Mingxu didn’t seem to know why Old Master Fu was looking for him. He asked in puzzlement, “Grandpa, why are you in such a hurry to let me come back? What’s the matter?”

“Tell me, what’s with the statement about cutting ties on the company’s Weibo?” Old Master Fu looked straight into Fu Mingxu’s eyes.

Fu Mingxu frowned. He thought for a long time before he seemed to remember.

He lowered his head. “Grandpa, it’s my fault.”

Old Master Fu’s expression didn’t ease up, “Fu Mingxu, did I say to let you do this? Bypassing me and ordering the employees of the Fu Corporation to help you make a statement, saying that Fu Hanchuan was disowned by the Fu family. What can you do?! Do you still want to take over the company one day?”

Old Master Fu doted on Fu Mingxu very much, but he didn’t allow Fu Mingxu to have any designs on his company.

Fu Mingxu quickly explained, “Grandfather, I have never had any designs on the company!”

“Then tell me, why did you do this?”

As soon as Old Master Fu finished speaking, Fu Shihan had already returned. The moment she entered, she could feel the heavy atmosphere in the living room.

Fu Shihan saw Old Master Fu looking at Fu Mingxu with a gloomy expression.

No matter how stupid she was, she knew that Fu Mingxu had offended Old Master Fu in some way.

Fu Shihan carried the shopping bag and sat down beside Old Master Fu. She placed the shopping bag on the side of the sofa and hugged Old Master Fu’s arm. In a sweet voice, she said, “Grandfather, did something happen?”

Old Master Fu’s expression was not as serious as before. “It’s nothing. I’m just asking your brother some things.”

He looked at Fu Mingxu. “Tell me, what’s the reason?”

Fu Shihan also frowned. Breaking off relations with Fu Hanchuan?

If it was really done, how could Old Master Fu suppress Fu Hanchuan and make him marry her?

Fu Shihan looked at Fu Mingxu at this moment and was very displeased. Indeed, he was as stupid as when he was young and when he grew up.

Fu Mingxu lowered his head and said what he had prepared beforehand, "Grandfather, Brother is not close to the Fu family. He has even been against us. Even when you asked him to come back to the company, he refused."

Fu Mingxu's words hit Old Master Fu's heart.

Fu Hanchuan was indeed like what Fu Mingxu had said. He was unruly and did not treat the Fu family as family at all.

Old Master Fu continued to listen patiently to Fu Mingxu's explanation.

"Grandfather, you asked the people in the company to post on Weibo that the Fu family doesn't care about Brother anymore, but in the eyes of outsiders, Brother is also a member of the Fu family. If something happens to Brother, the Fu family will always take action. So I asked the people in the company to make a statement that the Fu family has broken off relations with Brother. That's why Brother ran into a wall when he was outside. Only then will he remember the good of the Fu family and come back to help the company."

Fu Mingxu raised his head. "Grandfather, I didn't tell you at that time. I was just worried that you would care about your family."

Fu Mingxu's words were full of concern for Old Master Fu and the company.

Old Master Fu's tightly knitted brows relaxed slightly.

Fu Mingxu observed Old Master Fu's expression and he clearly heaved a sigh of relief. He then said, "Grandfather, I just didn't think that Brother would become a popular person in HD Group. He doesn't care about our Fu Corporation. If not for this, he would have returned long ago."

Back then, not only did Old Master Fu post that Weibo post, he also secretly arranged for those companies to not accept Fu Hanchuan..

Chapter 312: Dreaming

It was just that Old Master Fu did not dare to make arrangements for the HD Group.

He did not expect Fu Hanchuan to actually go to the HD Group and become a manager. He was even valued by the CEO of the HD Group.

Fu Mingxu secretly gave Fu Shihan a look.

Fu Shihan quickly understood and said coquettishly, "Grandpa, why would Brother do something that is not good for the company? He still doesn't listen to you. You know that Brother is the most filial."

Ye Yutong also said, "Grandpa Fu, you didn't sign the disconnection statement on Weibo. It can't be counted. Hanchuan is still the grandson of the Fu family. This is a fact that cannot be changed."

Old Master Fu's brows relaxed completely. "Mingxu, I was thinking wrongly. Sit down. You've been standing there for a long time."

Fu Mingxu had completely let go of the tension in his heart.

Fu Shihan squeezed herself next to Ye Yutong and sat down happily.

"Sister Tong, why didn't you tell me that you were here today?"

Ye Yutong smiled and said, "Weren't you shopping with your friends?"

"Oh, that's true." Fu Shihan nodded.

Fu Mingxu's gaze fell on Ye Yutong from time to time. Ye Yutong was wearing a fiery red knee-length dress today. She was very beautiful. Fu Mingxu had always liked Ye Yutong. Now, he could not hide the infatuation in his eyes.

Ye Yutong pretended not to see Fu Mingxu's reaction.

Seeing that it was about time, she stood up and said, "Grandpa Fu, let me prepare dinner for you. In the capital, I have learned a lot of culinary skills. Although it is not very delicious, it can still be eaten."

Ye Yutong entered the kitchen. Old Master Fu looked at Ye Yutong's back and nodded in satisfaction.

"It would be great if this Yutong was my daughter-in-law."

As he spoke, he shot a glance at Fu Mingxu. "Mingxu, your brother doesn't deserve Yutong. Since you like her, snatch her over. It's not difficult to get a woman."

Fu Mingxu had always liked Ye Yutong. At this moment, he did not hide his thoughts. "Grandfather, I will work hard."

Ye Yutong would definitely be his wife.

Fu Mingxu liked Ye Yutong and had his heart set on her. Actually, there was another reason. Ye Yutong liked Fu Hanchuan.

Fu Mingxu wanted to take everything from Fu Hanchuan, including women.

Old Master Fu smiled. "Mingxu, you are outstanding. This company will be handed over to you sooner or later."

With Fu Hanchuan's attitude, Old Master Fu would not give Fu Hanchuan anything.

Since Fu Hanchuan was close to the Lu family, Fu Hanchuan would go to the Lu family to split the assets.

Hearing that, Fu Mingxu smiled. His lowered eyes hid the pride in his eyes.

Ye Yutong was still busy in the kitchen. Her culinary skills were not bad. She had gone to practice for Fu Hanchuan. She wanted to cook for Fu Hanchuan in the future.

However, Ye Yutong's wish was destined to not come true.

After dinner, Old Master Fu asked Fu Mingxu to send Ye Yutong back. Ye Yutong could not refuse.

Their villa was near and they arrived after walking for less than three minutes.

“Yutong, long time no see,” Fu Mingxu said in a gentlemanly manner, dressed in a blue suit.

Ye Yutong did not want to stay with Fu Mingxu. She had a feeling that Fu Mingxu was very aggressive towards her.

She said perfunctorily, “Long time no see. I’ll go back first.”

“Okay.” Fu Mingxu nodded nonchalantly.

Ye Yutong opened the metal door and entered the villa.

Fu Mingxu looked at her back with a heavy gaze.

After a long while, he chuckled.

She wanted to marry Fu Hanchuan? In her dreams.

Chapter 313: Recognize Your Status

The Huang family.

On Sunday, Father Huang was busy with work and didn’t come back for dinner.

Jiang Wangya was already sitting at the dining table when a servant asked, “Madam, should we ask Miss Yan to come down for dinner?”

Jiang Wangya stopped the chopsticks in her hands and frowned. “No need. She’s already so old. Why does she need someone to treat her to dinner? How big of a face does she have?”

“Leave,” Jiang Wangya instructed impatiently.

She picked up the chopsticks again and heard the servant’s respectful voice. “Miss Xiaoyan.”

“Yo, our Eldest Miss has woken up,” Jiang Wangya said sarcastically.

Huang Xiaoyan looked at the dishes on the table and smiled mockingly. “Jiang Wangya, the dishes that you arranged for the servants to cook are all dishes that you like and I hate.”

Jiang Wangya looked puzzled. “Xiaoyan, haven’t you never been picky?”

“Heh.” Huang Xiaoyan sneered.

Never been picky?

After Jiang Wangya found out about her preferences, she deliberately cooked the dishes that she hated the most and bought clothes that were very revealing.

The clothes that Huang Xiaoyan was wearing now were all bought with her own money.

When Father Huang asked, Jiang Wangya put on an innocent face.

Huang Xiaoyan was very clear about Jiang Wangya's character. Only Father Huang was completely deceived by Jiang Wangya.

Huang Xiaoyan's sneer made Jiang Wangya frown and her tone was very impatient. "Huang Xiaoyan, you eat all day long. I arranged the servants to make the food in the house, and you still dare to choose?"

Huang Xiaoyan walked to the dining table and pulled out a chair to sit down.

She sneered and said, "Jiang Wangya, don't forget that Father married you to let you take care of me. It's your duty to arrange my life. Do you have the right to say such things?"

"Huang Xiaoyan!" Jiang Wangya slammed the table. Huang Xiaoyan's words hit Jiang Wangya's sore spot.

Jiang Wangya liked Father Huang, so she put in a lot of effort to become Father Huang's secretary.

However, she didn't expect that no matter what she did, Father Huang didn't like her.

Later, he even married Huang Xiaoyan's mother. Fortunately, Huang Xiaoyan's mother passed away, so she was able to marry Father Huang in the name of taking care of Huang Xiaoyan.

Although Jiang Wangya was very good to Huang Xiaoyan at the beginning, after gaining Father Huang's trust, her true colors were revealed.

In front of Father Huang, she still treated Huang Xiaoyan as well as usual. However, after she left, she just didn't like Huang Xiaoyan from the inside out.

When Huang Xiaoyan saw Jiang Wangya's reaction, she sneered. "Are you angry from embarrassment?"

Jiang Wangya looked at Huang Xiaoyan with a heavy gaze.

A servant heard the commotion inside and ran in. She was very worried. "Madam, what happened?"

Jiang Wangya immediately turned into a gentle and generous appearance. "It's nothing. You can leave now."

Huang Xiaoyan looked at her and sneered. "Jiang Wangya, all the servants in this villa have been bribed by you. When have they not been working for you? You better stop pretending."

Jiang Wangya's face was very dark. She kept feeling that something was wrong with Huang Xiaoyan today.

However, in the past, Huang Xiaoyan would always go against Jiang Wangya, so she no longer had any doubts.

Jiang Wangya looked at Huang Xiaoyan with disdain. "It's good that you know. This Huang family is not yours. Don't think that your father dotes on you. You've seen it for yourself. If we have a conflict, Brother Xing is on my side.. Since when is it your turn to speak? Huang Xiaoyan, recognize your position in the Huang family!"

Chapter 314: Kick Her Out

Huang Xiaoyan's heart ached.

Jiang Wangya was right. Her biological father had never believed her.

When she quarreled with Jiang Wangya, he made her apologize to Jiang Wangya.

Huang Xiaoyan lowered her head and hid the emotions in her eyes.

She played with her nails and said casually, "Aren't you tired of acting and wearing a mask every day?"

"As long as I can achieve my goal, there's nothing to be tired of. And I'm happy to do it," Jiang Wangya sneered.

Jiang Wangya had also acted for so many years. She had long gotten used to this kind of life.

Jiang Wangya was a very tolerant person. She also knew how to act. Otherwise, she wouldn't have hidden it from Father Huang for so many years.

She was very comfortable in the Huang family, but she didn't like Huang Xiaoyan very much.

If Huang Xiaoyan left the Huang family, Jiang Wangya would naturally be happy. However, with how much Father Huang cared about Huang Xiaoyan, he would never abandon Huang Xiaoyan. Jiang Wangya was very clear about Father Huang's thoughts, so she naturally would not touch Father Huang's reverse scale.

"Jiang Wangya, what is your goal?" Huang Xiaoyan asked.

At this moment, there was no one else around, so Jiang Wangya did not hide anything from Huang Xiaoyan. "To take away your mother's position in Brother Xing's heart. Also, to make Brother Xing completely dislike you."

Huang Xiaoyan and Mother Huang looked very similar. The two of them seemed to have been carved from the same mold.

Looking at Huang Xiaoyan's face, Jiang Wangya would think of Mother Huang.

Therefore, Jiang Wangya never gave Huang Xiaoyan a good look.

She hated it. She hated that Mother Huang had taken away Father Huang, and she hated her too. Because of her, she could not have a son with Father Huang.

Hearing Jiang Wangya mention Mother Huang, Huang Xiaoyan clenched her fists. "Jiang Wangya, you will never be able to take away my mother's position!"

"Is that so?" Jiang Wangya sneered. "Huang Xiaoyan, it is now known that Mrs. Jiang's position is mine, and your father is my husband. As for you, in front of outsiders, I am your mother!"

"Jiang Wangya, when I was young, those photos and clothes of my mother were all cut by you, and then you pushed the blame onto me."

Huang Xiaoyan would never forget the disappointed look Father Huang gave her when she was young.

“So what if I did?” Jiang Wangya laughed maniacally. She hated Mother Huang so much. She stole the man she loved the most. Even after she died, she was still keeping Father Huang. Father Huang had never touched her for Mother Huang’s sake. Even when she got Father Huang drunk... He still refused to touch her.

Up until now, she had never consummated her marriage with Father Huang.

In the past ten years, they had only been husband and wife in name.

Jiang Wangya’s hatred was all transferred to Huang Xiaoyan. After all, she did not dare to go too far out of consideration for Father Huang.

She only deducted Huang Xiaoyan’s pocket money. When Huang Xiaoyan was bullied in school, she had never stood up for Huang Xiaoyan. Instead, once she went to the office, no matter what the truth was, she would first apologize, and then when she went back... she would also push all the blame onto Huang Xiaoyan.

Also, her clothes were usually more revealing, oversized, or old-fashioned. The food that Huang Xiaoyan ate was also something that Huang Xiaoyan did not like to eat.

Jiang Wangya stood up. She continued, “Huang Xiaoyan, I’m not afraid to tell you that I hate you and hate your mother even more! Now that I’m Brother Xing’s wife, why should I keep her things? Sooner or later, I’ll make all of her things disappear from this villa, including you!”

Chapter 315: Recording

Jiang Wangya’s tone was crazy.

She had had enough of this face that resembled Chen Ning day after day.

Father Huang had never touched her either.

If she wanted relief, she could only look for a man outside.

Jiang Wangya did not want to live like this anymore.

Huang Xiaoyan’s eyes were very cold. She sneered, “Jiang Wangya, let me tell you. It’s impossible for you to achieve it. Very soon, I will kick you out of the Huang family.”

Actually, Huang Xiaoyan didn’t know if Father Huang would kick her out of the Huang family after he knew Jiang Wangya’s true colors.

Huang Xiaoyan thought that her father cared more about Jiang Wangya than he did about her.

Huang Xiaoyan didn’t expect Father Huang to do anything to Jiang Wangya. She only wanted Father Huang to not be deceived by Jiang Wangya anymore.

“Hahaha.” Jiang Wangya seemed to have heard a very funny thing. She laughed loudly.

After a long while, she finally stopped. “Huang Xiaoyan, you’re dreaming.”

Huang Xiaoyan raised her phone and said deliberately, "Jiang Wangya, I've recorded everything. Why don't you try it?"

Jiang Wangya was stunned. Her eyes stared straight at the phone in Huang Xiaoyan's hand.

She ran over, wanting to snatch Huang Xiaoyan's phone.

Jiang Wangya didn't dare to let Father Huang know what she had just said. No wonder Huang Xiaoyan would say this to her. It turned out that she was waiting for her here!

Huang Xiaoyan wasn't as stupid as she used to be.

Jiang Wangya was snatching the phone while Huang Xiaoyan was hiding.

Jiang Wangya was anxious. She was worried that Huang Xiaoyan would send the recording to Father Huang when she wasn't paying attention.

She looked at the restaurant door and shouted, "Shasha, come in."

A servant named Shasha ran in. "Madam."

Jiang Wangya pointed at Huang Xiaoyan. "Grab her phone for me."

"Madam, this..." The maid looked at Huang Xiaoyan and hesitated.

Jiang Wangya berated, "Hurry up and go!"

The maid could only walk up to Huang Xiaoyan. "Miss, give it to me."

There was indeed a recording on the phone, but it was also recorded on the surveillance camera. Huang Xiaoyan dared to tell Jiang Wangya about her recording because of this reason.

Looking at Jiang Wangya, her finger quickly tapped on the phone.

Jiang Wangya ran over and stopped Huang Xiaoyan's movement. She turned her head and shouted at the servant, "Are you still standing there? Hurry up and help."

The servant did not dare to hesitate anymore. The two of them were fighting over Huang Xiaoyan's phone.

The servant was used to doing work and had great strength. In addition, Jiang Wangya was helping at the side.

The phone was quickly snatched away by Jiang Wangya.

Jiang Wangya took it and opened WeChat. She looked through the contact information of Huang Xiaoyan and Father Huang.

Huang Xiaoyan did not send the recording to Father Huang.

Jiang Wangya heaved a sigh of relief.

She found the place where the recording was saved and deleted it.

Jiang Wangya was worried that Huang Xiaoyan would save the recording somewhere else, so she carefully looked for another place.

She did not find it, and Jiang Wangya's heart was completely relieved.

She threw her phone heavily on the ground, and the phone screen shattered into pieces.

Seeing this, the maid retreated to the side. She did not dare to get involved in the matter between Huang Xiaoyan and Jiang Wangya.

1

"Huang Xiaoyan, are you still thinking of complaining? Look, your phone is broken and the recordings have all been deleted by me. You still want to complain? Do you think Brother Xing will believe you or me?"

Jiang Wangya was very confident that Father Huang would not believe Huang Xiaoyan's words.

All these years, under Jiang Wangya's arrangement, Huang Xiaoyan was always disobedient and liked to cause trouble in her father's heart while Jiang Wangya was virtuous and generous.

Compared to Huang Xiaoyan, her father was more willing to believe Jiang Wangya.

This time, there was no doubt that he would stand on Jiang Wangya's side.

### **Chapter 316: Face Slapping**

Huang Xiaoyan looked at Jiang Wangya coldly. "We'll see. Soon, I'll let Father know how you treat me."

"Huang Xiaoyan!" Jiang Wangya was so angry that her blood was boiling.

She raised her hand and was about to hit Huang Xiaoyan's face.

Pa! A slap landed.

This slap was not from Jiang Wangya. It was from Huang Xiaoyan who quickly hit Jiang Wangya.

She looked at Jiang Wangya with a cold smile. "This slap, is it very painful?"

"You!" Jiang Wangya raised her hand, wanting to hit Huang Xiaoyan back. When she saw a figure, her movements suddenly stopped.

Huang Xiaoyan noticed her gaze and looked over from the corner of her eyes. Indeed, she saw Father Huang's figure.

Jiang Wangya covered her face and said, "Xiaoyan, what did I do wrong? Why did you hit me? I ask myself, over the past ten years, I've fulfilled my responsibility as a mother to you. Why are you still so hostile to me?"

Huang Xiaoyan sneered in front of Jiang Wangya.

Didn't she pin all the blame on her?

Since it was all her fault, she would do it to the end.

Huang Xiaoyan raised her hand and gave Jiang Wangya a heavy slap.

Jiang Wangya didn't expect Huang Xiaoyan to do this. She was stunned for a second and fell to the ground weakly.

Her eyes widened in disbelief. "Xiaoyan."

Father Huang happened to see Huang Xiaoyan hitting Jiang Wangya, so he rushed up immediately.

"Huang Xiaoyan!" Father Huang was angry.

Huang Xiaoyan stood where she was. She looked at Father Huang with a mocking gaze.

This was her father.

A person who always trusted outsiders.

Father Huang went up to help Jiang Wangya up. Jiang Wangya tugged at Father Huang's clothes.

"Brother Xing, don't blame Xiaoyan. I'm not Xiaoyan's biological mother. It's normal for her to dislike me."

Jiang Wangya's left and right cheeks had been slapped by Huang Xiaoyan. They were still a little swollen.

Jiang Wangya's eyes were red and pitiful.

Father Huang's brows furrowed even more tightly. He berated, "Huang Xiaoyan, when can you change your character that likes to hit people? Although your Aunt Jiang isn't your biological mother, she's been taking care of you for more than ten years. She treats you like her own daughter. What are you still not satisfied with?"

Huang Xiaoyan's heart was almost numb.

At this moment, in the face of Father Huang's berating, she said sarcastically, "I am uneducated. Don't make Jiang Wangya sound so great. You just don't know what she's thinking. Dad, let me tell you, if I don't kill Jiang Wangya, it can be considered that I'm more rational."

"Huang Xiaoyan!" Father Huang shouted with a frown.

Seeing Huang Xiaoyan's behavior, he felt that he almost didn't recognize his own daughter.

Huang Xiaoyan was very obedient and considerate when she was young. But now, she was causing trouble for him every day.

She often fought outside, and when she came back, she contradicted her parents.

Father Huang was very disappointed in Huang Xiaoyan.

Jiang Wangya was still trembling in Father Huang's arms.

Father Huang frowned. "Xiaoyan, do you think I can't control you anymore?"

“You have no right to control me.” Huang Xiaoyan sneered and pointed at Jiang Wangya again. “This woman, sooner or later, I will let you see her true colors. No, very soon. I will let you see what kind of vicious face this gentle wife of yours has.”

Father Huang’s frown deepened.

Huang Xiaoyan looked at Jiang Wangya, and the corners of her lips curled into a mocking smile.

In Jiang Wangya’s eyes, she seemed to see a sense of pride from Huang Xiaoyan’s eyes..

### **Chapter 317: The Truth**

Jiang Wangya had a very bad feeling.

As if confirming her thoughts, Huang Xiaoyan mouthed to Jiang Wangya. ‘Jiang Wangya, you’re finished.’

Jiang Wangya frowned, and the uneasiness in her heart grew.

She trembled even more in Father Huang’s arms.

“Huang Xiaoyan,” Father Huang said behind Huang Xiaoyan, “Reflect on your behavior.”

“I hope you can still say this after knowing the truth about Jiang Wangya.” Huang Xiaoyan’s eyes reddened. “I will never reflect on myself, and you have no right to say this!”

After saying that, Huang Xiaoyan ran upstairs.

Father Huang helped Jiang Wangya to the sofa in the living room and sat down.

“Wangya, I’ve let you suffer,” Father Huang said with concern.

Jiang Wangya shook her head and said in a very understanding manner, “I haven’t wronged you. It’s just that, Brother Xing, have I caused you and Xiaoyan to have a conflict again?”

Before Father Huang could answer, Jiang Wangya said again, “Brother Xing, Xiaoyan has never accepted me. She’s very resistant to me as her mother.”

After a pause, she said, “If Xiaoyan really isn’t willing, let’s get a divorce.”

Jiang Wangya said the last sentence with great difficulty.

Father Huang only frowned for a moment and rejected without thinking. “You don’t have to leave. All these years, you’ve taken care of Xiaoyan and this family. You’ve done your best. Xiaoyan is still young now. When she’s older, she’ll understand how good you are.”

Jiang Wangya bit her lip and could only nod.

“Wangya, Xiaoyan has a child’s temper. She’s not sensible yet. You have to bear with it.” Father Huang hesitated for a moment and tried to persuade her.

Hearing this, the grievance in Jiang Wangya’s heart surged up.

Father Huang had always been talking about Huang Xiaoyan verbally, and she herself had suffered grievance. He had only said a few words of comfort without much pain and then asked her to bear with it.

Father Huang really doted on the daughter of that woman, Chen Ning.

However, Jiang Wangya did not dare to retort. She could only nod understandingly. "Brother Xing, I know. I won't blame Xiaoyan."

Huang Xiaoyan had been listening to their conversation in the corridor upstairs. When she heard what Father Huang said, that Jiang Wangya had been taking care of the family wholeheartedly, Huang Xiaoyan had already turned around and returned to her room.

She did not hear what Father Huang said after that.

In the room, Huang Xiaoyan's tears fell uncontrollably.

She was delusional.

She was still fantasizing that her biological father would consider her and listen to her words, even if it was just a little.

Huang Xiaoyan lay on the table and cried for a long time.

After she had recovered a little, she called Qin Sheng.

"Sheng Sheng." Huang Xiaoyan's sobbing voice came from the phone.

Qin Sheng frowned and asked worriedly, "Xiaoyan, what happened?"

Huang Xiaoyan wiped her tears and forced a smile. "Nothing. I'm just... I'm just not happy."

Qin Sheng's brows did not relax as she listened quietly to Huang Xiaoyan's next words.

"Sheng Sheng, I had a fight with Jiang Wangya today. I got all the information I wanted."

"Okay, I'll edit it and send it to your father."

Qin Sheng also heaved a sigh of relief. With this video, Father Huang would be able to see Jiang Wangya's true colors.

Huang Xiaoyan wiped away the tears on her face once again and smiled. "Sheng Sheng, thank you."

"We are deskmates and friends."

Qin Sheng would not show mercy to her enemies.

However, for those who treated her sincerely, Qin Sheng would also do her best to treat them well..

### **Chapter 318: Teasing Lu Ming**

After chatting with Huang Xiaoyan, Qin Sheng turned on her computer.

After she finished watching the video and audio recordings that Huang Xiaoyan had told her about, her mood became heavy.

How could there be a person in this world who did not believe in their own children, but instead leaned toward an outsider?

Qin Sheng thought of her previous life again.

Three months had passed. This time, she did not have much emotion. She had completely treated Lin Shuya and Qin Hai as outsiders.

There was no need for her to waste her emotions on some unimportant people.

Qin Sheng cut the recording and put it into a folder.

Her fingers tapped on the keyboard and sent the video to Father Huang's computer. Then, she controlled his phone.

As soon as Father Huang turned on the computer, the video would automatically play.

After everything was done, Qin Sheng logged into Black Emperor.

Because the last time Qin Sheng and Fu Hanchuan fought on Black Emperor, they won at the same time without missing a second. Now, the two of them were tied for first place.

When Qin Sheng appeared, a red banner appeared on the computers of the hackers online. There was a capital letter on it.

“Pay attention! God QS, who is ranked first with God C, has appeared!!!”

When those hackers saw Qin Sheng, they did not dare to provoke her again, and they did not dare to doubt her strength.

Those who competed with Qin Sheng were all beaten up badly. Some of them even dared to touch their computers for a month.

They believed that Qin Sheng had the strength, but they did not expect her to defeat Lu Ming and set many records for Black Emperor. In the end, she even competed with Hacker C and did not lose.

Their faces were smacked time and time again, and they were badly swollen.

These hackers were not so stupid as to send their faces up to Qin Sheng to be trampled on time and time again.

As for Lu Ming, he was not a person who loved to learn. It was just that he was born with intelligence. He only needed to listen to classes in school every day and he would be able to do very well in the exams.

He never brought his textbooks home. He would only do it if he had to complete the exams.

At night in the Lu family, he would hold his computer and play on Black Emperor.

Now that Qin Sheng had entered Black Emperor, he naturally knew.

However, Lu Ming did not dare to challenge Qin Sheng again.

Qin Sheng could even beat Fu Hanchuan. Lu Ming felt that even if Fu Hanchuan used one hand to type on the keyboard, he could not beat him.

Lu Ming was very impressed with himself for daring to provoke QS back then.

Now that he completely knew Qin Sheng's strength, Lu Ming did not dare to go up again.

Instead, he stayed far away from Qin Sheng.

Some hackers were teasing Lu Ming.

[Dog: Yo, Handsome, have you gone to compete with QS? Are you scared?]

[I Love Y: Yes, Handsome, are you really scared?]

[Ding Ding Dang Dang: Don't talk about Handsome like that. Although he can't compete with QS, Handsome is handsome. He is the most handsome in the universe.]

These hackers all had a good relationship with Lu Ming. They usually teased each other, but they weren't mocking Lu Ming.

They also saw QS' strength.

She was someone who dared to compete with C and hadn't lost yet. They couldn't even compete with Lu Ming, who was ranked ninth, let alone them.

They had no right to mock Lu Ming.

When he saw these words, Lu Ming's face flushed red. It was not because he was angry, but because he was embarrassed.

Fortunately, Lu Ming was in his own room, so no one saw him. Otherwise, Lu Ming would have found a hole to hide in.

Lu Ming typed on the keyboard, and soon, he sent out a message..

Chapter 319: Husband and Wife

[The Most Handsome In the Universe: She's better than me, so don't be unconvinced. I lost fair and square. Can I beat someone who can almost even beat C?]

Lu Ming didn't have the nerve to say that he was the most handsome man in the entire Black Emperor.

He admitted that he was very handsome, but Fu Hanchuan's face was many times better than his.

F\*ck, even a man like him was envious.

If he was a woman, he would probably pounce on him.

When the hackers saw Lu Ming's words, they laughed.

A series of 'hahaha' floated across the computer screen.

[Ding Ding Dang Dang: Handsome, you finally know your place.]

[I Love YY: Handsome, it's really not easy. You've finally found your place.]

[Dog: Handsome, it's good that you know your niche. You won't lose face in the future.]

These hackers did not forget that Lu Ming had invited QS to compete with him time and time again. He had also said that he wanted QS to kneel down and call him daddy.

Who knew that he would be defeated by QS time and time again?

The people of Black Emperor were sitting at the side and eating melons.

Many people, except for those who had the mentality of learning from QS, did not dare to compete with QS. Only Lu Ming dared to take the initiative to compete with QS, and the whole Black Emperor knew about it.

Of course, everyone was just a bystander, and they only sympathized with Lu Ming.

They did not mock Lu Ming.

Lu Ming was the ninth-ranked hacker, so they had no right to mock him.

In addition, other than being a little narcissistic, Lu Ming was quite popular among Black Emperor. Among the top ten of Black Emperor, the most active hacker was Lu Ming.

As for QS, they didn't like her back then because she was too arrogant.

The first thing she said was that they were noobs and they were trash!

Naturally, they were very unconvinced. They didn't like QS, so they mocked QS everywhere.

Who knew that QS had crushed Lu Ming, and even became the number one existence on the same level as C on Black Emperor? QS had the right to say that they were technical noobs.

Now, they did not dare to complain about QS anymore.

Instead, they felt that QS was cool and domineering!

After reading their words, Lu Ming: "..."

Smoke came out of his head.

He tapped his fingers on the keyboard very hard, and his voice was very loud.

[The Most Handsome In The Universe: Have I been too good to you? You dare to mock me? Come, let's have a match.]

Those hackers immediately begged for mercy.

[Ding Ding Dang Dang Dang: Handsome, how can we dare to compete with you? We are too weak, we dare not compete, we dare not compete.]

[I Love YY: Yes, haha, you are right, Handsome, we admit defeat.]

Lu Ming looked at them and snorted. How dare they laugh at him?

His master was Fu Hanchuan, Hacker C!

Even if he couldn't beat him, he could still find his brother to save the situation.

Seeing their cowardly looks, Lu Ming finally regained some confidence.

Although he couldn't compare to QS, he was still a very powerful existence compared to the other hackers.

Suddenly, I Love YY sent another message.

[I Love YY: F\*ck, C is online again. When did he become so diligent? He hasn't seen him come on Black Emperor many times in the past year.]

Lu Ming didn't look at the computer just now, so he naturally didn't see the banner that appeared when Fu Hanchuan entered Black Emperor.

Now, when he saw the message sent by the hacker, I Love YY, his eyes almost popped out.

His brother was here again?

Just as he was here, his brother was here?

Chapter 320: The Next Round

Lu Ming's mind was filled with doubts.

A thought appeared in his mind. Was his brother here for QS?

As soon as this thought appeared, Lu Ming shook it off.

How was that possible?!

However, what Lu Ming did not know was that Fu Hanchuan had indeed set up a small program on Black Emperor. As soon as Qin Sheng entered Black Emperor, a message would be sent to Fu Hanchuan's phone.

Fu Hanchuan was originally in a video call with his subordinates.

After he learned that Qin Sheng had logged on to Black Emperor, he left his subordinates behind and said that they would stop here for now. They would continue reporting tomorrow and left.

Fu Hanchuan didn't waste any time and directly logged into to Black Emperor.

There was only a minute difference between the time Qin Sheng ascended to Black Emperor.

Fu Hanchuan went straight to Qin Sheng.

[C: Shall we practice together again today?]

Fu Hanchuan did not say any more nonsense. He knew that if he wanted to chat with Qin Sheng, Qin Sheng would ignore him.

Fu Hanchuan knew Qin Sheng very well.

Seeing Fu Hanchuan's words, Qin Sheng agreed.

Hacker C was very powerful. Competing with him, Qin Sheng also experienced a rare passion.

[QS: Good.]

Fu Hanchuan looked at that cold and aloof 'good' word and smiled softly. His eyes were filled with an unresolvable love.

Fu Hanchuan clicked the mouse.

The two of them entered the training ground once again.

When two great experts fought, naturally, there would be other spectators on Black Emperor who liked to join in the fun.

They all gathered together and watched their competition.

Lu Ming intended to stay away from QS, but with Fu Hanchuan around, he also joined in.

Following that, the spectators' jaws dropped to the ground.

Qin Sheng and Fu Hanchuan were indeed worthy of being the top of Black Emperor. They were simply too cool!

Together, they broke through one system, followed by another. Their speed was extremely fast.

Even the spectators couldn't take their eyes off them.

Were they still moving within human limits?

The two most powerful hackers of Black Emperor really lived up to their reputation.

Yu Bei had also descended the Black Emperor rankings. He was originally second in the Black Emperor rank, but because Qin Sheng and Fu Hanchuan were tied for first place, he fell to third place.

When he saw that the QS' icon was online, Yu Bei felt a wave of resentment.

His boss, day by day, always said that she was very busy.

She rarely went to the company. Even if she did, she would run away faster than a rabbit.

If she was busy, would she still be wasting her time on Black Emperor?

Soon, Yu Bei did not have the mood to think about anything else. He focused on watching the match between the two of them.

The more he watched, the more excited he became.

Yu Bei had once competed with Fu Hanchuan, but he was completely defeated in front of Fu Hanchuan.

As for Qin Sheng, he had also suffered a setback under her hands.

He had thought about the program problem that he had not thought of for a few days. Qin Sheng only needed to take a look and she would think of it.

Yu Bei was now very impressed with Qin Sheng.

At this moment, he was just a bystander quietly watching their competition.

In the past, the other competitions were filled with messages.

But at this moment, they didn't even have the time to send messages. If they weren't careful, they would pass a test.

The entire Black Emperor was silent.

In the end, it only took an hour for the two of them to pass the most difficult systems of Black Emperor.

The hackers were stunned again.

It turned out that not only were the two of them skilled, but their physical strength was also amazing.

After a whole hour of high hand speed exercise, they were still not tired!

If it were them, they would not be able to take it.

Moreover, the hand speed of C and QS was many times higher than theirs! They were actually able to do it without rest within an hour!
