

Bigshot 361

Chapter 361: Resolved

In the next few days, Jiang Wangya seemed to have disappeared and never appeared again.

Father Huang had been waiting for news from the Jiang family. The Jiang family had not made any moves, so he could only make a phone call to ask.

Mother Jiang could only stammer out the matter.

Hearing this, Father Huang frowned. Now that the agreement had been destroyed by Jiang Wangya, it was very difficult to find a way to divorce Jiang Wangya and not let her take half of the assets.

1

Father Huang called his secretary. "Find out about Jiang Wangya for me and see if there is any way to prevent her from taking away the assets in the company."

Father Huang made the call in the living room. Huang Xiaoyan came down from upstairs and poured some water to drink. She just happened to hear Father Huang's words.

Huang Xiaoyan frowned.

Then, she took the glass of water as if nothing had happened.

After Father Huang passed the matter to the secretary, he hung up the phone.

Seeing Huang Xiaoyan, Father Huang walked up and asked with concern, "Xiaoyan, you came down? Are you hungry? Do you want the maid to make you a midnight snack?"

Huang Xiaoyan took the water and answered lightly, "No need."

"Well, you have a good rest."

Seeing Huang Xiaoyan's attitude towards him, Father Huang was very disappointed.

In the past few days, Father Huang did not stay in the company every day. He would come back for dinner except for very important things.

Father Huang tried his best to find time to accompany Huang Xiaoyan.

He wanted to make up for his past mistakes.

However, Huang Xiaoyan did not seem to have softened her attitude at all.

Father Huang was indeed very disappointed, but he did not complain at all. Instead, he firmed up his mind.

1

As long as he spent more time, Huang Xiaoyan would forgive him.

When Huang Xiaoyan heard Father Huang's words, she did not show any emotion.

She took the cup of water and walked upstairs.

Just as she walked up the first flight of stairs, Huang Xiaoyan's footsteps paused. "You should rest early too."

It was a very simple sentence, but it made Father Huang's eyes turn red. He nodded repeatedly. "Okay, okay, okay."

—

The next day, Huang Xiaoyan went to school. She had been thinking of countermeasures. After class, she did not go out of the classroom.

Huang Xiaoyan sat quietly in her seat, her brows furrowed.

Lin Feng sat in the back seat of Huang Xiaoyan. He poked Huang Xiaoyan's back with a pen. "Huang Xiaoyan, why have you been sitting in your seat all day? This isn't like you."

Lin Feng could tell that Huang Xiaoyan had been in a bad mood these few days, but he didn't dare to ask.

Huang Xiaoyan turned around and glared at him. "I like it. Why do you care about me?"

Huang Xiaoyan was in a bad mood now, and her temper was exceptionally hot-tempered.

Lin Feng, who had been ridiculed for no reason, rubbed the back of his head. He didn't know what he had done to offend Huang Xiaoyan.

In the end, he thought for a while. In the past few days, he had been well-behaved and had not offended Huang Xiaoyan.

As expected, a woman's heart was like a needle in the ocean.

Qin Sheng also put down the medical book in her hand. She knew about Huang Xiaoyan's family matters.

She had been involved in the whole process.

Huang Xiaoyan was also a naturally optimistic person. Other than her father, there were not many people who could influence her.

With just a little thought, she could roughly understand why Huang Xiaoyan wasn't in a good mood.

"Xiaoyan, is the matter still not resolved?"

When Huang Xiaoyan saw Qin Sheng asking, she didn't hide it anymore and told her about the matter.

Chapter 362: Evidence of Infidelity

"Sheng Sheng, my dad has seen through Jiang Wangya's true colors and wants a divorce. However, Jiang Wangya wants to take half of the assets. I don't want to let her off so easily."

Huang Xiaoyan hated Jiang Wangya very much. Naturally, she did not want Jiang Wangya to get any benefits.

Huang Xiaoyan continued, "My dad has signed an agreement with Jiang Wangya. If she treats me badly, they will get a divorce. She won't even be able to get anything from the Jiang family. However, that agreement has now been destroyed by Jiang Wangya. Jiang Wangya is now shamelessly refusing to get a divorce."

Huang Xiaoyan grabbed Qin Sheng's arm. "Sheng Sheng, what do you think I should do?"

Huang Xiaoyan trusted Qin Sheng very much.

However, at this moment, she didn't think that Qin Sheng would be able to help her. After all, it was very difficult for Jiang Wangya to leave the Huang family without any assets.

Qin Sheng pondered for a moment.

In her previous life, she seemed to have seen Jiang Wangya behaving very intimately with a man?

Qin Sheng had an excellent memory. Almost everything she saw would leave an impression in her mind, not to mention Jiang Wangya's extremely intimate behavior with that man.

From the looks of it, Jiang Wangya had been having an affair for more than a year or two.

Qin Sheng quickly came up with a countermeasure in her mind.

There were surveillance cameras everywhere now. It was not difficult to find a person's tracks.

Qin Sheng asked, "Is it possible that Jiang Wangya is having an affair?"

Hearing this, Huang Xiaoyan's eyes lit up. "Definitely. I heard from Jiang Wangya that my father has never touched Jiang Wangya. Jiang Wangya definitely can't stand the loneliness."

But as she thought of something, Huang Xiaoyan's eyes quickly dimmed.

"Even if Jiang Wangya is having an affair, she is very cautious in doing things. She won't leave any evidence behind."

"I think I have a way." Qin Sheng smiled.

Huang Xiaoyan trusted Qin Sheng very much. After hearing what Qin Sheng said, she did not doubt what Qin Sheng had said.

At this moment, Huang Xiaoyan hugged Qin Sheng's arm excitedly. Her eyes were watery, and she was touched. "Sheng Sheng, you're so kind."

Qin Sheng looked at Huang Xiaoyan's cute face. She smiled and said, "It's not a difficult thing."

At this moment, Huang Xiaoyan's mind was filled with question marks.

Wasn't it difficult?

Even her father couldn't do anything about it.

And Qin Sheng was only a high school student.

In Huang Xiaoyan's eyes, it was almost impossible to find evidence of Jiang Wangya cheating on her.

Huang Xiaoyan quickly threw those question marks out of her mind.

Qin Sheng was so powerful, so it was understandable to say that it was simple for her.

Huang Xiaoyan's eyes sparkled as she looked at Qin Sheng, her eyes filled with admiration.

Lin Feng sat at the back. Qin Sheng and Huang Xiaoyan spoke very quietly. Lin Feng only heard the word 'infidelity.' He was quite curious.

Very soon, he came over. He did not dare to disturb Qin Sheng, so he could only ask Huang Xiaoyan, "Xiaoyan, what infidelity?"

Without a doubt, Huang Xiaoyan glared at him again. "Lin Feng, are you very gossipy? You want to join in on the fun? Are you a b*tch?"

"Huang Xiaoyan, if you have such a bad temper, be careful that no man wants you in the future. You can only be a nun," Lin Feng muttered.

Huang Xiaoyan rolled her eyes. "I like it. I'm happy to!"

Qin Sheng sat in her seat and listened to their bickering. She smiled helplessly.

She continued to flip through the medical books in her hands.

When she returned at night, Qin Sheng started to flip through the surveillance cameras based on the records of Jiang Wangya's departure provided by Huang Xiaoyan.

Qin Sheng hacked into the surveillance cameras at an extremely fast speed, and the interface on the computer kept changing.

It only took Qin Sheng two hours to find Jiang Wangya's tracks.

Chapter 363: Blacklist

Qin Sheng was very lucky. The first time she checked the surveillance camera, she ran into the surveillance camera of Jiang Wangya with another man.

In the surveillance camera, Jiang Wangya came to a hotel. She put her arm around a man. The two of them behaved intimately. The man kissed Jiang Wangya's face.

Then, the two of them entered the hotel room together.

When they came out, only Jiang Wangya appeared.

This surveillance camera could be said to be enough.

However, Qin Sheng had always been cautious when doing things. In Qin Sheng's eyes, this surveillance camera alone was far from enough.

It was already 9 o'clock. It was impossible to find her again today.

Moreover, she was lucky to find her this time. Jiang Wangya did not always meet other men when she went out.

Qin Sheng thought about it and contacted Yu Bei. When she was about to make a call, she realized that she seemed to find it troublesome and that Yu Bei was still on her blacklist.

Qin Sheng pulled Yu Bei out of the blacklist.

She did not use her QQ to contact Yu Bei. Right now, her QQ only had Fu Hanchuan as a good friend.

Yu Bei, who was competing with his good friend on Black Emperor, saw Qin Sheng's call. His hand that was holding the mouse trembled and knocked over the glass of water beside him.

The water poured onto the keyboard.

Kacha!

The computer screen went black.

Yu Bei: "..."

He could not care about the computer anymore, and he could not care about his good friend who was still on Black Emperor.

He had undoubtedly lost this match.

Yu Bei had never lost a match with his good friend before. Before the match, Yu Bei had even announced that he wanted to win over his good friend to make him doubt his life.

At this moment, the computer screen was black and the computer could not be turned on. Yu Bei was destined to lose.

Later, his good friend might laugh at him.

This good friend was one of the three hackers that Yu Bei had tricked into going to Qin Sheng's company.

Yu Bei was not angry. On the contrary, he was very excited.

Qin Sheng had finally pulled him out of the blacklist.

Yu Bei coughed and picked up the phone. His expression was serious as he said, "Boss, you finally remembered to let me out."

This was naturally referring to the matter of the blacklist.

When this was mentioned, Yu Bei's tone could not help but be filled with resentment.

Was there such a boss?

She actually found her employee annoying and blacklisted him.

As for the company, he was even more thorough in not letting go of the boss. Ever since the company was established, the number of times she had gone to the company could be counted on one hand.

He and Hong Yuan had been looking forward to her coming every day.

He was almost like a stone that was waiting for the boss.

When she heard Yu Bei's words, Qin Sheng only replied with three words. "Something came up."

Yu Bei: "Boss, will you blacklist me again when you're free?"

Qin Sheng replied very coldly, "Yes."

Yu Bei: "..."

Could she not be so direct? If she had something to say, she would look for him. If she had nothing to say, she would blacklist him, right?

Yu Bei was very angry now. He really wanted to hang up the phone just like that.

However, he could not forget the experience of being abused by Qin Sheng. Yu Bei was worried that if he hung up the phone this time, Qin Sheng would find another opportunity to abuse him again.

Yu Bei could only reply sullenly, "Boss, what's the matter?"

Qin Sheng took a sip of water before answering, "Help me investigate a person. I will tell you three time periods. I want evidence of her being with another man. Is one day enough time?"

Yu Bei wanted to refuse, but in the end, he could only bite the bullet and nod his head.. "Yes."

Chapter 364: Showing Off

"Okay, send it to me when it's done tomorrow night." Qin Sheng nodded.

Just as she was about to hang up, Yu Bei's voice sounded again. His tone was rather gossipy. "Boss, why are you so concerned about someone else's marriage fate now?"

Qin Sheng did not answer and directly hung up the phone.

A beeping sound came from the phone.

Yu Bei: "..."

This boss of his really did not say much nonsense. She was very cold and aloof.

He did not know which man would be able to stand it in the future.

No, it could be said that he did not know who would be able to control such a woman.

She had opened a company and was a top hacker expert. Who would dare to woo a woman who they could not even be compared to?

That man would definitely be controlled to death.

Moreover, he had also heard that his boss had gotten first place in the school exams. She had also gotten first place in the National High School Mathematics Competition. She was even more powerful than Su Yixiu, who had been regarded as a genius since he was young.

She was also very awesome in the stock market. She had put her money into the stock market and casually increased her capital by eighteen times.

Yu Bei did not dare to think of such a woman.

If a woman like Qin Sheng became his girlfriend, would he still be able to keep his face?

Yu Bei put down his phone and started fiddling with the computer.

The computer keyboard had just been splashed with boiling water. Fortunately, the computer was of good quality and there were no major problems.

After Yu Bei rebooted the computer, QQ logged in automatically. It was a series of messages from his hacker friend. It was the hacker who had just competed with him on Black Emperor.

He knew that something must have happened to Yu Bei, but he did not care. He had won against Yu Bei anyway.

If he could win against Yu Bei, he could brag about it to his other two friends for a long time.

Of course, those two friends had also been tricked by Yu Bei into becoming Qin Sheng's employees.

"Yu Bei, I've finally won against you. This is my only chance to win against you. I must celebrate properly, hahaha."

"Yu Bei, who was the one who said that I wouldn't dare to compete with you for a month if I wanted to win? Now that I've slapped you in the face, do you feel good about it?"

"I have to do some publicity. You, Yu Bei, actually lost to me!"

"I can't take it anymore. I'm too happy. Hahahahaha."

Yu Bei could hear the other party's arrogant laughter through the screen.

Yu Bei dug his ears.

Then, he typed on the computer keyboard. "Do you know who came to look for me just now?"

The other party replied very quickly. "Your girlfriend? That's not right. You're also a bachelor for ten thousand years. Where did you get a girlfriend?"

Yu Bei sneered and typed again. "Shallow."

His hacker friend looked at Yu Bei's words and was unhappy.

"Then tell me, who came to look for you? I'd like to see who you can name."

Yu Bei raised his eyebrows and sent one word over. "Boss."

Seeing these two words, the hacker who was drinking water spat out a mouthful of water and coughed a few times.

“Really?”

With a crackling sound, he sent it over.

This hacker also greatly admired Qin Sheng. However, every time Qin Sheng went to the company, she was always occupied by Yu Bei and Hong Yuan. He had only consulted Qin Sheng once.

After that time, the hacker completely admired Qin Sheng.

One had to know that he had asked Yu Bei about the program, but Yu Bei had not been able to solve it for a long time.

What about Qin Sheng?

She only looked at it for a few seconds before telling him her train of thought.

Chapter 365: Too Slow

After returning, the hacker followed Qin Sheng’s train of thought and completed the program in a short while.

This hacker also wanted to see Qin Sheng.

However, when he heard that Yu Bei and Hong Yuan had been blacklisted by Qin Sheng, he dispelled that thought.

Now, when he saw that Qin Sheng took the initiative to look for Yu Bei, he was jealous.

Yu Bei snorted. “Of course. Why would I lie to you?”

The hacker continued to ask, “Then why did Boss look for you?”

“Secret!”

When Yu Bei sent out this word, he logged off.

He rested his hands on the back of his head and looked as if he had succeeded.

If he were to tell him that he had been hired by Qin Sheng as a coolie and that after the matter had been completed, Qin Sheng would continue to blacklist him, wouldn’t he be a fool?

Who knew how the other party would laugh at him?

Yu Bei’s actions had indeed caused his hacker friend to be extremely envious. He could no longer be proud of what he had just won.

If it was possible, he also wanted to be found by Qin Sheng so that he could lose the match.

As for Yu Bei, he was already checking the surveillance cameras.

Qin Sheng sent over the time frame and also told him the location of the departure and the picture of Jiang Wangya.

Yu Bei's skills were also very high, but his speed was not as fast as Qin Sheng's. If Qin Sheng needed two hours to find that surveillance camera, it would take at least four hours for Yu Bei to find it.

Qin Sheng gave Yu Bei only one day.

Therefore, time was very tight.

Yu Bei was resentful. He was a lazy person. If he wanted to finish it in one day, wouldn't that be killing him?

Yu Bei did not dare to waste too much time. At this moment, he was very focused on the computer. The sound of typing on the keyboard rang in the study.

At 9 o'clock the next night, Yu Bei stretched his waist.

When he stood up, he felt his back ache.

For the entire day, Yu Bei had been sitting in front of the computer. Now, he was dizzy.

Yu Bei sent the video to Qin Sheng.

Then, he asked in a very obsequious manner, "Boss, how is it? It's not bad, right?"

The video that Yu Bei sent to Qin Sheng was of Jiang Wangya having an affair with another man.

Qin Sheng roughly took a look at the video and replied to Yu Bei, "It's not bad."

Yu Bei raised his eyebrows. Before he could be happy, he saw another message from Qin Sheng. "But the speed is too slow."

Yu Bei: "..."

How could he compare to her?

In the eyes of others, his speed was awesome.

Qin Sheng added, "I only spent more than two hours."

Yu Bei: "..."

He did not want to talk to Qin Sheng anymore. Every time he interacted with Qin Sheng, he would be hit hard.

Before this, Yu Bei was very proud of his excellent hacking skills. However, when he met Qin Sheng, he could not be proud anymore.

He was trash in front of Qin Sheng!

Yu Bei realized his position and did not dare to question Qin Sheng anymore.

After receiving the video, Qin Sheng thought for a moment and blacklisted Yu Bei.

1

Then, she sorted out the surveillance footage and sent it to Huang Xiaoyan.

Huang Xiaoyan was reading in her room. When she saw Qin Sheng sending her some videos and photos, she immediately clicked on it.

She saw that Jiang Wangya was with another man and their actions were extremely intimate.

Huang Xiaoyan was stunned. She had never thought that Qin Sheng would find the evidence so quickly.

Huang Xiaoyan looked at each piece of evidence.

The further she went, the happier Huang Xiaoyan became.. With this, it was impossible for Jiang Wangya to get the property from the Huang family.

Chapter 366: Successful Divorce

Huang Xiaoyan did not hesitate and quickly handed the video and photos to Father Huang.

Father Huang was still in the study dealing with the company's matters when Huang Xiaoyan directly pushed the door open and entered.

Seeing Huang Xiaoyan, Father Huang immediately stood up.

"Xiaoyan."

This was the first time since he and Huang Xiaoyan had a conflict that Huang Xiaoyan took the initiative to look for him.

Father Huang was quite nervous.

Huang Xiaoyan turned on her phone and showed the video and photos to Father Huang.

Father Huang was very curious. "What's this?"

"Something that can help you and Jiang Wangya get a divorce." After saying this, Huang Xiaoyan left. She didn't stay with Father Huang for long. After all, the distrust and favoritism that had existed for more than ten years... It wasn't something that could be eliminated in just a few weeks or a month.

The knot in Huang Xiaoyan's heart still had not been removed.

Father Huang flipped through the videos and photos. He was delighted. He did not have to wait too long for a divorce with Jiang Wangya.

Father Huang sent the photos and videos from Huang Xiaoyan's phone to his own phone. Father Huang knew that Huang Xiaoyan was unwilling to see him, so he asked the maid to return the phone to Huang Xiaoyan.

Father Huang did not waste any time. He also sent the video and photos to his secretary, asking him to contact a lawyer to prepare for the divorce with Jiang Wangya in court.

This time, Jiang Wangya had cheated, and the evidence was conclusive.

The court finally decided to divorce Father Huang and Jiang Wangya, and Jiang Wangya had left home with nothing.

Even if Jiang Wangya was unwilling, she had no way to resist.

In the end, she could only return to the Jiang family.

Under the influence of Mother Jiang, Jiang Hezhi looked down on Jiang Wangya. Previously, because Jiang Wangya had married Father Huang and brought many benefits from the Huang family, Jiang Hezhi didn't have much respect for Jiang Wangya, let alone now.

Jiang Hezhi was bossing Jiang Wangya around every day. He didn't treat Jiang Wangya like a sibling.

Mother Jiang turned a blind eye to this.

Jiang Wangya couldn't say anything even if she felt wronged. She hadn't gone to work for more than ten years. It was very difficult for her to find a good job now.

Jiang Wangya was used to being pampered and didn't want to do the more tiring work.

So, she could only stay at the Jiang family home.

During this period, Jiang Wangya looked for Father Huang several times, but she couldn't even enter his villa and company. She was blocked outside.

Later, Jiang Wangya finally stopped Father Huang at a shopping mall.

However, Father Huang's cold gaze made her afraid. Father Huang even said that he did not know her in front of others.

Father Huang was dressed in a black suit. His entire outfit was made up of high-end brands. He even had a secretary with him.

On the other hand, in the Jiang family, Jiang Wangya could not be bothered to clean herself up. She had to help the Jiang family wash clothes and cook every day. She also often had insomnia at night. Now, her skin was sallow.

In stark contrast to Father Huang, when this woman said that she knew Father Huang, naturally, everyone was biased towards Father Huang.

They began to point fingers at Jiang Wangya.

Jiang Wangya was also a person who cared about her face. She couldn't accept other people's strange gazes. She also knew that Father Huang was destined to ignore her, so she returned to the Jiang family dejectedly.

When Mother Jiang saw Jiang Wangya, she told her about her second marriage.

During the time that Jiang Wangya had returned to the Jiang family, Jiang Wangya had brought a large sum of money to the Jiang family. Other than not stopping Jiang Hezhi from ordering Jiang Wangya around, she did not make things difficult for her.

However, after Jiang Wangya had stayed in the Jiang family for a long time, Mother Jiang was a little annoyed..

Chapter 367: Jiang Wangya's Fate

The Jiang family couldn't possibly support Jiang Wangya like this for her entire life, so they arranged a marriage for her.

That man was eight years older than Jiang Wangya and had a big belly. Fortunately, he was still considered rich.

Mother Jiang was extremely satisfied with him. Thus, she arranged for Jiang Wangya to go on a blind date.

When she heard this, Jiang Wangya's reaction was very intense. "Mom, I'm not going."

Mother Jiang frowned and said, "Don't tell me you still want to remarry Huang Zhixing?"

Jiang Wangya didn't say anything, but her meaning was very clear. She still had the thought of remarrying Father Huang.

1

Seeing Jiang Wangya's reaction, how could Mother Jiang not understand?

She mercilessly exposed her. "Jiang Wangya, you'd better know what you're capable of. Can you still go back to the Huang family? I'm afraid Huang Zhixing wants to kill you."

Jiang Wangya's face stiffened.

She really couldn't go back.

Mother Jiang's words softened. "Wangya, you're not young anymore. You can't wait for another fruitless marriage. It's best if you can marry into a good family. This is also very good for your future. Are you going to stay at home and work every day?"

Jiang Wangya's heart was already wavering.

She had worked hard for so many years, but she still couldn't compare to a woman who had died a long time ago. Father Huang had never touched her.

1

She thought of the cold expression on Father Huang's face the last time she saw him.

Jiang Wangya's heart was already half-cold.

Mother Jiang said again, "Wangya, Huang Xiaoyan and Huang Zhixing probably can't wait for you to live a bad life now. If you marry into a good family and live a good life, their hearts will be uncomfortable."

Hearing this, Jiang Wangya finally nodded her head.

Mother Jiang heaved a sigh of relief.

The two of them met the next day. Jiang Wangya looked down on the man's looks, but after knowing that he had a large company, she agreed to get married to him.

1

The marriage certificate of the two of them was processed very quickly.

The man gave Mother Jiang millions as a betrothal gift.

However, Jiang Wangya did not live a good life.

The man knew Jiang Wangya's character of wanting to send everything in the house to her parents. He gave Jiang Wangya very little money a month.

The man also liked to beat his wife.

Jiang Wangya's injuries were added one after another.

She could be said to be living a life worse than death every day.

As for the Jiang family, they married Jiang Wangya to a rich man with the intention of letting the man's family help their family.

However, Jiang Wangya was being detained. She didn't even have enough money to spend on herself, so how could she give money to Mother Jiang and the others?

It wasn't that Jiang Wangya hadn't mentioned it to the man, but every time, she was taught a harsh lesson. Later, Jiang Wangya didn't dare to mention it again.

The Jiang family didn't have anyone to help them. Jiang Hezhi was also a spendthrift and didn't know how to manage the company.

Soon, the house was sold and the car was sold.

The few of them returned to the county to live.

Of course, that was for another day.

—

When Qin Sheng was free, she painted two paintings.

One of the paintings was sold to Wu Chong for two million yuan. This price wasn't high to Wu Chong and he felt that Qin Sheng's price was too low.

This painting was naturally not as good as the one Qin Sheng used to participate in the Youth Painting Competition, but it didn't take much time either.

Even so, Wu Chong was still amazed by Qin Sheng's painting skills.

At such a young age, her painting skills were not inferior to his.

He was already thirty to forty years old, and Qin Sheng was only eighteen years old.

If Qin Sheng reached his age, he could not imagine how high Qin Sheng's painting skills could reach.

Chapter 368: Second In a Million Years

Ever since Qin Sheng joined the Painting Association, she had never been there once.

Wu Chong really wanted Qin Sheng to go to the Association, but when he thought of the conditions that he had agreed to Qin Sheng, he could only not dare to disturb Qin Sheng.

As the vice-chairman of the Association, Wu Chong naturally introduced Qin Sheng to the members of the Association.

The members of the Association were curious. Who could make their Chairman think so highly of her?

Old Master Lu had also asked Qin Sheng for a painting.

Qin Sheng naturally did not miss out on him. She specially drew a portrait for Old Master Lu.

She went to the Lu family with Fu Hanchuan and handed the painting to Old Master Lu.

Old Master Lu was lecturing Lu Ming, and he looked extremely disgusted.

Previously, he liked girls, but it was not that serious.

It was just that when he saw Qin Sheng's obedient appearance, he wished that Qin Sheng could become his granddaughter.

However, the more he saw Lu Ming, the more frustrated he felt.

First, his daughter gave birth to Fu Hanchuan, and then his daughter-in-law gave birth to Lu Ming, who was also a boy.

God knows how much Old Master Lu wanted a granddaughter!

Old Master Lu nagged in his ear, but Lu Ming just ignored it. He chewed on an apple while pressing the remote control.

He pressed it to a sports station, which happened to be in the middle of a basketball game.

Lu Ming stopped.

After taking a big bite of the apple, Lu Ming looked at the TV and shouted, "Snatch the ball!" Then he shouted again, "Beautiful! Three-pointer, you got it."

Sometimes, he stood up.

He was very excited.

Old Master Lu looked at Lu Ming from the side as if he despised him.

He couldn't help but snort coldly, "With your looks, you only know how to play basketball and watch the game every day, and you still want to get first place. You'd better be number two."

Lu Ming retorted indignantly, "I'm clearly third now, not second."

Old Master Lu glared. "You've dropped a rank now, and you still have the nerve to say it? When will you be like Sheng Sheng? She got first place, and she even broke the record in the math competition!"

Old Master Lu looked like he was reprimanding Lu Ming, but in fact, he was showing off Qin Sheng.

Lu Ming: "..."

Alright, he was used as his grandfather's punching bag to vent his frustrations.

No matter what his grandson did, he was not as good as Qin Sheng.

Of course, Lu Ming was unwilling to admit that he was indeed not as good as Qin Sheng.

Lu Ming dug his ears and continued watching TV.

Old Master Lu was still thinking of reprimanding Lu Ming when he heard Qin Sheng's voice.
"Grandfather Lu."

Old Master Lu immediately stood up.

His attitude was extremely good.

"Sheng Sheng, you're here."

Lu Ming rolled his eyes as he watched from the side.

His grandfather was really a chameleon, and his attitude instantly changed.

Qin Sheng handed the painting to Old Master Lu. "Grandfather Lu, I painted this for you."

Old Master Lu understood the moment he heard it.

Ever since Fu Hanchuan had snatched Qin Sheng's painting from the Youth Painting Competition, Old Master Lu had been longing for Qin Sheng to paint something for him.

At this moment, Old Master Lu quickly took the painting and opened it happily.

The painting was his own portrait.

Old Master Lu looked at it carefully for a while and praised it endlessly. "Sheng Sheng, your painting is really good. Look, I look very energetic on it."

In the drawing, Old Master Lu was standing in the living room with a walking stick.

He was full of smiles.

He looked very kind.

Lu Ming moved his head closer to take a look. When he saw Old Master Lu on it, he rolled his eyes.

He felt that his grandfather should have a fierce look on his face.

However, Old Master Lu was indeed as kind to Qin Sheng as he was in the painting.

Lu Ming shook the goosebumps on his arms.

He did not look at it anymore.

Old Master Lu loved the painting so much that he couldn't put it down. He wore his glasses and looked at it over and over again.

He could see Qin Sheng's intention in painting.

Every detail was handled perfectly. Qin Sheng must have spent a lot of time to make this painting.

This painting was no less than the one Qin Sheng took part in the Youth Painting Competition.

Old Master Lu couldn't help but look at Fu Hanchuan with a smug look.

'Yours is nothing compared to mine.'

Qin Sheng had given Fu Hanchuan the painting for the Youth Painting Competition, but he had gotten a better painting, and it was his own portrait.

Fu Hanchuan felt a little helpless when he saw it.

However, he was indeed a little jealous.

After a long while, Old Master Lu finally put away the painting.

That night, Qin Sheng and Fu Hanchuan stayed at the Lu family home for dinner.

After dinner, Qin Sheng and Fu Hanchuan didn't stay at the Lu family home for long and went back.

Back at the Fu family home, Qin Sheng only took twenty minutes to finish a set of papers.

She turned on her computer and looked at a lot of stocks. Soon, she locked down which stocks she wanted to buy. Qin Sheng usually wouldn't pick stocks that had a low growth rate. What she wanted were stocks that had a high growth rate.

While the benefits were high, the risks were high.

She might lose all her capital.

Qin Sheng was not completely sure that what she bought would make money. However, she had money. The money she invested in the stock market was only 5%. Even if she lost the bet, it did not matter.

She added those stocks to her choice and set up an automatic deduction for the next day.

Qin Sheng bought stocks for a long time. Almost every time, she received a high return. She was afraid that she would be noticed by others. Although she was not afraid of those people, she disliked the trouble. Some trouble could be avoided if it could be avoided.

Therefore, Qin Sheng created a new account on her own. Even the identity card number she had authenticated was fake.

Turning off the stock interface, Qin Sheng opened Black Emperor again.

Lu Ming would go to Black Emperor every night. At this moment, he was also showing off at Black Emperor, so he naturally noticed Qin Sheng.

Lu Ming did not dare to go up and provoke Qin Sheng again. He could only hide far away. Lu Ming was also a little curious whether Fu Hanchuan would also go online.

Just as he was thinking, a red banner with Fu Hanchuan online appeared.

Lu Ming: "..."

As expected, he went online.

He had a good reason to suspect that his brother might be interested in QS.

However, this was basically impossible. With Fu Hanchuan's interest in Qin Sheng, it was impossible for him to fall in love with someone else.

However, there was another possibility. His brother wanted to scam QS into his own company.

After all, the talents that his brother fancied would usually be accepted into his company.

Lu Ming suddenly gloated.

How would a proud person like QS feel when his brother dragged them into the company?

Lu Ming also wanted to meet QS. He must be a big man. Based on his arrogant and proud nature, he must be quite old.

As for himself, he was only 18 years old. When he reached the age of QS, his skills might not necessarily be worse than QS.

Thinking of this, Lu Ming felt much better.

Fu Hanchuan went online, and Lu Ming immediately ran to Fu Hanchuan's front and said doggedly, "Brother."

However, Fu Hanchuan ignored him.

He went straight to Qin Sheng's side. Qin Sheng would usually come to the training ground with C.

It was the same at this moment.

The two of them greeted each other briefly before the competition began.

It was not that Fu Hanchuan did not want to talk to Qin Sheng more, but to Qin Sheng, C was just a stranger. In addition, she had a cold personality and rarely spoke. Naturally, she would not talk to a stranger more.

Qin Sheng was very clear about the difference between the competition and her private life.

The two of them were as usual, breaking through the defense systems of the Black Emperor competition venue at an extremely fast speed.

Those hackers were watching their competition.

Recently, Qin Sheng and Fu Hanchuan had been online often, and they were watching the competition every time.

As for Fu Hanchuan and Qin Sheng's controls, they would be shocked every time they saw them.

The speed was too fast, and if they were not careful, they would miss the process of breaking through the protective systems.

The technicians protecting Black Emperor hoped that the two of them could enter Black Emperor less often.

One of the system checkpoints set up by Black Emperor had been broken through, and the technicians needed to make some adjustments. This adjustment was not easy, and it required a technician to spend more than three days.

Black Emperor's training ground had a total of tens of thousands of systems.

In just over a month, more than 300 systems had been breached by C and QS.

They were still rarely online. The Black Emperor technicians were thinking that if they were online every day, based on their speed, Black Emperor's system would probably be breached by them in less than a year.

At 9 o'clock in the evening, the two of them said goodnight to each other, and Qin Sheng went offline.

Fu Hanchuan leaned back in his chair, his eyes locked on the dark hacker logo of Qin Sheng on his computer.

The corners of his lips slowly curled up into a smile.

His eyes seemed to be shining with starlight.

Fu Hanchuan was curious. If his little girl knew that he was C, what would her reaction be?

A month after Qin Churou's face was completely gone, she appeared in school.

Qin Churou was now an internet celebrity.

Anyone who was familiar with Qin Churou would know that she had undergone plastic surgery.

There were even rumors that Qin Churou had been disfigured. There were even photos of her. Everyone already knew about her white lotus personality.

Qin Churou had now become a hated person in school.

Now, because she had undergone plastic surgery, her appearance was even more beautiful than before.

Everyone felt that it was very unnatural, so naturally, they did not have a good attitude towards Qin Churou.

From being adored by others, she had become an existence that was despised by others.

Even though Qin Churou had mentally prepared herself, she still could not accept it.

She had a cold expression the entire day, looking high and mighty.

Even the few girls who followed beside Qin Churou now ignored Qin Churou.

Those girls didn't ask for trouble.

When Qin Churou came back from the toilet during class break, there were two girls who mocked Qin Churou.

They also hated white lotus flowers.

A woman like Qin Churou, who looked weak and pitiful, was the easiest to attract men's pity.

However, for girls, it was very unpleasant.

They looked at Qin Churou as she discussed.

"This white lotus, no matter how understanding she acts, there will be a day when she will capsize. Her white lotus style is really disgusting."

"Hahaha, this is going to be fun.. Qin Churou has turned from the school belle into a joke."
