Chapter 381: Fragrant Breath

Fu Hanchuan went to the cafeteria, but he didn't see Qin Sheng. Instead, he saw Huang Xiaoyan.

Huang Xiaoyan told Fu Hanchuan that Qin Sheng should be in the woods at this time.

At noon, Qin Sheng rarely returned to the classroom.

She often ran to the woods to stay alone.

Fu Hanchuan nodded and went to the woods to look for Qin Sheng.

When Fu Hanchuan found Qin Sheng, he saw Qin Sheng leaning against a tree with her eyes closed. The sunlight shone through the gaps of the tree onto Qin Sheng's body, seemingly giving her a layer of radiance.

Qin Sheng did not tie her hair up today. Her slightly wavy hair was draped over her shoulders.

The light wind blew, and her long hair fluttered.

Fu Hanchuan was stunned for a moment.

Qin Sheng was very sensitive. She noticed the movement around her. She slowly opened her eyes and saw Fu Hanchuan standing in front of her.

Qin Sheng didn't expect Fu Hanchuan to come looking for her, so she couldn't react in time.

Fu Hanchuan took the initiative to speak. His low and hoarse voice came out from his throat. "Sheng Sheng."

Then, Fu Hanchuan sat next to Qin Sheng.

There was a layer of grass under his feet.

Fu Hanchuan was a germaphobe, but in front of Qin Sheng, this germaphobia did not exist.

"Brother Fu, why are you here?" Qin Sheng was very confused.

Fu Hanchuan had classes in the afternoon, and it was still noon. There were still three hours before Fu Hanchuan's class.

Fu Hanchuan frowned. "Sheng Sheng, do you need my help with the matter on the forum?"

Fu Hanchuan knew that Qin Sheng would not care about those rumors, but he was worried that his little girl would not deal with those rumors because she did not care.

Fu Hanchuan did not want Qin Sheng to be criticized and scolded.

Qin Sheng smiled and shook her head. "I have a way."

Qin Sheng told Fu Hanchuan about her plan.

Fu Hanchuan laughed softly. "It's just as I thought."

Qin Sheng also laughed when she heard that.

This time, Fu Hanchuan did not ask Qin Sheng if she needed help. Qin Sheng was QS, so she could naturally do such a small thing.

Fu Hanchuan felt a little melancholic once again.

His little girl seemed to be too amazing. He could not help much, so it seemed that he was not of much use.

Fu Hanchuan had not eaten yet, so Qin Sheng accompanied Fu Hanchuan to eat outside the school.

The food in the school cafeteria was not bad, but Fu Hanchuan had always lived a very high-class life. In terms of food, Fu Hanchuan's culinary skills were not inferior to that of a five-star hotel chef. Qin Sheng was unwilling to let Fu Hanchuan stay in the small cafeteria to eat, which was unfair to Fu Hanchuan.

An hour had passed since the two of them finished eating.

Qin Sheng returned to the classroom, while Fu Hanchuan went to the classroom office to handle official business.

Huang Xiaoyan sat in the classroom. She opened the forum at this moment.

She had not logged in for more than an hour, so she naturally did not know what Qin Churou had said on the forum. As soon as she opened the forum, she saw Qin Churou's comments on her account.

It made her so angry that she was smoking.

She held her phone and started to poke it.

"D*mn it, you're the slut, right? You're spitting fragrance here?"

"F*ck, what did Sheng Sheng do to provoke you? Why are you slandering Sheng Sheng?"

"By the way, are you Qin Churou? Do you have such a big grudge with Sheng Sheng?"

Qin Churou also started to reply to Huang Xiaoyan. What? Huang Xiaoyan was Qin Sheng's lackey. Qin Sheng just gave Huang Xiaoyan a little money, and she was able to make Huang Xiaoyan defend Qin Sheng like this!

On the internet, Qin Churou, who was using a side account, had no scruples at all.

Chapter 382: Discovered

Huang Xiaoyan did not hide her identity on the forum. Qin Churou naturally knew that the ID of [Qin Sheng's Little Fangirl] was Huang Xiaoyan.

Seeing Qin Churou's reply, Huang Xiaoyan was thoroughly angered.

At this moment, Lin Feng also came over.

Huang Xiaoyan turned her head and heavily slapped Lin Feng's desk. "Lin Feng, quickly go to the forum and help me disprove the ID [Qin Sheng Is a B*tch]."

This ID had been registered not long ago, and today was the first time Qin Churou had used this alternate account to speak.

Lin Feng was also extremely unfamiliar with this alternate account.

Just hearing [Qin Sheng Is a B*tch], Lin Feng was angered.

He also joined Huang Xiaoyan in dissing Qin Churou on the forum.

Lu Ming and Lin Feng sat together. He had heard Huang Xiaoyan's words, so he went to the forum to take a look.

When he saw Qin Churou's account, he was eager to give it a try.

He felt that the Audi 18 that Fu Hanchuan had taken back was waving at him.

Lu Ming had always been obsessed with that car.

He wanted to find an opportunity for Fu Hanchuan to return it to him, but he couldn't find it.

This time, Lu Ming naturally wasn't willing to let go of such a good opportunity.

Once school was over, he returned to the Lu family and greeted Old Master Lu before soaking in his own room.

The school forum's security system was very ordinary. Lu Ming only used forty minutes to hack into the forum and find the IP address of Qin Churou's alternate account.

In the end, he discovered that the person who registered with the Qin family also used Qin Churou's own phone number.

If Lu Ming were to drink water now, he would definitely spit it out.

This Qin Churou was too disgusting.

She could actually say these words!

He knew that she was a white lotus, but he did not know that she would be this much of a white lotus!

Luckily, he had long seen through Qin Churou's true colors. If they had become boyfriend and girlfriend, he would probably be disgusted to death.

Lu Ming cut off Qin Churou's reply and sent it to Fu Hanchuan.

[Brother, do you know whose account [Qin Sheng Is a B*tch]? I found it. It belongs to Qin Churou. From what I see, the news that Sister-in-law was sold to Feng Shuo was also spread by Qin Churou. F*ck, this Qin Churou is so disgusting!"]

Fu Hanchuan quickly replied to Lu Ming.

It was a very simple word. "Yes."

Lu Ming was stunned. Just this word?

With his brother's concern for Sister-in-law, shouldn't he be praising him?

Although his brother was usually cold and aloof, he was not stingy when it came to matters related to his sister-in-law.

With this thought in mind, Fu Hanchuan sent another message.

"Well done."

Lu Ming was happy. This was his brother's normal reaction.

Lu Ming took the opportunity to make a condition. "Then, Brother, the Audi 18?"

Fu Hanchuan quickly replied, "Go to school tomorrow. I'll give you the keys."

"As expected!"

Lu Ming raised his eyebrows, feeling quite proud.

He knew he would agree.

Lu Ming: "Brother, I exposed Qin Churou's account on the forum. How is it?"

Fu Hanchuan replied, "Okay."

Lu Ming felt that it was not very convenient to contact Fu Hanchuan through text messages. He asked again, "Brother, do you want to open a QQ account? This account is easy to contact. Don't be an old fogey. It's just text messages and phone calls every day? How inconvenient is that?"

The software on Fu Hanchuan's phone was very simple. Other than the software needed for work, there was nothing else.

He did not have a Weibo account either.

Even QQ had been downloaded for Qin Sheng some time ago.

Fu Hanchuan replied, "I have it.."

Chapter 383: It Was Hers

Lu Ming was delighted. "Brother, what's your QQ account? Let's add each other as friends."

Fu Hanchuan didn't reply for a long time.

Lu Ming sent his QQ account over. "Brother, this is my account. Why don't you add me as a friend?"

This time, Fu Hanchuan replied, "Unimportant people, there's no need to add."

Lu Ming: "..."

How did he become an unimportant person?

He was his younger brother, his dearest younger brother!

When Fu Hanchuan said this, Lu Ming remembered that a few months ago, when Fu Hanchuan had just opened Penguin, he had automatically applied to add him as a friend. However, when Lu Ming agreed, Fu Hanchuan had deleted him as a friend.

At that time, Lu Ming thought that it was his own illusion.

His older brother, this old fogey, definitely did not know how to open Penguin.

He did not expect it to be real!

Lu Ming felt wronged and typed on his phone, "Brother, I am your dearest and most lackey younger brother! Am I not the punching bag for you and Grandfather every day?"

However, Fu Hanchuan did not reply to him after that.

After waiting for ten minutes, Lu Ming did not wait for Fu Hanchuan's reply.

Fu Hanchuan often left Lu Ming hanging, and Lu Ming was already used to it.

It was a very normal operation.

Lu Ming tried to hack into Fu Hanchuan's phone and secretly add him as a friend.

His fingers flew over the keyboard.

An hour later, Lu Ming collapsed on the chair, and his forehead was covered in sweat.

His brother was indeed worthy of being C, one of the top experts of Black Emperor. He couldn't hack into it at all, let alone add him as friends.

Lu Ming could only use Fu Hanchuan's phone number to search for Fu Hanchuan's QQ number.

Then, he sent a friend request.

Fu Hanchuan naturally ignored Lu Ming's application.

After Lu Ming sent it, he didn't have any hope that Fu Hanchuan could accept his friend request.

Lu Ming let the matter develop for a while, and continued to let Qin Churou beat up those students to gain more hatred.

It had to be said that Lu Ming was also a black-bellied person.

The next morning, Lu Ming logged into the H City High School's forum.

He used his own account and showed the address and registration information of the ID [Qin Sheng Is a B*tch].

[H City High School's Number One Handsome Guy: Come, everyone, come and take a look at someone's face. It's the person who was cursing on the forum yesterday, biting everyone she saw. I found out her identity. It was actually a certain plastic surgeon, Qin Churou. She was once the school belle of our H City

High School. She was gentle, generous, understanding, beautiful, and had good grades. I didn't expect her to have such a face behind our backs. I even dropped my melon seeds.]

Lu Ming was usually a very gossipy person.

[H City High School's Number One Handsome Guy] was also quite famous on the forum. He often discussed gossip and would occasionally post screenshots of evidence. Everyone knew that [H City High School's Number One Handsome Guy] had very good computer skills.

It was just that no one had ever linked [H City High School's Number One Handsome Guy] to Lu Ming.

Lu Ming's performance in school was usually serious, and he rarely discussed gossip.

Before Fu Hanchuan came to the school to be a teacher, Lu Ming was indeed the most handsome person in H City High School. However, Lu Ming loved to show off, and he usually acted quite serious in school. However, if he was still detained online... He could not stand it.

Therefore, he had to protect his own identity.

The title of this post was quite eye-catching.

[Shocking! [Qin Sheng Is a B*tch] is her!]

Chapter 384: Fawning

Yesterday, among the students of H City High School, many of them had been insulted by Qin Churou. Now that her identity had been exposed, many of them immediately clicked in to take a look.

When they saw the content, they did not dare to believe it.

They knew that Qin Churou was a hypocrite. She loved to pretend to be weak and understanding, but always stabbed you in the back.

But they didn't expect Qin Churou to say such dirty words.

They couldn't accept it for a moment.

Under the post, dozens of comments were built in an instant.

[This is Qin Churou. Are you sure?]

[This is a post from the number one handsome guy in H City's middle school. It shouldn't be fake.]

[F*ck, f*ck, f*ck, this is too much of a b*tch. No, I'm going to throw up. Qin Churou actually said those words? She's so good at pretending. She even kept it a secret for so many years. It's a loss if Qin Churou doesn't go into the entertainment circle.]

[Oh my god, the city is full of tricks. I want to go back to the countryside.]

[It's too scary. To be classmates with such a woman, I'm worried that I won't even know if I'm tricked by her one day. This is too vicious.]

[So, what kind of grudge does Qin Churou have with Qin Sheng? I feel like Qin Churou has some deep hatred towards Qin Sheng.]

[Upstairs, could it be that Qin Sheng got a place to participate in the National High School Mathematics Competition last time, causing Qin Churou to hold a grudge and want to slander Qin Sheng? This Qin Churou is very narrow-minded.]

There were all kinds of guesses.

In short, they were sure that Qin Churou and Qin Sheng had a grudge.

When Huang Xiaoyan saw this post, she was amused.

She also went on stage and began to raise her doubts.

She didn't have any feelings for this [H City High School's Number One Handsome Guy], but now her favorable impression of him was rising rapidly.

This operation was really amazing!

Huang Xiaoyan was a little interested in this [H City High School's Number One Handsome Guy]. She muttered, "Who exactly is this [H City High School's Number One Handsome Guy]?"

Qin Sheng happened to be reading the posts on the forum. When she heard Huang Xiaoyan's words, she shook her head and couldn't help but laugh.

Lu Ming's name on the forum was similar to his name on Black Emperor.

Both of them were quite chuunibyou.

When she remembered that both of them knew hacking skills, she knew that this person was Lu Ming.

Huang Xiaoyan's muttering wasn't soft, so Lu Ming naturally heard it. He also hoped that Qin Sheng would notice that he had helped her and then put in a good word for him in front of Fu Hanchuan.

In this way, wouldn't he have a car and pocket money?

Fawning over Qin Sheng was more important than fawning over Fu Hanchuan.

Lu Ming interjected, "Huang Xiaoyan, do you believe me when I say that I'm [H City High School's Number One Handsome Guy]?"

Huang Xiaoyan turned around and looked at Lu Ming suspiciously.

After a while, she opened her mouth. "You?"

Huang Xiaoyan shook her head. "I don't believe you."

Lu Ming opened his profile page on the forum and showed his phone to Huang Xiaoyan.

"Tell me, other than Teacher Fu, I'm the only one in the school who can afford to be this [H City High School's Number One Handsome Guy]. Don't you believe me?"

On the forum, there was no support for duplicate names appearing.

Huang Xiaoyan opened her mouth wide and pointed at Lu Ming. She couldn't even speak clearly. "You, you're [H City High School's Number One Handsome Guy]?"

Lu Ming didn't seem like a gossip, and [H City High School's Number One Handsome Guy] would go wherever there was gossip.

It was no wonder Huang Xiaoyan was so surprised.

Lu Ming raised his eyebrows. "Of course."

Lin Feng wrapped his arms around Lu Ming's neck. "Brother, I didn't expect you to be so secretive."

Lu Ming pushed Lin Feng away in disgust.

Then, he moved closer to Qin Sheng.. "Sister-in-law, no, Sheng Sheng, remember to say more nice things about me in front of Teacher Fu."

Chapter 385: Cover the Vest

Before Qin Sheng could agree, Huang Xiaoyan spoke first. She was very confused. "Lu Ming, are you trying to curry favor with Teacher Fu? No, did you offend him?"

Lu Ming waved his hand and denied, "No, no, I'm just asking for more advice from Teacher Fu since he speaks good English."

Lu Ming did not dare to say that Fu Hanchuan was his brother and Qin Sheng was his sister-in-law.

If word got out, would he still be able to take his pocket money?

When he thought about how his pocket money had been deducted for another three months, Lu Ming's heart ached terribly.

What a jerk. He had no money to begin with, and he had been cheated out of his pocket money by his brother for six months in a row.

Recently, he had been eating dirt.

Lu Ming was unwilling, but he did not dare to refute Fu Hanchuan.

He could only find an opportunity to help Qin Sheng. He had to extort a large sum of money from Fu Hanchuan so that he would not have to worry about losing his pocket money.

Hearing this, Huang Xiaoyan: "..."

As an existence who had lived abroad for several years and whose English was only inferior to Su Yixiu and Qin Sheng, did he need to consult Teacher Fu?

Huang Xiaoyan's mind was full of questions, but she knew that Lu Ming was unwilling to tell her, so she did not ask further.

Lu Ming was worried and warned, "For the sake of my image, you can't tell others that I'm [H City High School's Number One Handsome Guy]."

Lin Feng patted Lu Ming on the shoulder. "I know, I know, gossip expert."

After getting to know Lu Ming, Lin Feng also knew that Lu Ming was actually a joker. He was not as aloof as the students in Class 1 said.

Lu Ming was often a sand sculpture who could not control himself when he was close to someone.

Seeing that Lu Ming had helped Qin Sheng, Huang Xiaoyan agreed to cover up for Lu Ming.

There were still five minutes before class started. Huang Xiaoyan was once again attacking Qin Churou under the thread that Lu Ming had posted.

[Qin Sheng's Little Fan: Aiyo, I was wondering who it was? So it's our Qin White Lotus. She's so talkative, and she really has a lot to hide. Qin Churou, you're so good at acting. If you were to enter the entertainment industry, you'd definitely be able to become a movie queen or something. It's a pity that you're here to study.]

It had to be said that Huang Xiaoyan had guessed right. Qin Churou had indeed entered the entertainment industry after school.

Qin Churou had been paying attention to the matter on the forum. She naturally knew that [H City High School's Number One Handsome Guy] had dug her out.

She was so angry that her whole body trembled.

Her face was full of disbelief.

How could she have been exposed?

She had obviously hidden herself well and should not have been discovered.

If Lu Ming had not found out about her, those students would not have thought that the person behind [Qin Sheng Is a B*tch]'s ID was Qin Churou.

Usually, Qin Churou was soft and weak. Even when she had just returned to school this time and was ridiculed by the whole school, she did not throw a tantrum.

However, this [Qin Sheng Is a B*tch] on the forum had refreshed their understanding.

Most of the students were in school. Some of them would indeed mock others from time to time, but there were very few people like Qin Churou who could scold others like this.

Qin Churou was the mastermind behind the ID [Qin Sheng Is a B*tch]. This was really out of their expectations.

Qin Churou panicked and almost lost the ability to think.

She could feel the strange gazes of the ordinary students around her. There was mockery and sarcasm.

It almost drove Qin Churou crazy..

Chapter 386: Deleting Comments

Qin Churou quickly took out her phone and deleted her replies and posts one by one.

She only managed to regain her senses after deleting half of them.

However, her face was extremely pale.

If she deleted it just like that, didn't that mean that she was trying to cover up?

As expected, she deleted the post and saw Huang Xiaoyan's post the moment she refreshed it.

[Qin Sheng's Little Fan: Aiya, is someone feeling guilty? She deleted the posts so crazily. I'm afraid that her scolding posts will be deleted soon. I have already taken a screenshot. Qin Churou, it's useless no matter how many posts you delete. Hahaha, I knew you would do this!]

Since this post had only been posted a few seconds ago, there were not many replies.

Qin Churou gritted her teeth. She really wanted to retort to Huang Xiaoyan, but the teacher had already come in after she typed two words.

Qin Churou could only put her phone back into the drawer.

She was absent-minded throughout the entire class. Even the few questions that the teacher had asked her, the teacher had to repeat the questions.

When she answered, it was also a mess.

This was a math class, so Luo Xuewen had a headache over Qin Churou's reaction. He gestured for Qin Churou to sit down.

"Qin Churou, listen well next time. You haven't come to school for a few weeks. Last time, your score was only ranked 20th. If this continues, your score will drop even further. There's only one more month before the college entrance exam."

Qin Churou blushed.

She lowered her head and didn't say a word.

Luo Xuewen had already said this to Qin Churou, and this was the second time he had mentioned it.

Back then, he had felt that Qin Churou's face was injured, and she hadn't been to school for a long time. It was understandable that she had regressed.

It was just that he had seen that Qin Churou hadn't been attending classes properly these past few days, and she had been absent-minded from time to time.

Today, he really couldn't hold it in anymore, so he said that Qin Churou would regress.

Luo Xuewen retracted his gaze and didn't bother with Qin Churou anymore. Now that it was the third year of high school, time was very tight. He needed to teach the other students. Towards Qin Churou, he had done his part.

What happened next would depend on Qin Churou herself.

Even though Luo Xuewen had lectured Qin Churou in front of the class, Qin Churou still could not concentrate on listening to the lecture.

Her mind was filled with the matters on the forum.

Time passed by minute by minute. Finally, it was time to end the class.

Once Luo Xuewen left, Qin Churou took out her phone and logged onto the forum.

At the top of the thread was Huang Xiaoyan's post. It already had so many comments.

Previously, there were many people who were harshly reprimanded by Qin Churou. They hated Qin Churou so much that they gnashed their teeth. As soon as they saw a post that scolded Qin Churou, they followed suit.

It was time for class to end. Those students replied very quickly.

In the blink of an eye, more than ten comments appeared.

[Hahahaha, Qin Churou is indeed cowardly. I'm clicking on Qin Churou's homepage now. She originally had more than 500 comments and posts, but now she only has 300 left!]

[Qin Churou is too brainless. Doesn't this prove that Qin Churou is guilty?]

[I just want to know what kind of deep hatred Qin Churou and Qin Sheng have for Qin Churou to personally use her side account to tear her apart?]

[Upstairs, I also suspect that Qin Churou seems to be treating Qin Sheng as an enemy who killed her father.]

Chapter 387: Removed the Mosaic

[I seem to have thought of something. It was said that Zhao Jia had sent thugs to deal with Qin Sheng. Later, Qin Churou's face was disfigured by Zhao Jia. So, could Qin Churou be blaming Qin Sheng for her disfigurement?]

[I think what the person above said makes sense.]

[Ai, I suddenly suspect that the gossip about Qin Sheng being sold to Feng Shuo as a lover is also spread by Qin Churou.]

"Huang Xiaoyan, well done! You're different after staying with Qin Sheng for so long, hahaha."

Class 4.

Lin Feng gave Huang Xiaoyan a thumbs up.

"Huang Xiaoyan, you're really amazing. I didn't expect you to be so smart."

Huang Xiaoyan rolled her eyes, puffed out her chest, and said proudly, "You only realized now? I've always been so smart, okay?"

As she said this, Huang Xiaoyan felt that something was wrong again. Wasn't Lin Feng scolding her in a roundabout way?

Huang Xiaoyan quickly realized what Lin Feng meant.

She turned around and slammed Lin Feng's desk. "Lin Feng, you actually dare to call me stupid!"

Seeing this, Lu Ming silently pulled the stool and sat a little further away.

"Ah—"

Following that, Lin Feng's scream was heard from the classroom of Class 4.

At this moment, in Class 1.

Qin Churou read the comments below Huang Xiaoyan's post one by one. She was so angry that her whole body was trembling.

Her face turned green and then white.

She held her phone tightly, hating Huang Xiaoyan to death in her heart.

This dog, Huang Xiaoyan, was really loyal.

She was protecting Qin Sheng everywhere.

The number of comments was increasing at a speed visible to the naked eye. No one was speaking up for Qin Churou.

Qin Churou gritted her teeth and didn't dare to speak up again.

She could imagine the result of a large group of people ganging up on her when she appeared.

Qin Churou turned off her phone and went to the office to look for the form teacher.

"Applying for leave?" The form teacher frowned.

Qin Churou had only arrived at school for a few days and she was already applying for leave. Therefore, the form teacher was quite surprised.

Qin Churou bit her lip. "Teacher, I'm not feeling well."

Class 1's form teacher sized up Qin Churou. Seeing that her face was pale and her eyes were quite red, he didn't say anything else.

After giving Qin Churou the leave request, he reminded her, "Rest well. Come back to school when you're feeling better."

Qin Churou nodded.

After returning to the Qin Residence, Lin Shuya asked why Qin Churou had come back so early. Qin Churou only said that she wasn't feeling well and went back to her room.

Qin Churou also had insomnia at night and didn't fall asleep until 4 o'clock in the morning the next day.

—

Fu Garden.

Qin Sheng went to the mosaic of the picture and revealed the original appearance of the picture.

Then, she sent the picture to Lu Ming and asked him to send the picture to the forum.

Lu Ming looked at the picture and felt that it was very familiar. Wasn't it just a picture of the Campus Gossip Lord's mosaic being removed?

Of course, that wasn't the main point.

The main point was that this picture was actually mosaic?!

Even he himself couldn't do it.

Lu Ming quickly asked, "Sheng Sheng, how did you completely remove the mosaic? There wasn't any trace?"

Qin Sheng didn't answer.

Lu Ming sent another message. "It must be my brother who helped you, right? By the way, my brother is really good to you. He's really cruel to his little brother."

Lu Ming's tone was full of complaints.

His brother placed more importance on women than his little brother.. What a f*cking b*stard.

Chapter 388: Two Black-Bellied People

Lu Ming mumbled in confusion, "Why didn't Brother look for me directly?"

As soon as this thought popped up in Lu Ming's mind, he quickly found an excuse for him.

His brother must be trying to please his sister-in-law.

Scheming man!

Qin Sheng did not explain further when Lu Ming said this. It was very obvious that Lu Ming had been hit hard by her. If she told Lu Ming that she had removed the mosaic herself, wouldn't Lu Ming doubt his life?

Qin Sheng thought that Lu Ming had helped her a lot in the past, so it was better for her not to hit him.

Lu Ming looked at the content of the picture and had another question.

He quickly tapped on his phone and sent the message over. "Sister-in-law, do you really want to let outsiders know about your relationship with the Qin family? Haven't you always been hiding this identity?"

Qin Sheng smiled and replied to Lu Ming, "I'm just making them suspect."

Lu Ming could not figure out Qin Sheng's plan for a moment, so he sent a question mark over.

Qin Sheng answered very patiently, "Don't worry, the person who doesn't want this matter to get out is Qin Churou. This is a very disgraceful matter for the Qin family. If it gets out through Qin Churou, Qin Hai

will naturally not let Qin Churou off since he cares about his reputation. Therefore, Qin Churou will take the initiative to come out and clarify.”

Lu Ming was stunned when he saw Qin Sheng’s reply.

It could be like this?

Lu Ming could not help but admire Qin Sheng’s actions.

Not only would this clarify her innocence, it would also give Qin Churou a fatal blow. Presumably, through this matter, Qin Churou’s reputation in the school would further decline. She would probably not dare to appear again.

This method was really high-level!

Moreover, it was a roundabout way. If Qin Sheng did not explain, he would not understand at all.

Lu Ming suddenly thought of something. He suddenly touched his arm, and for some reason, he felt a little cold.

He thought that his brother’s heart was dark enough, but he did not expect that his sister-in-law was not inferior either. He finally understood why Fu Hanchuan had taken a liking to Qin Sheng.

With this degree of blackness, it would be a pity if they did not become husband and wife.

Lu Ming suddenly felt sympathy for Qin Churou.

Tsk tsk, she had offended his brother and his sister-in-law.

This Qin Churou was simply courting death.

At this moment, Lu Ming also understood that he could not offend Qin Sheng.

Otherwise, he would not even know how he died.

Qin Sheng turned off her phone and took the clothes into the bathroom to take a shower.

Fu Hanchuan had bought Qin Sheng’s clothes.

They were all high-end branded clothes, and each of them cost more than 100,000 yuan.

Qin Sheng did not pay attention to the clothes, and Fu Hanchuan had never mentioned it before, so Qin Sheng did not know the price of the clothes.

Qin Sheng usually wore a school uniform in school, so no one knew what brand of clothes Qin Sheng was wearing.

Otherwise, they would not easily think that Qin Sheng had been sold to Feng Shuo as a lover.

On the other side, Lu Ming edited a post and attached the completely exposed photo to the forum of H City High School.

[H City High School’s Number One Handsome Guy: I tried to remove the mosaic today and found a particularly explosive thing. The company that Feng Shuo invested in was Qin Real Estate, the Qin

Corporation! Even the signature on the contract was from Qin Churou's parents, Qin Hai and Lin Shuya. So, why is this?]

During this time, the forum had more melons, but was also more exciting.

Those students also loved to join in the fun. They usually had pressure from studying, so they hoped to eat some melons in the forum to relax.

Thus, the frequency of them scouring the forum was higher than normal.

Chapter 389: They Were Sisters

Therefore, not long after Lu Ming's post was posted, a lot of people started replying.

[F*ck, this is exactly the same as the picture posted by the Campus Gossip Lord. It's just that there's no mosaic. Is there a professional to verify if this picture is photoshopped?]

Soon, someone came out to answer.

[My brother is in this line of work. He promised me that this picture has no traces of photoshop. Therefore, this is real.]

They were also very clear about this ID. Since he had stood up and said so, naturally, no one doubted him anymore.

One after another, they focused their attention on the content of the picture.

“Wait, did I see wrongly? Qin Real Estate? Isn't this Qin Churou's family's company?”

Initially, Qin Churou had blocked all the content related to the Qin family. Therefore, they did not know the relationship between Qin Sheng and Qin Real Estate.

Soon, someone raised their doubts.

[So, Qin Sheng is the daughter of the Qin family? Qin Churou and Qin Sheng are of the same s*x. It is very likely that they are sisters. Qin Real Estate is not a small company. Why would Qin Sheng come from the countryside?]

[But I heard Liang Hua say that Qin Sheng transferred from a school in the countryside. Qin Sheng had lived in the countryside for a period of time. There should be no doubt about it. As the daughter of the Qin family, it is unreasonable for Qin Sheng to study in a place like the countryside where the teaching level is poor.]

[Upstairs, seeing you say this, I have imagined a scene of a sparrow taking over a magpie's nest. Could it be that the identities of Qin Sheng and Qin Churou had been swapped? Then, when it was discovered, the Qin family has brought Qin Sheng back? Therefore, Qin Churou has been targeting Qin Sheng everywhere.]

[Yes, yes, yes. I have the same thoughts as the person above. If you explain it this way, everything would make sense, including the private matter being exposed that Qin Sheng was sold to Feng Shuo as a lover.]

[Oh my god, I thought that this was a plot that could only be seen in novels. It's too scary!]

[Once again, I sigh. The city is really too deep. I want to return to the countryside.]

Those students all turned into detectives and thought about the inside story.

One of the students went online to check Qin Real Estate.

Previously, Qin Real Estate's stock price had dropped drastically. The matter of Qin Hai wanting to sell a portion of his stock had caused a commotion. There were many news reports.

That student immediately saw it after checking.

Immediately, he posted a link to the report on the forum.

[Oh my god, I have discovered something. Before, Qin Real Estate had indeed experienced a crisis. When Qin Real Estate was about to collapse, suddenly, a large amount of money entered Qin Real Estate. Qin Real Estate could be considered to have come back from the dead.]

[Could this be true? Qin Real Estate had really sold their daughter? This is too wicked!]

[So, this further proves that Qin Sheng is related to the Qin family. Qin Churou and Qin Sheng are most likely sisters. They are also the same gender. Why didn't I think about their relationship before?]

[But from what I see, Qin Churou and Qin Sheng don't look alike at all. Their appearances are vastly different. Even their personalities are completely different. One is weak, while the other is cold and arrogant.]

[Upstairs, someone has analyzed it before. Qin Churou and Qin Sheng might not be biological sisters. It's very likely that their identities were switched. After they were discovered, Qin Sheng was brought back to the Qin family, so Qin Churou couldn't tolerate Qin Sheng in any way.. I'm guessing that when Qin Sheng was rumored to have come from the countryside and even been kept by an old man, it was Qin Churou's scheme.]

Chapter 390: The Contract Was Real

[F*ck, what kind of big conspiracy is this? It actually appeared in real life!]

[What I am concerned about is that Qin Real Estate sold their daughter! And she was sold to a thirty-five-year-old man as a lover!]

[My family has a partnership with Qin Real Estate. If the Qin family is really like this, no, I have to tell my father to cancel the partnership with Qin Real Estate.]

[Shameless people are invincible in the world. It seems that Qin Churou's face is thicker than the city wall.]

[I suddenly feel sympathy for Qin Sheng. If I were her, I would have collapsed.]

[Yes, yes, yes, I also feel that Qin Sheng is quite innocent. After coming to school, she didn't do much, but she encountered all kinds of rumors.]

Although these students were only guessing, it had to be said that they were very close to the truth.

The forum was very lively.

It was only past 8 o'clock. Huang Xiaoyan was not afraid of disturbing Qin Sheng, so she made a call.

Qin Sheng picked up.

Huang Xiaoyan's voice came from the phone. She sounded very excited. "Sheng Sheng, were you the one who did the things on the forum?"

Qin Sheng had just come out of the bathroom. She wiped her hair with a towel and nodded. "Yes."

Huang Xiaoyan's eyes sparkled when she heard Qin Sheng's affirmative answer. "Sheng Sheng, you're too handsome!"

But...

Huang Xiaoyan asked curiously, "Sheng Sheng, is that contract real?"

Qin Sheng nodded again.

Huang Xiaoyan's heart was in her throat. "So, Sheng Sheng, were you really sold by the Qin family to Feng Shuo as his lover?"

The contract only stated that Qin Sheng had completely severed ties with the Qin family.

It did not say that Qin Sheng was given to Feng Shuo as a lover.

However, when Qin Churou contacted the Campus Gossip Lord, she had expressed this intention. The Campus Gossip Lord had also seen the contract.

He probably felt that Feng Shuo could not have simply wanted to help Qin Sheng break away from the Qin family to inject hundreds of millions into the Qin family.

Therefore, the only possibility was that Feng Shuo had taken a fancy to Qin Sheng.

When the Campus Gossip Lord posted the post, he also led the students to think in this direction.

Even Huang Xiaoyan and Lin Feng, who were defending Qin Sheng, thought the same.

Qin Sheng laughed, "Don't worry, the contents of the contract are true. However, I didn't become Feng Shuo's lover. Feng Shuo only helped me break away from the Qin family. If you don't believe me, take a look. Is it written in the contract that I am Feng Shuo's lover?"

Upon hearing this, Huang Xiaoyan quickly went over to take a look. It was as Qin Sheng had said.

Huang Xiaoyan heaved a sigh of relief. "It's good that you weren't. Those people from the Qin family, it's fine even if you don't want them. Sheng Sheng, congratulations on leaving the Qin family."

Following that, Huang Xiaoyan pulled Qin Sheng to talk for half an hour.

Seeing that it was 9 o'clock, it was probably time for her to rest. Huang Xiaoyan did not dare to disturb Qin Sheng, so she reluctantly put down her phone.

Qin Sheng usually went to bed early.

Now that her hair was dry, she turned off the lights and lay on the bed after talking to Huang Xiaoyan on the phone.

In the study next door, the lights were still on.

There was a computer in front of Fu Hanchuan, but he was currently reading the content on the forum.

Seeing the post by Lu Ming, Fu Hanchuan knew that this was Qin Sheng's handiwork.

He looked at the photo seriously.

The mosaic was perfect, without any flaws.

Fu Hanchuan could not help but smile.

His little girl was very outstanding. If something happened, she would be able to solve it perfectly.

The only flaw was that he did not have the chance to help her.

Fu Hanchuan left the study and passed by Qin Sheng's room.. When he saw that the lights had been turned off, he smiled dotingly.
